Fargo Wins Undisputed State Championship

Twenty-five Graduates from Industrial Courses

Dean Davenport To Deliver Main Address

SPEAKER AT THE INDUSTRIAL COURSE COMMENCEMENT, MARCH SIXTEENTH.

Dean Davenport

The main address of the industrial commencement for 1914 will be made by Dean Davenport, of the University of Illinois. Obtaining his B. S. degree in 1878 Dean Davenport has spent his life in the pursuit of agriculture acting as farmer student and teacher. Taking his elementary work in a small school in Woodland Township, Michigan, later graduating from the Michigan School of Agriculture in 1878. Going back to the farm and working in the occupation of farmer for ten years, returning to Michigan A. C., as Professor of Agriculture, remaining there for two years.

In 1891 Dean Davenport went to San Paula, Brazil, South America where he became the director of the Agricultural College.

Returning to America in 1892 he became affiliated with the Illinois Agricultural School in the position of Dean which he has ever since held.

Dean Davenport is known throughout the Agricultural world for his various text-books written at different times, among these are his books on "Principles of Breeding," "Education for Efficiency" and his book on "Domesticated Animals and Plants."

Many plans are being made for the entertainment of the Dean while in the city, on the noon of the sixteenth the Illinois Alumni will entertain him at dinner in Ceres hall.

Twenty-five students representing twenty-five different communities in the state of North Dakota, will receive certificates of completion at THE TENTH ANNUAL INDUSTRIAL Course Commencement to be held at the N. D. Agricultural College, Monday, March 16, nineteen-fourteen. Twelve of the students will finish the farm husbandry class, three the Home Makers Course and ten the Power Machinery Course. The object of the farm Husbandry course is to give the young men who take it a

tific agriculture. Ninety-five per cent of the students who have completed this course in the last ten years have returned to the farms and become vital forces in building up a better North Dakota agriculture. Three young ladies will complete the Home Makers' course. The good practical knowledge of science purpose of this course is as the name implies, to make better Home-Makers—something modern society is in dire need for the present. Ten of the twenty-five students will finish the Power Machinery course. The function of this course is two-fold, namely, to prepare young men to take charge of power plants in various towns and cities of North Dakota and to acquaint them with the mechanism and management of all kinds of power machinery. While this course is new in a great many respects, its possibilities are infinite as evidenced by those who have already finished it. The young men and women who take these three different courses at the Agricultural college, are among the best students in the institution. They not only manifest an intense interest in their work but also take an active part in college life. All these three courses are three years in length, the students spending five months each year.

One of the interesting features in connection with the commencement program this year will be the address of Eugene Davenport, Dean of the College of Agriculture, University of Illinois. Dean Davenport's work in Illinois has given him an international reputation. The program of the commencement is as follows. All friends of the institution are invited to attend them.

CLASS DAY EXERCISES.

Monday, March 16th, 1914 at the Little Country Theatre.

Part One. 2:30 P. M.

Music Selected
President's Address
..... Richard Arnason
The Yellow and The Green Class

Part Two.

Demonstrations.
The Story of Well Made Bread by a Well Bred Maid
..... Eunice Whitcomb
Representing the Home Makers' Course.
Gas Producers Bert Spohn
Representing the Power Machinery.
How to Manage a Farm
..... George Mehl
Representing the Farm Husbandry Course.
Music Selected

Part Three.

Cherry Tree Farm, A One Act Comedy.
Cast of Characters.
Jack Drummond Hugh Brown
Mr. Richard Portlock (His uncle, a Solicitor aged 45)
..... Leighton Joiner
Stephen Springrove (a farmer, aged 76) Morton Sherdahl
Daisy Springrove (his granddaughter) Lillie Hofstrand
Mabel Ashton Helma Halvorsen
Commencement Dinner, Ceres Hall, 6 o'clock.

For guests of honor, graduates, alumni, parents and relatives.

Toasts by Omar Mockler, Harry
(Continued on page four)

It's Yours If You Want It?

BOY'S DORMITORY TO BE HAD FOR THE ASKING—WILL YOU ASK FOR IT?

Some time ago a campaign was started for a Boy's Dormitory at the Agricultural College and this campaign has progressed as rapidly and successfully as was expected. But now we want to wind up the whole affair and have all of our funds on hand next fall so that work may be commenced the following spring upon the building.

Think of it fellows, you who are Sophomores now will be at the school when the Boy's Dormitory is built, the present Juniors and Seniors will not be here to see this memorial hall to the farmers of the state erected, but they are working for it nevertheless.

According to the plan outlined, we want every student of the Agricultural college to consider it his duty to secure fifty bushels of wheat this summer. There are 1000 students. If each one of these secures fifty bushels of wheat, that will mean that we will have fifty thousand bushels of wheat on hand by next fall and the following spring the Bushel of Wheat Dormitory can be built. It is a simple matter to persuade two of your neighbors to give 25 bushels apiece or five of your neighbors to give 10 bushels apiece, and then you will have secured a Dormitory for the college. You have five long months to do the work in. Will you do it for your college? Think of what the Agricultural college does for you every day and then you will not need to ponder upon whether or not you should do this work, for your conscience will tell you immediately to go ahead.

Now, what we want you to do is this. Get a supply of Boys' Dormitory Literature before you go home this spring. Then when you reach your community, you will act as the special representative of the Boys' Dormitory Committee and boost the proposition for all that is in you. We do not want the actual wheat sent to the Committee, but what we do want is the farmers' promise to pay us the price of one or more bushels of wheat, as he pledges, so that we can collect that sum from his local bank. So get him to sign the card, that is the Boys' Dormitory post card, then after you get a number of them signed up, put them in an envelope and send them to the Boys' Dormitory Committee at the college. If the farmer you visit wishes to pay cash, rather than have you call on his bank, why take the money, give him a receipt and send the money to S. S. Lyons of the Merchants National Bank of Fargo and he will immediately send you a receipt for the amount, which will protect you.

When you start on this work this summer think of what such a dormitory would have meant to you, or to your fellow student. Now don't neglect this matter, but make it a point to first get a supply of the literature from President Worst's office before you leave for home. A little work on your part may save your best friend's or your younger brother's life, when they come to the college two years from now. Is it worth while?

SAY?

Say, before you go home, don't forget to call at President's Worst's office and get a supply of Boy's Dormitory literature to hand around to your neighbors.

Final Game Between Fargo and Minot Goes To Midgets

Minot Display Excellent Floor and Teamwork. Fargo Guards Closely and Shows Strong Individual Work. Hayes and Frank Star for Minot. Hale and Thompson for Fargo

By defeating the Minot high school quint last Friday night, the Fargo High won the undisputed high school championship of North Dakota. Fargo and Minot were the final contenders, having respectively defeated Grand Forks and Dickinson the night before.

