

Old Students in for St. Thomas Game

Old Football Stars See Team Clash With St. Thomas.

A large number of old students were among the crowds that lined the side line for Saturdays game. It did ones heart good to see the way in which the old students of this institution seize a chance to reconnect themselves with the school where they received all or part of their education.

A number of old football men were back and were among the noisiest and most enthusiastic of the sideline rooters. Dutch Schroeder and his grin were there with bells on and both looked good to all who knew him. Polly Foss, of football fame was seen around the dressing rooms, sniffing the smoke of the coming battle with wistful appreciation. Big Bill was in too, to see the team and his old comrades. Pete Billings and Clare Parker came up from Lisbon as did a certain young lady, whose presence probably accounted for the way in which one of our big huskies tore them to pieces.

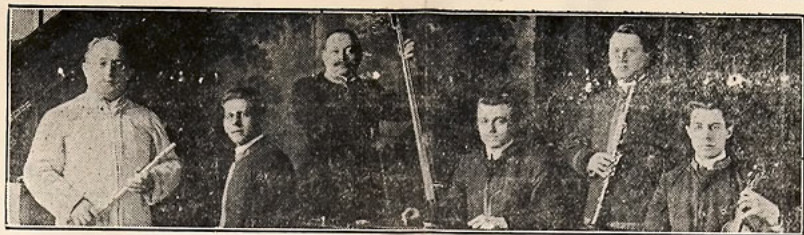

Mr. Cave, an old star quarterback of the A. C. team was in from Burlington on a visit with Mr. Thorfinson, who has returned to school after

an absence of a year, was at the game Saturday. Sylvester, who is now teaching at Hawley came in for the week end, and is around the campus, smiling just as wide and as full of near-jokes as he ever was.

Dean Mendenhall is becoming quite a frequent caller around the school and was out enjoying the game last week. Williams was also back Saturday and seems to have his same old trouble of sticking to the bleacher seat when the team is in a tight place. Makes just as much noise as he always did, too.

The Lisbon delegation was quite a large one and speaks well for the inhabitants of that town. By the number of them, that should be a strong A. C. town. Mr. Campbell was the last of the bunch to come in from Lisbon.

The members of the fair sex were out in numbers but we only heard of about half of them. Miss Fen Dines was in from Casselton for the game and stayed over Sunday. Miss "Ted" Bowers was up for the game from Barnesville where she is now teaching. Miss Jess Lowman was also up to see the game.

SCHILDKRET'S HUNGARIAN ORCHESTRA.

Schildkret's Hungarian Orchestra

One of the Best Known Organization of Its Kind in America.

First number on Citizens Lecture Course this year will appear in Armory, Thursday evening, October Twenty second.

The Schildkret Hungarian Orchestra is probably more widely known today than any other Hungarian Orchestra in this country. As a director, Samuel Schildkret can get as much music out of six men as many directors will get from an orchestra of ten.

Mr. Schildkret and his orchestra first became known during the World's Fair, Chicago. The members had then just recently come to this country from their native land and their work was attracting considerable attention when, thru Mrs. Potter Palmer, chairman of the woman's committee of the World's Fair, they were engaged for the Colum-

bian Exposition. Mr. Schildkret and his men have not only played at the home of Mrs. Potter Palmer but also at the homes of Mrs. Marshall Field, Mrs. Harold McCormick, and other widely known social leaders.

While in Washington, Mr. Schildkret played at the Washington Park Club at an event attended by Alice Roosevelt. Later on he was invited to play at the Roosevelt-Longworth wedding, but was unable to go on account of other engagements.

He also played for Prince Henry on his tour of this country several years ago, and has played for other notables from abroad as well as in America.

The Bedford Times says of the Schildkret concert: "The people of Bedford had heard Hungarian orchestras before, and while they are usually fairly good musical companies, there was nothing about the

name to particularly impress the average theatre goer. There are many Hungarian orchestras, but there is only one Schildkret Hungarian orchestra, and no one who ever hears it will ever again make the mistake of confounding it with any organization with a similar name.

