

Sioux Disaster

Bison Master

QUEEN ELECTION SET MONDAY

Marilyn Hunter

Margery Johnston

Janet Olson

Virginia Arneson

Alpha Tau Omega put up Marilyn Hunter, AAS junior for Homecoming Queen. Marilyn is co-editor of the Bison, president of Gamma Phi Beta, commander of Air Debs, secretary of the Board of Finance and member of Orchesis.

Alpha Gamma Rho is backing Margery Johnston. Margery is an AAS sophomore. She is a staff-member of the Spectrum and the Bison, a Sigma Alpha Iota pledge, a Gamma Phi Beta, and a Member of Air Debs.

Janet Olson, a sophomore in Hom Economics, was nominated by Kappa Psi for Homecoming Queen. Janet is a Bison staff member and a member of Tryota, Orchesis, and Gamma Phi Beta.

Virginia Arneson, a senior at AAS, is being sponsored by Theta Chi. Gini is a member of the Student Commission, Edwin Booth Board of Music, Sigma Alpha Iota, Air Debs, and Gamma Phi Beta, and is "Theta Chi Dream Girl".

Bison Football Team Holds Eliminations

By vote of the NDAC football team, Virginia Arneson, Marilyn Hunter, Margery Johnston, and Janet Olson are the candidates for 1951 Homecoming Queen. One of these coeds will be selected to be queen by an all-school election next Monday.

The election will be conducted by the Student Commission. Ballot boxes will be placed in Minard hall and Morill hall. Voting time is from 8:00 to 4:00. Students must show their student activity cards before receiving an official ballot.

The candidate receiving the largest number of votes will be queen. The other three candidates will be the queen's attendants. Results of the election will be announced in next Friday's Spectrum.

Of the 12 men's organizations invited to nominate a candidate eight responded to the invitation. The Student Commission set four as the number to be eliminated by preliminary election by the football team. Bob Ouradnik, committeeman in charge of the queen election stated, "We chose this number in order to avoid eliminating only one or two girls at either preliminary or final election."

Other candidates and their sponsoring organizations were Shirley Shepperd, Sigma Alpha Epsilon; Paula Swain, Sigma Chi; Jackie Brekken, Co-op house; and Arlene Teigen, Sigma Phi Delta.

Staff, Students Plan To Observe Poetry Day Next Monday

A chance to hear great poets read their own verse, and to talk informally about poetry, will occur as part of the celebration of national Poetry Day, Monday, when members of the English staff will meet with interested students in an informal session of hearing and discussing poetry. Part of activities urged by Governor Fred G. Aandahl in his proclamation of North Dakota's participation in the day, the meeting will occur at 4:00 P. M. in the library's student lounge.

Playing recordings, reading poems, and sharing discussion during the one-hour session will be Robert Billings, Richard Lyons, and Leonard Sackett of the English department.

National Poetry Day is an idea started in Ohio in 1938. Slow to take hold at first, it suddenly spread like wildfire: from 19 states which observed it last year to 44 states and Alaska this year. Its purpose is to bring about contact between poets and lovers of poetry and the layman who wonders what it's all about.

Position On Public Programs Board Open

Applications will be accepted until October 22 to fill the senior vacancy on the Board of Public Programs. Seniors interested should submit an application at the Little Country Theatre.

Information on the application should include the student's name, address, honor-point average, and a record of having participated in Little Country Theatre activities.

Fargo Honors NDAC Today, Tomorrow

Fargo is honoring NDAC two days this week in connection with the Fargo Fall Festival. Bison Day, today, and NDAC Day, tomorrow, is the Fargo businessmen's recognition of the contribution of NDAC to community life.

The Bison-South Dakota football game tonight is one of the main

events of the Fall Festival program. This afternoon at 2:30 NDAC will stage a parade down Broadway to Front street.

Nearly all NDAC organizations will participate in the parade according to Merle Nott. Mr. Nott is directing NDAC's part in the Fall Festival.

All-College Hop Friday At Festival After Game

An all-college dance will be held after the football game at Festival Hall, Oct. 12, Friday night. Dancing from 10:00 to 1 A. M. will be furnished by the Harold Stensather orchestra. The dance is being sponsored by the YWCA.

Hal McIntyre To Play For Homecoming Ball

Hal McIntyre, saxophonist, band leader and recording star for MGM records, will play for the 1951 NDAC Homecoming ball.

McIntyre's story begins in Cromwell, Conn. Here he had an eight piece band and a weekly half-hour show on a local radio station. One day he received a call from Benny Goodman asking him to sit in with Goodman's group that night. This McIntyre did—for ten days.

Goodman's orchestra then broke up and in 1938 McIntyre went to Glenn Miller. After playing with Miller for four years McIntyre started his own band. It was Miller himself who suggested the move.

McIntyre relates: Glenn suggested that I give up the best job in the world, with an unlimited future and lifetime security and start my own band. I didn't sleep all night thinking about it.... There are enough frustrations, set backs and heart breaks to make anyone wonder how a band can ever click... In the end I based my decision on his judgement."

So the Hal McIntyre orchestra was born in 1941. The band's first date was at Glen Island Casino in New Rochelle, New York. From the Casino has come Charlie Spivak, the Dorsey brothers, Glenn

Hal McIntyre

Miller and Claude Thornhill and others.

After this step came a recording contract with RCA Victor. Follow-

ing this success Hollywood and four feature length musicals at Columbia studios. McIntyre switched his recording label to Cosmos, then

finally to MGM for a long term contract. McIntyre's orchestra rates high as a college favorite. His subdued reed voicing, bright clipped brasses and his own sax solos meet the tastes of college people.

Although college dates have helped McIntyre's band rise, it still boasts engagements at the leading spots from coast-to-coast. Included are the Palladium, Hollywood; Hotel Commodore, New York; Hotel Sherman, Chicago; and Paramount and Strand Theatres in New York.

One honor McIntyre will long remember is playing for President Roosevelt's Birthday Ball. Another memory is the reception he got from the GI's during the war on his overseas tour. He sacrificed more than \$150,000 to make the trip.

