

PLAN HOLIDAY FOR MONDAY

Queen Feted At Luncheon

Homecoming Queen Junette Hill and her attendants were feted at a luncheon Wednesday noon sponsored jointly by Senior Staff and the Student Commission.

Present at the luncheon besides the queen and her attendants Miss Faye Reed and Miss Maxine Pladson were Pres. and Mrs. Hultz, Dean Pearl Dinan, Dean A. C. Severson, Miss Mathilda Thompson, Dr. G. A. Johnsgaard, Mr. Dale Brostrom, and members of the sponsoring organizations.

Queen Junette will reign over Homecoming activities today and tomorrow, including the parade tomorrow morning, tomorrow afternoon's game and highlighted by the Homecoming dance tomorrow night featuring the music of Jack Fina and his orchestra.

Homecoming Queen Junette Hill is shown here with her attendants Miss Faye Reed, left, and Miss Maxine Pladson, right. She will reign over Homecoming activities beginning tomorrow morning.

The Student Commission has announced plans for a student holiday Monday, October 16, provided the class schedule is not broken up today and provided that the Bison defeat the Bunnies in tomorrow's game.

In an effort to prevent a repetition of the pre-game break-up of classes which has prevailed in recent years preceding the annual Homecoming game, and also the Nickle Series, the Student Commission this year is requesting that all members of the Rahjah club, the Letterman's club and all other organizations strive to keep classes in session according to schedule.

Students who were attending college last winter quarter will remember the holiday following the Nickel Series. That day is a forerunner of the holiday Monday.

With the full cooperation of students and with a successful Pep Convo at 11:20 this morning the Bison can win tomorrow's game, thus assuring a holiday next Monday.

FROSH GAME TONIGHT

Gametime tonight when the Bison Frosh play the Sioux Frosh is 7:30 p.m. It will be followed by a bonfire and a snake dance. Students are reminded not to forget these events.

PARADE TOMORROW

It is important that all organizations participating in the parade tomorrow follow the schedule as set up as closely as possible. Float line up is to begin at 8:30 a.m. and all cars in the parade are to be in position by 9 a.m. Any unit of the parade which is not in line by 9 a.m. will either have to take a place at the end of the parade or sacrifice its entry, according to Harry Bristol, parade marshal.

The procession will leave the campus area at 9:30 a.m. sharp, Bristol said.

The order of the procession is as follows:

Group 1 lined up on 12th Ave. East and West of 12th Street will include the police escort, Pres. and Mrs. Hultz, Board of Higher Education, City Commission, Judges Queen and Attendants, Army ROTC and Guidon, Gold Star Band, Air Force ROTC, Arnold Society, Senior Staff, Gamma Phi Beta, Band, and the Fire Dept.

Group 2 lined up on 12th street extending to the south will include Alpha Tau Omega, Atlter Chat Noir, Alpha Gamma Delta, Caselton band, Phi Mu, Sigma Chi, Newman Club, Kappa Alpha Theta, and Kappa Sigma Chi.

Group 3 lined up on 12th street extending to the north will include a High School Band (pet unnamed), Agronomy club, Alpha Gamma Rho, Blue Key, Sigma Phi Delta, Sigma Alpha psilon, Kappa Kappa Gamma, West Fargo Band, ISA, Theta Chi, FFA, Kappa Psi, Kappa Delta and another band as yet unnamed.

Organization cars are to be in line behind their respective floats.

The parade will disband at 8th Street South and 2nd Avenue. Questions arising concerning the parade will be answered by the parade marshal, Harry Bristol, dial 7814.

14 AC Women Join Guidon

Company "B" of Guidon, honorary auxiliary to Scabbard and Blade, pledged fourteen new women Monday, October 9, according to Rosemary Lohse, president. Two girls from each sorority and two independent make up the new group.

Those included are Phyllis Herigsted and Beverly Widdifield, Alpha Gamma Delta; Jean Bolmeier and Patricia Kennedy, Gamma Phi Beta Betty Gordhammar and Junette Hill, Kappa Alpha Theta; Florence Gieszler and Faye Reed, Kappa Delta; Peggy Armstrong and Mary Fran Broderick, Kappa Kappa Gamma; Jackie Craychee and LaVonne Sommers, Phi Mu; and Juanita Olson and Twilla Watterrud, Independent.

Officers of the auxiliary are Miss Lohse, president; Zoe Nelson, vice president; Marge Egerstrom, secretary; Mary Ellen Shaheen, treasurer; and Lois Cunningham, historian.

Activities planned include marching in the Homecoming parade, helping with Military Ball, raising money for new uniforms, and a proposed rifle team for girls.

WANTED

A beautiful, intelligent girl is wanted; one without a date for the Homecoming dance. Object, a Canasta game.

NOTICE

The library will not be open for business tomorrow because of Open House.

One-Act Play Contest Plans Are Underway

Plans are being made for the 32nd annual one-act play contest, sponsored by the Little Country Theatre. Four one-act plays, one produced by each class, will compete for honors.

Freshman have selected "The Dear Departed" for their entry. Committeemen who choose the play were Marilyn Meyer, Mary Pat Lucy, Roland Johnson; and Marilyn Miller.

Students interested in play production or acting should contact Miss West at Old Main. Applicants are also being received for student directing positions.

Bison-NDU Frosh Tilt Opens Homecoming

BY JOHN HESSE

Besides floats, house decorations, parades, and open houses, the accent for homecoming will be on football.

Festivities will get under way tonight when the NDAC Yearlings will meet the Papooses of NDU, coached by Ken Von Rueden, a varsity tackle for the Sioux last season. The Yearlings, coached by Chuck Bentson and Dennis Drews will be set for their first engagement when they take the field tonight at 7:30 at Dakota field.

Von Rueden's NDU frosh boasts 35 candidates, so that it had to be split into two squads. Two Fargoans are out for the Papoose squad, North Cornforth of Sacred Heart, and Ron Burgess of Fargo High school. It was not known whether either of these boys will be with the team at Fargo tonight.

Saturday afternoon's game will be the high-light of the homecoming activities, when the Bison varsity tangle with the undefeated Jackrabbits of South Dakota State. The Rabbits are the first-seeded team of the North Central conference, and have a league record of three wins against no defeats. The Bunnies boast victories over Iowa State Teachers college, Augustana, and Morning-side. In a non-conference tilt they also beat St. Olaf of the tough Minnesota State College conference.

Scabbard and Blade Initiates Three Men

The NDAC Company of Scabbard and Blade will initiate Ardis Bunker, Havre, Montana; Robert Grant, Minot; and Ramon Wildfang, Sterling; at 7:00 p.m. today in the Fireside of the College YMCA under the direction of Company Captain Richard McMahan.