Every member of Schildkret's company is an artist. The leader in the concert used both the flute and the piccolo, and is the master of both. Encore after encore greeted his solos.

Scarcely second to Mr. Schildkret as a musician was the first violin of the company. Many of those present had heard Hans Albert, and were competent judges of violin playing, and his first violin of Schildkret's company suffered none in comparison with this celebrated artist. The clarinet player was also an artist, as was every member of the companies, there was nothing about the

All College Reception Very Well Attended

Illustrated Lecture, Mixer and Informal Dancing

Last Friday evening, the first of the series of college parties, the All College Reception held the boards. There was a large crowd out and all enjoyed themselves.

The first part of the evenings program was an illustrated lecture, "From Tree to Fire", by the General Sales Manager of the Goodyear Tire Company. The gentleman is an engaging talker and one who knows his subject from the ground up. Altho handling a subject of the utmost technicality, he nevertheless contrived to modify his talk so as to appeal to all. He retained the interest of that part of the audience which was in hearing distance throughout the whole of his talk. He illustrated it profusely by pictures and samples of rubber in the various stages of manufacture. Those who know the subject, commented on the

clearness and completeness of his talk. Mr. Shephard certainly knows his subject.

For a short time after the lecture, the hall was given over to a mixer in which everyone had a chance to meet everybody else and to knock the corners off in the crowd. An informal dance occupied the remainder of the evening and the vim and zest with which those present entered into this part of the evenings amusement, testified to their enjoyment of it. The music was excellent. Light refreshments were served during the course of the evening, which were enjoyed by all. The greater part of the new students were out in force and altho the older students were not out as well as might have been expected, there were nevertheless enough present to fill the dancing floor to capacity.

CRACK SQUAD MEN PICKED

Nine Vacancies Filled—Hard Fight for Places.

The period of trial which some twenty-three men have been undergoing, in a strenuous endeavor to land berths on the North Dakota Crack Squad, is finally over, and all know their fate. The tryouts this year were the most hotly contested that the old men of the Squad had ever seen and the excellence of the new material is a source of delight to all concerned.

Although there are only nine vacancies in the Squad proper, there were ten men chosen as the organization always carries an extra man as substitute in case of accident and as supernumerary in regular drills. The names of the successful candidates follow:

Holten, Bender, Mergens, Dial, Powell, Boyd, Roy, Gibbons, Foley, Pinkham, Lewis.

The prospects for a good squad are better this year than ever before and the members are plunging into their work with an enthusiasm that promises well for the coming year.

MACS TO HOLD RUN.

Cross-Country Run in November—Tennis Material Good.

Coach Eglin of Macalester has issued a call for candidates for the cross-country squad. Run will be held on the second Wednesday in November.

The race was inaugurated last fall when Watrous of St. Paul won the loving cup offered for first place. The majority of last year's men have turned out and several Freshmen are showing good form.

MODERN PICTURE PROGRAM.

TUESDAY OCT. 23rd.

IN THE PHYSICS LECTURE ROOM

AT 4.45 P. M.

The film on Yellowstone National Park, which is being used by the extension department of the University of Wisconsin, will be shown at this time. This film has been used by them as many as 155 times in one year in connection with the lecture work of the extension department. Girard College and many other institutions have used prints of this film in their work. These facts speak for themselves and the marvelous scenery being so close at hand, it is a wonder that more people do not avail themselves of the opportunity to see these wonders with their own eyes.

The second of the films will be various tasks. This film is one showing the Minneapolis machine at work. This is the first time that this film has ever been shown out at the school.

If time permits, an excellent comedy reel will close the program, or else the "Gloom and Joy" reel from the Commonwealth Edison Company will be shown in its stead.

MINNESOTA DEBATE LEAGUE

Formed by Hamline, Gustavus Adolphus, St. Olaf, Macalester, and Carleton.

The Intercollegiate Debating League of Minnesota, a new quintangular debating league composed of five of the principal minor colleges of the state, has recently been organized, and Carleton will enter its debate teams in the new association this year. The other colleges in the league are Hamline, Gustavus Adolphus, St. Olaf and Macalester. An agreement which will hold good for at least one year has been signed by the five colleges and the Carleton Intercollegiate debaters will meet Hamline and Gustavus Adolphus next April.