Peet, Plath To Attend Tau Beta Pi Meeting

Robert Peet, a senior in Electrical Engineering, and Verne Plath, a senior in Civil Engineering are delegates from the NDAC to attend the National Convention of Tau Beta Pi, Honorary Engineering Fraternity to be held on the campus of the University of Colorado in Boulder, Colo., October 11 thru 13.

Green and "Yellers" . . .

Dick Thompson

Marilyn Ball

Connie Hogan

Mike Herbst

By JoAnne Marquart

Sporting gold sweaters with green corduroy skirts and trousers, new State cheerleaders Marilyn Ball, Connie Hogan, Dick Thompson, and Mike Herbst promise, "To do our very best," when the Bison and Coyotes clash at 8 o'clock on Dakota Field.

Sparkling Marilyn, NDS fresh-

man, plans to major in music. This 5'4" miss is a 51 graduate of Tower City high where she was cheerleader. One of Shanley's '51 cheerleaders, Connie is enrolled in the pre-med course. A trim 5'3", she's majoring in Medical Technology. Majoring in Aeronautical Engineering is blonde 5'10" Dick Thompson. A sophomore, Dick led the cheers at Minot for two years. Completing

the quartette is Mike Herbst, a '48 graduate of Fargo high. Energetic Mike attended Carlton and Northwestern before entering State. A member of the Rally Committee at Northwestern, his major is Economic Mathematics.

"We sincerely hope," exclaim the pep squad, "That the enthusiasm shown by the fans will continue to grow."

Juniors Eligible For Rhodes Scholarship; November 3 Deadline For NDAC Entries

Competition for the annual Rhodes Scholarship will be held in December, 1951. Elected students will enter the University of Oxford in October 1952 with a 500lb award. The scholarship is for two years with a possible third depending on records and plans of study.

Candidates must meet these requirements: male citizen of the United States and unmarried, between the ages of 19 and 25 on

Selective Service Blanks Available Now

Arrangements have been completed to conduct the Selective Service College Qualification test twice during the school year. Full-time college students are eligible to take the test. Applications, mailing envelopes, and information bulletins may be obtained from any selective service local board.

Applications for the test to be given on December 13, 1951 must be postmarked no later than midnight Monday, November 5, 1951. Applications for the test to be given on April 24, 1952, must be postmarked no later than midnight Monday, March 10, 1952.

The test, a three-hour written examination, will be given at more than 1000 examination centers throughout the country. Our center is located on this campus, under the direction of Mr. Carl Schmidt. Results of the examination are sent directly to the local board.

Farmhouse Pledges 4

At a banquet held Monday night, the Farmhouse Club had pledging ceremonies and initiated into the club four new pledges. They are Loren Laude, William Costello, Delorin Schluchter, and Delmar Gruebele.

Also present were Alumni members; Harris Sorenson, Ruben Heerman, Wm. Dinusson, E. B. Norum, and Honorary members; Merle Light, and Harry Graves. The banquet was held at the Powers hotel.

October, 1952; junior standing by time of application and an official endorsement from his college or university.

Eligibles may apply from their home states or from the state where he has received at least two years of his college education. All applications must be in the hands of the state committee by Nov. 3, 1951.

Basis of selection will be made according to literary and scholastic ability, good character, moral courage, qualities of leadership, interest in fellow students and physical vigor.

2 scholarships are assigned to the U. S. every year. The 48 states are grouped into eight districts with six states in each district. Each state nominates two candidates making a total of 12 men for the entire district. The district committee selects not more than four men from the area.

Carl H. Schmidt, Associate Professor of Education will give additional information, blanks and regulations.

Christmas Cards Topic For Lecture

The first meeting of the "Y" Camera Club is scheduled for Tuesday night, October 16, in the College "Y" at 7:30 P. M. A lecture, "Practical Christmas Cards by Photography," will be given and slides will be shown. This lecture and the slides have been prepared by the Kodak Camera Co. and should be of interest to everyone regardless of their experience in photography.

The new officers of the club include Merlen Clemenson, Pres.; John Schacher, Vice Pres.; Harry Swanke, Sec.; Delbert Moore, Treas. and J. L. Parsons, Faculty Advisor.

In addition to the meetings, the meetings, the club operates a dark room which may be used by members. Anyone interested in photography is invited to attend this meeting and join the club.

Tryota Sends Four Delegates To St. Olaf Workshop

Four members of Tryota will attend the Province workshop for Home Economics Clubs, at St. Olaf College, October 11-13. Delegates are JoAnn Christiansen, Iona Dalzel, Arlene Anderson, and Dorothy Pederson.

Miss Mildred Hawkins, an advisor of Tryota will also attend. Beverly Litzinger and Jane Preuss are alternate delegates.

This is the annual workshop of Province 8, sponsored by The American Home Economics Association. Tryota is the name given the local chapter of this association.

The program is centered around careers in Home Economics. The main speaker will be Miss Francis Urban, Washington, D. C., Field Secretary for A.H.E.A. A banquet is also on the program with some interesting speakers in a panel discussion.

College Home Economics clubs from North Dakota, South Dakota, and Minnesota, are members of Province 8.

NDAC Geology Department Displays Oil Exhibit; Class Studies History Of Red River Valley Area

"Where does oil come from?", "What kind of life inhabited the earth millions of years ago?"

These and other questions concerning the formation of oil are answered in a special exhibit prepared by the Geology and Geography Dept. of NDAC now on display at the Merchant's National Bank.

The display, according to bank officials, has created such unusual interest that it has been left in longer than usual in order to give everyone a chance to see it.

Along with the display are two samples of cuttings from Amarada Oil Company's Iverson No. 1 and samples of oil from the two horizons, the Madison and Devonian, from which N. D. oil is being produced.

Through the efforts of Professor Moberg, the Geology and Geograp-

Medical College Admission Applications Due October 22

Medical College Admission Test, sponsored by the Association of American Medical Colleges and prepared and administered by Educational Testing Service, will be given on Monday, November 5. Application deadline is on October 22.

AC Library Exhibits Life News Photos

NDAC Library will show TEN YEARS, a selection of news photographs from LIFE'S first decade of publication. Consisting of thirty-three panels, the exhibition will be on view from now through Oct. 30.

