

STUDENTS SHOW LOTS OF SPIRIT AT FARGO COLLEGE GAME

Five Hundred Students Follow Band To Stadium

With an almost perfect day so far as the spectator was concerned, the A. C. students, nearly five hundred strong, marched through town last Friday to the A. C.-Fargo College game. The band of twenty-five pieces lead the way. Behind them, four abreast for over a block, came the rooters, boys and girls alike. A few weaklings started to walk or ride down ahead of the regular procession, but the jeers and promises "to get them" were more than they could stand and before the rooters reached the Stadium all had fallen into line.

They started to gather in front of the Main Building as per instructions, long before one o'clock. Most of the students were armed with horns and megaphones and decorated with yellow and green arm bands and ribbons, and the noise they made while rehearsing for Fargo College was so great that the authorities of Harwood complained that the school children there were so disturbed that they could not study their lessons, and would the A. C. students kindly desist. Instead of lessening, how-

ever, the tumult increased until the order was given to "fall in behind the band and Forward, March."

Yells were given at various places along the line of march, while the band played most of the time.

After reaching the Stadium, the band led the way around the field and to the section of the bleachers reserved for A. C. students. Until the teams appeared, there was rivalry between the rooters of the two schools, but the A. C. crowd was too much for the Fargo College bunch.

The arrival of the A. C. team on the field was met with a deafening burst of applause, such that that of the Preachers sounded like a mere echo in spite of the assistance of their tin pans and spiders. Through the whole game, the rooting of the supporters of the Yellow and the Green was a thing to be commended. If such spirit prevails next Saturday, there is little doubt but that the team will be able to put up the best fight ever seen on Dacotah Field.

LET'S BEAT THE "U."

ALPHA ZETA ENTERTAINS

On Friday, October 22, the Dacotah Chapter of Alpha Zeta entertained the Agricultural students of the college at a mixer held at the Commercial Club Rooms.

About 100 were present and a very enjoyable evening was reported by all.

The first part of the evening was spent in smoking the excellent cigars provided by the Fraternity and getting acquainted. Then lunch was served after which Joe Alexander, as toastmaster, introduced the speakers of the evening.

President Worst was the first on the program. He said in part:

"The opportunities for a young man in this country are very encouraging. With proper methods of farming, our soil will produce large crops year after year and at the end of a thousand years produce greater yields than now. The long winters and limited rain fall are two of Nature's blessings to North Dakota."

Other speakers were Dr. Bell, who spoke on "The Student Point of View," Prof. Sheppard, whose subject was "Zetas I Have Met," and Mr. Sweetman talked on "Fellowship."

Editor:—This should have run in last week's Spectrum, but due to an oversight on my part, it was neglected. Apologies are in order and are gladly given.

BRIEF HISTORY OF NORTH DAKOTA IS OUT

Written By A. and M. T. H. S. Students.

A brief history of North Dakota is now on sale at the Bookstore. It is the result of the work of the history students of the A. and M. T. High School last year, under the direction of Prof. Meizner. According to the preface, it is in response to a demand for a brief account of the beginnings of our state. Hitherto, this information has been contained only in large volumes found in a few libraries of the state. The work should fill a long felt need, and every student interested in the history of this state should have a copy. The price is only 15 cents.

The Second Annual Industrial Course Demonstration Contest is scheduled to take place on Friday evening, November 19, 1915. Students in the Industrial courses who wish to enter it should see Mr. A. G. Arvold, Room O, Main Building.

JUNIORS ACCEPT CHALLENGE OF SENIORS

HEAR, O SENIORS

Inasmuch as you cannot compete with us intellectually, it is with great pleasure that we perceive that you have decided to compete with us physically.

It is very important that this "worth while" plan be started in connection with the Juniors, for there has never, in the past three years been anything started and finished that there has not been some connection with the Class of '17.

We deplore your ignorance in affairs of this kind in that you presumed to dictate the terms to the challenged party. However, having had dealings with you before, I, as every one knows, the best that we can expect from you. We certainly admire your nerve, but think little of your judgment.

Therefore, Seniors, We the Juniors do accept your challenge to play a game of football and the terms laid down therein and refer you for further arrangements to the following committee appointed this day, October 27, 1915.

- Percy Beals, Mgr. Sidney Hooper. Andrew Challey. Signed, WORTH GRAHAM COUEY, President.

TO INSTALL BULLETIN BOARD IN FRONT MAIN BUILDING

WILL FILL LONG FELT WANT ON THE CAMPUS.

In the near future there will be a bulletin board erected in front of the Main Building. Heretofore, in order to see the events of the day it had been necessary for one to enter the main building in order to see the bulletin board. It will save a lot of trouble when erected. The top will be surmounted with a smaller inclosed board that will announce chapel exercises and things that are of greater importance. It will be used on both sides and can be seen by everyone who comes onto the campus.

The big Inter-Society Debate between Athena and Pythia will take place in the Little Country Theatre on Friday evening, November 19, 1915.

NEW SUPERINTENDENT OF FARMER'S INSTITUTES

Mr. Frank Sanford, one of the progressive and enterprising farmers of Barnes county, was a caller at the College last Wednesday. Several years ago, Mr. Sanford was a member of the Board of Trustees for four years, and was one of the most efficient and interested directors that ever served on the A. C. Board. Mr. Sanford has accepted the position of Superintendent of Farmers' Institutes for the coming year. The Fairview Stock Farm over which Mr. Sanford presides, contains 1900 acres, is well equipped with buildings and well stocked with pure-bred cattle, horses and hogs. His experience and success on the farm, his business methods and ability as a lecturer, will make his work particularly valuable, and will insure the confidence of the farmers of the state in his work as director of the institutes.

