## Phi Kappa Phi To Initiate 15 Students, Faculty Members At Banquet May 10

The NDAC chapter of Phi Kappa Phi, National Scholastic Honorary Society, will initiate nine seniors, two graduate students and four faculty members at the spring banquet to be held in the Avenue Room at the Hotel Graver Thursday evening, May 10.

Seniors elected are Harold Blume, Glenburn; Hugh Hansen, Kintyre; Robert Hipke, Chilton, Wisconsin; Waldemore Klundt, New Salem; Kenneth Maetzold,

Crary; Mary Ellen McGregor, McGregor; Robert Moe, Halstad, Minnesota; Kerry Rounds, Fargo; and Robert Runice, Fargo.

Sivert Jordahl and Arnold Hermunslie, both of Fargo, are the graduate students chosen. Faculty members selected are Dr. E. M. Opton, Dr. R. L. Bryant, Mr. J. A. Oakey, and Dr. C. W. Fleetwood, all of Fargo.

The banquet speaker will be Mr. Allyn Hanks, Superintendent of the Theodore Roosevelt National Memorial Park. Mr. Hanks entered the park service in 1928 as a park ranger and district ranger. In 1932 he transferred to Grand Teton National Park. He served there until the fall of 1947, when he was transferred to his present position.

During the war years Mr. Hanks served in the Coast Guard. He is a native of Logan, Utah, and trained in forestry at the Universities of Montana and Colorado. He will discuss "The National Park Service and Theodore Roosevelt National Park."

## APO Elects Officers; Dower President Again

Jim Dower of Wheatland, Wyo., junior in paint chemistry at NDAC, was re-elected president of Alpha Phi Omega service fraternity last week.

Douglas Williams of Fargo was elected vice-president; Carl Eloffson of Fargo, secretary; Richard Hill of New Salem, treasurer; Gary Lunde, of Fargo, alumni secretary; and Edwin Samuelson of West Fargo, historian.

Plans are being made for the Spring Sing to be held Wednesday, May 23, which the fraternity sponsors annually. Competition is open to all campus organizations.

## Saddle & Sirloin Club Schedules Barn Dance,

Plans are being completed for the annual Barn Dance sponsored by the Saddle & Sirloin club. Preceding the dance an all college barbeque-picnic will be held at the tourist park beginning at 6:30, Friday, May 11.

The dance is scheduled to get underway in the field house at 9:30. Continuous music featuring Ralph Mutchler and his 13 piece orchestra alternating with an old time band will provide a variety of dance music.

The Barn Dance Queen will be elected with each ticket counting as one vote.

Jack Dahl is general chairman for the event and Glenn Haugen is in charge of the barbeque.

## Air ROTC Presents Badge To 11 Cadets

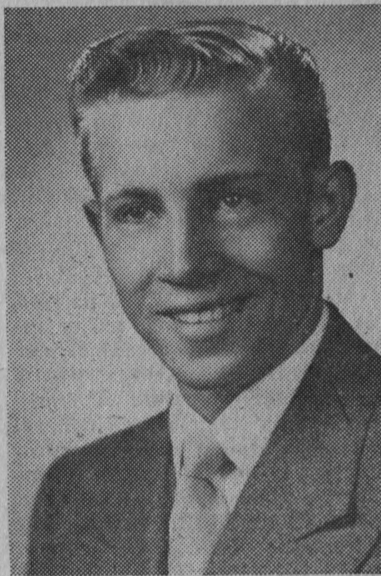

Eleven members of the senior advanced Air Force ROTC group were presented with the Distinguished Military Student badge at formal ceremonies held Monday afternoon. Major Robert E. Phillips, USAF, professor of air science and tactics, made the awards.

The honor is given advanced cadets in recognition of their academic and military grades and their summer camp achievement. Upon satisfactory completion of their college degrees the men will be designated as Distinguished Military Graduates.

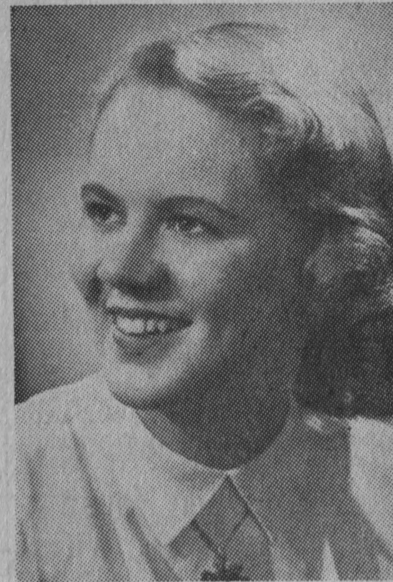

Those receiving the award Monday were Lawrence M. Bjornstad, Caroll Blum, Lawrence Bogar, Vernon Gores, Robert Johnson, Paul Kukla, Marshall Moore, Wallace Swenson, Herbert Thorndal, Gerald Thurnau, and Byron Whitford.

See The Displays At ENGINEERS' OPEN HOUSE

## Engineering Open House Now Underway; Hans Named "Miss Engineer's Dream"

Marshall Moore "Mr. Engineer"

Phyllis Hans "Miss Engineer's Dream"

Yesterday noon at the opening ceremony of the annual Engineering Open House, President Fred S. Hultz bestowed the title of "Miss Engineer's Dream" upon Phyllis Hans and "Mr. Engineer" upon Marshall Moore. Phyllis, an HE freshman, was sponsored by Kappa Delta sorority and Moore (CE-Sr.) by ASCE.

A short speech of welcome was

given by Dean Dolve of the School of Engineering. Ken Ward, president of the Engineering Council, acted as master of ceremonies.

The two-day Open House began officially when Phyllis cut the white ribbon in the doorway of the Engineering building, "Mr. Engineer" assisting. The first group of people to inspect the Open House displays included President Hultz, Dean Dolve, and the candidates for "Miss Engineer's Dream" and "Mr. Engineer."

These candidates and their sponsors were Jane Rembolt, Phi Mu; Paula Swain, Dakota Hall; Janet Schwer, Kappa Kappa Gamma; Barbara McMurray, Kappa Alpha Theta; and Margery Johnston, Gamma Phi Beta.

Candidates for "Mr. Engineer" were Gordon Quanbeck, ASME; W. W. Bishop, AIEE; Gerald Thurnau, Atlier Chat Noir; Jeryl Haibeck, ASAE; and Robert Flynn, IAS.

## 24 Architects Take Chicago Field Trip

Twenty-four architectural students will leave tomorrow morning for a field trip to Chicago. They will spend next week touring Chicago, inspecting buildings and plants, and attending discussion meetings.

Students making the trip are: Stanley Baer, Duane Berg, Robert Berg, Paul Breyer, John Duginski, Loran Huber, Jose Iranzo, Thomas Johnson, Ellis Jones, Lloyd Krieg, Richard Krieg, William Lechner.

Jay McLean, Hallard Miller, Roger Mohagen, Dennis Nelson, Irwin Olson, Roald Olson, Kendall Peterson, Robert Piper, Donald Powell, Ted Stensland, Gerald Thurnau, and Jerry White.

## Agricultural Economics Club Chooses Sundquist

Wesley Sundquist, Agr.-Sr., was elected president of the Agricultural Economics club April 26. He replaces Alvin Kramer. Other new officers are Mancur Olson, vice president, and Donald Braaten, secretary-treasurer.