FORGET THAT JINX.

See What Wahpeton Thinks of Our Team.

In spite of the injuries which have been hampering our team they have been showing real class. The following clipping from the Globe-Gazette gives a glimpse of what other football men think of our team:

Globe Gazette: The A. C. team this year, is the best that has represented that institution in years. They have a wonderfully fast and heavy team and have been in condition long enough to be in the very best of condition. The interference for every play is perfect, every man in their team being in it all the time. Their forward passing is accurate and quick and they have the "pep." It is easy to see where the state championship will land.

CHI GAMA PSI GIRLS ENTERTAIN

New Members Entertain Old Girls At Ceres.

Last Saturday afternoon, after the game, the members of the Chi Gamma Psi Sorority were entertained by those who have been recently taken in, at a supper and social evening in Ceres Hall.

Directly after the game, they were taken to the room of one of the girls which was used as a reception room. The feast was spread in Miss Ruth Nelsons room which was very prettily decorated in the Sorority colors. All the shades were drawn and the room was illuminated by a member of big gold candles. At each place was a tiny individual candle and some very odd place cards. The invitations which had been used in announcing the party were also very unusual, consisting of a "date sandwich" of two slices of bread with a card in between, announcing time, place, etc., done up in waxed paper and tied with the Sorority colors.

The lunch which followed was much appreciated by all after their strenuous work on the sidelines at the game. The feature of the menu was a big cake, frosted in the Sorority colors, which had been made and presented to the girls by Mrs. Gilbert, Matron of the Hall.

NEWS EXCHANGE FOR COLLEGES PLANNED.

The faculty in journalism in cooperation with the editorial staff of The Montana Kaimin, is organizing what will be known as the Western Intercollegiate News Exchange Bureau. The Universities of Idaho, Washington, Oregon, Utah, Wyoming, North and South Dakota, Washington State College and Oregon Agricultural College have been invited to become members. The University of Washington was the first school to exchange news.

The plan is to have each of the colleges who are members of the bureau, send news letters to each other. For example, The Kaimin will exchange news with the University of Washington Daily, the Oregon Emerald, the Evergreen at Washington State College, the Barometer at Oregon Agricultural College, the Argonaut at the University of Idaho and so on.

Stories on the Montana-W. S. C. football game were sent to each of the colleges in the bureau by Professor Carl H. Getz of the school of journalism.

STATE PHARMACY BOARD EXAMS.

On Oct. 20 the state pharmacy board will hold examinations in this city for the purpose of testing the qualifications of applicants for state license to practice the profession. These examinations will be held in the chemical building at the Agricultural college.

Owing to a change made in the state laws regarding the requirements of applicants, the class this time will not be very large. New laws were enacted by the legislature requiring applicants after 1913 to have spent at least one year in some good college in the study of pharmacy and after 1915 to have spent two years in such school.

For this reason it will be a couple of years before the classes are again as large as those who contemplate securing license from the state have to take this course and many who were otherwise prepared for the examinations had to begin school work.

North Dakota is only the third state that has such a law, and while a little ahead of the times in this matter has a code that is recognized as one of the best in the country. The other two states requiring college work are New York and Pennsylvania.

BAND PROSPECTS FAIR.

Twenty-five Men are Out for a College Band.

Prospects for a college band this year looked good when a squad of about twenty-five men appeared on the field to furnish music for the game Saturday. However, the men have not been attending practice regularly, and Director F. L. Lawrence says that unless the men show greater interest it will not be possible to keep up a band.

Practices will be held this week and the band will travel to Faribault next Saturday to lend encouragement to the team in their battle with the Cadets.—Carleton.

CREDIT GIVEN FOR MUSIC WORK

Students who sing in two of the college musical organizations will from now on receive regular college credit for their work. This arrangement was recently announced by President Cowling upon Prof. F. L. Lawrence's recommendation. The administration is also considering the same plan in regard to the course in methods of teaching high school music, and credit for this course may be given next year.—Carleton.

