Fargo College Game Ends in Tie of 0-0

Gruelling Battle Played on Muddy Field. Aggie's Make 187 Yards to Fargo College 91.

The Game in Detail.

Last Saturday occurred one of the most uncivilized specimens of a football game ever staged in the north-west.

Witness, a mud covered half back, propelling himself by means of his mud, covered feet, across the mud covered field, holding the mud covered ball, between his mud covered arm and side, while his mud covered hand was smearing the mud covered face of his mud covered opponent, and the mud covered referee madly blowing his mud covered whistle while he separated the mud covered men. Twas a beautiful sight.

For the first time in the history of the two institutions the game was played on a day like that when arrangements might have been made that would have avoided all of it. The Aggies offered to play the game either Saturday afternoon on the Dacotah field where they could have at least played on the grass rather than mud, or to play them two weeks from last Saturday. But the F. C. management would not listen to that as they wanted to play Monday afternoon or on the day the game was scheduled for on Fargo College field. But at 1 o'clock on the day of the game the F. C. was ready to postpone the game until Nov. 8, as Woods wished to do in the first place. But as the A. C. were all ready for the game it was too late.

The field was in the worst possible condition. Having just been graded in this fall it was not thoroughly packed and the loose soil soon worked up with the amount of water that was lying on the field, to form a very slippery surface, so that it was impossible for a man to get under headway. However, under these conditions the Aggies proved to be superior in their work, and had it not been for penalties and time being called would have scored twice. The only Fargo college man that kept his feet for any length of time was Rusch and at that he did not gain any ground. While on the other hand the Aggie backs broke away several times for good gains. Most of the game was played in the Fargo college territory and several times the Aggies were within three or four yards of their opponents' goal. But here the Fargo college team would tighten up and hold the Aggies.

The Game.
At 2:45 the teams ran out onto the field for a short work out but soon ran back again and then a short conference was held and at 2:55 the game commenced with the Fargo college kicking off to the Aggies. Stickney kicked off to Barchus who returned the ball 10 yards. Odell hit the line for 4 yards. Barchus went thru for another 4 yards, and Shorty took the ball on a twenty yard journey at the end of which every man received one of the latest Stadium Mud Shampoos. Bolsinger made 2 yards. A. C. penalized 5 yards. Barchus thru 5 yards. Odell 15 yards around. Bolsinger 2 yards thru. Odell 5 yards, thru tackle. Stickney tried a forward pass. A. C. penalized 5 yards. Bolsinger thru 5 yards. A. C. penalized 5 yards. Nelson hit the line for 2 yards. Torson followed up with 5 yards more. On the next play old Sock Abbot went over the line and downed Nelson in his tracks. Nelson took the ball 2 yards thru and it went over. Calkins made 2 yards. Bolsinger slipped in getting started and only made 1 yard. Odell tried an end run with no gain. Calkins made 5 yards and the ball went over. Weum goes thru for 9 yards. Sim makes 3 yards

on tackle around. Boyce is downed in his tracks. Torson goes 2 yards. Weum hits the line for no gain. F. C. penalized 15 yards for holding. Weum hits line for 3 yards. Edwards and Dick go over line and treat two F. C. men to mud massages. F. C. punts, Odell returns punt 10 yards. Bolsinger around for 1 yard. Odell thru for 3 yards. Odell for 6 more. Bolly makes 3 thru and Barchus follows up with 1 yard more. Odell swims around end for 5 yards. Calkins goes for 4 yards more. At this time Aivaisian was taken out of the game for F. C. and Nelson was substituted, being the only man taken out of the game for injuries. Odell 1 yard and goes again for 3 yards. Bolsinger makes 1 yard. Calkins to Bolsinger, the only successful forward pass of the game nets the Aggies 4 yards. Ball goes over on F. C. 7 yard line. Nelson hits the line for no gain. F. C. kicks 20 yards to Odell who fumbles and F. C. regains the ball. End of first quarter with the ball on the F. C. 20 yard line.

