NORTH DAKOTA AGRICULTURAL EXPERIMENT STATION

FARGO, NORTH DAKOTA

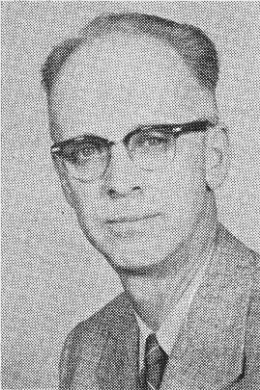

Arlon G. Hazen

ARLON G. HAZEN, Assistant Director of the Agricultural Experiment Station since 1951 and Acting Dean of Agriculture and Acting Experiment Station Director since October 1956, is now Dean of Agriculture and Director of the Experiment Station. The change was effective May 1, 1957.

Director Hazen came to North Dakota in January 1946 as irrigation engineer for the Irrigation Experiment Station at Williston and was advanced to station superintendent in October 1946. He is an authority on irrigation. The new director is a native of Oklahoma, has a B.S. degree from Oklahoma A & M College and has an M.S. degree from Iowa State College. He was an instructor and did research at the University of Arkansas and Iowa State College before coming to North Dakota.