FIRE CAUSES EXCITEMENT

Saturday morning about nine o'clock word came to the administration building that the railroad bridge on the spur track was on fire. Immediately the President, Secretary Yoder and Professor Smith were conveyed to the burning bridge by Adolph. When they arrived there, the east end of the bridge was all ablaze and not a drop of water nearer than the Engineering Building. Some of the station men come down from the arboretum with shovels, while Adolph returned to the power plant for water. They covered the top of the bridge with sod and dirt. This kept the fire somewhat in check until the switch engine came from town with water. After a hard fight, the fire was extinguished, but not until the east end of the bridge was wrecked. After years of fighting prairie fires during the pioneer days on the Missouri slope, the President could not keep out of a fight of that sort if he tried.

COMMISSION MEETING OCTOBER 26th

The Commissioners present were President Alexander, and Commissioners Porter, Crouch, Mendenhall, Slingsby, Abbott, Ball, McConnell and Frojen.

The Secretaries report was read and accepted.

The By-laws were read by Mr. Mendenhall and discussed.

Mr. Porter moved that the proceedings of this meeting as well as the by-laws be published in the Weekly Spectrum.

Mr. Porter moved that the discussion of the By-laws be deferred until their publication in the Spectrum.

The Commissioner of Finance reported Twenty (\$20.00) dollars in the treasury.

Mr. Porter moved that the reading of the report in full be delayed until the next meeting to be held Monday, November 8, at 7:30 p. m.

NORTH DAKOTA EDUCATIONAL ASSOCIATION MEETS AT GRAND FORKS THIS WEEK

Several A. C. professors will be in attendance at the North Dakota Educational Association meetings to be held in Grand Forks this week. Prof. Waldron is President of the Science and Mathematics section and Prof. Orr holds the corresponding office in the section devoted to musical education.

The program calls for addresses by Pres. Thorst, A. P. Hollis, Prof. Keene, Wos. P. Cooper, Prof. Weeks and Prof. Orr. Hugh J. Hughes, an alumnus of A. C. will also speak, his subject being "Relation of the Rural school to Higher Education."

Among the national characters to speak are Booker T. Washington and Hon. P. P. Claxton, of the U. S. Bureau of Education.

Are you going to attend the Seventh Annual Agricultural and Manual Training High School Declamatory contest in the Little Country Theatre, Friday evening, November 5, 1915. It's free.

Don't forget to attend the Seventh Annual Agricultural and Manual Training High School Declamatory contest in the Little Country Theatre, Friday evening, November 5, 1915. It's free.

Polytechnic Society To Meet At Moorhead Normal

At the next meeting of the North Dakota Polytechnic Society Mr. R. E. Remington of the Experiment Station staff will give a paper upon "The Technique of Food Preservation." The speaker will pay particular attention to technical methods of canning various food products, discussing the different processes involved upon a commercial scale. Miss Hadley of the Agricultural College will lead the discussion by presenting a few ideas of the relative economy, wholesomeness and palatability of commercial versus home canned products. The whole subject of the canning of food articles is quite appropriate at the present time, considering the nation wide agitation for home canning and the establishment of a canning factory in Moorhead.

The meeting takes place in the library of the Moorhead Normal school at 8 p. m. on Wednesday the 3rd inst. One of the pleasant features in connection with "Polytech" has been the social intercourse of the scientific staffs of the Agricultural College, Fargo College and the Moorhead Normal School. It was arranged to have this meeting in Moorhead as a partial acknowledgment by the Agricultural College members of the continued interest and loyalty of the Normal school members of the society. During the past three years the Moorhead members have attended Polytechnic meetings approximately 50 individual times. It is hoped that at least that number of persons from the A. C. will make the trip to Moorhead on Wednesday evening. All who are interested are advised to take the Normal school car leaving Broadway at 7:30 or 7:45 p. m.

HOME ECONOMICS DEPARTMENT.

Under the new arrangement the Senior girls are able to get an entire year of practice teaching, both in Domestic Science and in Domestic Art, and now that the Homemaking courses are started they are having ample opportunity to test their ability.

The class in Home Management under Miss North have started giving their demonstrations. The subjects given so far have been on "Gelatin Desserts" by Ursula Grest, and "Palatable Dishes" from "Dried Fruits" by Louise Fitzgerald.

Miss Hadley and her mother, and Miss Stoner have a cozy flat in the Brown apartments this year.

The Junior Girls in Food Products class are busy putting up their jellies and preserves for use in Table Setting and Serving in the Spring Term.

The dietetics laboratory has recently been equipped with three additional Harvard Trip scales. This year's Senior class of twenty-five girls is the largest on record since Home "Ec" has been established at A. C.

Monday December the sixth will be observed as Ellen H. Richards Memorial Day. An appropriate program will be given in convocation, and a short playlet will be given in the afternoon in the Little Country Theatre. The department will hold open house on that day, and all students and their friends are cordially invited to attend.

The World Moves.

"You see, grandma, we perforate an aperture in the apex, and a corresponding aperture in the base, and, by applying the egg to the lips and forcibly inhaling the egg to the lips and forcibly inhaling the breath the shell is entirely emptied of its contents." "Dear me" exclaimed the old lady, "what wonderful improvements they do make? Now, in my younger days, they just made a hole in each end and sucked."

"MILK AND MILK PRODUCTS" DISCUSSED IN CONVOCATION

Professor Keithley spoke in chapel Monday morning on "Milk and its Production and Their Relation to Agriculture."

He said in part: "One can trace the higher development of any country or state in accordance to the state of the development of the dairy industry within that country or state. One has merely to compare certain countries in Europe to see what the dairy industry has done in the development of civilization. In the United States the most progressive and wealthiest states are those where the dairy industry is the leading occupation."

