Hershey Lists Deferment Requirements For College Students; New Test Planned

Major General Lewis B. Hershey, director of Selective Service, recently reminded college students that applications for the May 21 Selective Service College Qualification Test must be submitted to the Educational Testing Service, Princeton, New Jersey, not later than midnight May 11.

The May 21 test is primarily for students prevented by illness or other emergencies from taking the test April 23, but this does not bar any qualified student from taking the test if his application is mailed before the deadline.

Hershey stressed that students who have a certificate of admission for the April 23 test which they failed to use on the assigned date must submit new applications if they wish to take the May 21 test. The old certificates will not admit a student to the May 21 test. This test will be the last test this school year.

Students may obtain a new application from any Selective Service local board. To be eligible to

Spectrum-Bison Staff Petitions Due May 7

Students interested in the position of editor and business-manager of the Bison and the Spectrum for the coming year are asked to leave application for positions by Thursday, May 7, in the Dean of Students office.

Selection of next year's staffs will be made on Friday, May 8 at 4 p. m. at the regular meeting of the Board of Publications. Those applying may be asked to appear at that time to present future plans.

take the Selective Service College test an applicant (1) must be a Selective Service registrant who intends to request deferment as a student; (2) must be satisfactorily pursuing a full-time college course, undergraduate or graduate, leading to a degree; (3) must not previously have taken the test.

The criteria for consideration for deferment as a student at the present time are either a score of 70 or better on the Selective Service College Qualification test or class standing among the male members in the upper half of the freshman class, upper two thirds of the sophomore class, or upper three-fourths of the junior class.

Seniors accepted for admission to a graduate school satisfy the criteria if they are among the upper half of the male members of their senior class or if they make a score of 75 or better.

These criteria are guides for the local boards. The local boards are not under compulsion to follow them, but any local board classification is subject to appeal. The appeal must be filed in writing with the local board within ten days of the date the local board mails the notice of I-A classification.

Sevrinson At Meeting

Dean of Students Charles A. Sevrinson is attending a meeting of the National Association for Student Advisors in San Francisco this week. He left last Saturday, April 25 and will return May 7.

Dean Sevrinson is in charge of agenda arrangements for the meetings.

Griffin, Orchestra To Furnish Music At Prom, May 15

Ken Griffin and his orchestra from Chicago contracted to furnish the music at the NDAC Junior-Senior Prom, according to Richard Hill, Commissioner of Music and Public Programs.

This year the annual event has been scheduled for Friday, May 15, at the Field House. Sonia Swanke is in charge of ticket sales and Nickolas Westman has charge of publicity.

All proceeds of the prom will be given to charity.

Enrollment Increases 13% Over Last Spring

Spring term enrollment at NDAC is up 13 percent over enrollment for the same quarter last year, according to Merlin Miller, director of admissions and records. The current enrollment is 1600 as compared to 1393 during spring term last year.

The school of arts and science has the heaviest enrollment with 348 men and 89 women. Engineering is a close second with 420 men and one woman.

Enrollment in other schools includes agriculture, with 293 men and one woman; home economics, with 229 women; pharmacy, with 150 men and ten women; and chemistry with 54 men and five women.

The freshmen class is the largest with 479 students. Other classes follow with 381 sophomores, 322 juniors and 319 seniors.

Of the entire enrollment 274 are veterans, 167 from the Korean war.

Olson Selects Campus Government Officers

Six commissioners were appointed and assignments were made to the senate committees by the president of the Student government at the April 15 meeting of the Student Senate.

The commissioner appointments were: Commissioner of Military and Athletics—Charles Gronberg; Commissioner of Radio—Wesley Rae; Commissioner of Publications—Lawrence Sjaastad; Commissioner of Student Union—Richard Hansen; Commissioner of Campus Affairs—Thomas Radcliffe; Commissioner of Finance—Richard Wenberg.

Richard Hill had previously been appointed as Commissioner of Music and Public Programs. Each of the appointments was unanimously approved by the Student Senate.