The Bison, yet to get their first taste of victory this season have dropped games to Augustana, ISTC, and Morningside, as well as a lop-sided 57-0 shellacking at the hands of powerful Marquette.

Halftime ceremonies at the Saturday contest will include the coronation of Queen Junette Hill, and the presentation of trophies to the winners of the float and house decorations contests by the queen.

In pre-game ceremonies, the NDAC Gold Star band under the direction of William Euren will present the flag raising ceremonies in conjunction with the Pershing Rifles, NDAC's ROTC crack drill team. Also during halftime, the band will parade on the field. The theme for the band's halftime maneuver's will be NDAC's 60th anniversary.

Ana Maria To Appear At Festival Hall

Ana Maria, who will appear with her Spanish Ballet at Festival Hall on October 17, is virtually a one-man producing company. She organized the troupe herself, choreographed the entire repertoire of more than 60 works, and designs most of the costumes for the productions. In addition, she is also seen on the stage as the star of the company.

A native of Madrid, Ana Maria began dance lessons at the age of eight. Within a year, she had made her professional debut at the Liceo Theatre. At the age of ten, her appearance in a Spanish motion picture launched her to stardom.

Despite her numerous screen successes, Ana Maria forsook the sound stage to study the Spanish folk dance in their native habitats. Travelling from province to province she built an extensive col-

lection, until, in 1939 she was ready to set up plans for an in-

Ana Maria

dependent Spanish ballet company. Two years later, the troupe made its debut in Havana before the Pro-Arte Society.

Since then, Ana Maria's Spanish Ballet has appeared in every Latin-American country, returning frequently for repeat engagements.

The program Tuesday evening will include Fantasia Espanola, Seguidillas, Puerta Tierra, Orgia, Romanza Andaluza, Grand Jota "Viva Navarra", Granadinas, Pelele, Mdrilenas Mallorca, and Flamenco School in Part One.

Part Two will be Capricho Espanol with music by Rimsky-Korsakoff.

Ana Maria's transcontinental tour is under the direction of Impresario S. Hurok.

Students will be admitted Tuesday, October 17 on presentation of their student activity cards. The program begins at 8:15.

Eight Receive Military Honor

Eight seniors in advanced Air Force ROTC have been appointed Distinguished Military Students by Maj. Robert E. Phillips, USAF, PAS&T. The honor is given to advanced cadets in recognition of their military and academic grades and their summer camp achievements. Upon satisfactory completion of their college degrees the men will be rated as Distinguished Military graduates.

The men receiving the distinction are Vernon D. Gores, Fargo; Leo W. Hall, Cass Lake, Minn.; Robert A. Johnson, Fargo; Paul W. Kukla, Killdeer; Marshall W. Moore, Fargo; Wallace J. Swenson, Columbus; Gerald S. Thurnau and Byron N. Whitford, both of Fargo.

These men soon are to be interviewed by a board of officers of the USAF for the purpose of finding qualified men to be tendered regular commissions in the United States Air Force upon their graduation from college.

Foreign Students Enroll At NDAC

Adding a cosmopolitan atmosphere to the North Dakota Agricultural College this year 19 foreign students who are enrolled in five of the six schools of the College.

Canadian students at NDAC are George R. Long, Winnipeg, Manitoba, senior in applied arts and sciences; Francis John Robert Olson, Drumheller, Alberta, graduate student in agricultural economics; Luther B. Kristjanson, Gimli, Manitoba, junior in agricultural economics; Raymond Hall-dorson, Kimli, junior in electrical engineering; Karl K. Bereza, Windsor, Ontario, sophomore in pharmacy.

From South and Central American countries are Edward E. Schweizer, Quintava, San Martin, Argentina, senior in chemistry; Jaime Ghisays, Cartagena, Columbia, freshman in pharmacy; George Oliver Birk, La Romana, Dominican Republic, freshman in agriculture; Jose Ramon Irazzo, Caracas, Venezuela, sophomore in architecture.

European students studying at the College include Vambola Raig, Polva, Estonia, freshman in mechanical engineering; Erika Siivelt, Haspsalu, Estonia, junior in pharmacy; Rein Turn, Tartu, Estonia, freshman in chemistry; Soroosh Sorooshyazdi, Teheran, Iran, sophomore in chemistry; Edite Grava, Lirepaja, Latvia, Elfrida Graube, Riga, Latvia, and Victoriya Arcimovics, Juara, Latvia, all freshmen in applied arts and sciences in nursing; Eivind Horvik, Bergen, Norway, junior in electrical engineering; Albert Kaszynski, Sieradz, Poland, freshman in electrical engineering.

Representing the continent of Africa is Uwanekwu Nnochiri, Eluama, Uzuacoli, Nigeria, freshman in administrative engineering.

School Of Chemistry Gets New Equipment

To aid the dissemination of knowledge, the School of Chemical Technology, has installed some \$6,000 worth of new equipment during the past summer months.

The new permanent equipment consists of: four precision ovens, one DeLeval separator, one Coleman calorimeter, one muffle furnace, one electroanalyser, one glass-cutting machine, one slide projector, and one hydrogenation controller, plus new laboratory tables, work benches, and similar equipment.

ROYALTY . . .

Homecoming Queen Junette Hill is shown here with her attendants, Miss Faye Reed, left, and Miss Maxine Pladson, right. She will reign over Homecoming activities beginning tomorrow morning.

Dr. Ellsworth Main Speaker At New Library Dedication

Dedication of the new library at North Dakota State College was held last Friday afternoon on the second floor of the new building.

Alums Represent AC At Ceremonies

Two North Dakota Agricultural College alumni will represent their College at inaugural exercises, Dr. Fred S. Hultz, president of NDAC, has announced.

At the inauguration of Dr. John C. Warner as fourth president of Carnegie Institute of Technology, NDAC will be represented by Wayne W. Watts. Watts received his B.S. in mechanical engineering in 1926. He is now senior engineer of the power stations of the Duquesne Light Co. in Pittsburgh. Carnegie Tech is also celebrating its 50th anniversary and a two-day program will be held Oct. 27-28.

Arthur Hanson, who received his B.S. in agriculture in 1937, will represent NDAC at the inauguration of Dr. Marion T. Harrington as president of the Agricultural and Mechanical College of Texas on Nov. 9. Hanson is presently located at Taylor, Tex., where he is a soil scientist with the Soil Conservation Service.

Superstitious?

If you look at the dateline you will recall that today is Friday the 13th. To those of you who are superstitious you might be interested in knowing that there will be more Friday 13ths in the second half of the present century than in the first half. There were 85 such Fridays in the years 1901-1950; there will be 86 in the years 1951-2000.

Professor Frank Arena has calculated that in the next ten years Friday 13th will occur in the following months: 1951—April and July; 1952—in June; 1953—February, March, and November; 1954—in August; 1955—in May; 1956—January, April, and July; 1957—September and December, 1958—in June; 1959—February, March, and November; 1960—in May.