Second Quarter.
F. C. ball. Weum hits the line for 6 yards and all get a mud tonic. Torson makes 3 yards on the next two plays. Weum hits the line for 2 yards. Torson follows with 3 more. A. C. penalized 5 yards. On the next play Weum makes 2 yards. Torson again makes 3 yards. At this point Abbott goes thru the line and gives Boyce a mud rub for a big loss. Ball goes over. Odell makes 8 yards thru center. Shorty follows with 3 yards more. First down and Bolsinger goes for 2 yards. Barchus follows for good gain but fumbles ball which is recovered by F. C. Weum makes 3 yards. Boyce makes 1 yard thru center. Ball is fumbled but F. C. regains. Weum is thrown for a loss and Torson adds no gain. At this point the A. C. line plays stone wall and throws Weum for another loss. Torson kicked to Barchus and every one gets a shower bath from mud puddle. Calkins made 3 yards on the next two plays. A. C. penalized 5 yards. Bolly hits the line for 5 yards. Abbott kicks 20 yards. F. C. ball on the 7 yard line. Nelson makes 1 yard. Torson makes 2 yards. F. C. fumbles and Kelly recovers for A. C. Bolsinger goes for 6 yards and Odell follows for one more. Bolsinger hits the line for 1 yard. Abbot's attempt at punt is blocked but Abbot recovers. Bolsinger hits the line for no gain. Calkins then makes 3 yards and half ends with A. C. in possession of the ball on the F. C. 3 yard line.

The crowd made themselves comfortable during the intermission yelling and joshing and trying to keep warm. The rain stopped at this time and before the end of the second half Old Sol had taken a look at the game himself to see how it was progressing.

Second Half.
Perry for the Aggies was replaced by Billings and Berner went in for Barchus. No change in F. C. lineup. Abbot kicks off for 10 yards. Torson failed to gain. Weum made 5 yards. Boyce failed to gain and a forward pass went bad and the ball went over. Bolsinger goes for 5 yards. Odell makes 3 more. Bolsinger makes a nice run for 7 yards. Forward pass and F. C. gets ball. F. C. tries a forward pass but it is intercepted. Torson hits the line for no gain. Weum follows for 1 yard. On an attempted punt Torson is thrown for a 10 yard loss by Billings. A. C. ball. Berner hits the line for 2 yards. F. C. penalized. Parizek is replaced by Jensen with ball on F. C. 20 yard line. Bolsinger

POLYTECHNIC MEETING

Prof. Richards will give a demonstration on types and breeds of live stock, at the judging pavilion, Wednesday, Oct. 29, at 8 o'clock.

shoots off tackle for 3 yards. Odell follows for 1 more. Calkins fails to gain. F. C. recovers ball on fumble on the 15 yard line. Torson fumbles and Boyce recovers. Torson hits the line for no gain. Weum hits the line for no gain. F. C. tries a forward pass, but Jensen on a sensational basket ball jump intercepts the forward pass and it is A. C. ball. A. C. fumble's on the first down and F. C. recovers. Weum hits the line for no gain. F. C. tries forward pass which is incomplete. Nelson is thrown for a loss on F. C. 3 yard line. Colby put in for Torson of F. C. F. C. ball ball. F. C. punts to Odell who fumbles but A. C. recovers. Berner hits center for 1 yard. Bolsinger follows for 3 more and Calkins goes around end for 2 yards. Forward pass, Bolsinger to Odell and nets A. C. 6 yards. A. C. loses the ball on a fumble.

Fourth Quarter

Weum hits the line for 6 yards. Nelson goes for 1 yard. Weum again for 1 yard and free fumble follows in which Calkins files into mud covered mass but F. C. recovers. Colby makes 1 yard. Colby again for no gain and Aggies get ball on a fumble but lose it on the first down. Colby makes 1 yard and Nelson goes for 2 yards more. Boyce is replaced by Rusch and is A. C. ball. Bolsinger hits the line for no gain. Odell makes 2 yards and Calkins follows with 1 more. Odell replaced by Armstrong. Barchus replaces Berner. Stickney breaks thru and throws Armstrong for a loss. Ball goes over. Weum hits the line for no gain and A. C. gets the ball on a fumble. Bolsinger then slides thru for 2 yards. Bolsinger follows with 4 more. Calkins makes 2 yards. Armstrong follows up with 3 yards more. A. C. penalized half of the way to their goal. Gratiot replaces Bjornson. Abbot kicks to F. C. and Bolsinger makes a pretty tackle. F. C. ball and Rusch makes 2 yards. A. C. gets the ball on a fumble. Barchus made 2 yards. F. C. penalized 5 yards and Barchus hits the line for no gain. Bolly hits the line for no gain. F. C. penalized 5 yards. Barchus thru the line for 4 yards more. Armstrong makes 4 yards. Armstrong thrown for 5 yards loss. Forward pass nets the Aggies nothing. Another forward pass to Armstrong and he fumbles. F. C. ball. Nelson hits the line for no gain. Torson makes 1 yard off tackle. A. C. gets the ball on a fumble. Forward pass, Shorty to Armstrong, and he fumbled. Game ends with the Aggies in possession of the ball on the 40 yard line.

