SCOPE AND CONTENT

This collection, assembled by Institute staff, is an attempt to organize a diverse group of material relating to manufacturing and other product-oriented businesses in North Dakota. The collection contains a diverse assortment of business literature including pamphlets, brochures, flyers, clippings, packets, catalogs, etc. The files are arranged alphabetically by the name of the business, and, if that is lacking, the name of the product. The location of the business is also given.

Additions to the collection are expected.