The dairy industry has developed rapidly from 1850, at that time there were six and one-half million dairy cows in the United States. On January first, 1915, statistics showed that there were twenty-one million two hundred sixty-two thousand dairy cows in the United States. The increase in North Dakota has been as follows: 1900 there 125,000 dairy cows in the state; in 1910 there were 259,000; in 1915, 339,000. North Dakota is surpassed by one state in the percentage increase of dairy cows since 1900.

The record of our college herd for 1914 shows that the cows yielded a net profit of from \$47.74 to \$225 per cow.

The average production of the North Dakota cow is very low, but could be doubled within fifteen or twenty years. In order to increase the production it is necessary that we have men who are properly educated to carry out this work. The state has furnished us with a splendid new dairy building and A. C. now gives a training in dairying that is equal to any college in the United States.

Five reasons were given for the rapid growth of the dairy industry:

- 1. Maintains fertility of soil. Dairying takes first rank in this respect as it removes little or no fertility. 2. Cheap production of human food. 3. Economic employment of labor. 4. Dairy industry is on a cash basis. 5. Biggest returns from high priced, densely populated land.

President Worst spoke for a few minutes and appealed to the student body to enter the college activities. He said that coming to college should mean more than merely coming to get our lessons. We should be "big fellows" and take an active part in the college activities. Each student should make a mark for himself outside of his lessons.

Dr. Dalt will speak next Monday morning in chapel on "The School System of France."

Watch the Bulletin Boards for Rallies.

A. C. STUDENTS HEAR McADOO

After the game Friday, the band led the way to the Gardner and gave a couple of numbers, including the Yellow and the Green, for the benefit of Secretary of Treasury McAdoo and party. President Worst prevailed on the Secretary to come outside and say a few words.

Secretary McAdoo congratulated the school on its victory saying that it must have been a good victory judging from the high spirits the most of us were in. He also congratulated us on our school.

After he had finished, there were calls for a speech from his wife, but she smilingly shook her head signifying that that was not in her line.

Watch the Bulletin Boards for Rallies.

A mysterious phone call came to Olivia Wild one evening recently. She was informed that order from the Office were to the effect that she must change her rooming place. Imagine her consternation when the message was delivered. However, Ole knew that this had to be straightforward, so she betook herself to the Gardner to call on Prexy. He came down stairs and plead absolute ignorance of the whole affair.

Edwin Booth Dramatic Club to Stage Several Plays

APPRECIATION WORK TO BE RECOGNIZED AT CONVOCATION

STUDENTS TO SPEAK AT UNIQUE EXERCISES.

On the fifteenth of November at the regular convocation exercises several students will give short talks in the regular chapel period.

The nature of the exercises will be to give due appreciation to the advantages offered in this state to those who are residing or are in the state. They will be of special significance to the students. All of the larger institutions of learning will give some time to the matter during the week of November 14-22.

At this institution, those who are on the program are as follows: Walter Baumgartel; Louise Fitzgerald, and William Mendenhall. While the speakers have not yet taken their subject it will relate in some way to the appreciation exercises.

Proposed By-Laws By Commission

Number I.

A Bill to Provide a Regular Time of Meeting:

Be it enacted by the Student Commission that the time and place of the meeting shall be as hereinafter defined:

Section 1. The Commission shall convene regularly at 7:00 p. m., the second and fourth Friday nights of each calendar month.

Section 2. The place of the regular meeting shall be the Administration Building.

Number II.

A Bill to Provide for the Right of Speech of Students, Faculty and Station Staff.

Be it enacted by the Student Commission that all meetings shall be open and the right of discussion may be granted to members of the collegiate body or faculty and station staff by a majority vote of the Commission; and be it further enacted that the time granted each auditor to speak shall be limited to ten (10) minutes unless the Commission grants an extension of time.

Number III.

A bill Defining Terms Used.

Be it enacted by the Student Commission that the following be constituted definitions:

- (a) A bill: A bill is a proposed law. (b) A law: A law is a duly enacted piece of legislation that shall permanently operate.

(c) A resolution: A resolution is a formal expression of opinion or will of the Commission upon some specific subject.

(d) A motion: A motion is a formal proposal looking to action or conduct not operative before limit of meeting at which motion is made.

Number IV.

A Bill Providing for the Proper Presentation of Bills and Resolutions:

Be it enacted by the Student Commission that the following rules be observed in the presentation of all Bills and Resolutions:

Section 1. Any bill or resolution must be in written form.

Section 2. Such bill or resolution must have:

- (a) A caption, setting forth the provisions or purpose. (b) An enacting clause, "Be it enacted by the Student Commission, that (insert here the body of bill)."

Section 3. A written copy of such bill or resolution must be given to the Secretary for engrossing.

Number V.

A Bill Providing for the Engrossing and Publishing of Bills. Also for Permanent Filing.

Be it enacted by the Student Commission that Engrossing and Publishing of Bills Comply to the Following Requirements:

Section 1. All properly presented bills and resolutions must be pre-

MAY EXCHANGE PRODUCTIONS WITH "SOCK AND BUSKIN" SOCIETY OF NORTH DAKOTA UNIVERSITY.

"Engaged"—Three Act Comedy By W. S. Gilbert Scheduled for Wednesday, November Twenty-fourth—Play Recommended by Granville Barker of London, England.

THE EDWIN BOOTH DRAMATIC CLUB of the North Dakota Agricultural College is making extensive preparations for one of the most eventful years in its history. This year the club will not only stage several one act plays, but it will also present three big productions, one each term.