Beginning with major events of 1937, three panels are devoted to each year through 1946. There are a total of sixty-four photographs which document the national and international events of the last ten years, and which were selected from LIFE'S picture files for their news significance as well as their unusual photographic interest.

The result is a variety both in subject matter and photographic style. A single year—1939 for example—shows such news events as the blitzkrieg in Poland, the "phony" war on the French border, and at the same time the New York World's Fair, the splitting of the atom, and "Gone With The Wind".

The exhibition includes some of the finest work of such veteran LIFE photographers as Margaret Bourke-White, Robert Capa, Frank Scherschel, George Silk, Alfred Eisenstaedt, Fritz Goro, Walter Sanders, and others.

Panhellenic Schedules Pledge Presentations

Panhellenic Council has set pledge presentation dates for sororities on campus. Alpha Gamma Delta and Kappa Delta sororities will hold presentation Sunday, October 14, from 3 to 5.

On October 21, Kappa Alpha Theta and Kappa Kappa Gamma will present their new pledge from 3 to 5. Concluding presentations will be Phi Mu and Gamma Phi Beta on November 4 at their respective houses from 3 to 5.

Also a tentative date was set for the Charity Ball as February 16, 1952.

LOST

A bacteriology book was lost at the women's lounge in Minaard hall Thursday, October 4. Finder, please notify Nancy Smith. Telephone 6785.

Applications may be obtained in the Personnel Office in Old Main.

Students mail their completed application with the examination fee of ten dollars to Medical College Admission Test, Educational Testing Service, P. O. Box 592, Princeton, New Jersey.

The Medical College Admission Test is recommended for applicants for admission to medical colleges which are members of the Association of American Medical Colleges. Only applicants for admission to classes beginning the study of medicine in the fall of 1952 should apply.

The Medical College Admission Test consists of tests of general scholastic ability, a test on understanding of modern society, and an achievement test in basic science. Specialized course work is required only for the examination in basic science.

Scores on the Medical College Test will be used by the medical colleges to supplement the other available data for determining admission—college records, honors or awards received, recommendations, activities outside the classroom, emotional maturity, interest in medicine, and personality.

Scores will be reported directly to recognized colleges of medicine, schools of dentistry, pharmacy, nursing, and veterinary medicine, and to certain other professional schools which the candidate lists on his application.

Engineers Plan Trip To Twin Cities Plants

The Senior Mechanical Engineers at North Dakota State will take their annual field inspection trip the week of October 15th. The following students will make the trip:

Richard Ames, Robert Gruel, Calvin Hagberg, Wayne Karlgaard, David Knutson, Lewellyn Lien, Carl Malmquist, Duane Meiers, James O'Connor, Aiden Lhnstad, Howard Peterson, David Robinson, and Otto John Torkelson.

The plants to be visited are Ford Motor Company and Minnesota Mining and Manufacturing Company of St. Paul, and Minneapolis-Honeywell and Minneapolis-Moline. They will also visit the Minnesota Power and Light Company, the Coolerator Manufacturing Company, in Duluth; Northwest Paper Company in Cloquet, Minnesota; and the Iron Mines in Hibbing, Minnesota.

A. W. Anderson, Chairman, Mechanical Engineering department, will accompany the group.

ees were some of the features studied.

The class also visited the Fargo Monument Works and were shown types of marble and granite from various states in the U. S. and also from Italy and Sweden, along with demonstrations of glass etching and sand blasting.

1951 Bison For Sale

Those students who have not received their 1951 Bison may do so by calling at the Bison office in Room 120 on Tues. and Weds. afternoons of next week. New students may purchase the 1951 Bison by going to Room 120 in Minard Hall on Tues. or Weds. afternoon or by contacting Gordon W. Badger, Business Manager.

Alpha Gams Present House Mother

By Alpha Gamma Delta

Do you know what keeps the roof on the Alpha Gamma Delta house? Well just between you and us, it isn't the two by fours, or the rafters, it's Mrs. Grace B. Reid. Sounds like Mrs. Reid is a very powerful person doesn't it? She is, but its a gentle ladylike influence that keeps her girls happy and somewhat orderly.

Who is Mrs. Reid? a friend? an alum? a cook? She's all of these plus manager and counselor. Though Mrs. Reid is not a A. G. D. her sister is and a large number of her acquaintances are or have been.

Is she a friend? Many of you know and will agree she is a wonderful friend to her girls, to those she is always meeting for the first time, and she will always have a soft spot in her heart for the Theta Chi's she mothered for five years. Her friendliness weakens a bit when we forget to clean the house closets month after month but she always forgives.

A cook? She has top place in that field with us. Can you doubt that when you see the A. G. D.'s rushing for their house every morning and night? How many people think it would be a good idea to put up a decent pedestrian crosswalk on 13th so the girls can get over to the other side without being crushed.

A few lines that you could catch any Alpha Gam singing are: "Five foot two, eyes of blue, hair of white and smile abound has anyone seen our mom? And if you haven't you'd better trot over and watch her blush when her naughty girls offer her the cigarettes she never smokes. You see Mrs. Reid never smokes on Monday. Too busy to smoke on Tuesday and they don't taste good on Wednesday and so the week goes.

If you don't know "our Mom" do stop by.

Arnold Air Society Set Sweater Dance

An all-college SWEATER dance will be held Friday, Oct. 19, in Festival hall. Music will be furnished by Zoot Otteson and his orchestra for dancing from 9-12 p. m. Admission is 50 cents a person.

Dance chairman Robert Greuel says that only those wearing sweaters will be admitted. The Arnold Air Society is sponsoring the dance.

Open Forum Series Begins Monday

The first of a series of open forums will be held at the Little Country Theatre in the Lincoln Log Cabin next Monday, October 15, at 4:00. The forums are being sponsored by the Lincoln Debate club under the direction of Mr. Mayo Kucera.

NDAC Alum Assigned To Mather Air Base

Second Lieutenant Wayne J. Schmidt, 1950 graduate of NDAC, was assigned to Mather Air Force Base the only Air Force Bombardment school this summer. When the lieutenant is graduated he will be awarded the 1037 job speciality number, triple threat, bombardier, navigator and radar observer.