Alums Return To Celebrate NDAC 60th Anniversary

Hundreds of alumni, former students and friends are expected to return to the North Dakota Agricultural College campus Saturday, Oct. 14, to celebrate Homecoming and the 60th anniversary of the College.

Miss Junette Hill of Fargo, an attractive blonde junior in the school of home economics, will reign over the Homecoming festivities. She will be attended by Miss Faye Reed of Williston and Miss Maxine Pladson of Fargo. Miss Hill and her attendants will

be honored Wednesday noon at Queen's luncheon at Ceres hall members of Senior Staff and Student Commission.

The Homecoming parade scheduled to leave the campus at 9:30 a.m. Saturday and will arrive in the downtown section about 10 a.m. The parade will be led by visiting dignitaries, the Queen and her party, two ROTC units, NDAC Gold Star Band and several visiting high school bands and floats featuring the Homecoming slogan—"Rabbit Stew for Mac's Crew."

Registration of alumni and former students will be at 11 a.m. at the American Legion building. An alumni luncheon will be held at noon.

The Bison will meet the South Dakota State Jackrabbits at 2 p.m. at Dacotah Field. The NDAC Gold Star Band, under the direction of William Euren, will open half-time events with marching maneuvers featuring the anniversary theme—"60 in 50". Following the coronation of the Queen by Fred S. Hultz, Miss Hill will award trophies to winning float house decoration entrants and ticket sales. Winning floats will be displayed.

Open house at the fraternities, sororities, new Library, and School of Home Economics will be held at 4 p.m. Homecoming activities will be highlighted and concluded with the dance at 9 p.m. in the Field House. Jack Fina and orchestra will play.

AC To Offer Farm Training Course

A new training course in Farm Equipment Dealership Management will be offered for the first time by the North Dakota Agricultural College during the winter term.

Designed to offer well balanced training in the farm equipment service, sales and management fields, the course will run from Jan. 2 to March 17, 1951. Students enrolling in the course will be under the supervision and guidance of a special counselor from the department of agricultural engineering. Veterans who desire to take it under the G.I. Training program should file for an application with the veterans administration as soon as possible.

Scheduled subjects to be offered in dealership management course this year include English, advertising, bookkeeping, acetylene welding, farm engines, farm machinery and dealership management.

Equipment Tested

Fred S. Hensel and George F. Cooper, liaison representatives from the Decatur Signal Depot, Decatur, Illinois, are on the campus today to test military signal equipment and discuss signal supply problems with the military department.

Dorm News

Lois Daggett, a junior from Frazee, Minn. was elected president of Ceres Hall dormitory last Thursday evening. Other officers include: Elizabeth von Ruden, a junior from Reynolds, N. Dak., vice president; Catherine Casey, a sophomore from Van Hook, N. Dak., treasurer; and Ginnie Lidstrom, a sophomore from Glen Ullin, N. Dak., secretary.

Plan Program For UN Week

The entire student body and faculty is invited to take part in the United Nations Night Program on October 18th. The United Nations Secretariat has designated the week of October 16 to the 24 as United Nations Week. The program is to begin at 7:30 p.m. in the auditorium of the Y building. The program will consist of two movies; "The Brotherhood Man", an animated cartoon and "Men of Good Will", a movie about the UN.

Between the two movies there will be a recorded talk by Raymond Graham Swing about the World Federalists' proposal for strengthening of the United Nations.

The program is under the direction of Peggy Armstrong, social and political action chairman of the YWCA, Ardyn Thurn, program chairman of the YW and Joe Kirk, program chairman of the YMCA.

Blue Key Gives Student Union \$1,000

Blue Key president Hugh Hansen this week announced that the honor fraternity had joined the Student Union's 1000 Club. Membership in the club is obtained by contributing \$1,000 or more to the union building project.

The presentation of the \$1000 check was made to Student union president A. Glenn Hill. The contribution represented part of the proceeds of the 1949-50 Bison Brevities productions.

Earlier this year Blue Key purchased a radio-phonograph for the student lounge of the new library and contributed \$500 to the Institute for Regional Study for the publication of Dr. W. C. Hunter's book, History of NDAC.

LOST

A black mechanical pencil was lost in the Science Annex this week. Will the finder please call 9691 or drop it off at the Spectrum office.

Student Union president A. Glenn Hill is shown receiving a check for \$1000 from Hugh Hansen, president of Blue Key as that organization joins the Student Union \$1000 club.

Student Commission Minutes

October 10, 1950

The meeting was called to order by Pres. Freeh. The roll was called. All members were present. Visitors included Dale Brostrum, Merle Nott, and Bob Runice. Minutes of the last meeting were read. After discussion it was moved by Harry Bristol that the Student Commission give Alpha Zeta exclusive rights to the coat checking privileges at the Homecoming Dance. Seconded by Colliton. Approved.

Ralph Christensen moved that the Student Commission buy flowers for Mrs. Roy Johnson, Sr., Mrs. Fred Hultz and for Senior Staff members. Seconded by Bristol. Approved.

Reports of committees on Homecoming:

Bristol reported parade plans underway. Biggs stated Bob Runice has half-time program under control. Payne stated ticket sales have been extended to Thursday, invitations to the coaches and football teams have been sent. Discussion was held on loudspeaker for the band and the advisability of setting up a band shell. Kennedy reported on float judges. Johnson stated posters were out. He and the queen with her attendants would appear on Teletest Time and that Vern Freeh would be interviewed on the Man on the Street program, both over WDAY.

Bob Runice gave report on the half-time program.
5:15 p.m., Friday—Coronation rehearsal
1:45 p.m., Saturday—Queen will come in the west gate of the stadium

Half-time—Band performance
queen coronation
trophy presentation
guest presentation
winning float presentation

Payne moved that the Student Commission rent a piano and assume all responsibility for all damage incurred after it has been delivered. This is for use of the Homecoming dance band. Seconded by Biggs. Approved.

It was moved and second that the Student Commission pay bills incurred at the Student Commission sponsored all-college dance held Sept. 16. Approved.

Freeh asked that the Student Commission with the help of Blue Key and Senior Staff attempt to prevent breakup of classes, Friday before Homecoming. Upon winning of the Homecoming game the Student Commission will declare the following Monday a school holiday. Announcements to the teachers will be sent out through Dean Severson's office.

Discussion of payment of bills incurred by individual classes in production of one-act plays was held. Matter tabled until next meeting.

Respectfully submitted,
ROBERT OURADNIK
non-voting secretary

Meetings Next Week

ISA

The Independent Students Association will hold a social meeting in the College Y.M.C.A. Auditorium next Monday at 7 p.m.