## Magazine Announces 17th Annual Contest For College Women

VOGUE magazine recently announced their 17th "Prix de Paris" contest for junior college women. Students interested may contact Prix de Paris Director, Vogue, 420 Lexington Ave., New York 17, New York.

First prize for this contest is a year's job with six months of the year in the Paris office. Second prize is a six months job on Vogue. Ten honorable mentions carrying a \$25 cash prize with consideration for jobs will be granted.

The "Prix de Paris" contest is designed to discover outstanding college graduates for junior editorial jobs with Vogue. Also, top consideration is given to Prix contestants for positions on other publications—Glamour, House & Garden, and The Vogue Pattern Book.

Although the contest is primarily to discover talent in writing, the scope of the questions asked in the quizzes is broad enough to allow the magazine to find editorial trainees for all departments.

The Prix is a means for young women to enter directly into the magazine publishing field in a creative capacity without going through the customary secretarial channel. The Prix is VOGUE'S principal course for filling junior editorial positions on their staff.

### NOTICE

There will be a joint meeting of the home economics, general education and agricultural education students at Festival hall on May 9, from 8 to 10 p. m. The meeting is sponsored by the Collegiate FFA chapter.

## Arnold Air Society Spring Dance Tonite

Bernard F. Bennison squadron of the Arnold Air Society will hold its second annual formal dinner dance tonight in the Moorhead Country club. Attendance is expected to be double that of last year's function, according to Cadet Capt. Robert Gilbertson, chairman of the event.

Among the distinguished guests invited are Pres. Fred S. Hultz, Maj. Robert E. Phillips, USAF, professor of air science and tactics, Dean and Mrs. R. M. Dolve, Capt. and Mrs. Marshall Johnson, Capt. and Mrs. Cecil Best, Capt. and Mrs. Karlin Sintow, Capt. John Angis, USAF, is advisor to the group.

## Toastmaster's Club Banquet Next Week

The Toastmaster's club will end its year's activities with a special banquet May 9 in the Ceres hall banquet room.

Speakers will be C. A. Sevrinson, Dean of students; Merle Nott, college public relations officer; Joe Peltier, and Bob Runice, both senior club members.

## LCT To Celebrate Lilac Day Festival Next Tuesday

Standing, left to right: front row: Janice Kyseth, Jane Remboldt, Virginia Arneson, Margie Heger, Queen Loretta Brown, Janet Schwer, Helen Lunde, Jean Bolmeier, Barbara Crank; second row, Kathryn Kloster, Barbara Holthusen, Donna J. Hellen, Cloteal Kling, Beverly Litzinger, Joan Fisher, Natalie Leiseth, Elizabeth von Ruden, Phyllis Wyum, Iona Dalzell, Mary Ann Peitron, Carol Gray, (not identified), Betty Topp, Beverly Desmond, Virginia Borderud, Juanita Olson, and Ilo Waydeman. (Photo by Don C. Christensen.)

The Little Country Theatre will celebrate the 20th annual Lilac Day Festival next Tuesday at 7:30 in the theatre. Loretta Brown, AAS-Soph, will be crowned Queen by the president of the student commission, Bob Schnell.

Attendants for the queen are Helen Lunde, Virginia Arneson, Jean Bolmeier, Janet Schwer, Margie Heger, and Marilyn Smilie. Neil Moen, AAS-Jr., is the Prince.

Following the coronation the Queen will be entertained in the Little Country Theatre with readings, music, and scenes from "Ten Nights in a Barroom." All spectators are invited to the Queen's reception in the Log Cabin following the show. Refreshments will be served.

When weather permits the LCT Players will journey to Harwood, Argusville, Gardner, Grandon, and Hillsboro. It is the goal of the festival to some day connect Fargo and Grand Forks with a chain of lilac plants.

## Faiman Named Chairman Of EE Dept. To Replace Harry Dixon June 30

Robert N. Faiman has been named chairman of the electrical engineering department at NDAC to replace Harry Dixon, whose resignation becomes effective June 30. The promotion of Faiman from assistant to associate professor of electrical engineering also was made this week by NDAC President Fred S. Hultz.

Faiman, a native of Excelsior, Minn., graduated from Fargo's Central High school in 1941. He com-

pleted his B.S. degree in electrical engineering at NDAC in 1947, and his M.S. degree at the University of Washington in December, 1948. From 1943-46, he served with the Air Force in Alaska, the Aleutians and western Canada as a meteorological and weather communications officer.

He returned to NDAC in 1946 as an assistant and acting instructor in the mechanical and electrical engineering departments, and then went to Washington for his master's degree. His appointment as assistant professor in the electrical engineering department was made in 1948. During 1950 he was acting chairman of the department while Dixon was on leave of absence.

Faiman is a registered professional engineer. He is a member of the American Institute of Electrical Engineers and is president-elect of the Red River Valley division; North Dakota Society of Professional Engineers, American Society for Engineering Education, Fargo Engineers' club, and Tau Beta Pi, national honorary.

## Magic Show Feature Of Chem Open House

The annual Chemistry Open House, sponsored by the NDAC chemistry club, will be held May 15, 1951. A special feature of this year's open house will be a magic show by Ed Walsh, George Sweeney, Bob Ripley, and Alan Larson.

The open house activities will include chemical and electrolytic demonstrations, displays of plastic products, and geological specimens, and exhibits in analytical, organic and paint chemistry.

Head of this year's open house is Russell Wischow, Sr., from Sentinel Butte, N. Dak. Bill Jacoby will have charge of exhibits and Eldon Christensen will have charge of demonstrations.

Faculty advisors for the open house are Dr. Wouter Bosch, Dr. W. B. Treumann, Dr. C. W. Fleetwood, and Dr. L. J. Edwards.

## Architecture Chairman To Attend Convention

Knute A. Henning, professor and chairman of architecture will leave next week for Chicago, Illinois where he will attend an architecture convention at the Edgewater Beach hotel.

Organizations that will be represented at the Chicago meeting are the American Institute of Architecture, the Association of Collegiate Schools of Architecture, the National Architectural Registration Board, the National Architectural Accrediting Board, and the Producers Council.

## Blue Key Gives Album

"Music Over the Prairies," RCA Victor record album made by the NDAC chorus and Gold Star band, was donated to the student lounge by Blue Key. Hugh Hansen, president of Blue Key, made the presentation.

## On Other Campuses

Otterbein college, Westerville, Ohio, has inaugurated a two year college degree, the Associate Degree in General Education, which provides a two year course in general education, plus essential specialization for a career in business or the home.

This was designed and approved by the faculty after taking into consideration the 52% of all Ohio college students who drop out before graduation.

Dormitory open houses have been banned at the University of Connecticut. The decision was explained only by the statement, "It's obvious it didn't work." The student body was up in arms about this decision feeling that it was pretty poor when a university doesn't have any more confidence and faith in its students than such a ruling indicates. It does seem as though by the time students arrive at college they might be considered

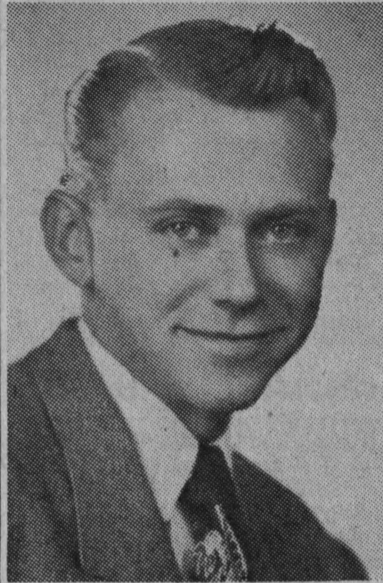

as something a little more mature than the toddling child.

