Junette Hill Elected '50 Homecoming Queen

Her Royal Highness . . .

MISS HILL

Miss Junette Hill, a senior in the school of home economics, was named Homecoming Queen for 1950 at the all-college election held Wednesday. Miss Hill, daughter of Prof. and Mrs. A. Glenn Hill, 1246 Eight street north, was sponsored by the Kappa Alpha Theta sorority.

Named as attendants to the queen were Miss Faye Reed of Williston sponsored by the Kappa Delta sorority and Miss Maxine Pladson, Fargo, sponsored by the Sigma Alpha Epsilon fraternity.

PARADE BEGINS FESTIVITIES

The annual Homecoming parade is scheduled to leave the campus area at 9:30 a. m. Saturday, Oct. 14 and should arrive in the downtown section at 10 o'clock. The procession is to be led by visiting dignitaries followed by the queen and her party.

Also in the parade will be campus officials, the two ROTC units, the parade of floats, the NDAC Gold Star Band, and several visiting high school bands. Final plans for the event have not been announced.

HALF-TIME ENTERTAINMENT

The NDAC Gold Star Band, under the direction of William Euren, will open half-time events with marching maneuvers featuring the anniversary theme of the celebration.

Following the coronation of the Queen by Pres. Fred S. Hultz Queen Junette will award the trophies to the winning float and house decoration entrants. Winning floats will be displayed. The Queen will also present the ticket sales trophy.

Fraternity and sorority open houses will be held at 4 p. m. following the game. The NDAC library and home economics department will also be open to the public.

FRESHMEN, BEWARE!

Starting next Monday all freshmen on the campus will need to wear their beanies if they wish to escape the Kangaroo court to be set up on the lawn west of Old Main, according to LeVern Freeh, president of the NDAC Letterman's club.

Freeh also urges all campus organizations and especially the upperclassmen to get behind this move.

The Court, under the direction of the Letterman's club and the Rahjah club, will hold sessions until after gametime Saturday.

Homecoming Floats Required To Use Official Theme

The theme for Homecoming floats this year is "Rabbit Stew for Mac's Crew". Each float and decoration is also required to have some indication of the 60th anniversary celebration. First and second place trophies will be awarded to the men's and the women's organizations entering the best floats. Women's organizations will compete with the men this year for the first and second place trophies in the house decoration division.

The floats and decorations will be judged by three impartial, qualified judges on the basis of originality, appearance, workmanship and application to the theme. Floats must be completed by 9:00 a.m. Saturday, October 14. All organizations will contact Harry Bristol, the parade marshal for instructions about lining up and order of appearance. House decorations will be completed by 6:00 p.m. Friday, October 13. The cost of each is not to exceed \$40.00.

TICKET SALES

The Homecoming Ticket Sales Contest will officially close at 4:30 p. m. next Thursday, according to Doug Payne, sales manager. All organizations participating in the contest are to have their representatives turn in all cash and remaining tickets to Payne in the lobby YMCA before 5 p. m.

Senior Staff To Organize Freedom Drive

The CRUSADE FOR FREEDOM which began in the United States September 5 and came to Fargo September 30, is coming to our campus the week of October 9-14. Senior Staff, women's honorary service organizations is handling the drive on the campus. The CRUSADE FOR FREEDOM offers every American an opportunity to play a personal part in a great moral crusade for freedom, faith and peace throughout the earth.

During this week you will be invited to sign the Freedom Scroll along with the other students on this campus and millions of your countrymen, as an individual participant in the CRUSADE FOR FREEDOM.

Every signature on the Freedom Scroll will be permanently enshrined in the base of the Freedom Bell in Berlin. Dedication ceremonies will take place on United Nations Day, October 24, in Berlin. This will be a living symbol of freedom and hope to the enslaved peoples of the world.

When signing the Freedom Scroll, you may back up your signature with a voluntary contribution to Radio Free Europe, the American people's broadcasting station in Western Germany. Radio Free Europe daily pierces the Iron Curtain, answering Communist propaganda.

When you enroll, you sign this DECLARATION OF FREEDOM: "I believe in the sacredness and dignity of the individual. I believe that all men derive the right to freedom equally from God. I pledge to resist aggression and tyranny wherever they appear on earth."

* * *

I am proud to enlist in the CRUSADE FOR FREEDOM.

I am proud to help make the Freedom Bell possible, to be a signer of this Declaration of Freedom, to have my name included as a permanent part of the Freedom Shrine (Continued on page 5)

Sociology Prof To Lecture At Convocation, October 10

Dr. Carl F. Kraenzel, professor of sociology and rural sociology at Montana State College, will be guest lecturer at the second North Dakota Agricultural College convocation to be held Tuesday, Oct. 10, at 9:40 a.m. in Festival Hall.

Dr. Kraenzel, who will come to the NDAC campus as a guest of the North Dakota Institute for Regional Studies and the Convocations committee, will talk on "The Region as an Instrument in

Democracy."

A leading authority on the culture of the northern plains region, Dr. Kraenzel is a native of Hebron, N. D. He received his B.A. degree in 1930 from the University of North Dakota, his M.A. in 1932 from the University of Minnesota and his Ph.D. in 1935 from the University of Wisconsin. During 1932-33 he studied at Harvard University where he was social sciences research council fellow.

Ana Maria's Spanish Ballet First Lyceum Number

The first Spanish ballet company to tour America will make its local debut when Ana Maria's Spanish Ballet appears at Festival Hall on Tuesday evening, October 17, 1950.

This is the first number of the student Lyceum Series and all students of the NDAC who have paid their student activity fee will be admitted upon presentation of their activity card. Although the Spanish Ballet will be here two nights, students will be admitted upon activity cards on October 17 only.

The company of fifteen will present a full-length Spanish ballet, as well as classical, folk and flamenco dances, chosen from the ensemble's vast repertoire of more than 60 works.

The troupe made its debut in 1941 before the Pro-Arte Society of Havana, after two years of organizational work by Ana Maria. Within six months, the Ana Maria

Spanish Ballet had given more than 70 performances. Since then, the company has played in Central and South America, with as many as three return engagements in each Latin-American nation.

Robert Sylvester, critic of the Daily News, reported after the company's performances in New York at the Ziegfeld Theatre last season: "Splendid program! With a series of eye-filling costumes, the Spanish ballerina had a full house completely at her command and had it screaming approval for her 'Goyescas' castanets and her imaginative fiery farruca and zapateandos!"

Second number of the Lyceum Series is the Vienna Choir Boys, world's most beloved choir. They will be here January 31, 1951.

Lanny Ross, 'America's favorite radio tenor' will present a concert at Festival Hall February 19, 1951 and Iva Kitchell will be on stage there April 11, 1951.

Final number on the Lyceum Series program will be Bidu Sayao, metropolitan opera soprano on April 30, 1951.

