

Senior Class Play Is Biggest Success of Year

Immense Audience Has Nothing But Praise for Beeded Play

Hard Work by Cast and Directors Produced Play to Be Proud Of

The production of the Indian drama on Monday night was something that will be remembered for a long time by the students at this school and all who witnessed it. It was the most finished and polished production that was ever put on in this city. There was closer attention paid to detail and atmosphere than is usual even in the biggest professional plays. The work of everybody in the play blended harmoniously into the intention of the whole and there was nothing that in any way detracted from the effectiveness of the whole. The weather was all that could have been desired, as there was no wind at all, enabling the audience to hear well, and the setting sun was at just the right height to produce the most striking effect. The drama itself was new in conception, form and presentation to almost all in the audience, who came to see it with no preconceived idea of what it would be. This made them especially responsive to the spirit and meaning of the whole play. The beauty of the lines has attracted much attention, which is no doubt due to their freshness of form. Some of the most effective lines were those where they would break, with almost startling abruptness, from smooth musical verse, to climaxes of rugged blank verse. This play is one that North Dakotans will always be proud to claim as a product of their own state, prouder still that it is a story of the early history of this state, and proudest of all that it could be produced in the way it was by North Dakota students under North Dakota directors.

The papers of this city have done their best to give to Miss York and Professor Arvold, the credit that is due them for their work in this production. But it is only those who were most closely connected with this play that can even begin to realize the amount of work that these two people put on this play. Mr. Arvold is responsible for the excellence of the mechanical details and costuming of the play. His securing of Louis Kopfman to handle the make-up and costume work was responsible for the life accuracy of the production.

Miss York has been devoting all of her time and energy for the past few months to making the histrionic work of this play something that everyone could be proud of, and to say that she succeeded beyond the expectations of all is putting it mildly.

The dances which were put on in different parts of the play were the cause of much approving comment. Those who took part in these dances are most in a position to tell of Miss York's untiring efforts in perfecting the minutest details of all work in this connection. Stage grouping, action sequence and line excellence all spoke loudly of the

care and ability which had been put on the play by Miss York. The actors are all earnest in their praises of the work of their director. It is easy to work hard under such inspiring direction.

The work of all those who took part in the play was so well done that it seems almost folly to attempt to pick out any part for special commendation. This was a play where team work and attention to detail on the part of those who had but very little to do was essential and it certainly was done. The good actions of those who had nothing more than appearances to make was the cause of much favorable comment. Carelessness on the part of any of these minor actors would have produced bad results, but everyone seemed to realize how much it depended on the work of those who had the least to do and the whole never suffered from their work.

Mr. William V. Arvold as Sitting Bull was all that could have been desired. Never once throughout the entire play did the excellence of his work slacken. The dignity and poise which he gave to the character of Sitting Bull brought out the worth of his lines to the fullest extent. Voice, make-up and stage presence all combined to make a presentation that will be long remembered. One of the most impressive incidents in the whole play occurred while he was giving the battle-prophecy. While speaking the lines, "Court-martial me! For what!", etc., the sun came out from behind a cloud and a single ray fell on the upraised face of the speaker. The sunlight and the splendid words of the prophecy made the most impressive moment of the whole play.

Mr. David Sonquist as Fool Mink relieved the tenseness of the action with his brighter and laughable lines. Playing the part of an Indian fool, one of the most difficult bits of action in the whole play, he scored a big hit with the almost senseless lines which were his. His dancing and mocking of his chief showed excellent powers of mimicry and his handling of all his work was such that it gave just the right weight to every line without ever becoming in the least obtrusive. The part could easily have been spoiled by over-acting but Mr. Sonquist maintained admirable poise throughout.

Miss Laura Taylor as Winona, created an appealing heroine in her character work. The curious mixture of bravery and fear which she put into her work brought out the part to the utmost. Her struggle with the invisible ghosts for the body of Echonka was one of the most dramatic bits of acting ever seen at this school.

Miss Ruby Head's denunciation at the council was excellent and at-

tracted much attention, and the scorn that she put in her lines cut like the lash of a whip. Miss Wheeler, handling the difficult role of the old oracle of the tribe, did some fine work in a difficult part as did Miss Ethel McVeety as an old woman and Mr. Ralph Smith as an old man. The chief difficulty in these parts lay in the fact they were obliged to spend much time on the stage without action and lack of care in their work would have meant a letdown in the action.

Dean Mendenhall as Rain-in-the-Face, Roy Dynes as Gall, George Gustafson as Echonkaand, Melvin Ostby and Oscar Knudson as soldiers, all handled their parts in an able manner. Carl Yerrington as the herald, made two perfectly timed dramatic entrances, which added much to the play. Mr. Gabriel Lundy as Custer, although he had no lines to give, made a fine impression as a perfect representation of a splendid cavalry leader, General Custer.

It would be unfair to pass over the work of the orchestra and band, as the music which fitted in throughout the play was one of the most essential parts of the atmosphere which was created. The descriptive fantasy which preceded the play proper was one of the finest bits of descriptive music that the band has ever given. There was a lot of hard work put on their part of this production by the band and the orchestra. Those who took the parts of the shouting and yelling Indians who tore around the campus during the battle deserve much credit for their efforts along this line, as well as for the work they did in advertising during the afternoon parade down town. The people who were in those dances which caused so much favorable comment will begin to feel in a measure repaid for their hard work by the unstinted praise which

(Continued on page 4.)

Large Crowd Attends Commencement Exercises

Excellent Address by L. T. Guild and a Good Musical Program.

The commencement exercises on Tuesday morning were attended by a larger crowd than is usual at these ceremonies. The parade of graduates, faculty and graduating class, headed by the Cadet band, followed the usual route from the Main building to the Armory. While the audience was taking its seats the band entertained with several pleasing selections.

The exercises were opened by a prayer by Reverend Thomas Graham. After a selection by the band, William V. Arvold gave a short stirring address on "Community Spirit." He called attention to the average man's way of farming, that of regarding the farm as sort of a mine and of continually taking away its energy. He pointed out very strongly the folly of taking away the productive energies of the land without any attempt at replacement. Comparing the community spirit of this country with that of Europe, he pictured the agricultural communities as suffering from two great drawbacks, lack of good credit systems and lack of community co-operation. He brought out very strongly the need of organization among the farmers, but also pointed out that to organize they would need leaders and made the statement, "These men shall not be city-made statesmen—they shall be men of character and above all, men of personality." The outburst of applause which greeted the close of his speech fully testified to its excellence.

