

# Walster Gets Honorary Degree; Retires July 1

Dr. Harlow L. Walster, who retires July 1 after 34 years on the NDAC faculty, will receive the sole honorary degree granted by the institution at graduation June 8. He will be awarded an honorary doctorate of science.

Other commencement honors at NDAC include distinguished achievement awards, an alumni conferral, to Mrs. Jessamine Burgum, Arthur, N. D.; Percy J. Donnelly, Grafton, N. D., and Dr. C. H. Hofstrand, Leeds, N. D.

Walster came to NDAC as an agronomist in 1919, became dean of the School of Agriculture in 1924 and in 1934 director of the North Dakota Experiment Station. Mrs. Walster was a student and staff member at NDAC before their marriage.

Harlow L. Walster

Walster was born in Wisconsin, attended high school at Spring Green, then the University of Wisconsin, Harvard University and University of Chicago. Before completing his graduate work he returned to the University of Wisconsin to teach soils courses for eight years.

Throughout his years of work at NDAC Dr. Walster has worked steadily for the improvement of the education standards of his staff. When he joined the staff in 1919 it consisted of only 23 members of whom only the director—the late P. F. Trowbridge—and two other staff members held the Ph.D. degree. Today the resident staff of the Experiment Station consists of the equivalent of 70 scientists employed on a 12 months basis, with 28 holding Ph.D. degrees.

The graduation honoree is a member of the American Association for the Advancement of Science, American Society of Agronomy, International Society of Soil Science and life member of the Agricultural History Society of the United States. He organized the Flax Institute of the United States two decades ago and was its president for 20 years, retiring a few months ago.

Dr. Walster was also a member of the American organizing committee which arranged the First International Congress of Soil Science and was in charge of arrangements locally for foreign scientists when they visited the Red River Valley as part of a transcontinental tour. He was a delegate to the Congress of Soil Science in Washington, D. C. in 1927. Long a member of North Dakota Academy of Science, he was its president in 1928.

Dean Walster joins a select and sharply limited group of educators, scientists, administrators and others who have received honorary doctorates at NDAC. Fifteen have been honored from 1939 to the present.

They are Henry Luke Bolley, Fargo; Clair Bailey Waldron, Fargo; Henry Herbert Kildee, Ames, Iowa; Milburn Lincoln Wilson, Washington, D. C.; Arni Helgason, Chicago; Philip Sheridan Rose, Philadelphia; George Francis Will, Bismarck, N. D.; James A. Ulio, Washington, D. C.; Orin Alva Stevens, Fargo; Frederick Lawson Hovde, Purdue, Ind.; John Elliot Pyle, Fargo; John Lee Coulter, Washington, D. C.; Alex Lind, Jamestown, N. D.; Clyde H. Bailey, Minneapolis, and D. Milton Ladd, Washington, D. C.

## Bessilievre Combines Band With 'U' Group

Donn Bessilievre, student organizer and director of the Bessilievre dance band of NDAC is combining his group with the Cliff Brian band from the University of North Dakota. Their first engagement as a combination group will be in Halstad, Minn., June 6.

The Brian band, which is composed of 8 men, has been playing for the dances on the University campus and in the surrounding Grand Forks area.

NDAC students in the group include Dale Lund, alto sax; Richard Novotny, tenor sax; Donn Bessilievre, trombone; Ray Moir, drums; and Richard Elston, electric guitar and bass.

## NDAC Alumni Get Achievement Honor At Commencement

For "outstanding success" in their respective fields, three NDAC alumni will be given special outstanding achievement awards during the 1953 commencement exercises of the College, June 8.

Recognition during this year's service will go to Percy J. Donnelly, Grafton; Dr. Carl H. Hofstrand, Leeds, and Mrs. Jessamine Slaughter Burgum, Arthur, North Dakota. Citation for the three will be read by Professor Leonard Sackett and each will receive an inscribed medal.

Percy J. Donnelly, well-known potato and sugar beet farmer living near Grafton, is president of the North Dakota Farm Bureau and has been a member of the board of directors of the organization since its formation in 1942; is active in the REA cooperative; and is a member of the state's potato and sugar beet association. He has been active in community and church affairs in Grafton.

Carl H. Hofstrand, NDAC '11 and University of Pennsylvania '15, has played a three-part role in the history of the state. Outstanding not only as a veterinarian, and livestock breeder, Dr. Hofstrand has been a member of the North Dakota house of representatives since 1937. During 1953-55 he will serve as a member of the Legislative Research committee.