All-College Dance Friday Evening

Senior Staff, women's honorary service organization on the campus, is sponsoring an all-college dance Friday, October 6, following the Morningside-NDAC game.

Dancing will be from 9:30-12:00 a.m. at the NDAC Field House. Music will be by George Schoen and his orchestra.

NOTICE

Art Hasbargen of the personnel office says distribution of the new student handbooks will begin immediately. The booklets are free and can be picked up at anytime in the Dean of Men's office in Old Main.

Meetings Next Week

Under the direction of Herb Paul, Captain, the NDAC company of Pershing Rifles held a smoker for prospective pledges in the Fireside room of the College YMCA Wednesday evening.

After a movie and a short discussion concerning Pershing Rifles, a lunch was served.

The Independent Student's Association will hold its bimonthly meeting in the YMCA Fireside room Monday at 7:30 p.m.

Consideration of the newly proposed constitution is scheduled in the business meeting which will be followed by a social hour. All students are invited.

Mr. L. M. Walker, agricultural engineer from the Scotland College of Agriculture, Edinburg, Scotland, will speak on the "Technological Advance in Scottish Agriculture" at the Agricultural Economics Seminar to be held Thursday, Oct. 12, at 4:00 p.m.

There will be a rally for the A. C. Young Democrats Thursday Oct. 12, at 7:30 in the Fireside room of the College Y. Elections will be held at that time.

A YWCA cabinet meeting will be held on Wednesday, October 11 at 7 p.m. in the YW rooms.

The John Robinson club will meet at Plymouth Congregational church at 6:30 for a fellowship supper and meeting.

CHURCH NEWS

WESLEY FOUNDATION

Getting off to a good start last Sunday with the film "The Family and Peace", the Wesley Foundation moves forward this week into a discussion on the Korean situation. Come down to the First Methodist Church and air your views too. The Sunday evening program gets under way at 5:30 with a supper and fellowship hour, moves to the worship service led this week by Carol Jean Smith, followed by the interest groups.

Don't forget the Sunday morning breakfasts in our "Y" rooms. Every Sunday at 9 a.m. with Bible discussion led by Rev. Richardson.

LSA

The Rev. Sig Fauske, of Concordia, will be the guest speaker at the "Quest" Sunday afternoon, October 8th, at 4:30 in the college "Y" auditorium.

A Bible study breakfast under

the direction of Jim Onstad will be held Sunday morning at 9 o'clock in the student center.

Hi-Noon Focus is held every Monday through Friday at 12 o'clock noon complete with lunch and program. "The Church in the News" is the subject of the Monday Focus. Tuesday brings "Doctrine Digest". "Views and Interviews" is held on Wednesday. Thursday offers "Campus Comments" of some campus personality. Rev. Dick Evanson, student pastor at Trinity Lutheran in Moorhead, will lead Friday's Chapel service.

Early morning devotions are held in the student center every day Monday through Friday at 7:40. Everyone is welcome.

NEWMAN CLUB

Work on the Newman Chapel is progressing rapidly, but there is still a lot to be done. The walls

and ceiling are now finished but the floor and heater are yet to be installed. A lot of workers are needed to help finish as soon as possible. Painting will be started as soon as enough workers can be recruited.

A regional convention will be held in Grand Forks October 6, 7, and 8. Several schools from North Dakota, South Dakota, and Minnesota will be represented. Anyone

who is interested in attending can contact Russell Lorenz at the Men's Dormitory for information.

The regular Sunday night meeting of Newman Club will be held at the chapel at 7:00 p.m. All Catholic students are invited to drop over and see what progress we are making.

If plans go according to schedule Sunday mass will be offered in the chapel soon.

Klundt Announces Deadline For Bison Senior Pictures

Announcement was made today by Bison editor Waldemore Klundt that all seniors must have their pictures taken by November 1. "This deadline must be met if the seniors want their annuals before commencement," stated Klundt.

Scherling's and Voss again were

recommended by the Bison for senior pictures. Student prices prevail at both studios. Students who had their pictures taken at Scherling's or Voss last year can have reprint glossies made for a small fee. Both studios will keep all glossy prints for the Bison.

"If the senior desires to patronize some other studio, that is his privilege," said Klundt, "however, if the senior does choose some other studio, he must submit his glossy print(s) to the Bison office by November 1.

Print specifications were listed as: three by four inches, measuring one and three-fourths inches from average forehead to chin. Medium grey backgrounds are preferred; pictures with black backgrounds will not be accepted.

"All active fraternity and sorority seniors must have TWO glossies," Klundt emphasized.

Seniors are also reminded that Bison pictures are used by the Fargo Forum in its regular May college edition.

Transfer Students Total 158 At AC

From California to New York—from Africa to Canada, the North Dakota Agricultural College has a representative cross-section of the country.

This year 158 students elected to transfer from 58 colleges and universities in 17 states and 3 foreign countries to the North Dakota Agricultural College. Transfer students at NDAC this year represent an unusually high total from the normal expectation, President Fred S. Hultz said.

Of the 158 students—29 are freshmen (previous schooling, but not having sophomore credit hours); 72 are sophomores; 40 are juniors, 4 are seniors, 12 are graduate students, and one is a special student.

By schools, 26 are in agriculture, 33 in applied arts and sciences, 13 in chemistry, 26 in engineering, 29 in home economics, and 31 in pharmacy. Of the total—123 of the transfers are men and 35 are women.

Leading the parade of states represented at NDAC is Minnesota with 60 students transferring from 18 different institutions. North Dakota is second with 58 transfers from all ten of the state institutions.

California is represented by three students from three schools; Colorado by four students from four schools; Illinois by seven students from four institutions; Iowa by three students from two schools; South Dakota by three students from three schools; Washington by two students from two schools and Wisconsin by seven students from three schools. States having one representative each from one institution are Idaho, Indiana, Louisiana, Mississippi, North Carolina, New York and Arkansas.

Foreign students who transferred to NDAC include one from the University of Alberta, Canada; one from a German university and one from an African university.

Tryota Sponsors Home Ec Dinner

Tryota, national home economics club, invites all freshman and transfer home ec. women to their fall frolic Tuesday, October 10. The dinner will be held in the Y auditorium at 5:45. Tickets for former members are 50 cents and must be paid in advance.

A senior representative for the Tryota council will be elected at this meeting. Everyone will be given an opportunity to meet the new home economics staff also. Delegates to the province convention held October 5-7 will give reports.

Natalie Leiseth is in charge of entertainment; Dorothy Sand, tickets; and Jeanette Keltgen and Rose Marie Grommesh, food.

4-H To Hold Party

The College 4-H club will hold a term party Saturday, Oct. 7, at 8 p.m. All former 4-H members are cordially invited to attend. A western theme will be carried out, with old and new time dancing the feature of the evening. Lunch will be served.

Old Main Changes Near Completion

Old Main has been in the process of being remodeled since the summer quarter began.