The talk on Community Spirit was followed by the introduction of the main speaker of the morning, Louis Thurber Guild. Mr. Guild was introduced by President Worst. The address which followed will be long remembered by those who heard it. Abounding in stirring climaxes, pointed by strong illustrations and lightened throughout with the play of keen humor, the whole made an appeal whose strength was shown by the alertness and close attention evidenced by the audience at all times. Mr. Guild began by telling of the many places in which "The Fire Called Eternal," had appeared in ancient times. He told of the Greek and Hebrew versions and of the tribe which had "The fire that was called eternal, always borne before their advancing host on a silver altar."

Developing his theme along many lines, he brought out that the true meaning of this "Fire Called Eternal," was the power of high ideals in the soul of man. He likened the appeal of this eternal fire to that which clustered about the Holy Grail, and made a stirring appeal to the members of the graduating class to "Follow the Gleam." This fire, this idealism, is at its best when adopted by youth, for, as Dr. Guild very strikingly expressed it, "Youth can bring to high ideals, hands and feet; which old age is unable to do." Education would be useless to you unless you gain a conception of service.

One of the most striking statements that the speaker made was that "The Biggest thing in the universe, is not you planet that swings into view through the telescope; the biggest thing in the Universe is the

man who looks through the telescope."

This and other of his pithy utterances are well worth remembering. "There are no contradictory truths in all this Universe."

"The highest conceivable culture is that which enables a man to read the meaning of the powers which are at work about him."

"When a man lowers his ideals, sad confusion begins."

"What every man desires is a creative opportunity."

"It is the man who burns with this 'Fire Called Eternal,' who does things."

He spoke of Dr. Beede's writings and made the statement that anything that came from Dr. Beede was well worth reading as those who saw the great play of Monday night can well believe. The applause which interrupted his speech at various times and that at the conclusion of his talk was convincing testimony to the success of his efforts.

President John H. Worst then gave a brief talk to the graduating class and conferred the degree of Bachelor of Science on each one of them and presented the diplomas which marked the culmination of four years of strenuous hard work. The program was closed by a selection from the band. Following is the list of those who received degrees at this time:

- Bachelor of Science.**
Arvold, William, Whitewater, Wis.
Knudson, Oscar, Sherwood, N. D.
Waldron, Max, Fargo, N. D.
- Bachelor of Science in Agriculture.**
Anderson, Elmer, Siquex Pass, Mont.
Dynes, Roy, Fargo, N. D.
Gustafson, George, Reeder, N. D.
Herbrandson, Harry, Caledonia, N. D.
Jackson, Thomas, Elbowoods, N. D.
- Bachelor of Science in Chemistry.**
Industrial.
Schroeder, Clifford, Fargo, N. D.
- Pharmaceutical.**
Jongeward, Mattys, Litchville, N. D.
- Bachelor of Science in Engineering.**
Chemical.
Gross, Herbert, Fargo, N. D.
Williams, Clarence, Fairmount, N. D.
- Mechanical.**
Olen, George, Benson, Minn.
Stumpf, Gordon, Arthur, N. D.
Pearson, Robert, Amenia, N. D.
- Bachelor of Science in Home Economics.**
Booth, Isabelle, Moorhead, Minn.
Camp, Bertha, Fargo, N. D.
Cox, Marion, Fairmount, N. D.
Erickson, Alma, Niagara, N. D.
Head, Ruby, Aberdeen, S. D.
McVeety, Ethel, Fargo, N. D.
Radford, Grace, Fargo, N. D.
Ruff, Eugenia, Chicago, Ill.
Shelton, Edith, Mayville, N. D.
Sheton, Grace, Mayville, N. D.
Sorenson, Hildur, Webster, S. D.
Stewart, Maude, Fargo, N. D.
Taylor, Laura, Antigo, Wis.
Tibert, Alice, Fargo, N. D.
Wheeler, Mildred, Fargo, N. D.
- Miss Maisie Griffin of Glendive, Montana arrived at the school Wednesday evening. The old students were indeed glad to visit again with one of their former schoolmates. Miss Griffin will not return to her home till Friday.
- Miss Lucy Sprague met with an accident Tuesday evening and lost her slipper.

"Your education will be useless to you unless you gain a conception of service."

1914.

The class of 1914, as an undergraduate class, has ceased to exist. While there must always be something of sadness at the loss of a class to the school, yet their connection and real ability to work for the school is just beginning. It is the alumni of an institution that are in a position to help it in the most substantial manner and it is to be hoped that the class of 1914 will keep up to its undergraduate reputation and win for itself the name of being the liveliest group of alumni of this school.

The Editor has been talking to an officer of the Alumni Association and he understands that a period of alumni activity is about to commence. There is a big opportunity open to the class of 1914. Fresh from the school, they are in a position to know its needs and how it can best be helped. This school is going to miss the class of 1914, but the loss can be in a large way made up to the school thru their activities as alumni.

THANK YOU!

The Editor wishes to extend his most humble and hearty thanks to those who have assisted him during the past term. He realizes, more than ever, that the actual work which is done on this paper falls mostly on those who comprise the volunteer staff. The Editor wishes to bespeak, upon the part of those who turn out copy week after week without hope of reward of any kind, more recognition of the service which they are rendering the school. Their work is actual service to the school, and service which the school could not get along without, so if you have any commendation for a particular piece of work, find out who wrote it and tell him you liked it; if you have any kicks to make, don't make them to the staff but to the Editor. That is what he is here for.

NOTICE.

The copy of the High School Commencement has been lost and we may not be able to replace it before publication. We hope that it will be found in time for publication.

MILITARY DEPARTMENT

(Marvin Kirk.)

On May 24, the Sunday preceding Memorial Day the cadets were asked to attend the services held in the Grand Theatre, by the G. A. R. A goodly number of them turned out. They met at the Public Library, down town, and marched from there to the Grand with Company B, N. D. N. C., the members of the G. A. R., the W. R. C., and the Spanish War Veterans. The address of the day was given by Rev. Graham, of the Presbyterian Church in this city. After the program, Lieutenant Herren thanked the cadets for coming out in honor of the old soldiers, who are so rapidly passing from our midst.

Last Saturday, Memorial Day, the cadets assembled at the armory at 9:15, and marched down town to the library, where they joined the veterans, Company B, and the A. C. cadet band, which had preceded them on the street car. The cadets had their rifles, and were accompanied by the color squad, with the United States an college flags. The organizations formed for parade, and, led by the band, marched down Roberts Street to N. P. Avenue, from there to Broadway, and then up First Avenue to the Theatre.

