Chappel Gets Trophy

Receiving his trophy for the "Ugliest Man on Campus Contest", is Clyde Chappel. Presenting the trophy is Alpha Phi Omega president, Lawrence North.

"Ugly Man" contest is sponsored annually by Alpha Phi Omega with funds going to charity. This year APO sent \$80 to help crippled children.

Chappels' trophy, which had been delayed by mail, arrived last Monday.

YW Plan Big-Little Sister Campaign; Membership Open To Interested Girls

Plans are now being made for the annual big-little sister party to be held during the first week of fall quarter. Every girl interested in having a little sister will be able to do so by signing any of the lists in the dormitory or sorority houses. Sometime during the summer each

big sister will receive a letter giving the name and address of her little sister.

The big-little sister theme is carried out every year by the campus YWCA to give incoming freshman girls an opportunity to get acquainted with the campus, students, and the Y. The duties of the big sister are writing to her little sister during the summer telling her anything she might like to know about campus life.

During orientation week, the big sister usually likes to treat their little sisters to a coke and get acquainted. Another duty includes taking the little sister to the party during the first week. Other activities carry the theme through the year so a big sister's job is not through as soon as the party is over.

Faculty Gives Farewell Banquet Honoring Koel

The NDAC faculty gave a dinner in honor of Mr. and Mrs. J. P. Koel on Thursday evening, May 28. Mr. Koel is an instructor in the Mechanical Engineering department and has been a member of the faculty at NDAC since August, 1918. He is retiring June 30 of this year.

Mr. Koel originally came to NDAC to train soldiers in the art of horseshoeing, which was part of a student-army training program conducted at that time by the school of engineering. It was expected that cavalry units would be used extensively in World War I; however, motor transportation soon replaced the horse.

After the war Mr. Koel was retained by the college to work in the forge shop. About this time arc welding and acetylene welding came into quite common use, and Mr. Koel became an instructor.

Natural Resources Group Meet Here

June 28 through 30 the NDAC campus will be the scene of a conference for citizens and community leaders which will cover problems, programs and opportunities of natural resources.

The conference will meet in the college library with such activities as registration, general meetings, resource films, and roundtable discussions.

Norman Wengert, professor and chairman of the department of Social Science, is in charge of arrangements. Featured will be speakers from different departments on the campus and different cities in North Dakota.

Enrollment For Paints Course Nearly Filled

The third annual advanced paint course, to be held July 6-17, is nearing capacity enrollment. Registration to date includes Hannes B. Kristenson of Iceland; Howard Rocke, Victoria, British Columbia; H. Kredtser, Toronto, Ontario; and Alfonse Morghia, Juarez, Mexico.

Other states thus far represented are Indiana, Michigan, Arkansas, Minnesota, Pennsylvania, New York, Illinois, Missouri, Oklahoma, Kentucky, Ohio, New Jersey, and West Virginia.

'53 Bison Annual Available All Next Week In Library

The 1953 Bison annual will be distributed all next week in the library. Times that the annuals may be picked up are: Monday, 9-10 a.m., 11-2 a.m. and 2:30-3:30 p.m.; Tuesday, 9-12 a.m. and 12:30-3:30 p.m.; Wednesday, 9-10 a.m., 11-12 p.m. and 12:30-5 p.m.; Thursday, 9-12 a.m. and 12:30-5 p.m.; Friday, 9-10 a.m., 11-12 a.m. and 12:30-5 p.m.; and Saturday, 9-12 a.m.

Students who were in attendance fall term must present their winter and spring activity tickets in order to secure their yearbooks. Students not in attendance during the entire year must present the activity tickets for the terms they were in attendance and also pay two dollars for each term they were not here. The two dollars fee per quarter applies to all students.

Next week is the only time during which the Bison annual will be distributed.

Bovee Accepts Job At Houston College

Dr. Eugene C. Bovee, acting chairman of the department of biology and zoology at NDAC, has resigned to accept a position at the University of Houston, Texas.

Bovee will teach upper division and graduate courses in physiology, and supervise graduate work in the field, as assistant professor in the department of biology at the University.

