

## Grand Forks Wins Interscholastic Track Meet

Ten teams participated in the annual interscholastic track meet which was held on Dakota Field, Saturday. The bad condition of the field which was caused by two days of steady raining kept all the contestants close to their tents and also prevented them from making any records.

The preliminaries were run off in the morning thru a drizzling rain but nevertheless every man that was entered ran his event without complaining. The finals were held at two o'clock in the afternoon. While the rain had subsided somewhat the track was still covered with about three inches of water and the pole vaulters had considerable difficulty in finding a solid place for their standards.

Grand Forks took first place, making 90 points to Fargo's 19, Fargo taking second place. Ten high schools were represented at the meet which is the largest number that has ever been entered in a track meet on Dakota Field. All the contestants were entertained by the A. C. at the Powers Hotel and Ceres Hall and although the meet was not as large a success as it would have been under better weather conditions all the members expressed themselves as having a fine time and being royally entertained.

The results of the meet are as follows:

Hammer throw; 1st, Matuska, Lidgerwood; 2nd, Taves, Fargo; 3rd, Murray, Fargo. Distance 108.8 feet.

High jump; 1st, Delong, Grand Forks; 2nd, Härke, LaMoure; and Jacobi, Grand Forks. Height 5 feet 3 inches.

Shot put; 1st, Murray, Fargo; 2nd, Matuska, Lidgerwood; 3rd, Duggan, Grand Forks. Distance 42 feet.

120-yard hurdles; 1st, Jacobi, 2nd, Delong, and 3rd, Murray, Fargo. Time 19 seconds.

440-yard dash; 1st, Collins, 2nd, Elton, Grand Forks; 3rd, Chapman, Fargo. Time 56 1-5 sec.

100-yard dash; 1st, Flynn, 2nd Collins, Grand Forks; 3rd, Chapman, Fargo. Time 11 1-5 seconds.

220-yard low hurdles; 1st, Duggan, Grand Forks; 2nd, Beals, Fargo; 3rd, Jacobi, Grand Forks. Time 30 4-5 seconds for 200 yards.

1 mile run; 1st, Henning, Fargo; 2nd, Raines, Grand Forks; 3rd, Robertson, Langdon. Time 5 min. 5 seconds.

220-yard dash; all three places to Grand Forks.

Half-mile run; 1st, Smith, Langdon; 2nd, Finch, Grand Forks; 3rd, Henning, Fargo. Time 2 minutes 13 3-5 seconds.

Pole vault; 1st, Loughlin, Grand Forks; 2nd, Murray, Fargo; 3rd Brewer, Casselton. Height 9 feet.

Discus; 1st, Elton, 2nd, Flynn Grand Forks; 3rd, Taves, Fargo. Distance 95.4 feet.

Running broad jump; 1st, Flynn, Grand Forks; 2nd, Smith, Langdon; 3rd, Matuska, Lidgerwood. Distance 18.3 feet.

Half-mile relay; won by Grand Forks. Time 1 minute 33 seconds.

## Government Inspection

The military department will be inspected on Wednesday, May nineteenth by Major Andrew Moses, General Staff U. S. Army.

Major Moses has inspected over twenty colleges in the south and west during the past two months. He comes here from the Shattuck School and will inspect the University of Minnesota immediately after leaving here.

It is a matter of regret that we have not our five companies now; but our equipment is in fine condition, and all things considered N. D. A. C. will probably pass the best inspection in its history.

All classes will be excused and the school will enjoy a half holiday to watch inspection.

## ATHENIAN PICNIC

Threatening clouds hold no fears for the Athenians. Accordingly on last Friday evening about twenty members of the Athenian Literary Society gathered at Ceres Hall, and chaperoned by Mr. Sweetman, were transported in Adolph's jitney to the banks of the Red River where a picnic supper was eaten.

Arrived at the spot selected, a camp-fire was built and the provisions brought forth and great was the consumption thereof. Coffee and boiled eggs with bacon cooked in true frontier fashion furnished the eatables after which followed the ice cream and other delectable dainties which served to put all in the best of spirits.