While at college, Schmidt belonged to the Pershing Rifles, Tau Beta Pi, Phi Kappa Phi, LSA, American Institute of Electrical Engineers and the Arnold Air Society. He received his commission as a second lieutenant in the Air Force in June of 1950.

Freshmen, Sophomores Select Plays

Freshmen and sophomores have chosen their plays for the 33rd annual Little Country Theatre one-act play contest November 1. The junior and senior classes will announce their selection next week.

Freshmen will produce "The Grand Cham's Diamond" by Allan Monkhouse. The play is set in a

middle-class living room in a London suburb.

"Fixin's" by Erma and Paul Green is the sophomore classes' selection. "Fixin's" tells about the struggle of a Carolina farmer's wife who tries to brighten her monotonous existence. David Parker will direct the play.

LITTLE MEN ON CAMPUS

By Bibler

"Class, after glancing through the last papers I find that some of you could well afford to pay a little more attention to class lectures."

Committee Launches Vegetable Seed Drive

George H. Greene, Jr., President, Committee for a Free Asia, piles vegetable seeds in the arms of Benigno A. Pidlaon, Philippine Consul General at San Francisco. The Committee, in its Seeds for Democracy drive, asks Americans to donate vegetable seeds in an effort to meet a critical food production inadequacy. Seeds should be sent to Seeds for Democracy, 596 Clay Street, San Francisco, Calif.

A nation-wide drive for contributing vegetable seeds to help the people of the Philippine Republic overcome a critical inadequacy in food production has been launched by the Committee for a Free Asia, Inc.

George H. Greene, Jr., Committee President, announced that Americans may help in the development of Filipino vegetable gardens by contributing any amount of nine kinds of seeds to SEEDS FOR DEMOCRACY, 596 Clay Street, San Francisco, Calif.

The Committee, organized by leading U. S. citizens to assist in the defense of individual and national freedom throughout Asia, is affiliated with the Crusade for Freedom. Its sponsorship of the SEEDS FOR DEMOCRACY drive is based on a successful experiment conducted last year by the Chicago Daily News.

The first token shipment of seeds to arrive in the campaign was presented this week to the Honorable Benigno A. Pidlaon, Philippine Consul General at San Francisco in ceremonies at that city.

"This voluntary and spontaneous movement on the part of the American people," Pidlaon told Greene, "will not only help substantially in our food production efforts but will give tangible evidence of continued American friendship for the Philippines."

Last year's experience, Greene explained, indicates the most useful and satisfactory seeds for the growing of vegetable gardens in all parts of the Philippines are: green string beans, Chinese cabbage, green pepper, mustard, collards, egg plant, cucumber straight 8, kohlrabi and loose leaf lettuce.

"Seeds for these vegetables," Greene declared, "may be sent to the 596 Clay Street address in San Francisco in any container which meets postal regulations for domestic mail.

At that address the seeds will be sorted, packaged and trans-shipped to Manila where they will be received by Fernando Lopez, Vice President of the Republic of the Philippines and Secretary of the Department of Agriculture and Natural Resources.

The SEEDS FOR DEMOCRACY campaign is based on the proved experience that "a gift of a package of vegetable seeds to a Filipino farmer does more to help him fight communism than most formal economic aid and diplomatic razzle-dazzle."

Last year more than 660 U. S. garden clubs, seed houses, Boy Scout troops, student groups, church societies and other organizations and individuals contributed 162,693 packages of seeds and money for seeds.

Greene explained that, although many American vegetables grow well in the Philippines, such vegetables are not generally available there because most vegetables will not bear good seed in the tropics. Relatively few vegetable seeds are imported to the Philippines, and most families cannot afford to buy those which are imported.

"This drive," Greene continued, will help make the fast growing young Philippine Republic self sufficient in food and will give the Filipinos a practical method of resisting communist blandishments."

College Opens Dairy Construction Bids

Bids for the construction of a new dairy barn at NDAC were opened Monday afternoon (Oct. 8) in the office of President Fred S. Hultz. Eight bids were submitted for the work which included plumbing and heating, electrical, and general.

Low bidders were J. E. Krieg and Sons for general work with a bid of \$66,679. Sornsin Company for plumbing and heating with a bid of \$8,583, and Dakota Electric Company for electrical work with a bid of \$2,349.

President Hultz immediately recommended to the Board of Higher Education the acceptance of the low bids.

Other bids submitted included Diedrich and Bye for general work with \$69,166.50; Robert Gibb and Sons with \$9,162 and Gate City Company with \$8,840, bot for plumbing and heating; Central Electric with \$2,494 and Edling Electric with \$2,390, both for electrical work. All of the low bidders are Fargo firms with the exception of Edling Electric which is in Moorhead.

The 1951 North Dakota legislature appropriated \$95,000 for the construction of a dairy barn on the college farm. The balance of the appropriation which is not used for actual construction will be used to purchase equipment for the barn, said President Hultz.

'Copper's Capers' Set

Fargo's annual policemen's ball, "Copper's Capers" will be held next Monday, October 15, at the Fargo Arena. Two orchestras will provide modern and old time music from 9:00 to 1:00. Entertainment from Todd's Lounge Unique and the Waldorf Rainbow Room will be featured.

Kappa Delta Pi Meets

Kappa Delta Pi, national education honorary society meeting was held Thursday, Oct. 11 at 7:30 P. M. in the Fireside room of the College Y. The members toured the new Benjamin Franklin School. The year's forthcoming program was discussed.

Letter to the Editor

Due to numerous questions and complaints received by members of the Board of Campus Affairs concerning the recent Homecoming Queen Selection, the Board would like to review the selection and election of the 1951 Queen and her court. The method of selection was established by joint committees of the Board of Publications and the Board of Campus Affairs. These boards were appointed to this task by the Student Commission. This is the procedure established for 1951:

1. Letters inviting the 12 campus mens organizations to nominate their candidate for homecoming queen were sent out. These letters of nomination required the following qualifications:
 - a. honor point average.
 - b. picture of the candidate.
 - c. candidate's name and address.
 - d. certification by the president of the organization.
2. Upon receipt of the nominations from 8 groups the committee mounted the photographs of the candidates on a large board, accompanied by a number and the nominees name. No campus group affiliations were on the board.
3. The photo-board was presented to the members of the Bison football team. They were instructed to select 4 of the 8 nominees for the royal court. Voting was by secret ballot.

