

Fire Damages Floor At Festival Hall

Fire, believe caused by a cigarette, resulted in considerable damage to the floor in Festival hall early Thursday, March 22.

The Fargo fire department was called at 6:31 a. m. and found the blaze had a fairly good start in the rear of the building. The fire had crept along under the floor for some 30 feet toward the front of the building and it was necessary to chop a number of holes in the floor to get at the blaze. The building has no basement.

Chief Fred Wells said the fire started where a large dust mop had been left. There had been a gathering in Festival hall the night before and Wells believes a smoldering cigarette may have been swept up in the dust mop.

The floor is being repaired and the hall will be ready for the Bison Brevities April 17, 18, and 19.

Chemistry School Displays Print Show

A new print show containing scientific and technical photographs of outstanding merit has just been made available by the Technical Division of the Photographic Society of America.

The 50 photographs have just been received by the School of Chemical Technology and will be on display in the second floor hall until April 5th, when they will be

shipped to the next exhibitor in California. The display came to the local campus directly from Lowell, Massachusetts.

These prints were selected from the PSA Fifth Open Exhibit of Technical Photography, held in St. Louis in October. About fifty of the most interesting prints are included in the Travelling Show. Of particular interest are several photographs taken with the new 200-inch telescope at Mt. Palomar Observatory. Unusual views looking the other way—from the sky to the earth—are provided by pictures made from a rocket travelling into the stratosphere. A number of electron micrographs of interesting minute structures are presented also, some of which illustrate the very useful shadow-casting technique. Several excellent photomicrographs, some showing the new phase contrast procedure, and a few medical pictures in color are included.

The combined use of photography and modern knowledge of atomic disintegration is also demonstrated by the pictures, both in medical and physical science. High-speed photography, especially as related to underwater phenomena, and acoustical and other studies are also represented.

NDAC Phi Kappa Phi Initiates 11 Members

An informal tea and reception followed the initiation of eleven new members into the NDAC chapter of Phi Kappa Phi, national honorary scholastic society. Hostesses for the event were Miss Matilda Thompson and Mrs. Madelene Skogen.

The seniors awarded the honor are Carl Amstrup, Fargo; William Bast, Steele; Robert Brun, Enderlin; Jean Davis, Fargo; Jeryl Hainbeck, Fargo; Helen Lunde, Fargo; James Minette, Fargo; Harriet Overboe, Detroit Lakes, Minn.; Robert Sieber, Wolford; Robert Stephenson, Cook, Minn.; Edna Strand, Ada, Minn.

The initiation was held March 1, in the parlors of Dakota hall.

Two Performances Of 'Harvey' At LCT

The Little Country Theatre will sponsor two special showings of the F-M community theater's production of "Harvey", the Spectrum learned today.

The rabbit-comedy will be brought to the campus stage on Wednesday, April 4, for two performances at 7:30 p. m. and 9:00, following two showings April 2 and 3 in the MSTC playhouse, Moorhead.

The LCT office will have a limited number of student tickets at fifty cents, as well as \$1.00 and \$1.65 tickets for both performances.

Demand for pasteboards, plus a desire to bring a community theater production to the AC campus audience, prompted the decision to bring Elwood P. Dowd and his invisible rabbit to the tower stage, theater board members said.

Engineer Ball Set For Next Friday

This year's Engineers Ball will be held next Friday, April 6, according to chairman Bob Kramer. The Ball will be held in the Fieldhouse with George Schoen providing the music.

The design and decoration of the Fieldhouse is being done by the architects and agricultural engineers. Tau Beta Pi is handling the publicity, while the electrical engineers are in charge of programs and invitations. Civil engineers are doing the procurement and the mechanical and aeronautical engineers are handling ticket sales. Tickets are \$2 per couple and are on sale at the bookstore.

NOTICE

The Board of Publications announces that applications for the positions of editor and business manager for the Bison, Spectrum, and Bison Furrows must be in the Dean of Men's office by 4 p. m. Thursday, April 5.

68 Students Complete Work For Degrees

Sixty-eight students at NDAC completed work for bachelor and master of science degrees at the close of winter term, March 17. All degrees are conferred at the spring commencement exercise which will be held June 4.

Completing work master of science degrees were Kenneth L. Lebsack of Fairview, Mont., agronomy; and Julius R. Anderson of Bergen, N. D., agricultural entomology.

Bachelor of science degrees in the School of Agriculture include: Lennart G. Almen, Park River; Norman G. Anderson, Forman; William K. Bast, Steele; Rolf I. Berg, Madock; Floyd A. Brown, Montpelier; Kenneth M. Dahl, Valley City; Lorn P. Dunnigan, Walhalla; Carl E. Eckstrom, Hines, Minn.; Laurel I. Geiszler, Ashley; Gordon D. Hansen, Valley City; Robert L. Hetzler, Fargo; Emmons A. Johnson, Northwood; Philip O. Jondahl, Galesburg; John R. Kaspari, Sheldon; Larry S. Kee, Valley City; Sherman M. Mandt, McIntosh, Minn.; Walter D. Mattson, Outlook, Mont.; Cyril A. Mondry, Ardoch; John P. Monson, Fingal; Benedict J. Myrdal, Edinburg; Russell W. McCalley, Fargo; Walter A. Ness, Edmore; Frank William Page, Leeds; Roy F. Pile, Cando; George E. Records, St. Paul, Minn.; John H. Richards, Valley

City; John E. Shelstad, Doran, Minn.; Leo E. Stuckle, Jamestown, Louis R. Twete, Red Lake Falls, Minn.

School of Applied Arts and Sciences: Alan W. Arneson, Hillsboro; William R. Humphrey, Moorhead, Minn.; George R. Long, Winnipeg, Canada; William C. Windom, Fargo. Department of Education: Stanley C. Carlson, Washburn; Clayton F. Davitt, Milnor; William Glum, Bismarck; Orval W. Hartje, International Falls, Minn.; Robert T. Kline, Buffalo Springs.

School of Chemical Technology: Eldon L. Christensen, Minot, and Edward E. Schweizer, Quintana, Argentina.

School of Engineering, administrative engineering: Allen R. Dreisner, Fessenden, and John A. Swenson, Bismarck. Agricultural engineering: Frederick H. Buelow, Drake; and Ralph W. Hansen, Kintyre. Civil engineering: Carrol K. Hauge, Fertile, Minn.; Wilbur A. Minch, Cleveland, O., and Dennis Trimakas, Chicago, Ill. Architectural engineering: Carol A. Blum, Lonetree, and Keith E. Bohlig, Jamestown. Electrical engineering: George W. Brittenham, Georgetown, Minn., and Erling D. Tweet, Columbus. Mechanical engineering: Alan L. Eid, Gary, Minn.; Melvin L. Forthun, Fargo; Harlan C. Ganung, Edgeley; Leslie R. Matheson, Farmount; James W. Minette, Fargo; Robert A. McManus, Dillworth, Minn.; Gordon C. Quanbeck, Aneta; Lowell W. Syverson, Ulen, Minn.; Lambert P. Vogel, Fargo; and Daryl Clifford Wetherbee, Fergus Falls, Minn.

School of Home Economics: Catherine A. Dowswell, Kerkhoven, Minn.; Eunice C. Fevig, Ulen, Minn., and Marjorie L. Sommerdorf, Towner.