Bovee will begin work in Houston the first of September, 1953.

Smorgasbord Honoring Walster Held At F-M

A smorgasbord honoring H. L. Walster, retiring dean of the NDAC school of agriculture, was held last Tuesday evening in the Frederick Martin Hotel. For the program following the banquet P. J. Olson, head of Agronomy at Winnipeg, spoke and a portrait of Dean Walster was presented to the school of agriculture.

Lambie, Krenz Win Agronomy Essay Contest; Enter National Competition

Rodger Lambie, Ag-Jr., and Darwin Krenz, Ag-So., were recently named first and second place winners in the local (NDAC) 1953 Student Section Essay Contest, sponsored by the American Society of Agronomy.

Lambie, as first place winner, will receive a local award, and the essays of both Lambie and Krenz will be entered in the national contest in competition for further prizes.

The first place winner in the national contest, which will be announced at the annual banquet of the society and will receive a gold

Graduation Set June 8; Baccalaureate June 7

NDAC's 1953 commencement exercises will be held June 8, in the NDAC Field House, marking the 59th graduation services of the College. Baccalaureate services will be Sunday June 7 at 3 p. m. in Festival hall. The Reverend Willard W. Strahl of the First Presbyterian Church, Fargo will deliver the baccalaureate sermon, "A Cure for Confusion." Both the invocation and benediction will be given by Rev. A. L. C. Keller of the American Lutheran Church.

Three hundred seventy bachelor of science degrees and 20 master of science degrees will be conferred during the commencement exercises beginning at 10 a. m. June 8 in the Field House. President F. S. Hultz and Mr. D. W. Westbee representing the Board of Higher Education will preside.

AGDs, Kappa Psis Win Spring Sing

Alpha Gamma Delta sorority and Kappa Psi fraternity took first places in the mens' and womens' divisions of the seventeenth annual Spring Sing held in Festival Hall last Tuesday.

Alpha Gamma Delta won their first place rating on their songs "O Mighty Land", and "Alpha Gamma Delta Girl". The director was Pat Ebeltoft.

Directed by Tom Monteith, the Kappa Psi entry swept to victory on the songs "My Buddy", and "Kappa Psi Sweetheart".

Kappa Delta, last year's women's champions, and Alpha Tau Omega took honorable mention in their respective divisions.

The Spring Sing is sponsored annually by the Alpha Phi Omega service fraternity, during spring quarter. This year's sing director was Carl Elofson.

Haggard Resigns; Plans Work On PhD Degree

Marko L. Haggard, NDAC assistant professor of social science has resigned his position, effective June 11, the conclusion of the present school term.

Haggard will leave Fargo in late September to complete work started at the University of Oregon, toward the Ph.D. degree.

Mrs. Haggard, assistant director of public relation, has also resigned from her job. She will finish work August 1.

Thordarson To Speak

Featured this week at the agricultural economics seminar will be T. W. Thordarson, director of the State department of Supervised Study.

The seminar will be held in Room 215 of Morrill hall at 4 p. m.

The seminar will be held in Room 215 of Morrill hall at 4 p. m.

The seminar will be held in Room 215 of Morrill hall at 4 p. m.

Dr. H. L. Walster, retiring dean of the NDAC school of agriculture and director of the experiment station will deliver the commencement address, "Out of This Earth." Dr. Walster will himself be honored by conferral of an honorary doctor of science degree from NDAC. President Hultz will present the degrees, with Dean of Students C. A. Severson and Director E. J. Haslerud of the Federal Extension Division assisting.

Three additional honors will be conferred as achievement awards for "outstanding success in their field of endeavor" are presented three NDAC alumni, Percy J. Donnelly, Grafton; Dr. Carl H. Hofstrand, Leeds, and Mrs. Jessamine Burgum, Arthur, North Dakota. Citations for these achievement awards, and for Dr. Walster, will be read by Leonard Sackett, associate professor of English.