The front steps, which are twice the width of the old ones, lead up to a modernistic bronze entrance. There will be two separate doors leading into the building.

Provisions have been made for two entrances into the basement from the front of Old Main. The portion of the basement which was used for the post office will now house the offices of the personnel department.

The new back entrance will give a direct admittance to the first floor and the Little Country Theater. The new entrance which was cut into the rear of Old Main leads into the post office. The portion of Old Main which is now used for the post office was vacated by Buildings and Grounds.

A room has been constructed in the center of the basement for housing the automatic telephone equipment which will eventually be in use on the campus. A dark room is also being constructed in the basement of Old Main.

The plastering is finished and if everything else goes as planned the improvements on Old Main will be completed by about November 1.

Botany Receives New Apparatus

The botany department has received a new piece of research equipment. The apparatus, a Waarburg Respirometer, has been purchased jointly with the Agricultural Experiment Station.

Dr. Helgeson of the botany department stated that the outstanding quality of this machine is that it makes possible the study or even a minute quantity of plant life. For instance, the respiration of a single grain of wheat may be studied.

For the present the respirometer will be used to study the effect of weed-killing chemicals on the basic metabolism of plant materials. By this study, the authorities will be able to specify the chemical types of weed killers to be used on certain types of crops.

The machine will be used by advanced students and those majoring in botany. The next project will be to study the effect of temperature on the growth of the wheat seed. Eventually the information gained will apply in producing better wheat.

College Directory Ready For Press

The college directory is about ready to go to press. It will follow the same pattern as the directories have in previous years.

The Office of the Registrar wishes to be notified immediately regarding changes of address made by students since registration. Corrections must be made before Oct. 14, as that is press date.

The officers of the various student activities on campus, should also be reported to the registrar's office as soon as possible.

If everything goes as planned, the directory will be ready for distribution about November 1st.

SAE Banquet Ends Rushing

Sigma Alpha Epsilon wound up rush week with a banquet for all rushees Friday evening September 29. The dinner was held at the Moorhead country club.

Master of ceremonies, Les Walters, introduced the speaker of the evening who was Mayor Holland of Moorhead. High point of the event was Mayor Holland in-stating Sigma Alpha Epsilon active, James Ginakes, as honorary mayor of Moorhead. Commendation was given Mr. Ginakes for overcoming war injuries to play an active part in college, community, and fraternity life.

Formal rushing ceased Monday with the pledging of twenty rushees. The first meeting of the new pledge class was held. Elections that evening named Phil Frazee, Herb Crissman, and Arland Iverson as president, vice-president, and secretary of the new group respectively.

At an active meeting of the S.A.E. that evening three vacant posts were in the chapter. Bob Granum was named Eminent Herald, Duane Lemm, Eminent Correspondent, and Joe Peltier, Eminent Chronicler. Tom Peckcamp was named new house manager.

Parrott Announces Decrease Of 301 In '50 Enrollment

The total NDAC enrollment for 1950 as listed by Mr. Parrott on Wednesday, September 27 was 1960. This is a decrease of 301 students over 1949.

Of those enrolled 493 are veterans. The decrease in veterans since 1949 is 381. These figures show that the decrease comes entirely from the veterans. There is actually an increase in the civilian enrollment. The total number of

Appoint Altenburg 4-H Leader At AC

M. C. Altenburg, assistant state 4-H leader and former Burleigh county extension agent, has been appointed state 4-H leader with the NDAC Extension Service to succeed the late H. E. Rilling.

Announcement of the appointment was made today by Dr. Fred S. Hultz, president of the North Dakota Agricultural College. Altenburg assumed his post Oct. 1. Mr. Rilling, whose death occurred last August after a brief illness, headed 4-H for nearly 30 years.

With 4-H membership expected soon to reach 15,000 in clubs throughout North Dakota, NDAC has selected a leader for this work who has had 16 years of experience in the Extension Service and who has served as assistant to Mr. Rilling, according to the NDAC president.

North Dakota Institute Furthers Regional Study

To stimulate research into the history, natural resources, and cultures of the northern plains and prairies, to develop a collection of printed material and scientific essential for such research and to facilitate the publications of significant findings is the purpose of the North Dakota Institute of Regional Studies. The Institute was established in March, 1950 by

the faculty of the School of Applied Arts and Sciences of the North Dakota Agricultural College.

The Institute is concerned with both North Dakota and the greater region of which it is a part. The Institute wishes to emphasize interdependence of all knowledge brought about through the cooperation of all instructors and research workers. It is intended to create an environment where the student will find men well versed in various aspects of the region and the technical facilities equal to his needs.

There has been much written about the heart of the continent since early explorers recorded their observations, but the true story of its resources, development, and history remain to be told. The Institute desires to encourage studies which contribute to the knowledge of the region and the cultures which it has produced.

Books, periodicals and newspaper files having connections with the region are being increased systematically. Other material such as letters, memoirs and records of early days are indispensable raw materials of which reliable knowledge is forged.

A scientific collection of specimens pertaining to the natural resources of the region and the plant, animal and human life has supported is going to be part of the work of the Institute. Two extensive collections have been acquired including 30,000 catalogue plants and approximately 100 birds and mammals found in the region, as well as geological and archaeological specimens.

The Institute is conceived as a community of scholars having a common purpose and with a common faith in the region and its people.

IRC Holds First Meet Wednesday

The first program of the International Relations Club will be held in the College YMCA auditorium, 8 p.m. Wednesday. The speaker is to be Dr. Gordon Johnsgard of the NDAC soils department; his topic is, "The Potential Food Resource in Relation to World Geography."

Dr. Johnsgard is well known for his wide knowledge of agricultural subjects and for his ability as a speaker. His topic is of special interest in the light of the troubled world situation.

Students not acquainted with the International Relations Club will be interested to know that the organization exists as a means by which varied topics of world wide interest are discussed by club members with the aid of guest speakers. It is the club's purpose to help clarify participant's thoughts on a great variety of topics.

IRC is not restricted to students preparing for work in the social science field. An attempt is made to relate programs to the interests of all persons.

Meetings are conducted informally; there is a place for all interested persons regardless of their background or major field interest. Thus, students representing many fields of study and particularly members from foreign countries bring forth a great diversity of ideas in the frequently conducted discussions.

Dorm News

At a meeting held in Dakota Hall on Wednesday, Sept. 27, dormitory officers were chosen for the coming year. Joann Eryolfson, a junior from Park River, N. Dak. was elected president. Vice president is Joan Legg, sophomore from Forest River, N. Dak.

Another matter discussed and settled at their meeting was the choice of candidate for homecoming queen. Miss Maxine Sill, junior from Beach, N. Dak. is the eligible miss.

Mrs. Manning is Dakota Hall house mother with 106 girls under her supervision.