School of Pharmacy: Arthur P. Huber, Halliday, and Floyd L. Schmidgall, Hancock, Minn.

Two Campus Chemists Listed In Directories

Two local and campus chemists are to be listed in forthcoming National Directories according to information recently received upon the campus. Drs. R. E. Dunbar and W. B. Treumann are prominently listed in the third and latest edition of Chemical Who's Who.

The biography of Dean R. E. Dunbar is also to be included in the 27th Biennial edition of Who's Who in America. The ratio of inclusion in this rather exclusive volume is about 3 in 10,000. Biographical sketches of Dr. Dunbar have previously been included in Young Men of Science, Who's Who in North Dakota, Blue Book, Who's Who in the Northwest, Who's Who Among North American Authors, Leaders in Education, Who's Who in the Midwest, Who's Who in American Education, Who's Who in the World, American Men of Science, Biographical Encyclopedia of the World, and Chemical Who's Who.

Bison Brevities Ticket Sales Begin Today

Tickets for the 1951 Bison Brevities will go on sale this weekend according to Neil Moen, ticket chairman. Campus organizations and Daveau's will handle the sales for the all-college variety show slated for April 17-18-19.

Campus organizations handling tickets are: Alpha Tau Omega, Alpha Gamma Rho, Theta Chi, Sigma Chi, Kappa Sigma Chi, Kappa Psi, Sigma Phi Delta, Sigma Alpha Epsilon, Phi Mu, Alpha Gamma Delta, Kappa Alpha Theta, Kappa Kappa Gamma, Kappa Delta, Gamma Phi Beta, ISA, and Co-op House.

Trophies will be awarded the organization in each the men's and women's division selling the most tickets. In addition \$10 cash prizes will be given the ticket chairman of winning groups.

Early purchase of tickets is urged by Brevities officials who say that high campus and community interest in this year's production indicate sell-out crowds. Prices are \$1, \$1.25 and \$1.50, tax included.

Production and curtain act trophies for the show are now on display in the lobby of the library.

Forms Available For Board Positions

Students desiring to make application for positions on any of the various boards may still obtain applications from the office of the Dean of Students. These forms must be completed and returned before 10 o'clock noon Tuesday, April 3. Applications, when returned, should be addressed to the respective boards.

The annual all-college election will be held this year on April 18; voting from 9 a. m. until 4 p. m.

Concordia Students Present Comedy Opera

Brightening the stage in the Moorhead Armory in a fascinating wealth of color stolen from the Japan of antiquity, the Concordia Student Light Opera Company will present the gay Gilbert and Sullivan musical comedy, "The Mikado," at 8 p. m., April 6 and 7.

Evening reserve prices are \$1.80 and \$1.20; balcony and rush seats are 75c.

UN Member To Speak At Library Wednesday

Dr. Fred Rope, a member of the U. S. delegation to the United Nations, will speak in the library lounge at 4:15 p. m. Wednesday. Everyone is invited.

The program is sponsored by the YWCA, the International Relations club, and the Library Student Lounge committee. Peggy Armstrong is chairman of the program.

Edwin Booth To Stage 'Hamlet', May 17, 18

Edwin Booth Dramatic club will stage "Hamlet" May 17 and 18 at the Little Country Theatre. Director, Miss Constance West, announced that try-outs have been conducted and cast members will be announced soon. Mr. A. G. Arvold is in charge of general supervision.

Campus Sororities And Fraternities Elect Chapter Officials

Orilla McGill
Phi Mu

Miss Orilla McGill, daughter of Mrs. Esther McGill, 1318 7th St. S., was recently elected president of Zeta Iota chapter of Phi Mu. Other officers elected were: Elaine McNeilly, vice-president; Jane Remboldt, secretary; Barbara Lazenby, treasurer; Patricia Lazenby, pledge trainer; Jacquelyne Craychee, social chairman; LaVonne Sommers, rush chairwoman.

Jack Murphy

John Murphy, Ag-Jr from Steele, was recently elected president of Kappa Sigma Chi to replace Ralph Hansen. Murphy is editor of the Bison Furrows and past president of the NDAC Toastmasters club. Other new officers are: Merlen Clemenson, vice-president and social chairman; Don Morton, treasurer; Eugene Ruppert, secretary; Glen Chambers, house manager; Don Davison, sports manager; Rene Carriere, pledge trainer; Edward Sveinson, reporter; and Richmond Lapp, historian.

Winona Anderson
Kappa Delta

Winona Anderson, a junior in home economics from Fargo, is the new president of Kappa Delta Sorority. Winona, who is also active in Art club, Tryota, and Panhellenic Council, replaced Nola Westmann.

Other elected and appointed officers are Kaye Bayley, vice-president and rushing chairman; Virginia Lidstrom, secretary; Shirley Foust, treasurer; Ann Beck, editor; Carol Bahr, house manager; Lois Heise, historian; Delphine Lindemann, social service; Neysa Henderson, social chairman; Rene Haas, sergeant at arms; Florence Geiszler, scholarship; Betty Utke, cultural chairman; Pat Sherman, activities; and Mary Holmgren, magazine chairman.

Darrol Schroeder
Theta Chi

Darrol Schroeder, junior in agriculture from Davenport, N. Dak., has been named president of Phi chapter of Theta Chi fraternity. Schroeder is active in Saddle and Sirlon club, Arnold Society, Campus Traffic Board, Ski Club and Interfraternity Council.

Other officers are Harold Sorlie, vice-president; Charles Finnegan, secretary; Gordon Badger, treasurer; John Jester, pledge marshal; Donely Eyoifson, chaplain; Robert Grant, librarian; Edwin Boerth, historian and rushing chairman; Howard Preckle, 1st misthodoi; David Robinson, 2nd misthodoi; Robert Piper, assistant treasurer; Monte Piper, assistant pledge marshal; Richard Kloube, social chairman; and Leslie Ferris, athletic director.

Art Bunker
Alpha Tau Omega

Art Bunker, senior in AAS from Havre, Mont., was recently installed president of Epsilon Delta Chapter of Alpha Tau Omega. Bunker, star of the Bison basketball team, is also cadet captain in the Army ROTC. He will receive his commission this spring.

Others elected and the office they hold are Bob Peet, Fargo, vice-president; Bob Ripley, Dickinson, secretary; John Deen, Hatton, house manager; Glenn Fanslow, Minot, historian; Wallace Swenson, Columbus, rushing chairman and usher; George Sweeney, Larimore, sentinel Robert Gruel, Fargo, social chairman; Herb Gliage, Minot, Pledge trainer; Everette Harrison, Fargo, scholarship chairman.

ROTC Makes Changes In Duty Assignments

Several changes in duty assignments in the Army ROTC cadet staff were announced Monday by Lt. Col. Neal W. Lovnsnes, Professor of Military Science and Tactics.

Named battalion executive officer and promoted to Cadet Major was Richard J. McMahan, Moorhead. Replacing Cadet Major McMahan as company commander of D company is Cadet Captain Ardis G. Bunker, Havre, Mont.

Announced as succeeding Cadet Captain Bunker as battalion plans and training officer, and promoted to Cadet Captain, was Walter B. Smallwood, Minot.