A varied program, including piano, vocal numbers and dancing is planned. Coffee will be served during the evening.

All students, independent or Greek, are invited. A particular invitation is extended to students who have never before attended I. S. A. meetings.

YWCA

The YWCA freshmen and sophomore committees will meet at 6:45 p.m. Wednesday, Oct. 18, in the Fireside room at the college Y.

SEMINAR

Roy Gilcreast, Agricultural economist, will speak on "Electricity Comes to North Dakota Farms" at the Ag Econ Seminar next Thursday, Oct. 19, 4:00 p.m., Room 215, Morrill hall.

CAMERA CLUB

The Camera club will hold a meeting in the YMCA Fireside room Tuesday at 7:30 p.m.

Demonstrations illustrating developing, printing, and enlarging technique will be given following the meeting.

All students interested in photography are invited to attend.

The shortest completed forward pass on record traveled only six inches through the air. This pass was thrown by quarterback Cecil Isbell to end Don Hutson of the Green Bay Packers.

Faculty News

The problems of designing an airplane for crop dusting were outlined by Prof. R. K. Wattson at the last meeting of the Fargo Engineers club. Professor Wattson, who has made a country wide study of crop dusting techniques, illustrated his talk by the use of slides and a short movie of crop dusting and equipment.

The Fargo Engineers club is a professional society and fellowship of engineers and interested persons in Fargo and vicinity.

Ralph E. Dunbar, dean of school of chemical technology, has just completed reading proof on the Encyclopedia of Chemical Reaction, Volume IV, of which he is associate editor. This is the tenth book in which Dean Dunbar has aided in publishing.

Three of this series of five volumes are already on the market, selling for \$12.50 each. These volumes are being completed and published at a rate of one per year by the Reinhold Publishing Company of New York.

Professor E. L. Kirkpatrick spent a large part of the summer in Texas where he helped the Maxfield X-ray and Radium Institution design a laboratory. Professor Kirkpatrick also studied the practical use of radio-active iodine

for the treatment of certain types of thyroid gland disorder.

Three faculty members of the North Dakota Agricultural College department of architecture will attend an annual conference of the Association of Collegiate Schools of Architecture and the American Institute of Architects to be held Oct. 12, 13, and 14 at Omaha, Neb.

Representing NDAC will be Knute Henning, department chairman; Anthony Ellner and Alfred Moffet. A student exhibit of architectural drawings of NDAC students will be on display at the Joslin Memorial Gallery in Omaha during the meeting.

F. Genschmer and Miss Emma Dubetz of the modern language department, Leonard Sackett and Miss Jessie Phillips of the English department plan to attend the second fall conference for college teachers of languages and literature which will be held in the Coffman Memorial Union, Minneapolis, Minnesota, on October 13 and 14, 1950.

Dr. C. Jensen, head of the NDAC dairy department, will discuss problems of the butter industry before the South Dakota Dairymen's association, meeting in annual convention Nov. 14-15 at Aberdeen, S. D.

Spectrum Gets Second-Class Rating From College Press

Spectrum issues of last winter and spring received a second class rating in the rating and critical service of the Associated Collegiate Press.

Of 71 papers entered from colleges in the same enrollment classification, 15 were rated All-American; 33, first class; 19, second class; and 2, third class.

The Spectrum scored 795 out of a possible 1,000 points, putting it half way toward breaking into first class, which started at 850 points.

The relative strength in the different fields in which the Spectrum was judged is shown by the following percentages:

NEWS VALUES AND SOURCES	80%
Coverage	87.5
Balance	75
Vitality	100
Creativeness	70
Treatment	75
NEWS WRITING AND EDITING	71.5%
Content	75

Front page makeup	78.5
Inside page makeup	78.5
Printing	80
DEPARTMENT PAGES AND SPECIAL FEATURES	65%
Editorial page; editorial column	50
Editorial page: features	50
Editorial page: makeup	62.5
Sports: coverage and treatment	75
Sports: writing	75
Sports: display	50

The Spectrum is striving for a first place rating this year. To do this requires much time and work on the part of those on the staff.

The Spectrum doesn't just appear out of thin air every Friday morning. Each publication requires 400 man-hours, which becomes too great a load for the staff to carry along with their regular class-work. This situation is neither fair to the staff nor does it do justice to the newspaper itself. The quality of the paper could be improved if there were a larger staff to share in the work.

Two weeks ago it was announced that subscriptions would be taken from the faculty and staff. Since the attempt proved fruitless the faculty and staff should feel free to take Spectrums off the distribution piles. These Spectrums will continue to be financed by student funds.—Ed.

Book Review

LAST OF THE CONQUERORS

by W. G. Smith

This is a book about a young man who for the first time learns how it feels to be treated as a human being. It is the story of a negro soldier in the army of occupation who found himself accepted as an equal by the Germans and looked upon as an inferior by his comrades.

Hayes Dawkins did not think of himself as a conqueror, yet for the first time in his life there was no color line. He could go to any beach he pleased, enter any bar, sit in the movies where he wished. The German women thought him handsome, they did not turn away in disgust from his brown skin, but instead admired it and sometimes in childlike simplicity asked to touch it.

Through the book runs the love story of Hayes, a product of the Philadelphia slums, and Ilse a German fraulien with whom he finds that there is a better life.

Chiefly, though, it is a narrative story in the Hemingway style, giving an honest record of how the negro soldier thought, acted, and felt in the white man's army.

This is a cruel story softened with a great amount of gentleness. The ending is not happy, but happens exactly as the reader knows from the beginning to be inevitable.

Weak spots in the book concern the fact that some of the most race conscious people in the world have been the Germans, with guilt of racial crimes more terrible than anything thought of in the United States. Also, that some of the opportunism found in the book is probably a matter of victor and conqueror, rather than strictly good will and tolerance on the part of the German people. But in all these flaws are overshadowed by the strong central and steadily moving theme.

The Last of the Conquerors will be attacked by many, since it violates certain principles held to be true in many parts of the United States. The enequality idea of white and black, somewhat prevalent in this country is quickly done away with in the beginning of the story. All in all the truthfulness and disturbing quality of the whole idea is one which should be read and thought about by everyone.

THE SPECTRUM

Published every Friday at Fargo, North Dakota, by the NDAC Board of Publications, State College Station, Fargo, North Dakota.

Subscription rate \$1.00 per term.

... Social Jottings ...

With the five-day forecast predicting rain for our homecoming weekend, one can only hope and pray for sunny weather. Anyway the weathermen are against us. As one freshman put it—"Have you asked your fellow to the homecoming dance so that you can buy a ticket from me?" Anyone that passes up the biggest occasion of the year is crazy. Wonder how Jack Fina will compare with Jan Garber from last year. However, your guess is as good as mine.