Mrs. Burgum has previously been chosen one of ten outstanding mothers of the state, when she was recognized in 1947 by the homemakers clubs of North Dakota. Twice she has represented the DAR as envoy to Washington, D.C. She is a recognized author, with her volumes of "Zezula or Pioneer Days in the Smoky Water County" "Dakota Ballads" "Stars Over the Prairie" familiar to American history readers.

## APO At Installation

Six members from Alpha Lambda chapter of Alpha Phi Omega recently attended the installation of a new chapter at St. Cloud Teachers College, St. Cloud, Minnesota.

Those attending from the NDAC were Lawrence North, president, Kenneth Moxness, David Opgrand, Delano Jesperson, Manual Talley and Bruce Olson.

Sid North, national secretary of Alpha Phi Omega, also attended to installation.

# Union Opens September 19

According to present plans, the new Memorial Union will officially open its doors for the first time this fall.

The official student opening is tentatively scheduled for Sept. 19. If there are no construction difficulties this summer, the plan will be as follows: The doors will open for the first time at 1 PM with a ceremony commemorating the event. There will be conducted tours throughout the afternoon and door prizes will be given.

In the afternoon there will be a stage show presented for entertainment. Free coffee and doughnuts will be served the entire afternoon. At 9 pm the annual new student dance will christen the ball-room. Paul Hanson will provide the music and the dance will be free to everyone.

It becomes apparent that there are several groups which have an interest in our Union; the present student body, the alumni and private contributors. However the

Union is being built primarily for student use.

The Board of Directors of the Memorial Union Corporation is composed of twelve members: four student, four faculty and four alumni. The president of the college is an ex-officio member of the board and votes only in case of a tie. The function of the board to date has been to coordinate activities and primarily to see that the building is built according to specifications.

When the building is opened in the fall, the planning and scheduling of events will be left entirely to a student committee appointed for the purpose. The committee will be assisted by the Director of the Memorial Union. The planning and construction of the Union has been done with what the Board of Directors has considered to be the best interests of the student body in mind.

It must be remembered that the new Union must pay its own way.

The interest and premium of the bond issue which was floated must be paid off. Also the employees must be paid. It might be well to mention that the Union will be staffed almost exclusively with students employed.

The facilities of the building will not be in operation for the student opening since the student employees will not be trained.

The grand opening of the Memorial Union will be held at Homecoming next fall. By that time the building should be completely in operation. The grand opening will begin on Thursday evening, the twenty-ninth of October with a civic recognition dinner and the formal dedication.

There will be a public open house on Friday which is also alumni day. The faculty open house is scheduled for Saturday morning and the rest of the day will follow the usual Homecoming routine.

Vol LXIII No. 31

North Dakota Agricultural College, Fargo, N. D.

Friday, June 5, 1953

## Graduation . . .

# 368 Receive Diplomas Monday At Commencement

Over three hundred students will receive degrees at the 59th annual commencement exercises of North Dakota Agricultural College, set for the field house Monday, June 8. Doctor Fred Hultz, president of NDAC, will officiate over the graduation ceremonies and will award degrees and honors.

The commencement address will be given by Dean Harlow Walster, retiring dean of the school of agriculture and head of the experiment station, on the topic "Out of This Earth".

Invocation and benediction for the ceremonies will be given by Rev. James McLain of the Plymouth Congregational Church of Fargo. Music will be furnished by the NDAC concert band under the direction of Bill Euren.

Members of the Blue Key and Senior Staff under the direction of Dale Brostrom will be in charge of

seating.

**School of Agriculture**  
Dean Harlow L. Walster will present the seniors from the school of agriculture. Graduating With Honor is Duane Lemmon. Other graduates include Donald Anderson, Ronald Anderson, Gordon Badger, Harvey Barnick, Bertram Berg, Gwendolyn Beynon, Melvin Bjork, Edwin Brown, Gerald Buck, Jack Burke, Richard Clark, Lee Culter, John Dean, Duane Erickson, Eugene Erickson, Orville Erickson, Clark Ewen, Duane Fedje, Osger Fog, William Fischer, Orville Furreness, Richard Goodman, John Hagen, Raymon Halvorsen, Gunder Hanson, Everett Harrison, Glenn Haugen, Clayton Hauge, William Henry and Thor Hertsgaard.

Donovan Hewson, Angelo Holkesvig, Glen Holt, Albert Hornung, Norman Howe, Arlowe Hulett, Harold Janneck, Jr., James Johnson, Eddie Kopperud, Bernie Kylo, Harry Lacy, Jr., Leonard Larshus,

Ralph Leet, Glenn McNeese, Harrison Miller, Robert Miner, James Morrison, Morris Nelson, Robert Nelson, Curtis Norenberg and Philips Olmstead.