The Football team was chosen to select the four girls for the royal court for two reasons. Homecoming is their day. It's the big fall football celebration and the committee felt that the team deserved the honor of making the preliminary eliminations. This, by the way, is a tradition followed on many campuses. Secondly, the team is the BIG organized group with no social affiliations. Also the team is composed of men from all groups on the campus and was thus felt to be representative of the whole men's student body.

In the original selection of candidates five of the six campus sororities were represented. By what is perhaps a freak coincidence the resulting finalists are all of the same group. Many of the remaining girls groups feel left out and hence report that they do not intend to vote. Girls, this is putting your small social group before the welfare of the college. When any campus organization must put itself before its Almat Mater it is defeating its own purpose.

Monday is the day the Student Body determines its Homecoming Queen. The importance of every student's voting can not be over-emphasized. Vote for the candidates who you feel to be best qualified, Just Vote!!!

Get Out Your Storm Coats Kiddies!

By Lorrie Brown

Get out your storm coats and foot warmers kiddies 'cause it's football time again with the Bison meeting South Dakota U tonight at 8. This is part of Fargo's Fall Festival so there should be a large crowd and lots of yelling.—(we hope!)

SPD's will entertain their dates tonight with a buffet supper before the game and dancing afterwards. More dancing tomorrow night when the Gamma Phi's entertain at a Record Party from 8:30 to 12 at the Gamma Phi house. One way to get new records!

Tau Beta Sigma, honorary band sorority, entertained new women band members last week in Putnam Hall.

Attention Men!!

Here's your chance to formally meet some freshman girls and line up your dates for Homecoming. Both Alpha Gamma Delta and Kappa Delta will present their pledges Sunday from 3 to 5 in their respective houses. All this and coffee too!

Alpha Gam pledges elected the following officers last week: Barbara Widdifield, president; Helen Wolff, vice-president; Gretchen Wilson, secretary; Dorothy Roberts, treasurer.

Have you noticed the numerous amounts of people missing from classes these last few days? These absences are due to a serious fever which invariably strikes around this time of year—namely, hunting fever. Yes, hunting season opened last Friday and the SAE's started

the season off right with 15 members traveling to Ligerwood in search of ducks. Hmm—maybe duck dinner next week?

On Saturday, October 6, Nola Westman, KD, and Oscar Huso, AGR, became Mr. and Mrs. On September 29, Mrs. Norman Howe, nee Betty Forbes, KAT, presented Mr. Howe, AGR, with a 9lb. 2 oz. boy. Congratulations!

New active department: SPD's entertained at a banquet in the Graver Hotel for new actives Bill Clark and Don Jacobson.

Gene Leuppe is a newly initiated SAE and Chick Cornforth, although there seemed to be some doubt about it last week, is now an active Sig. New Theta Chi actives include Dick Setter, Jack McLarnen, Harry Larson, Dick Welk, Mike Orban, Polard Sauvageau, and Bob Fisher.

Another member of Theta Chi made news last week. This one seems to be a very popular fellow around the campus. He has an agreeable disposition, a charming personality, and is extremely good looking. Relax girls, I'm talking about the Theta Chi dog who last week gained the name of Sparky.

I guess no one sent in an appropriate name for the little guy during the contest, so they just named him themselves. But I still wonder what happened to that ten bucks! And with all the attention Sparky receives, I wonder who started that "dog's life" stuff! So long. See you at the game. Have fun and here's hoping we do better with So. Dak U than we did last year. Remember 60 in 50?

Little Man On Campus

by Bibler

"That's Burwell's chair, Wortal. We seated you alphabetically, remember?"

Let's All Cast Ballots Monday For Queen

An all-campus election will be held next Monday, October 15th to select a homecoming queen to reign during the homecoming weekend starting October 26. Elsewhere in this issue you will find an announcement by the Student Commission which will tell you where the ballot boxes are located and the voting procedure to be followed.

Of the original eight girls on the slate, four were selected by the football team to be placed on the ballot. It remains for every student to cast a vote and thereby select a queen who will be truly representing the whole student body.

Let's not permit minority groups to run this election. They have done so in the past. Last year only 300 or more students cast ballots out of a total student body of over 2,000. This means that with 5 candidates, a minority group having only 60 members was able to swing the election and elect the girl it wanted whether or not the candidate was approved by the student body as a whole. Our homecoming queen should be the choice of the student body and not the favorite of a clique of peanut-politicians.

It is quite easy to put a stop to this political log-rolling. If every one of you students would make it a special effort on your part to vote and select a candidate of your choice rather than the choice of some minority group that is trying to railroad their own candidate in as queen, you will then have the satisfaction of knowing that the queen is truly the queen-elect of the school.

Since this election is coming up with very little publicity or pre-election activity in the form of campaigning, it will be very easy for some minority group such as a fraternity house to swing the election the way it wishes unless every one casts a ballot.

So let's all go to the polls and show the girls who have been selected that we are all for them. There would not be much honor connected with being homecoming queen if she garnered only 50-100 votes out of a possible 2,000.

Non-Voters Beware Of Kangaroo Court

Here is a chance for the "Kangaroo Court" to do its duty. Every Freshman who does not vote or who cannot prove that he has voted by showing his stamped activity ticket, should be taken by upper classmen to the court where he will be tried, condemned, humiliated and fined before the entire student body.

In fact, it might be well if every person who did not cast a ballot were subjected to the indignities of the Court. The Kangaroo Court, which was set up by the Lettermen's club should strictly enforce its rulings and it should be the duty of every other organization on campus to see to it that there are no backsliders that get by without the punishment that hey meri.

