A marvelous Festival Scene in Walker Whiteside's great play, "The Typhoon," in which he will appear at the Agricultural College Armory, Tuesday evening, Nov. 11.

WALKER WHITESIDE COMING TO THE A. C. TUESDAY NOVEMBER 11th

Noted Actor Will Present the Celebrated Japanese Play "The Typhoon"

That Actor Has Been Secured Through Effort of Edwin Booth Dramatic Club.

Will Be Staged in the Agricultural College Armory at 8:15 P. M. Sharp

Brown, the representative of Walker Whiteside, was a visitor at the Agricultural College last week and completed the arrangements for the staging of the great Japanese play, The Typhoon, in the Armory on Tuesday evening, Nov. 11th.

Walker Whiteside will appear here in The Typhoon under the auspices of the Edwin Booth Dramatic Club, through the courtesy of T. P. Walker. While here Chas. Brown carefully examined the College Armory and reported that there would be no question of the stage not being large enough to stage the production in all its oriental richness and beauty.

Walker Whiteside will be supported by an all start cast of 18 people. The costumes and scenery used in producing The Typhoon are most elaborate and beautiful. The play will be presented here just as it was in New York City and the few other large cities in the United States which have been fortunate enough to secure Walker Whiteside.

The money which the Club will realize from this play will be used in improving the Model Little Country Theatre which the Edwin Booth Dramatic Club are attempting to furnish at the college.

Walker Whiteside, the representative of Walker Whiteside, was a visitor at the Agricultural College last week and completed the arrangements for the staging of the great Japanese play, The Typhoon, in the Armory on Tuesday evening, Nov. 11th.

Walker Whiteside supervised every detail of the production and purchased the articles of furniture and objects of virtu. The result has been successful beyond his fondest hopes, and Mr. Whiteside is today acclaimed the best of American actors, and a producer whose subsequent ventures will be awaited with interest. "The Typhoon" is an unusual play. It deals with a problem entirely new in its vital essentials. Its treatment is as daringly new as its strange and unusual theme. If the critical writers in the cities so far visited by Mr. Whiteside and his company are to be believed, Fargo and North Dakota playgoers have a treat in store for them they are hardly likely to overlook.

No play had ever been given to the stage dealing with the inroads of Japanese of the modern type until a Hungarian dramatist came into close contact with a coterie of diplomats and students in Berlin, Germany, and was astute enough to discover in their work and habits of thought the suggestion for a big vital play. Young Mr. Longyel wrote "The Typhoon." Its success was instantaneous, and completely captured the theatrical strongholds of Europe within a matter of a few months. Walker Whiteside secured the English translation and adaptation, and in the dominant character, that of Tokisako, a young Japanese nobleman assigned to a secret mission in Berlin, has achieved the biggest success of his career. He will bring his metropolitan star cast here in its entirety.

If this production is successful the Edwin Booth Dramatic Club expect to secure several other great players for Fargo during the winter. They plan to have either the Ben Greet of the Coburn players some time during the spring.

The prices for The Typhoon are as follows: 180 seats, \$2 each; 270 seats, \$1.50 each; 150 seats, \$1

Walker Whiteside in "The Typhoon"

each; 200 seats in balcony, 75 cents each; 400 rush seats, 50 cents each.

The balcony seats and the 400 50-cent seats in the rear of the lower floor will not be reserved. Seats will be on sale and may be reserved at Fout & Porterfield's Drug Store, Saturday, Nov. 8, at 9 o'clock a. m. Many inquiries have already been received thru the mail for tickets. All mail orders will be given prompt attention. The curtain will rise promptly at 8:15 o'clock p. m., and everyone is requested to be in their seats by that time.

LITERARY SOCIETY FESTIVAL.

The Annual Literary Society Festival will be held Friday evening, Nov. 14. The following plays will be given by the different literary societies: Philomathians, "An Opera." Athenians, "Sunset." Hesperians, scene from "The Rivals." Castalians "A Business Meeting." Pythians, "Our Aunt From California." The members of the different societies are very hard at work on their respective plays and it is expected that this will be one of the biggest and best of the Literary Society Festivals.

EDUCATIONAL LECTURE.

