REVIEW OF 1913 FOOTBALL SEASON

Comments and Reasons Why. Something About Our Men.

The University game which was played a week ago last Saturday marked the close of the 1913 football season at the A. C. Many of the supporters of the Yellow and Green expressed themselves as being rather disappointed in our schedule, but all are unanimous in their praise of the team and the coach and stood ready to back them to the last ditch. This spirit has done much towards making the season a success, for when we take everything into consideration the spirit demonstrated by the students is the most accurate indicator of their faith in the team and is the deciding factor in determining whether or not the season has been a successful one. In a review of our football season then, we must come to the conclusion that it has been a successful one for the students and friends of the school have to a man demonstrated their faith in the team.

In Coach Wood we have a man that has the confidence and friendship of all who know him. He is popular with the team, the students, and all others who have made his acquaintance. His ability as a coach is unquestioned and an even break of luck is the only request we have to make for the season of 1914.

an opportunity. Injuries kept him on the side lines during the bigger part of the season, and his loss was a decided setback to the team. However, he played in three of the games and gave a good account of himself. Scoop specializes on breaking up end runs and is fast on getting under punts. He has played three years on the team.

Bjornson.
Big Dick had a little hard luck the first of the season but soon came around to claim his own as a guard. With Edwards and Kelly, he completed a center trio that was a wonder and had this trio not been broken up in the U. game the score might have been very different.

Mikkelsen.
This is Mike's second year on the team, holding down a tackle position. He is a hard, consistent worker and the fastest of our linemen, being especially good on the offense as well as a sure tackler and fast at getting down under punts.

O'Dell.
Rex is a halfback and has just completed his first year on the team. He is both heavy and fast and a good forward passer. His ability at carrying the ball netted the A. C. many a yard, while his defensive work was above par. Rex has a mysterious way of catching passes while going at full speed.

Abbott.
Has a great variety of nicknames as well as a powerful right leg. Stanley played a tackler position, this being his first year at the A. C. The punting all fell to his lot and he was often called on to carry the ball which he did for good gains. His work on the defensive was also very good, and no consistent gains were made thru his position.

Barchus.
Fullback—the strong man—"Bark's" line plunging was a terror to opposing teams. He is both fast and heavy and hits the line like a battering ram. This is his first year on the team and we expect to hear more about him later.

Berner.
"Bud" played in every position in the back field. He is light but makes that up by being fast and gritty. His defensive work was especially good and his ability at grabbing forward passes was shown in the "U" game. This is Bud's first year at the A. C.

Gratious.
"Grace" was promoted from the second team early in the season and substituted at guard. He is both heavy and fast and played a strong game when called upon. This is his first year on the team, being a graduate of last year's second.

Billings.
Billings won his spurs in the F. C. game. He plays end and is especially strong on defensive work as well as fast at getting down under punts. He is a freshman and this is his first year on the team.

Jensen.
Came to us from S. D. S. C. He played at end, his specialty being his ability to pull down passes and dropping kicking. He is also strong at executing the forward pass.

The Reserves.
Armstrong, Amodt, Aakhus, Mendenhall and Morstad made up the list. Armstrong played in one game, but the others were never called upon altho they were always ready to step in and do things.

The Alpha Gamma Rho Fraternity have leased the five room flat over the barber shop in the A. C. grocery building, which was left vacant last week by the removal of T. P. Ward and family. This fraternity has also purchased enough furniture to furnish the rooms cozily and will have a splendid set of club-rooms from now on.

Walker Whiteside in The Typhoon.

STUDENTS WELCOME WALKER WHITESIDE

Great Actor to Appear in College Armory Tonight

Edwin Booth Club Will Buy Seats for Little Country Theatre

The students of the North Dakota Agricultural College extend a hearty welcome to Walker Whiteside and his company. We hope that the presentation of The Typhoon here this evening will mark the beginning of a new movement at the Agricultural College which will bring many more of the world's famous actors and actresses before our students and the people of Fargo.

Walker Whiteside will appear in The Typhoon at the Agricultural College this evening. This is the play which Menyhert Lengyel, the Hungarian dramatist wrote and which has created such a furore in the principal cities of Europe. It has the reputation of being distinctly different from any other play ever presented in America. Critics all over the country say that Walker Whiteside has never appeared in a play which gave him such unusual opportunities to show his wonderful acting ability as does The Typhoon.

Walker Whiteside will be supported by the same all star company with which he made his big New York success. The scenery which the company carries is said to be most elaborate and beautiful. Some of the electrical effects are especially effective.