PRES. SPARKS TO LECTURE AT GRAND

PRES. SPARKS TO LECTURE AT GRAND.

Edwin Erie Sparks was for fifteen years. Professor of American History in the University of Chicago. During that time he delivered many courses of University Extension lectures throughout the states of the middle west. His brilliant utterance of equally brilliant messages, coupled with his genial and attractive personality and ready fund of humor, made him an instantaneous platform success.

Five years ago he became President of The Pennsylvania State College, and he has since devoted himself exclusively to the study of administrative and pedagogical problems. As the head of a college of 2,500 students, President Sparks has opportunity to examine at close range the vital topics of public education, and he has embodied his conclusions in a lecture entitled "The Great Crucible." This lecture he has given before many audiences, always with great success.

It is President Sparks' interest in the educational work of the University Extension Division that gives North Dakota audiences this opportunity to hear him.

Mr. Sparks will lecture on the above subjects, Sunday night at the Grand Theatre.

STUDENT PLEDGE TO OREGON.

"As a student at the University that is maintained by the people of Oregon, I heartily acknowledge the obligation I shall owe to them. The opportunities open to me here for securing training, ideals and vision for life, I deeply appreciate and regard as a sacred trust, and do hereby pledge my honor that it shall be my most cherished purpose to render as bountiful return to the Oregon people and their posterity in faithful and ardent devotion to the common good as will be in my power. It shall be the aim of my life to labor for the highest good and glory of an ever greater commonwealth."

"My dream has been to lay a foundation for two of the greatest educational institutions in the world. I want to see the University and the Oregon Agricultural College grow up together, for there is room for both in the state." So stated Governor West in his talk which preceded the taking of the annual pledge by the Student Body of the University, in Villard Hall yesterday morning.

TO MAKE MERRY.

A celebration, which extended to practically every part of the business section of Missoula, was held Tuesday night by the students of the University. The occasion was the defeat at football of the Washington State college team by the University of Montana eleven. Over 150 college men were in the long line, which came over the bridge from the south side. The majority of the paraders were dressed in pajamas.

The Freshman athletes at Ohio State are heavier than usual this year. A number have already signed up with the different coaches. In the annual cane rush this fall the Freshies overpowered the Sophs easily.

A WAY PINS HAVE.

She was hurriedly adjusting her veil and had but a few moments in which to catch her car. "Oh, dear," she murmured, "I can't find a pin anywhere! I wonder where all the pins go to, anyway?"

"That's a difficult question to answer," replied her practical husband, who was standing by, "because they are always pointed in one direction and headed in another."—Ex.

RALLY ON DAKOTA FIELD A BIG SUCCESS.

Last Wednesday at 4:30 P. M. a large number of the students and faculty met in front of the main building and led by the band marched to the Dakota field where a rousing yell feast was held. Many new songs and yells as well as the old ones were practical and the benefit of these was in evidence in Saturdays game where the yelling was a great improvement over that of the previous game. However there is still room for improvement and these rallies should be held before every game.

Oberlin had more than enough for four elevens out at her first football practice. Only two of last year's men were absent this year. This promises to be a big year for Oberlin.

WHAT HAPPENED?

About the Freshmen and the Co-ed issues of the Spectrum, we mean. By the agitation which was floating around the campus for a short time, we thought that there was going to be a regular fight to see who was to get it first, but it seems to have died down. It would be a shame to let this term go by without having at least one of these issues.

The Freshmen will have previous issues to beat but it has been so long since a Co-ed issue has been put out that it will be a fine chance for them to start the precedent with an issue that will set the pace for some time to come. Who wants it first?—

THANK YOU!

There is not very much in the way of moral, (or immoral) defections at the school this past week required editorial comment, so we will take this opportunity to express our appreciation of the way in which the student body have been patronizing the Dope Box. There is nothing that helps out more than a liberal use of the Dope Box by every student in school and the last two weeks have been marked by a profuse use of the same. There are two members of the staff watching that box like hawks so no one need fear that anything will be overlooked, altho occasionally, as happened last week, some of the items which were turned in on very small sheets of paper, were lost. Such small sheets are very easily lost and we would like to ask that those turning in items use full size paper when convenient. Meanwhile, keep up the good work.