The game was fast and furious from the first whistle to the last, being featured by excellent teamwork and passing by the Minot team and close guarding and brilliant basket shooting by Fargo. Both teams played hard and extended themselves to the utmost limit. The floorwork of the Minot team was almost sensational. They were hard, fierce passers, and remarkably good on the dribble, their principal weakness being on the defense, especially against Fargo's out-of-bound plays. Fargo proved to be exceptionally strong on defensive work and shot baskets from any angle. They were plainly the stronger team in these two departments of the game. Hale was the individual star for the Fargo team, both Hines and Thomson also played a stellar game. For Minot, Hayes and Frank showed up to the best advantage. Hayes proved himself to be one of the cleverest forwards seen at the tournament. He is a hard player, keeps after the ball consistently, dangerous when left uncovered, and a clever dodger. Frank held Hines, the fast Fargo forward to one basket.

The Game

Neither team was able to score during the first few minutes of play. The work of both teams was fast and characterized by close guarding. Fargo fouled, but Smallwood missed goal. Fargo fouled again and Smallwood counted for the first score of the game. Again for several minutes the work was fast and furious. Minot would dribble down the length of the floor, but the Fargo guards kept them well covered. Minot fouled, but Hale missed goal. Thomson of Fargo got away for a field basket, putting Fargo one to the good. Hale of Fargo scored from the field. Foul on Fargo, but Smallwood missed goal. Hayes scored a beauty for Minot. Foul on Fargo, and Smallwood converted it into a point. Fargo shot of a dribble and the basket did not count. Foul on Fargo was made good by Smallwood. Hayes scored again for Minot. Half ended. Minot, 7; Fargo, 6.

Second Half.

Johnson of Minot started the sec-

ond half by scoring a field goal, putting Minot three points to the good. Foul on Minot was counted by Hale. Melchior broke into the scoring column with a field basket. Smallwood got a jolt in the nose and time was called until it stopped bleeding. Play was resumed and Hale scored again. Melchior speared another neat field basket. Hayes of Minot scored. Foul on Minot was made to count by Hale. Murray goes in for Melchior. Foul on Minot brought Fargo another point. Minot fouled again and Hale counted. Hale scored. Thomson of Minot broke into the scoring list with a field basket to his credit. Hale scores again. Thomson of Fargo scored. Double foul. Smallwood missed but Hale found the ring. Foul on Fargo, but Smallwood missed. Vandanover goes in for Johnson. Time out for Fargo. Game ended. Fargo, 21; Minot, 13.

Following is the lineup and summary:

Fargo—	—Minot
Hines..... rf	Johnson
.....	Vandanover
Melchior..... lf	Hayes
Murray.....	
Thomson..... c	Thomson
McLean..... lg	Frank
Hale..... rg	Smallwood

Field goals: Hale, 4; Hayes, 3; Thomson (Fargo), 2; Melchior, 2; Hines, 1; Johnson, 1; Thomson (Minot), 1. Fouls called, on Fargo, 9; Minot, 6. Free throws: Hale 3 out of 6; Smallwood, 3 out of 9. Referee, Wells; Umpire, Haskins; time-keeper, Woods; scorer, Peters.

Fargo high school by winning the state championship obtained the beautiful big silk banner given by the A. C. Athletic board. The banner is 3 by 4 feet and made of a double thickness of Skinner's silk, on the banner is printed Championship, North Dakota, Basket Ball, March 5 and 6, 1914. Won by Fargo.

On the bottom of the banner a fringe of gold leaf adds a rich and beautiful look to the banner which is of dark blue with gold letters. To each member of the winning squad a gold basket ball was given, which are three-quarters of an inch in diameter, having N. D. Basketball Championship engraved upon them.

The Fargo men awarded these gold balls were, Capt. Hines, Melchior, Hale, McLean, Thomson, Lawrence, Murray and Lane.

Dickinson Falls Before Minots Attack

GAME WAS HARD AND FAST—MINOT SUPERIOR IN WEIGHT AND TEAMWORK.

Minot's weight and size proved too great a handicap for Dickinson to overcome in the second game of the evening. Minot eliminated the other representative of the western section by a 30 to 19 count. The Dickinson team fought hard to the last, but was too light to hold its own

with the fast Minot aggregation.

First Half

Soules of Dickinson scored on shot from under the basket at end of four minutes of fast play. Johnson scored first for Minot on long shot. McCutcheon missed two free throws but Hastung followed with a long shot. Teams fought on equal terms; neither team could score. Thompson made two baskets in rapid succession, using his size and weight to good advantage. Vandanover broke into scoring column with a long shot from the side, and repeated with another from the middle

FAREWELL.

This issue being the last one to be edited by the present staff, I wish to take this opportunity of thanking the members of the staff for the many hours they have spent in gathering and compiling "dope" for the readers of the Weekly Spectrum.

In speaking for the staff, we have at all times tried to publish "news". We have tried to make the Weekly Spectrum a newspaper and not a magazine. Feeling that this organ is the only one at the college which publishes the everyday events, it is the only permanent record of events which we have to look back to, and for this reason we have given detail to many of the important events of the year, so that future classes might have a more complete record than is to be found elsewhere.

In other words, we have tried to give you the straight dope, please you and at the same time leave a permanent record of events. We have had our fling, farewell.

HIGH SCHOOL CHAMPIONSHIP

This is the first year in the history of High School Basketball in the state of North Dakota that the basketball championship has been satisfactorily decided. We believe that it is one of the best moves that the Agricultural college could possibly have made, because of the fact that for five years Minot has contended that they have had a better team than Fargo High School.

It is to be hoped however, that the schedules might be arranged differently next year among the schools so that the possibility of having two teams come together three times might be eliminated. This year Fargo had already defeated Grand Forks twice before the tournament. Maybe the games should be confined to schools within one section of the state until the tournament when all four sections would compete for final honors.

LAST ISSUE THIS TERM

This will be the last issue of the Weekly Spectrum this term. The date of the publication of the next issue will probably be March 31st, although a great deal will depend upon the new staff, which goes into office next term.

CERES HALL

The Piano in Ceres Parlor was tuned Thursday and the result is gratifying to all.

Miss Jessie Lommen has been assisting Miss Haggart in the "Gym" for the past few weeks.

A coffee Alathk was served to the Short Course Girls, Wednesday afternoon from 2:30 to 4:00 in the Model Dining Room. Miss Stoner's class in social observance had charge of the Alathk.

Do not forget the Gym exhibition at the Armory, Friday evening, March 13. Ladies only are invited to attend.

Y. W. C. A. will be led Tuesday evening by Mrs. Wolf.

Misses Knutson and Larson dined with Miss Helma Halverson, Thursday evening.

Misses Helma Halverson and Lilly Hofstrand and Oscar Hofstrand dined with Dr. and Mrs. Schalk on Thirteenth Street.

Mr. William Johnston of Forest River, on his way home from the Hot Springs, Ark., spent Sunday with his daughter, Myrtle.

Miss Cecile Manikowske was much improved this week. She is able to wear a smile now so we know she is approaching the point of being herself again, after her hard siege of sickness.

The Misses Hagen, Knutson, Weisbach, Bouten and Gertie Halland, all of whom were Short Course Girls, left the Hall last Friday for their after finishing

their term of school work.

George Gustafson and Bill Mendenhall judged Pies in Miss Jensen's cooking class, Tuesday. Ask the boys how they liked the Pies?