The program included several numbers by the cadet band, which were excellently rendered. Little

Miss Elinore Farr read Lincoln's Gettysburg Address in a very pleasing manner. Dr. Guild, of the Courier-News, delivered the address. His talk was very impressive, and held the close attention of the audience throughout.

NEW ROOMING HOUSE REGULATIONS FOR NEXT YEAR.

Considerable change in the present system of rooming house situation is contemplated for next year. Under the newly revised faculty rulings which are to be published in the near future several provisions pertaining to the regulation of student rooming quarters are of particular importance.

In view of the weaknesses of the present system that have come to light during the past few years, and in the interests of raising the standards of life among the non-resident students who live off the campus, the following regulations are to be put into effect.

No student shall room in any than approved rooming houses. (This approved list will be made up from those housekeepers who will sign a form of agreement, to be distributed during the summer, which will cover the main points of the new regulations.) Sanitary conditions of the house will be taken into effect as well as the willingness of the housekeeper to enforce the regulations. Students will also be required to rules, termed, "What the House-

North Dakota Agricultural College

For those who have not had such a training

THE AGRICULTURAL AND MANUAL TRAINING HIGH SCHOOL OFFERS

Complete Secondary Courses in — Agricultural — Commercial — Domestic Science — Mechanic Arts General Science — Rural Teachers

SPECIAL COURSES

Farm Husbandry, Homemakers, Pharmacy, Commerce, Power Machinery; Special Courses are also offered A COMPLETE COMMERCIAL COURSE

Is offered all students and its work is so arranged that it may be carried in connection with the regular work of other courses.

THIS COLLEGE offers to the young people of this state an education which is thoroughly in line with modern thought and demands. It spends no time on the dead languages or such subjects as are of little practical value. It aims to fit young men and women who can think and investigate for themselves; who can deal with social, agricultural and industrial problems of the day.

THE LABORATORIES are thoroughly equipped, and the instructors are specialists in their lines. Exceptional advantages are offered in chemistry, physics, botany, zoology, literature, mathematics, and engineering subjects. Graduates from approved High Schools are admitted to Freshman Class. Tuition Free. Board and Room \$4.00 to \$5.00 per week.

WRITE TO THE REGISTRAR FOR CIRCULARS, CATALOG, AND ADMISSION BLANKS.—FALL TERM BEGAN SEPTEMBER 15.

keeper Has a Right to Expect," from the student.

Men students will not be permitted to room in houses where women, other than those of the housekeeper's family, are rooming.

Until the days when there can be adequate dormitory accommodations at the College it will behoove the students at the A. C. to make the best of existing conditions. However, every step possible will be taken to provide for the best rooming accommodations possible in Fargo homes. The results obtained from a recent survey of the rooming problem and its solution in other colleges around the country shows that notable advance steps are being taken by a large number of institutions in supervising the life of the men and women who are obliged to room in private homes.

An official agreement blank will be put in the hands of every Fargo housekeeper who wishes to keep college students in her home, at some time during the summer. A complete list of the regulations will be provided to all students at the opening of the fall term.

It has been proposed to have a student directory published next year, giving a complete record of the name, course, and class, Fargo address, phone number and home address,—for all students taking the Preparatory, College, and Industrial courses. Such a proposal may become fact, according to the action of the authorities.

LARGE NUMBER OF ALUMNI HERE.

A large number of the alumni of the institution have been around the campus during the last few days, greeting their friends and renewing old associations. It is very pleasing to note this interest in the school on the part of those who have left it and the "glad hand" was extended to these old students with a vim. Among those who have been discovered about their old haunts are:

Miss Rosabelle Magill, Miss Mabel Cox, Mr. Thos. Calnan, Mr. Ole Neaal, Mr. Anderson, Miss Ethel

Aggies Grab Conference Championship

ST. THOMAS GAME GIVES A. C. MINNESOTA-DAKOTA CONFERENCE CHAMPIONSHIP.—TEAM HAS MADE SPLENDID RECORD—FIVE GAMES PLAYED DURING THE LAST TWO WEEKS.

On Wednesday, May 18th, Coach Haskin's Aggies met the U. N. D. in the initial clash of the season. The outcome was decidedly in favor of the A. C. They out-fielded, out-hit and out-guessed the U. players, and when the smoke cleared away, the count stood 9 to 2 in favor of the Aggies. Otis was on the firing line for the A. C., and held the U. men to five hits. Outside of the eighth inning he had them completely at his mercy. Whiting's batting and base stealing were much in evidence, he annexed four hits in five trips to the plate and almost stole the catcher's mask, pilfering a total of four bases. Capt. Parizek and Otis connected for two hits apiece, one of Parizek's and one of Otis's being for extra bases. Caulkins and Walstad them four runs. The Aggies counted twice in the fourth when Gullickson singled, scored on Honson's triple and Otis singled, scoring Hanson. In the seventh Parizek singled, stole second and third and scored on Whiting's hit. Fargo College came back in the ninth and tied the score, but in the last half Caulkins got life on Pederson's error, was sacrificed to second by McConnell, to third by Parizek and scored on Whiting's single to right.

Following is the line up and summary:

A. C.	AB	R	H	PO	A	E
Caulkins, 2b	4	1	1	1	1	1
McConnell, lf	3	0	1	0	0	0

Two-base hits—Ellis.
Three-base hits—Hanson.
Bases on balls—off Otis 5; off Twight 4.
Strike-outs—by Otis 11; by Twight 8.
Sacrifice hits—by Oleson, Steinhaus, Parizek, Whiting and Mc-

Connell.
Stolen bases—A. C. 8; F. C. 1.
Left on bases—A. C. 5; F. C. 6.
Double plays—Steinhaus to Hanson; Wolstad to Caulkins.
Umpire—Wells.

A. C. 1—ST. THOMAS 0.
O Thursday, May 28, Coach Haskin's youngsters finished their season in a blaze of glory by winning from St. Thomas by a score of 1 to 0. The Saints came to Fargo heralded as the undisputed conference champions, having won sixteen games in a row. They had also met Minnesota twice and defeated them by big scores on both occasions. Bachman, Coach Haskin's young port sider was selected to do the heaving for the Aggies. That Haskin was justified in using the youngster can be best shown by his record that day. During the eight and two-thirds innings which he worked, he whiffed fourteen of the Saints, allowed them two stinky hits, one base on balls and no runs. The Aggies found the St. Thomas pitcher for a total of six hits, Wolstad being the only man to get two safeties during the game.