President F. S. Hultz will present diplomas to graduating students assisted by the deans of the six schools of the College, Dr. H. L. Walster, agriculture; G. E. Giesecke, applied arts and sciences; R. E. Dunbar, chemistry; R. M. Dolve, engineering; Clara Cerveney, home economics; W. F. Sudro, pharmacy, and M. W. Miller, secretary of the faculty.

Reverend James E. McLain of the Plymouth Congregational Church will give invocation and benediction for the service; the NDAC Gold Star Band will play "March Processional" by Marcelli, and "Triumphal March" by Chiaffarelli, as the recessional.

Dr. Christian Jensen, chairman department of dairy husbandry, Dr. C. E. Miller, chairman of pharmaceutical chemistry, and H. Dean Stallings, College librarian will be commencement marshals. Dale Brostrom, assisted by members of Blue Key and Senior Staff, is in charge of seating.

The brass band directed by William Euren will play processional and recessional marches, "March Pontificale" by Gounod, and "Recessional March" by Finlayson. Ernst Van Vlissingen will direct the College Choir in "Adoramus Te Christe" by Palestrina; and "Eventide" by Heinrich Pfeil.

Following Baccalaureate, the annual President's reception for staff, graduates and their parents and friends, will be held in the NDAC Library Lounge.

Letters to the Editor . . .

Senate Explains Student Faculty Relations Group

Misunderstandings on the part of some members of the faculty and administration concerning the recently created committee on student-faculty relationships have recently been brought to our attention. Perhaps the misinterpretations of the recent action of the student government in creating this committee are to be expected. A recent issue of the Spectrum included the Student Senate motion creating this committee and a brief explanation of it, but casual or hurried reading of this information might stimulate erroneous impressions.

Some of the criticisms of the Student-Faculty Relations Committee are evidence of the misunderstandings that exist about it, since these misgivings could hardly be based upon a knowledge of the facts. It has been suggested that this committee is an attempt by students to take over the school, that it interferes with the traditional prerogatives of teachers and administrators, that it is an attempt to lower academic standards, and that it will generate ill feeling between students and faculty.

Actually, this committee is really a liaison group or medium of communication between pupil and pedagogue. Its function is not to pass judgment on the instruction of faculty members but rather to provide a vehicle for the transmission of constructive suggestions. The different backgrounds of the teacher and the student, the fact that students (correctly or incorrectly) often feel they endanger their academic standing through frank discussions with their preceptors, and the traditional hesitancy of students to discuss problems with their instructors makes it extremely difficult for even the most experienced among the faculty to determine the attitudes of their pupils. There are a number of indications of these stumbling blocks to understanding between students and faculty.

The fact that some teachers obviously are ignorant of the rampant cheating in their classes, the fact that oftentimes teachers are not aware of the attitudes students have toward their instruction, and the fact that some teachers do not know that copies of their tests are in the hands of students previous to the examination periods testifies eloquently to the existence of a broad schism between the professor and the student.

The creation of the committee on student-faculty relations should mitigate the problems caused by these obstacles to communication. The committee is designed to encourage students to make constructive suggestions about academic problems, to serve as a filter to eliminate the petty grievances and unfair criticisms that may be suggested, to reduce the amount of misdirected and irresponsible carping about particular teachers, and to stimulate more objective and more tolerant student thinking about the problems of instructors.

But the function of the Student-Faculty Relations Committee is not limited to assisting student communication with the faculty. It is also prepared to hear the complaints of professors regarding such things as the classroom conduct of students and to work to effect a change of heart among the students concerned.

Investigation of the real nature of the Student-Faculty Relations Committee, then, indicates that it is not an attempt to usurp the functions traditionally reserved for faculty or administration, but rather a modest step to help bridge the gulf which limits student-teacher understanding. Certainly an appreciation of this fact will more than answer the criticisms so far directed at this committee.

The Student Senate

Do Students Want ISA?

Independent Student's Association, an organization duly constituted by the College Council is considering temporary inactivity. This year's attendance has been very poor. At no time recently has there been a quorum present to elect officers. Therefore, the officers would like to know if the students or faculty believe there is any purpose in continuing this organization, others claim its need is to give Independent Students a voice in government.