Miss Edith Quarve of Fessenden visited with Miss Jessie Lommen this week.

Misses Lena Honett and Mabel Leet entertained the Gamma Psi Sorority, Saturday afternoon. Very dainty refreshments were served consisting of potato salad, two kinds of sandwiches, pickles and olives, brick ice cream, wafers and coffee.

One of the rooms was converted into a Parlor which was decorated with red carnations and ferns. Here the guests were served and entertained.

Mr. Smith of Minneapolis spent the weekend with Miss Jessie Lommen.

Miss Maud Mample has been confined to her room this week due to sickness.

Miss Gladys Plath has been quite ill this week.

Miss Theresa Howland spent the week-end with her parents at Staples Minn.

A banquet given by the Society of Engineers was held in Ceres Dining Room, Tuesday evening at 8:30. A six-course banquet was served. This was followed by toasts by President Worst and Dean Keene.

"Gym" exhibition will be given next Friday evening at the Armory at 7:45, under the direction of the head of the Physical department. The various features will be light apparatus work, such as wands and

Pharmaceutical Chemistry - Civil Engineering - Mechanical Engineering - Agriculture - Chemistry General Science - Biology - Domestic Science - Education - Veterinary Science - Medicine and Surgery These courses are available to those who have completed the equivalent of a High School training. For those who have not had such a training

THE AGRICULTURAL AND MANUAL TRAINING HIGH SCHOOL OFFERS

Complete Secondary Courses in - Agricultural - Commercial - Domestic Science - Mechanic Arts General Science - Rural Teachers

SPECIAL COURSES

Farm Husbandry, Homemakers, Pharmacy, Commerce, Power Machinery; Special Courses are also offered A COMPLETE COMMERCIAL COURSE

Is offered all students and its work is so arranged that it may be carried in connection with the regular work of other courses.

THIS COLLEGE offers to the young people of this state an education which is thoroughly in line with modern thought and demands. It spends no time on the dead languages or such subjects as are of little practical value. It aims to fit young men and women who can think and investigate for themselves; who can deal with social, agricultural and industrial problems of the day.

THE LABORATORIES are thoroughly equipped, and the instructors are specialists in their lines. Exceptional advantages are offered in chemistry, physics, botany, zoology, literature, mathematics, and engineering subjects.

Graduates from approved High Schools are admitted to Freshman Class. Tuition Free. Board and Room \$4.00 to \$5.00 per week.

WRITE TO THE REGISTRAR FOR CIRCULARS, CATALOG, AND ADMISSION BLANKS.—FALL TERM BEGAN SEPTEMBER 15.

That Impulse to Spend

Steady your finances with an account in this bank. Deposit your funds as you receive them and pay all bills with check. This method enables you to plan your living with care and is a restraint upon the impulse to overspend.

Merchants Nat'l Bank

FARGO, N. D.

CAPITAL \$100,000.00

dumb-bells, free exercises, folk dancing in costumes, and a basketball game. All ladies invited to come.

Miss Liela Nelson celebrated her 19th birthday, Saturday afternoon, by entertaining the Misses Katherine and Rizpah Ladd, Myrtle Waechter of Fargo college, Isabelle Booth and Alice Tibert, in her room. A dainty luncheon consisting of fruit salad, sandwiches, brick ice cream, birthday cake and coffee was served.

Miss Edith Shelton, who was operated upon at St. John's hospital, Monday, was doing as nicely as possible at the last reports.

Mrs. Gilbert and the Misses Mabel Ewen, Edna Steedman and Elsie Stark attended the banquet given by Eastern Stars at the Masonic temple in honor of the Grand Worthy Matron, Mrs. Rusk. A reception was tendered to Mrs. Rusk first, and this was followed by a very elaborate banquet. The tables were beautifully decorated with flowers and candle holders filled with burning candles.

Miss Irene Haugberg received what might have proved to be a very serious wound on the head. While returning from the music hall she fell on a piece of ice which resulted in a deep gash to be cut in her head.

"How the Vote Was Won" will be put on at the Civic Centre next Friday evening by the Y. W. C. A.

The High School girls won the basketball game from the Homemakers last Saturday afternoon.

Mr. Henry Brown was on the sick list this past week.

The Second Year high school held a class meeting on last Wednesday noon. They voted on class colors, choosing olive green and white. The also appointed a motto committee as follows: Ethel Wright and Monroe Kirk.

Miss Anna Geddis' father visited her on Friday.

Anna Geddis spent last Sunday at her home in Grandin.

Now, look here. When you thresh your grain next fall spend five minutes' extra, clean up after a setting and send a dormitory to the Agricultural College. One bushel of wheat will do it.

St. Olaf Easy For Aggies

OLAF SCORE ONLY ONCE FROM FIELD. AGGIES GUARD CLOSE. FINAL SCORE 32 TO 5.

Last Saturday night the St. Olaf quint from Northfield, Minnesota, fell before the onslaught of Coach Wood's Aggies. The Northfield men showed the results of their trip and put up a rather poor exhibition especially in their guarding. Coach Wood made the statement after the game that the lop-sided score was due more to deterioration on St. Olaf's part than improvement on the part of his own men. The Aggies, however, put up a mighty good exhibition, and in all justice it must be said that St. Olaf put up a better argument than the score would indicate.

Engum, the St. Olaf captain, scored their only field basket and proved to be their fastest man. For the A. C., Harris, at his new position of guard, probably played the most brilliantly. His dribbling and work at handling the ball being noteworthy, while his guarding was also good. Captain Bolsinger played his usual fast game. He got away in fine shape, got the jump on his man the majority of the time, and followed the ball nicely. Wilcox showed his early season form again. His ankle has now quit bothering him and he is getting away in the same manner as he did during the early part of the season. He was the heavy score getter for the A. C., tallying ten points. MacQuillan played a good consistent game as is his wont. He guarded well, got into the passing in nice shape, and although he had hard luck with his basket shooting he managed to drop the sphere through the ring twice. McKee played a good game on the floor but was off form at shooting. O'Dell played a hard game after he went in and the same is true of Weston, Blix and Darrow. Darrow and Blix each counted once.

The Game.

The beginning of the game saw some fast work by both teams, and for the first four minutes of play neither side was able to score. Then Harris started the fireworks for the A. C. and a minute later Bolsinger followed suit. Foul on St. Olaf but Bolsinger missed. St. Olaf fouled again and Bolsinger counted. Bolsinger scored from the field. Wilcox scored. Harris dribbled through the entire St. Olaf team and scored. Bolsinger scored again. MacQuillan scored. McKee got a bad jolt in the nose and time had to be taken out until the blood stopped flowing. Wilcox scored a few seconds after play was resumed. Foul on the A. C. and Engum made it count for St. Olaf's first point. Harris scored. Foul on the A. C. but Engum missed. A. C. fouled again but no score. Harris scored a beauty from the side lines. Foul on the A. C. was converted into a point by Engum. Half ended, A. C., 21; St. Olaf, 2.

SPECTRUM ALL STATE HIGH SCHOOL TEAM

OFFICIALLY SELECTED BY SPECTRUM COMMITTEE CONSISTING OF COACH WOOD OF THE A. C., COACH WATKINS OF FARGO COLLEGE, COACH WELLS OF THE U. N. D., AND MANAGER HASKINS OF THE A. C.