John Olson, Ordell Olson, Paul Owen, Dwight Palmer, Chester Plasterer, Tommy Reff, LeRoy Rude, Eugene Ruppert, Leo Schaan, Darwin Schaubert, Wilbert Schlaht, Delorin Schluchter, Wayne Slotten, Daryl Strong, James Thompson, Norman Ulsaker, Robert Walker, Paul Warble, Andrew Watt, Howard Wenberg, Arthur Wichmann and Ralph Winge.

## School of Applied Arts and Sciences

Dean Ernst Giesecke will present the students graduating from the school of applied arts and sciences. Graduating With Honor are Jean Davis, Charles Flaa, Marilyn Hunter, Vivian Larson and Suzanne Minnis.

Other graduates include Donald Anderson, Burton Barr, Eugene Beechie, Darrell Bjornson, Paul Blegen, Edwin Boerth, Margaret Bolton, Ronald Bond, Loretta Brown, William Buckellew, Donald Busch, Margaret Clarke, Vernon Collins, Thomas Cornforth, Raymond Curtis, David Doule, Gary Fauskin, James Fay, Fred Rodney Fercho, John Roger Fercho, Ordean Finkelson, Randolph Fraese, Patricia Carlson Giesler, Norman Giedt, Ardith Haakenstad, Fred Haefner, Marlo Hagen, Robert Hartz, John Hay, Ruth Haynes, Donna Jean Hellen, Michael Herbst, Roger Huizenga and Marlowe Jensen.

Paul Johnsgard, Blair Johnson, Norris Johnson, Patricia Kepner, Robert Kline, Maurice Knutson, Alden Larson, Robert Leck, Gene Leupp, Virginia Lidstrom, Milton Maier, Berard Masse, Theodore Mertes, Leo Miller, Dean Morford, John Nicka, Joan Orley, Richard Peckskamp, Martin Redman, William Ridley, Santiago Rodriguez, John Schacher, Donald Deitz, Richard Shermoen, Robert Stenerson, Jerome Tjaden, Harris Tollefson, K. Osborne Twedt, Mary Carol Twetten, Eugene Williamson, Earl York and Robert Zube.

## School of Engineering

These seniors will be presented (Continued on Page 4)

## Television, Radio Summer School Starts June 15, Given On Three Levels: Posin

Dr. D. Q. Posin has announced the establishment of a television and radio school which will meet twice a week during the evening starting June 15. Classes will be held Monday and Wednesday from 7:30 to 9:30 p. m. for six weeks.

## Ceres Hall Give Banquet

NDAC Ceres Hall Dormitory had their annual Spring Banquet Wednesday at 6:30 in the Avenue Room of the Graver Hotel. Special guests were Mrs. Fred Hultz; Dean of Women, Pearl Dinan; Mrs. Mildred Kirt; Mrs. Caroline Spring; and the graduating seniors of Ceres Hall.

Virginia Lidstrom, Ceres Hall president, was general chairman in charge of arrangements. Ruby Enander and Joyce Seeklander were in charge of place cards and Jeanne Crawford and Joan Zielsdorf were in charge of decorations.

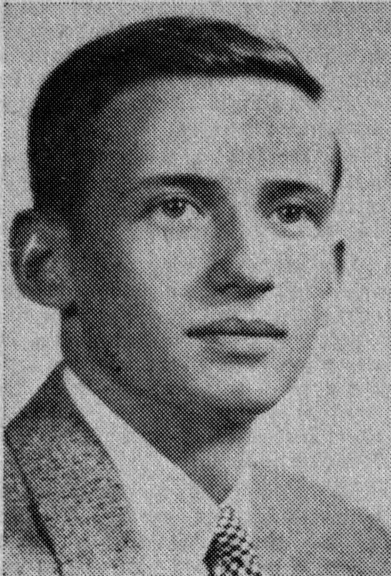

The Television school, which will also meet during the day, will operate at a centrally-located studio in downtown Fargo and will operate on three different levels:

1. Non technical level—for laymen.
2. Semi-technical level—for those with some experience in radio or electricity.
3. Technical level—for television servicemen, persons who are about to become servicemen and for college students with a mathematical or engineering background.