Senate committee assignments were Board of Radio, David Parker, Nickolas Westman and Gary Hart; Board of Publications, Richard Hill, David Bartholemew and Dorothy Lund; Board of Military and Athletics, Richard Hansen, Barbara Widdifield and Michael Fogel;

Board of Campus Affairs, Kenneth Moxness, James Gross and Gary Gibbons.

Board of Directors of the Memorial Union Corporation, David Parker, Nickolas Westman, and Richard Froeschle; Board of Music and Public Relations, Wesley Rae, David Parker and Sonia Swanke; and Board of Finance, Nickolas Westman, Donald Ellingsberg, and Dorothy Lund.

The assignments of the members of the Senate to these boards or committees did not require approval of the Senate.

Each of the Boards, with the exception of the Memorial Union, consist of three members of the Student Senate, three members of the faculty selected by the president of the college and the commissioner.

Activities of the student commissioners include:

Charles Gronberg, Commissioner of Military and Athletic Affairs, belongs to Arnold Air society student Senate, Letterman's club, football team, American Society of Civil Engineers, chorus, Blue Key, and is president of Alpha Tau Omega.

Larry Sjaastad, Commissioner of Publications, is managing editor of the Spectrum and a member of the Board of Directors of the Coop House.

Wesley Rae, Commissioner of Radio, is a member of the Blue Key, Alpha Phi Omega, chorus, and is president of Edwin Booth Dramatic club, vice-president of Lutheran Student association, and Drama editor for the campus radio station.

Thomas Radcliff, Commissioner of Campus Affairs, belongs to the Lettermen's club, Student Senate, and Sigma Alpha Epsilon fraternity.

Richard Hansen, Commissioner of Memorial Union Corporation, is a member of Blue Key, Student Senate, and president of Sigma Phi Delta.

Richard Wenberg, Commissioner of Finance, belongs to Student Senate, Interfraternity Council, Rah-jah club, American Society of Agriculture Engineers, and is reporter for Kappa Sigma Chi fraternity.

Richard Hill, Commissioner of Music and Public Programs, is a member of Student Senate, Blue Key, Board of Publications, Gold Star band, Kappa Kappa Psi, and is treasurer for Alpha Phi Omega and Theta Chi fraternity, and business manager of the Spectrum.

International Relations Club Hears Thompson

Mr. Ray Thompson, North Dakota State Treasurer, will be guest speaker for a meeting of the International Relations club May 6, at 7:30 p. m. The meeting will be held in the College 'Y'.

Thompson will speak on "Tolerance in Present Day Politics" after which a discussion period will be open for questions from the audience.

LCT Schedules Play May 20-22: Walsh

"A Sleep Of Prisoners", a drama by Christopher Fry, is scheduled to be produced in the Little Country Theater, according to Dr. F. G. Walsh, chairman and professor of Speech and Dramatic Art at NDAC.

The cast has been chosen and includes Marlowe Jensen, Wesley Rae, Dunn Barr Sands, and Scott Pederson. The play is scheduled for Wednesday, Thursday, and Friday; May 20, 21, and 22.

Dr. Walsh is to be the director while students from the Speech 110 Class are assisting with the technical work. The play was written by Fry for the Festival of Britain and is supposed to be one of Fry's most mature plays.

APO Elects North Head; Noack, Veep

At a recent election Alpha Phi Omega, national service fraternity, elected Lawrence North as president. Other officers were John Noack, vice-president; Robert Hunkke, secretary; Ardean Rysted, treasurer; James Cherrich, alumni secretary; and Warren Schiebold and Myron Kjos, historians.

Alpha Phi Omega sponsors many events during the school year. Some of them are trimming the christmas tree, Ugliest Man contest, Snow Sculpturing contest, and the Spring Sing. APO also assists in such events as freshman orientation, the March of Dimes drive, the WSSF drive and faculty basketball game, and convocation ushering.

Students Get Holiday

Tomorrow, May 1, will be a student holiday according to an announcement made by the Student Senate. The holiday comes as a reward for not breaking up classes during the week-end of the NDAC-NDU basketball series at Fargo.

