Our information regarding Mr. George is very meager. He was born on December 19, 1840. Becoming dissatisfied with his life in the old country he and his family emigrated to America. Their first stop after arriving in the United States was Menno, S. D., from there, with others, they traveled by ox team and covered wagon to McIntosh County, where in 1886 they settled on land about five miles south of Lehr, N. D.

A few household goods, a team of oxen, a wagon and a breaking plow were all the equipment owned by Mr. and Mrs. George upon their arrival at the site of their new home. A sod house was soon erected and by hard work and careful saving a living was made.

Mr. George was married to Katharina Maier prior to his migration from South Russia, she passed away in December, 1888. Later he was married to Rosina Nies.

Mr. George was the father of four children, namely: John H. George, living at Streeter, N. D.; Rosina Erbele, Lehr, N. D.; Jacob H. George, now living in California; Christina Doerr, born October 22, 1880, now living with her husband, Jacob Doerr, Ashley, N. D.