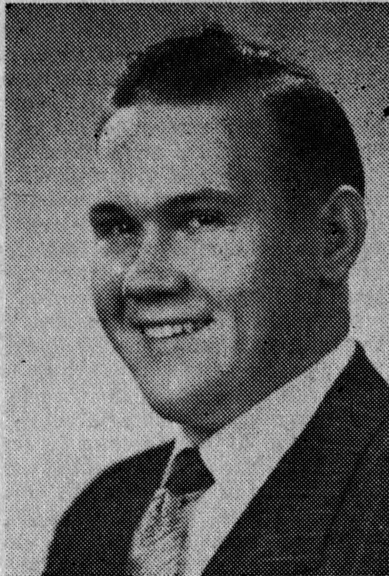

In all three courses the lectures will be accompanied by demonstrations, experiments and laboratory work, as well as instructional movies of television principles and operation.

A special feature of the course will be visits to WDAY television studios for a study of Television broadcasting equipment, operation procedures and studio work.

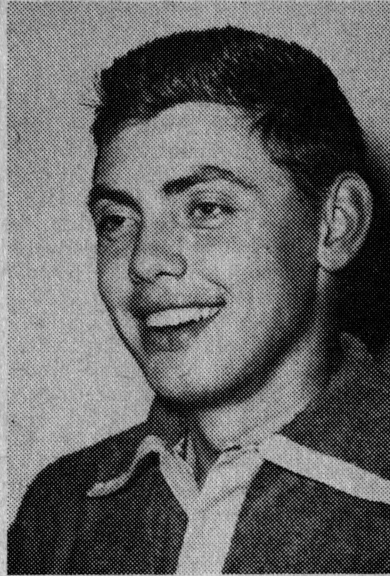

# 1953-54 Publications Editors, Business Managers

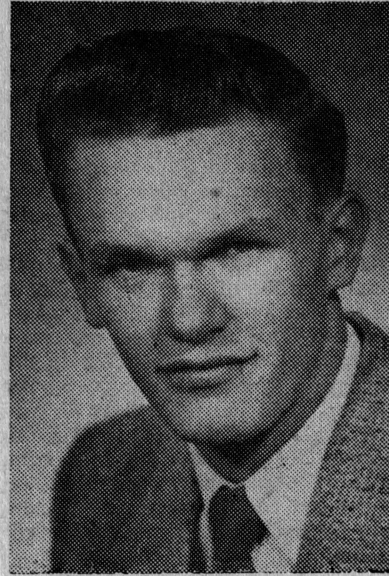

Wesley Rae

Robert Kubas

Leon Johnson

Gary Hart

Next year's staff members for the NDAC Spectrum and Bison were chosen at a recent meeting of the Board of Publications Control. The editors and business managers of each staff are chosen by the Board and the remainder of the members are, in turn, chosen by the editors of the two publications.

For the Bison, Gary Hart and Wesley Rae were chosen as co-editors. Robert Kubas is to be the business manager of the annual. Renee Baker is the editor of the Spectrum for 1953-54 and Leon Johnson will be business manager. During the past year Richard Hill has been business manager of

the Spectrum and Dorothy Morrow has been editor of that publication. Edwin Boerth is retiring as business manager of the Bison as is David Bartholomew as editor of the Bison.

Other activities of the publication heads are:

Business manager Leon Johnson has been a staff member on the Spectrum for the past year and is a member of the Alpha Tau Omega fraternity.

Renee Baker is the former managing editor and editor of the Spectrum as well as co-news editor of the campus radio station. She is a member of the Women's Athletic Association, Tryota, Kappa Alpha

Theta sorority, and the Gold Star Band.

Robert Kubas was advertising manager of the Bison for the past year; he belongs to the Lettermans Club, Blue Key, is president of Theta Chi fraternity, belongs to the American Institute of Architecture, and was former pledge trainer and vice president of the Arnold Air Society.

Co-editor Wesley Rae is a staff member of the Spectrum and Bison. He is also a member of Alpha Phi Omega, Lutheran Student Association, Chorus, and is former president of the Edwin Booth Dramatic Club. Wesley is a student senator and is commissioner of radio. He is also drama editor of the campus radio station.

Gary Hart is a Spectrum and Bison staff member, he is student senator, a member of the Alpha Gamma Rho fraternity, and the Saddle and Sirloin Club. He is the news reporter for his fraternity.

## Home Ec Building Nears Completion; To Open Next Fall

by Gene Price

The new home economics building, on the northern college drive when completed, will house all the present home economics facilities and classrooms formerly in Ceres hall plus the art department.

The ground floor of the three story structure will have a large assembly room and stage, which will have a complete kitchen connected by partitions for demonstrations. The art department staff offices and two large related arts laboratories and a household equipment lab will also be on the ground floor.