Burns Mantle, of the New York Mail says, "There is a grip to 'The Typhoon'—Walker Whiteside is an artistic embodiment of the character."

James O'Donnell Bennett says in the Chicago Record Herald, "Mr. Whiteside has done a service in bringing 'The Typhoon' impressively before the American public."

No play of recent years has called forth the universal praise of the world's great dramatic critics that has been accorded "The Typhoon." First disclosed to view in Vienna, this remarkable work of Menyhert Lengyel, an Hungarian playwright, created a veritable furore, and was immediately translated into no less than five different languages, after which it was performed in Paris, Berlin, London, Tokio, Buda Pesh and subsequently in New York, where Walker Whiteside achieved the success of his career in the complex role of the Japanese diplomat, Tokeramo.

Gertrude Atherton the celebrated novelist, essayist and critic recently said in the San Francisco Examiner: "I would rather have written 'The Typhoon' than any play I have ever seen. Mr. Whiteside's acting alone would make the play intelligible to the careless, while to the higher class of theatergoers he is Japan—Japan, sauve, sinister, quick of wit, witchful, abnormally quiet—until roused to deadly and hideous fury, when he becomes a Typhoon in fact—sweeping everything before him and leaving death and destruction in his wake. One leaves the theater full of wondering admiration for this greatest of our actors."

Following is the cast of characters and synopsis of "The Typhoon":

LITERARY FESTIVAL FRIDAY NIGHT

Competition Between the Societies Keen. Large Audience is Expected.

Next Friday night will occur the Annual Literary Society Festival, which will be held in the Armory. This is the third annual festival and it is expected that it will be bigger and better than ever before because of the fact that an interest has been aroused by the rivalry between the societies that are competing. There will be five societies competing this year and considerable interest is being manifested as to just what the new Pythian Society will do.

Last year the Athenians walked away with the honors and their play which they presented that evening proved so popular that it was presented on the special train trip and at the Civic Center. For this reason everyone can be assured that each part of the program will be well worth seeing.

Each of the different societies have been at work since school opened last fall thinking and working upon the plays and stunts that they are to offer Friday night. The plays of course furnish the largest field for real ability and work and only a few of the members of each society take part in these but every one is given a chance when it comes to the Song and Yell contest at the conclusion of the program. Last year the Athenians worked their Song and Yell section of the contest in a very novel manner and in this way won out and it is reported that many of the yells which are old to us will be presented in a manner that will make them comparatively new.

- Next year the attendance at the Literary Society Festival was the largest it has ever attended a literary program at the college before. For this reason and also because of the fact that the Festival has won a reputation it is expected that the Armory will be filled to capacity. An admission is to be charged but this is so small that it will not keep anyone away and with good weather the Armory will be filled.
- A very good program has been arranged and on it we find a great variety of plays and stunts. However little can be judged from the names of the plays as regards the likely winner of the contest. The program of the evening is as follows:
- Third Annual Literary Society Festival—North Dakota Agricultural College Fargo, N. D.

The money realized by the Edwin Booth Dramatic Club from this play will go to furnish the Little Country Theatre with seats. When this is done we will have a model theatre at the college which cannot be equalled by any other western school. It is expected that Walker Whiteside will be followed here by other great actors this season, and the Edwin Booth Dramatic Club members are very anxious for this first large undertaking to prove successful. They are doing everything in their power to make it so and the indications are that a capacity house will witness "The Typhoon" this evening.

Reserved seats may be secured at Fout & Porterfield's drug store until 6 o'clock this evening. They will be on sale at the door of the armory at 7 o'clock. Prices: \$2.00, \$1.50, \$1.00, 75c and 50c. The curtain will rise at 8:15 p. m. promptly and all are requested to be in their seats before this time.

ALPHA MUS ENTERTAIN.
Last Sunday the Alpha Mu fraternity of the college held a dinner at the Fraternity house for a number of the alumni that were in the city at that time. Those present besides the active members of the fraternity were: Howard Simmons, Albert Birch, Fred Birch, Elmer May, Harry Carpenter, John Nolet, Leonard Wirtenberger, Edgar Olson, Robert Dolve, and Lloyd Beardsly.

MUSICAL PROGRAM
IN ARMORY SUNDAY
COLLEGE Y. M. C. A. HAS SECURED TALENT FOR THE MEETING.

