

ATHLETICS

AGGIES LOSE TO SOUTH DAKOTA 21 to 0

In a game played before a large crowd of football fans from a large radius around Watertown, the A. C. team lost to South Dakota State College, 21-0. The injuries of our men were evident throughout the entire contest, but in spite of this disadvantage, the whole team put up a good fight.

The first quarter was marked by remarkable defensive and offensive work by A. C. The South Dakota eleven were not able to do much. In the second quarter, A. C. weakened and Skinner made a touchdown and Stevens kicked goal.

On the kick-off at the beginning of the second half, Skinner got away for an 80-yard run for the second touchdown.

The third touchdown was made by Game in the fourth quarter. Stevens kicked goal each time.

A detailed write-up of the game was not obtainable, therefore this brief report.

Junior-Senior Game A Good Exhibition of Football

SENIORS WIN FIRST ANNUAL GAME 6-0.

"Did you see the game, Friday?"

"What game?"

"Why, the Junior-Senior Football game! You surely missed it if you didn't."

"Do you suppose I was going to stand out there in that cold northwest wind and freeze? Well, I guess not."

There were no remarks like the last heard from anyone who saw the game. What did those 227 rooters (by exact count) care for the wind and cold. There never was and

never will be a game played on Dacotah Field which would come any where near to the game last Friday. The fight displayed by both teams was wonderful. Especially was this true of the Junior team. Witness the stubborn defense when in the second quarter the mighty Seniors couldn't put th ball across the goal when they had only three yards to go and four downs in which to make it. At the end of the fourth down the ball was ten yards from the goal instead of three as when the play started.

The first half was a remarkable exhibition of football. Both teams played close and there were very few fumbles, or mis-plays. The backs of both teams made consistent gains, Seniors making more on end runs, and the Juniors doing better thru the line.

During the second half, there were a few substitutions, but these did not materially change the teams. The second half was a little slower than the first. One feature was a 30 yard run by Challey, of the Junior warriors.

The Seniors put over their touchdown in the fourth quarter after steady gains. The touch down was made in a fluke but it was made never the less. McKee kicked out, but Joe Roberts was not able to kick goal.

Intercollegiate

The new president of Stanford university, Dr. Ray Lyman Wilbur, Saturday expressed his interest in athletic competition for all and "not in one big event which everybody but the team chews gum."

"Freshmen should be allowed to compete on all Stanford teams," said Dr. Wilbur. "He has as much right to play as the sophomore and junior."

The University of Washington will have a Greek theatre like that of California, if the plans of Dean A. S. Haggett are realized. He has presented a plan to President Suzzallo of the university for the construction of an amphitheatre resembling the Greek theatre. The old wooden amphitheatre, a relic of the Alaska-Yukon-Pacific exposition, is to be torn down, as it is in a state of ruin. Donations will be sought to cover the cost of construction. It is estimated that \$50,000 will be needed.

Montana.
Frank Dries is giving daily exhibitions of real open field running. There is no touch of the leech family in his system when he carries the ball for there is not a tackler on the field to whom he sticks.

Sure.
Slippery as a brook trout and as handy as a Ford, Dries is keeping bleacherites from ever getting bored. Spend a night upon the boards and watch the fars'ty play. You never know what's coming up, you better go today.

Secretary Bryan recently made the statement that over three thousand University students had signed the pledge. He said that book containing the names of those signing constituted one of his choicest possessions and that he would be glad to sign the pledge with any man, no matter what might be his state or condition. Now that Ohio has again defeated the prohibition campaign, we should think that W. J. could find a mighty prosperous field for signers in that state and undoubtedly he would find them in all conditions.

You Need a Typewriter

Every college student needs one. You need it first for your own work. And if you wish, you can make a nice income from it by doing work for others. Every student knows this. "I wish I had a typewriter," is what students say every day.

That's easy; easier than you think. We have made it easy by our

Special Rental Rate to University Students
Rent from us a rebuilt latest visible model

**Remington
Typewriter
2 months for \$5.00**

Two months will settle the matter. They will prove to you that you need a typewriter; that you can't get along without one. Then if you wish to buy that machine or a new one, we will credit the \$5.00 on the purchase price.

A good fair offer isn't it? Then send us \$5.00 and we will send the machine.

No, Philburt, I am not a-arguing with you. I'm just a-telling you
—when you want a real smoke, get behind a pipeful of Tuxedo and watch all the big and little Worries that have been a-besieging you, evacuate their trenches and make a rushin' advance to the rear. Those fragrant whiffs of "Tux" make them feel too joyful—no self-respecting Worry can stand for that.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

The combination of the best smoking-tobacco leaf in the world and the best method ever discovered for refining and mellowing tobacco puts Tuxedo in a class by itself.

Kentucky's ripest, mildest Burley leaf, when treated by the original "Tuxedo Process" loses every trace of bite—develops a wonderfully pleasing fragrance and flavor that are not found in any other tobacco.

No other manufacturer knows the "Tuxedo Process"; that's why no imitator ever equals Tuxedo!

ALUMNI

The following, which is of interest to A. C. people was printed in the Forum, November 12. This afternoon at 3 o'clock at Page, N. D. at the home of the bride's parents, Mr. and Mrs. W. J. Thompson, was solemnized the marriage of Miss Annie Isabella Thompson to Palmer Foss, the latter now of Page but formerly of Fargo, while he was attending the A. C.