Prof. W. J. Trimble will give an address Tuesday, Nov. 4th at 3:30 p. m., in the Physics Lecture Room. Subject: TENDENCIES IN SOCIOLOGY.

Game Goes to University by 20-14 Score

Aggies Lose Game on a Fumble. Outplayed University in First Half.

Three Thousand Spectators at Game

At two o'clock the first enthusiasm was shown when the A. C. Cadet Band marched out and gave a concert in front of Ceres Hall. By the time this was ended fully one thousand people and the University Band had gathered in the bleachers. At two twenty the University team appeared upon the field and warmed up on signal drill. Five minutes later the Aggie team appeared and warmed up by running back punts and forming interference. At this time a contest of yells and music was being indulged in by the rooters and bands of the two teams. The University had a Pink and Green yell leader who seemed to handle their yells in a very creditable manner.

When the game started the Aggies apparently had things about their own way as the University were unable to stop them and they tore off twenty yard gains at will. However the University soon tightened and from then on it was nip and tuck for both sides. The University line noticeably outplayed our line at times by breaking thru and smashing up our plays and the same was true of our men but they did not seem to be able to do it so often.

Possibly one of the reasons why the University scored two touchdowns in the last half was due to the fact that they had killed off five of our best men and three of these after fifteen minutes of play and not until the Aggies had run the University off of their feet. After these men were taken from the game the U pulled off their plays with more regularity as our defense had been greatly weakened.

The U only made two changes and only one of these was due to injuries. For the University McKay was the best ground gainer they had, returning the Aggies punts their whole distance time after time; he also chose his plays in a clever manner. Lowe proved to be a hard line hitter and netted many long gains to the U scores, and two of their touchdowns. Nillis, while tearing off a sixty yard run on a fumble for a touchdown, did what any other man could have done, who might have been where he was when it happen-

ed. On the line Harris and Lynch played the best game for the U line, breaking thru and throwing the Aggie runners for many losses.

On the Aggie team, Calkins, Odell and Parizek seemed to have a little the edge over the other men and had it not been that Bolsinger was injured early in the game he would undoubtedly started in his usual way. Before he was taken out of the game Bolsinger made some of the best gains of the day. Parizek was noticeably present in each play that was pulled off. Calkins fought like a demon thruout the game and it was this fighting that netted the Aggies their first touchdown. Odell was in every play of the game and when called upon to carry the ball lessened the distance to the U goal by a good many yards. His smashing interference was a big feature of the game. Berner while in the game played a wonderfully defensive game. Edwards, Kelly and Bjornson made up a center trio that the University were unable to get thru, and the holes in the line made by these men were responsible for many Aggie gains. Jensen, Perry, Ostby and Billings all played a good game on end. Scoops' grit was a good demonstration of Coach Woods' pep when he stuck to the job the way he did. Altho in three plays Ostby's presence was very noticeable, but he had to be taken from the game because of a sprained ankle. Abbott smashed the line on fake punts for many good gains and he punted even with McKay only to be beaten out because of the fact that the U men could return his punts better than the Aggies could return McKay's. Mikkelsen altho fighting hard was unable to stop the terrible onslaught of Lynch. Barchus at full was a hard line smasher and his defensive work was above par.

At two thirty-five referee Kane blew the whistle and the battle was on, playing on an ideal field with ideal weather conditions.

"U" SECONDS TAKE 26 TO 0 GAME

AGGIE SECONDS PLAY A HARD GAME — GOOD CROWD OUT.

The local seconds went down to defeat in a hard fought preliminary game last Saturday morning to the University Seconds on Dacotah field. The weather conditions were the best and both teams were well supported by the rooters during the first half of the game, but they had to leave on account of the noon hour and the teams fought the second half out alone.

The local seconds played a hard and fast game but the U bunch just naturally seemed to pile up the score.

The game follows:

A. C. Seconds appeared at 10:58. Coach Schroeder at 11:02. Ex-Captain Olson at 11:07. U. N. D. Seconds at 11:08. Game started at 11:15.