Miami was granted a certain special rating in the Western Round-up in the following excerpt: "Miami has flourished through the years to become the important center of learning it is today, and the alma mater of many a western husband."

"What can be done to minimize the evil effects of grades?" was one of the topics for discussion at a deans' convention recently at the University of New Mexico. It would be interesting to know if any solution were reached.

"The hardest thing to face in America is class attendance" was a Finnish student's comment when he enrolled in Ball State Teachers college. In Finland there is academic freedom and class attendance is not compulsory.

## Huso Named AGR Prexy

Oscar Huso

Oscar Huso (Agr-Jr.) is the recently elected president of Alpha Gamma Rho fraternity, replacing Gordon McLean of Fargo. Oscar is also active in Saddle and Sirloin club, intramural sports, and is a member of Alpha Zeta, honorary agricultural fraternity.

Other officers named include Bob Schnell of Dickinson, vice-president; Glenn Peterson of Valley City, secretary; Kenny Hansen of Poplar, Montana, house manager; Bob Velure of Kathryn, assistant house manager; Glenn Haugen of Churches Ferry, pledge trainer.

Bert Berg of Maddock, assistant pledge trainer; Marlowe Jensen of Norma, social chairman; Clayton Hauge of Alexander, alumni secretary; Ken Ward of Osnabrock, reporter; Bob Turner of Kensal, chaplain and Jack Monson of Watford City, usher.

## "Hamlet" Cast Chosen; Curtain On May 17, 18

Final adjustments of the "Hamlet" cast have been announced by Miss Constance West, director. Curtis Kabear, AAC-Fr., will take the part of the Ghost of Hamlet's father. Joe McNellis, EE-Fr., will play Guildenstern.

"Hamlet" will go on the stage May 17, 18. The Edwin Booth dramatic club is doing the production work. The play will be done with drap settings and period costumes.

## Thirteen Staff Members Are Promoted; Positions To Become Effective July 1

Thirteen academic promotions have been made at NDAC to become effective July 1, according to Dr. Fred S. Hultz, president.

In the School of Agriculture and Experiment Station, William Wiidakas has been appointed associate

agronomist, Merle C. Light, assistant professor and assistant animal husbandman, and Dr. Warren Whitman, botanist.

School of Applied Arts and Sciences, Dr. Loren Potter has been appointed to an associate professor of botany, Dr. Edward Opton to an associate professor of zoology, and Ernst Van Vlissingen to professor of music.

School of engineering promotions include Oscar Johnson as assistant professor of architecture, J. E. Fitzgerald as associate professor of civil engineering, Howard McCauley as assistant professor of civil engineering, Robert N. Faiman as associate professor of electrical engineering; Thomas Saks-haug as assistant professor of mechanical engineering, and Mervin Keedy as assistant professor of physics.

Miss Emily Reynolds has been appointed assistant professor of clothing and textiles in the School of Home Economics.

## Square Dance Club To Sponsor Picnic

The Square Dance club, the YWCA, and the YMCA will join in the Square Dance clubs spring picnic at Island Park, May 8, at 4 p. m.

The entertainment will consist of games, and other recreation in the afternoon, a picnic supper at 6:30, and square dancing at 7. The square dancing will be open to the public with a fee of 25 cents for those who are not regular Square Dance members.

Jack King, director of the City "Y" will be in charge of the square dancing calls.

## Seven Senior Women Receive Appointments

Miss Elvira T. Smith, professor of foods and nutrition, announced the dietetic intern appointments of seven senior women at NDAC.

These women are: Helen Ford, Fargo, at King County Hospital System, Seattle, Washington; Beverly Greenhalgh, Minot, at Ancker Hospital, St. Paul, Minnesota; Rose Marie Grommesh, Barnesville, Minnesota, at St. Mary's Hospital, Rochester, Minnesota; Marthana Hjortland, Fargo, at Ohio State University Hospital, Columbus, Ohio; Jeanette Keltgen, Fargo, at University of Colorado School of Medicine, Denver, Colorado; Donna Sommerfeld, Mandan, at Veterans' Administrative Center, Los Angeles, California; Edna Strand, Ada, Minnesota, at Veterans' Administration Hospital, Bronx, New York.

Appointments were given at a tea April 13. Throughout the country women are given dietetic appointments before April 15.

Speeding on U. S. streets and highways last year injured 475,500 men, women, and children.

See The Displays At ENGINEERS' OPEN HOUSE

## Kappa Delta Diner Scheduled For Tuesday

Kappa Delta sorority will hold their spring term diner at their chapter house Tuesday, May 8. The menu will consist of the following: hamburger hot dish, carrot sticks, celery sticks, radishes, rolls, butter, jam, pickles, cake, and coffee. The tickets are on sale for 60 cents and can be bought from any Kappa Delta member or at the door.

Chairmen for the dinner are Kaye Bayley and Ann Beck.

## Dakin Named Director

Emily Dakin, manager of the NDAC bookstore, was elected to the board of directors at the 28th annual convention of the National Association of College Stores held at Columbus, Ohio. Over 35 store managers were in attendance.

## Stallings To Speak

H. Dean Stallings, NDAC librarian, will journey to Minneapolis May 11, where he will give a talk and show color slides on the NDAC library to the University of Minnesota Library School.

## Major Phillips Decorates Cadets - - -

Major Robert E. Phillips, PAS&T, decorated 11 senior AFROTC cadets as Distinguished Military Students at a formal review Monday. Those decorated were, left to right: Vernon Gores, Byron Whitford, Robert A. Johnson, Gerald Thurnau, Leo Hall, Herbert Thorndal, Marshall Moore, Paul Kukla, Carroll Blum, Lawrence Bogar, and Wallace Swenson. (Christensen Photo)

# Know Your Law

**Q.** When must an action for libel or slander be started?

**A.** An action for libel or slander must be commenced within two years after the cause of action has accrued.

**Q.** When does a cause of action "accrue"?

**A.** A cause of action "accrues" when the person owning it is entitled to begin and prosecute an action thereon. In other words, it "accrues" as soon as it comes into existence.

**Q.** What are some other civil actions that have a limitation of two years?

**A.** Assault, battery, false imprisonment and malpractice.

**Q.** If a person sues another and recovers a judgment, within what time can that judgment be enforced by execution?

**A.** Within ten years after judgment is entered.

**Q.** When must an action be commenced to recover on a note?

**A.** Within six years after the note is due and owing.

**Q.** If a person trespasses upon my land when may I sue him for trespass.

**A.** Any time within six years after he has committed the trespass.

**Q.** When can I sue a person whose animals have trespassed on my property?

**A.** Any time within six years after trespass.

**Q.** When must an action to foreclose a real property mortgage or a chattel mortgage be commenced?

**A.** Actions to foreclose real property and chattel mortgages may be commenced any time within ten years after the cause of action has accrued or the debt matures.

**Q.** If the time for starting a civil action has expired does that automatically prevent a judgment from being secured?

**A.** No, if a person wishes to use the Statute of Limitations as a defense he must answer the complaint which has been served upon him and in his answer state that the action is barred by the Statutes of Limitation. This is very important because so many people mistakenly believe a valid judgment can't be secured if the action hasn't been started within the proper time and therefore they don't have to pay any attention to the lawsuit.