HUMOROUS EVEN IN ADVERTISING.

Circular Letter Pulls Lots of Laughs

Mr., Mrs. or Miss Committeeman:

A crisis is approaching in your lecture course affairs. You are about to accept or refuse me.

If you refuse me now you'll just have to be spoken to again on the subject another year, and you'll have to take me eventually.

Why not have it over? I'm going to be everywhere once before I quit business.

I'd have been nearly every place once by this time if I hadn't been so busy being the same places the second or third time. That has detained me so I have had to miss a lot of first times. Why have there been recalls?

Since "Finnigan" appeared in May, 1897, I've spoken to more than a million folks, some of them almost as nice as you, and nearly as bright. My audiences get bigger and kinder, as I go on. I don't know what that indicates, but maybe you can figure it out. It would be much more modest for you than for me to say what the fact indicates.

If you want a beauty congress for your course do not book me; if you want a quartet do not book me, for I am not one of those—I lack four good singers of being a good quartet and three bad singers of being a bad quartet. Neither am I an orchestra or a trained animal or at hatchet-ness. Also I do not swear in public. These latter facts may be against me; I know they keep my price down, but I'd rather be poor than wealthy and crazy or ashamed of myself.

As already indicate, I am not beautiful. As an infant, I wasn't homely. When I was taken out in a baby buggy folks would stop on the street to look at me. If I were taken out in one now, they would probably do the same. But while I am not beautiful I am gentle and playful, and a little petting will make me purr, roll a catnip ball and eat out of your hand.

After these remarks it is your own fault if you do not have a successful lecture course.

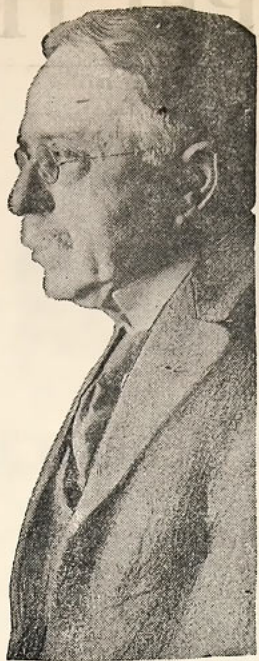

Yours
Strickland Gillilan.

BITTERLY IRONIC POEM BY DR. A. MCG. BEEDE

Attracts Much Attention Everywhere.

WICAPTEPI
Two envious brothers had two kitties
Contented, purring sacred ditties
They learned from household embers glowing.
While snow came down and winds were blowing.

The rascals tied their tails together
To see them fight and find out whether,
"Mine's better'n your'n, I'll prove it brother."
Poor kitties, fighting, killed each other.

The Czars and Kings and Lords o'er Britains
Have tied the tails of Europe's kitties,
Compelling men to kill their brothers
While orphans weep with weeping mothers.

Our Father, hear the people crying,
And stay this war with millions dying,
While household embers cease their glowing,
And snows come down and winds are blowing.

—Dr. A. McG. Beede.

The new interclass ethics does not mean that the Freshmen will be allowed to shift all obligations usually imposed upon them. They will still be obliged to wear green caps, to abstain from the delights of "fussing," and to be subjected to other minor rules laid down for their guidance. The Sophomores and Freshmen will still continue a series of class contests throughout the year for the purpose of establishing class supremacy. These contests are the bag rush, interclass debate, outdoor track meet, basket ball tournament, and oratorical contest, as originated by the executive last year. This mixing of brain with brawn in friendly class rivalry and the elimination of the worse features in hazing are expected to increase the already great booster feeling which prevails at State College.—S. D. State College.

One predicts a future for the schoolboy who wrote the following terse narrative about Elljan—
"There was a man named Elljan. He had some bears and he lived in a cave. Some boys tormented him. He said: 'If you keep on throwing stones at me I'll turn the bears on you and they'll eat you up.' And they did and he did and the bears did."—Ex.