Final Bison Brevities Performance Tonight

Tonight the curtain will be raised on the final performance of the 1953 "Bison Brevities". The Brevities consist of six production acts and four curtain numbers sponsored by the fraternities and sororities. Following tonight's performance trophies will be awarded to the winning acts in both divisions.

The Brevities are opened by the Phi Mu-Kappa Psi production, "Carnival Capers", a gay musical featuring songs such as "Come to the Fair" and "It's a Grand Night For Singing". A light festive mood prevails throughout the production.

The first of the curtain acts is the Alpha Gamma Delta-Theta Chi presentation of "Miss Logan". This act tells of the misfortunes of a youngster in love with his teacher.

A sudden change of pace is offered by the Sigma Alpha Epsilon production of "Rain". The act offers several songs including "April Showers", "Stormy Weather" and "Rain" along with a Charleston dance routine. The mood changes with the weather, but it ends on a very pleasant note!

A cross country tour and the prettiest wheels ever seen on a locomotive high-light the Gamma Phi Beta five minute act, "This is my Country." The Kappa Delta-Alpha Gamma Rho production act takes us back to the days "When We Were A Couple of Kids". It offers the "Little Red School House" complete with teacher's pet and three truants.

After the intermission the scene is changed to New York's Bowery for another pleasant meeting with "Frankie and Johnny". This curtain act is presented by Kappa Delta and Alpha Gamma Rho.

The gentle rythmn of "My Foolish Heart" leads to the Gamma Phi Beta-Sigma Chi "Masquerade". This production act consists of several dance routines and a delightfully comic rendition of "I Wish I Could Shimmy Like My Sister Kate".

In the next curtain act Kappa Kappa Gamma and Alpha Tau Omega demonstrate several pleasant activities with the admonition that "You don't Learn That in School".

"Arabian Daze", presented by Alpha Gamma Delta and Theta Chi is the final act of the show. This production offers numerous Harem activities that one not only appreciates, but would like to get in on!

If you haven't seen the Brevities, don't miss them. This evening South Pacific and Oklahoma stand aside and take a bow to the "Bison Brevities of 1953!"

Thetas Initiate Four Get Classic Honors

The scoop for this short week is extremely meager but there are a few things which deserve mention and just can't wait till next week. **NEW THETAS**

. . . as of last Sunday are Harriet Preuss, Eunice Anderson, Shirley Isgrig and Jane Brunsdale.

. . . a new Theta pledge of last Tuesday is Loretta Bye of Oakes. Several of the Thetas received awards last Sunday at the Initiation and Founders Day banquet. Edith Hawkins received the scholarship award for the second consecutive year, Shirley Isgrig received the award for raising her average the most, and Mary Hagen received the pledge scholarship award. Alyce Mitchell won the award for the most outstanding senior in Theta.

AN ATO PIN

. . . changed hands last week when Lois Fitzloff received the pin of Dick Brown.

PARTY DEPARTMENT

. . . the Gamma Phis will hold their term party at the KC Hall tomorrow night.

. . . the Thetas had Coffee Hour yesterday and entertained the TKEs from the University of N. D. who came down from said place to see the Brevities.

. . . and last but not least, let me give a word of advice. We've had pretty lousey luck thus far after school parties. Use your head and don't be foolish after the party tonight. We want everyone present and accounted for on Monday.

Library Displays Most Notable Books Of Year

The American Library association each year publishes a list of the most notable books for the present year. The college library now has a display of these books.

Some of these books include "The Holy Bible, Revised Standard edition", which is a revision of the King James version in the language of our time; "South of Freedom" by C. T. Rowan, a personal report of a Negro journalist who returned to the south to investigate the segregation problems; and "The Big Change" by Frederick L. Allen, a perceptive appraisal of the social and economic changes that have occurred in the United States during the past half century.