**Q.** When must an action for the foreclosure of a mechanic's lien be started?

**A.** Within six years from the time the last item of labor or materials is furnished.

**Q.** Is there any time within which a tax lien on real estate may be enforced?

**A.** No. A tax lien on real estate is declared to be perpetual and can

be enforced at any time.

**Q.** When must an action upon a contract be commenced?

**A.** Within six years after the cause of action has accrued.

**Q.** Does this apply no matter if it is an oral or written contract?

**A.** Yes.

**Q.** If a merchant wishes to start an action to collect for goods which he has sold and delivered when must that action be commenced?

**A.** Within six years after the purchases were made or the debt

starts running.

**Q.** In order to decide if the Statutes of Limitation is a defense when is a cause of action deemed to commence?

**A.** When the summons is served.  
**Q.** Is the United States Government bound by Statutes of Limitation?

**A.** No. Not unless Congress has clearly shown its intention that it shall be so bound.

**Q.** Are counties, townships and school districts subject to Statutes of Limitation?

**A.** Yes.

# Students Are Urged To Take Selective Service Qualification Test As Scheduled

The American Council on Education urges students to take the Selective Service College Qualification Test to be given as planned on May 26, June 16, and June 30 of this year. The Council points out that, "STUDENTS NOW IN COLLEGE WILL HAVE NO OPPORTUNITY TO TAKE THE TESTS OTHER THAN ON THE DATES INDICATED ABOVE."

All students, regardless of class standing or intent to apply for deferment, including all members of the ROTC whose deferred status is not certain, are strongly urged to take the test. Changing demands for manpower may result in lowering or raising the cut-off score and modification of requirements for standing in class.

The Council says, "There is no basis for the fears and rumors that local boards will issue orders for induction to students before test results and class standing can be made a part of a student's file. General Hershey has made it abundantly clear that boards will be instructed to delay calls until all evidence is in."

The American Council on Education states that, "Although the final decision on the deferment of any individual rests exclusively with that individual's local board, General Hershey and his staff will make every effort to assure uni-

formity of procedure throughout the country. Registrants under Selective Service always have the right to appeal for a review of classification to the State Appeal Boards and to the President."

Application forms for taking the College Qualification Test may be obtained from the local board located adjacent to the Cass County Courthouse.

Major General Lewis B. Hershey's Selective Service draft agency recently announced that each eligible college student "must take the qualification test and have it in his files."

Available at the college bookstore is PRACTICE FOR THE ARMY TESTS, edited by Barnes and Noble, and a staff of experts (\$2.00). The book covers 500 sample questions and answers, and contains full practice materials.

ONE DAY SHIRT LAUNDRY SERVICE Serving the College Folks For 20 Years

SPRING . . .

Well, the City of Fargo finally got busy and cleaned the winter's accumulation of dirt from most of the streets. Hardly recognized some of the streets after the renovation. Too bad the college doesn't have some streets we can clean —

GRAUMAN'S? . . .

Reed's had new concrete poured in front early this week — and multi footprints appeared in the wet cement — large, college sized footprints. Moaning to no one in particular, Mr. Reed came up with, "What do they think this is—a Chinese restaurant?"

MORE CONCRETE . . .

While on the subject, the Alpha Epsilon Phi sorority girls at the University of California were the recipients of about a wheelbarrow full of the stuff. They woke up one morning to find their bathtub full of cement. Any pledges missing?

IT AIN'T NATURAL . . .

I hear that natural rubber for the manufacture of women's girdles will be practically unobtainable this year. The female figure for 1951 will be more synthetic than ever. (Remember—less bounce to the ounce?)

THERE'S ONE BORN . . .

More on that Lakers "game" played here a few weeks back. The prices for tickets at Sioux Falls, South Dakota, when the Lakers play there will be: General admission, 75c; reserved, \$1.50. For the same seats here, we paid \$1.50 and \$2.40. Fair enough? Come back again next year, fellas.

GROW UP . . .

It isn't the children who play around the college who bent the flagpole—just some collegians who haven't quite made the transition from adolescence to adult yet. How about growing up?

SPORTS MINDED . . .

SPECTRUM staff photographer, Don Christensen, pulled the malaprop of the season last week. Sports editor Mashek asked him whether he had turned in his pictures of vaulter Jack Lees. "Lees— Lees—? Oh, do you mean the ones of the pole shaft?" The WHAT? This I gotta see!

PVT IN FOR PhD . . .

Now that benefits derived from the GI Bill are drawing to a close, the government is replacing its program to make college graduates from veterans with a plan to make veterans of college graduates. Turn about . . .

BASEBALL . . .

Wahpeton Science plays the Bison at four today—plenty of room in the stands for more spectators. The first game was well attended, despite the wind. And how about the lousy weather the games have been played in? No gentle zephyrs for us—nothing less than a hurricane will do.

Sights seen at MSTC game — Casey Finnegan shagging foul balls. The darn things cost money, so rumor has it Case rubs 'em up with a little bit of white shoe polish, and then seals 'em up in their original package. Uses them at the next game. Packy Shafer's hat at the first game—really had it jammed down around his ears to keep the breeze from stealing it.

Mayville game: I take it back about the "shape of the year" title going to Kleggie Hermsen —Blackie Benschopf barely made the circuit on his homerun drive to center. Was seen using a chair at short the next inning. Eino Martino was noticed playing deeper in right than necessary. Think the Phi Mu-Gamma Phi softball game on the NW diamond had anything to do with it? Bob Fisher leaving the stands promptly at 4:55 so he could hear his favorite radio program, "Sparky and Big John."

I CAN HARDLY WAIT . . .

Looking forward to graduation—you should see how Arch Monroe of the STUDENT hates himself. He turned over the editorship of the U's weekly rag to harvey jacobson (lower case, please), and wrote his "swan song" in his column. A true example of man's love for man—in this case, Archie loves Monroe. We're so happy for you!

Wonder if the AF boys on the radar unit over at the Navy installation could tell the Spec staff how to blank out the static on our radio. Everytime that gismoe goes around—blllp, blllpppp.

FINALE . . .

Dave Garroway's yuk about the new men's after shave lotion that drives women crazy. Smells just like money.

Sigs are finally holding their long promised open house on Sunday from 3:30 until 9:30. It's a silver tea, put on by the mother's club. Drop in and inspect the packing crate!

That should be sufficient for this week—don't forget the baseball game today. And don't let the wind get you down—something's bound to come up.

All students who participated in the 1951 Bison Brevities are familiar with the tall, blond, "Greek-God type" Walt Christensen. As director of the show Walt attended all rehearsals and combined the acts into a smooth performance.

Now Walt is back at the Little Country Theatre working on the forth-coming "Hamlet". In the title role Walt will portray the Danish prince who seeks revenge for his father's death. Walt remarked, "I've wanted to play Hamlet for months because it's a challenge. It is bound to be my favorite role."

Taking his role seriously, Walt has read criticisms, listened to recordings, and studied interpretations of Hamlet. He has decided to play him as the "man of action". "Of course," he explains, "in the soliloquies I pause and upbraid myself for not taking stronger action."

When approached for an interview Walt gleefully clapped his hands and shouted, "Oh, boy!" (Could it be sarcasm?) With his feet propped up on a desk, Walt, in a low husky voice, gave a summary of his activities since graduating from high school at Kenmare. "I attended Wahpeton Science for one term but I didn't like it. Also, I went to Montana U sometime along the way. While serving with the paratroopers for two years he was stationed in the Philippines, Okinawa, and Japan.

