

Old + **New**

How can buildings that no longer serve their original purpose be reused for a new typology?

Hedmark Museum - Hamar, Norway

Sverre Fehn

High Line, New York City

Recreation Depot

Trail Head

Market Place

Offices

Workshop

Exhibit Space

Locker Rooms

Site

Sauk Centre

St. Joseph

St. Cloud

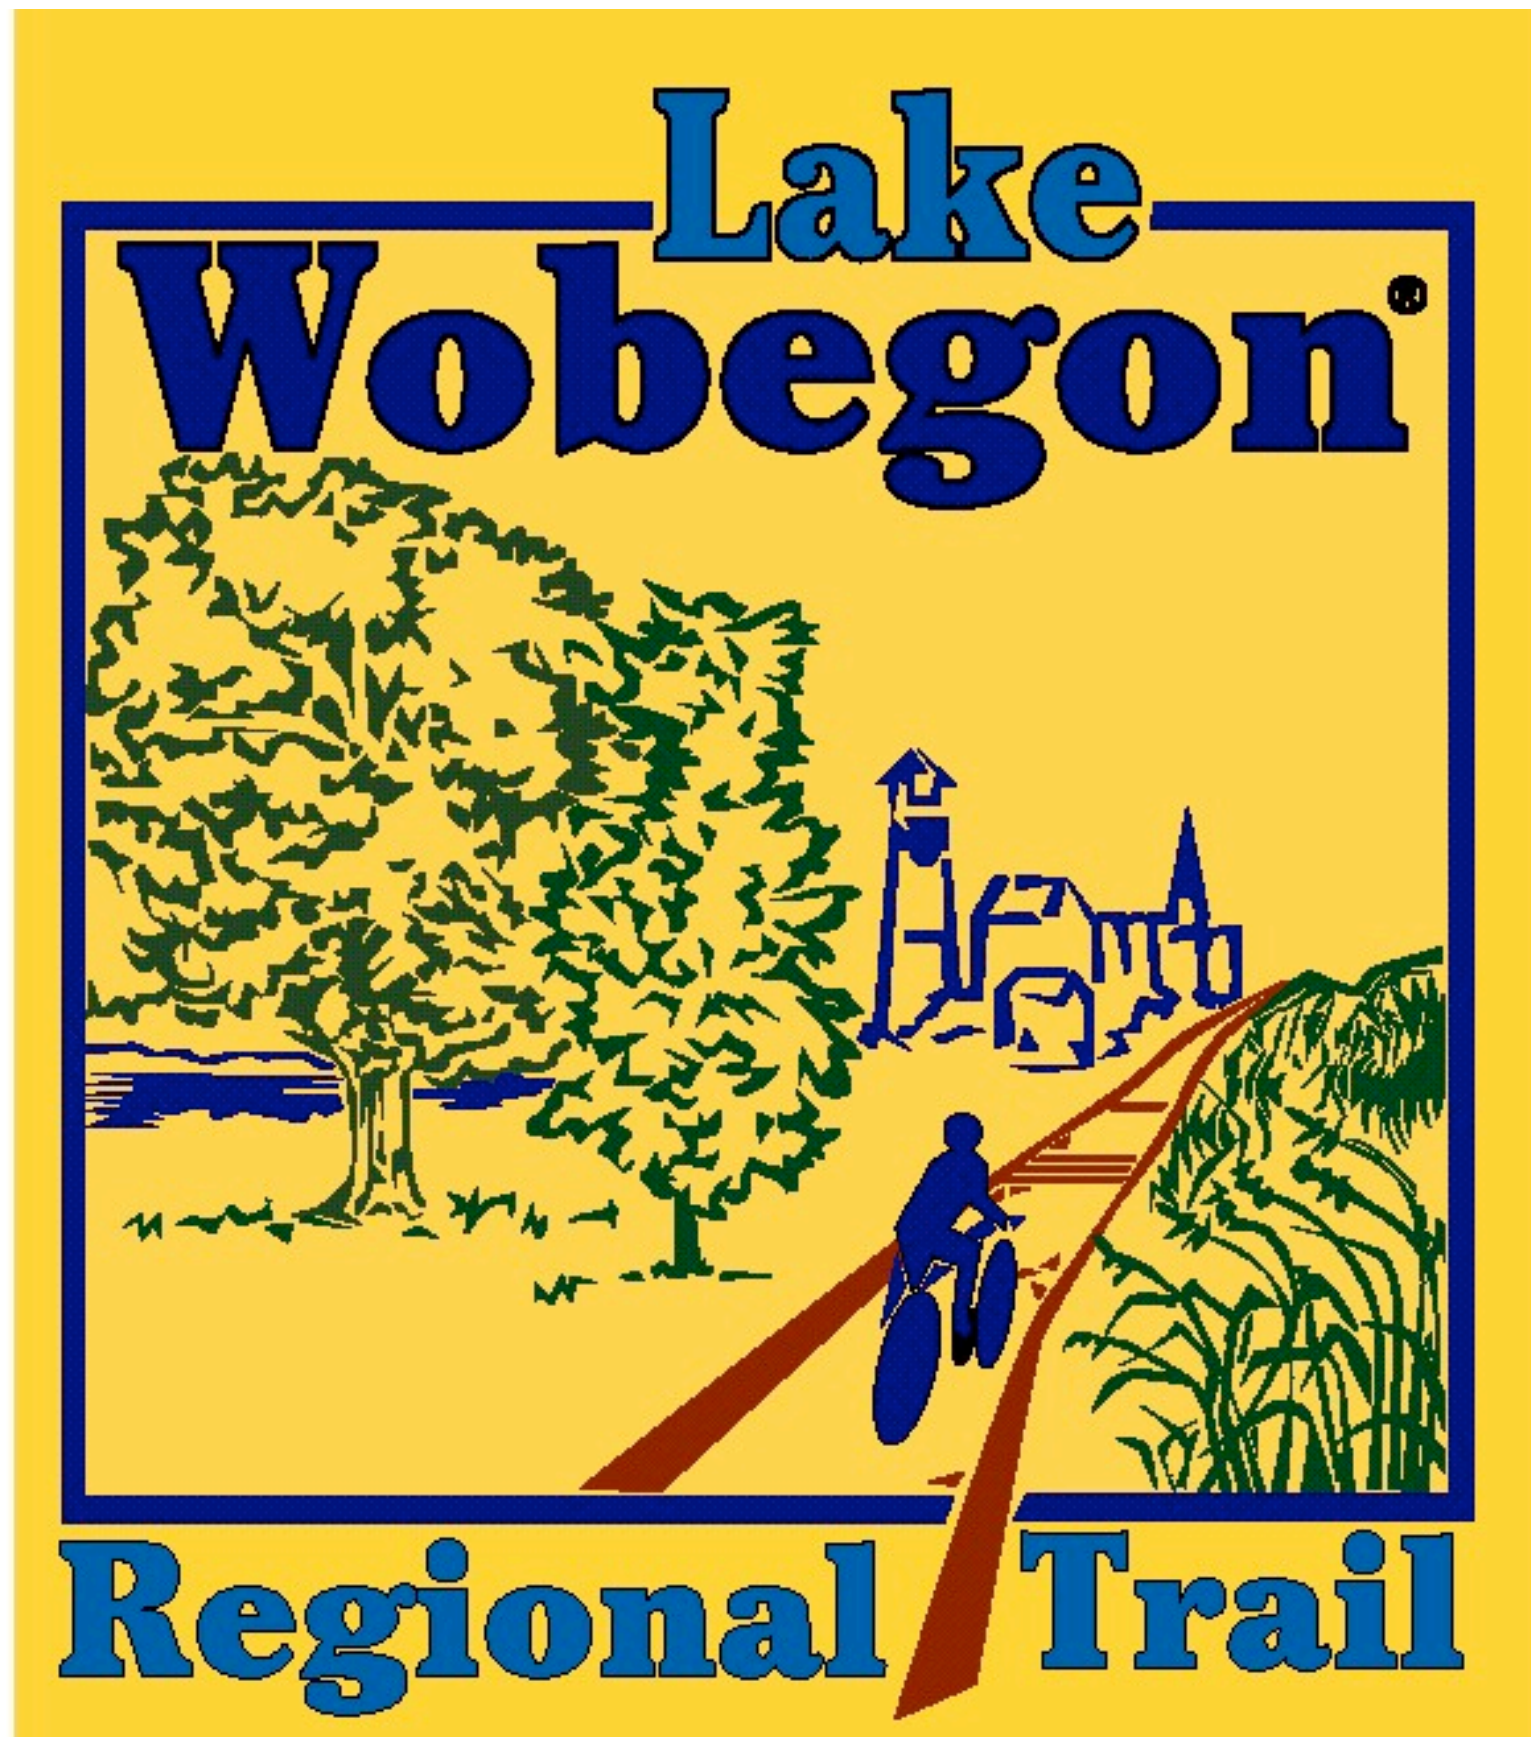

Original Feed Mill Building

Rails to Trails

Opened on September 30, 1998

Named after Garrison Keillor's Fictional town of Lake Wobegon