Before the High School tournament The Spectrum made arrangements with Coach Wood of the A. C., Coach Watkins of Fargo College, Coach Wells of the U. N. D., and Manager Haskins of the A. C. to act as a committee in selecting an all state high school basket ball team. These men are all expert judges of the game and in a position to make an absolutely fair selection, which in their opinion would be the most nearly ideal combination.

The task of selecting such a team was by no means an easy one, and in order to have a fair representation the committee placed seven men, three guards, three forwards and one center.

Their selection was:

Forwards:—Hayes, Minot; Hines, Fargo; Jackson, Grand Forks.
Center—Thomson, Fargo.
Guards—Hale, Fargo; Ferguson, Grand Forks; Frank, Minot.

Hayes of Minot has undoubtedly got the call on one of the forward jobs. He is a fast, shifty player, a good passer and basket shooter, and probably the hardest worker that took part in the series.

The other forward job is between Hines of Fargo and Jackson of Grand Forks. However, Hines' showing in the Grand Frkks game gives him slightly the edge. He is the faster man of the two and just

as good a basket shooter. On passing it is a stand off between them. Jackson, though, has the most endurance and is a dangerous man at all times.

Thomson of Fargo gets the center position, because of his good defensive work and ability to get up in the air. Thomson of Minot was probably as good on the jump but he did not play the floor as well, neither on the defense nor the offense.

Hale of Fargo gets one of the guard berths. He is a hard, clean player and keeps his man well covered. His offensive work is very good and his passing, while not as good as Frank's of Minot, is nevertheless good.

The other guard position is between Ferguson of Grand Forks and Frank of Minot. It is so nearly a stand off between the two that it is exceedingly difficult to place one ahead of the other. They both guard their man closely and are clever at handling the ball.

Hartung of Dickinson is also entitled to some consideration. His work against Minot was very good. His basket shooting was classy, but he was not as good on the passing and floorwork.

Honorable mention is also due Smallwood and Vandenoever of Minot, McLean of Fargo, McCutcheon of Dickinson.

1914 FOOTBALL SCHEDULE

THE BEST IN YEARS—EIGHT GOOD GAMES — EXTENDED WESTERN TRIP.

The 1914 football schedule is practically completed. It is probably the best that any A. C. team has ever had and includes some of the best schools in the middle west. Four or probably five of the games will be played at home, and not until in November will the Aggies invade foreign territory. This will give the team a chance to develop much better than if the early games were away from home.

The first game away from home will be with the U. N. D. at Grand Forks on November 7th. On November 13th, they will play the U. of Montana at Missoula and on November 18th, either Gonyago University at Spokane or the Montana Aggies at Bozeman.

The Trip.

The trip will be the best that any North Dakota team has ever had. The U. of Montana is located at Missoula, one of the prettiest of the

older towns in the west, right in the foothills of the Rockies. Spokane, as we all know, is some 500 miles beyond that. This trip will be something for the players to look forward to and to work for.

The Schedule.

- October 3—Open. St. Cloud Normal, South Dakota State or Wahpeton Indians.
- October 10—School of Science at Dacotah Field.
- October 17—St. Thomas College at Dakota Field.
- October 24—Macalester at Dacotah Field.
- October 31—Fargo College at Dacotah Field.
- Nov. 7—U. N. D. at Grand Forks.
- Nov. 13—U. of Montana at Missoula, Mont.
- Nov. 18—Gonyago U. at Spokane or Montana Aggies at Bozeman, Mont.

With the second half O'Dell went in at McKee's foreword. MacQuillan scored after a long dribble. Wilcox scored. Foul on the A. C. was made good by Engum. Engum scored St. Olaf's only field basket. Wilcox scored. Foul on the A. C. no score. Blix goes in for MacQuillan and celebrates his advent by scoring a field goal. Darrow goes in for Wilcox. Foul on the A. C., no score. Weston goes in for Bolsinger. Foul on St. Olaf, but Harris missed goal. Three more fouls in rapid succession were called on St. Olaf and Harris made one count. Ruschly goes in for Quamme. Foul on St. Olaf. Harris missed goal, but Darrow tipped it in for a field goal. Foul on St. Olaf, but Harris missed goal. Game ended. A. C., 32; St. Olaf, 5.

Following is the line-up and summary:

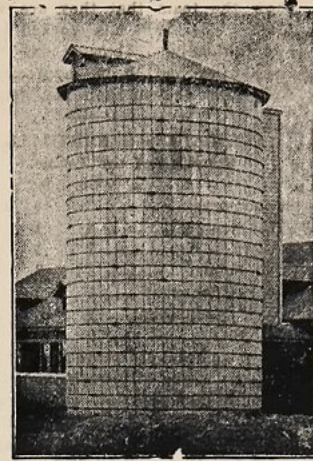

A. C.	St. Olaf
McKee, O'Dell	R. F. Engum (Capt.)
Wilcox,	Quamme
Darrow	L. F. Rusty
Bolsinger (Capt)	Berg
Weston	C.

MacQuillan Kalden
Blix R. G. Ruschly
Harris L. G. Tommersaan
Field goals: Wilcox 5, Bolsinger 3, Harris 3, MacQuillan 2, Darrow 1, Blix 1, Engum 1. Fouls: On St. Olaf 9, A. C., 7. Free throws. Engum 3 out of 7, Bolsinger 1 out of 3, Harris 1 out of 6.
Referee — Watkins. Umpire—Henderson.

Fargo Takes First Game From Forks

FAST AND HARD FOUGHT THROUGHOUT. CLOSE GUARDING FINAL SCORE 25 TO 17.

In the first game of the tournament Fargo put Grand Forks out of the running for the State Championship to the tune of 25 to 17. The game was fast, close and fiercely contested from the first tip off to the

final whistle. Fargo's greater accuracy on the basket proved the undoing of the boys from the Forks.

First Half.

Referee Wells called the teams together for final instructions. Thompson got first tip off and game started with a rush. Ferguson, Grand

Forks, broke up first Fargo play and the ball see-sawed back and forth across the floor. Teams fought on equal terms for eight minutes featured by close guarding and fast, hard passing before either team could score. Jackson, Grand Forks,

Athletic Activities

(Continued from page three)

put up the first marker with a long shot from the sidelines. Ferguson took out time. Play resumed. Fargo ran the ball down the floor and Hines made first score for Fargo as the result of fine teamwork. Foul called on Melchoir, holding. Knutfer missed free throw, but followed up shot and made basket. Hines evened up matters with hard shot. Teams played on even terms. Tie broken when Thompson scores for Fargo. Hines counted twice in rapid succession, one on a spectacular long shot. Grand Forks not equal to Fargo's speed. Hines fouled for pushing. Kneueffer failed on third free throw but Laughlin made basket from different angle. Fargo caught tripping. Kneueffer counted on free throw. McLean hurt and took out time. Resumed play. Ball in Fargo territory at end of half. Score first half, Fargo 10, Grand Forks 7.