Walt Christensen

Now at the age of 24 Walt is a senior English major in Arts and Science. When he finishes college he would like to try his hand at radio announcing for a while.

Walt made his college theatrical debut in the LCT "Playboy of the Western World". "I was a bit of a drunkard—in the play," he commented, raising his eyebrows. Other roles include the hero in "East Lynn", Mr. Burges in "Candida", and the husband in "Her Husband's Wife". LCT goers will remember his powerful portrayal

of Kind Creon in "Antigone" last winter.

Before a performance Walt paces the floor and makes it a rule not to talk to anyone. On stage his voice and gestures command attention.

Often seen dashing about in a yellow convertible, Walt is against all walking unless he has a golf club or rifle in his hand. His favorite apparel is loafers and levies.

Alpha Gamma Rho fraternity, Blue Key, Edwin Booth, and the Ski club clam Walt as a member. "Skiing is the finest sport in the world," he declared. Then with sparkle in his blue eyes, "I'm serious about that. I'd be a ski bum if I had time for it."

Walt's friends call him the "strong, silent" type; but he protests, "It's just that I don't know what to say." The truth is that Walt chooses his words as deliberately as his actions and that takes time.

About the theatre Walt stated, "The Little Country Theatre can do something for everyone who works in it. It's my favorite building on the campus. I'm lonesome when I'm not up there."

Little Man On Campus

"Awfully nice of you to stop by, Louise! We very seldom see girls over here in the School of Engineering."

Social Jottings . . .

By LOIS FITZLOFF

The tourist park was literally packed this last weekend with collegians on picnics. If the party who was looking for Sticklemeier ever found him in the park, it's a miracle.

If you haven't been out to a Bison baseball game yet, today's your chance to see the team in action. The time is 4 o'clock on the diamond back of the field house. Incidentally they play Wahpeton. Then if men don't interest you???, there is the women's softball league which play on Tuesday and Thursday. Bev Ingwaldson is really a whiz at pitching and playing on the Phi Mu kittenball team.

Janice Radcliffe of Amenia and Dorothy Bjerke of Hatton pledged Kappa Delta sorority last Monday night. Congratulations are in order.

SAE's will be host to an informal term party in the KC hall tonight from 9 to 12. Rumors are that they will begin voting for their dreamline girl pretty soon.

If they aren't flooded out like last time, the Arnold Air society will have a formal dinner dance at the Moorhead Country club. You'd better take along water wings in case the going gets rough tonight.

ATO's have garnered two new pledges, Ed Walsh of Jamestown and Paul Vogel of Granville. Congrats and all that sort of thing.

Don't miss the Theta pie party next Wednesday in Festival hall from 3 to 5. There'll be all kinds of pie plus coffee plus . . . a lot of fun and friends.

Here's your chance to get a good look at the new Sigma Chi fraternity house. On Sunday the Sigma Chi mother's club are giving a silver tea in connection with the open house from 3:30 to 9:30.

KAT's had a picnic with the Joy boys on Wednesday from 5 to 8. Location—undoubtedly the tourist park.

The Panhellenic Council will be host to all girls from Fargo and Shanley high schools at a tea in the library next Wednesday. About 300 are expected to attend. Miss Starr Hacker will be guest speaker.

Miss Eleanor Vergin was honored by the old and new board of campus affairs at the Frederick-Martin hotel last Thursday.

Were the oscar awards presented to the wrong people this year? You may ask yourself after you see JOHN HESSE in the male lead of the community theatre play, "Skin of Our Teeth." I hear he has a few thousand love scenes, too. Send your congratulatory telegrams and roses on May 14 and 15.

Dwight Palmer, Kappa Sigma Chi, passed cigars Monday night. Twila Watterud is now wearing his pin.

Kappa Psi Art Huber was married recently to Jane Markel from Fargo.

Joane Eyolfson is now the proud wearer of Kappa Psi's Jim Holter's pin.

Lilac Days

Lilac Days, Lilac Days,  
We welcome you,  
Lilac Days, Lilac Days,  
Mean Spring a-new.  
Each little flower is trying to say—  
These are the nicest of all our days.  
Lilac Days, Lilac Days,  
Bring merry mirth  
To each little creature on earth.  
In summer or winter,  
In spring or in fall—  
We welcome you Lilac Days.  
—James Golseth

Twenty-four percent of all drivers involved in fatal automobile accidents in the U. S. last year were between the ages of 18 and 24.

# Spectrum Interviews Jose Iranzo, Architecture Student

By JOAN MCKENZIE

An interview with Jose Iranzo, newly elected president of Altelier Chat Noir? Sounds quite interesting. Why not come along?

We pull open the heavy door of the Engineering building and proceed up two long flights of stairs. As we reach the top landing we hear strains of a beautiful melody. Peeking into the first door to our right we see a figure bent over a large drawing board. The sing-

ing stops, the dark head turns, and we are met by friendly brown eyes and a flashing white smile. This is our first meeting with Jose.

After several questions and a few suggestions from other junior architects, Jose started talking. He speaks of his father who is a well known sculptor, and of his brother and five sisters, all older than he, who live in Rome, Paris, Argentina, and Venezuela. He tells of climbing mountains, playing soccer, and seeing bull fights. He keeps us fascinated as he tells his tale.

"I was born in Balboa, Spain," he states, "but when I was seven my family moved to Caracas, Venezuela." His clever hand quickly proceeds to sketch the whole of North and South America, tracing in the outlines of Venezuela, and locating Caracas with the tip of the drawing pencil. A vivid description of Caracas, often referred to as "the air conditioned city", follows.

A box of snapshots appears from the bottom drawer of the

desk. We see his father who is engaged in the restoration and preservation of historic sites. "My father is the dean of the Beaux Arts Society in Caracas," Jose boasts.

A mustached Jose is pictured on the crest of a mountain. "The Andes, rising in Columbia, and reaching way down into Argentina, offer wonderful sport for would-be mountain climbers," Jose explains. Jose climbed to a height of 15,000 feet in these mountains.

From the box of pictures we turn to a few of Jose's water colors. The colors are gay and his style easy. Jose became interested in art while he was still in high school in South America. He decided upon architecture as a career after working for a summer as a draftsman in Caracas.

After graduation Jose traveled to Mexico in the summer of 1946. St. Johns Academy at Collegeville, Minn., was the first school attended in the United States. Two years were spent at the academy and it was there that Jose learned to

speak English. "It was all hard, of course, and I didn't understand English well until near the end of the first quarter. Two weeks before finals I had to read all my books through again for the tests, because I could understand written English best. I was lucky, though, for I never did fail a course. I came very close though," he relates.

In 1949 Jose transferred here and entered the architecture department. Upon graduation Jose is homeward bound. Now his time is filled with numerous activities. He is coach-player on the AC tennis team and a member of LSA. Traveling and attending summer school occupy the summers.

Versatile Jose also helps his other Spanish friends learn to speak English. In the summer of '48 Jose taught Religion, Spanish and English to the children of migrant workers at St. Joseph's school in Moorhead.

Upon thanking this likeable student, we turn to leave. The dark

head once more bends over the drawing board, and the singing is resumed.

## School Of Chemistry Offers Paint Short Course This Summer

The School of Chemical Technology is offering an advanced paint short course to be held August 6 through 17. Also available, for the fourth consecutive summer, is the paint short course extending from July 9 through 20, announces Dean R. E. Dunbar.