On next Sunday afternoon the College Young Men's Christian Association will offer at the hour of its usual Sunday meeting a special program, the annual Thanksgiving concert. The Armory will be the place, and the hour 3 o'clock.

The committee in charge has spared no efforts in securing a program of exceptionally good numbers, which will include the Agricultural College orchestra, who have as yet not been heard by a large number of the students; the A. C. Brass quartette, whose fame has gone out all over the state; and the well known college "Y" quartette. The committee has been especially fortunate in securing from down town, some of the city's best talent. Prof. Bertrand Alan Orr will sing, and the Fargo String quartette, under the direction of Professor Stephens, will render several selections. In addition to the musical numbers there will be a reading by Miss Katherine York of the A. C. Public Speaking department.

While the attendance at the Y. M. C. A. Sunday meetings has been unusually strong throughout the entire fall it is expected that the crowd next Sunday will surpass all previous records, as on this occasion both men and women are invited. The program is a most excellent one throughout and it is hoped that every A. C. student will plan on hearing it. As is customary, no collection will be taken; all the talent appearing have kindly given to the program without compensation.

CO-EDUCATIONAL JOURNALISM.
"May I print a kiss upon your lips?" he said. And she nodded her sweet permission. So they went to press, and I rather guess they printed a full edition.
"But one edition is hardly enough," she said with a sweet little pout. So again in the press the form was put, and they got some extras out.

DR. PUTNAM
TO LEAVE A. C.
HAS ACCEPTED A POSITION AT ABERDEEN, S. D.—LEAVES FIRST OF YEAR.

Dr. C. S. Putnam, who is so well known over the state as the director of music at the Agricultural College has accepted a proposition offered by the Aberdeen Normal School and the Commercial Club of Aberdeen. His new duties will make him director of music at the Aberdeen Normal and he will also conduct the city band of Aberdeen and take charge of the local oratorios, etc., of the city.
His loss will be greatly felt here at the college by all of those who know him and the A. C. Cadet Band will not look natural without him, as Dr. Putnam has been here for ten years and has developed an organization known all over the state. Dr. Putnam will be here until the first of the year. Nothing is known as yet as to who his successor will be. It is expected that Mrs. Putnam and the children will remain in the city until the close of the school year.

WARD SELLS TO EICHHORN.

By a transaction which was completed last week, F. J. Eichhorn bought out the interests of T. P. Ward and became the sole proprietor of the A. C. grocery. These two gentlemen have been conducting their business on the A. C. corner for the past few months, in a manner that has won for them the esteem of all the students of the college as well as of all the people in the college neighborhood. They have taken a deep interest in all the college affairs and the students will be sorry to learn that Mr. Ward has sold out his interest in the business.

Mr. Ward and his family have already left for Grand Junction, Colorado, where they will make their future home. The cause of their sudden change was the delicate condition of Mrs. Ward's health, doctors advising complete change of climate. Mr. Eichhorn will continue to run his business along the same progressive lines and will make a specialty of catering to the wishes of the students of the Agricultural College.

The state English teachers who attended the Teachers' Institute were banqueted in Ceres hall dining room Thursday at 1 o'clock. The tables were decorated with pink and white carnations and were laid for forty. A three course dinner was served.

ATHLETIC BOARD AWARDS SWEATERS

HOLDS IMPORTANT MEETING— INTER-CLASS ATHLETICS BOOSTED.

As recognition of services, as first squad men, and having played in two or more games during the season, the football boys were awarded sweaters by the Athletic Board at their business meeting last Friday.

The sixteen men who received sweaters this year are: Billings, Caulkins O'dell, Barchus, Bolsinger, Kelly, Bjornson, Edwards, Abbott, Mikkelsen, Parizek, Perry, Ostby, Jensen, Berner and Gratius. Five men to be recognized as first team reserves were: Armstrong, Mendenhall, Morstad, Aakus and Amold.

Besides the above mentioned program class athletics were taken up and discussed at some length. Action was taken by the Board regarding trophies to be awarded in cross-country runs. President Dynes agreed personally to give a silver cup to the one who wins the regular cross-country race. Medals to the members of winning team and an appropriate banner to the class which they represent, was also ratified by the Board. The course will be laid out early this week, and with this array of prizes should induce many to enter into this contest who would not otherwise join.

In a football kicking contest, which also has been inaugurated this fall, Coach Wood offers a silver cup to the man winning first place. To the person winning second place the Board offers a silver medal, while the third highest in rank will receive a bronze medal.