At no time during the game did Fargo college get within our 40 yard line, while the Aggies were within their 30 yard line except at the kick offs and when penalized half the length of the field. The Aggies got their plays off with much more snap than did the Hill school and Kelly certainly showed what he was made of by the way he passed that ball in the condition that it was in and he very noticeably outplayed Rolf. During the greater part of the game the Aggie line held far better than did that of the Hill team and only when the Fargo college bunch were in danger of their goal did they show any signs of strength.

The lineups are as follows:
A. C. F. C.
Odell, r. h. Weum
Armstrong
Barchus, f. b. Nelson
Berner
Bolsinger, l. h. Torson
Colby
Kelly, c. Rolf
Edwards, r. g. Neilson,
Aivaisian
Mikkelson, r. t. Sim
Perry, f. e. Murray
Billings
Bjornson, l. g. Stickney
Gratiot
Abbott, l. t. Carpenter
Parizek, l. e. Drummond
Jenson

COLLEGE ORCHESTRA MAKES BIG HIT

REAL SYMPHONY ORCHESTRA THIS YEAR. SEVERAL NEW INSTRUMENTS.

The College Orchestra filled a vaudeville engagement at the Sons of Norway hall on Thursday and Friday nights, furnishing one of the feature numbers in the vaudeville program given under the auspices of the Western School of Expression. The members of the orchestra were in costume and they played Haydn's Toy Symphony and a Selection representing a country orchestra in rehearsal. They appeared on the program as the Wild Rice Symphony orchestra, and owing to the fact that no one from the city of Wild Rice happened to be present at either engagement, they "got away with it." However we cannot resist the temptation at this time to claim the credit that is ours and give the real name of the organization.

In regard to the costumes, everybody said that Dr. Putnam's was very becoming but that it didn't "come" quite far enough, either down or around. Others described the Doctor's make-up as "perfectly scandalous." The rest of the uniforms were entirely in keeping with that of Dr. Putnam.

The College orchestra more approaches the real symphony orchestra this year than it ever has before, in that it has a much larger and better balanced string section than it ever had at this time of the year. The instrumentation of the orchestra is as follows: Five first violins, six second violins, viola, cello, bass, two clarinettes, oboe, two trumpets, trombone, two horns, drums, and piano.

A very fine cello has just been purchased by the college and Professor Darner is doing excellent work on this instrument. This addition to the orchestra will strengthen the string section materially.

FIRST COLLEGE PARTY FRIDAY

HALLOWE'EN PARTY WILL OPEN UP SERIES OF NEW PARTIES.

The first of the series of the parties to be given by the faculty will be given next Friday evening in the college armory. This is to be featured as a Halloween party, and great plans are being made by the committee in charge. The decorations are going to be most fitting for a party of this nature and will be brought in from the fields for the festivities.

This party will be for the faculty and the students of the college and it is expected that there will be a large number in attendance. There will be a number of novelty stunts the first of the evening, and the remainder of the time will be given over to dancing.

The next party following this will be given near Thanksgiving time and the idea of the season will be carried out and featured at this entertainment. The first Monday in January will be held the All College Reception at which the faculty will entertain for the new Short Course students who will have arrived by that time. A colonial party has been planned for the February party at which George and Martha Washington will hold prominent places, and at which all of the students will be expected to costume. The April party will be a Masque Ball April Fool party and this series of parties will no doubt furnish a fine series of entertainments for the students.

The student enrollment has about reached the 600 mark during the past week. One hundred twenty new students have registered so far in the farm husbandry and power machinery courses, and eighty of the second and third year classes have returned.

U. N. D. GAME SAT. NOV. 1st

CHAMPIONSHIP TITLE WILL BE AWARDED AT DACOTAH FIELD.

The final state championship game will be staged on Dacotah field next Saturday for the first time in its history. It is reported that the "U" supporters are coming down here strong and in this case we want to be ready for them and make old Dacotah field feel the spirit of the day.

We are hot after the University this year and it is up to us to win the state title, and we certainly should stand a good show with a good day and good field on a good team.

In fact we have got to win it. First, because, (although we outplayed them in every respect of the game), the "U" won from us last year. Second, because it means the state title for the A. C. Third, because we want to prove to our coach that he has not erred in placing his confidence in us.

Last Saturday was the first time that we were able to see our own team in action against an opponent and we are proud of them for the showing they made and we know that they will do their best in the coming battle. Even at that we did not see the real ability of our Aggie warriors, because of the fact that they were playing under the most adverse conditions.

The fact that the N. D. U. played the game that they did last Saturday against the Minnesota "U" team speaks very well for them and looks bad for the Aggies. All of the regular Minnesota men were in the game and this seemed to make no great impression upon the North Dakota men. The North Dakota men have shown a great improvement in the last week and will no doubt improve greatly this coming week because of the bright outlook for them and the great chance that they have for the state title again this year.