You'll find plenty to eat at all the open houses on Saturday afternoon from 4 to 6 at all the sororities and fraternities. That's a good time to renew old acquaintances and make new ones.

Why don't they paint a mural on the wall of the circular staircase in the library? Those architecture students and engineering fellows that transformed Festival hall into a rocket ship would be my nomination for artists.

Joining the KD circle last Wednesday was Rene Hass, a transfer student from St. Catherine, St. Paul, Minn. The KD schedule also included a card party with the SAEs on Tuesday.

Phi Mu has four new pledges since Wednesday night. They are Pat Kepner, Marian Lysengen, Elaine Lichtsinn, and Phyllis Knight.

Alpha Gams will hold open house this coming Sunday and will have as honored guests Mrs. Harold Eberhardt, editor of the Alpha Gamma Delta Quarterly, and Mrs. A. O. Whiteside, national visitor and inspector. Jean Vogel also pledged that sorority this week.

Gamma Phi's are giving a tea for their province director next Thursday from 3 to 5. Pinnings

include Gamma Phi Lorrie Brown now proudly wearing Neil Moen's Theta Chi pin.

SAEs have a long list of new pledges to present. They are Mert Conmy, Wally Conmy, Terry Overmoe, Jack Sornson, Fred Carolan, Paul Steen, Ed Skroch, Dick Comeau, Duane Berdahl, Mike Lamb, Ryan Harrington, Art Gunlaugson, Bob Aanestad, Thor Hertzgaard, Dave Knutsen, Ed Heisler, Pat Hinchberger, Ramon Wildfang, Ted Wright, Jerry Waldera, Curtis Erickson, and Dale Klette.

Eight fellows pledged Sigma Phi Delta and they include Tom Berg, Dick Hansen, Mark Johnson, Bob Kingsly, Tom Peterson, Wayne Tavis, Harold Tucker, and Albert Kaszynski.

AGR pledges for the fall of 1950 are as follows: Wallace Vance, Dale Sloten, Joe Milton, Marvin Lembke, Duane V. Johnson, William D. Henery, Rodger Gaardes, Gale Dahle, Bruce Anderson, and Paul Ruliffson.

The Theta Chi's have 27 new pledges. They are: James Anderson, Donald Durenskey, James Heifort, James Holman, David Lees, John Lees, Michial Orban, Paul Ostby, George Sauvageau, Robert Wolter, and John McLarnan, all of Fargo; Carl Berg and Richard Engvall, Worchester, Mass.; Wallace Bummer and Ronald Rude, Crosby; Harold Helgerud and Byron Lysne, Harvey; Lawrence Bakke, Emerald; Roger Hersey, Rugby; Richard Hill, New Salem; Daniel Murphy, Bordulac; Wesley Lossett, Lansford; Robert White, Wahpeton; Jerry Zaun, Valley City; George Zimmerman, Casselton; Thomas Gagnon, Grand Rapids, Minn; and Warren Frank, Detroit Lakes, Minn.

The Score

BY PAT O'LEARY

With a hearty "Welcome Back, Old Grads", "Onward Bison", and other such rah-rah antics, we find ourselves in the middle of another homecoming. Those Jackrabbits should keep things hopping, at least.

Those judges for the parade float entries are sure going to be surprised, too, when they're confronted with the fifteen or so identical cauldrons of fricaseed rabbit which will probably appear.

The grand brawl will feature Jack Fina, a name band, a very good idea. (take heed, Military Ball Committees)

Intercollege relationships have been running mighty smoothly with good old Concordia ever since College officials wisely placed Homecoming festivities on different weekends. Things were a lot less dull then, though.

An unusual sight was seen last week: a faculty member was issued a parking ticket - for parking in the wrong zone.

There is absolutely nothing to the rumor that Harlan Holly served in the last war as a loudspeaker on a Battleship. He was much too young. Speaking of rumors, though, it is true that George Noonan is the only man in Fargo who cleans his car with furniture polish.

The local coeds are busy building their floats out in the barns at the fair grounds (they're all too self conscious to say whether they're in the pig barns or the cow barns, too, so the exact location cannot be determined). If they had to walk back and forth it would be quite a ways to go, but luckily they can always fall back on their brooms.

Typesetting

BY VANDI

After deciding the kind of wardrobe you need, remember that your clothes, if properly selected, can lead a double life (move over Dr. Jekyll, we're coming in.) When you buy a suit or a dress of simple design and good fabric, in a dark or a neutral shade, you're buying the foundation for several outfits. The smart girl knows that a double twist of a scarf, a costume pin, or a belt matched to shoes can make one costume do the work of many. But she also knows that two bright accessories, as with love, three is a crowd.

Your clothes should complement your personality, not overshadow it. Dress to suit your "type." Here are some classifications which may help you to find your type and glamorize it. OUTDOOR TYPE—plain, tailored designs usually, bright solid color O.K. if your complexion is clear. Stripes, geometrics, splashy florals sometimes effective.

DRAMATIC TYPE—try sophisticated or severe designs, unusual, exotic color combinations. Beware! It's either effective or ridiculous!

"DEEP" TYPE—Rich, deep colors (wines, greens, browns). Try the one color from head to toe idea—skirt and sweater out of same dye pot.

WIDE-EYED TYPE — feminine, dainty florals, "young" designs, try dusty pastels, blue is heavenly, white, pink, or pale gold, ruffles or ribbons.

VERSATILE—a changeable combination of types.

It is smart to recognize your type and play up to it. Clothes can help you. Actresses often use this trick in creating a stage or screen character. There's no law against fooling all the people all of the time with the right clothes. Use the proper design to whittle your figure down or build it up. If you're on the short (let's face it) plump side, you won't look twice at a splashy plaid with balloon sleeves and shirred waist. But if you're 5'10" and weigh one hundred pounds, it's just the thing for you.

The Ballpoint

BY BOB JOHNSON

The sessions of the Kangaroo court held lately have kept the freshmen in all sorts of high spirits this week. When one math instructor saw most of the neophytes at the board wearing beanies and the rest of the bare headed, a word to the wise was sufficient. The remainder returned to their seats and donned the familiar green cap. And no one has even laid a finger on them yet.

Question of the week concerning the Kangaroo court: Did the familiar instructor, erroneously mistaken for a freshman, of course, pay for the beanie he walked away with on Wednesday?

School spirit has been the talk of the campus the past week. The most talked about topic being: "Are we gonno break up classes or aren't we?" You have read the front page by this time so you know the score. If we don't get a vacation Monday it's your own fault. Let's stay in class!

If homecoming house decorations were to be judged on originality instead of application to the theme, the Alpha Gam could run away with first place if they put the DQ sign on top of the house. But just because the place looks like a Dairy Queen on the outside doesn't keep it from being the nicest on the inside.