Fortune telling and Montana stories were chief amusements indulged in and after singing several old songs and some not so old the fire was extinguished and all went home, each member convinced that the Athenian picnic should be an annual affair.

## CASTALIA

The Castalian Literary Society held their meeting last Thursday night instead of Friday night. Each member answered to roll call with a quotation. The minutes of the last meeting were read then the following program was given:

## Another A. C. Student With Kryl's Band

John A. Anderson who has been a loyal member of the A. C. Military Band for a number of years has been drafted to try out in Bohumir Kryl's concert band and left school May 14 for Chicago for that purpose. Harold Bachman went to Chicago a few weeks ago to prepare with the same band for the summer's Chautauqua tour. The circuit which they are to travel starts them in Cincinnati and takes them thru Wisconsin, Minnesota, North Dakota, South Dakota, and probably as far south as Texas.

John has been the clarinet artist in this institution for some years. During the last two years he held the position of chief musician in our band. Not alone on clarinet but on viola, and cello he has done notable work being called to carry a leading part in many of the first class musical programs put on in this city and in neighboring cities. With such a reputation back of him we feel confident that he will make good and moreover we wish him best of success.

## Iowa State College Honor Faithful Service

### MEMBERS OF A. C. FACULTY INVITED TO SPECIAL CONVOCATION

The Iowa State College of Agriculture and Mechanic Arts has extended a cordial invitation to a number of the professors of this institution to join in a special convocation in honor of those members of the faculty who have served that institution for a quarter of a century, including the professor of mathematics, professor of military science and tactics and the registrar and secretary of the faculty, the head professor of chemistry and the head of the department of botany.

It is a pleasing thing to note that this great Agricultural College of Iowa honors men who have served it faithfully, and does not seem to think that their usefulness ends after twenty or twenty-five years service, but calls for the professors of the country to meet with them and rejoice in the fact that the men are still busy.

## Student Council Notes

Special meeting of the Student Council was held on May 10, 1915, at 12:45 in the Little Country Theatre. The regular business was disposed of and those absent from the meeting were Warren Dodds, Altine Knatvold and Edwin Hooper.

Mr. Crouch asked the Student Council to vote on the two candidates for Editor-in-chief of the Spectrum, Mr. Gordon Vallandingham and Percé Beals just to get an idea of the sentiment of the student body towards the candidates.

Mr. Crouch appointed Gordon Vallandingham as Editor of the Spectrum for the year 1915-1916.

Next Mr. Dixon introduced the matter of an "All College Booster Banquet". He suggested that the students get together and boost for the school. The banquet will be held in the latter part of May.

The council decided to take the matter up and authorized the President to appoint a committee to confer with President Worst.

Mr. Christensen and Miss Brown were appointed on the committee. The meeting adjourned.

AMY WHITMAN,  
Secretary.

## Class of 1914 To Publish Pamphlet

The following letter has been mailed to each member of the class of '14 and by answering the questions each member will help with the work of publishing the pamphlet, which will help the class in keeping tab on its members:

Storm Lake, Iowa, May 3, 1915.

Dear Classmate:—

In order to preserve the identity and spirit of the Class of 1914, that distinguished it in former days, we have thought it necessary to send out a brief questionnaire to each member. The information will be compiled and published in the form of a small pamphlet to be edited annually, and sent to each member of the class. The "1914 Alumnus" is suggested as a fitting name for this publication, but further suggestions from each member are requested.

## College Family Reunion

May 28th set aside as Get-together Day for the Big A. C. Family

## Banquet At Ceres Hall

The plan announced in the last issue of The Weekly Spectrum, which was taken up by the Student Council for a get-together night, has materialized and the evening of Friday, May 28th, is to be set aside for the occasion. President Worst greatly appreciates the loyal stand that the students are taking and assured the student committee of his hearty support and cooperation. He has decided that in view of the patriotic spirit shown by the students he would arrange to have a free banquet served in the Ceres Hall dining rooms to which all students, members of the faculty and their wives, together with all members of the experiment station, extension and station staff and their wives are most cordially invited. It will be the completest gathering of the big Agricultural College family that has ever taken place in the history of the institution and everyone from President Worst to the youngest student in the first year of the high school should plan to be present. Mrs. Gilbert is arranging a menu for the occasion that will tickle the palate of the most fastidious.