This game is going to be as hard if not harder for the team to win than was the game last Saturday, because of the fact that the "U" beat us last year and they are going to do everything in their power to put one over on us next Saturday. True, we have the advantage of our home field, but the "U" is coming down here strong and the students have been getting behind their team up there this year as they never have before. All of these things count and the game promises to be one worthy the name.

The fact that they held the fast Hamline team to a 14 to 3 score and the St. Thomas team to a 6 to 0 score is certainly an indication that they have a fast bunch and a dangerous kicker. True, they were defeated by a large score in other games but they were in poor shape in the Carleton game and not in very good shape in the Minnesota game.

Last year they won the state title by the aerial route and Coach Archer has been spending a good deal of his time in perfecting this part of his present machine. However, the Aggies are going to try hard to wipe out the blot of the game last year and are going after the game hard.

ALPHA ZETA IN ANNUAL BANQUET

In their annual banquet the Alpha Zeta Fraternity entertained at the Copper Kettle Inn, last Thursday night in honor of their honorary members, alumni, and initiates. A neat program announced a well chosen program of after dinner speeches, and President Worst, Professors Waldron, Dynes, Chase, and Secretary Thomas Cooper of the Better Farming Association responded with good toasts. Hal Pollock spoke in behalf of the fraternity and Roy Dynes acted as toastmaster of the evening.

Miss Rudd was the recipient of two massive letters from Spearfish, S. D., Saturday, which is more than she generally receives in a day.

Adolph Tietgen purchased a 4-cylinder Oakland car recently.

COACH WOODS.

The fact that we have a great coach in Coach Woods was demonstrated last Saturday when he met Coach Watkins at his own game and went him one better. Altho Watkins backed water about 2 o'clock it was too late and he had learned a dear lesson.

In Coach Woods we have a man whom the students really admire as was witnessed by the great crowd of fully 300 students who thronged the Stadium long before the game commenced last Saturday and patiently waited in the rain for the game to begin. The reason they were there was because of the fact that Coach Woods got up in chapel and won their admiration for himself and the team and they would have stood in a blizzard if necessary to show that they were with them.

In Woods we have a man who is in for clean athletics from the word go and about the last words he said to his men before the last game were, "Fight to a finish and fight fair and the first man that I see playing unfair comes off the field." We are proud of our coach and we know that the team would go thru everything for him. Last Saturday's game proved this. As the coach stated at the last rally the men would play on the field until they had to be carried off and it was this spirit that helped us make the good showing we made last Saturday and that will help us to make a good showing next Saturday.

PRINTERS MOVE—SPECTRUM LATE

Owing to the fact that our printers are moving into new quarters this week, this issue is somewhat late. However, with the new location and conditions they will be able to have the issue out promptly on time in the future.

PROF. RICHARDS TO TAKE LEAVE

GRANTED YEAR'S LEAVE OF ABSENCE BECAUSE OF ILL HEALTH.

Prof. Richards of the Animal Husbandry department of the college, has been granted a year's leave of absence by the Board of Trustees, to commence on Nov. 15th. Prof. Richards asked for this leave because of ill health, and it was deemed that it would take this length of time to produce a complete recovery.

Prof. Richards' illness has covered a period of two years and he was very much in hopes that his leave of absence of three months last fall would remedy the difficulty, but it failed to do so. We very much regret the fact that Prof. Richards is to leave us for a year, and we sincerely hope that he will regain his lost health.

NOTICE.

Through the kindness of the A. G. Grocery we were able two weeks ago to secure the results of the Aggie's Brookings game by quarters. Because of a rush in getting the material for last week's issue to press this was overlooked in last week's issue. However, we wish to take this opportunity for the students of thanking the A. C. Grocery for their kindness to us, and also for their interest shown in the college and the students.

THE WEEKLY SPECTRUM

Published every Tuesday of the school year by the students of the North Dakota Agricultural College, at the Ulsaker Printing Company, 515 Second Avenue North, Fargo, N. D.

REAL SPIRIT.

Last Saturday the students of the Agricultural college made the greatest showing at the Stadium that has been made for years by a student body of this school and we certainly did show the citizens of the city that we are alive out here and are with our team to the finish. We had the Fargo college roster outnumbered just double and we were there before our team was doing our best to make everybody else cheerful.

Let's keep up this spirit. It helped the coach and the team last Saturday and if they ever needed it they needed it then. They are going to need it next Saturday and we are going to be there with the goods. So let's be on hand at the rallies this week and do our best to help win the state title.