WHITING ELECTED CAPTAIN
Following the St. Thomas game the letter men of the 1914 Base Ball Team met for the purpose of selecting a Captain for the year 1915. Whiting, the heavy heading catcher and outfielder on this year's team was the unanimous choice of the men present.

Whiting is admirably well fitted for the position. He is recognized as one of the ablest base ball players in the state having played with the fastest semip-ro teams in the West. During the season just closed he has led the entire team in batting and his fielding has also been above the average. The Spectrum extends to Captain Whiting continued success and hopes to see him lead another championship team next year.

THE CONFERENCE CHAMPIONSHIP.

We have figured and figured until red in the face, and yet have so far been unable to come to any other conclusion than that Coach Haskin's Aggies are the Minn.-Dak. conference champions. Fargo Colleges win over the St. Thomas men puts the A. C. at the head of the percentage column—and they cannot be budged from there—Conference Championship? Just as undisputable as 2 and 2 equal four. The A. C. has had this honor in basketball, but never before in the history of the school have they had it in baseball.

We extend congratulations to Coach Haskin, Captain Parizek and every man on the team.

Faculty Team Disbands

PROFESSORS TOMPKINS AND SCHALK DISCONSOLATE OTHERS REVEL IN GLEE.—HAD A RECORD ONE YEAR AGO.

The much talked about faculty team, which last year laid low both the freshmen and alumni, have at last given up hope and expired. During the early part of the spring term the stern dictators were often seen stealing away quietly to a corner lot where Profs. Tompkins, Schalk, Davner, and others strove to teach their less fortunate bretheren the finer points of the game. Then, lo and behold! The Sophs, urged on by "Scoop" sent a stinging challenge to the faculty stronghold which was at once accepted by the learned ones. And thus it came about that in the evening of May 26 the much talked of game was played. The Sophs presented their usual lineup, and Tompkins strove to adjust the faculty-connected for a hit apiece. Following is the box score summary:

A. C.	AB	R	H	PO	A	E
Caulkins, 2b	4	1	1	0	3	1

Left on bases—A. C. 7; U. N. D. 7.
Umpire—Buschalter.

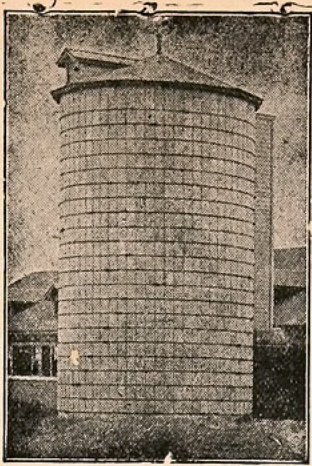

A. C. 11—F. C. 7.

On May 20th the Aggies invaded the stone walled Fargo College Stadium, and in a loosely played game won from the F. C. team by a score of 11 to 7. The game was featured by the heavy hitting by the Aggies as well as numerous errors by both teams. The field was largely responsible for the many errors, it being in a rather rough condition. Capt. Parizek fell on Twight's offerings for a total of three hits, two of them being for extra bases. Whiting won the game for the A. C. in the first half of the ninth inning, when with three men on bases he straightened out one of Twight's twisters and lifted it over the stone wall of the stadium and far into the heart of Island Park. In the sixth inning he knocked another of Twight's benders over the wall, but it fell on the wrong side of the white line and was good for only two bases. Caulkins, McConnell and Whiting got two hits apiece, while Gullickson, Hanson and Walstad got one clout apiece. Following is the line up and summary:

they met the only defeat of the season by a conference team, the J. winning out by a count of 10 to 2. The Aggies got the same number of hits as did the U., both teams making safe connections seven times. The Aggies were, however, unable to bunch their hits and they also boot-ed six times while the U. got away with only one error. Gullickson hit

safely twice, and Caulkins, Whiting, Steinhaus, Wolstad and Otis annexed a hit apiece. Owing to lack of space we are unable to run the box score.

Senior Class Play Is Biggest Success of Year

(Continued from page 1.)

their work called forth. It seemed as though everybody around the school was determined to make this the best that had ever been given and any requests for aid of any sort were promptly and cheerfully met with, and it is to the people who do the little things for an effort like this that much of its success is due.

Rev. Aaron McGaffey. Beede has written a work which will become historical. His years of untiring labor among the Indians show in every line of this play and those who know say that there is more knowledge of Indian life crowded inside of the covers of that play than in many encyclopedias on the subject. Mr. Beede may well be proud of his work, and we understand that he was very much pleased with the way in which the initial performance was put on. We hope that this play will be given the recognition which it deserves, for it should become one of the classics of this country. Rev. Beede has won many friends during his stay at this school and he will always find a hearty welcome awaiting him should he return in the future.

HIGH SCHOOL COMMENCEMENT

VERY WELL ATTENDED—CLEVER MAY POLE DRILL AND EXCELLENT ADDRESS—FEAST OF THE CORN PRESENTED.

The third annual High School Commencement exercises which were held last Thursday and Friday evening were very well attended and were well worth attending. The exercises in the Armory on Thursday evening were opened by the May Pole drill. The figures in the drill were very novel and effective and at the entrance of the Queen, there was some pretty grouping of those who took part in the drill. The winding of the pole itself was very pretty and cleverly done, and there was much praise for the entire drill which showed the amount of work which had been put on it. The pole was then removed and the regular program of the evening given.

The Feast of the Corn is an adaptation of an Indian play by Rev. Aaron McGaffey Beede and is well up to his other productions. In the form it was given it is very much abbreviated but it has not suffered from its shortening.

The Commencement Exercises proper were held in the Little Country Theatre on Friday evening. The speaker of the day was Rev. Thomas Raham of the Presbyterian Church of Fargo. He gave an excellent address abounding in good solid ad-

vice. He made the statement that students graduating from High School should have three things at least: "A broad mind, a long mind, and a set purpose in life." After the address the graduates were presented by Prof. I. W. Smith and the diplomas were presented to the members of the graduating class by President Worst. The graduating class for this year numbers twenty in all and most of them will probably return next fall as Freshmen. Those students who have gone through High School here and who return to college are usually the most valuable students to the school.

The Class Day Exercises for Thursday, May 28, in the College Armory, beginning at 8 p. m., were as follows:

Part One.

May Pole drill.

Part Two.

Class Exercises.

Music Myron Bachman
President's Address Henry Brown
Class Oration Arthur Schollander
Class History, Ole Nelson, Ernest Johnson.