In addition there will be a modern textiles lab with many new testing machines, such as a fadometer for checking color fastness, a laundrometer and a tester of textile strength of both knitted and woolen fabrics.

The second floor will house two clothing labs, a living or family room, a large conference room, the deans' and secretaries offices, the textile clothing staff offices, a large related arts classroom and a home economics education lab.

On the third floor will be a nutrition laboratory in which will be conducted a research with animals and other nutrition research, a meal preparation lab, three food preparation and nutrition labs a dining room and the staff offices for the food and nutrition department.

Also on this floor will be a modern equipment laboratory with new large and small appliances, such as refrigerators and stoves.

According to Dean Clara Cerveny, dean of the home economics department, the building will be open for classes next fall.

## Social Spy . . .

### Publications, Greeks, Edwin Booth Hold Picnics; Lehman Bids Adieu To Readers

by Grace Lehman

With tears in my big blood-shot eyes, I must bid farewell to my friends (?) and readers for this year. It has been a real treat bringing you the pertinent poop, quote Ambrose, for the past months.

The findings for this week are somewhat meager, but nevertheless, they should be included before we close up shop for this year.

#### THE PAPER PEOPLE

. . . Enjoyed each other's com-

pany on Wednesday night when they had one last get together to drown the memories and headaches of the past lousey issues. This elegant social affair was attended by the Spec and Bison staffs and Renee Baker poured.

#### THE PLAY PEOPLE

. . . dined together at the A. G. Arvold residence on Tuesday. Hors d'oeuvres (radishes and carrot sticks) were served by Loretta Brown and a delightful time was enjoyed by all.

#### LOVE STUFF

. . . John Vogel, is engaged to Joan Haberman, KAT alum.

. . . the Phi Mus had a shower yesterday for Ardyce Sjaastad and Lois Pfeiffer who will be married this summer

. . . the Thetas had a shower for Barb McMurray and Marilyn Hansen on Wednesday.

#### THREE MORE PICNICS

. . . will complete the picnic schedule for this year. The Phi Mus will entertain the Theta Chis on Wednesday and the SAEs will entertain the Gamma Phis on Thursday. The Alpha Gams and SAE's had a picnic on Tuesday.

#### PHI MUS TO ENTERTAIN

. . . the families of the graduating seniors at a luncheon on Monday after graduation.

. . . Beth Turner received the outstanding pledge award at the senior breakfast.

#### AND SO

. . . study hard and have a good summer and we'll see you all again in the fall back here at old Grindstone Tech.

### Band Elects Solsten Prexy; Holds Picnic

NDAC Gold Star Band held election of officers and their annual spring picnic last Thursday, May 27. Elected as next years officers were James Solsten, president; Barbara Crank, vice-president; Edith Hawkins, secretary-treasurer; and Thomas Joyce, publicity and public relations.

The picnic, held at Lindenwood park featured vocal and instrumental solos and a chicken dinner.

### Staff, Note Club Holds Last Meeting; Guests

Staff and Note club will close the year with the second guest program June 9 at 8 p. m. in Putnam hall. Featured as guest artists will be Tokio Inue from Tokio, Japan, and Lars Gullhugen, from Gjovig, Norway.

Music will be supplied via piano numbers by Donna Jean Hellen, Barbara Crank, Phyllis Pearson, Nancy Eagle, Jean Crawford, Allen Drege, Delores Methun, Ronald Berlin, Barbara Zaylskie and Joann Booth. Carol Kirkus and Richard Berg will give vocal selections.

Officers of Staff and Note are William Bonhus, president; Harvey Hans, vice-president; Gene Hartmann, treasurer; and Joann Klevberg and Barbara Crank, committee chairmen.

### Staff Entertain Seniors

Tuesday, June 2, the home economics staff entertained graduating seniors on the lawn of the Home Management house at 5:30. There were 46 spring graduates and girls who will graduate either fall term, 1953, or winter term, 1954. A picnic supper was served.

### Pederson Gets Berkeley Teaching Assistantship

Dorothy Pederson, 1953 graduate of NDAC in home economics, has received a teaching assistantship at the University of California at Berkeley, according to an announcement made this week.

Dorothy will commence work in September toward a masters' degree in foods and nutrition. The fellowship carries a stipend of 1300 dollars for ten months. At completion of her graduate work, Dorothy plans to enter the field of public health.

While a student at NDAC, Dorothy has been a member of Alpha Gamma Delta sorority, Phi Upsilon sorority and Omicron and Tryota, Phi Kappa Phi scholastic honorary, Guidon, and YWCA.