On Wednesday evening, November 24, 1915, the night before Thanksgiving, the club will give "Engaged," a three act comedy by that well known dramatist W. S. Gilbert. It may be of interest to the people in this vicinity to know that the play was highly recommended by Harley Granville Barker of London, England on his recent visit to THE LITTLE COUNTRY THEATRE. The first production of "Engaged" was at the Haymarket Theatre in London in 1877. It is an exceptional comedy, one that will keep an audience in constant roar of laughter. The cast chosen for this particular production in THE LITTLE COUNTRY THEATRE on Wednesday evening, November 24th, 1915 is one of historic merit. They have already begun rehearsal work and are progressing in a most satisfactory manner under the tutelage of Delia A. Linwell.

During the winter term (the exact date to be announced later) the club will present one of the following plays—"Pygmalion" by George Bernard Shaw "The Winter Feast" by Charles Rann Kennedy, "The Romancers" by Edmond Rostand, "The Two Mr. Weatherbys" by Sir John Hankin, "Pillars of Society" by Henrik Ibsen, "Obstinacy" by R. Benedix, "The Beaver Coat" by Gerhart Hauptman, and "Fruits of Enlightenment" by Leo Tolstoy. The casts of characters for these productions are already under consideration by the advisory board of the club.

William Shakespeare's comedy, "Much A Do About Nothing" has been selected for the Spring term. The play will be presented in commemoration of the three hundred anniversary of Shakespeare's birth. It is quite possible that scenes from the play will be staged in the Fargo Auditorium.

On Tuesday afternoon, November thirtieth, nineteen hundred and fifteen the Club will present "The Travelling Man" a miracle play by Lady Augusta Gregory. Negotiations are now under way to have the famous Irish playwright arrive in Fargo on Tuesday morning. It will be remembered that she speaks in the College armory in the evening as the second number on the Citizens' Lecture course. The play will be given in THE LITTLE COUNTRY THEATRE in presence of Lady Gregory, its author.

Suffice it to say the prospects for a bright year for the Edwin Booth Dramatic Club were never better. All the members of the club will be used in plays during the year. Arrangements are now under way to exchange plays with the "Sock and Buskin" Society of the University of North Dakota.

sent in proper form to the Commissioner of Elections who shall make a typewritten copy and a duplicate upon uniform sized paper.

Section 2. The following form shall be used in engrossing of bills or resolutions: "A bill or resolution No. (.....) providing for (insert purpose)."

"Be it enacted or resolved by the Student Commission that, (body of bill or resolution, to follow)"

Section 3. One copy, as provided for in Section 1, shall be given for publication in The Weekly Spectrum, together with its author; the other copy shall be filed by the Commissioner until final consideration of it is taken by the Commission.

Section 4. If said bill be enacted by the Commission there shall then

THE WEEKLY SPECTRUM

The Official Publication of the Student Council.

Published every Wednesday of the school year by the students of the North Dakota Agricultural College, at the Ulaker Printing Co., 311-315 Broadway, Fargo, N. D.

In cases of non-delivery, change of address, or change of ads. please notify W. E. Crouch. Office on the second floor of Mechanics Art Building Building. Subscription rate \$1.00 per year. Single copies 5 cents.

Entered at the Post Office of the Agricultural College, North Dakota, as second class mail matter.

EDITORIAL

According to the "Blue and Gold," Dr. Stearns says that no student should be granted a college degree until he has written something for publication. We maintain that that is good advice. Whether or not you are a member of the Spectrum staff plan to get something ready for the paper each term. It is a source of great pleasure to see something of your own composition in print. GET THE HABIT.

Last year the Faculty decided to adopt the simplified spelling for the following words: Program, catalog, prolog, demagog, pedagog, tho, thofore, thru, thruout. The adoption of thoro was taken to include all its derivatives, such as thoroly, thorness, etc. It is well for the new students to keep this in mind.—Manitou Messenger.

The program of the Spectrum staff calls for some of this work next term. Let's hear your opinion on the subject.

OPPORTUNITY

What girl ever has enough pin-money? There is always just one more thing she wants—one more payment of dues in the class or society to which she belongs—or some attractive movie; in fact a thousand desires make themselves known when she can't quite get them. Now there is a remedy for nearly everything, and this particular thing does not need to be "endured," it can be "cured."

There are a great many ways of making money if you will but look for them. This is true of the life outside our college campus, and just as true of the life here. Society appreciates the person who is independent—and the person who DOES SOMETHING.

There is no disgrace in work, for everyone does work in one way or another. The college woman is broad-minded (or ought to be) that's what she is being educated for, and she realizes that the woman who is to be admired is the one who works.

You say—we all work in school, that's true enough; but if we really desire something, we can usually do a little more in order to get it.

The employment committee of the Y. W. C. A. stand ready to help girls at any time—why not call on them? Why let "perfectly good" money go to some-one else when YOU want it?

LETS HAVE SOME MORE

(By Beals)

After continual drumming and coaxing, a staff has been worked up which promises to be the best that has ever worked on the "Spectrum."

Due to the fact that the editorial column was set before the staff was completed, it will be impossible to publish a full list this week—better luck next.

Monday morning there were seven members of the staff in the office all at once. Just think of it! Seven! The number is overwhelming! Not since the time Washington crossed the Rhine have there been so many congregated within the four walls of the composing room. The amount of news turned in was overwhelming.

While at the present time there is no reward—no honor connected with these jobs, there is a movement on foot to offer a certain recompense to those who give a certain share of their time to work on the school paper.

As has been said, the Editor-in-Chief gets no honor—or rather very little—for a good edition and a great deal of un-called for criticism if the paper does not come up to the preceding issue.

With the present Staff working as if their lives depended on it, and with the bare possibility of more advertising, those on the campus may begin to hope for a larger paper in the near future.

This cannot be done, however unless YOU come thru with your subscription. Not one-half of the students, registered for the long term courses are subscribers—to say nothing of the short course students.