Class Poem Tillie Mjolsness

Athletic Activities

(Continued from page 3)

College team invaded Dacotah field with the firm resolution to gain revenge on Capt. Parizek's Aggies. Errors were numerous by both teams, but from the spectator's point of view the game was a blood curdler from beginning to end. The Aggies started the fireworks in the second inning by running Whiting, Steinhaus and Wolstad across the pan for three scores. In the first half of the third, though the hill men came back strong and two passes, two errors and a hit tallied by batting order. This he found rather difficult as all the Profs. wanted to bat first. Fortunately only nine of the faculty appeared so there was no bloodshed when it came to lining up the team on the field. Only eight of the Profs. wanted to pitch and Captain Tompkins finally had to make them draw lots to see who should be the lucky one. Darner drew the longest straw and Matthews got second choice. Bert Haskins drew the shortest straw and so he had to catch. Well, the game worried along for five innings, Davner pitching the first three and then being relieved by Matthews. The Sophs hit safely only twice, but the faculty infield was unable to agree and boots were numerous. In the

second innings Tompkins yanked Parrot after he had booted three chances and allowed the Sophs two scores. Householder was substituted—and seemingly the Sophs remembered their Trig as no more chances were offered him during the game.

Tompkins connected for three hits in three trips to the plate, but his teammates were unable to help him around. The faculty hit safely five times, the final score being 1 to 3. Since then they have not been on speaking terms with one another (the faculty) and a faculty meeting had to be postponed until fall for fear of a riot. Wisely they also neglected to show up for the alumni game.

(Note. Next year's athletic editor should be held responsible for this write up.)

MINUTES OF ATHLETIC BOARD.

June 1, 1914, 10 a. m.

Meeting called by Pres. Dynes. Members present—Abbott, Remington, Bjornson, Dynes, Kelly.

Motion made by Remington, that the following men recommended by the Coach, be awarded sweaters. Seconded by Bjornson:

Vego, Mikleson, track.
Gordon Stumpf, Track.
Devere Jensen, track.
Ray Bolsinger, track.
Ed Parizek, track. *baseball*
E. C. Whiting, baseball.
Lincoln Henson, baseball.
Peter Homme, baseball.
Ed Parizek, baseball.
Clarence Wolstad, baseball.
Elmer Steinhaus, baseball.
Ralph Caulkins, baseball.
J. Lee McConnell, baseball.
Elder Otis, baseball.
Canute Gullickson, baseball.

Moved by Bjornson that M. Bachman be presented a sweater as a token of appreciation for his work on the 1914 baseball team. Seconded by Abbott. Carried.

Motion made by Remington, that a committee be appointed by the President to make a report at first board meeting in the fall regarding Johnson's bill. Seconded by Kelly. Carried. Haskins and Remington appointed.

Moved by Remington, that the Athletic Board disapprove of the use of any insignia containing the College letters, by any student or student organization, unless such insignia shall have first been approved by the Athletic Board. That a copy of the above motion be submitted to the Student Council and to the faculty. Seconded by Bjornson. Carried.

Motion made and seconded to adjourn.

LLOYD E. KELLY,
Temporary Secretary.

U. N. WIN DUAL MEET

SCORE 81-43—JENSEN SETS NEW STATE RECORD IN HIGH JUMP—MIKKLESON AND BOLSINGER STAR FOR AGGIES—DAHL FOR THE U.

On Saturday, May 23, the U. N. D. track team visited the A. C. and incidentally took back with them the majority of the number of points which it is customary to give away at a track. The day before the meet Coach Wood of the Aggies said: "We will be lucky to get 32 points," to prove that the Coach is a conservative guesser just notice that the Aggies totaled 43 points. The material which Coach Wood has had to work with, has been to say the least rather slim, and the showing made by the A. C. was highly satisfactory to all. Bolsinger gathered in a total of 13 points for the A. C. and Mikkleson grabbed two firsts for ten points, J. Devere Jensen, the human flea, broke the state record for the high jump when he attained an elevation of 5 feet 7 7-8 inches above the level of mother earth.

The A. C. men were unable to run the relay so the U. team ran alone against time, making the half mile in 1:36 flat. Following is the events and winners:

120-Yard Hurdles—First, Dahl (U.) Time, 18 minutes 2-5 seconds; second, Nollman (U.)

Shot Put—First, Niles (U.), 35 feet, 8 5-8 inches; second Bolsinger (A. C.); third Dahl (U.)

Mile Run—First, Gustafson (U.) Time 4 minutes, 55 2-5 seconds; Ziphoy (U); third, Chittick (U) tied Scholsser (U) and Bolsinger (A. C.) 9 feet 10 inches; third, tied, Nollman (U), McKay (U).

100-Yard Dash—First, Dahl (U.) Time 10 1-5 seconds; second, Joos (U); third Bolsinger (A. C.)

440-Yard Dash—First, Owen (U.) Time, 53 4-5 seconds; second, McFadden (U.); third, Goodman (U.)

Discus—First, Mikkleson (A. C.) 110 feet, 3 3-4 inches; second, Cook (U.); third, Niles (U.)

220-Yard Dash—Dahl (U.) Time, 23 3-5 seconds; second, Joos (U.); third, Porter (A. C.)

Hammer Throw—First, Mikkleson (A. C.), 117 feet, 11 1-2 inches; second Rohwedder (U.); third, Niles (U.)

Half-Mile Run—First, Goodman (U.) Time, 2 minutes, 9 seconds; second, McFadden (U.); third, Chittick (U.)

220 Low Hurdles—First, Bolsinger (A. C.) Time, 28 3-5 seconds; second, Porter (A. C.); third, Nollman (U.)

High Jump—First, Jensen (A. C.), 5 feet 7 7-8 inches; second, Schlosser (U.); third R. Nollmann (U.)

Two Mile Run—Steumpf (A. C.) Time 11 minutes, 24 seconds; second, Gustafson (U.); third, Richardson (U.)

Broad Jump—First, Parizek (A. C.) 20 feet 5 1-2 inches; second, Cook (U.); third, Barchus (A. C.)

The feature of the meet was the new record in the half mile relay, set by the university quartet, running against time. The A. C. did not enter a team in this event, being weak in the sprinting department, so the varsity ran without competition, setting a new time for half-mile at 1 minute 36 seconds. The former record was 1:39, three seconds slower than the new mark, which was made on a decidedly slow track. Considering the condition of the cinders at the A. C. which were loose, even on the straightaway, some good time was made, although every event was run under what the men had made on university field here. Dahl run the 100-yard dash in 10:2; but he has made it here in 10 flat.