Ceres Hall dormitory had their first house meeting Thursday evening Sept. 28. Their house mother, Mrs. Kirst, briefed the girls on dormitory life. At the meeting the girls decided to have a "get acquainted" party in the physical education gym Thursday evening Oct. 5 from 9 until 11 p.m. Last years residents will act as hostesses. Several committees have been appointed. They are under the supervision of Shirley Turner who in general chairman Edna Strand will be in charge of the refreshments with Betty Topf, Darlene Doer, and Phyllis Hanson in charge of the invitation. Donna Wohl is acting as chairman of the music committee and Jeanne Nelson is the chairman of the entertainment committee.

This year Ceres Hall provides homes for 85 girls.

This year both Ceres and Dakota Hall girls have an advantage over last years residents as many is being delivered to the respective dormitories each morning. This has proven very handy and saved many an unnecessary trip to O. Main.

men and women in each class are as follows:	
Freshmen	567
Sophomore	422
Junior	426

... Social Jottings ...

BY LOIS FITZLOFF

Coffee hours are not confined to Howards and the Hasty anymore since the Theta's began their famous coffee hours Wednesday. That's one thing that everyone has been waiting for.

It's a wonder that students can squeeze in any social doings during pre-homecoming week but there's a list of affairs scheduled all weekend. Of course, the most important event is the football game with a gala dance afterwards sponsored by Senior Staff. The place—Field house, the time—9:30 to 12, and the orchestra—George Shoen. ATO's are also having a party after the dance and the AGR's will initiate their first fireside of the year. What a time they had drying out some logs for the fire though!

Earlier in the week the SAE's entertained Gamma Phi's at a hard times party at the SAE house. Last Friday Alpha Gam's held a housewarming for their alums and mother's club. They must be proud of their new house. Making their appearance as

new actives at the KD house are Lois Heise, Neysa Henderson, Pat Sherman, and Betty Utke. Initiation was held last Friday. Phi Mu Bev Ingwaldson is now proudly wearing an active pin too. Congratulations!

Usually snow and cold weather is conducive to pinnings and diamond sparklers but not so! Orilla McGill, Phi Mu, has the honor of being the only one to receive a diamond this week. She passed candy because a certain Jim Leonard, Lambda Chi from U. of N. D. encircled her third finger, left hand.

Don't forget the pledge presentation this coming Sunday. The Alpha Gams and the KAT's have theirs from 3 to 5 and the Theta Chi's and AGR's will shake hands from 4 to 6.

Kappa Sigma Chi's are very proud of their pledges: Harlan Diehl, Daryl Strong, Richmond Lapp, Richard Kukowski, Charles Mode, James Skiern, Ed Sellant, Richard Wenberg, Duane Johnson, and Dick Aslakson.

New pledge officers for KD are Marlys Wentz, President; Iris Ross, vice-president; Bev Brown, secretary; and Phyllis Hans, treasurer. Alpha Gam pledge prexy is Paula Swain, vice-president Lou Etta Hanson, and secretary Dor-etta Carroll.

The Male Vogue

BY VANDI

In reviewing proper apparel for men for the forthcoming year, I have come to the conclusion that man is an instrument of tradition. A woman strives for individuality, constantly changing her garb from year to year, and even season to season. But man, I believe, has the herd instinct, he detests drastic changes in his garb, and wants to dress just like the other fellows. However, there has been a slow-moving trend recently, evidently through their group decision to be on the look-out for more comfort, and admitting their vanity, more becoing duds.

The most noticeable change is the new shape in men's suits. The lines dip straight from the shoulders to the hips ---no taper at the waist --- no snugness anywhere. There's less width across the shoulders, so for perfect taste, leave out thoe wads of shoulder padding please. Cut out the old Superman effect. The coat sleeves, as well as the trousers, are tapered to make you appear taller and slimmer.

The favorite campus coat for you fellows this fall is a convoy coat. It's all wool, water repellent, has an attached hood and unique closing of hemp loops and wooden pegs. The style originated in Norway, I'm told, and was worn by the British Merchant Marine during the last war. You probably noticed it in the movie, "The Third Man." Above all, wear clothes that you feel express your own personality.

The newest thing in shoes for either town or country wear is the combination of suede calf with smoth calf and the white sole to heel stitching. Shoes are comfortable, less bulky, have narrower, trimmer sole extensions. The newest leather color is Reddy Brown (brown with a reddish overcast.)

You'll get more attention wearing a Tartan blazer than a Scotsman whose kilts have shrunk! The Scotch are famous for a lot of things --- golf, good whiskey, and poetry. Now the Tartan plaid sport shirts and blazers can be added to their list of accomplishments. How about a corduroy sack coat or a wool sport coat with tartan lining?

Ties are narrower and have small knote in keeping with the smart rounded-point collar entering the fashion scene.

Hats too are falling in line with the narrower influence to make you appear taller. The brims are ranging from a narrow 2-3/8 to 2-5/8 and the crowns are tapered. Porkpies are in again for sport or casual wear.

Two-toned effects are good for sport shirts, sweaters, and jackets. And your houndstooth checks lead the parade for topcoat smartness.

Freedom Crusade--

(Continued from page 1)

in Berlin, and to join with the millions of men and women throughout the world who hold the cause of freedom sacred."

The magnificent 10-ton Freedom Bell is the symbol of the CRUSADE FOR FREEDOM. In Berlin on United National Day, October 24, the Freedom Bell will peal out this message of hope inscribed upon its rim:

"THAT THIS WORLD, UNDER GOD, SHALL HAVE A NEW BIRTH OF FREEDOM", a paraphrase of Lincoln's words at Gettysburg.

Dedicated as a tribute to those who today are giving their lives in the struggle for freedom, the Freedom Bell will stand as a permanent symbol of the free world's determination to resist Communist aggression.

The first clap of the Freedom Bell will be carried by radio to free peoples everywhere. Simultaneously, bells will ring out all over America and throughout Western Europe in a dramatic demonstration of unity for freedom.

October 8 is to be Freedom Sunday all over the United States. On this day, church services will be devoted to the CRUSADE FOR FREEDOM.

Several organizations have already been contacted, but the goal is to have every student sign, even if they do not contribute to Radio Free Europe.

The Senior Staff girls who will participate in the drive are Rosemarie Lohse, Helen Lunde, Joan Naves, Virginia Bonderud, Jean Molland, Mary Ellen McGregor, Marjorie Egerstrom, and Zoe Nelson.

FACULTY NEWS

A meeting of the Minnesota section of the American Mathematics Association will be held at Duluth branch of the University of Minnesota on Saturday, October 7, 1950. The University of North Dakota and the North Dakota Agricultural College are included in the Minnesota section.

Professor Hill, Miss Mary Thompson, Mr. Woods, Miss Ruby Grimes, and Mr. Arena, all of the NDAC mathematics department, are planning to attend the meeting. Mr. Woods and Mr. Arena will present papers at the afternoon meeting.