Named battalion intelligence officer was Cadet Captain Walter J. Seeba, Fargo. Replacing Cadet Captain Seeba as battalion personnel officer, and promoted to Cadet Captain, was William P. Swanston, Fargo.

Members of the cadet staff previously announced are Cadet Lt. Col. David Litten, Fargo, cadet colonel; and Cadet Captain John B. Askegaard, Comstock, Minneosta, battalion supply officer.

Tau Beta Pi Holds Initiation Banquet

The Alpha chapter of Tau Beta Pi, national honorary engineering fraternity, held its winter initiation and banquet at the Gardner hotel on March 7. Those initiated were: Robert Myrdal, Wesley Martin, John Thomas, and Lorren Levorsen.

Allen Driesner, president of the chapter, acted as toastmaster at the banquet while Mayor M. A. Baldwin was the main speaker. Special guests at the banquet were Dean R. M. Dolve and the heads of the various engineering departments.

Driesner presented the prize winning pledge essay award to Lorren Levorsen, who read his essay, "Aerial Survey Speeds Highway Planning."

Guidance Directors Attend Chicago Convo

Miss Pearl Dinan, dean of women, and Carl H. Schmidt, director of personnel, recently attended a four-day convention of the Council of Guidance and Personnel associations at Chicago.

LOST

One antique earring. Brown shell in gold frame. Lost Monday, March 19, between LCT and Bus stop. Finder please call Mrs. D. J. Wright, 2-3003.

North Dakota Regional Institute Marks First Anniversary Of Founding Here

The North Dakota Institute for Regional Studies marked its first anniversary Friday, March 9. Founded in March, 1950, by Rudolph Otterson, Kenneth Kuhn, Dr. E. A. Helgeson, Dr. O. A. Stevens and Dr. W. C. Hunter, applied arts and sciences school faculty members; H. Dean Stallings, college librarian; and Dr. G. E. Giesecke, director, the Institute was organized to establish at NDAC a research center for North Dakota and the northern plains region and to stimulate significant research into the resources of the state and region and the cultures which these resources have sustained.

During its first year, the Institute has received contributions of \$500 from Blue Key fraternity and \$50 from John C. Ellickson of Washington, D. C., 1927 alumnus. Over 200 documents, newspapers, early histories of counties, pioneers and statehood, original manuscripts from North Dakota authors, early constitutions of various North Dakota organizations, historical pictures have been donated by over 43 different sources. Working facilities and a display area for the Institute have been set up in the new NDAC Library.

One of the first projects sponsored by the Institute and published in December, 1950, was Dr. A. O. Stevens' "Handbook of North Dakota Plants". Dr. Stevens is also credited with having the first paper published in the Institute's journal series. Another Institute sponsored project was a talk by Carl Kraenzel, Montana State College sociology professor, who spoke on the "Region as an Instrument in Democracy".

Dr. W. C. Hunter's "History of NDAC" is one of the bigger projects now underway. Kenneth Kuhn and Richard E. Lyons of the NDAC English department are now working on an "Anthology of North Dakota Writers". A "Linguistic Atlas of the Upper Midwest", under the direction of Harold B. Allen of the University of Minnesota, is

being co-sponsored by the College through the Institute. Wendell Norris, NDAC English instructor, is making a study of small North Dakota newspapers in the early 1900's; and Loren Potter, assistant professor of botany, and Frank Casel, assistant professor of zoology at NDAC, are working out a long-range study of the northern plains region in plant and animal ecology which will have a graduate work area at NDAC.

Dr. Giesecke said that a faculty-student research program is being organized to survey the state for folk-tales, legends, "tall stories" that may be characteristic of North Dakota.

Giesecke At Chicago

Dr. G. E. Giesecke, dean of the School of Applied Arts and Sciences, will attend the sixth annual meeting of the National Conference on Higher Education at Chicago April 2-4. The meeting is sponsored by the department of higher education of the National Education association of the United States.

Ag Seminar April 5

Mr. H. L. Tinley, Farmers National company of Omaha, will speak on "Insurance and the Farmer" at the Agricultural Economics seminar at 4 p. m. Thursday, April 5, Room 215, Morrill hall.

BUY TICKETS NOW FOR BISON BREVIETIES APRIL 17, 18, 19

Chem Club Schedules Talks By NY Research Workers For April 3

Two representatives of the Research laboratory of the Witco Chemical company of New York will give talks concerning paint chemistry at 8 p. m. Tuesday, April 3, Room 207 in the Chemistry building.

Mr. Raymond Wendt will give a lecture on "The Performance of Zinc Soaps in Sanding Sealers," and Mr. Howard Packer will discuss the very important subject: "Development of Replacements for Critical Materials in the Paint Drier Field".

Pharmacy Club Serenades Tommy Bartlett

Members of the Pharmacy club "serenade" jovial Tommy Bartlett (holding mike) during a recent visit to the coast-to-coast NBC "Welcome Travelers" broadcast at the Hotel Sherman. The students were making a tour of pharmaceutical plants in the Chicago area.

From Brevities Past

NDAC's Bill Euren Was Music Director In 1932 Brevities

Gold Star band director Bill Euren was music director in the '32 Brevities and was active in the 1928-31 shows.

The Fargoan was a 1933 AAS grad and since has done graduate work at the Concordia Conservatory of Music, U. of North Dakota, Minneapolis College of Music, and Northwestern University.

Euren put his trumpet playing abilities to work while still in high school and did dance band work with the Fargo Red Jackets and later on the west coast with Phil Baxter. During his college career

Bill Euren

he took a trip to the Orient, traveling with a ship's orchestra. He also worked in pit band at local theaters.

Before coming to NDAC as band director, he did sales work for the Ford Motor Co. and held band directorships at Hillsboro and Breckenridge high schools. He has become well known for his football half-time shows, and has just completed a tour with the Gold Star Band.

He is director of the El Zagal Shrine band, member of the Fargo civic orchestra, and national music editor of Alpha Tau Omega. Euren is married and has two daughters.

ISA Elects Officers

The Independent Student Association recently elected officers. Newly installed are: President, Donna Wohl; vice-president, Mancor Olson; secretary, Margaret Olson; treasurer, Dorothy Wyum; and historian, Fred Worner.

ISA will have a social meeting on Monday, April 2, at 7 o'clock. There will be a speaker followed by social dancing and lunch. Everyone is welcome.

AGENCY LONGINES WITNAUER Watches

4th Street at Center Ave. Moorhead, Minn.

Qualified Students Offered Jobs In Californian Naval Laboratories

Employment in the Naval laboratories in California will be offered to qualified students by the representatives of these laboratories who will be on the campus to interview graduating seniors, graduate students, and alumni on April 2 and 3. To be considered for employment the applicant's major field of study must be engineering, physics, electronics, chemistry, mathematics, biology, bacteriology or meteorology. Definite commitments for employment will be made to students who fulfill the requirements for work at one of the laboratories.

A group meeting for interested students will be held at 9:00 a. m. in library 101 on Monday, April 2. Movies relating to the research facilities and activities of the laboratories will be shown, and general information regarding employment opportunities will be presented. Individual interviews will be conducted by previous appointment. Students may make such appointments with Placement Service, Library 105.

