Freshmen, sophomores, juniors, seniors, richmen, poormen, beggarmen, thieves, typists, copyreaders, reporters, columists, sportwriters, ad soliciters, cartoonists or just anybody who has some sympathy for a broken-down newspaper staff, the Spectrum needs you. We need you like an engineer needs course, sometimes we wonder what a slide rule and a home-ec student needs a needle.

All you high-school journalists, where are you now that we need you? Remember the hurry and scurry to meet a deadline and the fun it is to see your work come out in print? Come on, shuffle over here to Room 125 in Minard Hall (better known as Science). There's a spot waiting for you on the Spectrum

Working on the Spectrum is fun. Important contacts are made with students and faculty. You become an essential cog in the machinery of the campus organization.

To former students this four-page Spectrum will be a disappointment after last year's eight-page publication. The Board of Publications and the Spectrum editor plan to revert to an eight-page newspaper as soon as YOU fill the vacant staff positions. Go to the Spectrum office right now and next week see your name on the masthead.

Curtain Call

Are you an actor? Can you operate a lighting switchboard, set up stage scenery, fit a costume, put on stage make up, sell tickets, haul furniture. If you can do any one of these tasks, the Little Country Theatre is the place for you. Many of you worked on high school play productions and will easily find a spot in the college theatre. The rest of you will climb the ropes fast at the LCT.

Go up to the theatre, in old Main, explore the Log Cabin, the costume and make up room. We guarantee that once you experience the excitment of the call "curtain going up" from behind the scenes, you will never want to leave the Little Country Theatre.

Men's Department

Athletic activities play a big part in the life of the college. Mr. Casey Finnegan, athletic director on the campus commented, "All male students are urged to participate in some part of the physical education program." Fellows, why not go out for the football, basketball, track, golf or tennis teams. Or, if you do not care to try out for any of these varsity teams you can participate in the intrumural program consisting of touch football, basketball, volley ball, soft ball, tennis, golf and

NDAC's football hopes face a screening process tomorrow night at when the Bison warriors open the 1951 gridiron campaign at Dacotah field against cross-town Concordia.

paign at Dacotah field against cross-town Concordia.

Both teams are of undetermined strength because of losses. The two squads are expected to put on a good football show, each trying to get off to a good start to compensate for poor 1950 records; the Bison won only two games while the Cobbers captured three victories.

For the Bison, coaches Mac Wenskunas and Bernie Krueger greeted 11 lettermen from the 1950 aggregation, including its most valuable player, Quarterback Bennie Noland. Practice

started August 27.

Practicing with the veterans were nine members of last year's undefeated freshmen team and 43 freshmen, transfer, and new candidiates.

The returning lettermen follow: Ends—Dick Sander and Sam Vranish.

Tackle—Bob Zorich
Quarterbacks—Noland and Ray
Curtis.

Left halfbacks—Jim Hitter, Jack McLarnan, and Tom Mc-Leod.

Right halfbacks—Clarence
Becker and Orv Overboe.
Fullback—Dean Morford.

Students Asked To Sit In Southern Section

NDAC students attending tomorrow night's football game at Dacotah field are asked to enter Gate 11 and sit in the south section of the stands.

Athletic Director C. C. (Casey) Finnegan made the request.

Faculty football season tickets are currently on sale at the Book Store for \$3.00 plus \$....60 federal tax. Tickets for each game may be secured at the Grand Recreation in Fargo.

Freshman team prospects are: End—Chuck Gronberg.

Tackle—Bob Lauf.

Guards—Bob Nenninger and Marty Kroninger.

Centers—Ray Paxton and Duane Erickson.

Right half—John Werlein.

Fullbacks—Bill Buckellew and DeLorin Schlucter.

New candidate include:

In nine games last season, the Bison won only two games, those from Moorhead State Teachers college and Montana State. The Herd dropped all six North Central conference starts.

The Bisonmen have eight games slated this fall, including home contests with Concordia, Iowa State Teachers, South Dakota university, and arch-rival North Dakota univer-

sity in the homecoming contest on October 27.

They wind up the season aganst Moorhead Teachers on the Dragons' home turf.

Away-from-home games are Augustana at Sioux Falls, S. D., Morningside at Sioux City, Ia., and South Dakota State at Brookings.

Lost to the Bison this year were guards John (All Conference) Richards, Vern Freeh, John Mashek, and Mert Brunsvold, tackles John Duginski, Lou Borcuk, Al Keating, and Ken Anthony, ends Duane (Grut) Anderson, Dale Peppel, and Roger Huizenga, and backs Eino Martino and Tom Gagnon.

Besides armed service calls, transfers, and ineligibilities, some players decided not to play this year.

Due to the national situation, NCC conference officials last spring decided to make freshman available for varsity competition. This will probably add to confusion in the way of picking a conference favorite at this point.

I-M Meeting Set

Coach E. E. Kaiser has called the first intramural board meeting of the 1951-52 school year for Monday afternoon at 4:15 in Room 204 at the Field House.

Any organization interested in touchball competition is requested to send a representative to the meeting. Theta Chi fraternity won the touchball playoffs last fall.

BISON COACHES Mac Wenskunas and Bernie K rueger watch their gridders do the "jumpin' jack in a recent practice session. The Bison, shown here working off those extra pounds, will show their potential tomorrow in the 1951 season's opener against Concordia's Cobbers.

Wenskunas, Krueger Begin Second Year As Bison Strategists

Bison football mentors Mac Wensuknas and Bernie Krueger look for better things as the two former University of Illinois stars launch their second year at the helm of the NDAC rough and tumble squad.

Head coach Mac, acclaimed as a top Illini leader and linebacker, captained the 1946 Rose Bowl champions and was named on the all-Big Ten team.

Graduating from Illinois in 1947, Mac was appointed coach at Quincy college in that state and enjoyed three successful seasons before coming here.

Last year the Bison, in rebuilding, ended a 16-game losing streak over three seasons but ended the campaign with two wins and seven losses. They hope that this might be the year despite many setbacks due to the draft situation.

Krueger was graduated from Illinois in 1949, having quarter-backed the Illini his last two years. Bernie was a starring member of the North squad in the annual Blue-Grey game and was named the most valuable player in the tilt by sports writers.

Wenskunas was a marine second lt. in World War II while Krueger served as a signalman in the navy.

Mac is the father of two girls and a boy. Bernie has two young sons.

QUARTERBACKS BENNIE NOLAND and Ray Curtis (with ball) take time out for a little joking in practice before getting down to the serious business of beating Concordia in the 1951 season lid-lifter tomorrow on the Bison's home field. ...The Bison air-arm is expected to be their top offensive weapon.