Another function of the Kangaroo Court which should be rigidly supported by all other groups on campus is to see that all Freshmen wear their "beanies". The "beanie" is the symbol of all the freshman virtues of "greenness", "ignorance", "immaturity" and so on. It is a part of school tradition, all over the country that dates back to the founding of our first universities. This tradition should not be allowed to die an ignoble death on the praries of North Dakota.

Aside from its traditional connotations, the "beanie" is a means of identifying freshmen students. Thus the other students on campus will have a means of knowing who the freshman students are and will be able to contact them much more readily.

Now take a word of advice all you freshmen. Wear those 'beanies'! We have often thought how amusing it would be to see about 20-30 freshmen rolling peanuts on the ground from the library to the prexy's house with their noses!

At Ohio State University it does not pay to cheat. Minimum punishment is failure of the course and added five hours on requirements for graduation.

Recent comment from the University of Texas professor: "The trouble with a fellow who thinks he can read women like a book is that he's always forgetting his place."

Squirrel Squeaks . . .

Quartette Sees Arvold; Ducks Get Boyfriends

By Ken Ketchner

The Boyer-Moorehead-Laughton-Hardwicke Drama Quartette raised considerable comment on this campus and around Fargo last week and every bit of it amounted to praise of the highest caliber. Not only did the personalities receive their just applause, but also their was much conversation about the play, "Don Juan" and about the great author George Bernard Shaw.

The four stars, incidentally stopped in at 1110 Broadway after the performance to visit with a man that hasn't missed many productions of this sort for the past two decades; Mr. A. G. Arvold. Arvold, who is chairman of the speech department, has been laid up with ill health for the past several weeks and heard the show by special wire.

★ ★ ★

From Oct. 5th, until Nov. 18, there will probably be quite a few weekends without boyfriends for some of our lovely coeds. Yes, hunting season has started. But as far as that goes, some of the men could just as well stay home, take Charlie Davenport for instance. He spent last weekend down around Jamestown (no! hunting!), he spent all of last summer living there) trying his one good eye on the mallards. He claims he got his limit. . . . Charles—the limit is five ducks, not eight boxes of shells!

★ ★ ★

Maybe you can't please everyone, but Monday's street dance was a high success from most angles. . . in fact a number of people were suggesting having a mud dance come two or three weeks. . . . The place: the parking lot. . . . Clark Ewen arrived at Old Main at 7:00 and stood talking to himself until 9:30 trying to get nerve enough to ask a "queen" to dance. . . "Ox" Oseicki should of helped him out a little.

★ ★ ★

One man seemed to be having more trouble than "Little Orphan Annie" last week. "Sam Ketchum", "Ace Detective" has a fresh approach him last week with these words, "Officer, you're going to have to do something, someone has been putting slips of paper on my windshield every morning ever since school started."

★ ★ ★

Fargo's First Annual Fall Festival has been under way all week and the finale finds NDAC playing a big part. This afternoon's parade is the opener for "Bison Day", and the main attraction is of course, the SDU-NDAC football game. All that would be needed to make the week a success would be the Bison winning tonight's football game, and myself winning the new Dodge downtown tomorrow!

★ ★ ★

Student of the Week . . .

Robert D. Schnell. With homecoming but two short weeks off, the Student Commission, headed by prexy, Bob Schnell, has the ball rolling for one of the biggest ever. With floats, house decorations, the parade, the dance and one-hundred other items to think about, Schnell and the Student Commission are kept quite busy. In addition to his duties on the Commission, Bob spends some of his spare time traveling with the NDAC Judging team, Blue Key, Alpha Zeta, Vice-President of Alpha Gamma Rho, and the manership of the 1952 Little International is also down on his slate. Students like Bob Schnell, help keep this school on top.

ON THE SUNNY SIDE?

It seems to me as though its a sad state of affairs when officials of a contest are not impartial. I know it sounds kind of lousy to say, but believe it or not that's just what happened last Friday at Sioux City.

Every time the Bison drove into Maroon territory a penalty of some sort was inflicted upon them. At one stage of the game the Herd was penalized 30 yards.

All told the Bison picked up about 200 yards in penalties. That's an awful lot of yardage to lose. Twice the length of a football field to be more specific.

Latest reports say two of the three officials were alums of Morningside. They still must have a lot of school spirit to throw the Herd for such big losses.

I don't know who the head of the loop is, but I think he should be told about this incident and deal with these so called referees.

The people sitting in the stands, partial to Morningside, felt the Bison had been robbed. As a matter of fact police had to escort the officials (and I use the term loosely) from the field lest they be mobbed by the irate fans.

The boys from Morningside, however did play good clean football and were sportsmen all the way.

AROUND THE STABLE

Heard from Upstate Normal's scandal sheet, that they want to know if we're still in the conference. After what Iowa teachers did to them, they better get out of the conference. (49-6).

Finally found out what happened to Ace's noggin. Rumors have it that Ace got smacked with a wrench, but I found out he's been carrying his crib to class that way. I must say very novel.

I wish the two mice who have been carrying on a romance via the Spectrum would quit using my typewriter. Or the least they could do is clean it off after they're through.

During the ISTC game, 'Squirrel Ketchner' was standing next to the first down sticks. With that key chain hanging out of his pocket, several ball players got confused over which one was the 10 yard marker.

Basketball mentor, (love that word mentor) Chuck Bentson, almost lost a bucketeer when Art (right end) Bunker landed on his head during an intramural football game. Lucky he landed on his head or he might have hurt himself.

Around The League

Pete Retzlaff, South Dakota's blockbusting fullback leads the conference in ground gaining and scoring. Retzlaff is from Ellendale, North Dakota.

Latest statistics show Chuck Gronberg, States out standing soph end, to be the leading pass snatcher in the league.

Frank Espisito is one of the top passers in the loop, and his performance against Morningside should place him first in this department.

South Dakota U's hopes for a

strong offense were dimmed by a shoulder separation to fullback Al Schell. The injury was so severe that an operation was necessary to wire the bone together. He will be lost for the remainder of the season.

NDU faces South Dakota State in its annual Homecoming game tomorrow afternoon. Latest reports say there is an air of optimism in the Sioux camp. Comment: Heap big smoke, but no fire.

October 27, is Hobo Day at South Dakota State. SDS engages SDU on that date.