AGGIES LOSES HARD FOUGHT GAME

BOLSINGER INTERCEPTS FOR-
WARD PASS AND GOES 65-
YARDS FOR ONLY TOUCH
DOWN.

Record Crowd Out—Ideal Weather.

Last Saturday a record breaking crowd witnessed the defeat of the A. C. at the hands of St. Thomas by a score of 21 to 12. The day was ideal from the standpoint of the spectators but rather warm for the warriors. The visitors had the best of the argument thru out the game except in the second quarter when the Aggies tightened up and outplayed their scrappy opponents. St. Thomas has a team that has not been defeated in five years and have never allowed their opponents more than one touch down in this time until Saturdays game. Their interference was a puzzle which the Aggies could not solve; however they fought gamely to the end and made a remarkable showing considering the crippled condition of the team.

The game in detail:
First Quarter.
A. C. kicked off to St. Thomas 15 yard line. Edwards returned 45 yards. Edwards lost 2 yards off right tackle. Mahoney makes 10 yards through right. McGrath makes 5 yards to left. Mahoney makes 5 yards to right and McGrath 5 yards to left. St. Thomas penalized 5 yards for off side. A. C. offside on next play, penalized 5 yards. Edwards makes 10 yards to left. Ward 5 yards to right Mahoney 4 yards through center. Edwards kicked for loss on next play. Ward tackled for 6 yards loss. St. Thomas holding, penalized 15 yards. McGrath forward passes to right tackle for 3 yards. McGrath attempts another pass and A. C. blocks and gets ball. Bolsinger makes 5 yards in wide end run. MacQuillan tries line for

no gain. MacQuillan makes 8 yards on wide end run to right. Abbot untied 40 yards. St. Thomas returned 16 yards. St. Thomas ball. Ward falls in line plunge.

Conmy makes 7 yards through left. Mahoney 2 yards plunge; Ward no gain on smash to right. Mahoney plunges 5 yards through center. Edwards 4 yards off tackle. Conmy 6 yards off tackle. Edwards makes 4 yards to left. Ward straight back for 8 yards. Mahoney bucks line for 2 yards, fumbles and recovers. Edwards 8 yards off right tackle. Mahoney 6 yards off right tackle; Ward falls off left. Ward makes 3 yards off right tackle. Mahoney falls on line plunge. A. C. penalized 5 yards for holding. Mahoney tries wide end run to left for no gain. Regan 1 yard through right tackle. McGrath forward passes to Regan for touchdown, 10 yards. Score St. Thomas 6. McGrath kicks goal. Score St. Thomas 7. A. C. 0.

Second Quarter.
St. Thomas kicked off to A. C. 25 yards. Abbot returns 11 yards; end of first quarter.

MacQuillan made 1 yard to right. Bolsinger tackled for loss on next play. Catlin 4 yards through left. Abbot punted ball out of bounds on St. Thomas 20 yard line. St. Thomas ball. Line plunge to left failed and St. Thomas penalized 15 yards for holding. Ward makes 1 yard. Ward repeats for another yard. St. Thomas penalized half distance to goal, putting ball on their own 3 yard line.

St. Thomas attempts to punt, Abbot blocked kick. St. Thomas man recovers for safety, score St. Thomas 7 A. C. 2. St. Thomas puts ball in play on 20 yard line. Ward 2 yards through right, Mahoney 2 yards right, McGrath 6 yards right. A. C. off-side 5 yards penalized. Mahoney 4 yards to right. A. C. penalized 5 yards for offside. Ward fails through right and A. C. gets ball on downs.

MacQuillan attempts forward pass which was incomplete. Another forward pass attempted but Caulkins dived in his tracks. Another incomplete pass. MacQuillan tries the

fourth pass incomplete. The ball goes to St. Thomas. Edwards 8 yards to left. Ward 3 yards to right. Edwards 10 yards to right. Ward fails through right. St. Thomas passes to Ward for 4 yards. Incomplete forward pass was the next attempt. St. Thomas forward passes to right. Bolsinger intercepts pass and runs 60 yards for touchdown. Caulkins kicks goal. Score A. C. 9, St. Thomas 7.