The main thing is to be there and to bring your good spirit and enthusiasm with you.

After the banquet we are to have a little talkfest entitled "We want more students here next year." The fact that Professor Keene is to be the toast-master is ample guarantee that the program will be interesting, instructive and enthusiastic. The speakers will be chosen from among the faculty and student of the institution and no special speaker or honor guest will be present as this is our very own family tea party.

## Pupils of Miss Grasse To Give Recital

A costume recital will be given by pupils of Miss Edythe Grasse, Tuesday evening, May 18th, at The Little Country Theatre. The program begins at 8:15 o'clock and no admission will be charged. The public is welcome.

The first part of the program consists of a short musical sketch, entitled "The Truth Potion," by Arthur Penn, for Ladies Quartet. This sketch in one act, is suitable for parlor entertainment, which will add considerable interest to its production. Miss Grasse intends to produce from time to time other interesting drawing-room Operettas.

- Following is the program in full:
- Part I.  
The Truth Potion—Arthur A. Penn  
CAST: Mrs. Recently-wed—Livia E. Rasmussen  
Miss Perley (her sister, who is a stenographer)—Dorothy Price

## COOPERATIVE STUDY OF POTATOE GROWING

Professor H. L. Bolley, in his general correspondence, has sent the following letter to a number of farmers residing in the chief potato growing districts. We quote the letter, as perhaps there may be a large number of our readers interested in the potato work and would like to have their names on the list of those who are getting together for a more close cooperative study of the potato crop, particularly relative to the best methods of selecting varieties suitable for the market and proper steps to take relative to control of diseases ranging from a proper storage, etc.

Dear Sir:—

This list, when gotten together, will be placed in the hands of the general committee of potato growers who will later arrange to call together those who are interested and possibly there will be a large general meeting at some one of the regular annual conventions.

Yours respectfully,  
H. L. BOLLEY,  
Secretary, North Dakota Improved Seed Growers' Association and Temporary Secretary Potato Growers' Association.

## Big Election Next Fall

First Real Contest Under New Form of Government

It Is Not Too Early For Candidates To Consider Positions

Now is the time to prepare for election of commissioners and class officers, which will be held on the third Friday of the next school year. Under the commission form of government the two upper classes are allowed three commissioners each, the Sophomores, two, and the Freshmen, one. The President of the commission will be elected by the Senior, Junior, and Sophomore collegiate students, and he will act as a commissioner of the class of which he is a member. The other officers which are to be filled are: Commissioner of Campus and Judiciary, Commissioner of Athletics, Commissioner of Public Speaking, Commissioner of Social Affairs, Commissioner of Freshman Class. These, with the exception of one, are to be elected from the present Freshman, Sophomore and Junior classes. Why not stir up a little enthusiasm and have a large number of candidates for each office?

At this same election will occur the election of the officers of the four collegiate classes. The officers to be filled are: President, Vice President, Secretary, Treasurer, and Manager of Athletics.

So look yourself over and come back to school next year with more spirit and enthusiasm than ever before, and be ready to hand in your candidacy for one of these offices.

Commissioner of Elections,  
FLOYD SLINGSBY.

## Prof. Ward at A. C.

On Sunday, May 23, the students of the Agricultural College will have an opportunity to hear Prof. Harry F. Ward, M. A., of Boston, Mass., deliver a Haxlett lecture in the College Armory. Prof. Ward comes to us very highly recommended as a lecturer and we feel that the students of the A. C. should put forth an effort to hear Prof. Ward.

We will also have the pleasure of listening to a trio of the Music faculty of Wesley College Conservatory, consisting of H. Aden Enyeart, tenor; Jacob A. Buchholz, violinist, and Paolo Conte, pianist. This trio will give a preliminary programme of music in connection with Prof. Ward's lecture. Come out and show your appreciation of the good things of college life. You may never have the opportunity of hearing Prof. Ward again.