Hamline Captures Conference Meet

U. N. D. TAKES SECOND—CARLETON THIRD—N. D. A. C. TAKES SIXTH PLACE—MADE GOOD SHOWING FOR COLLEGE, HOWEVER.

On Wednesday, May 27th, the track team consisting of Mikkleson, Jensen, Barchus, Billing and Stumpf accompanied by Coach Wood, left for Huron, S. D., to take part in the Minnesota-Dakota Conference Track Meet. The team made a better showing than any track team that the A. C. has ever before sent to the meet. Only two of the A. C. men placed. They were Mikkleson, who took first place in the hammer throw and second in the discus, and Jensen who caught first in the high jump. Anderson of Hamline, Quigley of South Dakota and Mikkleson of the A. C. were the high individual point winners for their respective teams.

The following is the order of events and winners:

High Hurdles—Anderson, Hamline; Quigley, South Dakota; Brown, Yankton; Commy, St. Thomas. Time, 16 2-5.

100-Yard—Grays, Hamline; Cass, Wesleyan; Augley, South Dakota; Markey, Huron. Time :10. (record.)

Quarter-Mile—Anderson, Hamline; Owen, North Dakota; R. Willy, South Dakota; Crays, Hamline. Time, :51 (record.)

Mile—Mackay, Carleton; Chittick, North Dakota; Olsen, South Dakota; Heneman, Hamline. Time, 4:41 2-5.

220-Yard dash—Quigley, South Dakota; Ballentine, Hamline, tied for first; Herrmann, Hamline; Cass, Wesleyan. Time, :22 (record.)

Half-mile—Lynch, South Dakota state; Lewis, Yankton; Mackay, Carleton; Robinson, Yankton. Time, 2:03 1-5. (record.)

Low Hurdles—Anderson, Hamline; Quigley, South Dakota; Day, Carle-

Raise Bigger Crops By Tractor Farming

Plowing at the right time and the right depth more than doubled the crop and increased the profit per acre from \$3.35 to \$16.87 or more than twice as much. The Kansas State Agricultural College proved this by experiments extending over three years.

Farmers long ago learned that plowing

deep and at the right time paid big profits but the question was how to do it. Horses and mules are too slow. And you pull the life right out of them if you set your plows deep.

Tractor power has solved the problem. Hot weather doesn't bother a tractor. Hard ground doesn't stop it. It needs neither rest nor sleep. Many Avery Tractor owners plow night and day. With an Avery Tractor you can do all your work in the right way at the right time, which means bigger crops.

AVERY ONE-MAN-OUTFITS

"Light-Weight" Tractors and "Self-Lift" PLOWS

Letters from hundreds of farmers prove that Avery Tractor Farming is cheaper than horse or mule farming.

One big reason for the success of Avery Tractors is that they are the lightest-weight tractors built, considering their draw bar pull. No useless dead weight to waste power and fuel.

You can run an Avery Outfit alone. No plowman needed—save his board and wages.

Avery Tractors are built in five sizes—

from a small 8-16 H. P. to a large 40-80 H. P. Pull from 2 to 10 plows. You can do Tractor Farming with an Avery on any size farm—large, medium or small.

Learn All About Tractor Farming With Avery Outfits

Write for Avery Selling Plan—low prices—strong guarantees—sold on approval plan. All backed up by a big, successful company. Our new book "Tractor Farming" tells how and why to farm with Tractor Power. Our 1914 catalog of Avery Tractors and Plows tells all about how they are built and what they will do. Write for both—mailed FREE. Address—

Try This Outfit On Your Own Farm

If it doesn't do the work, it's our outfit, not yours. We sell Avery Tractors and Plows on approval.

We don't want any man to keep on farming with horses or mules because he doubts Tractor Farming.

So we offer to prove Tractor Farming with Avery Outfits—on your own farm.

We can make this proposition safely because we have behind us the experience of thousands of farmers who are today making big successes with Avery Outfits.

AVERY ONE-MAN-OUTFITS

"Light-Weight" Tractors and "Self-Lift" PLOWS

One Avery owner writes—"I bought the tractor so my boys could farm the new way as I expect there will be as much change in a few years as there was from the old reapers to the binders."

He's absolutely right. Tractor power is cheaper than horse or mule power. Tractor Farming also means bigger crops.

You can run an Avery Outfit all alone. The Avery plow is a "Self-Lift." Pull a cord at the end of the furrow. Power from the plow wheel raises or lowers the plows.

Avery Tractors are the lightest-weight

tractors considering their draw bar pull. They don't waste fuel or power. They don't pack the ground to injure crops. The simplest tractors built.

Five sizes—8-16 to 40-80 H. P. They fit any size farm—large, medium or small.

Learn About Tractor Farming and the Avery Sold on Approval Plan

Our new book "Tractor Farming" tells why and how to farm with tractor power. Our 1914 Tractor and Plow Catalog explains Avery Trial Plan, Low Prices, Strong Guarantees and Avery Construction.

Write, telling how many acres you farm and how many horses you use and get both books FREE. Address—

AVERY COMPANY, 2505 Iowa St., PEORIA, ILLINOIS

Also manufacturers of Avery Gas Farm Trucks, Undermounted Steam Traction Engines and "Yellow-Fellow" Grain Thrashers.

Edited by Joe Alexander.

HAIL VACATION!

Once more we may sleep late in the morning as if eight o'clock were a myth, and while away the hours with frivolous occupations that are forbidden fruit most of the school year. Here we are with three whole months on our hands. What will we do with them? We have heard that time is money; let's see if we can spend a fortune in three months.

We hear now and then of a newly budded senior who is going to write reams on his thesis or of an equally recent junior who firmly vows that she will do all of that outside reading; but we are glad that they constitute a meager minority, and we hope that their resolutions are not followed. It is VACATION; take life easy and cultivate an "I should worry" smile. You'll find it will come in handy when we trim Fargo College next fall.

The summer is not a season that makes us want to hustle and rush around; instead, a certain solemnity, a desire to forget feverish activities and relax into absolute tranquility characterizes this time. Benefit by the atmosphere of complete relaxation, eat three real home cooked meals a day and let troubles take care of themselves. Enjoy the fresh air and the sunshine,— but don't neglect the moon-light evenings! We will have four full moons before September 16th; use them to the best advantage.

EPITAPH.

We met old Fargo College;
we hate to tell of her fate;—
How our team beat her twice at
the national game,—
How the "Two Bit Club" won at
the gate.