Meintzer, Gustafson Get Chem Appointments

Roger B. Meintzer, a graduate student in chemistry from Fargo, has just been granted a graduate teaching assistantship in bio-chemistry at the University of Wisconsin for the school year of 1951-'52. He will continue his studies for the Ph. D. degree in biochemistry. Meintzer expects to receive his M. S. degree on the local campus at the end of the summer session. He has been employed in the chemistry department during the current school year under a grant provided by the Research Corporation of New York City for Amino Acid studies under the direction of Drs. R. E. Dunbar and R. T. Wendland.

John P. Gustafson of Fargo, another graduate student in chemistry, has received a similar appointment in physical chemistry at Purdue university for the coming school year. He too expects to receive the M. S. degree at the summer session and will continue his studies for the Ph. D.

Inquiring Reporter Quizzes Students

Question: Do you favor early registration?

Edwin F. Anderson, Agr-Sr from Warwick thinks that early registration is a good deal. Ed said, "I think they are great. When we register the week of final exams it gives us more time to study for our exams. Including weekends it allows four full days out of school before exams."

Wayne Slotten, Agr Educ-Jr, who hails from Wahpeton said, "I don't like the idea at all. When I go home between quarters I still

don't know whether I will return to school or not. If the weather is good I will probably stay at home and work during spring quarter."

Harry Bristol, AAS-Sr from Fargo, said, "I don't think it is too good of an idea. What happens if you flunk a course? Then I suppose you have to register all over again."

J. Paul Erickson, AAS-Sr from Fargo was indifferent. Paul said, "It doesn't make any difference to me which way it is. I would just as soon register before finals as after them."

Understand Uncle Harry wanted to make a parachute jump the other day but was ordered not to by a Maj. General. Who's boss, anyway?

RCA Victor Record Album Now Available At Daveaus

The RCA Victor album, "Music Over the Prairies", which contain recordings of the NDAC Gold Star Band and Choir are now on sale at Daveaus. The price of the albums are \$5. All profits from the sale of the albums go to Alpha Tau Omega service fraternity.

Ski Club Returns From Western Trip

If you've noticed a few dark faces in your classes this week, better look a little closer—it isn't a new foreign student as you might suspect, but one of the Ski Club members who spent his between term vacation on the slopes of the "Big Mountain" ski area near Whitefish, Montana. That dark complexion is a sun tan accumulated from reflecting sun and wind burn while "schussing" the mountain slopes.

Twenty members of the NDSC Ski Club, sponsored by the College "Y", journeyed to this well known ski area at the tip of the scenic Glacier National Park, and report a wonderful week of skiing, even though the casualty list kept daily by the group included the names of nearly every skier on the trip. Most of the casualties listed, however, ranged from sunburned faces, sprained ankles, and broken ski poles to "black and blue spots in a strategic location."

Ski Club members on the trip included three high school students from Fargo. Skiers were

Harry Miller, Janet Kiefer, Barb McMurray, Ken Maetzold, Tom McLeod, Andy Watt, John Hook, Tom Fleck, Art O'Connor, Phyllis Hans, Don Flatau, Kenny Hansen, Bill Henry, Don Lamb, Margaret Schaidt, Ann Hook, Lora Dixon, Janice Skrei, Dave Dixon, and Walt Christensen.

LCT Players Announce Forthcoming Play

The Little Country Theatre Players will present the melodrama, "Ten Nights in a Barroom" during the first week of May. Mr. A. G. Arvold is directing the production. Specialty numbers will be featured between acts.

The Score . . . Spectrum Staff Need Another Columnist

by JIM SCHRIMPFF

Most of this week's Spectrum was written by journalists wearing overshoes—due to the gallons of tears shed over the untimely demise of Robt. Johnson's Ballpoint. Note to anyone who would like to take over Bob's job of space-filling: He's now a bartender at the FM. See where all good columnists go? With a straight face, tho—someone is needed to fill a half column of page four per week. Any brave humorists out there? Drop in the Spec office sometime this coming week and talk it over.

I had a few little bits of wisdom slipped to me a couple of weeks ago at the vaudeville show—under a "No names, please!" stipulation. Sorry that I can't use most of them because they pertain to a certain sorority which I promised not to mention any more. The red faces would be darn becoming though. Found out that the fellas up at the U of Minnesota (not to be confused with Arch Monroe's Opee U at GF) are entertaining themselves with a different game of chance. Thusly: A couple of dozen Romeos each put a buck in the kitty, and the one who returns with the homeliest date nabs the pot. The game is null and void here at State—too darn much competition for the twenty-five bucks!

Ted (You-name-it-and-I've-been-there) Pease is back for another crack at Moo U—bringing along a batch of new "Peasisms". When talking about Hod Nornness, the needle-nosed stringbean cent-

er for Cobberville's five: "He's so blind, he needs contact lenses to see his glasses!" And spotting him over at the Hasty on Tuesday he came up with, "I don't mind these eight o'clocks—but this steady grind is getting me." The second day of school, yet!

A couple of sultans stood out at old main—John Haggart (courtesy Florida) and Buck (I've been skiing gives me a chance at u vbgkqj ing) Lamb. (The deal about Florida gives me a chance to slip in a corny joke here.) I asked Johnny why he was limping and found out that a lobster had bitten him on the toe. When I asked, "Which one?" John came up with, "Oh, I don't know—all those lobsters look the same to me."

A prominent Kappa visited her psychiatrist during vacation to find out what was wrong with her. It's a word that begins with "S" and ends with "X". You guessed it—a sublimation complex. The same KG had to skip the Interfraternity Ball because she didn't have a single indecent thing to wear.

Wondering: Who brought the females to the stag at the VG Monday night. The jokes didn't suffer, however. Red ears?

When they'll add the following to basketball box scores: BO and BT (bribes offered and bribes taken)?

I just found out what happens to worn out jokes. Harvey Jacobson (of the Stewed-ent) uses 'em! (Look who's talking).

Winchell said it, not me — so don't bother to cut this, Mr. Sveinson—it's been in several hundred dailies with only raised eyebrows as a result: "Headlines: Falsies To Lose Rubber Content. (Less bounce to the ounce.)" Pepsi-Cola is now bringing suit.

Hearts sank and hopes were dashed last week, when the report on the Festival hall fire went out over the news. It was brought under control. Standard reply to query, "How bad was it?" is, "Not bad enough." And they still intend to remodel that replica of the U's armory! Three dozen cast iron bow ties will go to the writer of the best printable suggestion on "What Shall We Do With Festival Hall?" Finish in eight words or less, the following statement: "You can Swearing in Chinese not tolerated.

I've been staying up until five in the morning for three weeks now, trying to figure out what was making me feel so lousy. Today I finally found out what was wrong—I haven't been getting enough sleep! And so, if you don't mind, (Now there's a good one—what am I, a dumbhead? Don't bother incriminating yourself.) I think I'll go back to get a little sack time logged. And don't forget, anyone (thing) who wants to scribble a column for the Spec—get in touch with the Spec office before Tuesday.

Social Jottings . . .

By LOIS FITZLOFF

One week of the Spring term is past so now there are only nine weeks left. Anyway the sunshine the last few days gives hope that we still might have what the poets write about—Spring.

Those glorious tans you've seen around school belong to the ski club members who spent their vacation at Whitefish, Montana. Aside from Tom Fleck, who broke his leg, therewas'too many casualties.