Also on the list of recommended books is "Diary of a Young Girl" by Anne Frank. This book of Anne Frank's record of growing up with her family in hiding from the Nazis is a moving one of adolescence and war.

Moran Inspects Phi U; Followed By Initiation

Mrs. Edna Moran, District 5 Counselor of Phi Upsilon Omicron alumnae chapter Friday, May 1, and the active chapter Saturday, May 2.

Friday the alumnae are entertaining the senior Phi U's at a desert meeting to be held at the Gamma Phi Beta house, followed by initiation into the alumnae chapter. A May Day theme will be used according to Miss Mildred Hawkins, chairman of the refreshment committee.

Study Helps Course Helps Raise Honor Points; Some Averages Up 1.33 Points

Study Helps, a course designed to assist in the improvement of study habits has been in operation the past fall and winter terms. The program is voluntary on the part

of the students since no credit is given for the course.

During the fall quarter 18 students enrolled in the course and only two of the eighteen appeared on probation at the end of the term. The overall average of the group was 2.27. At the end of the winter term the group average was 2.24.

In the groups themselves about half increased their honor point ratio whereas about half decreased their honor point ratio. At the end of the winter term there were again two people falling below their academic requirements.

Of the ten regular students in help sessions during the winter months, seven were on probation. The average of the group to begin with was 1.37 while at the end of the term the average had raised to 1.84.

Of the students that enrolled in the help sessions, the group's scholastic increase was .47 whereas the average of the students that enrolled but failed to attend the help classes raised .03.

One of the most significant individual improvements of the winter terms pupils was a fall quarter average of .14 to 1.47 after winter term. An increase of 1.33. Also one student jumped from 1.20 to 2.39 after winter quarter.

One person who transferred to the NDAC acquired an average of 2.79 after his first term here.

SAE's Pick Janice

Janice Hamilton was crowned the new "Dreamline Girl" for NDAC's chapter of Sigma Alpha Epsilon at their term party last Friday, April 24, in the Frederick Martin Hotel.

Miss Hamilton, a member of Gamma Phi Beta sorority, was toasted with the traditional song, given a dozen roses and a SAE sweetheart pin.

Erickson Awarded Sparks Fellowship

According to A. W. Anderson, chairman of the mechanical engineering department, Theodore Erickson, senior in mechanical engineering, has been awarded the Sparks Memorial Fellowship. The fellowship is sponsored by Phi Kappa Phi.

The Sparks Memorial Fellowship is a national award which enables the winner to attend any college or university in the United States to get his master's degree. Erickson will attend the California Institute of Technology at Pasadena, California.

Two years ago Erickson's brother John won this same award.

Sears Scholarships Open To Graduates

Two \$200.00 scholarships are available to graduating high school seniors who will be enrolling in the school of Home Economics for 1953-54. Candidates will be chosen from graduating high school seniors and qualifications will be based on scholarship, leadership, character, interest in Home Economics, financial need and promise of success in their chosen field.

The scholarships were established to assist in making a college education possible for capable young women who do not have the financial means to attend college.

SAI Elects Officers

Newly elected officers of Sigma Alpha Iota, professional music fraternity for women, are Sonja Blegen, president; Arline Tiegen, vice-president; Carole Kirkus, secretary; Jacoyln Brekken, treasurer; Barbara Crank, chaplain; and Margery Johnston, sergeant-at-arms.

Voorhees Lectures On New Heating Methods

Recently a group of 50 engineers were given a lecture on the modern methods of residential warm-air heating by Guy Voorhees, technical secretary of the Nation Warm-Air Heating association.

Voorhees also spoke of the need of trained engineers in this field. He emphasized the fact that most of the men in this type of business today are not college graduates and many of those who are, lack the field training which is essential to engineers in research, sales and design.

Health Center Gives Free Tetanus Shot

Dr. A. C. Fortney, chief of the NDAC health service has announced that free immunization against tetanus, or lock-jaw, may be obtained by all students through the Student Health Center.

Dr. Fortney, in stressing the importance of immunization, points out that each year tetanus causes many deaths as the result of body wounds such as lacerations or puncture wounds through which the tetanus organisms enter the body.