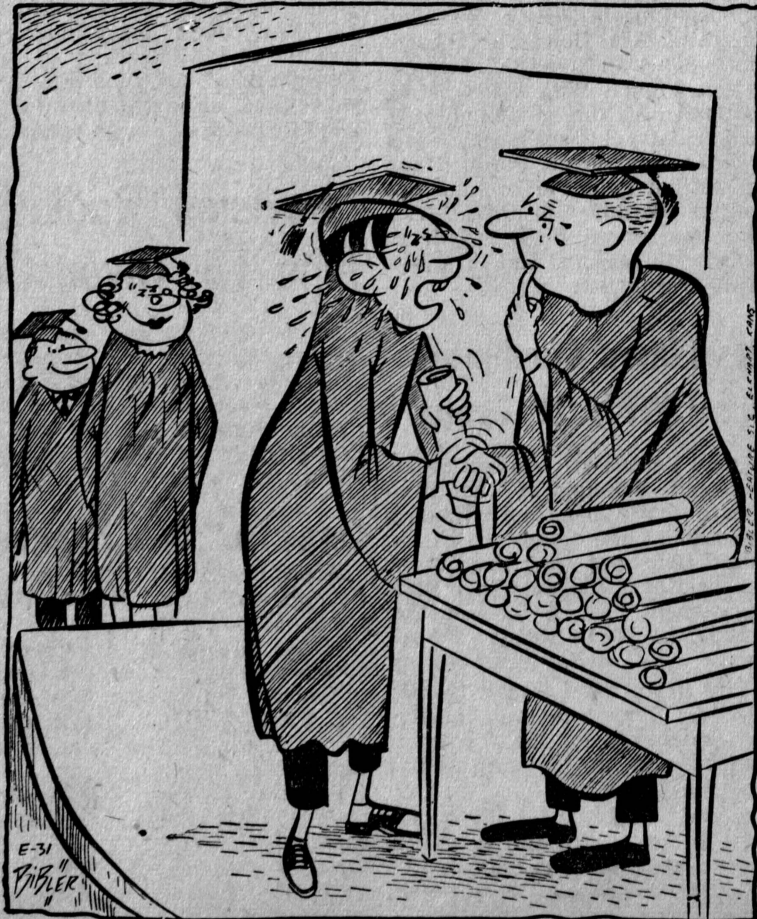

### 13 Students Receive Noyes Scholarships

Thirteen scholarship awards from the Laverne Noyes foundation have been announced for the spring quarter. Students receiving scholarships were JoAnn Gray, Ray Horne, Arthur Rulon, Charles Wasem, David Kretchman, Sonja and Paul Blegen, Douglas and David Lees, Clifford Moore, Theodore Hurley and Rodney and Roger Fercho.

Each recipient must be a citizen of the United States and a descendant of a World War I serviceman. The grants are available to freshman, sophomore, junior and senior students at NDAC.

### LITTLE MAN ON CAMPUS

by Dick Bibler

"Naw I don't hate ta leave these ivy covered ole halls—I just don't know how I'm gonna make a livin'."

### Stevens Displays Native Trees, Flowers In Library; Also Collects Insects, Birds

by Jean Hoge

Dr. Orin A. Stevens, professor of Botany, recently displayed a group of trees and spring and fall flowers that are native to North Dakota and New York in the library. Besides these specimens he has a group of about 40,000 other seed plants, a collection which was started in 1890 with the beginning of the college.

Dr. Stevens has been working with plants since he came to the college in September, 1909 and since that time he has collected many rare specimens. In 1918 Stevens found a seed called the Catch Fly; this was the first time this plant was found in North America.

Samples of particular plants and seeds are taken at different times during the year to show progress in growth. They are then recorded. A complete card file is kept and a list of the different species and where they are found is listed. A duplicate of the card file is kept by Mr. Stevens in the form of a notebook which he carries with him.

In 1950 a book was published called the "Handbook of North Dakota Plants". This book was, at that time, complete as to all known species; it now is being corrected and revised by Stevens.

Stevens also had a collection of insects in which bees were outstanding. The collection was written up and given to the American Museum of Natural History in New York. This museum is one of the larger ones in the United States.

The collection of birds that was in the Library was started by Stevens as a hobby. Since it was started, about 350 species of birds, both rare and common, have been included in the collection.

### THE SPECTRUM

Published every Friday at Fargo, North Dakota by the NDAC Board of Publications, State College Station, Fargo, North Dakota.