Faye Reed, Kappa Delta, married Pete Olson, Sigma Chi, on St. Patrick's Day, March 17. Another one of the KD's received a diamond sparkler during the Easter holidays. She is active Marlene Severson now engaged to Lee Palmer, Kappa Sig.

Sigma Chi Bob France parted with his fraternity jewelry on a trip down to Minneapolis during vacation. He is pinned to Cammy Nelson, from Minneapolis.

Applications For Editors, Business Managers Called For; Students Are Asked To Keep Off Campus Lawns

The Board of Publications is accepting applications for editors and business managers of the Bison, Spectrum, and Bison Furrows. These applications must be in the Dean of Men's office by 4 p. m. Thursday, April 5.

In all probability the Bison Furrows will be discontinued next year unless both positions are applied for. If the enrollment at NDAC is drastically reduced next year, both the Bison and the Spectrum face a reduction in page number. Students applying for positions on these publications should take this into consideration before submitting editorial or business policies. Those applying for editorship should also have prospective staff members in mind.

Now that the frost has started to leave the ground and the campus lawns are very soft, the maintenance department requests that students use the sidewalks exclusively. Walking or driving on lawns make permanent ruts that damage lawnmowers and cause a loss in time and money in the repair of mowers and replacement of the turf.

Incidentally, the Spectrum has been informed that appropriations for the paving of roads and parking lots on the campus have been cancelled. What next?

How many students would like to have more pencil sharpeners in Science hall?

Student Commission Minutes

March 27, 1951.

The meeting was called to order by Pres. Freeh. The roll was called. Virginia Arneson was absent. Pat Carlisoa replaced Bob Johnson as representative of the Board of Publication. The minutes of the last meeting were read and approved.

Discussion was opened by Merle Nott on the Student Commission loan to Alpha Phi Omega fraternity to cover costs of NDAC chorus and band albums. An additional cost of \$60 for royalties was explained. Bristol moved that Student Commission loan Alpha Phi Omega an additional \$60 to cover costs of royalties on the record albums and that a note for the total amount be drawn up and signed by the presidents and advisors of Alpha Phi Omega and the Student Commission respectively. Seconded by Kennedy. (Student Commission had previously loaned APhiO \$2,000 for the making of the record. The records are now on sale at Daveau's).

Ralph Christensen reported on elections to be held April 18. Freeh reported on damage done in Science Hall at night during winter quarter test week and breaking in to various college offices. Discussion was held on the problem.

Bob Colliton gave financial report of the Board of Athletics. Veterans fees had not been received at the time of the report.

Fees received—\$5,106.40.

Expenditures—\$5,106.40.

Meeting adjourned.

Respectfully submitted,
ROBERT OURADNIK.

Army Offers Therapy Training For Women

The Army Medical service has recently announced opportunities for physical therapy training for qualified young women. A 12-month course is conducted for the purpose of training physical therapists for duty in army hospitals.

The curriculum includes the study of such basic sciences as anatomy, physiology, medical physics, and pathology; the study of the professional skills used in therapeutic exercise, electrotherapy, phototherapy, hydrotherapy, and massage; and the study of the application of these skills in the treatment of medical, surgical, orthopedic, neurological, and neuro-surgical conditions.

Basic requirements include a degree in physical education or the biological sciences, or a degree with satisfactory courses in the biological, the physical, and the social sciences; physically qualified unmarried, and a citizen of the United States between the ages of 21 and 26. A selected applicant is commissioned as a lieutenant in the Women's Medical Specialist Corps Reserve for the purpose of taking the physical therapy training, volunteering for a 2-year period of active duty.

Any young women who have recently received or anticipate receiving degrees related to this field of work may obtain further information at the NDAC placement service in the library building.

NDAC Graduate Named CO At Chicago Field

Lt. Col. Frank W. Dvorak, USAF, former Fargoan and 1933 graduate of the North Dakota Agricultural College, has been named commanding officer of air installations at O'Hare Field, Chicago, according to a recent announcement by headquarters of the United States Air Force.

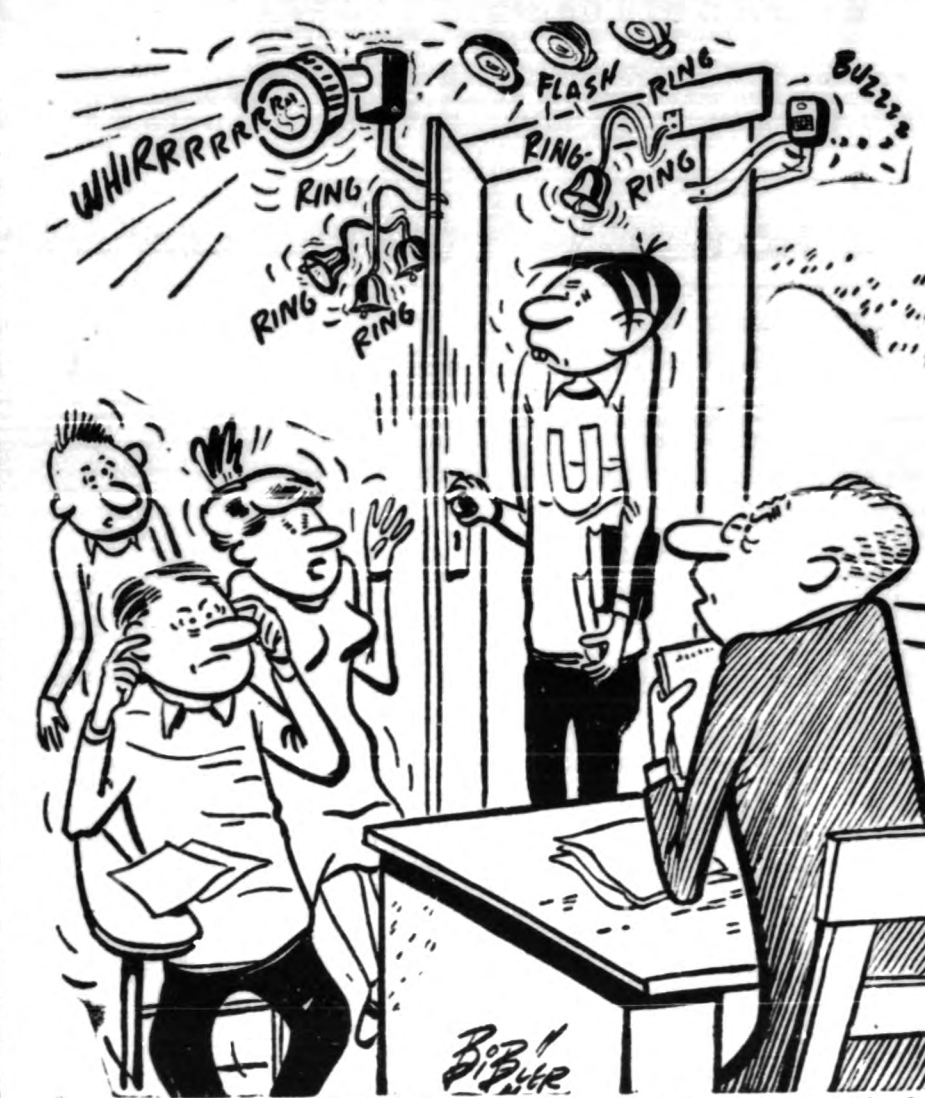

Dvorak joined the North Dakota National Guard in 1927 and since that time has participated in extensive active duty tour. In 1941 he was named Sub Depot commander at Baerfield, Ind.