We are appealing to the students on this Campus as to whether this organization should continue or be

inactivated. We would appreciate letters from students or faculty stating what you think the purpose of ISA should be on this Campus.

The last ISA meeting is scheduled for June 1st at 7:00 p. m. at which time we will decide to become inactive or elect officers for the coming year. Any letters will be read and discussed at this meeting.

Write to or contact—Dorothy Lund, Pres. 804—10th St. So.; Jo-Ann Samson, Sec.—Dakota Hall; or Bud Hall, Social Chairman, College "Y".

Examinations in Advance of the Period Indicated not Permitted

THE SPECTRUM

Published every Friday at Fargo, North Dakota by the NDAC Board of Publications, State College Station, Fargo, North Dakota. Subscription rate \$1.00 per term. Entered as second class matter December 10, 1945, at the Post office at Fargo, North Dakota, under the act of March 3, 1879.

AAUP Hears Posin At Annual Banquet, Lecture On June 8

The annual banquet and lecture series sponsored by the local chapter of AAUP will be held Monday evening, June 8, in Ceres hall at 6:30 p. m. The sponsorship of this lecture is to 'encourage the scholar on the campus to distill from his researches the essential findings, to express them in vivid terms, and relate them to the all-pervasive human concern for a better world.'

The address this year will be given by Dr. Daniel E. Posin, chairman of Physics department, who will speak on "The Social Responsibility of a Scientist in the Modern Age."

Students, staff of the college, and the public are invited. Tickets should be obtained before June 6 from AAUP ticket salesmen or from the botany department office.

Sigman Director Of NDAC Speech Clinic

Functioning under the direction of Jack Sigman, the NDAC Speech Clinic is now in its third quarter of operation. With the assistance of the members of the Clinical Practice in Speech Correction class Sigman is teaching correct speech habits to 30 patients of the clinic.

The majority of these patients suffer from such handicaps as stuttering, inferior voice quality and pitch deficiencies. The clinic has four patients whose speech difficulties are the result of cerebral palsy.

One of the functions of the clinic is to convince the patient that he has a problem that needs correction. After this is accomplished the clinic attempts to eliminate any organic or physical defects which might cause defective speech. The patients are taught sound discrimination and how to make the proper sounds.

The last phase of correction is the transition from defective to normal speech and making the latter habitual. In most cases poor speech is a matter of faulty habit.

Students assisting Sigman in the Clinic are Barbara Vaughn, Dorothy Morrow, Lois Stewart, Mary Ann Kennelly, and Gary Fauskin.

Kuffel, 1951 Graduate, Gets Korean Promotion

George S. Kuffel, B.S. in arts and sciences, '51, has been promoted to first lieutenant while serving as a platoon leader in Korea with the 223rd Regiment's Company K of the 40th Infantry Division.

Lt. Kuffel is holder of the Combat Infantryman Badge, the Purple Heart for wounds received in action, and the Bronze Star Medal. He was commissioned through the ROTC program upon his graduation from NDAC.

Library Shows Results Of Work By Art Group

Every Friday night a group of six or eight people meet to experiment in the use of oil and water paints and other items in connection with art. The results of their experiments are being shown this week at the college library.

Among the people that are in the group are Mr. and Mrs. George Polk, Mr. and Mrs. James Weaver, Richard Lyons, order librarian, and Lucille Ennis.

According to Weaver this group is purely amateur and their work is being displayed to let people know the potential in real art. Weaver also stated that it is a good way for people to express themselves since art is the basis of humanity.

Social Spy . . .

Alpha Gams, Theta Chis Stage Aquatic Meet; Arnold Air Society Dance Tonight

The old Spec is quiet again as usual. Guess everyone is lounging on the grass out in front. Guess maybe I should pack up my typewriter and set up business on the front steps.

IN SPRING
... a young man's fancy turns to baseball. Besides that they think about the girls of their lives. Marilyn Carlson, Phi Mu, is engaged to ... Phyllis Silliman, Kappa, and Ozzie Twedt, SAE, are pinned as of last weekend.