Ada Marie Campbell, assistant professor of foods, has accepted a position at the College of Agriculture and Mechanical Arts in Los Cruces, New Mexico. She will be working for the department of home economics research beginning October first.

Miss Campbell, formerly of Jewell, Iowa, has been working for the foods department in NDAC for five years and has done research in the veterinary department during the summer.

Dean Davy attended the American Home Economics Association annual convention at Boston, Mass. last July. While in that locality she visited several of the colleges and universities where home economics buildings have been constructed recently. Among these were the University of Massachusetts, the University of Connecticut, University of Vermont, and she also visited at Cornell, University of Ithaca, and at Pennsylvania State College.

Four members of the Engineering staff at NDAC will be present at the North Mid-West section meeting of the American Society for Engineering Education in Minneapolis, Minn.

Dean R. M. Dolve, Professors C. O. Anderson, Pat Henry, and A. W. Anderson will leave on Friday, Oct. 6 for the two day meeting.

Professor A. W. Anderson, Chairman of Mechanical Engineering, is a member of the ASEE Board.

H. Dean Stallings, librarian at the North Dakota Agricultural College, has been appointed a member of the Oberly Memorial Fund committee, according to an announcement received at the College.

The committee annually selects the outstanding bibliography printed in English on the field of agriculture for which an award is made. Stallings is one of seven agricultural college librarians in the country who was picked to serve on the committee.

WALSTER ATTENDS MEETING

Dean H. L. Walster, Dean of the School of Agriculture and Professor R. W. Schickele, chairman of the agriculture economics department attended a meeting of the Inter-Agency Committee of the Missouri Basin at Minot, North Dakota on October .The meeting was held to plan the development of the Missouri Basin. Dean Walster was invited to explain the roll that N.D.S.C. has done in research of the basin.

Ed Johnson To Set Up Speech Clinic On NDAC Campus

Even more important than much new furniture and a fine radio room, the speech department boasts a new teacher who hails from St. Paul, Minnesota. Edward Johnson attended the University of Minnesota and is still working toward his master's degree from there.

Johnson came to NDAC not only because he had a chance to teach here, but also because he felt that this was his place. He hopes to establish a speech clinic on this campus and a general set up for speech testing all freshmen. He would also like to bring speech correction service to the school and the community.

FOUND

Will the owner of the camel who was discovered grazing on the lawn west of the new library kindly call at the Spectrum office to claim him. The beast apparently answers to the name of "Oy-Oy".

**STUDENTS! MAKE MONEY
WRITING LUCKY STRIKE
"HAPPY-GO-LUCKY" JINGLES!**

It's easy! It's fun! No box tops to send! No essays to write! Just write a simple four-line jingle, and you may make \$25! Start today!

Write a "Happy-Go-Lucky" jingle, like those you see on this page, based on some phase of college life. If your jingle is selected for possible use in Lucky Strike advertising, we will pay you \$25 for the right to use it and your name in our advertising. Start today. "Happy-Go-Luckies" will soon be running in your paper. Send in your jingles—as many as you like—right away, and \$25 can be yours pronto if your jingle is chosen. Be the first to write a jingle in your school. Watch this paper for more "Happy-Go-Luckies."

READ THESE SIMPLE INSTRUCTIONS

1. Write your "Happy-Go-Lucky" four-line jingle on a plain piece of paper, or postcard, and send it to Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y.
2. Every student of any college or university may submit jingles.

Be sure your name, college and address are included—and that they are legible.

I really am a Lucky guy,
Just got my Ph. D.,
To prove to you how much I know,
L.S., sir, means F.T.

I study French and English lit;
I study Latin too,
But words that I like best to hear
Are Lucky Strike, don't you?

Be Happy-Go Lucky!

Enjoy truly fine tobacco! Enjoy perfect mildness and rich taste!

**L.S./M.F.T.-Lucky Strike
Means Fine Tobacco**

Bison's Team Spirit High For Maroons Tilt Tonight

BY JOHN HESSE

"If the boys could have kept going like they did at the beginning of the game we could have beat Iowa Teachers, and we can beat Morningside, if they play ball like they did in the first and last quarter at owa," Mac Wenskunas, Bison grid coach said this week.

When the NDAC squad meets Morningside's Maroons at Dacotah field tonight, they will be out to take their initial win of this campaign. A win would give the Herd a one win and two loss conference record, as they have dropped close contests to Iowa Teachers and Augustana earlier in the year.

Without the services of Connie Callahan, their Little All-American halfback, the Maroons were seriously crippled, but were expected to have a tough team. However, twenty returning lettermen plus the services of six experienced reserves have given the Maroons a nucleus that has made them a contender for one of the top rungs of the conference ladder.

The Bison having suffered only one serious injury on the season should be almost at full strength for the Morningside tilt.

A pair of outstanding sophomores should get the nod at the flanks Dale Pepple and Duane Anderson, a pair of glue-fingered titans. At tackles will be the veterans, John Duginski and Al Keating, and giving a big lift at guards will be lettermen John Richards and captain Vern Freeh. The pivot will be plugged John Mashek, another member of last season's unbeaten frosh squad.

Benny Noland, a youthful passing ace from Park Rapids will open as the brains of the NDAC "T" formation, holding down the quarterback spot. At left halfback, a transfer student from Chicago Junior college,

Clarence Becker, whose running and pass snatching made him valuable in the Herd offense last Saturday, will make his home debut as a starter. Right half will be capably handled by Jack McLarnin, who is playing his third year as a varsity back. A sophomore will also get a starting berth at fullback in the person of Jim Hitter, in an effort to add more speed to the Herd backfield.

Co-Captain Darrell Haugen and Loren Fleming are the probable starters at ends for the Maroons. Floyd Lindgren and Chuck Irwin are listed as starting tackles, and Ed Renfro should team up with Ken Bengford to plug the holes at guards. The center spot will be handled by Bob Barks.

At blocking back in the Maroon single-wing will be quarterback Bob (Rock) Hanson. Wingback should be handled by Tony Levitto, the Maroons' top frosh scorer last year. Two possibilities for a starting nod at tailback are Alton (Skip) Cowan and Loren Moll. Oscar Jones, who teamed with Callahan last year to form a fearsome duo, should be in there at bucking back.

Slated to see some defensive work is Wally Piper a back, co-captain and guard Ralph Weaver, and place kicker, Bob Hooks.

The NDAC Gold Star Band under the direction of William Euren will team with the Pershing Rifles of the ROTC unit here to present the impressive flag-raising ceremony just before kick-off time at 8 p. m. During the intermission at halftime, the band will parade on the playing field. Again this year the band will do its unusual routines in the dark, with lights on their caps lending effect. The theme of the first exhibition will be Salute to the Armed Forces.

Intra-Mural Board Elects New Officers

Fritz Schwager of SAE was elected president of the NDAC Intra-mural athletic council at its first fall meeting last Monday.