Second Half.

Second period started with even more rush than first. Thompson scored after three minutes of play pretty one hand shot. Foul called on Melchoir. Kneueffer missed, and Kneueffer indulged in a little rough-and-tumble. Both ruled off floor by Referee. Jacobi substituted at center for Grand Forks and Helmke shifted to forward. Murray put in for Melchoir. Laughlin made field goal on first play. Spurt by Grand Forks resulted in another shot by Ferguson. Teams fight hard; play fast and furious. Helmke put his team in the lead with a basket resulting from good passing and pretty team work by Grand Forks. Murray brought the Fargo rooters to their feet with a sensational shot from the middle of the floor. Jackson made hardest basket of the game, shooting just as he was knocked off his feet and carried out of bonds. Took out time. Murray made free throw on foul by Ferguson, and tied up the count for the second time. Hines scored on long shot and broke the tie. Thompson followed with another. Hines made last basket of game while closely guarded, just as time was called.

Final score Fargo 25, Grand Forks 17.

Line-up and summary:
 Fargo Grand Forks.
 McLean, guard Laughlin, guard
 Hale, guard, Ferguson, guard
 Thompson, center Helmke, center
 Melchoir, forward Jackson, forward
 Hines, forward Kneueffer, forward
 Murray, substitute, Jacobi, substitute
 Field baskets: Fargo—Hines 6,
 Thompson 3, Murray 1 and McLean
 1; Grand Forks—Jackson 3, Laughlin
 2, Ferguson 1, Kneueffer 1 and
 Helmke 1. Free throws, Kneueffer
 1 out of 6, Murray 1 out of 3.
 Referee, Wells; umpire, Haskins;
 Timekeeper, Wood.

University Next Saturday Night

FINAL GAME ON THE AGGIE SCHEDULE AND WILL BE ONE OF THE BEST.

Next Saturday night Coach Wood will send his stingily attired artists out on the floor for the last time this season. The Aggies will stack up against the fast U. N. D. aggregation, who are coming down to invade the Aggie Camp with lowering looks and firm determination to send back a hunk of bacon to the they will repeat. Coach Wood is claims that the Aggies haven't any bacon to spare and is going to keep it all here or know the reason why the U. should have it.

The U. squad will be in the pink of condition and in full force, while the A. C. will have to compete without the services of Gulbrandson. This shoves Bolsinger to the center job., Harris to guard and either McKee or O'Dell to his forward, this combination, however, showed its ability against St. Olaf last Saturday night and here's hoping that they will repeat. Coach Wood is giving his squad a final grooming this week and hopes to have them in the best condition possible by Saturday.

This is the last chance to see the

old gang work together this year and everyone should turn out and show the team that they are with them. The team has worked hard and faithfully. Show them that their work has been appreciated. Help them to win their last game.

INTERCLASS BASKETBALL. Standing of the Teams.

	Won	Lost	Pct
Sophomores	3	0	1000
Freshmen	4	1	800
Seniors	1	1	500
High School	2	3	400
Farm Husbandry	1	2	333
Power Machinery	1	3	250
Juniors	0	2	000

Two games were played in the Interclass League last week, and some rather sudden surprises were sprung. Neither game went the way that the critics anticipated and our mathematician had to do some tall figure juggling in order to rearrange the percentage column. The Seniors threw away their caps and gowns and settled down to play real basketball. The deadening effects of Qualification and Botany have evidently begun to tell on the Freshies and their place in the percentage column was greedily grabbed by the Sophs.

Seniors 9—High School 8.

On Monday night the Seniors surprised the world and themselves by defeating the High School in a fast and hotly contested game by a score of 9 to 8. Dutch and Rube are still telling people how they turned the trick and dare daily expecting a call to the Varsity. Ostby, however, scored 7 of the Senior's 9 points.

Farm Husbandry 17, Freshmen 8.

The same evening a cloud obscured the Freshies' visions of an undefeated championship. The Farm Husbandry bunch shaking the clinkers out of them to the tune of 17 to 8. During the first half the Freshies had easily the best of the argument and "Coach" O'Dell chewed Yucatan in a very self-satisfied manner. During the first part of the second half the Freshies continued their good work, but towards the end of the period things began to happen. O'Dell lost his gum, Dodds his temper and the Freshies the game. Armstrong starred for the winners.

DICKINSON FALLS BEFORE MINOT'S ATTACK

(Continued from page one)

of the floor. Frank of Minot broke up Dickinson plays before they were well started. His close guarding and blocking made it hard for the Dickinson forwards. Foul on Johnson for holding. McCutcheon missed free throw. Minot uses short, fast passes to good advantage. Thompson and Johnson scored in rapid succession. McCutcheon made free throw and followed it with a pretty shot. McCutcheon's playing stands out over that of his team mates. Vandover got away for easy basket. Hastung dropped in a long one-handed shot while closely guarded. Vandover again broke away from his guard and made an easy basket at close range. McCutcheon made two free throws resulting from fouls on Smallwood for holding.

Score, first half, Minot, 22; Dickinson, 11.

Second Half

Second period started with hard, even fight for five minutes. McCutcheon first to score on long shot. Repeated immediately with another from hard angle. Dribbling by Smallwood and Frank feature, hard fight ending in a basket by Frank. Vandover counted on another shot at close range. Hastung completed pretty team play by Dickinson and scored. Hayes substituted for Johnson. Dickinson missed easy baskets. Hastung made hard shot on third attempt. Hayes made last basket of game.

Final score: Minot, 30; Dickinson, 19.

Lineup and summary:
 Minot— Dickinson
 Johnson..... fSoules
 Vandover..... fHortung
 Thompson..... cMcCutcheon
 Smallwood..... gErb
 Frank..... gMorrison
 Hayes—Substitute.

Field baskets: Minot, Thompson, 1; Vandover, 4; Johnson, 3; Frank, 1; Hayes, 1; and Smallwood, 1. Dickinson: McCutcheon, 4; Hortung, 3; Soules, 1. Free throws: Minot, 2 out of 5; Dickinson, 3 out of 7.

Referee, Haskins; Umpire, Wells; Timekeeper, Wood.

Annual College Oratorical Contest

March 31, the college oratorical contest occurs. It is to be hoped that the contest will bring out a good number of orators. This is an annual affair and the winner of the contest competes with the winners of similar contests at Fargo College, the University, and Wahpeton Science School. Last year Reul Wiji won the contest. A good number of orations were developed in last year's contest and it is to be hoped that this year's will be as good as they have been in the past. This is the only contest of this nature in which the A. C. meets the University or Fargo College, and we ought to make a special effort to let them know that we are as alive in this respect as we are on the athletic field.

EASTER CONCERT

On Sunday, March 15, the Y. M. C. A. will hold its Easter concert in the Armory, for the men and women of the college and the city. A splendid program will be heard at that time and a crowd equally as large as the Thanksgiving concert drew is expected. The hour of the concert is 3:00 o'clock.

Prof. Gaines of the Washington Agricultural College stopped off on way home from the Dallas corn show and visited with Prof. Dynes for a couple days last week.