We hear there was some criticism,
we hear that we went too far
With the yells that we yelled and the
songs that we sang
As we toured around town in the car.

But we did it all in good humor,
With malicious aforethought to none,
Just to show our true-blue college
spirit;—
Just to have a bit innocent fun.

Let's show "Watty" we hold no
grudge, fellows,
Let's wish luck to the "Revs." on the
Hill,
Let's hope that their team is a
"bear" next fall;—
(We know ours will be better still!).

Not that we wish to change the
subject, but how did you come out
in your exams? That's good.

We hear that "Boob" Abbott is
engulfed in deep gloom because our
high jumping fellow student Devere
beat him by three points in Animal
Husbandry. Hard luck "Boob".

THE BEST EVER.

Except for the writeup it received
in the "Courier-News", "Sitting Bull-
Custer" was a complete success. We
believe that the theatrical critic of
the above mentioned impartial(?)
sheet saw the play over the tele-
phone,— and long-distance 'phone
at that,— to judge from the report
published. But the large audience
was perfectly satisfied so why evince
further anxiety.

Bill Arvold as Sitting Bull carried
the leading part in a way that was
perfectly satisfactory to all. The
only thing we have against Vernon
is that he will not be here to gradu-
ate with the class of '15 next year;
we could use him nicely.

Dave Sonquist as Fool Mink kept
the crowd in an uproar with his
witty verses and his clever mimicry
of Sitting Bull.

Laura Taylor interpreted the past
Winona with ease, even with her
sore elbow. We hope you outgrow
the injury, Laura.

George Gustafson successfully
withstood the strain. Gus deserves
due credit for his display of nerve
while playing the part of the dead
Indian. We recall that the first
time Laura Taylor fainted in re-
hearsal she almost annihilated Gus.

But for lack of space we would
like to mention every player individ-
ually, because we realize it is fully
deserved. It would be unfair to
overlook Bollerud, the original cigar
store Indian, and Sands, the spec-
tacular bareback rider, however.

FINALE.

Goodbye everybody. Hope you
have a pleasant vacation.

girls enjoyed the novelty of waiting
on the tables very much for the one
evening. It was a grand success and
the waiters enjoyed themselves very
much.

The election of President of the
Student Government Association took
place, Tuesday evening which result-
ed with the election of Miss Elsie
Stark. She will assume her duties
at the opening of the following
school year.

The members of the "Crya Gram-
ma Sigh Eta Beta Py" entertained
at a Spook party for the members
and pledges of the Chi Gamma Psi
living at the hall in room 55 of the
hospital section. Hostesses were
dressed as ghosts and the guests
responded in garments suitable to
the occasion. Dainty refreshments
were served consisting of sand-
wiches, fruit salad, wafers, ice
cream (?) and grape juice. The
party very suddenly broke up at half
past eleven and departed to their
rooms in some haste. Each one ex-
pressed having spent a very pleasant
evening.

Misses Mary Dolve and Beatrice
Alm, last year's graduates are visit-
ing the girls at the hall. It seems
nice to see them about the campus
again.

Miss Louise Poland of Dickinson
a former student at the A. C. arrived
Saturday morning. The girls were
very glad to have Louise with them
again for it seems like old times.

The Y. W. C. A. girls gave a pic-
nic south of Oak Grove Thursday
evening. There were about fifty
present, the guest of honor being
the Misses Jensen, Stoner and Had-
ley. A very fine supper was served
and it was fully enjoyed by those
present.

The girls from the East corridor
gave a slumber party to themselves
on the kitchen roof Saturday eve-
ning. They moved their beds out
and about eleven o'clock they
moved out. It looked as if the De-
mons were out. They reported a
very good night's sleep. In the morn-
ing they took their breakfast at
Oak Grove.

Miss Hildur Sorenson was oper-
ated on at St. John's Hospital
Saturday morning. At last reports
Hildur was doing very nicely. We
regret that she will not be able to
take part in the graduation program,
but we hope after her recovery she
will feel well repayed for undergoing
the operation.

CLASS DAY PROGRAM WELL AT- TENDED — INTERESTING DEMONSTRATIONS.

The Monday morning program
which was staged by the Senior
class was well attended by friends
of the class. The program was open-
ed by the ever welcome quartette
who sang the selection from Ernani,
receiving the usual applause that
greets this number. Following the
quartette, David Sonquist gave a
brief address of welcome to all pres-
ent.

Miss Grace Radford then gave the
class history which recited the do-
ings of the class of 1914 since they
entered the school. She included in
this a brief outline of the history of
the school which was very interest-
ing.

The war-hatchet was presented to
the class of 1915 by Miss Bertha
Camp, who in a very witty speech
presented the weapon to the Junior
representative. Miss Gunhild Gil-
bertson, in accepting the hatchet for
the class of 1915, promised to pass
it on to the next class. She answer-
ed some remarks, that had been
made concerning her class, in a very
amusing way.

The class poem, presented by Miss
Maude Stewart, was a surprise in
that it did not, according to custom,
devote itself to lauding the class of
1914, but presented in a number of
well polished verses, the story of the
Indian race whose history was to be
presented that evening in the great
play.

The demonstrations which follow-
ed were very interesting to many.
Mr. Gustafson, representing the De-
partment of Agriculture, gave an
able discussion of the more common
disease of the Irish potato. He was
followed by Mr. Yerrington who
talked on bacteria, giving the sizes
and number in the more common
foodstuffs and water. The gasps of
amazement that came from the
crowd at some of the figures invari-
ably broke up in a roar of laughter.
Clifford Schroeder, of the Chemical
Department, performed several
striking experiments, most of them
with oxygen.

The morning's program was clos-
ed by the girls from the Home Eco-
nomics, Misses Shelton, Tibert,
Erickson and Cox, who prepared an
appetizing picnic lunch for the bene-
fit of the audience—but the audi-
ence didn't get any—only an appe-
tite from watching the demonstra-
tion.

CERES HALL

Mrs. Gilbert gave a surprise din-
ner to her waiters, Thursday even-
ing at six o'clock. The table was
very prettily decorated with pink
carnations and plates were laid for
eight. Eight of the young ladies of
the Hall served that evening, being
the following: as Head waitress El-
sie Stark; then were Mable Ewen,
Luella Nelson, Ruth Olson, Olivia
Wild, Peterson and McLeod. The

Summer Conference

Plans Being Perfected for Meeting at Lake Geneva, Wis.