Other actions of interest were also taken by the Board at this meeting, but owing to the incompleteness with which they could be considered at the time, these actions will be deferred from our issue until a later date.

EDITOR'S NOTE.

It is with considerable pleasure that we print the above report of our Athletic Board, as regards the interest manifested in our inter-class athletics. For some time there have been efforts made by this body, and others interested, not in athletics for the few, but in athletics for the greater part of our student body, so they could reap the benefits of a vigorous exercise, for which athletics were intended. However, there has always been a lack of interest on the part of the students themselves, and soon the proper spirit which at first was so evident is found to wane.

The inter-class basketball series last winter furnished one of the most successful series of athletic activities held at this institution as regards spirited rivalry between the classes. Likewise did the spring's baseball series until confusions arose, by not playing three games on scheduled time, which in part the teams were to be blamed for, and the series could not be properly completed.

The cross-country run which is under way for this fall should have entries from all classes, and any individuals who would like to compete. The inducements are plenty, and for those who do not think the athletic feature of it a sufficient reward, a glimpse at the trophies awarded for highest honors, should satisfy. GET INTO THE GAME.

DELTA PHI BETA ENTERTAIN.

The Delta Phi Beta Sorority of the college gave a very prettily appointed five course dinner at the Annex last Friday for their alumni who were in the city at that time. The tables were decorated with the white rose, this being the Sorority flower and a short program of toasts was carried out after the dinner had been served. Miss Eugenia Ruff, president of the Sorority, acted as toast-mistress and Gladys Guthrie, Enid Erickson, Katherine Lowman, and Mildred Wheeler responded with toasts.

The following alumni were the guests of the present members: Addie Stafford, Mae Hooper, Gladys Guthrie, Maud Knight, Katherine Lowman, Anna Lamb, Enid Erickson, Kathleen Kelly, and Alma Leeby.

An inventor at Vallejo, California, claims to have made a wireless photographic instrument which will work only at night. It reflects on a mirror a picture of everything within a radius of several miles.

Y. W. C. A. PAGEANT GREAT SUCCESS

A. C. GIRLS TAKE VERY ACTIVE PART IN THE ENTERTAINMENT.

The Y. W. C. A. Pageant which was given at the A. C. Armory Saturday evening was a great success. The object of the Pageant was to show the need of missionaries in foreign countries. Japan was presented by the Fargo College Y. W. C. A.; China by the Agricultural College Y. W. C. A.; South America by the Normal Y. W. C. A., and India by the City Y. W. C. A. The scenery and the costumes fitted the countries they represented. Between acts music was furnished by the soloists; Mrs. Manzanita Stephens, Miss Lillian Wright and the Pilgrims' Chorus was given by the Agricultural College Girls' Chorus.

The cast of characters representing China were:

Miss Howard—Barbara Heidner, an American Physical Training Teacher.
Ming Yu—Theresa Howland, a member of Miss Howard's class who goes to Nanking.
Dr. Wu—Boletha Frojen, a doctor of Nanking.
Miss Fing—Agnes Peterson, a friend of Dr. Wu.
Amah—Helen Monson, Miss Fing's servant.
Eight other members of the Gym class: Lucile Morris, Winifred Pope, Rosilla Ladd, Rizpah Ladd, Elsie Stark, Lena Honett, Martha Landers, Clara Dolve.

"U" PLEASED WITH TREATMENT HERE

The student body from the University that accompanied their team to the U. N. D.-A. C. game two weeks ago were evidently very well pleased with their treatment while here as is evidenced by the following article which appeared last week in their student publication, "The Student":

The Hospitable Aggies

We wish to comment on the hospitality of the A. C. Everywhere it was noticeable. We were their guests and they treated us as such. Nowhere was there a breach of courtesy or of kindly feeling toward their neighbors of the North. And the best of it was that their attitude did not change with their defeat.

CROSS COUNTRY RUN.

The Inter-Class League has announced a cross country run which is to be held in the near future. Good stuff! This is right along the line of activities in which we are decidedly short at the college and The Spectrum hopes that there will be a large number of the fellows get out and into this new form of class and personal competition. We need more class spirit and this is a good way to help it along.

Julia Manikowske has decided not to return to school this year.

Get Your Trunks

DIRECT FROM THE FACTORY
We make our own. They are not made like store trunks. Our locks, catches and hinges are put on with rivets, not nails.
Canvas is Glued on, not pasted.

There are a great many other points in favor of our trunks that we can explain if you will come in.