ISTC got a look at an all-American last Saturday when they lost to Drake 39-6. Johnny Bright is his name; the all time offensive ground gainer in college football. Bright has now gained more than three miles in his college career.

MORE NOISE!

I think there'll be a big crowd out at Dacotah Field tonight to see the Bison tangle with the Coyotes.

Now that we're going to be out there in full force we should be able to make a lot of noise. Let's all get together with Mike Herbst, Marilyn Ball, Connie Hogan, and Dick Thompson, our cheerleaders and really show those South Dakota boys what school spirit is.

Bernie Krueger, Bison backfield coach thinks he's pretty good because he won a dollar from me last week on the Wisconsin-Illinois game. Wait till he tries to collect.

JOKE OF THE WEEK

Erv Kaiser is going to give Bob Fisher an 'A' in anatomy.

BASKETBALL NEWS

Don Fougner has been making horrible faces in the mirror lately. When asked what the deal was, Don replied, "I'm going to scare 'em to death this year."

Gerry Geisler, the Detroit Express, calls Ace, Cyrano de Bergerac.

Jim O'Connor looks as though he's gained a little weight over the summer. He now tips the scales at 98 pounds. (Soaking wet yet.)

NCC STANDINGS	W	L	T	Pct.
South Dakota State	3	0	0	1.000
South Dakota U	1	0	0	1.000
North Dakota U	1	1	0	.500

FESTIVITIES

Today is Bison day and tomorrow is NDAC day. Lots of festivities are in store for the people of Fargo these two days.

Parades, bands, and a football game with a dance following are on the calendar.

The parade will be held today at 2:30 P. M. down Broadway. Almost every organization on the campus will be represented.

Tomorrow, NDAC Day, is honoring the college. These two days of fun are being sponsored by the merchants of Fargo, as part of the Fall Festival.

See you at the parade.

Maroons Snap Jinx Beating Herd 18-6

The NDAC Bison suffered their second conference loss of the season last Friday, at the hands of the Morningside Maroons, 18-6.

Moving downfield for a touchdown in the first seven minutes of play, the Maroons took an early lead they never relinquished. The Herd scored their only tally in the final stages of the game.

The Maroons got their first break of the contest on the second play after kickoff. Ben Noland carried the ball 29 yards into Morningside territory, but the play was nullified by a clipping penalty.

A bad punt, which carried only 14 yards, gave the Maroons possession on their own 47.

Weikert, Levitto, and Cowan lugged the ball to the Bison 1 from where Weikert squirted over for the TD.

Late in the opening period, Buckellew punted Morningside back to its own 8, and after drawing a return punt, the Herd pushed relentlessly goalward.

The drive carried to the Maroons 9 yard line before a holding penalty stopped the Bison. Midway in the second period, Phillips scored for Morningside to cap a 70 yard thrust. The Bison trailed at the half, 12-0.

On the last play of the third quarter, Cowan intercepted one of Espisito's passes and returned it seven yards to State's 39. On the next play, Cowan pegged to Wagner in the end zone for the Maroon third tally.

Four minutes later, a 14 yard sprint by Benny Noland, following an Espisito to Gronberg pass gave the Bison their lone score.

State tried twice more to get points, with Espisito passing for five first downs in the last nine minutes. One bid was stopped by an interception, while the other was killed by penalties. The Bison drew penalties of 15, 15, 5, and 30 yards in six plays.

Score by quarters:
North Dak. State.....0 0 0 6 6
Morningside.....6 6 0 6 18

IM Elects Officers; League Start Games

At a meeting held in the field house last week, officers for the 1951 intramural season were elected. Officers elected by representatives of mens organizations are; Wayne Walders, ATO, president, Clayton Hauge, AGR, vice president, and Curt Adamson, Kappa Psi, secretary.

The touch football league got underway last week with a four game schedule. First round results were:

Thea Chi 12—ATO 0

AGR 6—ATO 0

Sigma Chi 26—Kappa Sig 0

AF ROTC 12—Sigma Chi 6

Erv Kaiser has mimeographed schedules which may be obtained from him at the field house.

Bison To Meet Strong SDU Tonight

Drake Downs ISTC

By Tiny Naaden
The Iowa State Teachers College football team was handed a 39-6 defeat at the hands of Drake University last Saturday. The game was played on a muddy field before 800 fans.

A steady rain which fell throughout the contest turned the gridiron into a treacherous sea of mud, but failed to hamper halfback Johnny Bright. Bright slashed and passed for a total of 261 yards in his brief appearances; 1 yard more than the entire Tutor offense could muster. Drake scored four times during the first two quarters to lead at the half, 27-0.

On the second play of the third period, Bright drove across from the Teachers' 5. The final Drake tally was scored by fullback Gene Macomber, climaxing a 64 yard drive.

The lone ISTC touchdown was scored in the fourth quarter after Drake fumbled on its eleven. Leland Crew, most impressive Tutor back, cracked over from the five.

SDU Blasts Augies

High stepping Spence Brende personally accounted for 24 points as the SDU Coyotes crushed Augustana 54-7 in a North Central Conference tussle.

Brende, who played an outstanding game, passed for one and ran for three touchdowns. He also came through with six out of eight conversion attempts.

The defeat was Augustana's second against one win in conference play. It was the Coyotes first win.

Two of Brende's TD's were on runs of 51 and 41 yards.

Two time all-conference end Harvey Hanson, pictured above, is again one of the standouts in the University of South Dakota lineup. Operating at both offense and defense, Hanson plays most of every game.

Coyotes Invade Dacotah Field at 8; Wenskunas Sees Possible Upset

NDAC	Probable Starting Lineup	SDU
Chuck Gronberg	LE	Don Schwartz
Bob Lauf	LT	Gene Becker
Bob Nenninger	LG	George Isaak
Ray Paxton	C	Dick Day
Marty Kraningerr	RG	Bob Otto
Paul Werner	RT	Bob Jennings
Chuck Thurm	RE	Harvey Hanson
Frank Espisito	QB	Ralph Polenz
Benny Noland	LH	Burdell Coplan
Jack Werlein	RH	Phil Treick
Bill Buckellew	FB	George Puetz

By Bob Fisher
South Dakota University's Coyotes arrive at Dacotah Field tonight at 8:00 o'clock to provide the opposition for our Bison in the third home game of the season.