COLLEGE PARTIES.

The faculty committee on entertainments will give a Halloween party in the Armory next Friday night. This committee is hard at work to make this affair a pleasant one and they want the support of the student body in their undertaking. The Spectrum believes that the faculty, by taking all of the college social functions in charge, does not mean to take away any of the good times of the students but rather means to give the students a better time than they have ever had before. But the good time a student has at any party will depend largely upon the state of mind in which he attends. If you make up your mind to be bored you can easily find many things to bore you.

These parties which the faculty committee are planning are not going to be boring by any means. Make up your mind to come and have a good time. The new order of social affairs at the college has come about. Boost it and the students will have a bigger and better social life than they ever had before.

FARGO COLLEGE AGAIN.

There is a very small chance that we will play Fargo college again this year but nothing seems to be definitely known as yet. Coach Watkins seems to want another game. No authoritative statements have been given out as yet however.

OUR MEN

Kelly. Third year upon the varsity. Former star at Burlington, Ia., High school. Kelly has been holding a guard position for three years but this year Coach Woods shifted him to the pivot job where he has been doing good work.

Bolsinger. Three years on the varsity with three years amateur experience at Burlington with Kelly. He has shown us in the past to be fast and is still holding this reputation.

Perry. Second year on varsity and also hails from Burlington high. Scoop is a fast man but has been hindered this year somewhat because of a bad ankle. He is fast rounding into shape and will probably be in the lineup Saturday.

Edwards, (Captain). He is playing fourth year on the varsity. Edwards, always a hard and fast player is being banked on for a stone wall Saturday.

Mikkelsen. Promoted to the varsity from the scrubs this year. He has proven to be one of the strongest defensive players on the line this year.

Gratious. Another recruit from the scrubs this year. He is playing his first year on the varsity, and is next to the heaviest man on the team. He is fast assuming the attitude of a veteran.

Abbot. Comes to us from the Sioux Falls High, where he played a tackle position. All we know about him is what he has done in the past two games, which is beyond criticism.

Odell, also hails from Sioux Falls. While on the varsity he has shown himself to be one of the fastest men on the field. He is the heaviest man in the back field.

Parizek. Third year on the varsity. Ed, while being one of the smallest men on the field is also one of the fastest and can always be depended upon for his share of the work.

Calkins. Shorty comes from Duluth High. Third year on the varsity as the field general, and is proving himself efficient as ever, both at running the team and at kicking goals.

Berner. Comes to us from Fargo High school, where he played as fullback for four seasons. Bud is fast and heady.

Jenson. From the Brookings A. C., where he played halfback on the seconds. Since coming here, he has proved himself to be a valuable man at the end position and is one of the best kickers that ever put on an A. C. uniform.

Mendenhall. First year he ever wore football togs. Mendy is one of the fastest students of the football game that Coach Woods has had and for that reason is on the first squad.

Bjornson. Second year on the squad. Dick is one of the fastest of our line men and when it comes to breaking thru opponents' lines he is there with the goods.

Ostby is playing his third year on the varsity. He is a hard, fast and gritty player. We can depend on Ostby.

Barchus. Comes to us from Valley, where he played on the Normal and all we can say of him is that he tips them right and left in a scrimmage.

Vance. First year on the varsity, having put in three hard years on the scrubs. He is one of the hardest workers on the squad and a squad of Vances would win the state title.

Billings. From Lisbon High, where he was a team mate of Rex Dann of last year's Aggies. Billings has not played in any of the varsity games but will undoubtedly be given a chance before the season closes.

Sherdahl. Never out for football before but is showing great energy and grit.

Morstad. From Mayville Normal and this is his second year out for the team. He is heavy and fast.

"Y" COMMITTEE BANQUET.

Last night the newly organized Association committee of the College Young Men's Christian Association held a dinner in Ceres hall. The guests included in addition to those to hold a dinner in Ceres hall. The guests will include in addition to their thirty-six men composing this committee, the Faculty Social committee, the Board of Directors members, and the Student Cabinet.

At 6:30 the guests at this dinner assembled in the parlors of Ceres hall, from whence they went down to the dining room. During the progress of the dinner the Association quartette rendered selected numbers. Toasts were heard from Mr. George Gustafson, president of the Association; Prof. I. W. Smith, chairman of the Board of Directors; Pres. J. H. Worst, president of the Agricultural college; Mr. Dean Mendenhall, chairman of the Department of Administration; and Mr. John L. Childs, International Committee secretary of the Young Men's Christian Association. Mr. Ray Sweetman, general secretary of the local association acted as toastmaster.

THE SLASH SKIRT.