Subscription rate \$1.00 per term. Entered as second class matter December 10, 1945, at the Post office at Fargo, North Dakota, under the act of March 3, 1879.

# Finnegan Announces AC Letter Winners Golfers Win State Reinke Reviews Sports Year At State

NDAC Athletic director C. C. Finnegan has announced the letter winners for spring athletics at the College. All awards have been approved by the Athletic Board.

Baseball letter winners recommended by B. C. Bentson, baseball coach, include Bill Brady, Jim Brewster, Gerald Freidman, Jim Hagen, Morrie Holm. Joel Hunziker, Jack Junker, Dick Joos, Bob Lauf, Sam Lowe, Rudy Maras, Bernard Masse, Jack Nagel, Kermit Quanbeck, Ken Reitan, John Sowa,

Douglas Walstad, and Richard Wojik.

Track letter winners recommended by coach E. E. Kaiser include Delbert Moore, Tom McLeod, Bob Kubas, Jerry Goetz, Don Moore, Dale Wallentine, Guy Enabnit, Jim Brogger, Bill Shelver, Gene Gamache, Dick Cortesi, and Ron Schrinkendorf.

Golf letter winners recommended by Coach Kaiser include Andrew Thomas Radcliffe, and Edward Thomas Radcliff, and Edward Skroch.

## Golfers Win State

The NDAC golf team composed of Dick Hermanson, Ed Skroch, Andy Lindvig and Tom Radcliffe took first place in the North Dakota state collegiate tournament held at Jamestown, May 16.

These boys, coached by Lou Obdyke, did not compete in the NCC playoffs as a team; however, Hermanson, the team's captain, took fourth place in the conference's individual competition.

## Reinke Reviews Sports Year At State

by Cecil Reinke

Athletics have come to rest after what I would say was a very fine year for State. We haven't taken all the trophies, but we've made a fine showing in every field.

What about next year? Most of us are asking that question. Perhaps the best way to answer it would be to go back and take a look at this past year's performances. So let's go back and take look . . .

### FOOTBALL

Football season got off to a good start at State when Big Mac's boys calmly defeated the Cobbers from Concordia 12 to 0 in an early season contest. The next week AC fans went "bug-eyed" as they watched a freshman halfback named Wallentine lead the Bison to a 24-13 victory over Augustana. Then came disaster . . . Injuries to key men plus a combined case of "bumbleitis" and "pass interception blues" caused the Bison to drop games to ISTC 33-0 and Morningside 12-0. Nothing lasts forever, however, and old Doc Weskunas soon put the boys back up to par and sent them out to victories over SDS 48-14, NDU 14-13 and SDU 33-7.

For next year we hope the Bison can do one step better than this year's second place in the NCC. We can be glad that all-conference men Bob Lauf, Frank Esposito, and Chuck Thurm will be around to aid in the effort.

State fans hate saying goodbye to seniors Tom McLeod, Dwane Erickson, Delorin Schlucter, Bill Buckellew, Don Fougner and the North Central Conference's most valuable player Ben Nolan. You know, a football team belongs to it's seniors, and these boys had a good one!

### BASKETBALL

In spite of the fact that the '53 Bison cage men were unsuccessful in their attempt to defend the NCC title which the AC basketballers of 1952 won they nevertheless proved that they could play on the same hardwood with the best of teams.

The Bentson coached basketballers played with a clean, hustling style which won the support of a great many fans.

The Bison were seldom lacking in reserves with such men as Ozzie Twedt, Walt Fogel, Roger Fercho, Dale Peppel, Jerry Geisler, John McDermott and Lyle Fugleberg constantly ready for action. Each of these men were potentially capable of turning any game in State's favor; and Twedt and Fogel did so quite often.

Sad thought: The Fercho boys plus Twedt, Fougner, Peppel and Geisler will not be with us next year.

Track is one sport which State fans can really put a "look to the future" tag on. For middle distance man Tom McLeod is the only trackster who will not return to the AC next year. This year's team, which placed fifth in the NCC, was hampered more by lack of depth than lack of individual ability. Thus if an average number of new men show up for track next season Kaiser should be able to build a good team.

The list of constant point gainers who will return includes Dale Wallentine, Del Moore, Dick Courtesi, Guy Enabnit, Jim Brogger, Gene Gamache, Bill Shelver, Gerry Goetz, Bob Kubas and Ron Schrinkendorf.