Third Quarter.
A. C. kicks off to St. Thomas. Ward catches ball and returns 20 yards. Edwards makes 40 yards through left. Ball is fumbled but Mahoney recovers. St. Thomas tried drop kick. A. C. Ball.

Abbot punted 40 yards. St. Thomas downed in tracks. A. C. held for downs and took ball. Caulkins attempts forward pass in place kick formation, pass fails. Catlin kicked pretty place kick from 25 yard line. Score A. C. 12, St. Thomas 7. A few plays and the half was over.

St. Thomas kicked off the second half to Catlin who returns 15 yards. A. C. tries St. Thomas line but couldn't puncture it and Abbot punted 40 yards. St. Thomas downed in their tracks. St. Thomas bucked the line hard for gains from 2 to 8 yards for a touchdown. McGrath kicked goal. Score St. Thomas 14, A. C. 12.

Fourth Quarter.
St. Thomas kicked off to Bolsinger who returns 22 yards. A. C. couldn't make the down and Abbot punted St. Thomas ball.

St. Thomas makes wide end run to left for 32 yards. St. Thomas bucked line hard and A. C. line held like demons but on the St. Thomas' fourth down the ball went across. McGrath kicked goal. Score St. Thomas 21 A. C. 12.

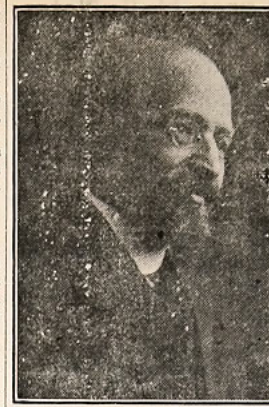

St. Thomas kicked off to A. C. Peterson returns 10 yards. A. C. punted and quarter ended. The fourth quarter was a hard fight but A. C. couldn't get in scoring territory. The ball see-sawed in A. C. territory and St. Thomas attempted many shift plays but could not consistently gain. And the game ended. Score St. Thomas 21, A. C. 12.

Officials: Referee, W. T. Cain, St. Paul; C. N. Kirk, Iowa, umpire; Coach Hardy, Wesleyan head line-man. Time of quarters, 15 minutes.

CAMPUS CLEANINGS

Tramp! Tramp! Tramp!
The fellows who planned an 80 mile hiking club up to the U. N. D. game remind us of the good ladies who tried to start an Epworth league in the Philippines—they could find nothing to pin the badges on. But let us not give up the idea. "Postum".

When there was no response to Joe Alexanders name in Animal Husbandry class, Divvy Jensen explained, "He has company today—Bill Bolterud is back."

Hello, Bill; we're always glad to see something cheerful turn up.

In The Good Old Way.
Miss Pope's report in History.

"In olden times, when a young man took a young lady home, he always delivered a hearty smack. What our grandfathers and grandmothers did, we should not be ashamed to do."

Certainly not, Miss Pope, but don't you think that is putting the point a little strong.

"On With The Dance."

We notice that the agitation about hustling up the Kadona has kind of petered out lately. Its awfully hard to rock the boat and make everybody think there is a storm at sea, isn't it?

MUS INSTALL NEW PIANO.

The Alpha Mu Fraternity has installed a new piano in the Fraternity house and there is lots of music on tap all the time. The piano is an exceptional fine one and as there are lots of musicians in the Fraternity, it will provide a lot of amusement during the school year.

The Farm Management Class, left Thursday evening for the Dalrymple farms at Casselton.

Some of the Frosh are getting lazy about wearing their caps. Others have not enough class honor to live up to traditions, so are leaving them at home.

Ceres Hall Notes

The Misses Elsie Stark, Agnes Hutchinson, Ruth Olsen and Myrtle Johnston attended an afternoon tea at the home of Mrs. Thomas J. Graham 8th St. North, Thursday. The affair was given in honor of Mrs. Rice. Dainty refreshments were served and the girls departed having spent a lovely afternoon.

Mrs. Manikowske of Morton came down Saturday with her brother Mr. Zerebeck, an old St. Thomas football player, to take in the game and to visit with her daughter, Cecile. She returned Sunday for her home.