A. C.'s delegation of men for Lake Geneva, Wis., where the College Department of the Young Men's Christian Association has its annual Summer Conference, is now making final preparations for the trip. The men from U. N. D. and Fargo College and Jamestown College will join with the A. C. delegation at Fargo and go down to the Lake, together as a party. From Minneapolis the North Dakota crowd will have a special Tourist Ullman car straight through to Harvard, Ill., the nearest station to Lake Geneva.

At this conference will be presented, not only the claims of the College Y. M. C. A. work upon the lives of our students who are interested in such things, but the great fundamental principles upon which any life work ought to be chosen and followed out. Among the leaders at Geneva this year, will be John Timothy Stone, the great minister from the Fourth Presbyterian church of Chicago; Robert E. Speer, one of the strongest leaders of Student religious work in the world; Raymond Robins, the well-known social and labor leader of Chicago; Bishop Wm. F. McDowell, who has given his messages to the Conference for twenty sessions; and many others well up in the social and religious work of the nation. Mr. L. P. Moore of Chicago will be the presiding officer at the Conference. About twelve A. C. men will make the trip. On June 11 the men will leave Fargo.

NOTICE.

Since the appearance of the Agassiz our attention has been called to an error, on our part, in publishing the results of the inter-class basketball series, and we are hoping that will in a measure make amends for our oversight.

As it is known the results of the schedule of games, as per percentage of games won and lost, resulted in a victory for the sophomores. However, in our writeup we have failed to credit the farm husbandry boys a victory over this team. This does not materially change the positions of the teams, however, the "sophs" still being highest in games won, and by virtue of their victory over the freshmen, the final percentages are Sophomores 800; Freshmen 666; Farm Husbandry and Seniors 500 each, the other teams remaining the same.

With all due apologies to the Farm Husbandry boys who defeated both the highest teams.

BOARD OF EDITORS,
1915 Agassiz.

ENGINEERING ALUMNI NEWS.

LeRoy Gifford, C. E. 1911, is now located at Manhattan Beach, California, as Asst. City Engineer. They have under construction several miles of asphalt pavement and two miles of reinforced concrete bulkhead and pormenade on the ocean front.

While in college Mr. Gifford was active in college affairs, being among other things, a member of the Lyceum of Engineers, Athenian Literary Society; took part in the inter-collegiate debate in 1911; was editor of the Spectrum 1909-1910 and President of the Studnet Council 1910-1911.

Robert Lembecke, C. E., 1910, is still in Winnipeg as Superintendent for the Gullbault Co. Ltd., general contractors. After leaving college, Mr. Lembecke was for a time with the Morgan Engineering Co., of Memphis, Tennessee. The Morgan Company has recently made an extensive report on flood protection in Ohio which has received much favorable comment from the engineering periodicals.

FINANCIAL STATEMENT

of the Young Men's Christian Association, North Dakota Agricultural College, for the period April 3, 1913 to April 1, 1914.

Alpha Mu Convention

Local Fraternity Holds a Decennial Convention During Commencement.

The Alpha Mu Fraternity will wind up their first Decennial Convention this evening in the Agricultural College Armory when about fifty members of the organization will participate in a dancing party with their lady friends. A great many of the old members are back with the boys and it certainly seems good to see so many of the old fellows back again.

The Convention started Monday evening when the fellows gathered at the Fraternity House. Tuesday was a big day for them and in the afternoon their big convention meeting was held at which Dean Keene was the principal speaker. A number of other short addresses were made telling of the doings of the fraternity for the past that the older men who have been away and also of the plans the fraternity has laid out for the future.

Immediately following this meeting an auto tour was taken over the city and surrounding country and then they all returned to the Fraternity House for the evening. Most of the members took in the Alumni Ball last evening.

This morning early the members went into session in a big business meeting which was continued over until the afternoon and wound up with a big banquet at six o'clock which was held at the Fraternity House on Eleventh avenue. The final wind up comes tonight when the members with their lady friend will meet for an evening's good time. Some of the old fellows who are back are: Leonard Wirtenberger, Polly Foss, Ham Greene, John Swenson, Leo Nemzek, Claire Parker, Harry Carpenter, Rufus Lee, Roy Cook, Howard Simmons, Glenn Livingood, Edgar Olson, Arthur South, Elmer May, Dave Lofthouse, Lee Wheeler, Eric Martinson.

Canta Pleases Audience

Exceptional Chorus and Solo Work. Rest of Program Very Well Received.

The program was opened by the Overture from the Poet and Peasant which was well rendered. It was followed by a piano quartette, the Overture zu Rosamunde by Schubert.

The Mens' Glee Club then gave two songs, which met with a demand for an encore which was not responded to. The call for an encore was probably the result of the way in which they sang Stevenson's Crossing the Bar.

The Serenade d' Amour was then given by the Orchestra and they were forced to respond to an encore. The most striking thing in this selection was the splendid imitation of chimes which was handled by the piano alone. These were so excellent that many people refused to believe that it was done on the piano.

The second piano quartette was a rendition of the stirring Overture de Tannhauser, containing the ever-popular Pilgrim's song.

The Treble Clef Club gave two songs: "A Coon Hush" and "The Vine Gatherers." The last number brought an enthusiastic request for an encore.

The Two Melodiques by Miss Katharine York were very successful, especially the one entitled "Country Sleighing." Strenuous attempts to force Miss York to respond to an encore brought nothing more satisfying than a bow as acknowledgement.

The cantata, "The Wreck of the Hesperus," was the last number on the program and was a fitting close for such a series of excellent numbers. The descriptive orchestra accompaniment which followed throughout the entire cantata is worthy of special mention, for it aided the impressiveness of the work very much. The two opening choruses were very good and were sung with a swing and vim that added much to the natural beauty of

the music. Mr. Porter opened the solo work and was followed by Mr. Songquist who did excellent work in this as well as in his later solo work.

Several descriptive verses followed in which the music and orchestra gave a fine impression of the fury of the storm. Miss Grasse and Mr. Songquist sang the responsive solos describing the death of the captain, and Miss Crothers did some exceptionally good work in the last solo in the cantata. The whole closed with a magnificent chorus by the entire body of singers.

Taking the entire program as a whole, it was one of the best that was ever presented to an A. C. audience.

The high school banquet which was given by the A. C. high school graduates to the Seniors of Moorhead Normal and Fargo at the hall Saturday evening was a great success. A twenty piece orchestra played during the banquet. The tables were beautifully decorated with carnations and plates were laid for two hundred. After the banquet toasts were given and pictures were thrown onto a screen in the back of the dining room.

"Smiles" rescued it and took it to the library, where it was recovered by the owner.