The new "wonder drugs" are very little help in treating the disease, he comments, while immunization using tetanus toxoid gives practically one hundred percent immunity. The injections three to four weeks apart are required, followed after one year, by a booster injection.

In case of injury, the only treatment necessary for an immunized person is another booster shot. Any number of these booster shots may be taken without danger to the individual.

WILL THIS SUIT FIT YOU?

If you can make the grade, you can fly the latest, hottest, fanciest jobs in the air—and do it within one year.

IT TAKES a good, tough, serious guy to wear the gear of an Aviation Cadet. But if you can measure up, here's your chance to get the finest in aviation training—training that equips you to fly the most modern airplanes in the world and prepares you for responsible executive positions, both in military and commercial aviation.

It won't be easy! Training discipline for Aviation Cadets is rigid. You'll work hard, study hard, play hard—especially for the first few weeks. But when it's over, you'll be a pro—with a career ahead of you that will take you as far as you want to go. You graduate as a 2nd Lieutenant in the Air Force, with pay of \$5,300.00 a year. And this is only the

beginning—your opportunities for advancement are unlimited.

ARE YOU ELIGIBLE? To qualify as an Aviation Cadet, you must have completed at least two years of college. This is a minimum requirement—it's best if you stay in school and graduate! In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

YOU CAN CHOOSE BETWEEN PILOT OR AIRCRAFT OBSERVER If you choose to be an Aircraft Observer, your training will be in Navigation, Bombardment, Radar Operation or Aircraft Performance Engineering.

New Aviation Cadet Training Classes Begin Every Few Weeks!

HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination at government expense.

3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

Where to get more details:

Visit your nearest Air Force Base or Air Force Recruiting Officer. Or write to: Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.

Stateside by Ol' Ambrose . . . Siouxers Make-Off With Nickel Trophy

If it were permissible to use foul language in this tabloid, this entire column would be devoted to cussing up the group of fatheads from Grand Forx for their dastardly deed of last Friday.

These broken down athletes couldn't keep the famous Nickel Trophy by winning the football game last fall so they swiped it out of its case in the Field House after the track meet which was held here last week.

There was, last year, a put-up plot to steal the trophy and naturally students from Old State were accused of the theft. However, the entire deal was a farce in connection with the University Series.

This time it is a little different. The trophy is really gone and what good it will do these bandits is unknown. Maybe they want to impress their girlies. Maybe it gives them a feeling of false heroism and puts them in the "big wheel" category.

These guys proved that they were real professionals at the job by the way they mutilated the new case for the Nickel. Graceful like a bunch of oxen.

Well, the word has gotten around and it looks like the challenge has been accepted. Best the children lock up anything movable with a truck, this includes the Riveria and all girl's dorms, and be prepared for an impromptu call anytime from now on.

Lettermen Initiate

The NDAC Lettermen's Club has announced their informal initiation, April 14 and the formal initiation and banquet April 15. New initiates of the club are Dale Wallentine, Robert Bielfeldt, Frank Shortt, John Stowa, Lyle Fugelberg, Robert Nolan, Delorin Schluchter, Duane Erickson, John Nagel, Glenn Hill, and John McDermott.

The lettermen's club is an organization open only to those men who have won a letter for sports activities. Membership is contingent upon keeping marks up and staying eligible for sports.

Activities include the backing of all athletic functions of the school, Bison Day, and the yearly beanie sale to incoming freshmen each fall.

LAST WEEKS TRACK MEET

The entire Bison squad deserves a hearty pat on the back for their win in the meet . . . Gerry Goetz pulled a ligament in his leg at the start of the 440 yard dash but still finished the race 10 yards of the nearest runner. The injury prevented the Herd from picking up a few more points in the half mile.

Notice the different big Bob Kubas made. His first place job in the shot put put the Bison ahead to stay. Don't say they couldn't have won the meet up at the Forx the week before if Bob had been participating. Incidentally, the Dickinson weight man wasn't suffering from a bad foot. School work kept him from competition.