62 Miles Long from Saint Joseph to Osakis
10 feet wide

Railbanking

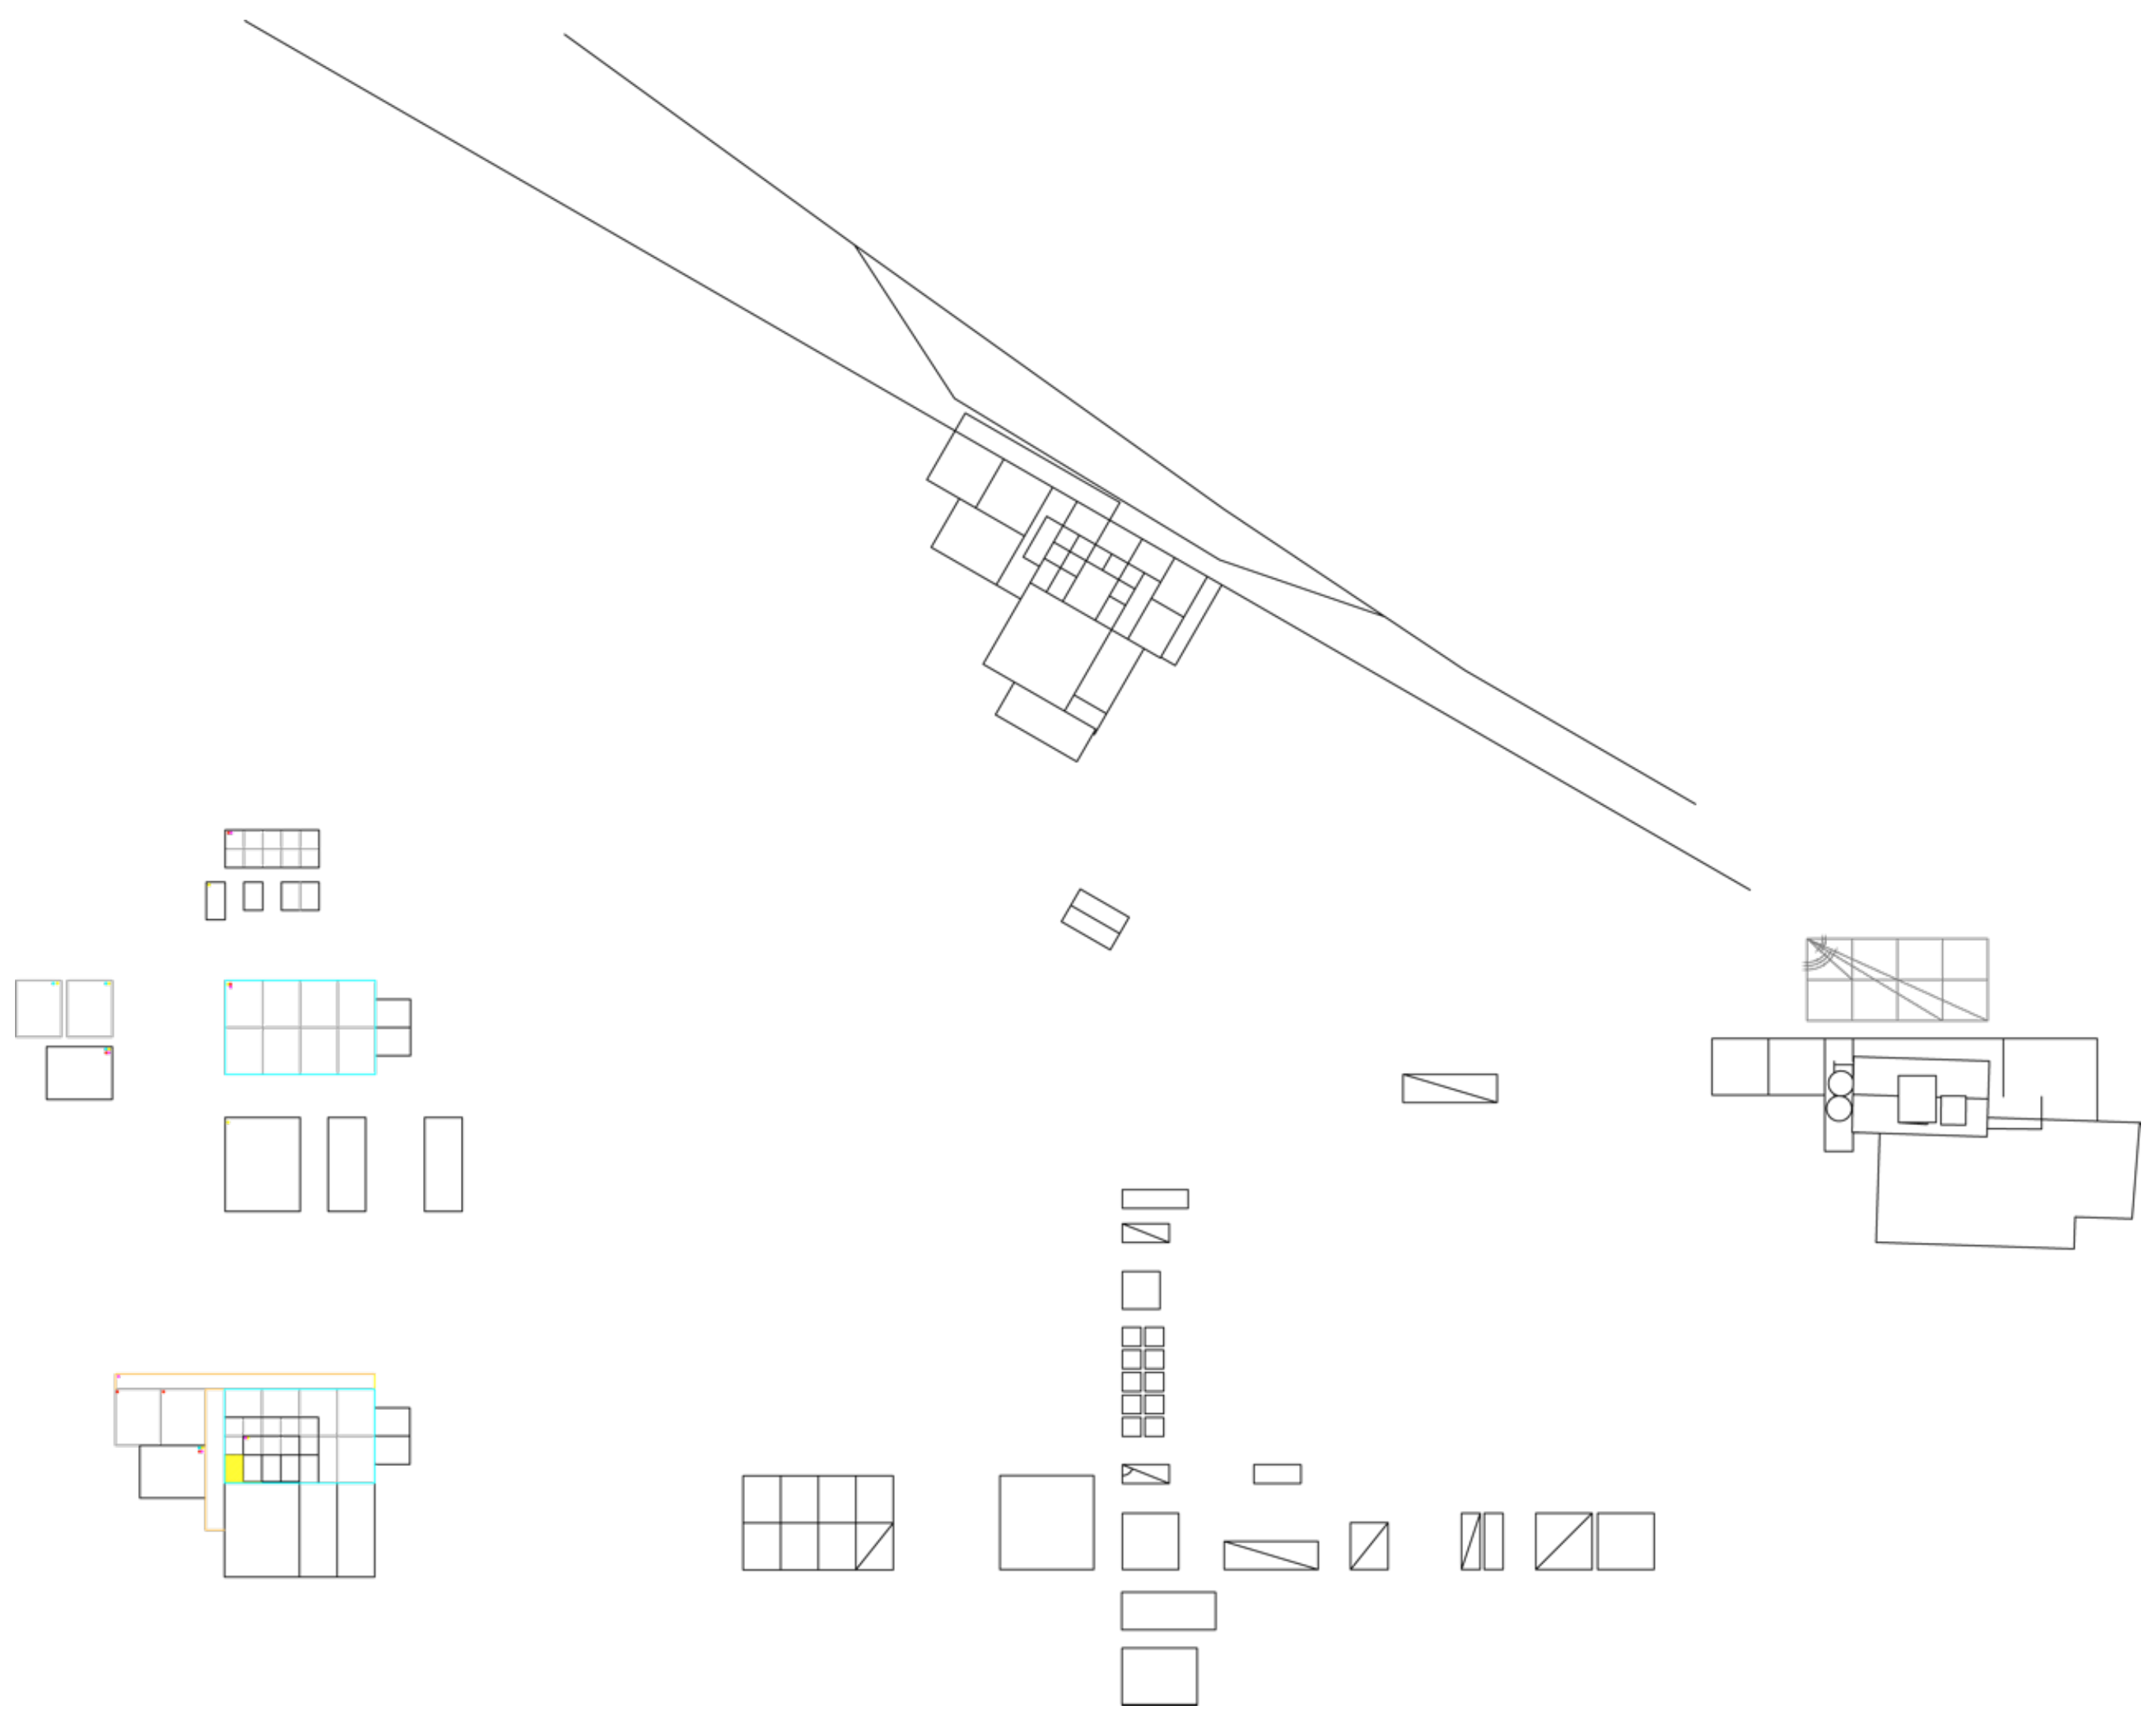

Consolidation of Railways lead to many abandoned rail lines throughout the country.

Legislation made to preserve the right-of-way of these lines.