Theaters Offer Good Movies Next Week

Excellent movie entertainment is coming to the Fargo-Moorhead theatres during the next two weeks. Starting Friday for one week, "Salome" will play at the Fargo theatre. One of the most colorful pictures of the year, the movie stars Rita Hayworth as Salome, Stewart Granger as the Roman commander Claudis, Charles Laughton as King Herod, Judith Anderson as Herodias, and Sir Cedric Hardwicke as the Roman emporer, Tiberius Caesar. The story is taken from the old Bible version, freely Hollywoodized.

"Tonight We Sing", the life of Sol Hurok will play at the Moorhead theatre Wednesday through Saturday. The movie is one of the rare musicals that appeals to all tastes and yet tells a most interesting story. Sol Hurok came to the United States as a Russian immigrant and became one of the greatest concert impresarios in the world. His name appears on almost all the lyceum programs that NDAC presents. The movie features Enzio Pinza, episodes from the life of Anna Pavlova, music of Isaac Stern and the voice of Jan Pearce. Musical backgrounds are taken from Verdi's "La Traviata", Gounods "Faust" "Boris Goudenov", "Madame Butterfly", the "Dying Swan", and Valse Caprice.

Next week the Bison-Spectrum staffs will have their annual spring blast in the form of a picnic, and it will be a well-earned bit of relaxation. (?)

Starting June 3 at the Fargo theatre will be "House of Wax", the third attempt at 3-D movies in Fargo-Moorhead. The leading star is Vincent Price.

... Addie Kraft of Dean Dinan's office, and Jim Welsh, AGR, were married two weeks ago.

... Jim Schaak, whose Sigma Chi pin arrived last weekend, didn't waste any time in giving it to Bev Beil of Valley City.

... Carol Stensland, Kappa pledge, is pinned to Harold Moe, a Sigma Nu from UND.

... Bob Nolan, SAE, is engaged to Audrey Velline, of Concordia.

GOOD-BY PARTIES
... will be held by the Thetas and the Alpha Gams on Monday night in place of the regular meetings. They will pack up their supper and go down to the park for one last picnic.

HOT DOGS AND POTATO SALAD
... were consumed by ATOs and Kappas on Wednesday and by KDs and SAEs on Thursday. The SAEs and the Phi Mus picnicked on Wednesday and the Sigs entertained the Gamma Phis.

... The SPDs entertained the Thetas on Thursday.

SOMETHING DIFFERENT
... in the sports world took place yesterday when the Alpha Gam's challenged the Theta Chis to an aquatic meet. A pretty splash time was had by all.

THE SPRING FORMAL
... sponsored by the Arnold Air Society will be held tonight for all students in advanced air and army ROTC. The dance will be at the Legion Hall from 9-12 and Dick Berdahl's combo will furnish the music for dancing.

ALPHA GAM SENIORS
... were honored on Sunday at the chapter house. They were served breakfast by the juniors.

... The KDs will entertain at their term party tomorrow night at the Moorhead VFW at 9 o'clock.

ALUMS ENTERTAIN
... The KDs were entertained by their alum chapter at a buffet supper. Scholarship awards were given to the girls for their work during the past year. Jane Haas received honors for the highest pledge average, and merit award for pledges. Doris Anderson had the highest active average, and Gayle Quam won the improvement award. Dorothy Ryan won the merit award for the actives. The graduating seniors were initiated into the alumnae chapter. They are Carol Bahr, Dorothy Bjerke, Shirley Faust, Florence Geiszler, Renee Haas, Lois Heise, Mary Holmgren, Virginia Lidstrom, Delphine Lindeman, Rita McConnachie, and Grace Thayer.

'We're scouting for the wrestling team an th' coach here is quite taken with yer style—Interested?'

New Sports Editor *Del Da Dasher* . . .

To Succeed Lowe

A new sports editor will take over on the Spectrum next week when Cecil Reinke takes over the page and the column.