The staff have responded to the call, why can't you help out with your bit? Get your subscription now. Read the paper, and help the staff, they need it.

Pat Had Right Idea.

While his wife was away, Pat was doing the shopping. Now he stood in the butcher's shop puzzled as to what joint to have for Sunday dinner.

"Why not try a saddle of mutton?" suggested the purveyor of meat. Pat shook his head.

"A saddle?" he replied. "Why not a bride? Then I'd stand a better chance of getting a bit in my mouth."

Bobby Interfered.

"London's a dreary sort of place, and the smoke's something awful!" the returned countryman was tell-

ing his awed village friends. "It's so thick, the air is, that I wonder anything grows there. I planted some corn in a box on my window sill, to remind me of home, and what do you think came up?"

One suggested wheat, while another thought oats more likely. But most of them remained silent, looking at their venturesome friend with respect.

"All wrong!" said the returned traveller presently. "A policeman came up and told me to take a box down at once!"

Rally Friday noon, at the Armory. Plan to be there.

Rally Friday noon, at the Armory. Plan to be there.

THAR'S three kinds of tobacco—good tobacco, better tobacco, an' VELVET. For VELVET is the better sort of tobacco with its best brought out by agein'.

Velvet Joe

MILITARY AND MUSIC

GENERAL ORDERS, No. 1

1. The following appointment of officers and non-commissioned officers is hereby announced. These appointments to hold good throughout the present school year subject to revocation on account of misconduct, etc. The assignments to companies are liable to change if thought best for the interest of the battalion.

To be Captains:

- Adrian Foley, Co. A, second.
- Culver Ladd, Co. B, fourth.
- Warren Dodds, Co. C, first.
- Marvin S. Kirk, Co. D, third.
- Walter Bender, Co. E, fifth.

To be First Lieutenants:

- Charles J. Struble, Co. B, third.
- James F. Wiggins, Co. C, fourth.
- Ferdinand J. Wienecke, Co. D, second.

To be Second Lieutenants:

- Monroe J. Irk, Co. E, first.
- Alvin Rosvold, Co. A, first.
- J. T. McConnell, Co. E, second.
- M. H. Harrington, Co. C, third.

To be First Sergeants:

- Sivert Erickson, Co. A, first.
- Harry P. Roberts, Co. B, third.
- Alfred N. Sorenson, Co. C, second.
- Walter Stockwell, Co. D, fourth.

2. The men to fill the vacancies left will be appointed later.

3. Hereafter, companies A and B will drill on Mondays, Wednesdays, and Fridays. Companies C, D, and E will drill on Tuesdays, Wednesdays and Thursdays. The company officers will report for drill with their companies, only and not on all days as heretofore.

By order of

F. B. CARRITHERS, 2d Lt. 20th Inf., Commandant.

Approved: J. H. WORST, President.

COME OUT FOR THE GLEE CLUBS

If you are interested in this work see Professor Orr at the Music Hall not later than Saturday. Several of the old members have already reported and there is an abundance of new material on hand. From now on, Glee Club practice for both the Boy's and Girl's Clubs will be held each week.

The work of the band last Friday showed that a little practice in the elements of marching would not be out of place. While the nice weather lasts there is plenty of opportunity for practice.

Miss Grasse is confined to her home with a severe case of the grippie. Her students will be notified when she is able to resume her work.

Better go to the Seventh Annual Agricultural and Manual Training High School Declamatory contest in the Little County Theatre, Friday evening, November 5, 1915. It's free.

CHINA PAINTING
New supplies of all kinds just arrived. New colors for dusting—enamels, etc. Call and see them.

SPECIAL COURSES
Draftsmen and Builders, Farm Husbandry, Homemakers, Pharmacy, Power Machinery

THIS COLLEGE offers to the young people of this state an education which is thoroughly in line with modern thought and demands. It spends no time on dead languages or such subjects as are of little practical value. It aims to fit young men and women who can think and investigate for themselves; who can deal with social, agricultural and industrial problems of the day.

THE LABORATORIES are thoroughly equipped, and the instructors are specialists in their lines. Exceptional advantages are offered in chemistry, physics, botany, zoology, literature, mathematics, and engineering subjects.

Graduates from approved High Schools are admitted to Freshman Class. Board and Room \$4.75 to \$5.00 per week.

She Wanted Pair. He had seen. "Yes," he said, in the course of his remarks, "there are some spectacles that can never be forgotten."
The much traveled young man had just returned from foreign climes and, of course, he must entertain his minded old lady. "I do wish you would get me a pair of them, John."

ATHLETICS

Aggies Win Again Over Old Rivals— Get Away With A 7-6 Victory

In a game that was very disappointing to the followers of the Yellow and the Green, the A. C. football team defeated their old rivals, Fargo College to the tune of 7-6 last Friday. The game started with a rush on the part of the Aggies and every one began to think to himself, "that's the way I thought they would do it." But for some reason as yet unexplained, they didn't do it that way. After the first few plays, the team slowed down perceptibly and there were frequent fumbles, losing chances to gain. The team seemed to lack the spirit displayed in previous games, and in spite of the odds in their favor, did not put up the game they should have. Fargo College, on the other hand, were in the game all the time and but for some quick work on the part of Movold, would have come out of the game with a tie.