U. N. D. kicked off and the A. C. returned 15 yards. Powell fumbles and U recovers the ball. Butler makes 20 yards. Williams no gain. U fumbles for 20 yard loss. U off side. Incomplete pass and U kicks. Powell returns 20 yards but fumbles and ball is recovered by A. C. Powell 5 yards. Powell no gain. Slingsby no gain. A. C. punts. U returns 10 yards. U off side. Butler goes 30 yards. Williams goes 2 more. Payne no gain. Ball goes over and Gaxette goes for 10 yards. Nickols fumbles, recovers and goes again for no gain. U off side. Nickols 10 yards. Powell 3 yards. Gazette no gain. Nickols no gain. Fumble ball goes over and Butler goes for 10 yards. Williams 5, Butler 8, and Houston for no gain. Williams 5 yards. Britton goes in for Mockler. Payne no gain and quarter ends.

Second Quarter.

Ball in play at center of field. A. C. ball. First play 10 yards and on second no gain. Powell 10 yard loss. Aggies kick 25 yards. U fumbles. U kicks 30 yards. A. C. fumbles U gets ball. From here the U. N. D. worked right down the field for a touchdown and kicked goal. U kicks off. Bad pass nets Aggies no gain. Slingsby through center and fumbles. U ball. Williams goes for 4 yards and again for no gain. U kicks 40 yards. Powell downed in tracks. Aggies make bum pass, followed by two more bum passes and U gets the ball. Williams 25 yards around end. U penalized 15 yards for holding. Williams for no gain.

ENTERTAIN VISITORS AT RECEPTION

AGGIE STUDENTS DO BEST TO MAKE DAY PLEASANT FOR U FANS.

Saturday morning the Cadet Band was down town at nine thirty and they were met on the corner of N. P. Ave. and Broadway by about three hundred students who paraded the town with them and then went to the Great Northern Depot where they arrived just as the special from the Forks pulled in at the station.

And as the train pulled in the Cadet Band played, On Wisconsin, the U favorite song. From there both bands with the students following marched to the college in a procession about two blocks long, where they all witnessed the game between the second teams.

In the evening after the game and before the University students had to leave for the Forks the Aggies entertained them at a reception dance. The Cadet Band furnished the music for the evening and after the reception the students went down to the Great Northern Depot and gave the U Special a send off, thus completing one of the biggest days of the year.

F. C. vs. A. C.

It is indeed a very regrettable fact that we have had to have the apparent trouble with Fargo College that has arisen as a result of the swimming contest held in the Stadium some time ago, between our Aggies and the Fargo College. It seems too bad that arrangements could not have been made so that the game could have been played on a field with better conditions than those the two teams had to play under. We realize fully well that the Fargo College management are not responsible for the weather, but at the same time we cannot help but feel that it would have shown a spirit of fairness for them to have accepted the proposition of playing on Dacotah Field as offered.

As has been stated before, the Aggies offered to play Fargo College on Dacotah Field the afternoon of the day that the game was scheduled for, or on Nov. 6. Their management would not accept either of these propositions but wanted to play Monday afternoon. This our team could not do and they knew it. We had the game scheduled with the University for the following Saturday and could not afford the time that would necessarily be lost by playing Monday. Our field was in fair shape and would have offered far better opportunity for a game.

The resulting game was a farce and was certainly not the right way to treat the football squads of either school. The game ended in a tie and the Fargo College management without coming to the Aggies went to the newspapers and practically challenged us to another game, with specifications that we play the game in their Stadium. A committee was appointed from here to meet their committee but they could come to no conclusions. We feel that the Aggies are willing to place the matter in the hands of an arbitration committee.

Fargo College refused to play on Nov. 6th or 8th.

They refused to play on Dacotah Field when they knew it would be far better than their own.

They refused to come to any kind of a reasonable agreement with our committee.

We don't think that there will be another game.

In bringing Walker Whiteside to the Agricultural College, the Edwin Booth Dramatic Club is attempting one of the biggest and most commendable enterprises which has ever been tried by a student organization at the Agricultural College. It is doing a great service to the students and to the people of Fargo and of the state in giving them an opportunity to see an actor and witness a play which are world famous and which represent the best in the modern dramatic field. The Spectrum wishes to congratulate the Dramatic Club on their enterprise. It means a great deal of work and responsibility for the members of the club and they should receive the united support of the students of the Agricultural College and of the people of Fargo.