I am no prude, but I'll admit the sight of it unnerves. When I see women wearing it Who haven't any curves.

CERES HALL

Miss Sarah Anderson of Adams, N. D., spent Thursday with Miss Marie Engesather.

Miss Gladys Plath spent the week with her uncle, August Plath, on 7th avenue and 9th street south.

Mrs. Gilbert was called to the cities Friday morning on important business. She will return the first of the week.

Misses Hildur Sorenson, Marlon Cox, Agnes Peterson, Isabella Booth, and Elsie Stark dined with Bertha Camp Wednesday evening. A three course dinner was served.

Miss Harriet Mather of Moorhead Normal spent Monday with Miss Louise Clayton.

Misses Lella and Ruth Nelson dined Sunday with Miss Isabelle Booth of Moorhead.

Miss Ruth Nelson furnished special music for the Presbyterian church of Moorhead Sunday.

Mr. Joseph Wild of Osnabrock, N. D., visited with his sister O'iver the fore part of last week.

Misses Bina Foster of Bathgate and Cecil MacDonald of Grafton, visited with former schoolmates the fore part of the week.

Six of the young ladies of Ceres were taken through the Agassiz school by Superintendent of Schools Hoover. The visit was enjoyed very much by the young ladies.

The new student government constitutions were received this week.

Allison Pope called on his sister Winifred, Friday, before leaving for Dickinson where he has accepted a position as teacher.

Mrs. Hoffmann of Beach, N. D., stopped between trains Wednesday, with Mrs. Gilbert and Lucille Morris. Mrs. Hoffmann attended the Valley City normal when Mrs. Gilbert was matron of the ladies' hall.

At the Y. W. C. A. meeting this week, the Lake Geneva delegates will give their reports.

Miss Elsie Frasse spent the week end with her parents at Alice, N. D.

Miss Olga Schmidt spent Sunday with her parents.

Mr. B. A. Fredrickson, of Ada, Minn., visited with his mother, Mrs. Ellen Fredrickson last week.

The number of students enrolled in the Homemakers Course has increased over last year. There are twenty-seven enrolled now.

Last week about fifty visitors passed through the Home Economics department and stayed long enough to look over the course in general. They expressed themselves as very highly pleased with the work we are doing.

The girls of the Junior class have finished their work on fruits and will now begin on special work in general cookery.

After the Federation is over plans will be made to carry on work at the Civic Center under direction of the Home Economics department.

As a branch of the Home Economics division of the Fine Arts Club, Miss Stoner is organizing a Young Women's Auxiliary. This should be of interest to all girls of the college, as well as the young business women of the city.

A new railing has been installed in Miss Hendesy's office which insures her of more privacy.

For dress occasions, the high-button boot still retains its vogue. The variety of leathers, leather or fabric tops, colors and combinations of color, in which this popular fashion reaches the very apex of perfection, is exemplified in our broad assortment.

MODERATE PRICES

Cousins Shoes for women

HALL-ALLEN SHOE CO.

"Dependable Footwear"

107 Broadway Fargo, N. D.

North Dakota Agricultural College

For Completeness of Equipment and Facilities for Instruction is Unsurpassed in the North-West.

THE COLLEGE DEPARTMENT OFFERS

Pharmaceutical Chemistry — Civil Engineering — Mechanical Engineering — Agriculture — Chemistry — General Science — Biology — Domestic Science — Education — Veterinary Science — Medicine and Surgery — These courses are available to those who have completed the equivalent of a High School training. For those who have not had such a training

THE AGRICULTURAL AND MANUAL TRAINING HIGH SCHOOL OFFERS

Complete Secondary Courses in — Agricultural — Commercial — Domestic Science — Mechanic Arts — General Science — Rural Teachers

SPECIAL COURSES

Farm Husbandry, Homemakers, Pharmacy, Commerce, Power Machinery; Special Courses are also offered

A COMPLETE COMMERCIAL COURSE

Is offered all students and its work is so arranged that it may be carried in connection with the regular work of other courses.

THIS COLLEGE offers to the young people of this state an education which is thoroughly in line with modern thought and demands. It spends no time on the dead languages or such subjects as are of little practical value. It aims to fit young men and women who can think and investigate for themselves; who can deal with social, agricultural and industrial problems of the day.

THE LABORATORIES are thoroughly equipped, and the instructors are specialists in their lines. Exceptional advantages are offered in chemistry, physics, botany, zoology, literature, mathematics, and engineering subjects.

Graduates from approved High Schools are admitted to Freshman Class. Tuition Free. Board and Room \$4.00 to \$5.00 per week.