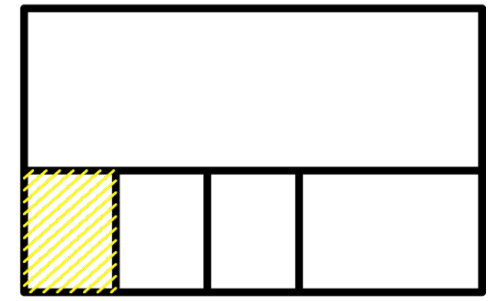

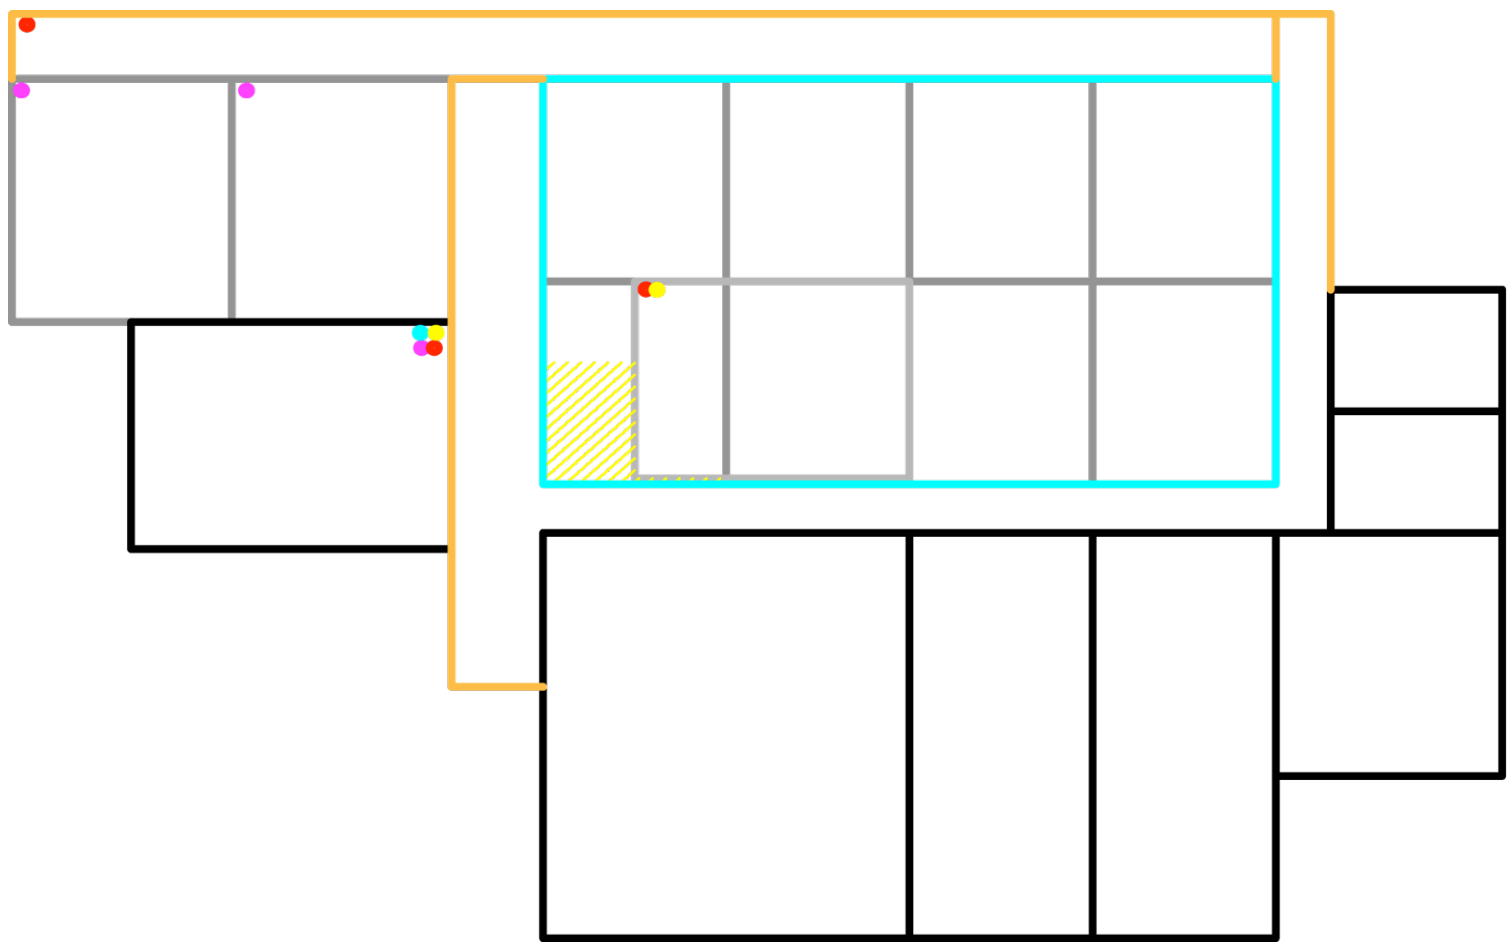

Allowed for easier conversion.