The lineup was as follows:

A. C.	F. C.
Crawford	Keye
Loland	Carpenter
Bjornson	Berg
Kelly	Corbett
Aamodt, Frojen	
Risjord	Wells
Carlson, Shinn	Sims
McQuillan	
Gazette	Thomas
Movold	Overby
Catlin	
McQuillan	Boise
Nemzek	Gossley
Bolsinger	Holmes

The game:
First Quarter.
A. C. won the toss and chose to

defend the west goal. Nemzek kicked to Boise who returned the ball 15 yards. F. C. failed to make their down and were forced to punt. Catlin returned 10 yards. Nemzek makes 20 yards on an end run. A. C. forced to kick, F. C. fumbles and A. C. recovered. A. C. had to C. forced to kick, F. C. fumbled and recovered the ball. Two incomplete forward passes were tried and Holmes attempted a drop. The ball was put in play on A. C.'s 20 yard line. Bolsinger made 4 yards and Nemzek made 6. A forward pass, Nemzek to Movold made 20 yards. Nemzek thru line for 10 yards. Incomplete forward pass. Time.

Second Quarter.
Ball was put in play in A. C. 30 yard line. Forward pass was intercepted by F. C. Holmes made 15 yards. A. C. penalized for offside, Boise made 9 yards and Holmes 3 yards. A. C. penalized 15 yards. Catlin hurt his ankle and was replaced by McQuillan whose place at end was taken by Gazette. Nemzek punted to Boise who returned the ball 15 yards. Holmes attempted another drop but was blocked. Bolsinger and Nemzek made 8 yards. Two incomplete forward passes followed and A. C. was forced to punt. F. C. could not make their down and Holmes kicked to Movold who returned it 10 yards. Movold made 15 yards on a pass. Sims intercepted a pass. Time called with ball on F. C. 33 yard line.

Third Quarter.
A. C. kicked to F. C. who returned 10 yards. Holmes failed to gain. A. C. offside. Holmes punted to Movold who returned the ball 20 yards. A. C. failed to make downs and were forced to punt. F. C. ball on 50 yard line. Shinn took Carlson's place. Movold intercepted a pass. Forward pass Nemzek to Movold good for 5 yards. A. C. punted and F. C. failed to gain. Holmes kicked to Movold who returned to the 40 yard line. F. C. penalized 25 yards. F. C. punted again and A. C. returned 15 yards. McQuillan made 10 yards thru center and Bolsinger, 30 yards. On the next play Bolsinger went over for the only touchdown. Movold kicked out and Nemzek kicked goal. Score A. C. 7-0.

The A. C. kicked and Overby returned to 40 yard line. Movold intercepted a pass. A. C. penalized for roughing it. Third quarter ended with A. C. ball on their 10 yard line.
Fourth Quarter
A. C. punted to Boise who returned 10 yards. A successful pass netted F. C. 15 yards. Nemzek intercepted a pass and made 15 yards. Frojen here took Aamodt's place. A. C. penalized for holding. A. C. punted to Boise. F. C. lost ball on downs. A. C. failed to gain and kicked. Boise made 10 yards and Holmes went 35 yards for a touchdown. On the kickoff, Movold blocked the kick so F. C. couldn't try for goal. Score 7-6.
The rest of the game was made up of passing and kicking, the teams taking about equal honors.

UNIVERSITY AND SOUTH DAKOTA PLAY A TIE
In the game between the "U" and the South Dakota team Saturday neither team was able to score. Confident of victory, the South Dakota Aggies, were forced to see the victory slip away from them when in the third quarter, after fighting to the goal, Rowe lost the ball on being tackled after crossing the line. North Dakota lost their chance to score when, after rushing the South Dakota team for 45 yards, they were held for three downs and McKay tried a drop, but failed.
The "U" team showed much improvement since the St. Thomas game. This week's program calls for a stiff practice in preparation for the A. C. game, November 6th.

After traveling half way across the continent the Oregon Aggies defeated Michigan A. C. last Saturday, 20-0.
Everyone out Saturday.

EXCHANGES

EVERYBODY OUT SATURDAY.

A school paper is a great invention. The school gets all the fame, The printer gets all the money, And the Staff gets all the blame.

Freshmen "co-eds" at Pennsylvania U this year are fined by Sophomore girls when caught flirting.

Minnesota foot ball games are being filmed and the pictures shown in Minneapolis after the games.

Students at the University of Kansas receive war news by wireless daily, a station at the University getting the news from Long Island direct.

Charles P. Taft, second son of former president William H. Taft, has been elected captain of the Yale University basketball team. Taft was a guard on last year's championship five, being a Sophomore now.

"And what do you do for a living, Reginald?"
"I write."
"What?"
"Letters to my father."

The University Senate of the University of Minnesota is considering the proposition of dropping base ball as a regular sport at Minnesota.

Captain Solon of the Minnesota University eleven has been charged with professionalism, and will not be in the Iowa game today. Charges of playing summer baseball are the cause of the trouble, and after an investigation by the University authorities, he has been propped from participation in all Minnesota sports.

A TRACK MEET FOR A BARREL OF CIDER

At the N. D. U. a track meet will be held between the Freshmen and Sophomore classes in two or three weeks. The rank of each student will be determined according to the number of credits on the books. There will be three places given in each event. The following are the events: 100 yard dash; 220 yard dash; 440 yard dash; 880 yard dash; and a mile and a two mile race; 120 yard high hurdles; 220 yard hurdle; running high jump; running broad jump; pole vault; shot put; hammer throw; discus throw; javelin hammer throw. A large number of students are trying out and it is expected that a very interesting meet will result. The definite date of the meet has not yet been decided. On the winning class will be given a barrel of sweet apple cider.

PROPOSED BY-LAWS OF COMMISSION

(Continued from page 1)

be recorded upon this copy provided for in Section 3, the following:
(a) Bill presented by Commission _____ Date _____
(b) Referred (if necessary) to Commission.
(c) Published in issue (_____) Weekly Spectrum.
(d) Date of passage.
(e) Recording of Yes and No votes of the Commissioners whose names shall be called and recorded in alphabetical order.