Mr. Foss was graduated from the chemistry department of that college a year ago, since which time he has been employed in the drug store at Page. His parental home is in Minnesota.

He was well known here as "Polly" Foss, foot ball player, is a member of the Alpha Mu fraternity, and was prominent in other ways at the A. C. having many friends in this city.

(The writing-up of the marriages of the alumni seems to be a habit with the Editor, next!)

This department will publish a list of last year's graduating class, with a record of their present location and work. The names will be taken alphabetically, and continued in each issue of this paper until completed. We believe that everyone will be interested to know something about these alumni and what they are doing.

Class of 1915.

Botsford, Walter, B. S., Supervisor of school gardens, with U. S. Bureau of Education.
 Brown, Ruth, B. S., High School, Fessenden.

Carlson, Charles G., Principal of consolidated school at Oriska, N. Dak.
 Caulkins, Ralph, B. S., mechanical engineer with Clyde Iron Works, Duluth, Minn.

Cockburn, William, B. S., Farming, Webster.
 Colley, Reginald, B. S., State food inspector and instructor on chemistry at Agricultural College.

Dixon, Homer, B. S., Instructor in agriculture, high school, Perham, Minn.
 Drummond, Royal, B. S., Instructor in Mathematics, Kearney Military Institute, Kearney, Nebr.

Edwards, Grover, B. S., County agent, Minot.
 Erickson, Victor, B. S., Herdsman, North Dakota Experiment Station.

Gilbertson, Gunhild, B. S., High school, Mayville.
 Grover, Genevieve, B. S., Assistant in Home Economics, Normal School, Winona, Minn.

Gullickson, Knute, B. S., Farming at Enderlin.
 Holmes, Mabel, High School, Warroad, Minn.

Honett, Lena, B. S. High school, Forman.
 Horne, John, B. S., Farming, Penn, N. D.

Keene, Margaret, B. S., High school, Bathgate.
 Knutson, George, B. S., research work, Longmont, Colo.

Leet, Mabel, B. S. at home, Webster.
 Lohn, Victor, B. S., Hardware business, Froid, Mont.

Chapter charter. Following an afternoon spent in needlework, stunts, and fudge-making, the girls were taken to "Crowley's" by their hostesses where a dainty lunch was served; after this a theater party was enjoyed at the Garrick. The whole afternoon was thoroughly enjoyed by all.

Miss Jessie Lowman stopped in the city last week to visit with friends. She was entertained at the home of Miss Suly Grest.

Miss Edith Wittkopf visited over Sunday with Miss Helen Horn. Another of the series of Y. W. C. A. parties was given at the home of Prof. Smith on Saturday evening. Each girl brought her needle work and the girls spent the first part of the evening in sewing and talking. The second part of the evening was spent in a mock track meet each girl being required to enter a certain number of events. Other forms of contests followed. After a very delicious lunch, all departed, voting Mrs. Smith a charming hostess.

Sixteen students enjoyed a very pleasant evening on Saturday last at the home of Prof. and Mrs. E. G. Meinzer. The party was planned jointly by the host and hostess and a committee from the College Y. W. C. A., and consisted of a well arranged program of games and entertainment features, followed by very tempting refreshments. Most of the men present are regular members of the student Baraca class which meets each Sunday in the Broadway Methodist church under the leadership of Prof. Meinzer.

The Oregon Agricultural College will debate the North Dakota Agricultural College on Monday evening, January 10, 1916. It will be a dual debate. The question to be debated is as follows: Resolved, that the Federal Government should own and operate all telephone and telegraph lines in the United States. The try-outs for the debate will be held Saturday afternoon, November twentieth at four o'clock in THE LITTLE COUNTRY THEATRE. All collegiate students who wish to enter the debate should hand their names to Mr. A. G. Arvold, Room O, Main Building.

Domestic

This year a course in practical dietics is being offered to the Home Makers. The girls are learning dietetic values which can be applied to their everyday life, without going into scientific studies.

The senior Home Makers are taking their work in table setting and serving now, under the direction of a group of senior girls in practice work.

The Junior Cooks have just completed their candy work. This part of the course is exceedingly interesting and enjoyed by all the girls and some of the boys. A slight change in the year's plan brings the work here rather than just before the holidays.

The senior class in the H. E. is so large that satisfactory work in practice teaching cannot be given with the classes immediately at hand. The department very fortunately, has been able thru Miss Topping to organize classes in both Domestic Art and Science at the Florence Criffenden Home. Equipment was secured this fall and the girls feel that they are having a real experience in the H. E. work. Efforts are also being made to conduct a class in Domestic Science at the Civic Center. Besides accomplishing the immediate purpose these steps are broadening and extending H. E. and bringing it in closer touch with those who are really in need.

SOCIETY

A Y. W. C. A. group party was held at the home of Mrs. Sweetman on Saturday evening. A very enjoyable hour of sewing was followed by several "stunts" which were enjoyed by all. At the close of the evening the guests gathered about the lighted fire-place and partook of dainty and appropriate refreshments.

Saturday afternoon, the Misses Boletha Frojen and Margaret Hutchinson very delightfully entertained the Phi Upsilon Omicron fraternity and pledges at their rooms on Thirteenth Street North. The affair was in celebration of the fraternity's anniversary. It being one year since the fraternity received its Beta