Alternate Eyes

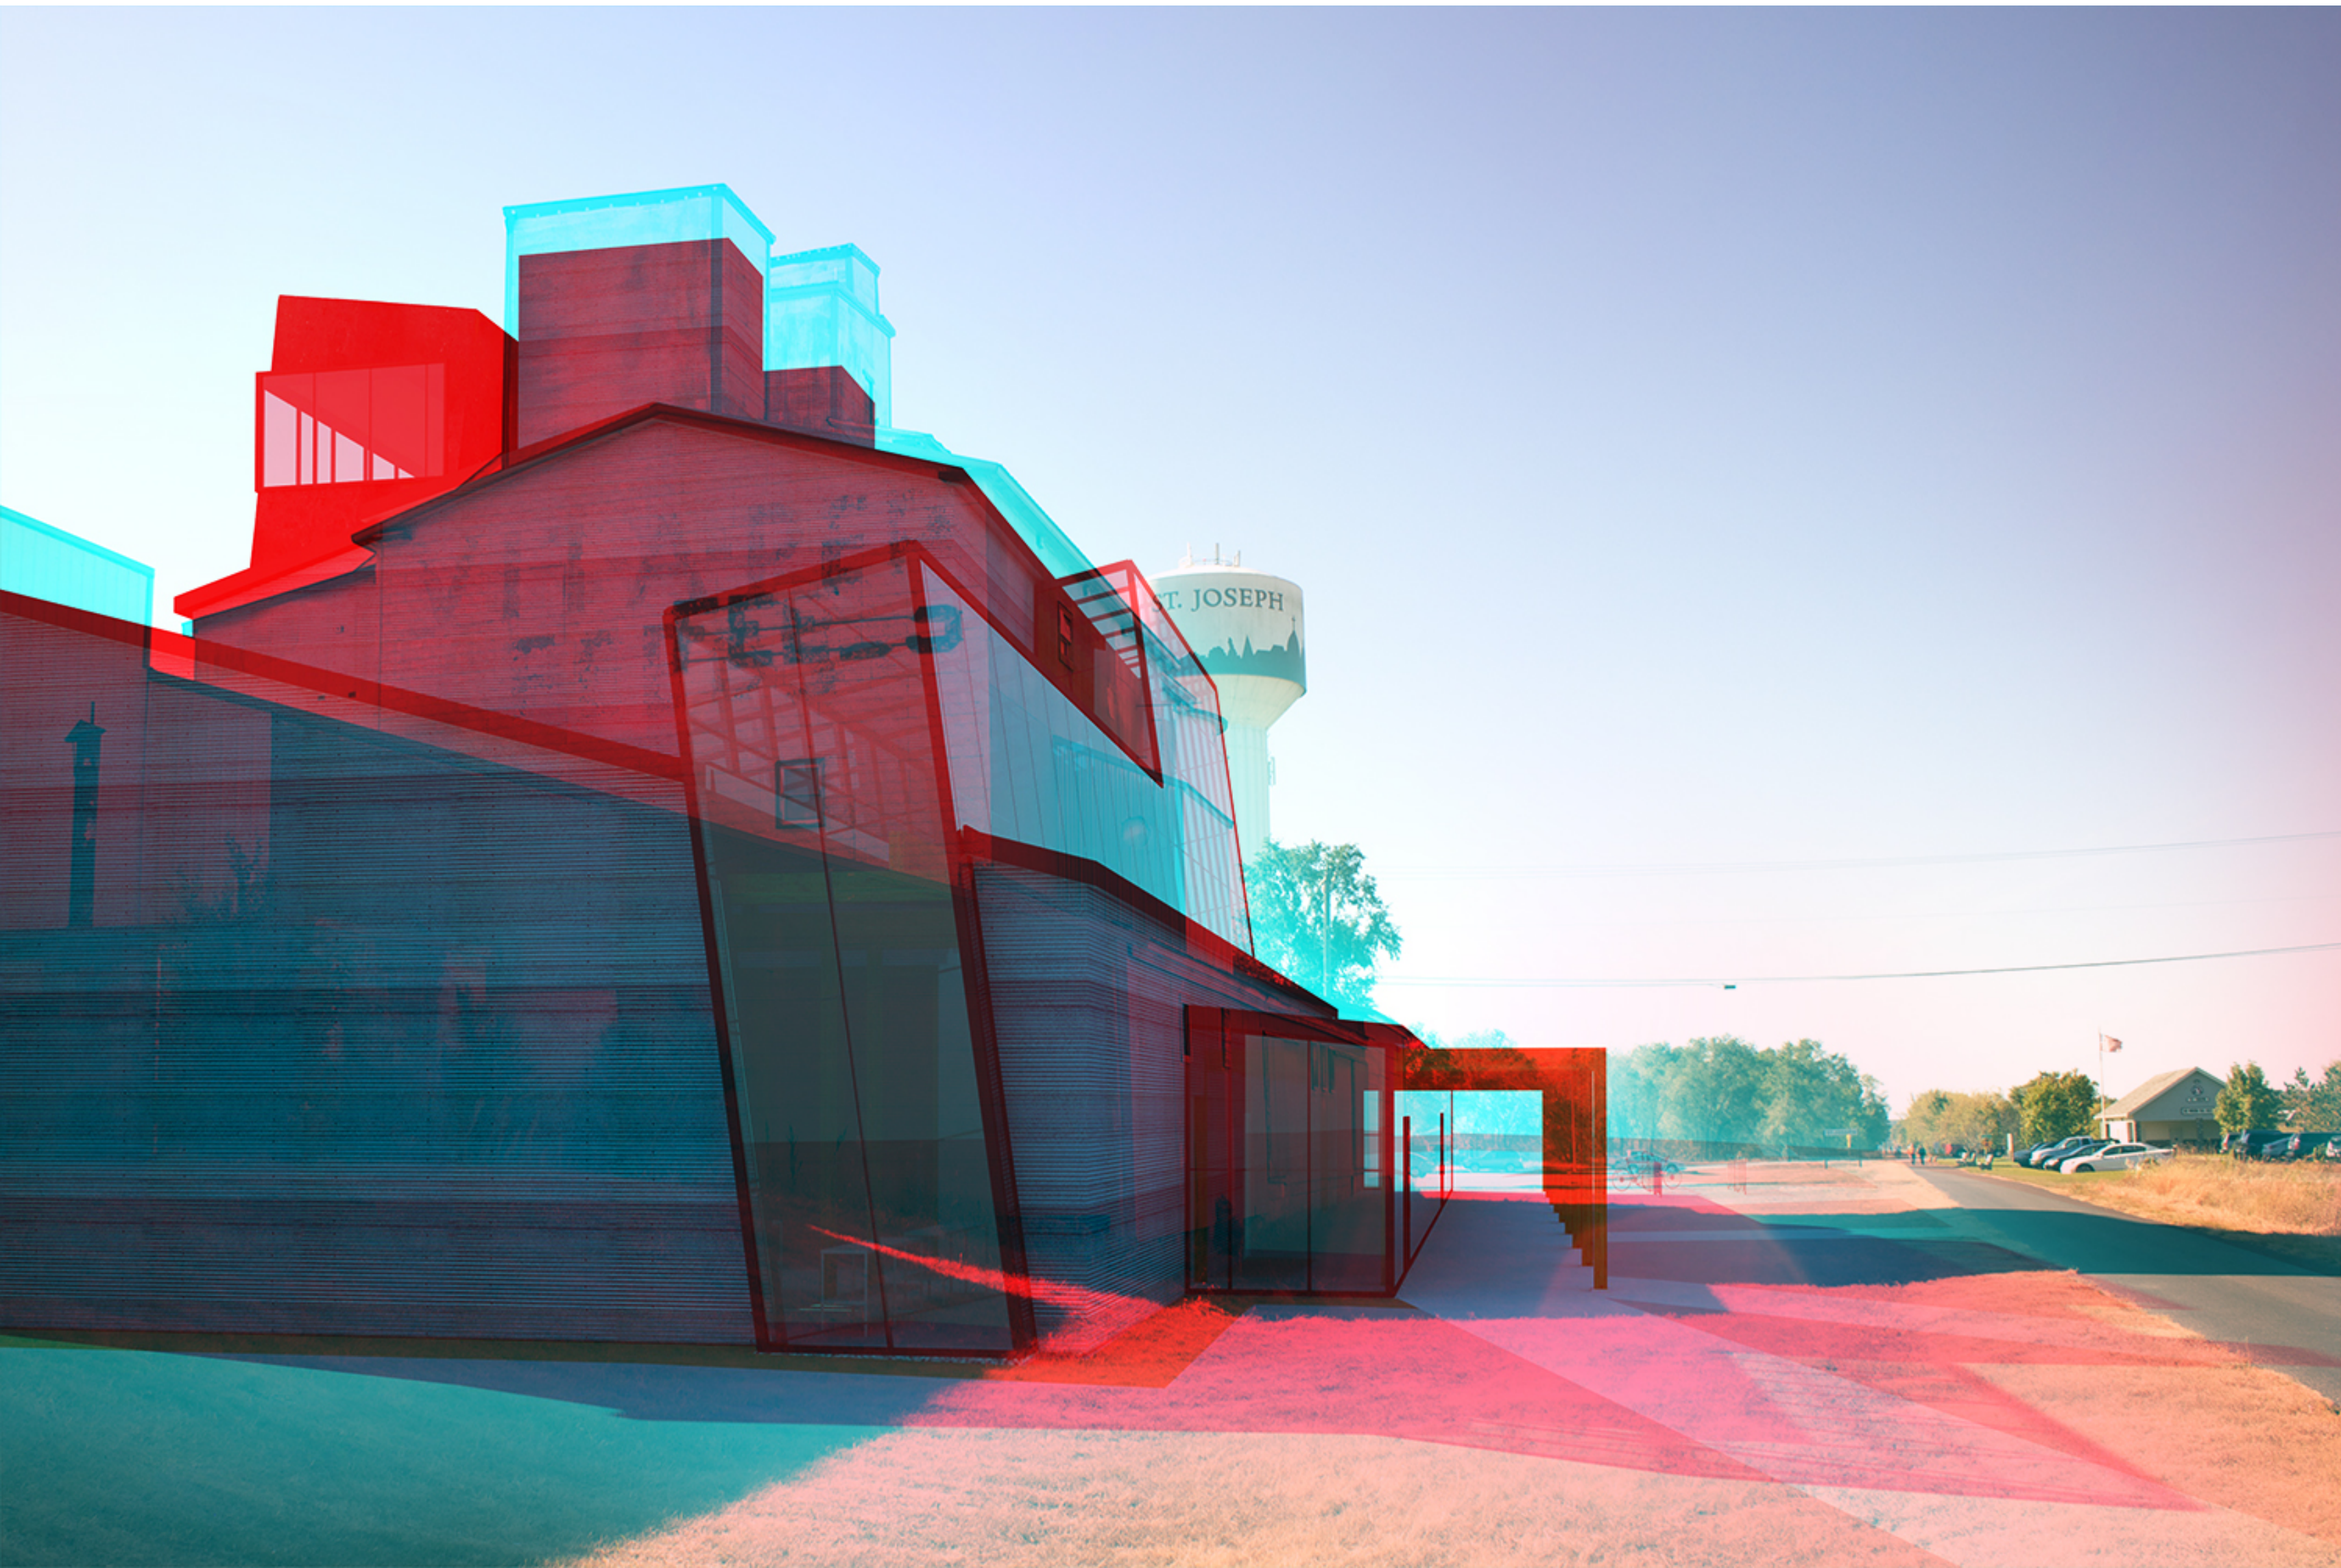

Your left eye sees the old.
Your right eye sees the new.