Section 5. If, in the engrossing of bills or resolutions necessity demands assistance in a clerical way, the commission may hire the services of a stenographer.

Number VI.
A Bill Providing for the Procedure in Making Laws.
Be it enacted by the Student Commission, that the process of making laws shall be as follows:
Section 1. A bill must have been presented in the proper form as prescribed in Bill number IV.

Section 2. It must have been presented at a regular meeting proceeding.
Section 3. It shall have been properly engrossed.
Section 4. It shall have been published in one issue of the Weekly Spectrum.

Section 5. Upon final consideration it must receive a majority vote of the Commission as provided for in the Constitution.

Number VII.

A Bill Providing for the Publication and Distribution of Commission Constitution and By-laws.
Be it enacted by the Student Commission, that the Secretary (Commissioner of Elections) print or cause to be printed in booklet form, the constitution together with all Laws passed by the Student Commission, once during the school year. Be it further enacted that the time for such printing of booklets and distribution of same shall be the month of March.

Number VIII.

A Bill Providing for Disqualification of Commissioners.
Be it enacted by the Student Commission that, in lieu of any other penalty, any Commissioner who shall miss two consecutive regular meetings of the Student Commission shall forfeit membership in the Student Commission by having his name automatically dropped from the roll of members of the Commission.

Be it further enacted that the following be the procedure used by any class to regain such lost membership in the Commission:

Section 1. The president of the Commission shall notify the presiding officer of the class which may have lost the representation.

Section 2. The presiding officer of the class shall then call a class meeting, notice of which meeting shall constitute notice to such disqualified member that he is to be given a fair opportunity to explain the cause of his absence and present his case.

Section 3. The class shall then proceed to fill the vacancy by re-election of said disqualified member or by election of the class as provided for on the Constitution.

Compiled and presented to the Student Commission October 26th, 1915, by the committee on By-laws. Commissioner J. Lee McConnell, Commissioner W. W. Mendenhall, Commissioner W. H. Porter.

You Need a Typewriter

Every college student needs one. You need it first for your own work. And if you wish, you can make a nice income from it by doing work for others. Every student knows this. "I wish I had a typewriter," is what students say every day.

That's easy, easier than you think. We have made it easy by our

Special Rental Rate to University Students
Rent from us a rebuilt latest visible model

Remington Typewriter
2 months for \$5.00

Two months will settle the matter. They will prove to you that you need a typewriter; that you can't get along without one. Then if you wish to buy that machine or a new one, we will credit the \$5.00 on the purchase price.

A good fair offer isn't it? Then send us \$5.00 and we will send the machine.

Joy just hangs on every puff

How a pipe of "Tux" does bubble over with good cheer a sunny comfort! There's something about the mellow taste of "Tux" that stirs a smoker's soul. It gets into his idle works, sweetens his disposition, and gives him that perky, cheery feeling, like a high-stepper trotting down the avenue.

Tuxedo
The Perfect Tobacco for Pipe and Cigarette

Men who never smoked a pipe before are now smoking Tuxedo, because they have found that Tuxedo is the mildest tobacco made, and that it is the one tobacco that never irritates mouth, throat or nerves.

You simply cannot get another tobacco made by the "Tuxedo Process"—and that's the original of all processes for removing every trace of harshness and bite from the tobacco. It has been widely imitated, but never duplicated.

Try Tuxedo for a week, and you'll get acquainted with the sweetest, mildest, mellowest smoke in the world.

ALUMNI

Chas. Ruzicka, Superintendent of the Williston Sub-station, was another of the Alumni in attendance at the meeting of the Experiment Station men held last week.

Friends of Agnes Halland will be glad to know that she is remain at home this year. Agnes is going in for "high art"—studying music and expression.

She says she wants a rest from ornamenting the kitchen and the dining room. Jack Halland is studying medicine at the U. of Minn. He thinks it is a great place.

Grover Edwards, '15, who is county agent for Ward County in the Better Farming Division of the North Dakota Experiment Station was in attendance at the meeting of county agents during the past week and was a very interested visitor at the Fargo College-A. C. game Saturday. He was convinced that the hoodoo that prevailed in his day holds over.

Last Tuesday, "Billy" Wicks, a former A. C. foot ball star, was seen on the campus. With him was his brother-in-law, Conductor Tracy of the Northern Pacific railroad. After leaving school, "Billy" got interested in railroading, and became a fireman on the N. P. system; he gradually worked his way up, until he is now engineer. He remarks with pride that he "has never had an accident." Friends will be glad to hear of Mr. Wicks' success in his chosen profession.

Clarence Williams, otherwise known as "Big Bill" is now located at Oklahoma City, Okla., with the Goodrich Tire Company. Although his location is in the city, Mr. Williams takes trips into the country and the surrounding towns. He expects to be back on a month's vacation about December first.

Inter-Collegiate Debating Prospects Bright

Oregon, Montana, South Dakota, Minnesota, Wisconsin Ambitious to Debate North Dakota "Aggies"—Co-eds of North Dakota University May Clash in Argument With Agricultural College Co-eds.

BOARD PUBLIC SPEAKING CONTROL BUSILY ENGAGED IN COMPLETING DETAILS

The prospects for a great year in inter-collegiate debating are splendid. Everybody wants to debate the North Dakota Agricultural College. The Board of Public Speaking Control has received requests for debates with the Oregon Agricultural College, Corvallis, Oregon; the Montana Agricultural College, Bozeman, Montana; the South Dakota State College, Brookings, South Dakota; the Minnesota Agricultural College, University of Minnesota, Minneapolis, Minnesota and the Wisconsin Agricultural College, University of Wisconsin. Negotiations are also under way to have the girls of the North Dakota Agricultural College debate the girls of the University of North Dakota.