Last thoughts: If the wind keeps blowing there will many a bare hare waltzing down Broadway tomorrow. . . .

Former Estonian Dentist Keeps Labs In Condition

All students with classes in the chemistry building must be familiar with the ever smiling face and willing hand of Mrs. Julia Jarve, displaced person from Estonia, whose job it is to keep the supplies and laboratories in spic and span order.

Being an extremely well educated person, Mrs. Jarve was a practicing dentist in Europe. She attended the Universities of Berlin, Paris, and Vienna, and in the latter she had charge of a conservatory of over 600 dental chairs.

A practice in Germany was open to Mrs. Jarve during the war, but she refused it, not wanting to help the Germans in any way. Wishing to continue her practice here in North Dakota, however, Mrs. Jarve applied for her dental license, but this was refused her because of certain restricting laws which have thus far only allowed two displaced persons to practice dentistry in North Dakota. She was offered a position as hygienist by the president of the health department in Bismarck.

"I started at the bottom, here in America, as a housekeeper in a 16 room house, and as I want everything to be 'just so', it was too much work for me." Last winter Mrs. Jarve went to work

for Armour and Company. Here after a few months, she was laid off along with many other employees due to a meat shortage. It was in April, 1949, that she secured her present position in the chemistry building.

Upon her arrival in the United States, Mrs. Jarve knew very little English. Now, however, she has a workable knowledge of it. "Life is so very different here, people live so richly, everyone has good jobs, fine men for bosses, new cars and beautiful homes," Mrs. Jarve exclaimed.

There are now some 100 Estonian displaced persons in North Dakota. Mrs. Jarve is president of the North Dakota Estonian Assembly which strives to help these people to become adjusted to their new lives in America.

Freshman Woman Enrolls In AC Engineering College

The School of Engineering at the North Dakota Agricultural College has one woman student this year in its enrollment of 435. She is Marilyn Carlson of Bismarck who has entered as a freshman in architecture.

Miss Carlson said that she prepared for a pre-medical career in high school, but that after taking aptitude and vocational tests, she found that her drawing ability was high and her interests leaned toward engineering — especially architecture.

At NDAC she will take the five-year architecture course. Her special interest is home designing. The NDAC architecture department has granted three degrees to women since it was established. A recent nation-wide survey showed

that there are 100 licensed women architects in the U. S.

Marilyn, who is the daughter of Mr. and Mrs. Robert W. Carlson, is living with her grandmother, Mrs. Hannah Harris, while attending NDAC. Her interest in engineering comes naturally as her father, who is manager of Ulteig Engineering Corp. at Bismarck, graduated in electrical engineering in 1931 from NDAC.

Staff, Students Attend Engineers Convention

Prof. K. A. Henning, chairman of the department of Architecture and Architectural Engineering, Prof. Anthony Ellner, and Mr. Alfred Moffett, staff of the department, and Wilbur Harris, Marvin Rosvold and Robert J. Berg, architecture students left Wednesday non for Omaha, Nebraska to attend the Regional meeting of the Association of Collegiate Schools of Architecture and the American Institute of Architects which was held Oct. 12, 13, and 14.

Five Veteran Bison Linemen To See Action

VERN FREEH

AL KEATING

DICK SANDER

JOHN DUGINSKI

JOHN RICHARDS

The Scoreboard

BY JOHN HESSE

With homecoming in the offing, football will reach its apex here at NDAC. Tonight interested parties will get a chance to see just what can be expected in the line of football talent for the Bison varsity. Chuck Bentson and his co-worker, Dennis Drews have been whipping the Yearling gridders into shape ever since school started. Up until this time, the frosh have been used primarily to run opposing teams' plays against the regulars, but tonight they will come into their own, when they meet the Papooses from North Dakota university.

Hesse

Bentson has reported that although the team is not as deep as he would like, they have some excellent prospects. However, at this moment, some of the stalwarts of the Yearling eleven are on the doubtful list for tonight's game. Ronnie Zatkoff, an end from Hamtrack, Michigan, tore some ligaments in his ankle, but has been in uniform for over two weeks, although he has only gone through light drills.

Veto Chepulis, a gigantic lineman from Devils Lake has suffered an injury to his knee in one of the varsity scrimmages. About the biggest loss, mainly because he is the biggest boy is 230 pound Bob Lauf, a tackle from LaMoure. Bob suffered a concussion about two weeks ago, but is reported as being in good shape, although he is still on the doubtful list.

VARSITY AT FULL STRENGTH

On the other hand, the varsity will be almost up to normal strength when they meet South Dakota State tomorrow afternoon. In spite of the fact that the Jackrabbits are undefeated, some observers look for the Bison to give them a terrific struggle. Augustana, a team that a jittery Bison team almost beat, threw quite a scare into the conference leaders a few weeks back, and perhaps the Bison could turn out to be the giant-killers, a role that friends from north of Fargo played last year when they stalled the Bunnies' split T on a muddy field at Grand Forks.

Psychology has something to do with winning football, and maybe we will see how a team that is fired-up for a homecoming game can overcome an opponent with a better average. The Bison are about due to pop. Even the Morningside coach admitted that fact to a reporter from the Fargo Forum. Why not South Dakota State?

HE WHO LAUGHS LAST

A moment ago we spoke of North Dakota university. Well, this week, a copy of the Dakota Student arrived here, and editor Arch Monroe had a few pointed words to say, and I quote, "Also in the Spectrum, 'Marquette Out-classes (an understatement that would make Leahy blush) Bison 57-0.'"

Perhaps Mr. Monroe thinks that all this will be forgotten when the Fightin' Sioux meet Kentucky. Kentucky has been rated as the number one small football team of the nation. I think that perhaps Marquette is also in that classification. We'll just wait and see what happens.

POST MORTUM

The Worlds Series is over and for the thirteenth time in their history, the New York Yankees are baseball's world champions. No one was at all surprised to see the Yanks take the series, but the ease with which they did it was something that was not expected. Even the most optimistic of Yankee fans said that they would do the job in five games, but they did it in four, which goes to prove that they were far and away the better team.

The Phillies, on the other hand, boasted only one .300 hitter on the club, but had plenty of balance. In this case, balance just didn't pay off.

Another surprise was Purdue's victory over Notre Dame. The Boilermakers did a job that has been in the neighborhood of being impossible for the last six years. Well, now Frank Leahy can start all over again, and see if he can set a new record.

Late reports this week have it that quarterback Benny Noland has been forced out of service for ten days with a leg infection, with Ray Curtis taking over the T-quarterback job. Dick Sander has taken over offensive at center, moving Bob Fisher to the second string post.