The Misses Lydia Klougland and Clara Gunnees of Abercrombie spent Friday night with Miss Cecil Manikowski.

Mrs. Sherman and Miss Farseth of Fargo were entertained at a dinner party Sunday noon by the Misses Guy and Hutchison.

Athletic Activities

Aggies Swamp F. C.

Last Wednesday afternoon the Aggie base ball artists handed out a trimming to the Fargo College bunch that they will remember for some time.

Homme started things in the first inning when he got to first and went to second on a sacrifice hit by Crawford.

We Lose Dual Meet

Last Friday the A. C. track team, composed of fourteen men, met the State University at Grand Forks in the annual dual track and field meet.

The dashes were run in very fast time and the field events were all good. McKee took the mile in good time and Porter came out second in the quarter, but should have been given first on account of the fact that Owen ran in Porter's lane.

Today we go across the Red and meet the Moorhead Normal, the team that defeated us in the first game of the season.

Juniors Win Meet

For the third time in three years the Junior class won the Inter-class track meet. The meet was the best pulled off at the A. C. for many a moon.

High jump—Jenson, 1st-S; Porter, 2nd-S; McConnell, 3rd-S; Bell, 4th-S. Height: 5 feet 4 inches.

Pole vault—Bolsinger, 1st-J; Movald, 2nd-F; Roberts, 3rd-J; Jenson, 4th-S. Height: 9 feet 8 inches.

There is one record that U. bunch holds and they have no competitors, and that one is for "crabiness."

STEALS AND HITS.

Charley Hein made some one-handed catch that brought the people to their feet in the game last Wednesday.

The familiar: Hip-Hip-Hip-Hip-Hip-Hip—when Twilight walked over to the coaching line at third could be heard all through the game.

Report comes to us that the F. C. fans around town are having hope that Twilight (the wonder) will turn the trick on the A. C. when we visit them on the F. C. field, May 25.

The University of North Dakota certainly took a beating at the hands of the St. Thomas bunch last Thursday, when the Catholics trimmed them to the tune of 20 to 4.

CINDERS.

Fourteen men made the trip to Grand Forks last Friday, to participate in the meet with the U. They were Coach Wood, Bird, Bolsinger, Porter, Mikelson, Stolpestad, McKee, Olwin, Critchfield, Clough, Roberts, Jenson, Movald and Whiting.

The conference record was broken in the javelin throw in the meet Friday, the throw being 149 feet and 11 inches.

A try was made by Nollman of the U. to break the state record in the pole vault. He attempted 10 feet and 7 inches, but failed.

BASEBALL

During this week our baseball team is to have two of its hardest games of the schedules, both of them being away from home.

Saturday the team plays the University of North Dakota; this being one of the games of the Championship series.

## SOCIETY

### Professor and Mrs. Smith Entertain Senior H. S. Class.

The Senior High School Class of the A. C. were entertained at the home of Prof. and Mrs. Smith Friday evening, May 14. The decorations and refreshments were in the college colors, yellow and green. Many games were played during the evening after which a program was given. The Misses Katherine Ladd and Theresa Howland gave several Readings and Mrs. Vowels sang a number of solos. Every one present enjoyed a very pleasant evening.

### Y. W. C. A.

The Y. W. C. A. meeting of the past week took the form of a Geneva rally. The Ceres Hall gymnasium was very prettily decorated with ferns, Geneva pennants and pictures. Appropriate Geneva songs were sung and talks were given by girls who have attended the Geneva conference. These talks were given by Clara Dolve, Katherine Keye, Amy Whitman, and Rosella Ladd. These girls spoke with the enthusiasm, earnestness, and conviction which is always characteristic of girls telling about their experiences at Lake Geneva.

### Delta Phi Beta Sorority Entertains.

On Tuesday, at twelve o'clock, occurred the pledging of Ruth Schyler, Mary Ball, and Genevieve Kelly to the Delta Phi Sorority. Following the pledging ceremony a picnic luncheon was served after which Miss Doris Kemper, who was a guest at the luncheon, gave several readings which were very much enjoyed.