SOCIETY

On last Wednesday evening, the local chapter of the Alpha Zeta entertained at the Gardner some of the field men of their Fraternity. After this a theatre party was enjoyed at the Orpheum.

Dean and Mrs. Waldron opened their home Wednesday evening to a group of A. C. girls. The event was in the nature of a Hallowe'en party and the evening was spent in games appropriate for the occasion. Such entertainment as fortune-telling, ghostly promenades, and marshmallow roasting was enjoyed. Later a delicious lunch was served and all went home voting the Y. W. group parties a decided success.

Hallowe'en Party Enjoyed By All

VOTED BY ALL PRESENT TO BE THE BEST FACULTY PARTY YET.

The All-College Hallowe'en Party of Saturday night was one of the most enjoyable given at the College for some time. No one has been found to date who has even hinted that he did not enjoy every minute of the evening.

There was entertainment provided for both those who did not dance as well as dancing in the Armory. The first group were entertained in the parlor of Ceres Hall. Here several stunts were enjoyed, among them being a mock faculty meeting. Lunch was served cafeteria style from a small room adjoining the parlor. The participants ate their refreshments standing up along the walls in a very ghostlike fashion.

In the Armory, Baernstein's orchestra furnished music for a pleasant evening's dancing. The dancing stopped at eleven o'clock, and by common accord all termed it the best All-College party held yet.

How About It?

ARE WE GOING TO ENTERTAIN THE UNIVERSITY ROOTERS?

This question has been asked rather frequently of late by those who enjoyed the hospitality of the "U" last fall. So far we have heard no definite answer to the query. Most of the students feel that it is only right that some form of entertainment be provided, but as the Freshmen have the Armory for that evening, the entertainment committee of the faculty do not feel free to go ahead and plan such a program.

Therefore it is up to the Freshmen either to postpone their party until a later date, throw it open to all who wish to attend, or co-operate with the faculty committee in providing entertainment for the visitors. We know they will do whatever they feel to be the right thing.

The Twenty-first Annual Oratorical Contest this year will be held on Friday evening, December 10, 1915, in the Little Country Theatre. Two Cash prizes, one of thirty-five dollars and one of fifteen dollars will be awarded the winners. The student who wins first place will represent the college in the State Oratorical Contest.

Why not attend the Seventh Annual Agricultural and Manual Training High School Declamatory contest in the Little Country Theatre, Friday evening, November 5, 1915. It's free.

Taken by surprise, before they had time to complete an efficient organization for self-protection, freshmen at Whitman College were attacked by members of the sophomore class Monday evening and nearly a score of the first-year men dumped into the college lake. The ducking caused so much excitement in the neighborhood that the police were called.

LOCALS

Aamodt has been getting away with wearing a green cap of 1914 model.

Last week Professor Ladd spoke before the National Varnish Makers Association at their meeting held in Chicago.

The Food Department of the Station has received new apparatus and supplies with which to carry on new work.

The class in Landscape Gardening under Professor Waldron, visited the Southside last week noting the plans followed by the Park Commission in beautifying Island Park, as well as the work around some of the private dwellings.

Professor Ince, Agricultural chemist, is completing work with corn to determine when it is most valuable for silage. He is carrying on the investigation along lines similar to those followed by Professor Ladd in similar work at the New York Experiment Station several years ago.

Some changes have been made in the course of the Farm Husbandry students. Instead of taking Power Machinery with the Power Machinery men as heretofore, they will have a class in Gas engineering in the Winter term and take Farm Management now under Prof. Waldron.

The Mill Department is engaged at present in work with a bushel of wheat, and what it produces. Among the factors under consideration are the value and the cost of the various mill products, the cost of raising the wheat, and the grower's profit in the milling of the different grades of wheat. This is all toward the end of determining whether the present system of grading wheat and the paying of the lower prices for each grade is justifiable.

Ceres Hall

Dot Keene spent Thursday night with Marian and Ivy.

Myrtle Waechter spent Friday night with Miss Beatrice Guinness.

Miss Olive Berg is now staying at Ceres.

Agnes Huthison and Anne Kellogg attended a party at the home of Mrs. Rice Monday evening.

Olive and A. C. Anderson went "Fording" Friday evening on a soil survey.

Olive Guy and Anne Kellogg took six o'clock dinner with Miss Eleanor Kindred Thursday evening.

An extra coat and hat was found in Ceres Thursday night. Owner may claim them at any time.

Miss Vera Poe who attended the college last year, is back resuming her work.

Cecil Mankowski enjoyed a visit from her uncle for several days last week.

Miss Emma Groethe visited Marion Brainard Friday and Saturday. Miss Groethe attended the college four years ago.

Gladys Plath and Anne Kellogg were hostesses to a delightful spread Thursday evening. The Misses Van Es and Strubble were the honored guests.

Mary and Joe Radcliffe autoted to Fargo from Leonard Friday morning. Joe returned that evening while Mary is staying at Ceres until Monday morning.

All college students who wish to enter the Twenty-first Annual College Oratorical Contest to be held in the Little Country Theatre, Friday evening, December 10, 1915, will kindly hand their names to Mr. A. G. Arvold, Room O, Main Building, at once.

Let's all pull together and beat the "U."

THIS WEEK AT

The Strand Theatre

Wednesday and Thursday—William Fox presents Dorothy Bernard and Thurlow Bergen in "The Little Gypsy," telling the love story of a girl of Romany blood, but gentle breeding, for a man whose being appeals to her even to the sacrifice of her highest hopes and ambitions.

Friday and Saturday—A Mutual Master picture in four acts. "The Wolf Man," presenting Ralph Lewis and "Billie" West — Also Chaplin, 2 reels.