For the benefit of men in paint industry, these studies will present new developments and improved methods of production in paints and varnishes. The advanced course will be adapted to those with more training and experience in the paint industry.

## BOB-BING ALONG

THE AIRWAVES WITH

BOB: I hear you went by the fish canneries... it's the nearest you've been to a scale in years!  
BING: Don't you go too near them Bazooka Snoot... they're paying a premium this year on Swordfish!

BING: You're a girl Private Eye?  
JUDY GARLAND: Yep... that's me... Sarah Spade.  
BING: Amazing... a good looking Doll like you doing Detective work. Have you pinched many guys?  
JUDY: It's about even.

BOB: Sorry, we can't take my car today. Something's wrong with it.  
JANE RUSSELL: Bob, what do you put in the gas tank?  
BOB: Chesterfields, of course. The car is satisfied, but it won't run.

BOB: Everyone knows what "Golf" is... that's a Sports Term meaning "Why work for a living when Crosby's willing to bet."  
BING: Steady... why I'm playing so well the caddies at the club fight to get me. They consider "Old Bing" very easy to caddy for.  
BOB: "Old" Bing is right. Sure the caddies fight for you-when you're not looking they sneak rides on the back of your wheel chair.

BOB: Gee, what a beautiful uniform. Look at all that Gold Braid. Do you command the Naval Base, Admiral?  
BOY: I'm no Admiral... I'm a bell boy at the Royal Hawaiian Hotel.  
BOB: Then what do those six gold stripes on your sleeve represent... years of service?  
BOY: No... chambermaids I've trapped in the linen closet!

BOB: My brother's an electrician. He makes light switches.  
BING: Light switches? Does he work at it all the time?  
BOB: No, just off and on.  
BOB-BING: YAK! YAK! YAK!

Enjoy Bob and Bing on radio: Bob every Tuesday night on NBC and Bing every Wednesday night on CBS.

## Finelli Pops Up To Infield

Pete Finelli, MSTC hurler, lifts a high pop fly to short in the first inning of the MSTC-NDAC game. At left are umpire Dave Wolfe and catcher Chick Cornforth. MSTC won, 8-1. (Photo by Don C. Christensen)

## Dragons Spoil Bison Initial Setto; MSTC Hurlers, Hitters Outstanding

The game by innings:

### FIRST INNING

Dragons—Finn struck out. Purcell worked the count to 3-2, then walked. Gran walked. Beanie Anderson was out, first base unassisted, as the runners advanced. Finelli popped to shortstop. No runs, no hits, no errors.

Bison—Friedman struck out. Rod Fercho was safe when the second baseman booted his grounder, and took second as the right fielder juggled the ball. Cornforth flew out to the right fielder, Fercho holding second.

Masse singled down the third baseline, Fercho scoring and Masse taking second when the left fielder let the ball get away from him. Roger Fercho struck out. One run, one hit, three errors.

### SECOND INNING

Dragons—Dahl flew out to Masse in left. Ken Johnson struck out. Hedstrom lined a single to right. Way was hit by a pitched ball. Mashek snared Finn's high bouncer over the mound and threw him out easily at first. No runs, one hit, no errors.

Bison—Benshoof was a long out on a fly to left. Hlavac drew a walk. Garbarkewitz popped out to the center fielder behind second. Mashek pushed a ground single over second base. With men on first and second, Ken Johnson robbed Friedman of a hit, snaring his sizzling liner at second. No runs, one hit, no errors.

### THIRD INNING

Dragons—Vic Purcell drove a long triple over Masse's head in left, Masse making a nice play on the ball to keep it from being a homerun. Gran singled through the hole between first and second, driving in Purcell with the tying run. Anderson aced one into left center, and both base runners advanced on a passed ball.

Finelli grounded to Garbarkewitz at third, who made the play at home. Cornforth tagged Gran, then threw over second base, allowing Anderson to score. Finelli took third. Dahl singled off Rod Fercho's glove, Finelli scoring.

Ken Johnson fouled to Garbarkewitz. Hedstrom forced Dahl at second, the play going third to second. Three runs, four hits, one error.

### FOURTH INNING

Dragons—Way grounded out, pitch to first. Finn grounded out, short to first. Purcell got his second hit, a single through the box, and promptly stole second.

Gran singled him home, taking second on the throw-in. Anderson drove a single through the box,

scoring Gran, and that was all for Mashek.

Hertsgaard came on to pitch. On the first pitch, Cornforth caught Anderson stealing. Two runs, three hits, no errors.

Bison—Benshoof was nipped by a half step, short to first. Hlavac struck out. Garbarkewitz grounded out, third to first. No runs, no hits, no errors.

### FIFTH INNING

Dragons—Masse made a nice running catch of Finelli's deep drive to left center. Benshoof went deep at short to throw Dahl out. Ken Johnson got life when Garbarkewitz booted his grounder.

Hedstrom singled down the third baseline. Hertsgaard couldn't handle Way's hard drive off his glove, loading the sacks. Finn walked on four straight pitches, forcing in the sixth run. Purcell struck out. One run, two hits, one error.

Bison—Krabbenhoft took over mound duties for the Dragons. Hertsgaard grounded out, pitcher to first. Friedman was robbed again, Dahl making a leaping catch of his hard drive. Rod Fercho popped to the second baseman. No runs, no hits, no errors.

### SIXTH INNING

Dragons—Orv Gran doubled to right center. Anderson singled to center, gran scoring and Anderson taking second when Rog Fercho bobbled the ball in center. Krabbenhoft grounded out, short to first. Dahn hit to the third baseman, who overthrew second trying to get Anderson.

Johnson singled through the box, and Roger Fercho threw a perfect strike at second, nailing Dahl who had wandered too far past the sack. Hedstrom struck out. Two runs, three hits, two errors.

Bison—Cornforth struck out. Masse drove a 300-foot foul into left field before taking a called third strike. Martino, batting for Roger Fercho, worked the count to 3-2, then watched a third strike sail by. No runs, no hits, no errors.

### SEVENTH INNING

Dragons—Klug, batting for Way, walked. Pryzbilla was safe on a fielder's choice, forcing Klug, third to second. Don Peterson singled to center. Gran walked, loading the bases.

Stensland came in to pitch for the Bison. He threw one pitch to Weston, who lined into a double play, short to second. No runs, one hit, no errors.

Bison—Benshoof took a called third strike. Rostad batted for Hlavac, going down on a called third strike. Garbarkewitz struck out. No runs, no hits, no errors.

## Herd Golfers Triumph In Sioux Link Match; NDAC Cards 82 Average

North Dakota State's golf team easily subdued North Dakota University and Moorhead State Teacher's College in a links match held on the Lincoln Park golf course in Grand Forks.

The Bison quartet of Ken Moran, Bob Olson, Dick Hermanson, and Bill Swanston captured 23½ points out of a possible 24. Only Chuck Mahan of MSTC prevented a Herd sweep by snatching the half point.

Weather conditions weren't ideal for the match play but it didn't prevent the Bison from carding an average 82. Moran shot a 38-42 for a 80 total, with Olson coming in with a 40-40 to tie for low scores. Hermanson toured the course in 82 and Swanston recorded a 86 to round out the NDAC total. The Lincoln Park course is a rugged par 74 layout.

The match was definitely an outstanding team showing for the Bison, who hope to make trouble in the North Central meet in Cedar Falls next month.