CRACK SQUAD NEW MEMBERS

ARE MAKING EXTENSIVE PLANS FOR THE COMING YEAR.

After quite a long series of rigidly competitive try-outs, this year's Crack Squad has at length been selected. The material was greater in both quantity and quality than ever before, and it was very hard indeed for the old men to cull out the necessary number so capable and evenly

matched was the material, but the new men finally selected were: Hilmer Bruegger, Fred Senechal, Chas. Amidon, Dan Brown and Private Rourke. The drill has progressed very satisfactorily so far, and when the boys get togged out in their swell new uniforms, the college will certainly have an organization of which to be proud. The first public appearance of the squad will probably be at the Grain Growers' Convention in January, and after that a number of trips are anticipated, altho no definite arrangements have been made.

The old men to retain their places this year are: Arnold Christinon, Warren Dodds, Royal Drummond, Roy Dynes, Melvin McGuigan, Frank Peters, Theo. Stoa and Max Waldron.

Under Major Anderson's wise tutelage this year the squad is working hard, and hopes are at present to put on an exhibition before the end of the year.

Mr. Iver Musgjerd from the U. of N. D., spent the week end with Miss Olivia Wild.

Mr. Joe Radcliffe of Leonard, N. D., spent Saturday and Sunday renewing acquaintances with old school friends and with his sister, Mary.

Miss Barbara Hutchison from the U. of N. D. spent Saturday and Sunday with her sister, Agnes.

Miss Hadley will speak at the Y. W. C. A. Tuesday evening.

President Worst addressed the young ladies of the Hall on "Student Government". His address was very instructive and was enjoyed by the young ladies. After the address several "yells" were given to show the President how we could do things.

An informal party was given for the girls of Oeres in the "gym", Thursday evening. The Hallowe'en festival air prevailed. The girls were met at the head of the stairs by ghosts who escorted them, one at a time, into the "gym", where various stunts were pulled off. After all had assembled, ghost stories were told, after which dancing was indulged in. A very good time was enjoyed by all. The party was given by the Social Committee of Student Self Government Association, the chairman being the vice president. This was the first of a series of parties which have been planned for the school year.

For dress occasions, the high-button boot still retains its vogue. The variety of leathers, leather or fabric tops, colors and combinations of color, in which this popular fashion reaches the very apex of perfection, is exemplified in our broad assortment.

HALLOWEEN PARTY
MAKES BIG HIT

SONGS, GAMES AND DANCING
PLEASE LARGE NUMBER OF STUDENTS.

On Friday last the first faculty party of the season occurred, the affair being in the nature of a Halloween party and dance. The decorations were in good taste and appropriate for the season, the lights being shaded by jack o' lanterns of ferocious physiognomies, and the hall ornamented in various places with shocks of corn; card tables, fortune tellers' booths and mysterious side shows were placed in different parts of the room for those whose social instincts inclined that way. A preliminary program of a decidedly novel and surprising nature was first indulged in, the first number a couple of songs by the Treble Clef Club, who were arrayed in striking and stunning witches' costumes. Miss York rendered in a very vivid and hair-raising manner two humorous ghost readings. After that the male quartet sang some selections, the boys being costumed in ghosts' and devils' costumes. During the rendition of all these numbers the hall was in complete darkness except for a lime light shining down upon the stage. Professor McArdle and President Worst then gave short talks describing the purpose of the faculty in giving these parties and assured the students that it was their earnest endeavor to let everyone have a good time at these social gatherings, and that the nature of the entertainments would be varied to please the majority rather than the few. Any skepticism in the minds of the students as to the intentions of the faculty in giving the parties was immediately put at rest upon hearing these talks.

After this program, the orchestra struck up and dancing was participated in until the close of the entertainment. The circle and robber two-steps were greatly appreciated by the dancers, these forming a welcome variation to the standard dances, but the quadrille was found quite impossible to master. During the evening refreshments consisting of apples, cider and doughnuts were served. If any one says he didn't have a good time at the party, just put him down as being a professional and hopeless grouch.

Mr. Edgar Olsen visited with his sister, Miss Ruth Olsen, Saturday and Sunday. Mr. Olsen came down to take in the U.-A. C. game Saturday.