Bennett Neumann was chosen vice-president and John L. Sullivan was elected secretary.

Pairings for a touch football round robin tournament were drawn up at the meeting, and the possibilities of a bowling tourney were discussed. Organizations interested in such an intramural tournament are urged to send a representative to the council's meeting Monday afternoon at 4 in the field house.

Ten eight-man grid teams began competition Wednesday. Two games will be played each Tuesday, Wednesday, and Thursday at 4:15 p.m. on the two fields to the north of the field house.

Winners in the two brackets will play the second-place team in the opposite bracket, and the winning teams in those contests will meet for the championship.

The top bracket includes the Co-ops, Dorm, AGR, Theta Chi, and ATO. In the lower bracket are SAE, SPD, Sigma Chi, Kappa Psi, and Kappa Sigma Chi.

The coming week's schedule: Tuesday: Kappa Sigma Chi v. SAE, north field. ATO v. Co-ops, south.

Wednesday: SPD v. Sigma Chi, north. Dorm v. AGR, south.

Thursday: Kappa Psi v. Kappa Sigma Chi, north. ATO v. Theta Chi, south.

Bison Rally Falls Short; Teachers Stop Herd, 33-25

BY JOHN L. SULLIVAN

It was a sad story of too little, too late for the NDAC Bison last Saturday night, as the Iowa Teachers College held back a desperate AC fourth-quarter rally to gain their second conference win of the season, by the score of 33-25. For the Bison it was the third consecutive loss of the season and the second conference defeat.

Offensively the Bison showed great improvement over their previous North Central Conference game. Defensively it was another story and a sad one for NDAC. The ISTC Panthers, co-champs of last year, gained a towering 367 yards rushing to the Bison's 107 and 74 yards through the air to NDAC's 166.

The fast-improving Bison were the first to break the scoring ice when Clarence Becker, backfield star of the night for NDAC, dodged 59 yards behind good blocking to put his team in the lead in the first quarter, 6 to 0.

The lead was short-lived however as Bud Rainbow of the Panthers crashed over from the 1, midway in the first period, to tie it up and then Don Prior broke the tie with his placement.

Shortly after the second quarter opened, the Bison went into a

defensive letdown and ISTC added three more touchdowns to bolster their lead, 27 to 6.

By the time the fourth quarter rolled around NDAC recovered their first period effectiveness and under the cool aim of sophomore Bennie Noland began a march. With scatback Clarence Becker as his main target, Noland flipped two successive touchdowns to make the score a close 27 to 19.

AC's offensive trek was stopped momentarily as ISTC, in danger of losing the lead for the first time in the game, pushed over their final and decisive touchdown with about five minutes left.

With one minute to go, Bennie Noland again cleaved the air, this time connecting with end Duane Anderson for 20 yards and the final touchdown of the game, leaving the score 33 to 25.

NDAC Coaches Wenskunas and Krueger were especially pleased with the superlative play of quarterback Bennie Noland and halfback Clarence Becker, who scored three of the Bison touchdowns. Jim Hitter was also lauded for his offensive work. Defensive standouts for AC were John Richards, Dick Sanders, and Tom McLeod.

The Scoreboard

South Dakota State Noses Vikings, 20-12; Sioux, Maroons Play To 13-13 Deadlock

BY JOHN HESSE

Monday morning, I received a letter from one of the students at NDAC from which I will quote.

"Dear John, I just finished reading your column, and am wondering what makes you think that you are an authority on what makes a football team tick!"

Hesse

"I am a transfer student from Bismarck Junior college. In B.J.C. we have a record. In two years, we have made two touchdowns - one a year - and no extra points. Yet when we dressed for a game, there wasn't a man among us that would have traded places with a spectator. We were a two year school, but we played against four year schools. Were these games scheduled on an equal basis? Do you want the Bison to play B.J.C.? Would that be equal terms? If both teams have the same number of men on the field, that's equal terms, and from there on in, it's backing and desire to win of each individual player that finally determines the winner."

"Personally, I would decline to play a team with a record like ours, as many teams would do, because it takes all the fun out of it."

"I think a lot of help from the cheering section will do more good to raise the team's spirit to a high ebb, than some dime-store advice from a side-walk quarterback."

"Competition is what makes the world go around, with it comes recognition. What we want is, to someday play larger and better teams, not some small things that our freshmen can beat."

"All the boys need is some encouragement, rather than disillusionment from the school and its sports writers. With NDAC's past record in athletics there is no reason why we cannot win and go right ahead from there. Here's one boy that still thinks they are tops. So go to it Bison!"

Yours truly,
August F. Katzke"

Perhaps I deserved the slam. If I did not make myself clear in my last column, I got just what was coming to me. I feel that the NDAC football team is not inferior, nor are the coaches, or anyone connected with the athletic department. However, I feel that there were a few things in Mr. Katzke's letter that bear answering.

In the first place, I feel that I never set myself up as an authority on team spirit in football. Mr. Katzke has played football, so therefore, he is an authority. Well, I played football, too, and right here at NDAC. I did not continue it, probably much for the same reason as Katzke is not out for the team. I didn't feel that I was a good enough player. I feel that my opinion on team

spirit is as good as anyone's. The only difference is that I am in a better position to express my opinions, than others. Mr. Katzke did the right thing by writing me a letter which he authorized me to print. He put in what were his opinions. They are not the official gospel, nor are mine. In this column, I print mostly my own ideas, and I do not claim them to be anything else.

As for the charge that I am a sidewalk quarterback giving dime-store advice, rather than handing the team encouragement, I charge anyone to point in the column, any place where I said anything about the team itself being inferior. In fact, I dealt with the persons who were doing the scheduling. And as to the problem of school spirit, persons who have followed my columns over the past year and a half will testify that more than once, I have editorialized on the lack of school spirit at NDAC, and asked for more support from the student body.

However, the statement that eleven men on each team constitutes equal terms, does not sound quite true to me. If they put Margaret O'Brien against Ezzard Charles, perhaps that too would be equal terms, as there is an equality of numbers. I realize the problem of Bismarck Junior college. They are forced to play four year schools. But wouldn't it sound more logical to add also that the reason they play them is that it is one of the two junior colleges in the state? The next closest is Brainerd J.C. or Glendive J.C. in the neighborhood of three hundred miles away. I think that is a scheduling difficulty in that case.

To make my stand on the subject clear, I want to make a statement that perhaps will settle any doubts in Mr. Katzke's mind, and in the mind of anyone else that may be of the same opinion. I like and admire the NDAC athletic staff, but yet I cannot fail to lose sight of any faults which I might feel are present. I am all for our athletic teams. Although they are not a powerhouse like Notre Dame or Army, I am as proud as I can be of the boys that are representing our school on the athletic field. I number among my friends, many of the athletes of this school, and I would hate to think that this job to which I have been assigned would do anything to alienate the friendship of these men.