An outstanding athlete at NDAC, he was a four-year letterman in football, boxing and rifle team, three year's on the hockey team, middleweight boxing champion, a member of the Lettermen's club for three years and a cadet captain of the ROTC. He was graduated from the NDAC school of agriculture.

The Dvoraks and children, Thomas 12, Elizabeth Ann 10, and Robert Mark 7, live at Des Plaines, Ill.

Know Your Law

Q. Does the State of North Dakota have what is known as "Statutes of Limitation?"

A. Yes. The laws of North Dakota specify lengths of time within which certain civil and criminal actions may be commenced.

Q. What is the purpose of a "Statute of Limitation?"

A. This law exists in order to prevent the enforcement of old and stale demands when, because of a lapse of time, evidence concerning the true status of those demands has become lost or is difficult to procure.

Q. Is there any time limit within which a prosecution for murder must be started?

A. No. It may be commenced at any time after the death of the person killed.

G. If a criminal offense is committed, other than murder, when must the person be prosecuted?

A. If it is for a felony (a crime punishable with death or imprisonment in the penitentiary) an information or indictment must be found within three years after the crime has been committed. If it is for a misdemeanor (a crime punishable by means other than death or imprisonment in the penitentiary) an information or complaint must be filed within two years after the crime has been committed.

Q. If a person commits a crime and then leaves this state can he wait until the statutory period elapses, return to the state and then escape prosecution?

A. No; the time during which the defendant is not an inhabitant or resident of this state does not count in determining the limitation of time for prosecution.

Stallings Named To Librarian Committee

H. Dean Stallings, NDAC librarian, has been named to the nominating committee of the Association of College and Reference Librarians. The committee will meet in Chicago in June to determine candidates for the 1951-52 slate of officers.

"LIMBLESS" BOWS OUT WITH FABULOUS FUTURE FORECASTS

This young scribe, known affectionately to ardent readers now as "Limbless", would like to bow out of this lucrative position with some fabulous long-range predictions.

John Mashek, a Bison footballer and one of the better known campus personalities, will henceforth give SPECTRUM readers full benefit of his vast comprehension of wine, women, and (ugh!) the world of sports.

The new quarter will see your old sports editor attempting to break into the numerical values of the scholastic averages.

So in the farewell bid we would like to climb out on the last limb for this paper.

Thus: TRACK PROSPECTS, the best in years, will not materialize. A late frost will cancel all efforts.

UNDERWATER BASEBALL will be the new fad as the Bison diamondmen trounce all opposition in copping the Gorman trophy.

S. D. STATE'S Jacks will repeat as NCC track titlists, nipping Iowa Teachers.

MAJOR LEAGUE baseball will be booned by several former Fargo-Moorhead Twin players.

BUBBLES FITZGERALD will not become the new commissioner.

CHICAGO'S SOX will win American league laurels with St. Louis' aging Cards taking the National loop's honors, both circuits being hit hard by service calls, as you can see.

IN WORLD SERIES play the White Sox will triumph in five games on the hitting of Ted Williams, late of the Boston Red Sox but sold to Chicago in early July because he punched the manager in the nose.

TY COBB and Bobo Newsom will sign with the New York Yankees to help the Bombers rise from last place in the American league. Cobb will hit around .380 but Bobo won't break even on pitching victories.

ST. LOUIS BROWNS will move to the National league after the season.

NORTHERN LEAGUE play will see the F-M Twins dropping to last place once more after a "well-known Red River Valley sports writer" picks them for the upper division.

THE TWINS will lose exhibition games to many amateur teams in the area, such as Fergus Falls, the F-M Chix, Hawley, and a Fargo all-star soft-ball team.

BISON GRIDDERS will romp on all opposition in the fall, climaxing the season with a 56-0 win over NDU's forbidding Sioux, who will win only one game, from Mayville Teachers college.

MAC WENSKUNAS' lads will win the conference title by nipping Iowa Teachers 28-26, in a battle of unbeaten teams. Mac will be happy.

BASKETBALL won't even be interesting with the Bison crew playing with opponents on a 30-game schedule. Only loss will be to Minnesota by two points.

NDU'S SQUAD will win five games—outside the conference—but will be forced to forfeit because of use of an ineligible player.

CHUCK WOLFE, who this season was NDU's bid for the title of the greatest cager in N. D. history, will matriculate to this school. The reason because Fritz Engel, taking a post-grad course, will be declared eligible for another season due to tony registration up there. Chuck will make the starting five on the freshman team—as a guard!

AUGUSTANA will drop basketball with only four men out for the team.

INTRA-MURAL sports here will be dominated by the Gamma Phi's who will turn fraternity.

NDU WRITERS will be outlaid from organized journalism.

SLIPPERY ROCK Teachers will win the NCAA crown, gaining the invitation after 36 big-time universities had discontinued basketball due to gambling and player recruitments. The Bison will lose out in a game with Kentucky because of Art Bunker's inability to hold down 7-foot Bill Spivey, who will score 12 points.

RIFLE TEAM matches will be dropped after a dismal season of only two wins in 12 matches.

ENROLLMENT HERE next year will be 1,200, including 1,100 coeds and 100 satisfied male students.

COLLEGE OFFICIALS will be suspected of enrolling four-footed members of the agricultural department to maintain budget allotments. Also to give faculty members something to do.

CASEY FINNEGAN, athletic director, will receive his draft notice by next January.

MARSHAL TITO of Yugoslavia will quit the party and vote republican at the next general election in this country.

THE SPECTRUM will be one page next year, better than ever.

WALLY KLUNDT of the Bison annual will break up his harem up on his graduation.

BILL WEAVER will again rebroadcast the state girls' basketball tournament. Jim Schrimf will keep the scorebook for him.

SORORITIES: Pat (Crusher) Christianson, the hard-running Gamma Phi of Bromo Bowl fame, won't go out for football... Kappa Delta will sponsor monthly lectures on Freud's psychology... Kappa Kappa Gamma will be the most unsophisticated sisterhood on the campus... Phi Mu will be heard from... Kappa Alpha Theta will disown taxi drivers... Alpha Gamma Deltas will endeavor scholastic interests.

FRATS: Theta Chi will initiate monthly "coke" busts... What's banned in Boston will be banned in the ATO house next year... Sigma Chi will take out a mortgage on its unfinished "boxcar"... The AGR's will switch to vigor, or have they?... Kappa Psi will mix potions with seltzer water instead of fumbling with materials in the pharmacy lab... The Kappa Sigs will switch to females... SAE may do more than sleep and eat—may that is... SPD will do something next year.

LOST Will the person who borrowed Webster's Dictionary from the Spectrum office please return it.

6 Lettermen Bolster Herd Hopes; Kaiser Readies Promising Squad

V-Ball Tourney Fees Will Be Refunded

Anybody need extra beer money? NDAC Athletic Director C. C. (Casey) Finnegan would like to return entrance fee payments to several volleyball teams.

The remodeling of the Fieldhouse made it impossible to run off the Intra-Mural program for volleyball this year.