Head football coach Harry Gamage, now in his 13th year at SDU, brings his charges to the NDAC campus with a season record of two

fullbacks are out with injuries. Hanson, an all league end the past two seasons has again been a standout in early games.

Last season SDU beat the Herd in a wild contest at Vermillion 31-7.

The Bison, out to avenge the licking they took last year, came out of the Morningside game in good shape. Outside of the usual bumps and bruises there have been no serious injuries reported.

Coaches Wenskunas and Krueger were proud of the Bison as they went down to defeat last week. The team was in there fighting all the way and the game was a lot closer than the score indicated.

Mac will probably stick with his starting lineup of Thurn and Gronberg at ends. Werner and Lauf will be at the tackles. The guards will be Nenninger and Kraninger, with Paxton at the pivot.

In the backfield will be Espisito at quarterback, Noland at left half, with Werlein at right. Fullback will be capably handled by Buckellew.

In addition, Curtis, Davis, and McLeod will probably see a lot of defense. Morris, Beurger, Garastick, Beckwith, and Erickson are slated to see duty in the line.

South Dakota has generally run from a single or double wing attack, but has switched to a T this year. This may prove to be a handicap to the Coyotes, as this is their first year at such an offense.

The Bison on the other hand have just started to get their offense rolling. Nothing need be said about the Bison defense, as they possess one of the best defensive averages in the league.

GUESS BOX
SDU over NDS (6)
Morningside over Augustana (7)
SDS over NDU (13)

wins and one defeat. The Coyotes have an unblemished record of 1-0 in loop play.

Coach Gamage has 19 letter-wearers back from his 1950 squad which won three and lost three in conference competition. In addition, several freshmen are fighting for positions.

Returning lettermen are; Gerry Ashmore, Gene Becker, Spence Brende, Duane Brunick, Ross Conklin, Burdell Coplan, Dick Day, Mark Eixenberger, Dave Graham, Harvey Hanson, Mike Hooker, George Isaak, Bob Jennings, Mob McDon-Schell and Eixenberger, both ough, Glen Nelson, Maurice Rawlings, Allan Schell, Don Schwartz, and Chuck Stetson.

No September pay checks will be issued to teachers or administrative officials at the University of Texas, until everyone has signed the anti-subversive pledge. The pledge cites the Communist party as a subversive organization. Thus far there have been no refusals.

Kremlin Broadcasts Attacks Radio Asia

The Kremlin dominated Radio Budapest, in a broadcast monitored in Europe on September 25, quoted the leading Hungarian newspaper, Szabad Nep, as stating that: "Radio Free Asia is a misleading propaganda maneuver which cannot deceive the free peoples of the immense territories of the Soviet Union in Asia, and the Chinese, Korean and Mongolian peoples' republics".

According to George H. Greene, Jr., President of the Committee for a Free Asia, of which Radio Free Asia is the broadcasting branch, the communist attack came exactly 21 days after the start of broadcasting from San Francisco.

Programs of factual news and commentary are broadcast by Radio Free Asia six days a week, via short wave from San Francisco. The first broadcast to the Far East was on September 4, opening day of the Japanese peace treaty conference.

"This violent attack, coming only 21 days after the start of our broadcast effort, Greene declared, "indicates clearly the Soviet fear of truth breaking through the Iron Curtain to the people of the Far East.

"The greatest compliment that could be paid to Radio Free Asia and to the people of the free world," Greene added, "is this quick and vicious attack by the communists."

The bitter French language broadcast, originating in Budapest, called the privately sponsored new radio programs "an attempt of American imperialists to play airs on a flute to the peoples of Asia about American friendship, freedom and the American way of life."

John W. Elwood, Director of Radio Free Asia, welcomed the attack as "direct evidence of the effectiveness of broadcasting truth to people behind the Iron Curtain of communism.

"Radio Free Asia broadcasts, since their start," Elwood declared, "have refrained from any effort to sell the American way of life and have, instead, concentrated on giving the people of China programs of truthful news about world events in which they are interested".

Church Groups Will Hear Talks Sunday; Recreation, Suppers Follow Programs

"The Christian Stand against Dancing", will be the topic of Dr. Stanford Studor when he speaks at the Westminster Fellowship meeting next Sunday at the Presbyterian church. Supper will be served before the program at 6:30.

Phyllis Ransy, Ann Ensrud, Jean Goodwin, and Jo Anne Samson are in charge of the program. Westminster Fellowship holds coffee hour every Tuesday at 4:00 in the fireside room of the College Y.

Rev. Richard Evenson of Trinity Lutheran Church will speak on "Is America Pagan?" next Sunday at the LSA meeting. The program will follow the supper at 5:30 at the LSA center.

LSA holds open house at the center every Friday evening at

8:00. Vespers are held at 9:30. A Bible-study breakfast is on the agenda for next Sunday.

Dr. George Finlay, Professor of Philosophy at Wesley College in Grand Forks, will speak on "What Are Values" at the Oct. 14 meeting of the Wesley Foundation.

Supper and a fellowship period will immediately precede Dr. Finlay's discussion.

A talk by Father Walsz about his experiences among the Mexicans will highlight the Newman club party next Sunday. The party will be held at the Newman house at 7:30. Games, mixers, and dancing will be included in the program.

ASME Group Meets

The ASME, Student Branch, held their first meeting for 1951-52 on September 25. The officers for the coming school year were as follows: President, Lyle Hermanson; Vice-President, Otto Torkelson; Treasurer, BiBrger Anderson; Secretary, Carl Malmquist.

This organization is open to all students enrolled in Mechanical Engineering. All those wishing to join should see Mr. Anderson or come to the next meeting which will be announced in the Spectrum.

Ag Econ Seminar Set

Importance of Wheat Industry in Nation's Economy will be the topic of Dr. Roy Harris, Dept. of Cereal Technology, at Morrill Hall, room 215, on Oct. 18 at 4:00 P. M. Students and faculty members are invited.