LOCALS

The Castalian Literary Society will meet next Friday at 7:30 in the music hall. All high school girls are asked to be present.

The two high school literary societies will start working on their plays next Monday, as the different members have had their parts assigned to them.

Ray Towle, '11, was a visitor about the campus the latter part of the week. Mr. Towle has been engaged during the summer at the Edgeley sub-station, and left last Saturday, after seeing the big game, for Washington, D. C., where he will spend the winter in the interest of his work.

Jack Nolet, last year's manager of the Weekly Spectrum, is visiting in the city and came in for the Fargo College game.

Charlie Clark made us a short visit last week.

Harold McInstry of Hettinger, who graduated from here in 1910, was a visitor during the past week, and was on his way to Washington, D. C., where he is to spend the winter. Mr. McInstry is connected with the office of Dry Land Farming at Hettinger.

Dean Sheppard and wife left last week for a visit at their old home in Sharidon, Iowa. After a visit there Dean and Mrs. Sheppard will leave for the Dry Farming Congress which is to be held at Tulsa, Okla.

Maurice Winters has returned to school after an absence of several weeks.

Mr. Palmer attended the farmers festival at Hettinger, Oct. 24-25.

The forge shop is running full blast again.

Prof. Donegheue was asked to give a talk at the contest and farm institute held at Kindred last Saturday. Ed Evingson, one of our old graduates, is secretary of the farmers' club in that community and was in charge of the meeting. There were exhibits of corn, grasses, grain, etc.

Prof. and Mrs. Randlett were among the speakers at the Industrial school contest, held at Litchville, Saturday. Prof. Randlett judged the grains and grasses, and Mrs. Randlett the cooking, sewing, etc.

Clarence Williams has returned to school and will finish his college course this year.

Alfred Lee has been engaged by E. C. Schroeder of Dilworth, to make tests of his herd of cows.

Miss Boswell had several young ladies assisting her last week in preparing and printing charts for the International Dry Farming Congress.

SECOND-PLAY GOOD GAME

VALLEY CITY ROUTED BY 28 TO 7 SCORE—"U" SECONDS NEXT.

In a game marked with bits of football sensationalism and otherwise, the A. C. second team defeated Valley City Normal, Oct. 15th, by a score of 28 to 7.

Contrary to beliefs preceding the game, even among the boys themselves, the team as a whole played a strong game, and were it not for changes made in the lineup during the latter half, that as many as possible might be given an opportunity to have a share in the victory, the score may even have been greater, for it was during this stage that Valley City made her only touchdown.

For the A. C. it would be hard to pick any particular stars; each man showing up well and with that characteristic, aggressive fighting spirit ever present, which has meant so much to instill "pep" into the first team.

Homme at quarter showed good generalship, and coupled with his speed, enabled him to get away for a number of long runs. Corbett who acted as his substitute, also ran the team well in view of the fact that he is almost inexperienced. Gazette at fullback, who with Bromegen, the only other man to play the entire game was exceptionally strong in plugging the line. His passes, however, were in need of improvement. Halfbacks Nichols and Morstad played a strong game, the one being exceedingly strong on defense, while the other was a terror to the Valley City line, going through for many good gains. Britton and Powell also showed up well. On the ends the work of Billings and Bromegen deserves recognition, both being fast and aggressive. Bromegen's pretty place kick from the thirty yard line, which started our scoring, was probably the feature of the game. Slingsby, Brightbill, and Mockler in their positions showed up well when they were called upon. Tackles Rosjord and Botsford played a steady game, as did Aamet, Lolland, W. Mendenhall and Aakhus as guards. At center Guy an Plath were ever present.

For Valley City, Smith, the big quarterback was easily the shining light; his generalship and all around ability being noteworthy.

"Dutch" Schroeder will send his warriors against the University second team next Saturday, and we are hoping a reversal of score over last year, when the boys lost in a 7 to 0 game.

FLETCHER MAKES DEEP IMPRESSION

FIRST NUMBER OF CITIZENS' LECTURE COURSE WELL RECEIVED.

No speaker who has appeared at the Agricultural College Armory has shown the marvelous control over an audience that Thomas Brooks Fletcher displayed when he gave his lecture on the "Martyrdom of Fools" here Wednesday night. A wonderful example of this speaker's strong personal magnetism, was shown when during the course of one of his stories he gave a sudden start and stamped his foot on the floor to illustrate a point in the story. The entire audience started out of their seats simultaneously as if a shot had been suddenly fired in the building.