Fired-Up Bison Crew To Meet Co-Champion Jackrabbits In Homecoming Tilt Tomorrow

BY IRV LETOFSKY

NDAC's homecoming football battle Saturday afternoon against South Dakota State college could well be one of ironic consequence for the title-touted Jackrabbits.

An inspired Bison crew could engineer a result in complete contradiction to what the odds-making boys "figger" in the 2 o'clock NCC tilt on Dacotah field tomorrow. That is, with some spiritual assistance, the Bison gridders could turn the trick.

COULD and IF are the big words of hope for Bison rooters, although the words may go unnoticed by the bruising Bunnies. Yet, whether it is to be or not to be, the stage is set for the surprising change; meaning:

1. The South Dakotans won the 1949 conference co-championship while the Herd was finishing last with six defeats. Now the Jacks are rated A-1 favorites in the NCC, and the Bison are believed headed for basement laurels again.
2. Coach Ralph Ginn's warriors bring a 5-0 record to Fargo tomorrow; the Bison not only have lost their four starts

this season but have gone winless in their last 18 grid games.

3. The Bison have not beaten State since 1946, losing three straight by 7-0, 7-6, and 33-13 scores. Also the Jacks own a 24 to 10 edge in the inter-school series dating back to 1903.

What facts could be more conducive to an upset?

As true as their name suggests, fleetness-afoot best describes the Jackrabbits, according to Herd coaches Mac Wenskunas and Bernie Krueger who scouted the St. Olaf-S. D. State fray last week at Brookings.

As the Bunnies racked up a 41-14 win, the Bison mentors were impressed by the weight and size that went with the Jacks' speed.

Running off a split-T, the Jackrabbits have thumped St. Cloud TC, Iowa TC, Morningside, Augustana, and the Olies in that order.

State is blessed with a brilliant backfield combination of all-conference Herb Bartling, Gene Cheever, Jim Long, and Harry Gibbons. The Jacks used their running game almost exclusively against St. Olaf.

Also returned to the lineup are all-NCC performers George Mechill, a guard, Don Bartlett, end, and tackle Dale Bowyer.

After viewing films of the Morningside-Bison test, the coaches uncovered mistakes that were not evident from the sidelines Friday. Intense practices this week were an attempt to iron those errors out, as well as to prove the squad's tackling and downfield blocking.

The coaches singled out the performances of Dick Sander, outstanding on defense, son backs Benny Noland and Jim Hitter, and halfback Eino Martino, who had one of his best offensive nights.

Tomorrow's game will see a new Bison lineup on the field.

While optimism was anything but noticeable, Krueger did feel that a Bison upset was outside the realm of possibility. "The boys look good at times, as they're over due to start making trouble. They should be ready," he said.

"Rabbit Stew for Mac's Crew" is the homecoming slogan. May it's "the handwriting on the wall"

Women Marksmen Begin Practices

Thirty-three women are now competing for top honors in the newly formed Women's Rifle team, according to Lt. John Augis, USAF, instructor for the group.

Women comprising the team are Bette Ackermann, Margaret Cooper, Marion Lysengen, Bea Purcell, Rita McConnachie, Louise Kylo, Beverly Ingwaldson, Jackie Craychee, Rosie Rausch, Barbara Lazenby, LaVonne Sommers, Janice Radcliff, Alice Overboe, Beverly Thorstenson, Frances Eveleth, Joanne Pfeiffer, Lois Pfeiffer, Virginia Falter, Doris Tallachson, Elinor Carlson, Darleen Bellows, Elaine Lichtsinn, Patricia Kepner, Shirley Turner, Marilyn Smillie, Kathryn Kloster, Joyce Farbo, Juanita Olson, Vivian Larson, Darlene Doerr, Phyllis Knight, Marilyn Biggs and Phyllis Hansen.

Martino Carries The Ball

Eino Martino (with ball) is almost stopped by a rolling block from Ken Reardon of Morningside during last Friday's game. Coming up to assist Reardon are Jack Hohns (55) and Tony Levitto (19) while John Mashek (41) and Dale Pepple (35) are the Bison blockers.—Photo by Don C. Christensen.

Maroons Extend Loss Skein By Dropping Bison 13-7

BY JOHN HESSE
Playing before a small chilly crowd, NDAC's dropped a 13-7 contest to Morningside last Friday. The Bison, although outplaying their opponents most of the way, could not seem to capitalize on the breaks, and could manage to only cross the last stripe only once during the evening.

Rain earlier in the day made the footing a bit unsure underfoot, even though Dakota field was in excellent shape for the game.

The Maroons opened the evening's scoring with about eleven minutes gone in the contest when Oscar Jones faked a hand-off, broke through the Bison secondary and, closely pursued by a Bison tackler, scooted to paydirt, and six points. Loren Moll's kick from placement split the up-rights to make the score, Morningside 7, NDAC 0.

Following the Maroon's initial TD, the Bison seemed to suffer a let-down, both offensively and defensively. Morningside took over, after Eino Martino kicked dead on their five yard line, and began to march. The Herd forced the Maroons to kick out on the thirty nine, but two plays later, gave the ball back on a fumble in the neighborhood of the NDAC twenty which was recovered by Jack Hohns. Then with Jones spearheading the attack the Morningside crew marched to the goal-line.

Mac Wenskunas' men put on a valiant goal-line stand, stopping Bob Hanson on the one foot line, short of a touchdown, on fourth down. The Bison were forced to kick out of the hole, and following another exchange of kicks, the Maroons were on the march again,

with the passing of Moll and Tony Levitto leading the way. The attack was climaxed when Levitto hit Bill Collins in the end zone for another touchdown. Moll's kick was wide, making the score 13-0 with only two minutes to go in the first half.

Following the intermission, a completely different NDAC team charged out of the dressing room. They looked very much like the team that had opened the game. However Morningside was still tough, but the Bison capitalized on a break of the game when sophomore center, John Mashek, intercepted a pass deep in his own territory and ran it to the twenty four.

Jim Hitter and Benny Noland did a great share of the work on the Bison's goalward thrust. Hitter cracked the line for yardage almost every time he took the ball, while Noland passed to various receivers his with amazing accuracy. The Bison's only marker was scored when Noland plunged over from the one foot line, after his pass to Eino Martino had set things up. Hitter's kick was good for a 13-7 score.

During the rest of the game, both teams battled back and forth with neither able to make any appreciable gains.

Noland, Hitter, and Clarence Becker were the top threats in the Bison drives. The punting and running of Martino also was some of the best of the evening. Noland and Hitter repeated for defensive honors with Vern Freeh, John Richard, Dick Sander and Tom McLeod showing well on defense, as did Al Keating, who turned in one of his better games.