TERRIBLE THINGS TO HAPPEN AT FIRST CIRCUS OF YEAR AT ARMORY.
 April third and fourth are the dates set for the students of the A. C. and their friends to see the first circus of the 1914 season. The Armory is to be rejuvenated and by the waving of Director Bachman's wand the Armory will assume the ghostly shape that characterizes all circus exhibiting places. The name "Barnyard and Baled Hay" under which name the show is to be put on does not do justice to the many strange and rare phenomena that will be shown. The management has imported several wild men and snake charmers from the wilds of the states and it is reported that there will be several very beautiful ladies to read the lines upon the hands of our fellow students and their future will be determined by the mysterious conclusions that will be reached by the fortune tellers.
 There will also be exhibited some orders of the genus man who have disregarded the law of Eugenics and have grown horns in place of hair, these combined with the many other and varied wonderful and strange creations will be seen. Look for further announcements.
PUBLIC SPEAKING BOARD OF CONTROL.
 In the February 17th issue of The Spectrum appeared a statement to the effect that N. D. A. C., won the debate held on the night of Feb. 12, between Manitoba A. C. and our college.
 The decisions of the judges at Winnipeg was 2 to 1 in favor of Manitoba while here their returns resulted 2 to 1 in our favor. Hence a tie as far as direct decisions were concerned, accordingly resort was taken to the individual percentages as per agreement. In the totaling of these a mistake was made at the time of the contest and the A. C. Board of Control had not checked over the returns given them on that occasion until recently, when it was found that N. D. A. C. won here by 22 points, the score in the case being 3008 for us and 2986 for Manitoba. At Winnipeg Manitoba had a lead of 27 points and subtracting the differences Manitoba wins by a majority of 5 points. Extending congratulations to Manitoba Agricultural College we call attention to the foregoing as the first official statement of the N. D. A. C. Public Speaking Board of Control.
 The "Cherry Tree Farm" is to be presented in the Little Country Theatre this week. The bill boards will tell you all about it. "Watch for Them."
 Mr. Barrett has purchased the Copper Kettle Inn from Mr. Kirk and will endeavor to build up the trade again.
 Prof. Dynes went to Kelso yesterday where he spoke to the farmers on the Advantages of Potato Growing.
 So you would not give a bushel of wheat?
 No. I don't want to help that college out any. All my boy did while he was there was play pool.
 Well then, send in a bushel of wheat so that your neighbor's boy will have a dormitory where he can go and spend his time.
 Now, girls, we know that you would like the boys to have a nice place to stay at the college, why not help them out on the Boys' Bushel of Wheat Dormitory. They say a young lady can make a man do any-

CASTALIANS ENTERTAIN HESPERIANS.

On the invitation of the Castalian Literary Society the Hesperians met with them in joint session at Music Hall last Friday evening.

After listening to an encouraging address by President Worst they laid aside their more serious and weighty matters and betook themselves to social enjoyment.

After various games and amusements of a more or less literary nature the Castalians produced from hidden closets refreshments in such quantity and quality as gave abundant testimony to their proficiency in the arts of cooking and hospitality.

At the conclusion of the feast, Miss Ruth Luttrell acting as toast mistress called on several members for toasts, who responded as follows: Miss Katherine Magill, "The High School Debating Teams." Mr. Biles, "Literary Hospitality." Miss Nordsletten, "What Castalia Means to Us." Mr. Erickson, editor of The Hesperian Whistle, "My First Editorship." Miss Jensen acted as caaperone of the evening and responded to the toast, "The End of All Good Things," and announced that it was 10:15 o'clock and time all good children were home with their mammas.

The Hesperians were forced to admit that although they had won in debate the Castalians had fairly outdone them in hospitality.

The Castalians proved themselves royal entertainers and it was unanimously agreed to submit all differences to arbitration.

COPPER KETTLE INN CHANGES HANDS

Having taken possession of the Copper Kettle Inn, we wish to say to former patrons and others who are in need of a place to eat, that we will always be pleased to have you call on us. We will try to satisfy you. We shall serve you mostly with home cooking.

In purchasing the stock and good will of Mr. Charles Kirk we did not purchase any interest in his accounts one way or the other.

BARRETT & CO.,
By Oscar Barrett.

You Can't Turn a Switch and Stop a Horse Eating

With a tractor it's entirely different. It eats only when it works. When you are through, turn a switch and your expense stops.
Horses or mules eat three times every day, 365 days a year, whether they're working or not. Government statistics show that farm horses average only 100 full days' work a year—265 days' feeding all for nothing.
Avery owners report that tractor plowing costs them less than half what horse or

mule plowing does. Also big saving on other work—disking, harrowing, drilling, harvesting, hauling, etc.
Tractor farming means bigger crops, too. Three year tests made by the Kansas State Agricultural College gave an increase of more than double the ordinary crop by plowing at the right depth and at the right time.
You can't plow fast enough or deep enough with horses or mules—it takes a tractor to do it.

AVERY "ONE-MAN" OUTFITS

"Light-Weight" Tractors and "Self-Lift" Plows

Hundreds of farmers have proved that Tractor Farming with Avery Tractors and Plows is a great success.

The reasons are—they are the lightest weight tractors built, considering their draw bar efficiency. Also the simplest. And with an Avery "Self-Lift" Plow one man or one boy alone can run the entire outfit. Avery Tractors are built in five sizes, from 8-16 to 40-80 h.p., and pull from 2 to 10 bottoms. Fit large, medium or small size farms.

Avery Tractors and Plows are sold on Approval at Low Prices and Fully Guaranteed

Test out an Avery Tractor and Plow on your own farm. After acceptance we back you up with strong guarantees. Avery prices are also low.
The new Avery book "Tractor Farming" tells why and how to farm with tractor power. The 1914 Avery Tractor and Plow Book gives all the facts about Avery "Light-Weight" Tractors and "Self-Lift" Plows. Both books sent FREE. Write for them. Address:

AVERY COMPANY, 2503 Iowa St., PEORIA, ILL.

SIGNS OF SPRING.

Mr. Pile has blossomed out in a new hat! Our smiling Ernest wears it as do Blix and Perry on the least provocation; even manufactures occasion for its appearance. No less than three times last week said hat added to the dignity of our basketball gatherings at the gym. Tonight it will again be on exhibition,—provided the weather is fair,—when the A. C. Beau Brummel escorts his lady to "Peg o' My Heart."

Devere Jensen dug up his nice grey spring suit from off the cedar chips, and removed the camphor balls from the pockets. Do we jump at conclusions to infer that our elongated friend, disguised as a harbinger of spring, gladdened the heart of a certain far damsel in Moorhead on Sunday evening?

AN APOLOGY.

We most heartrendingly lament that Miss Peterson did nothing that merited her appearance in print during the past week. Sorry to see you "fall down on the job" is the way, Ethel. Don't let it happen again. The paper can't be a success without your weekly contribution.

SYMPATHY, PLEASE.

Jess Lommen certainly is overwhelmed with worries. To be called on the carpet before the Discipline Committee, forced to take gym work, and ordered to give up dancing all at once is almost more than one lady could bear. No wonder she firmly vowed to Rube Larson that nobody loved her, and that she had about decided to go out in the garden and eat worms. Cheer up, Jessie. The weather will soon be warm and the evenings balmy. The "garden" isn't a half bad place on said evenings, especially when in the right company.