Course there are students on campus who would like to start a fund of their own, and the unclaimed fees would help.

However, the organizations are entitled to the loot. Why not claim it?

AC Diamond Crew Joins Gorman Loop; Kostka League Pres.

NDAC baseballers will open the Steve Gorman Trophy league season April 27, playing host to MSTC.

Stan Kostka, former Bison football coach and all-American footballer from Minnesota, announced a 10-game season for the NDAC entry in the loop. Kostka is commissioner of the league.

The league schedule was cancelled last season due to bad weather.

The league includes NDAC, MSTC, Concordia, Wahpeton Science, Jamestown college, and Mayville Teachers college.

The loop has been running since 1947 when Steve Gorman, former president of the Fargo-Moorhead professional baseball team, donated the trophy.

MSTC's Dragons won the trophy for three straight years, no games being played last season.

Here is the complete league schedule.

- April 27—MSTC at NDAC. May 1—Mayville TC at NDAC. May 2—MSTC at Concordia. May 4—Concordia at Jamestown college. May 7—NDAC at MSTC. May 8—Jamestown college at MSTC (3:30). May 11—NDAC at Mayville TC. May 15—Mayville TC at MSTC (3:30). May 18—Wahpeton Science at Jamestown college (2). May 21—Concordia at Wahpeton Science. May 22—Jamestown college at Mayville TC (2). May 23—Concordia at MSTC. May 24—MSTC at Mayville TC (night). May 29—Concordia at Mayville TC (night). MOST FREE THROWS NDAC attempted 45 free throws at the Field house Jan. 29 against S. D. State for the highest North Central conference total of the season.

Thin Clads Look Strong In Weights and Vault; Freshman Eligibility Rule Change Gives Better Potential

A special track meeting will be held Tuesday at 4:10 in Room 204 of the Fieldhouse. Coach E. E. Kaiser asks ALL PERSONS INTERESTED, INCLUDING FRESHMEN, to report.

Track mentor Erv Kaiser could be the happiest member of the NDAC coaching staff this athletic year. COULD, that is.

At first Erv beamed with delight as North Central conference athletic representatives discarded the freshmen ban on member schools last Monday in Minneapolis.

But Ole Man Weather and scholastic ineligibilities may put a damper on his high hopes for the coming thin-clad campaign.

Last season the entire track and field program was cancelled by adverse climatic conditions.

Yet with six lettermen from the 1949 squad slated for return action and a host of likely-looking freshmen out, prospects for a top-notch cinder team are good.

MEETING SET TUESDAY The new crop is described as "one of the best in years at this institution."

The new freshman eligibility rule should be a boon to the Bison this season.

Kaiser pointed out that the list of hopefuls is hardly completed yet since many others have not as yet reported. A meeting will be held Tuesday at 4:10 p. m. in Room 204 at the Fieldhouse to determine practice schedules.

The track mentor urged that all trackmen interested should report.

As for tennis and golf players, the "gates are wide open" with no lettermen back. Kaiser would like those interested in the two sports to contact him.

INDOOR SESSIONS Thus far most of the workouts have been held indoors by several early arrivals. Kaiser noted that there is no telling when the weather will break, but he will have some of his squad outside as soon as possible.

Some of the boys have been working into shape outside in cross-country running.

The Bison mentor would like to send some representatives to the

Aberdeen, S. D., Relays on April 27 and 28, but nothing has been set definitely.

Other competition may be arranged in the quadrangular meet with Concordia, MSTC, and Wahpeton Science and the North Dakota State College meet at Valley City, among others.

If the weather permits competition this spring, the Bison will attend the NC conference event at Cedar Falls, Iowa, on May 19. S. D. State is defending champion, having won the crown at Sioux Falls last year.

Getting honorable mention were Dave Aberg and Kermit Nelson of S. D. State, Dale Roberts of SDU, Howard Pigg of Iowa Teachers, and Ray Berry of Morningside.

Gremmels was named the most valuable player in the conference, although his team took last place.

Listed on the all-city team were Fougner, Grant and Bunker of NDAC; Don Smead, Mac Redmond, and Ken Severud of Concordia; and Carl Hedstrom and Bob Roysland, of MSTC.

Smead took high honors in the point-making department with 290 in 21 games, not including tournament play.

Grant was second with 276 in 21 and Bunker third with 252 in 21. Fougner had 157 points in 16 games for eighth place in scoring in the Fargo-Moorhead colleges.

Along with Grant and Bunker on the all-state team were NDU's Engel and Wolfe, Gene Groninger of Minot TC, Frank Restadius of Mayville TC, Bob Price of Valley City TC, and Joe Ford of Jamestown college.

Bunker received honorable mention on the squad.

Eleven varsity letters and sweaters were awarded by the NDAC Athletic Board of Control recently.

The players receiving the awards on the recommendation of Coach Chuck Bentson were Art Bunker of Havre, Mont., Jack Cavanagh and Rodney and Roger Fercho of Fargo, Don Fougner of Williston, Jerry Geisler of Detroit, Mich., Bob Grant of Minot, Bob Hipke of Chilton, Wis., Jim O'Conner of Long Beach, Calif., Dale Peppel of Fessenden, and Ossie Twdet of Kindred.

Nine freshmen were given numerals and sweaters: Roger Berseth of Christine, Eugene Cederberg of Casselton, Marty Davis of Hammond, Ind., Lyle Fugelberg of Mayville, Jerry Friedmann of Fargo, Bob Lauf of LaMoure, Dave Lees and Loren Oliver of Fargo, and Don Edam of Park Rapids, Minn.

Grant Places On NCC Honor Team; Augies' Gremmels Valuable Player

Bob Grant, stellar NDAC basketball forward, was named on the 10-man all-North Central conference team for 1951 by conference athletic and faculty representatives at the loop meeting Monday at Minneapolis.

Grant also won recognition in the Fargo Forum all-North Dakota college team and the all-city college squad.

Bob, a 6-4 junior, was the top scorer this season with 310 points in 24 games for a 12.9 average.

Sophomore forward Don Fougner won a place on the all-state and all-city teams and center Art Bunker, 6-6 junior, was named on the all-city team.

Included on the all-conference squad were Bill Peterson and Dick Garth of Iowa Teachers, Herb Bartling and Don Bartlett of S. D. State, Chuck Wolfe and Fritz Engel of NDU, Dick Wiedenfeld of Morningside, Earl Dean of SDU, and Jim Gremmels of Augustana.

Evansville, Ind., college dumped Morningside, 75-62, in second-round competition to drop the Maroons from the running.

S. D. State had won the Dakota district bid by topping Minot TC after Minot topped NDU. Morningside won the Iowa title by defeating St. Ambrose.

Hamline, who opened the season with a 55-40 win over the Bison, won the event.

NCC Mentors Change Eligibility Ruling

Freshmen are now eligible for varsity competition by a new ruling by North Central conference athletic representatives at the spring meeting Monday in Minneapolis.

The ruling goes into effect immediately to remain in effect until June 1, 1952. It includes all sports.

Measures passed concerning transfer students are:

1. Two calendar years must have elapsed since the date of first registration in the first institution.

2. He must have completed one full year of residence in the second school.

3. He must meet the other conference eligibility requirements.

Lees Pace Theta Chi's To Wooden Nickel Win

The NDAC chapter of Theta Chi fraternity defeated the NDU chapter, 39-29, March 10 at the Field house in the first of an annual basketball "Wooden Nickel" series between the two chapters.