It is the privilege of the host team to set up the scoring arrangement for a meet and you should have seen the Siouxers moan and groan when they found that the scoring ran 5-3-1 instead of the way they were used to.

Dick Cortesi, Bison distance man, got out of bed to take part in the meet. A bad cold took its effect on the Chicago boy who was still able to finish third in the mile run.

★ ★ ★

There was a grand total of four earned runs out of the 18 scored in the two games. First game jitters for both teams.

Orville Gran, Dragon first baseman, was a toughie to get out. In the seven appearances he made in the two games, the big redhead got on base six times on four doubles, a single and a walk.

Bentson's crew again out hit the MSer's but some bad fielding and throwing errors hurt their cause.

Watch freshman Morrie Holm. He is the kid who pitched Halstad to the finals of the Minnesota high school state tournament by winning three games for the outfit during the tourney. They took the championship when Holm won his third game. Morris is a fair hitter for a pitcher as he picked up a pair of singles in two trips to the plate Monday.

Herd Downs NDU In Four-Way Meet AT NDAC Stadium

by Sam Lowe

The North Dakota State Bison opened their home track season by winning a quadrangular meet against North Dakota University, MSTC, and Concordia. The Bison took the team honors by picking up 46 points, NDU was a distant second with 36, MSTC had 16 and the Cobbers were only able to garnish nine counters.

State's Dale Wallentine was the high point man for the day as he scored 13 points in the Bison's favor. The speedy dash-man took first in the low hurdles and broad jump and second in the high hurdles to end with a total of 13 points.

The only other double winner of the day was Sioux Ron Thompson who took first in the 100 yard dash and the 220.

The Herd will make their next appearance next Saturday at Grand Forks when they take part in the Grand Forks Invitational meet.

MSTC Downs Bison In Doubleheader, 4-3, 6-5; As Errors Cause Downfall

MSTC's Dragons pulled off two inning rallies to sweep a pair of games from the Bison baseball team. Both games were won in the latter stages as the Herd's fielding fell apart.

FIRST GAME

The Bison outit the MS nine but committed five errors in the field to hand the Dragons the game on a silver platter. After taking a one run lead in the top of the first, the Herd watched the home team take a 3-1 lead in the bottom of the third.

A two run rally by the Bison in the top of the sixth put them back in the game but a pair of bad errors in the last half of the seventh gave the Dragons their one-run margin for the win.

The Herd moved to their first lead when Kenny Reitan walked, took second on a sacrifice, moved to third on a bad throw and scored on a fly ball to right. The lead quickly diminished when the Dragons pushed across three runs in their half of the third on 3 errors and two hits.

A two run spree by the Bison in the sixth knotted the scored 3-3 but a single by MSTC's Carl Hedstrom and an infield choice ball set the stage for their winning tally.

The Bison outit the Dragons 7-5 but were unable to turn them into runs. Dick Joos started the game against lefty Jack Wilcox. The Bison righthander was relieved by Bob Lauf in the fifth. Joos fanned 3 batsmen, Lauf 4, and Wilcox used his fast one to send 10 Bison down via the strikeout route.

SECOND GAME 6-5

Errors again told the story as the Bison fell to their second defeat of the afternoon. The Herd moved into a 3-0 lead in the first on a single by Reitan and a pair of

MS errors which included a four base error by centerfielder Bobby Thompson. The ball went over his head when he misjudged it and Bison centerfielder Berard Masse went all the way around the base-paths.

The game moved along fairly slowly with the Bison building up a 5-3 lead until the sixth when Dragon first-sacker Orv Gran hit out his fourth double of the day to push across the tying and winning runs.

Joe Hinziker, started the game for the Herd but had trouble with his control as he walked four in the three innings he pitched. Morrie Holm relieved him and finished the game.

Hugh Schoepoester went all the way for the Dragons, fanning five, and allowing eight Bison hits. The MSTC nine was again outit as they were only able to hit safely 6 times.