MR. KELLEY RECEIVES.

A package was received at the Alpha Mu house directed to Loidie Kelle, A. C. Colege. Evidently some benevolent street car conductor has taken pity on our Irish friend;—hence the gift. As we go to press the contents of the suspicious looking bundle still remain a closed secret.

GOODNESS, HOW AGGRAVATING.

After the joint literary meeting last Friday night Miss Wild and Miss Ferris took Bill Mendenhall and Anderson (A. C.) to the Grand. The necessary cardboards had been purchased before the girls remembered that they had not received permission to go down town. Mrs. Gilbert was interviewed over the telephone! Deep gloom. The Dictator of the Realm of Ceres Hall refused to O. K. the request and demanded a hasty return to the shelter of her maternal wing. We wonder how the two Y. M. C. A. men could adequately express their feelings under such trying circumstances.

Council Minutes

Minutes of the Student Council held Tuesday at 12:45, March 3.

Minutes of preceding meeting read and approved; followed by roll call.

The President explained the reason for calling a meeting at this time, the same being to arrange for the receiving of High School students who come during the present week to attend the first annual H. S. tournament held in the A. C. Armory, Thursday and Friday nights.

Moved that a committee of three be appointed to work with Mr. Dynes in this matter. Seconded. Carried.

Explanation made regarding plans which those in charge have for entertainment of the visitors.

WANTED: CATS.

Cats are at a premium at present. Unfortunate felines of all descriptions and sizes are in great demand for dissection in Dr. Bell's Lab.

Owners of cats please absorb:—To all our friends we give fair warning:

Tie up your tabby cat 'til morning.

If you don't it's goodbye kitty: Then your soul will writhe with pity

And we have wasted our ditty. If she once gets in Dock Bell's clutches,

She'll soon be bound for cat heaven on crutches.

CLUBS AND ORGANIZATIONS.

A new and extremely exclusive organization consisting solely of red-headed people has been founded. The members have reserved a table at Ceres Hall and dine there en masse thrice daily. As a special concession to the "sunset blondes" the table is decorated with flowers and clean napkins. How we poor unfortunates wish we were red-headed! Almost every Monday we get a clean napkin.

OVERHEARD AT THE ORPHEUM.

First Girl: "Who is that tall distinguished looking person with the sword?"

Second Girl: "Oh, that is Major G. A. R. Anderson."

Third Girl: "No, Hazel, his name is G. O. P. Anderson."

Second Girl: "It doesn't matter; I never could remember the alphabet backwards, anyway."

Three in Chorus: "Now, let's see if we can make Dodds smile."

ANNOUNCEMENT.

Herr Professor Director Harold Putnam Burton Baachmann and his well known Cadet Band will appear at the Grand on March 15.

QUITE TRUE.

Miss A. "The average human being is just like a book in one respect."

Miss B. "And what may that be?"

Miss A. "Each has an appendix which nobody has yet found to be of any use."

Prof. (In Geology)—"The geologist thinks nothing of a thousand years."

Soph—"Great guns! and I loaned a geologist ten dollars yesterday."

STYLES PAST AND PRESENT.

The waist line which erst was so slender,

And sometimes was high and then low,

Is now disappearing completely.

As pictures in fashion books show I looked for the reason and found it,

And so pass it on in all haste: We have cried, all these years:

"Back to nature!"

And in nature, you know, there's no waste.

The amendment to Art. II, Sec I of the constitution passed its second reading and is now a part of the constitution. (The amendment permits the editor-in-chief of the Spectrum to be elected from the Sophomore class.)

Miss Ewen moved that the business manager of the Spectrum be officially notified of the requirements of Article II, Sec. 6, sub-division a of the constitution and requested to comply with same, giving his financial report to date at the next meeting as per constitution. Seconded. Carried.

Four thirty o'clock on Monday, March 9, was designated as the time to hold election.

Prof. Thompson's formal resignation from the position of faculty manager of athletics to which he

was elected by the Council last year was read.

Moved that the same be accepted. Seconded. Carried.

Council adjourned.

BERTHA CAMP,

Secretary.

Sophs Elect 1916

Agassiz Staff

GUY AND AAKKUS TO PILOT NEXT YEAR'S ANNUAL.

In their recent election held last Friday, William Guy was the choice of the Sophomores as the editor of their junior publication. Halvor Aakkus was chosen as business manager and will have supervision over the finances in its connection.

With these two gentlemen at the head we feel confident that the next year's Agassiz will compare with any previously issued and that it will be a credit to the class responsible for its publication. The staff will be appointed in a short time, and as soon as this year's staff leaves off their work, will be able to commence their duties for the coming year.

We wish the class, and especially these two men at the helm, an unbounded success in their efforts.

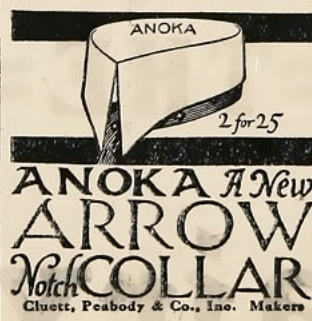

A recent communication brings to our attention the work of one of our ex-students in one of the distant countries. Myron Smith, once a member of the present senior class, but who discontinued his studies at the beginning of his junior year, is at present engaged in an engineering project at Sao Paulo, Brazil.

How about it, fellows, do you want a dormitory?

Then get each of your neighbors next fall to send in a bushel of wheat, according to the plan and you can have it.

The dormitory is yours, fellows, if you want it bad enough to ask your neighbors for it.

Prof. Jeffry, land commissioner of the Duluth and South Shore railroad visited with Prof. Dynes last week on his way home from the Dallas show. Mr. Jeffry was assistant to Dean Sheppard on the station in 1896-7.

We are especially anxious to have the **YOUNG MEN** see our Suits and Overcoats this season.

We know that the young man of today is the most critical dresser in the world, and with a clothing display like ours we know we can please him.

Will save him money, too. **Kuppenheimer Clothes Here Exclusively**

Music and Musicians

Edited by Myron Bachman

Dr. Putnam is expected to be with us for a few days this week. The glee club, crack squad and quartette will leave on March 19 for their much talked of trip over the state. The boys have been working hard and have worked up a very pleasing program for their entertainments. The towns to be visited are, Casselton, March 19; Hope, March 20; Devils Lake, March 21 and 22; Cando, March 23; Lakota, March 24 and home on March 25. Last Friday and Saturday the quartette sang their return engagement at Eldrid in the consolidated school and at the Crookston Agricultural college. They were assisted by Myron Bachman with his trombone and Howard Case on the piano. On last Thursday afternoon the pupils of Miss Grasee gave their musical entertainment in the Little

Country Theatre which was well attended, the theatre being completely filled. Two piano sextettes were given and several vocal and musical solos made up the balance of the program. The Agricultural College Cadet Band will appear at the Grand Theatre on Sunday, March 15, as the regular Sunday evening number. Director Bachman has prepared the following program for the occasion: American Patrol Meacham
Fall of Jericho Maillochand
Descriptive Overture
Elephant Dance Dr. C. S. Putnam
Tuba Solo by C. F. Gus.
Uncle Tom's Cabin Lampe
My Lover, He Comes on the Ski.
The Birthday Cowan
Solo, by Miss Edyth Grasse.
Lutspiel Overture Keler Bela
Star Spangled Banner—

Alumni Notes

Edited by Roy Dynes.