I do agree with Katzke in one point, and I believe his major point. "Be a booster, not a knocker," was once said to a former sports editor of this paper. It is difficult not to be a knocker when you think that you have sighted something that perhaps could be corrected to our team's benefit. I like Katzke's spirit, and if there were more like him, there would be no lack of school spirit, and perhaps we could get behind our boys, and back them to the highest degree, even to the point of making Notre Dame's winning skein look sick.

Augustana had South Dakota sweating it out between halves last week as they held a 12 to 7 lead at that mark. The story seemed to turn against the Auggies during the last portion of the tilt, for as the two teams filed off the gridiron at the end of the regulation sixty minutes the Sodaks had the more impressive score.

Once again a fumble cost the careless team with touchdown. This time it was Augustana who had the red face as they lost one of their fumbles on their own 27 yard line. Gene Chiver broke the ice three plays later and also added the extra point with his talented toes.

The ire of Erie came to the top at this point and there was no stopping the human dynamo as he slashed the opposing line for two spectacular touchdowns in the remaining minutes of the first half.

To start things popping in quarter number three, Bartling flipped the pork-skin to team-mate Warren Williamson who in turn took a stroll across the goal line and added six more points for the Stater's cause.

The last period invited Williams of South Dakota to add his bit in the victory as he zip-hipped his way thru the entire Augustana eleven and cruised over for six more.

The final count, Augustana 12, South Dakota 20.

The redmen from up north had to settle for a stalemate with the Mdroons from Morningside last Saturday evening as they seemed helpless when confronted with the task of halting a last-minute rally which saw the Morningside gridiron crew prance down the field in the closing two minutes to score the tying counter and boot the extra point to knot the fray at 13 all.

Cy DuCharme set up the winning touchdown with a fumble on the wrong forty-five yard line. The two remaining minutes saw Loren Moll of Morningside go around his right flank and slice off 40 of the 45 remaining yards between the line of scrimmage and paydirt. Two plays later Moll glided around his end to send all ideas of victory from the Sioux's helmets.

Scoring honors for the U.

went to Hallada and LeMoine with Foss cruising the extra point between the up-rights.

Bob Hanson performed a q. back sneak to account for the other Maroon tally.

All that Drake University needed to defeat the University of South Dakota was John Bright. Mr. Bright scored three of the six touchdowns for Drake, and that's all they needed to better the Dakotan's two.

Of the 212 yards that Bright collected, 86 of that total came on a single run which ended in a score.

As the final gun went off the University of Sodak trailed 41 to 13.

This week's calendar finds Morningside crawling up north to attempt a victory from the angry Bison of NDAC tonight. Also on the schedule for this evening is the tilt pitting NDU against Bemidji TC at Grand Forks.

Saturday finishes up the North Central League with ISTC invading Iowa State while Augustana will visit SDU. South Dakota State will try to better St. Olaf at South Dakota.

Robinson Elected

Dave Robinson, sophomore in Mechanical engineering from Washburn, was recently named captain of the college ROTC Rifle team, according to Lt John Augis, USAF, team instructor. Ken Ward of Osnabrock, a junior in agriculture, was named manager. Both men are juniors in the Air Force ROTC program.

Augis also announced that the first competition will be a postal match with Creighton university Nov. 4. Other matches will be held during the year with the University of Louisville, U. of Ill., Texas A&M, University of Oklahoma and others.

Students Hear Motley Speak

NDAC was greatly honored on Thursday, September 27, in having Mr. Red Motley as guest convocation speaker. Mr. Motley is the publisher of "Parade", a magazine with a circulation of over 5,000,000.

The convocation drew a large crowd of both students and business people from down town. Mr. Motley had great audience appeal with his humor and satire.

Recently sent to England to represent the United States, Mr. Motley pointed out the differences between our way of living and theirs. Mr. Motley said "England, in her search for security has lost her freedom."

In the United States, we are free to make of ourselves what ever we will. Here it makes no difference what your father's name is, or what house your family lives in. Everyone here has something to sell, and our success or failure depends upon whether we sell what we have.

In contrast, the English people are held fast to custom of family and country. If father went to

Oxford, son goes to Oxford too.

England is a country of old buildings, centuries old, which have become unusable relics, and left to stand there to represent their ancestors. Tradition is a curse to the English and always follows them.

Americans are of a progressive nature. When the old is not serving the purpose any longer, it is torn down and a better building replaces it. This is the spirit of America.

Thru this process, Americans have found their security. They have produced enough jobs so that everyone can make their own living on their own initiative. These jobs have been produced because we are not "frozen" as Mr. Motley puts it.

In England the old is idolized; it is much better to have a 1934 car than a 1950 model.

In America, we want the newest and the best. We will always give up the old for the new. This is what has kept our people employed.

There is always a demand for the new; and the manufacturer is always free to create a new want. It is his privilege to compete with the other fellow in finding another product to tempt the people. If he can sell it, the people are free to work for it and get it if they want it. This is our democratic freedom.

He emphasized the fact that the grades you get in college are not what count. The important thing is that you get something

out of what ever you do and that you do it well.

Being a graduate of the University of Minnesota, he has compared the education which he got in this midwest college with that which can be gotten at Harvard and Yale. He says that the education which we receive here at NDAC is as good as any you can get anywhere.

In conclusion, Mr. Motley encouraged all the students to go out into the world and make use of our freedom to either fail or succeed, for as he put it, "The world needs what you've got. You have to make the world want it".

PLAN HOLIDAY FOR MONDAY

Queen Feted
At Luncheon

Homecoming Queen Junette Hill and her attendants were feted at a luncheon Wednesday noon sponsored jointly by Senior Staff and the Student Commission.

Present at the luncheon besides the queen and her attendants Miss Faye Reed and Miss Maxine Pladson were Pres. and Mrs. Hultz, Dean Pearl Dinan, Dean A. C. Severson, Miss Mathilda Thompson, Dr. G. A. Johnsgaard, Mr. Dale Brostrom, and members of the sponsoring organizations.

Queen Junette will reign over Homecoming activities today and tomorrow, including the parade tomorrow morning, tomorrow afternoon's game and highlighted by the Homecoming dance tomorrow night featuring the music of Jack Fina and his orchestra.

Homecoming Queen Junette Hill is shown here with her attendants Miss Faye Reed, left, and Miss Maxine Pladson, right. She will reign over Homecoming activities beginning tomorrow morning.

The Student Commission has announced plans for a student holiday Monday, October 16, provided the class schedule is not broken up today and provided that the Bison defeat the Bunnies in tomorrow's game.

In an effort to prevent a repetition of the pre-game break-up of classes which has prevailed in recent years preceeding the annual Homecoming game, and also the Nickle Series, the Student Commission this year is requesting that all members of the Rahjah club, the Letterman's club and all other organizations strive to keep classes in session according to schedule.