Miss Bina Foster left Sunday for Bismarck where she will spend a few days with her sister.

The Misses Olivia Wild, Louise Clayton, Mary Hartney and Agnes Hutchinson entertained the new girls on first floor, Wednesday evening at an informal spread. Dainty refreshments were served and it proved to be a fine get acquainted affair.

Many old Home maker girls and some new ones arrived Tuesday to begin a new year of work.

Why was Bill M. so excited Sunday?

The Y. W. C. A. held their regular weekly meeting Tuesday evening under the leadership of the President, Miss Amy Whitman.

Was Ole disgusted in the dining room Sunday at dinner (?) O! No.

The Misses Ole Wild, Mary Hartney, Tvy Waechter and Louise Clayton attended a picnic up the river, Sunday afternoon. Returned at nine o'clock and reported a fine time.

Miss Lamb spent the week end with her parents. She returned with some goodies which were enjoyed by the girls.

Miss Edna Bowers, a former student of the A. C. visited with former schoolmates Saturday and also took in the St. Thomas game.

MAX WALDRON HEARD FROM.

Altho we always claimed that Max Waldron was a humorist of the first water, we never realized how much could be compressed in the space of a single post card, until we received the following cards. They were written one right after the other and received on the same day.

No. 1.

Dear Mr. Editor: Quite a while ago, I sent you a perfectly good half \$, to your newspaper sanctorum, for

a subscription to your college rag. Having received nothing as yet, I consider myself duped for the 4 bits, but send this reminder as a least sad plea for what is coming to me. Give my regards to the crowd up there in the Arctic Circle. Everyone here is busy planting gardens. Tourists coming in by the trainloads. Hoch der Kaiser! Max Waldron.

P.S. That was my last half pluk.

No. 2

Worthy Ex-Major:

Spectrum received. Pardon my hasty kick. Your paper, like Peruna and good whiskey, I mean good pop, is indispensable but who's your proof reader. Probably one of those long lean and hungry associate editors. Dyes and I are stuck on Florida, all right (no, not stuck in Florida), and will soon be regular crackers.

M. W.

Fred Gram is another Frosh culprit who has received the paddle treatment. The treatment was administered Monday in a large dose. Gram is under the personal treatment of Dr. Scoop Perry.

Another first appearance brought out at the Kadona was the new dance originated by our local Beau Brummel, Ernie Pyle. Ernie hasn't quite decided what to call it yet, but is thinking seriously of registering it as the Spring Halt. He is going to get a patent on it.

Quite a number have signed up for soccer in the Y rooms. Things are looking favorable for a number of teams. Everyone is requested to hurry up.

State Board Veterinary examinations were held in the Veterinary Building last week and were attended by Vets from all over the state.

Harold Bachman, leader and composer, has just brought out a new song "Kadona", which was played for the first time at the Kadona Dancing Club Saturday night. Mr. Bachman wrote the song especially for the club. Keep it up Harold.

Bob Pearson was in for Kadona, Saturday.

J. DeLancey Montgomery was around the campus during the Vet exams.

CHANGES IN WIRELESS STATION CAPACITY FOR RECEIVING AND SENDING IS ENLARGED.

Ed Hooper, Bill Emery and Mr. Tibert are erecting a 200 foot arial which will allow of messages being received from any part of the country. New apparatus has also been installed for sending which will enable messages to be sent within a radius of eight hundred miles, which could mean, from here to Chicago.

Needless to say, all are anxiously awaiting the completion of the new improvements and Hooper and Emery expect to be in touch with San Francisco when the new 200 foot arial is erected.

A laugh in time saves nine customers.

He who hesitates is bossed. Business lies always come home to roost.

The royal road to business success is "value for money received."

A clerk on time saves hunting nine jobs.

Late payments make early failures.

Keep your health if you would keep your business.

An ounce of good judgment is worth a pound of good nerve. No business rises above its source—if you are the source think this over.

If business is dull don't grin and bear it, grin and improve it. Laugh with your customers—never at them.

The man who gets a head at night can never get ahead by day.

When you cheat your customer out of a dollar you cheat yourself out of a hundred.