For baseball Old State switches from the NCC to buck competition in the Gorman League; and this year the farmers found the bucking pretty tough as they compiled a 4-4 record for the season. But let me say that the win-loss record was not nearly so bad as the student attendance record. Boy, the stands, small as they are, were always practically empty! So for next year remember that all it will cost you to see the games is a short walk to the field. You be there to see the games; Coach Bentson will see that you have a team to watch.

Well, it's time to say goodbye til next year; but before I box up the beautiful 1873 model "tripe-writer" that I inherited from "thrifty" Sam Lowe I would like to congratulate Jerry Goetz on his election as President of the AC Letterman's Club; and also his fellow officers: Marty Kraninger, vice president; Bob Kubas, secretary; John McDermott, treasurer; Grut Anderson, social chairman and Bob Roy, advisor.

## NCC Announces '53 Basketball Statistic

Official North Central conference basketball statistics show that Chucke Wolfe, North Dakota senior, ended the 1952-53 season with 313 points to surpass the record of 271 set by John Diefendorf of South Dakota in 1949-50 and equalled a year ago by Augustana's Jim Gremmels.

Wolfe also finished with 107 field goals, beating Gremmel's mark by two, and 99 free throws, well above the previous high of 70 by Ed Weber of North Dakota in 1949-50. Wolfe's 26.1 average also surpassed the 22.6 record of Diefendorf and Gremmels.

North Dakota State had the best defensive average, 63.7, and the greatest spread between offensive and defensive marks, 7.1 points per game, despite winning just five of 12 league contests. The Bison also limited foes to the lowest shooting percentage from the field, .291.

# Graduation

(Continued from Page 1)  
by Dean Robert M. Dolve.

Receiving diplomas in agricultural engineering are Alvin Dordahl, Sydney Haakenstad, Gilbert Hafner, Henry Kucera, Gordon McLean, Daniel Murphy, Willis Sletten, Kenneth Ward, Carl Wettlauf and Harvey Young.

Graduating from architectural engineering are Edward Adams, Stanley Baer, Arlo Beattoe, Frank Hayashi, Robert Krammer, Richard Krieg, Roger Mohagen, Roald Olson, Robert Piper, Robert Wright and James Zimmerman.

Civil engineering graduates are Lloyd Beling, Russell Ellingson, Charles Hagberg, Raymond Jundt, Leo LaRiviere, Lorren Levorsen, Anthony Lutz and Dennis Remboldt.

Graduating With Honor in electrical engineering are Gerald Erickson and Robert Van Wechel. Other graduates are Jerome Benschopf, Donald Edam, Glenn Fanslow, Ronald Favorit, Richard Jacobsen, Gale Jallen, Ray Linnertz, Gordon Majer, Denis Murphy, Robert Potter, James Price and Curtis Rausch.

Graduation With Honor in mechanical engineering is Theodore Erickson. Other graduates include Henry Adams, Arnold Berg, Donald Grommesh, Elvin Isgrig, Wayne Karlgaard, David Knutsen, Gordon LaValley, John McLarnan, James Marquardt, Duane Meiers, Byron Mitchell, Dale Pepple, Loren Peters, Monte Piper, William Richards, David Robinson, Donald Schmidt and Richard Turner.

Vernon Olson will graduate from physics With Honor.

**School of Home Economics**  
Dean Clara Cerveny will present the seniors in the school of home economics. Graduating With Honor will be Beverly Litzinger Haugen, Joann Johnson and Dorothy Pederson. Other graduates are Evelyn Anderson, Eileen Anderson, Louise Babitzke, Carol Bahr, Anna Beck, Mary More Benno, Margaret Biever, Dorothy Bjerke, Mary Catherine Casey, JoAnne Christiansen, Beverly Ewald, Lois Fitzloff, Betty Fors, Shirley Foust, Florence Geisler, Carol Ruth, Joan Haberman, Lois Heise, Ruth Helling and Phyllis Herbison.

In shorthand class we learn brief forms  
For words used frequently;  
And here's our sign for fresh, clean smokes:  
It's L.S./M.F.T.

Jean Dorrell  
Lamar Tech

I've tried most brands of cigarettes,  
Discarded all the rest —  
I'm sure your taste will tell you, too,  
That Luckies are the best!

Barbara Kaplan  
University of Chicago

Nothing no, nothing-beats better taste  
and **LUCKIES**  
**TASTE BETTER!**  
Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

**Be Happy—GO LUCKY!**

Get a thrill from catching trout  
And love to fish for pike;  
But fishing ain't complete without  
My good old Lucky Strike!

George Morhous  
Holy Cross College

**COLLEGE STUDENTS PREFER LUCKIES  
IN NATION-WIDE SURVEY!**  
Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.