A. P. Murphy, '09, writes from California where he is engaged in the oil contracting business at Maricopa. Arthur has recently been captured by the winsome ways of Cupid and sends considerable communication to The Spectrum speaking of "the important event." He plans on coming back to the A. C. during the Alumni reunion next June and states that the following will cause Prof. Arvold to utter a few sentences from the "Uncrowned Queen."
In the social column the Los Angeles Times we note the following: "Oil Romance Crowned."
A. P. Murphy, a contracting engineer of Maricopa, and Miss Jessie Devore of Meadville, Pa., were married at St. Vibiana's yesterday, Rev. Father Kirk officiating. Mrs. Murphy has lived in the oil city for the last four years, and it was here the romance began. The couple will make their home there following a short honeymoon trip through the state.
The Maricopa News, commenting on the wedding, states:
COUPLE SLIP AWAY TO GET MARRIED.

A. P. Murphy, the well known contractor, and Miss Jessie Devore, one of Maricopa's popular members of the younger set, slipped out of town quietly on Wednesday afternoon and took a train for San Francisco, where they expected to get married as soon as they arrived.
The elopement was an entire surprise to all of their friends and relatives and the bride's relatives, although knowing of the couple's long standing friendship, neither expected that they would leave the city unannounced or that they intended getting married.
Miss Devore is the sister of Mrs. Frank Minium and of Miss Lulu Devore of this city. Mr. Murphy has been in Maricopa for several years. He was formerly connected with the J. I. Waggy firm and later had charge of the C. B. Cline contracting business. For the past six

months he has been engaged in the teaming and contracting business on his own account. Prior to leaving the city Mr. Murphy purchased a house and furnished it completely in the most comfortable manner in anticipation of their return.

RETURNED FROM THEIR HONEYMOON.

A. P. Murphy and his bride returned on Tuesday from their wedding trip to Los Angeles and took up their residence in a four-room bungalow on Bush street, which the groom furnished before their departure.
The couple eloped on January 27 and went by automobile to Taft. From that city they went to Los Angeles where they were married at St. Vibiana church by Rev. Father Kirk in the presence of three other clergymen. After the ceremony the bridal party enjoyed a wedding dinner at one of the cafes.
The couple spent several days visiting relatives of the bridegroom in Pasadena and Los Angeles and then made a short trip to San Diego, returning to Maricopa from that city by way of San Francisco.
Mr. Murphy will continue in the contracting business at Maricopa and in the surrounding fields, where he is well known.
The name of Paul Funderhide, C. E. '11, was recently mentioned in the Engineering Record. His thesis investigation was on the proper loading to consider in the design of highway bridge floors. Reference was made to his work in connection with a bridge failure in central Illinois.

Edward Traynor, '12, is farming at Starkweather, N. D. After graduating Mr. Traynor began teaching, but he is now content on the good old farm. He was recently an attendant at the Mid-Winter fair held in Devils Lake, where he showed some grain samples which he had graded up on the farm.

AGRICULTURAL CLUB.

Last Friday's program was as follows:
Piano Solo Miss Hofstrand
A Short Talk Mr. Shrader
Club Paper Mr. Solburg
Vocal Solo (First Spasm)
..... Mr. Sherdahl
Speech President Worst
Debate: Resolved That Small Farms of 160 Acres or Less Are More Profitable Than Larger Farms of 320 Acres or More in North Dakota.
Affirmative: Mr. Tanley, C. Baker.
Negative: H. Brown, A. Satre.
Vocal Solo (Second Spasm)
..... Mr. Sherdahl
Decision of Judges in favor of Negative.
The Fatal Message

Messrs. McShoy, Anderson, Plummer and Magill and Misses Mardoven, Strande, Whitney and Snider.
The program was an exceedingly interesting one and was appreciated by all present.
President Worst gave some valuable advice and spoke a word of good cheer, giving the contrast between the A. C. of today and 18 years ago.
Solburg continues to have poor success in controlling his audiences but how does he find out so much. Perhaps he has been eavesdropping.
After the A. C. play everyone was invited to visit the Coffee Tower and partake of light refreshments.
All those who were able sang the "Yellow and the Green," before leaving.

THREE GIRLS FROM SCHOOL.

Many Pretty Features Introduced in Little Comedy.

Perhaps the most novel of the plays thus far presented in the Little Country Theatre was the play presented last Saturday afternoon and evening, Three Girls From School. It differed from other plays presented in that there were introduced short dances, etc., much the same as those presented in many of the comic operas on the road. The Shadow

dance by the Misses Dalrymple and Howe made a decided hit with the audience and the young ladies deserve great credit for their work. The Yamma Yamma dance by the Misses Keene and Farley was another novel feature.

The members of the cast carried their parts in a pleasing manner, showing the results of much time and training. The members of the cast were the Misses Knatvold, Ritzpah Ladd, Gilbertson, Rosella Ladd, Grest, Petrie, Rasmussen, Heidner, Brown, and Erickson. The College Orchestra furnished the music.

A. C. Plays Put

On In Moorhead

Last Wednesday, Miss York went to Moorhead with two plays, "Miss Civilization" and "A Proposal Under Difficulties," where the plays were put on before a crowded house at the Lyceum theatre. The Moorhead Civic League staged these plays for the purpose of raising a little money. The plays went off in fine shape. The audience was very appreciative and from their applause seemed to enjoy them. Those making the trip besides Miss York were: Laura Taylor, Roy Dynes, Charley Amidon, Dan Darrow, Clarence Williams and Harry Briton of the "Miss Civilization" cast; and Helen Lewis, Stanley Abbott, Margaret Keen, and Al Simintsch of the cast of "A Proposal Under Difficulties."

FACULTY CODIFIES RULES.

New Ruling In Regard to Attendance.

The faculty has been working hard this year codifying the rules but have now almost reached the end of their labors. This has been considerable of a job since all the old minutes had to be read over and the rules brought under their proper heads. A new ruling has been passed which will be of interest and importance to the students. It is regard to the attendance and is in substance as follows: that no more than five absences will be allowed in one class for other reasons than sickness and the penalty for breaking this rule is expulsion from the school for that year. This rule has been in force in regards to drill but will now be in force in all classes.

ALPHA ZETA INITIATES.

Friday night the Alpha Zeta fraternity held initiation when George Knutson, William Guy and Oscar Wilcox were received into the fraternity after a rough journey over the hills and into the vale of tribulation. However, they were richly rewarded when they were met at the end of the journey by the members of the Alpha Zeta fraternity.

Monday night the new members were banqueted at the Annex hotel. After the splendid feed was over, a program of toasts was given and all departed in the best of spirits.