A tentative match with MSTC has been scheduled for this weekend. However, the linksters have arranged to play in the Bemidji Invitational, May 11. The golf event will be an added attraction to the Bemidji track meet, which should draw top talent from the northwest area.

## Cobber Netters Edge Bison In Dual Meet

Concordia college's net team defeated the NDSC Bison in a dual meet at the Island Park courts Saturday, 4-2. It was the initial meet of the season for both schools. One doubles match was postponed until Wednesday. The results were not known at this writing.

Top-seeded Dick Palon was laid up with a high temperature and was forced to default his singles match. Jose Iranzo displayed a strong back court game in defeating Concordia's Wayne Westwood, 6-4, 6-3. Ed Boerth covered the net like a blanket, and outlasted John Kruse (C) 6-2, 4-6, 6-4. Ed was down 4-0 in the final set, but came back strong to take the last six games in a row. Player-coach Bill Oakland (C) blasted Jim Schrimpf, 6-0, 6-4, with a steady service and backcourt game. Concordia's Gordy Carlson whitewashed Jerry White, 6-0, 6-0.

In the only doubles match played, the Cobber duo of Kruse and Oakland dumped second-seeded Boerth and Iranzo, 6-0, 6-4. The AC pair were brilliant but erratic at the net, and the steady teamwork of the Concordians and booming serve of Kruse were too much for Boerth and Iranzo. The top-seeded doubles teams were to clash Wednesday, with State's Palon and Schrimpf going against the Mooheader's Narum and Westwood.

The next scheduled meet is at Bemidji on May 11, followed by the NCC affair at Cedar Falls on the 19th.

## A SHOT IN THE DARK

### THE COACHING WORLD

Wonder if any readers of the local Fargo Forum noticed the item a short time ago that Jerry Thompson, head football coach at Augustana, has resigned his post. Thompson's resignation takes effect at the end of the school year.

The interesting point in this move is that Thompson has accepted a high school job back east. If you recall last year, Dick Miller stunned NCC fans by casting aside his football duties at NDU to assume coaching duties at Canton, Ohio, high school.

When a coach once hits the college ranks, one figures a drop to a high school rating indicates failure. However, Miller reportedly was offered a salary hike over his NDU meal ticket. Also, Miller managed a good record in his first year with the Sioux in '49.

Since I formerly hailed from the Sioux Falls area where the Augustana school is located, I feel the Thompson case is close to home. Jerry was picked coach of the year in 1948 after bringing his team to a respectable finish in the North Central with little talent available.

Thompson made many friends during his tenure at Augie, and was well liked by businessmen and his players. It's hard to imagine he took any so-called "pressure" from the downtown quarterbacks.

Any high school eleven that lands Thompson is fortunate. From the outside, it seems to me that too glamorous an offer was proposed for Jerry to decline.

Fans hear how high school mentors are swiftly falling into a select group known as "the coaches graveyard." High school supporters expect miracles from their coaches or the heave-ho treatment is dealt out. In the last few seasons, the mortality rate of inter-scholastic coaches has increased rapidly. Now the college ranks are feeling the bite of over-enthusiastic followers, who demand "win or else".

### NDAC GRADS HONORED

Speaking of high school coaching, the Fargo high job vacated by Joe Teie was filled this week. Charles "Acey" Olson, former Bison great, received the head coach position. Olson starred in football and basketball for the Bison.

He was an all conference selectee in football in 1933, and placed on the mythical basketball five in 1934.

Bob Roy, a NDAC graduate of 1949, got the nod to assist Olson in the pigskin sport. Roy performed for the Bison varsity in football and baseball regalia.

Roy had established an outstanding record in his two years of coaching at Mott, North Dakota. His football squads have won 12 of 13 contests, being scored upon in only three out-

ings. It should be interesting to watch the developing of Olson and Roy in putting Fargo high back on top in flickertail state football.

### SPRING SPORTS

NDAC's track squad inaugurated their season with a creditable performance. The upstate normal, deep in the field events, squeaked by the Bison in a meet undecided until the final event. Since NDAC has never won a NCC track title, things are shaping up for the future. That freshmen and sophomore talent on the cinder squad should be tough in the future.

Packy Schafer's baseball nine got off to a rocky start after dropping decisions to MSTC and Mayville. The squad had little time to condition themselves, so as the season wears along improvement should coincide. The Wahpeton Science Wildcats will provide the opposition in a Gorman setto here today.

Mac Wenskunas' charges held their first scrimmage session on Tuesday. Hard work and more contact will be the order of the day during the remainder of the spring session. More interested candidates are still being sought for squad positions.

The golf and tennis teams also opened their respective seasons last weekend. The Herd golfers gave quite a display at the Sioux Invitational. They made an easy task of swamping NDU and MSTC link legions. Concordia college edged past the Bison net team in an Island Park match.

### THE NATIONAL SCENE

During the past week the Brooklyn Dodgers and the Boston Braves waged quite a battle for the top rung in the National league. Meanwhile, Cleveland and New York continue to set the pace in the junior circuit. Paul Richards' amazing Chicago White Sox have been the early season surprise of the loop to the extent that Richards is talking pennant.

### PREDICTION OF THE WEEK

Inside of the next month or two, Lou Boudreau, erstwhile manager of the Cleveland tribe and now in Boston Red Sox togs, will take over the managerial reins of the team replacing Steve O'Neil. That one should start a minor hurricane among you followers of the national pastime.

## Dick Sander Heads NDAC Varsity Club

Dick Sander of Fargo was elected to head the NDAC Lettermen's club this week. Sander succeeds Vern Freeh of Harvey as president of the letterwinners.

Other officers include, Ray Curtis of Chicago, Ill., as vice-president; Art Bunker, Havre, Mont., secretary; and Dick Kloubec, Fargo, treasurer.

## NDU Sioux Tracksters Cop Invitational; Bison Place Close Second In Thriller

NDU's thinclads pulled a surprise at the University of North Dakota's Invitational track meet by edging out a slightly favored NDAC track squad. The meet was hindered by strong cross winds blowing across the cinder track.

The winner wasn't decided until the final event, the broad jump. The Nodaks picked up 11 points in this category to give the Sioux a 92½ total compared to 90½ for the Bison. Mayville Teachers picked up 12 points while MSTC had 11. Eddie Fortin, Devils Lake JC sprinter, captured the 440 yard run in his only effort of the day.

Bemidji Teachers, which had entered the Sioux meet, failed to show. No reason was obtained for their absence.

The Bison, who placed seven winners, didn't have the all-around depth or field event performers to suitably compete with the Sioux. The Herd piled up a 30 point lead at one juncture until the Sioux caught fire.

Joe "Buzz" Elliott paced the comeback with 13 points in the weight events. Rube Entzel's performance in the high jump and broad jump was the ultimate clincher for the host squad.

However, Don Edam, NDAC junior, was high point man for the meet with 13½ counters. Edam copped first in the pole vault, placed second in the high hurdles, and tied for first spot in the high jump.

Del Moore and Gerry Goetz of the Bison tallied 10 points apiece for the runner-ups cause. Moore was a double winner in the 100 and 220 yard dashes. Goetz won the mile run, finished second in the half mile and fifth in the broad jump.

Mile run: Won by Goetz, NDAC; Brogger, NDAC, second; Sestak, NDU, third. Time: 4:55.

440-yard dash: Won by Fortin, Devils Lake JC; Carolan, NDAC, second; Rydstrom, NDAC, third; Bavendrick, NDU, fourth; Sullivan, Moorhead Teachers, fifth. Time: 52:8.