Both Eyes Open

With both eyes open you
brain struggles to resolve
the two images.

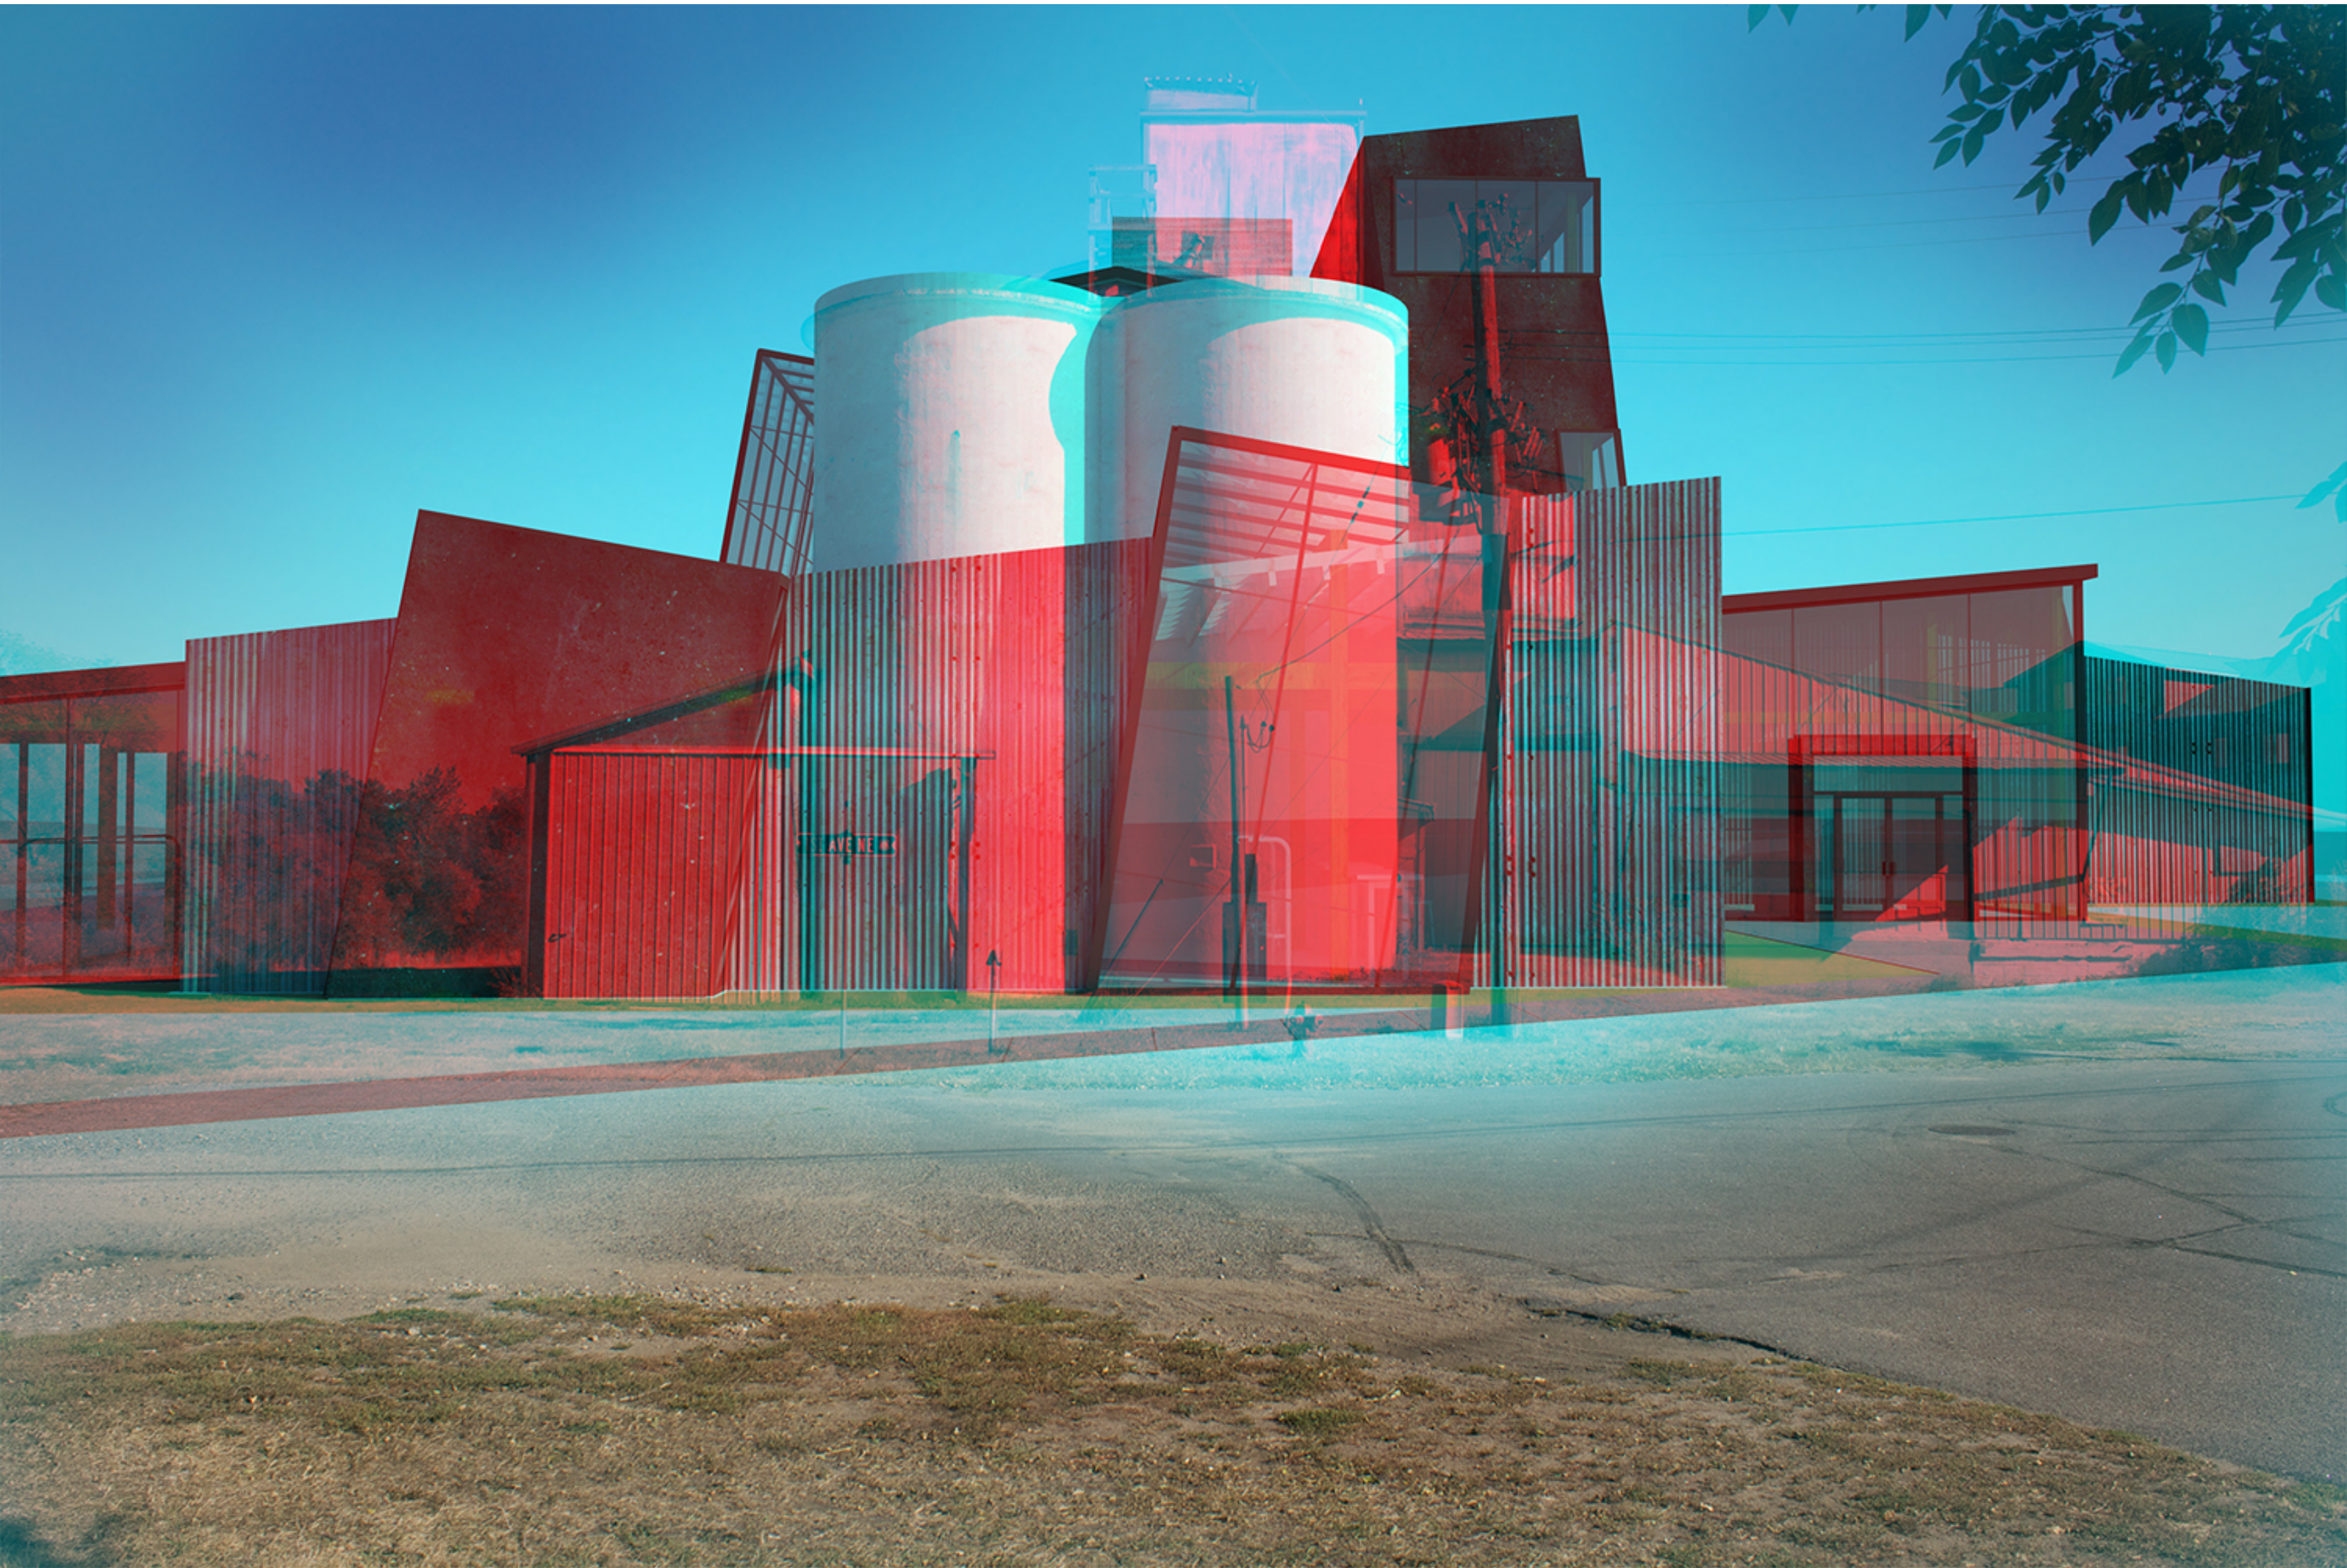

Binocular Rivalry