Injury-Ridden Freshmen Set For NDU Tilt

BY MANCUR OLSON

To-night at 7:30 the University of North Dakota's freshmen football team will invade Dacotah Field to tackle the NDAC Frosh squad. The Sioux are coming here determined to avenge defeats in their last two clashes with the Bison Yearlings. The University has indicated it might possibly be able to do just that by using its Freshmen B squad to defeat, by an 18-0 tally, Concordia's best first year eleven.

The "U" gridders are coached by Ken Von Rueden, a former varsity tackle for that school. He has on his squad two players who did very well in playing football in Fargo high schools. They are Ron Burgess of Fargo Central and Bud Cornforth of Sacred Heart.

The Bison's chances have been decreased by several injuries to men in key positions. Veto Chepulis, first string tackle, will definitely not play because of a serious knee injury. It appears now that he will not be able to play for the rest of the season. Bob Lauf, the other tackle, may also be sidelined for to-night's game. As the locals are lacking in both quality and quantity of reserve strength the gaps caused by these injuries may be hard to fill.

The squad is not only small in numbers but also from the standpoint of size of players. What the yearlings lack in beef and substitutes they replace with enthusiasm. Regarding the outcome of the contest, Chuck Bentson says, "I am making no predictions, but I am certain the University will know it has been in a ball game."

The probable starting line-up includes Chuck Gronberg and Ronald Zatkoff at the end positions, plus Bob Lauf and Burton Hutton as tackles. Guards will be Martin Kroninger and Robert Ninnenger. Hutton and Ninnenger have been switched from the center postion. The over-the-ball spot will be filled by Raymond Paxton.

Martin Davis and Jerome Strom will be calling the signals. Dale Smith, Wally Conmy, Klennis Anderson, and Jim Brewster will alternate as halfbacks. The line-bucking chores will be done by Bill Buckelew. The game captain will be chosen just before the contest.

Gordon Badger, pep king, reports that cheerleaders will be at the game in full force and that he is expecting a large crowd.

Sioux Winners, ISTC Losers, Both By Scores of 26-6

NDU shoved Bemidji STC all over the gridiron last Friday evening, trouncing their guest 26 to 6 in a non-conference tilt.

The Sioux moved down the field like a company of treaded tanks instead of cautious warriors trying to out-flank their enemy as they rolled up 334 yards on the ground alone.

Scoring for the University in the first half was Cy DuCharme who legged it 38 yards to put his team in the lead 6 to 0. Foss manipulated a successful conversion to run the total up to 7. The Instructors came back with one more in the first half but did not complete the extra point.

The victors wasted no time in putting the fray on ice as they scored a duo of TDs during the third period. One was the result of a 55 yard jaunt by Herb Claffy after receiving a lateral on a pass interception by Herb LeMoine.

Bill Weeks was anything but what his name might imply as he pushed his team, Iowa State, on to a 26 to 6 win over ISTC Saturday evening at Iowa State.

At the half mark the Teachers led 8 to 6. Mr. Weeks decided to win the game during the second half and passed for a touchdown and plunged over for another.

A fumble behind the goal line cost Iowa State two points as a safety was issued in favor of ISTC.

Trailing 14 to 7 at halftime the Coyotes from Sodak put on a tremendous comeback in the final two periods to win 34 to 14 from Augustan's Vikings.

Thommsen and Vekich pooled their talents to score 14 points for

Viking's cause in the first half. With two minutes remained in the second period South Dakota U plunged over for the only tally in the first two quarters on their behalf. Of the three touchdowns scored in the first half, two were set up on fumbles by the opposition.

Don Coutts sped 13 yards in the opening minutes of the third quarter to put the Coyotes on level ground for the first time. Once again Coutts accounted for six as he grabbed a pass from team-mate Brende in the end zone.

Earl Houck and Allen Schell both ripped over from the one yard marker on two separate occasions to finish up the scoring for the night.

Things were getting kind of thick in the air as S. D. State took to the ground and drubbed St. Olaf 41 to 14 at Brookings, S. Dak.

The Hares hopped all over the turf for a tremendous 429 yards all tolled by the ground.

Warren Williamson, Herb Bartling and Dallas Hoff led their mob in the route, while John Hanson did passing honors for the team from Northfield.

Homecoming festivities are in order for NDAC tomorrow as South Dakota State risks their record against the improving Bison. The north and the south fight it out up north Saturday in a battle of Universities.

Also on the schedule is Augustana and Morningside at Augustana. Iowa STC ventures out of the conference to attempt a victory from Drake University.

By the way don't forget the Baby Bison tonight as they take on the up-staters.

Bunny Backs Set For Bison

Backs for South Dakota State's defending champions who are slated to do some ball-toting for the Jackrabbits tomorrow afternoon are, left to right, Warren Williamson, Herb Bartling, Gene Cheever, Bill Gibbons, and Jim Long. Photo by Don C. Christensen.

CHURCH NEWS

WESLEY FOUNDATION

The Wesley Foundation will meet this Sunday at the usual 5:30 hour for supper, fellowship, and worship. This week Mr. Harold Bangert will speak to the college group on "United Nations, Our Strongest Hope for Peace." Mr. Bangert is chairman of the United Nations Council of North Dakota.

Mr. Strauss of the political science department will be with us next Sunday. Also watch for an announcement of our exchange tour with Grand Forks.

LSA

Jim Onstad of Fargo will be the guest speaker at the 15th anniversary program Sunday, October 15, at 4:30 in the college "Y" auditorium.

No Bible study breakfast will be held Sunday morning due to the alumni breakfast being held at that time.

Hildegard Kreiselmaier, foreign exchange student from Ludwigshafen, Germany and former student at NDAC will present a musical program tonight at 7:30 p.m. in the Lutheran Student Center in the college YMCA.

This will be her last performance here since she is returning to her home in Germany in the near future. A farewell party in her honor will be held after the concert.

Hi-Noon Focus is held every Monday through Friday at 12 o'clock noon complete with a meal and program. Monday's Focus is titled "The Mind's Adventure". "Doctrine Digest" is held on Tuesday. A chapel service on Wednesday will be under the direction of Rev. Vernon Johnson of Messiah Lutheran Church of Fargo. A student directed "Campus Comments" will be held Thursday. "The Church in the News" on Friday will complete the week's schedule.

Four student-led Bible cells have been started during the past week. Those interested are asked to see either Rev. John Schultz, Evelyn Tuff, or Ron Nelson.

The jingles on this page were written by us... but we want yours!

We're ready, willing and eager to pay you \$25.00 for every jingle we use. Send as many as you like to Happy-Go-Lucky, P.O. Box 67, New York 46, N. Y.

Now college profs are seldom dopes - I'm sure you will agree. And I'm one prof who knows the ropes - It's Lucky Strike for me!

Yes, Luckies get our loudest cheers On campus and on dates. With college gals and college guys A Lucky really rates!

L.S./M.F.T. Lucky Strike Means Fine Tobacco