100-yard dash: Won by Moore, NDAC; Oliver, NDAC, second; Kloubeck, NDAC, third; Ducharme, NDU, fourth; Conny, NDAC, fifth. Time: 10:8.

High hurdles: Won by Valko, Moorhead Teachers; Edam, NDAC, second; Claffy, NDU, third. Time: 18:2.

880-yard run: Won by Bartlett, Mayville; Goetz, NDAC, second; Ryan, NDU, third; Sestak, NDU, fourth; Sullivan, Moorhead Teachers, fifth. Time: 2:11.

220-yard dash: Won by Moore, NDAC; Oliver, NDAC, second; Bader, NDU, third; Rydstrom, NDAC, fourth; LeMoine, NDU, fifth. Time: 23:1.

Two mile run: Won by Brogger, NDAC, Grunseith, NDU, second; Heising, Mayville Teachers, third; Powers, Moorhead Teachers, fourth. Time: 11:9:3.

Low hurdles: Won by Ducharme, NDU; Claffy, NDU, second; Rydstrom, NDAC, third; Belyea, NDU, fourth. Time: 28:2.

Mile Relay: Won by NDAC (Goetz Oliver, Rydstrom, Carolan); NDU, second. Time: 3:52:6.

Discus: Won by Elliott, NDU; Kubas, NDAC, second; LeMoine, NDU, third; Donahue, NDU, fourth; Valko, Moorhead Teachers, fifth. Distance: 130-2½.

Pole Vault: Won by Edam, NDAC; J. Lees, NDAC, Galmrath, NDU, Bennett, NDU, all tied for second; Gronberg, NDAC, fifth. Height: 10-7¾.

Shot put: Won by Elliott, NDU; Hallada, NDU, second; Kubas, NDAC, third; Hoff, NDU, fourth; Valko, Moorhead Teachers, fifth. Distance: 45-4.

High jump: Edam, NDAC, and Entzel, NDU, tied for first; Elliott, third; Sorenson and Williamson, NDU, tied for fourth. Height: 5-8½.

Javelin: Won by O'Neil, NDAC; Bearking, Mayville Teachers, second; Wolfe, NDU, third; Entzel, NDU, fourth; Hoff, NDU, fifth. Distance: 169-6.

Broad jump: Won by Entzel, NDU; Wilkie, NDU, second; D. Lees, NDAC, third; Claffy, NDU, fourth; Goetz, NDAC, fifth. Distance: 19-5.

Coach Erv Kaiser was slightly disappointed that the Herd didn't manage a first but was satisfied with the showing. He emphasized the shortage of hurdlers and weight men. If strength could be picked up in these events, the Bison could be dangerous in the North Central.

Three cindermen are on the ailing list. Gronberg is out with a pulled muscle, Marty Davis has a bad knee, and Conny is nursing a muscle strain. Since no meet has been planned this week, Kaiser hopes the layoff will hasten the recovery of the trio.

The next meet on the agenda for the squad is the Bemidji Invitational, May 11. Kaiser seems to be pointing his squad to the annual NDIC meet to be held at Grand Forks.

## WAA Picks Ingwalson As Softball Manager

Beverly Ingwalson was named manager of the women's intramural softball league by the Women's Athletic association.

Representatives from each sorority and the Independent Student's association were in attendance when the rules were drawn up.

Four games weekly are to be played at 4 p. m. to 6 p. m. on Tuesday and Thursday.

A traveling trophy is to be awarded by WAA to the organization having the highest percent of wins for the season.

## Mayville Comets Defeat Bison 7-6; Herd Rally Fails

Mayville Teachers college put another damper on NDAC's hopes in the Steve Gorman baseball league as the Comets took a 7-6 win over the Bison Tuesday on the NDAC diamond.

The tilt was played with more of the wind gusts that hampered the players last Friday as the Bison lost their opener to defending league champion Moorhead Teachers college, 8-1.

The Herd seeks its initial win in its third start and third home contest today at 4 p. m. against the Wahpeton Science Wildcats, who lost their opener Tuesday to Moorhead TC, 16-14. Right-hander Ted Stensland is expected to pitch for the Bison.

In Tuesday's affair, the Bison hopped off to a four-run advantage in the first inning as shortstop Jerry Benschhof homered into straightaway centerfield with the bases loaded. The Bison added a run in the second to take a 5-0 lead.

The Comets spurred from behind in the fourth frame as Bison starter Doug (Gunder) Boling yielded two walks and was blasted for two doubles and two triples.

Boling was then relieved by John Mashek, who absorbed the Dragon defeat Friday, and the big right-hander put out the fire with the score tied at 5.

In the fifth Mayville thumped ahead with two scores. Catcher Win King, who last season played for the state amateur champion Mayville Red Caps, walked and moved to third on a sacrifice.

Bill Brower grounded to Rod

Fercho at second base but King slid in home under Fercho's relay to Catcher Tom (Chick) Cornforth, with the tie-breaking run.

Brower scampered to second on a scratch infield hit by Joe Bachmeier and hustled home on a two-base error.

Benschhof poked a wind-blown single behind second base to open the Bison sixth and circled the bases on a sacrifice, a passed ball, and an overthrow at third. The run brought the count to 7-6.

In the Bison last inning, Mayville hurler Al Anderson got into trouble as Jerry Friedman got life on an error, Rod Fercho walked, and Cornforth sacrificed but was safe when the Comets erred on a play on Friedman at third.

Anderson fanned clean-up hitter Berard Masse but retired at this point with a wrenched arm.

Don Newman came on and got Roger Fercho and Benschhof on strikes in the thrilling finish.

Mashek, touched for only a single infield hit in the 3 2/3 innings he threw, was credited with the loss. He struck out three and walked two during his stint.

Boling fanned three and walked the same before tiring in the fourth before the Comet onslaught.

The Bison fielded well again, making only a pair of throwing errors. They pulled their second double-play in two games in the first inning as third sacked Paul Garbarkewitz made a force out and fired to Friedman to retire the batter.

The four hits Tuesday made the total six in the first two Bison

games. Opposing pitching has been much nearer mid-season form although the Bison has shown none of the expected power or consistency.

### Church News

LSA

"Ashram Sunday" is the theme of the regular "Quest" meeting Sunday afternoon, May 6, at 5:30 in the student center. Verna Eisinger is in charge of the program which will feature a skit on the Ashram. Everyone is welcome.

A Bible study breakfast will be held Sunday morning at 9 o'clock in the center.

Leo Benz is in charge of the High-Noon Focus programs to be held Monday through Friday at 12 noon complete with lunch and meeting. The programs will consist of movies, speakers, and student conducted programs.

Early morning devotions are held tonight. If interested in golfing, meet in the student center at 7:30.

#### JOHN ROBINSON CLUB

John Robinson club will meet at the Plymouth Congregational church for a picnic Sunday afternoon at 4. Guests are welcome. John Kirk is in charge of the program.

# MILDNESS

*Plus* NO UNPLEASANT AFTER-TASTE

OVER 1500 PROMINENT TOBACCO GROWERS  
SAY: "When I apply the standard tobacco growers'  
test to cigarettes I find Chesterfield is the one that  
smells milder and smokes milder."

A WELL-KNOWN INDUSTRIAL RESEARCH  
ORGANIZATION REPORTS: "Chesterfield is the  
only cigarette in which members of our taste panel  
found no unpleasant after-taste."

# ALWAYS BUY CHESTERFIELD