In the first part of the lecture Mr. Fletcher described the Martyrdom which many men have had to suffer, because they advanced ideas ahead of their time or tried to tell the truth where the truth was not wanted, at the hands of the people who called the Martyr a fool but who were really the fools themselves. The speaker said, "In the olden days when a man advanced a new idea or a truth he was burned at the stake. In modern times he is not burned. He is fired." To illustrate this point he told of how ministers of the gospel were often "fired" by the members of the church because they tried to tell the truth from the pulpit instead of tailoring their sermons so that they would not strike at one in the congregation. He also told of how editors of newspapers often lost their positions because of telling the truth about some of the advertisers in the paper or of championing some issue which the advertisers did not approve of.

In the latter part of the lecture Mr. Fletcher described the fools who were martyred by their own foolish ideas and impulses. During this part of the lecture a most powerful appeal was made to the young men to be clean and kill their foolish impulses while they were young. A foolish idea once implanted in the cells of the brain can never be erased and if it is not carefully guarded it will grow until the person will finally be overcome and suffer martyrdom by it.

A large audience greeted the speaker when he ascended the platform and he was given perfect attention until the end of his address. The entire lecture was deeply interesting and one that afforded a great deal of food for thought. It was enlivened by vivid descriptions and with a rare humor that often caused the audience to chuckle or to break out in hearty laughter. At others many wet eyes could be seen. At the end of the address the audience expressed its most hearty appreciation and approval and the Talent Committee of the Citizens' Lecture Course have received many requests to have Thomas Brooks Fletcher here again next year.

The next number of the Citizens' Lecture Course will be Montraville Wood, the man with the Gyroscope and Monorail Car, who will appear in the A. C. Armory Dec. 16.

"BIG BILL" MASON TO SPEAK SUNDAY

At its regular meeting next Sunday, the College Y. M. C. A. will have for its speaker a very unusual man, "Big Bill" Mason of New York, an old railroad man who has not had the advantages of a college education, but who has had a life so full of experience in the world that he can give a real message to the men of the Agricultural College. Mr. Mason has been called to Fargo by the City Association, and it is through their kindness that he is to be at the college. Every man on the campus can well afford to hear "Big Bill" Mason. Sunday, in the Armory, at 2:30. The Association Quartet, which sang at Convocation yesterday, will sing.

The American, British and German governments are considering a proposal just at present whereby the Azores archipelago will be made an international neutral zone.

The wearing of the little green caps by Freshmen seems to be the rule at both the Montana and South Dakota state colleges.

THREE BANDS THIS YEAR

APPOINTMENTS MADE BY DR. PUTNAM. THIRTY-EIGHT IN FIRST BAND.

The following have been appointed to fill the non-commissioned offices in the Cadet Band for the coming year:

Chief Musician, Harold B. Bachman; Principle Musician, John A. Anderson; Drum Major, Reginald Colley; First Sergeant, Roger Amlon; Sergeants, Myron Bachman, Carl Yerrington, Ray Boyd, Roy Boyd; Corporals, Gilbert Stafne, William V. Arvold, Herbert E. Gores, Duncan McLeod, Harold Aslakson, C. F. Guss.

The prospects for a good band have never been better than they are this year. Thirty-eight men are enrolled at present. A large percentage of these are from last year's band and most of the new members are men who have had considerable experience. The band is already doing nice work and it is expected that by the middle of the winter we will have the best concert band here that we have ever had in the history of the institution.

Besides the Cadet Band there are two other bands for the benefit of the students who cannot make the first band. The second band now has 18 members, all of whom have had some experience on their various instruments. The instrumentation of this band is very well balanced and they are playing a good grade of music. It is by keeping up this second band that Dr. Putnam always keeps a number of men at the college who are well prepared to move up and play in the first band whenever a vacancy occurs.

The third band contains 10 embryo musicians who are just learning the rudiments of music. Under the instruction of Messrs. Anderson and Gram, these fellows will soon develop sufficiently to be promoted to the second band and make room for another bunch of beginners which will come into school at the beginning of the year.

It has never been necessary to maintain more than two bands at the college in the fall term before. The fact that there was a demand for three this year speaks well for the reputation our musical department has built up for itself throughout the state. There are but few bands in this state at the present time that do not have one or more members who have received a part or all of their musical training at the Agricultural college.

AFRICA VS. IRELAND— AT THE BROOKINGS GAME

Africa: "Wham am dat white boy? Ah wants to shake him by the hand. He sho am some babe."

Kelly (trying to look more like a bulldog): "Woof! Be Joysocks."

A new auto truck has been purchased by the college to be used by Adolph for the transportation of goods to and from the college. The old motor wagon has outgrown its period of usefulness, and it was necessary to get a larger car. The new machine is a one-ton, 40 h. p., Avery truck, painted bright red.