Students who were attending college last winter quarter will remember the holiday following the Nickel Series. That day is a forerunner of the holiday Monday.

With the full cooperation of students and with a successful Pep Convo at 11:20 this morning the Bison can win tomorrow's game, thus assuring a holiday next Monday.

FROSH GAME TONIGHT

Gametime tonight when the Bison Frosh play the Sioux Frosh is 7:30 p.m. It will be followed by a bonfire and a snake dance. Students are reminded not to forget these events.

PARADE TOMORROW

It is important that all organizations participating in the parade tomorrow follow the schedule as set up as closely as possible. Float line up is to begin at 8:30 a.m. and all cars in the parade are to be in position by 9 a.m. Any unit of the parade which is not in line by 9 a.m. will either have to take a place at the end of the parade or sacrifice its entry, according to Harry Bristol, parade marshal.

The procession will leave the campus area at 9:30 a.m. sharp, Bristol said.

The order of the procession is as follows:

Group 1 lined up on 12th Ave. East and West of 12th Street will include the police escort, Pres. and Mrs. Hultz, Board of Higher Education, City Commission, Judges Queen and Attendants, Army ROTC and Guidon, Gold Star Band, Air Force ROTC, Arnold Society, Senior Staff, Gamma Phi Beta, Band, and the Fire Dept.

Group 2 lined up on 12th street extending to the south will include Alpha Tau Omega, Atlter Chat Noir, Alpha Gamma Delta, Casselton band, Phi Mu, Sigma Chi, Newman Club, Kappa Alpha Theta, and Kappa Sigma Chi.

Group 3 lined up on 12th street extending to the north will include a High School Band (pet unnamed), Agronomy club, Alpha Gamma Rho, Blue Key, Sigma Phi Delta, Sigma Alpha psilon, Kappa Kappa Gamma, West Fargo Band, ISA, Theta Chi, FFA, Kappa Psi, Kappa Delta and another band as yet unnamed.

Organization cars are to be in line behind their respective floats.

The parade will disband at 8th Street South and 2nd Avenue. Questions arising concerning the parade will be answered by the parade marshal, Harry Bristol, dial 7814.

Bison-NDU Frosh Tilt
Opens Homecoming

BY JOHN HESSE

Besides floats, house decorations, parades, and open houses, the accent for homecoming will be on football.

Festivities will get under way tonight when the NDAC Yearlings will meet the Papooses of NDU, coached by Ken Von Rueden, varsity tackle for the Sioux last season. The Yearlings, coached by Chuck Bentson and Dennis Drews will be set for their first engagement when they take the field tonight at 7:30 at Dakota field.

Von Rueden's NDU frosh boasts 15 candidates, so that it had to be split into two squads. Two Farroans are out for the Papoose squad, North Cornforth of Sacred Heart, and Ron Burgess of Fargo high school. It was not known whether either of these boys will be with the team at Fargo tonight.

Saturday afternoon's game will be the high-light of the homecoming activities, when the Bison varsity tangle with the undefeated backrabbits of South Dakota State. The Rabbits are the first-seeded team of the North Central conference, and have a league record of three wins against no defeats. The Bunnies boast victories over Iowa State Teachers college, Augustana, and Morning-side. In a non-conference tilt they also beat St. Olaf of the tough Minnesota State College conference.

Scabard and Blade
Initiates Three Men

The NDAC Company of Scabard and Blade will initiate Ardis Bunker, Havre, Montana; Robert Grant, Minot; and Ramon Wilang, Sterling; at 7:00 p.m. today at the Fireside of the College MCA under the direction of Company Captain Richard McMahon.

One-Act Play
Contest Plans
Are Underway

Plans are being made for the 32nd annual one-act play contest, sponsored by the Little Country Theatre. Four one-act plays, one produced by each class, will compete for honors.

Freshman have selected "The Dear Departed" for their entry. Committeemen who choose the play were Marilyn Meyer, Mary Pat Luey, Roland Johnson; and Marilyn Miller.

Students interested in play production or acting should contact Miss West at Old Main. Applicants are also being received for student directing positions.

NOTICE

The library will not be open for business tomorrow because of Open House.

14 AC Women
Join Guidon

Company "B" of Guidon, honorary auxiliary to Scabard and Blade, pledged fourteen new women Monday, October 9, according to Rosemary Lohse, president. Two girls from each sorority and two independent make up the new group.

Those included are Phyllis Herigsted and Beverly Widdifield, Alpha Gamma Delta; Jean Bolmeier and Patricia Kennedy, Gamma Phi Beta Betty Gordhammar and Junette Hill, Kappa Alpha Theta; Florence Gieszler and Faye Reed, Kappa Delta; Peggy Armstrong and Mary Fran Broderick, Kappa Kappa Gamma; Jackie Craychee and LaVonne Sommers, Phi Mu; and Juanita Olson and Twilla Waterrud, Independent.

Officers of the auxiliary are Miss Lohse, president; Zoe Nelson, vice president; Marge Egerstrom, secretary; Mary Ellen Shaheen, treasurer; and Lois Cunningham, historian.

Activities planned include marching in the Homecoming parade, helping with Military Ball, raising money for new uniforms, and a proposed rifle team for girls.

WANTED

A beautiful, intelligent girl is wanted; one without a date for the Homecoming dance. Object, a Canasta game.

Ana Maria To Appear At Festival Hall

Ana Maria, who will appear with her Spanish Ballet at Festival Hall on October 17, is virtually a one-man producing company. She organized the troupe herself, choreographed the entire repertoire of more than 60 works, and designs most of the costumes for the productions. In addition, she is also seen on the stage as the star of the company.

A native of Madrid, Ana Maria began dance lessons at the age of eight. Within a year, she had made her professional debut at the Liceo Theatre. At the age of ten, her appearance in a Spanish motion picture launched her to stardom.

Despite her numerous screen successes, Ana Maria forsook the sound stage to study the Spanish folk dance in their native habitats. Travelling from province to province she built an extensive col-

lection, until, in 1939 she was ready to set up plans for an in-

dependent Spanish ballet company. Two years later, the troupe made its debut in Havana before the Pro-Arte Society.

Since then, Ana Maria's Spanish Ballet has appeared in every Latin-American country, returning frequently for repeat engagements.

The program Tuesday evening will include Fantasia Espanolo, Seguidillas, Puerta Tierra, Orgia, Romanza Andaluza, Grand Jota "Viva Navarra", Granadinas, Pelele, Mdrilenas Mallorca, and Flamenco School in Part One.

Part Two will be Capricho Espanol with music by Rimsky-Korsakoff.

Ana Maria's transcontinental tour is under the direction of Impresario S. Hurok.

Students will be admitted Tuesday, October 17 on presentation of their student activity cards. The program begins at 8:15.

Ana Maria