Jack Lees pumped in 17 points for the winners in the opener of the series which is hoped to coincide with the big basketball series between the two schools.

Boston, Giants Picked In Big Show

With spring around the corner, major league baseball teams are now going into spring training, and the question is: Who will be in the World Series in the fall. Player trades and changes in managers will make a difference in both leagues this year, but this is the way that they seem to stack up.

In the American league, the prognosticators are probably getting tired of predicting that the Boston Red Sox will come out on top. It is hard to imagine how a team such as the Sox can go on year after year coming out second best.

But now the Sox have further strengthened their mound staff with the acquisition of Ray Scarborough and Bill Wight from Chicago, and with a top infielder like Lou Boudreau, it looks like they will be the team to beat.

Of course, you can't count the Yankees out in any pennant race. The Yanks will have many of the same stars on the roster, and some promising rookies coming up from the minors, should the draft leave them alone. Joe DiMaggio is definitely not all through, and it may be his big bat will bring another pennant to Yankee town.

Detroit, even with young Art Houtteman in the army is another team that can't be denied. They still have some veteran hurlers, including Prince Hal Newhouse, with a few good games left in their arms, and perhaps the best outfield in the business, made up of Hoot Evers, Johnny Groth, and Vic Wertz. First base may be a problem, but Don Kolloway can perhaps do a creditable job again this year.

Al Lopez, in his freshman year in the saddle of the Cleveland Indians could surprise, but it is a lot to expect that Lopez can do too much his first year in the majors as a manager. With such veteran infielders gone like Boudreau and Joe Gordon, the Indians are really an unknown quantity.

Over in Chicago, the White Sox are a vastly improved team. They have a good defensive infield, and boast a fine pair of sluggers in Gus Carrasquel, the Venezuelan shortstop, could be the best in the business, if his stick work would pick up a bit. Of course, the pitcher staff could leave something to be desired, but it is stronger.

Philadelphia will have about the same team that they had last season. They are not expected to show too much improvement. Of course their veteran team might spell a good finish, should

the draft be too hard on some of the other clubs.

What the St. Louis Browns are doing in the major league is still a bit of a mystery. With the team that they had last year, minus some promising young stars that they lost to the armed forces, they don't happen to stand much of a chance.

Over in the National league, we find the New York Giants with the best chance. Leo Durocher has added three colored stars from the Pacific Coast league, and has a fine nucleus, from last year.

The switch sending Whitey Lockman to first base and Monte Irvin to the outfield can be a vast improvement, and with Artie Wilson to understudy Eddie Stanky and Al Dark on the keystone combination, the problem of infield reserves is settled.

The Giants' hurling staff picked up toward the end of last season, with the acquisition of Sal Maglie and Jim Hearn, and they have the best defensive catcher in the league in Wes Westrum. Raefel Noble, a giant with a lot of power can also help out behind the bat.

Then there are the Dodgers. Brooklyn has a great pitcher in Don Newcombe, and a more than capable staff behind him.

To receive the slants of these boys is Roy Campanella. It is Campanella's prowess with the wood that keeps him ahead of Westrum as the National league's number one catcher, although Westrum has a slight edge as a receiver.

Gil Hodges on first and Jackie Robinson on second coupled with veteran Pee Wee Reese and Bob Morgan or Billy Cox on third should make a pretty air tight infield. The veteran outfield of Gene Hermanski, Duke Snider and other such stalwarts will add some power to the hitting.

Boston's Braves are still in contention. With the player trades they made with the Giants a couple of seasons back, they can be really tough. However, they will have to go some if they plan to top the Dodgers and Giants. Johnny Sain

and Warren Spahn are ready for another big year. Maybe if they have another "Spahn, then Sain, then four days of rain" year, they could come out on top.

The Phillies will have to expect a lot of help from Jim Konstanty again this year in order to roll to another pennant. Eddie Sawyer's Whiz Kids are far too vulnerable to the draft to sit back and ride to another NL flag.

Slats Marion and Company of the St. Louis Cards are a strange mixture of youth and enthusiasm and age and experience. They have the senior loop's best hitter in Stan Musial, and Enos Slaughter's aging eye may be good for one more year. Marion's team rates with Cleveland, as a unknown quantity, maybe tops, maybe not.

Cincinnati will be really improved, with Ewell (The Whip) Blackwell ready for another great year. The Reds have a clouting outfit, but their defense will leave something to be desired, and also the starting pitchers behind Blackwell are a bit thin.

The Cubs of Chicago are going to have another dismal year. The team that has won more pennants than any other National league team aren't expected to go too far.

Even with Branch Rickey as top man in the Pittsburgh Pirates' front office, it may be another cellar dweller for the Smokey City. They still have Ralph Kiner and his homerun habit to pack in the crowds, but it looks pretty hopeless.

So that's how it looks. In the American league: Boston, New York, Detroit, Cleveland, Chicago, Philadelphia and St. Louis; while the National league should stack up: New York, Brooklyn, Boston, Philadelphia, St. Louis, Cincinnati, Chicago, and Pittsburgh.

Church News

LSA

All LSA'ers are urged to be on deck for a western shindig in the Y auditorium next Saturday evening. This is a farewell party for the fellows who are leaving with the Air Guard. Watch posters for particulars.

Rev. Tallackson and his LSA'ers from Grand Forks will present the program for the "Quest" meeting Sunday afternoon, April 1, at 4:30 in the student center.

Bible study breakfast will be held Sunday morning at 9 o'clock in the center.

Hi-Noon Focus is held every Monday through Friday at 12 o'clock with lunch and program. The program will consist of a series on science and religion. Monday and Friday Professor Carl Bailey, physicist, will speak. On Tuesday our speaker will be Prof. Allen Hanson, chemist. Thursday's speaker is Prof. Norman Anderson, sociologist.

Early morning devotions are held in the center every morning at 7:40.

GAMMA DELTA

A business meeting will be held at Immanuel Lutheran Church, 7th St. N. at 13th Ave., on Sunday at 5 p. m.

Dr. Grumm, pastor at Grace Lutheran, will be the guest speaker. Should you have any questions on the topic of marriage and divorce, you will be welcome to present them to Dr. Grumm during the topic discussion.

A cordial invitation is extended to students who are now members or may be interested in the Lutheran Church, Missouri Synod.

WESTMINSTER FOUNDATION

A get acquainted party is planned for April Fools Day. Supper will be served at the First Presbyterian church at 6:30 followed by a short business meeting and the party.

Tuesday, April 3, the coffee hour will be held in the Fireside room at 4 p. m. Something special is planned for this meeting; attendance is requested.

JOHN ROBINSON CLUB

The John Robinson club will meet at the Plymouth Congregational church at 6:30 Sunday evening. We will have a speaker or a movie for the program. John Kirk has the worship service and Dick and Jack Wenberg are in charge of recreation. We are planning a social for next week.

METHODIST STUDENT FOUNDATION

The MSF meeting will be held Sunday evening in the roms at the "Y". Following supper at 5:45 and worship service our guest speaker will be Laura Dixon. She will take us on a bicycle trip through Europe with the picture account of her experiences.