### Another enjoyable social affair occurred on Saturday when the sorority entertained the girls taking part in the high school declamatory contest.

Miss Stoner and Miss Doris Kemper were also guests. A very delicious luncheon was served in Music Hall after which followed an enjoyable social hour.

### CAMPUS GLEANINGS

(By Joe Alexander)

### WHAT WOULD MAC SAY?

Altime and "Shorty" planned a picnic and went on a grub-purchasing tour together. The following tragedy happened in a meat market:—

"Shorty", carefully scrutinizing a steak: "I don't think that steak will cook up tender."

Butcher, smiling broadly upon "Tina": "I'm sure that your wife can fry it so that it will suit you perfectly."

Altime: "Come with me, son."

"Shorty": "Ma, take me home."

### ADD THIS TO YOUR VOCABULARY

Bolsinger, shaving: "Say, where the deuce is that skeptic stick? I just cut myself." (Word study for next week: PHOMONIA).

### TRIALS OF A YOUNG SURVEYOR.

George Dixon, the pride of Prof. Chase's "transit battery," had a narrow escape not long ago. These are the harrowing details:—

George found it necessary—in the pursuit of his topography study of the campus,—to find the level of the water in the ditch on the east side of Dakota Field. A small island well out in the ditch appeared to George to be the ideal place for his level, so he jumped and landed on it, but, much to his dismay and discomfort, the island did not live up to first appearances! It proved to be a "floating island," and George sank into the mud and water up to his waist as a result of the deception.

When he finally reached the shore he had shed his air of complete self-reliance and his glasses, and wore in their stead a rather bedraggled look of disgust. Cheer up, George, the road to success is never easy; besides George Washington, your namesake, was once a surveyor, and he outlived it.

### NEWS ITEM.

Mr. J. Devere Jenson, of Sioux Falls, S. D., visited the A. C. for a short time last week in company with his friend, Stanley Abbott. He was so much interested in Dr. Van Es's lecture that he decided to return again some time before the end of the term, if his business will permit. It is rumored that Mr. Jenson may enter the A. C.

### DOINGS OF BIG DICK.

Dick Bjornson returned to the Rho house rather late on a recent evening,—(it would not be fair to Nellie to tell the exact time),—and was scared out of at least a year's growth by a real live burglar! As Dick turned in at the house the night rover rushed out of the front door and jumped over the porch railing into the alley and disappeared. For the life of us we can't see why the man ran, because Dick did not even think of giving chase. Dick debated for a long time on the course he should follow; he was undecided as to whether he should go down town and spend the remainder of the night at the Viking or go over and rouse his brother Ben out of bed. While Dick was still in a deep quandary Christ came home

It amalgamates friendship into a time-resistant compound that will endure the tests of life. (Sponsors: Dorothy Price and R. Boyd).

### LATEST BULLETIN.

We just learned as we went to press that the street cars were delayed for half an hour last Sunday by Phil Schuyler's automobile. It got stuck in a rut right on the street car tracks and remained so until a car strayed along and boosted it out of the rut and likewise its predicament. Street cars may be of some use after all.

### APOLOGY.

It is with a sad heart and a guilty conscience that are compelled to confess our failure to contribute an Ethel Peterson item this week. In so far as we know said lady has done nothing that would bear printing. Now please don't misunderstand. The meaning we wish to convey is this: She has not put herself on record in the with department,—as is her custom,—so we must run the column in its present incomplete form. Better luck next week.

### THIS FROM A GERMAN.

The following story was told by Waldemar Richter between classes Friday, so you know where to aim your bricks:—

An Englishman went to a doctor and told him that he was not feeling well. The doctor gave him the usual once over and told him that he needed a tonic; that the best tonic he could take for what ailed him was beer. The Englishman objected, saying that that would be entirely too-tonic (Teutonic). The place to laugh in the above is indicated by the parenthesis.