Reinke is a pledge of Sigma Alpha Epsilon fraternity, a freshman in Arts and Sciences, and is a member of the junior Interfraternity Council. Cec is a brother to Norm Reinke, Spectrum staff writer.

Reinke takes over as sports editor from Sam Lowe who held the post for four quarters, taking over in the spring term of last year. Lowe will serve as sports editor of the annual next year.

Bison Capture 5th In NCC Meet

The NDS Bison track team once more repeated as the fifth place team in the North Central Conference track meet held at Sioux Falls, South Dakota, last Friday. South Dakota State took top honors again, with Iowa State Teachers compiling sufficient points to gain second place.

The Jackrabbits, paced by their ace, Pete Retzlaff, amassed a total of 183 points in the meet. Retzlaff personally accounted for 34 of these

by winning the discus, shot put, javelin and taking fourth in the broad jump.

South Dakota University was third in the events with 89 points, North Dakota University, fourth with 63½. the Bison with 29½. Augustana with 17 points for sixth, and Morningside came in dead last with 11 counters.

The Bison scoring was due to the efforts of Del Moore, who took second in the 100 yard dash and third

in the 220, Bob Kubas with a third in the shot put and a fourth in the discus, Guy Enabnit with a fifth in the high hurdles, Dale Wallentine with a fifth in the broad jump and the relay team which took fifth in that event.

In the morning preliminaries, Moore tied the conference record for the 100 yard dash by running it in 9.8 seconds. The speedy State dashman beat UND's Ron Thompson, who ran the dash in 9.9 in the morning but took the event in the afternoon.

Coach Erv Kaiser reports that he was far from disappointed with the showing of the Herd men and that hopes are high for next spring. The only letterman not returning for the 1954 season is middle distance man Tom McLeod.

Final Stateside by Ol' Ambrose . . .

Ambrose Writes Final Issue; Praises Men In NDS Athletics

by Sam Lowe

After one year and three months there finally appears an item on the sports page of Ye Old Spectrum which fans from all fields have been yearning for. I, Yes trooly, is writing his last articles.

No, no child, don't weep and offer your condolences. Don't tell me that you're sorry to see me go off like this, cuz I know damn well you're lying. Just let me by myself in these last bitter moments of sorrow and sweet remembrances.

However, I shall attempt to write some parting thoughts down on this tear-streaked sheet of paper before departing into the ignominious world of has-beens. I could compile an endless list of people whom I should like to thank, but it would take too long.

It has been a lot of fun, this racket of pounding out all the pertinent poop about the sports world and events here at Old State. This reporter has met and grown to know a lot of people who otherwise would have remained a face with a vague name tacked to it.

To those of you who did follow the tracks of the beaten-up mobile

which made the rounds as State-side, my thanks for reading the printed matter. It was really nothing but the opinion of one person who happened to get joos a leedle bit more information on the happenings on the sports scene than the average student.

The people I have come in contact with have all treated me pretty decent, especially the coaches, Mac and Bob, Charlie B., and Old Grey Eagle, Casey, and Erv Kaiser. The football, basketball, and track men have all been some real help when it came to getting a helpful hint about what goeth on when the wheels start turning.

And of course, never to be forgotten is that friend of all friends, my head flunkie, that good old athletic supporter, Joe Schlump-naggel.

It has been great during this past year and a quarter and I hope you're as good to my successor, Cecil Reinke, as you were to this Old Dog.

★ ★ ★ ★

A few notes from hern 'n' there . . . Ah the shame of it all. Giving the Yooniversity credit for Art Bunker's talent on the hardwood court. Haven't been driven into the ground for the stupendous blunder of last week, Ol' Ambrose apoligizes . . . The four remaining games on the Bison baseball schedule have been cancelled. The games were to be doubleheaders with Valley City and Wahpeton but the drizzles put a halt to both pair. The games would have made no difference on the final standings of the top two teams regardless of the outcome.

Maybe this item will pop up in the social spy also, but it deals with a well known sports personality on the campus. Bob Nenninger, starting guard on the Bison grid squad, shelled out a few green beanies for an engagement ring for the best girlfriend, Miss Diane Breyer . . . Be sure to take notice of the excellent individual shots of the football players in this year's Bison Annual. So Don Patterson always wears his wristwatch when he plays.

★ ★ ★ ★

Time to crank up the old '28 and take off. But first comes this joke.

A JOKE
The two staunch Irishmen met on the street. Said the first to the second, "Say, Pat . . . what's this I'm hearing about ye joining up with thim Communists? Be ye daft, man?"

"It's the God's truth, Mike . . . I signed up last week. Ye see the doctor told me I had but ten days to live and tis better one of them communists die than a good Irishman."

ROTC Students Get Summer Assignments Civil Service Jobs Open To Librarians

The problem of matching Air Force ROTC cadets from 46 states with summer campsites in 23 states was solved last week. Brig. Gen.

ROTC cadets attending this year's summer camps have been assigned to one of the sixty Air Force Bases housing the campsites.

Most of the students will travel an average of seven hundred fifty miles to reach the bases for the four week encampments.

Cadets will cover a 188-hour training program designed to give them the practical application of three years of classroom work in preparing for commissions as second lieutenants in the Air Forces. Matthew K. Deichelman, Commandant of the Air Force ROTC, announced that all 17,000 Air Force

The United States Civil Service Commission has announced a new examination for Librarian for filling positions in various Federal agencies in Washington, D. C., and vicinity. The salary is \$3,410 a year.

A written test will be given and appropriate education or experience is required.

Full information and application forms may be secured at most first and second-class post offices, or from the United States Civil Service Commission, Washington, D. C. Applications will be accepted in the Commission's office in Washington until further notice.

Rho Chi Admits 12 At Recent Initiation

Initiation ceremonies for the ND-AC Kappa chapter of Rho Chi, national honorary pharmaceutical society brought twelve new members into the organization.

New initiates include Dorothy Biever, Marcus Evans, Alphonse Gourde, Dwight J. Horen, James Krajeck, Donald Krook, Curtis Larson, Dean Long, William McKechnie, Thomas Monteith, James Pappas, and Lois Pfeiffer.

New AF ROTC Tests Set For Sophomores

NDAC sophomores are soon to take a series of tests which are to determine whether they will be accepted in the advanced courses of AF ROTC. Previously quotas for advanced students were unlimited and the only requirements were that the students complete two years of basic AF ROTC and have a good academic average.

The new policy is the result of a drive to increase the number of students going into pilot training. The need for more flying crew personnel has resulted from the increase of the size of the Air Force to 143 wings. The AF ROTC program is to be the principal source of these flying officers.

The first phase of the new program reduces the active duty tour of AF ROTC flying applicants from four to three years, including the flying training program. Cadets going to a non-flying assignment are required to serve only two years.

The second phase of the program is a classification system that will be based on the Air Force requirements for more flying personnel. It sets up four categories into which those students enrolling in the advanced AF ROTC course will be grouped starting this September.

Students presently enrolled in the advanced AF ROTC program are not effected by the change.

Former ME Student Interviews Graduates

A former mechanical engineering student at NDAC recently visited the campus to interview graduating seniors in engineering. Mr. Earl Schoesow, who graduated from the school of engineering in 1931, is now head of the atomic energy division of the Babcock and Wilcox Company of Barbarton, Ohio, and was searching for engineers for that division of his company.

Mr. Schoesow is also in charge of the atomic structural department of the same company, according to Dean R. M. Dolve of the school of engineering.

Anderson Announces Freshman Scholarship

The Mechanical Engineering Alumni Award, which has been awarded each fall to an incoming freshman in mechanical engineering, it to be awarded again next fall, according to A. W. Anderson, chairman of the department of Mechanical Engineering.

The scholarship consists of a \$25 award, and last fall the award was made to William Rieder. Any high school senior is eligible to apply for the scholarship and anyone interested should contact Professor Anderson for details.

College Mans Future?

The May issue of the North Dakota State Engineer has just been printed, and the leading article appearing in it is entitled, "What's Ahead For College Boys". The author of the article is M. M. Boring of the General Electric Company.
