

The Spectrum

Union Opening Set For October

North Dakota Agricultural College, Fargo, N. D.

Vol. LXIV No. 1

Friday, Sept. 25, 1953

AAS Head...

Russell Replaces Giesecke As Dean

Dr. Seth Winfield Russell, presently assistant dean of the liberal arts school at Pennsylvania State College, replaced G. Ernest Giesecke as dean of applied arts and sciences at North Dakota Agricultural College. The appointment became effective September, 1953. Giesecke goes to Texas Technological College in September as vice-president of that institution.

Dr. Russell, a graduate of Lycoming College, Williamsport, Pa., holds bachelor's and master's

degrees from Pennsylvania State College. He was awarded his doctor of philosophy degree from the University of Pittsburgh, with a major in general arts and letters, and minors in sociology, political science and economics.

Recently he was head of the department of sociology at Pennsylvania State College, serving also as assistant dean of the school of liberal arts.

Russell has worked continuously at Pennsylvania State, except for a four-year period of active service with the U. S. Navy during World War II. During this period, he served at the Naval Training Station, Norfolk, Virginia and at the U. S. Marine Corps base in San Diego. At the time of his separation from service, he had attained the rank of Lt. Commander in the chaplain corps.

Dr. Russell is corporation president of the Phi Kappa Psi fraternity, a member of the board of directors of Lycoming College, a member of the Pennsylvania State Council on Labor Education and the State Welfare Conference.

'Spec' Sets Deadline

Deadline for stories and notices for the Spectrum publication is 3 p.m. Monday. If it is not possible to meet this deadline please contact the Spectrum editor and make other arrangements.

Beginning a new policy this year, the SPECTRUM will contact each organization via mail and make arrangements with the groups to get their news.

The first official opening of the new NDAC Memorial Union which was originally scheduled for last Saturday has been postponed. The postponement has been due to a month and a half long strike which arose during the summer months.

YWCA Membership Drive Underway

September 18 to October 2 are the days which have been chosen for the campus YWCA membership drive. The YW membership committee, who will be working in the dormitories and sororities, will also contact girls who live in Fargo. All women students will be contacted.

Westman New Campus Affairs Commissioner

Mancur Olson, president of the Student Senate, appointed Nick Westman as commissioner of campus affairs at Tuesday evening's meeting. Westman will succeed Tom Radcliffe, who resigned during the summer.

Westman is president of Blue Key, vice-president of Alpha Gamma Rho fraternity, member of the Student Senate, and is active in many other organizations on campus.

Commissioners continuing under last Spring's appointments will be Charles Gronberg, military and athletic affairs; Richard Hill, music and public programs; Richard Wenberg, finance; Richard Hansen, student union; Wesley Rae, radio; and Larry Sjaastad, publications.

If there are no further difficulties, the Memorial Union should be open for the homecoming festivities the latter part of October.

The plastering has been completed and the crews have begun the job of laying the tile and terrazo

floors. The painting crews are now at work applying a color scheme which is definitely modern in every respect.

Another difficulty which caused consternation was the seepage of water into the basement area. Of primary concern was the room which is to house the bowling alleys.

The student government sponsored radio station which was begun last year has been granted space for a broadcasting station in the new Union and a room is being made ready to house the station and its staff.

The specially designed furnishings for the building are scheduled to begin arriving immediately. The materials will be stored in the basement of the library until the building is equipped to receive them.

One of the first things which must be done this fall is the selection of a student committee which will represent the entire student body on matters concerning policy formulation on matters pertaining to the Union. The basis for the selection of this committee has not been decided as yet.

Spec Available Six Locations: Johnson

According to Lee Johnson, Spectrum business manager, The Spectrum will be available in six places. They are: the Chemistry building, Ceres Hall dormitory, Morrill Hall, the Engineering building, Minard Hall (Science) and the Library foyer.

APO Dance Tonight In Field House At 9

Come one! Come all! Come to the school dance being held tonight at the Fieldhouse. Sponsored by Alpha Phi Omega, the dance is the first school affair of the year and will feature the music of Paul Hanson and his orchestra.

The dance is set for 9:00 p.m. and all students are invited. The admission charge is 50 cents. Stags are urged to attend.

Sorority Rushing Climaxes Sunday; Pledging Monday

Sorority Quota 12

Today and tomorrow mark the end of formal rush week on the NDAC campus. For the past two weeks rushees have been entertained at informal afternoon and evening parties and formal evening dinner parties.

Sunday, September 27, each rushee will attend two preference teas and sign a preference slip as to the sorority they would like to belong. Pledging is set for Monday, September 28.

Rushing chairmen for the six NDAC sororities include: Ann Erickson, Kappa Alpha Theta; Joann Grimes, Alpha Gamma Delta; Dorothy Ryan, Kappa Delta; Sylvia Askew, Kappa Kappa Gamma; Francine Simons, Gamma Phi Beta; and Mary Pat Lucy, Phi Mu.

With approximately 60 girls going through rushing, each sorority may pledge 12 girls.

Rushing started September 14 with a Panhellenic get-acquainted party for all freshmen girls interested in sororities. Each group will have entertained rushees four times before the preference teas Sunday.

Cerveny On Leave of Absence; Olson Acting Coordinator

Mara C. Cerveny, Dean of the School of Home Economics at NDAC has been granted an indefinite leave of absence from her duties according to an announcement in the president's office. Dean Cerveny, who has been undergoing treatment at Rochester, Minnesota several weeks, requested the leave for recuperating from her illness.

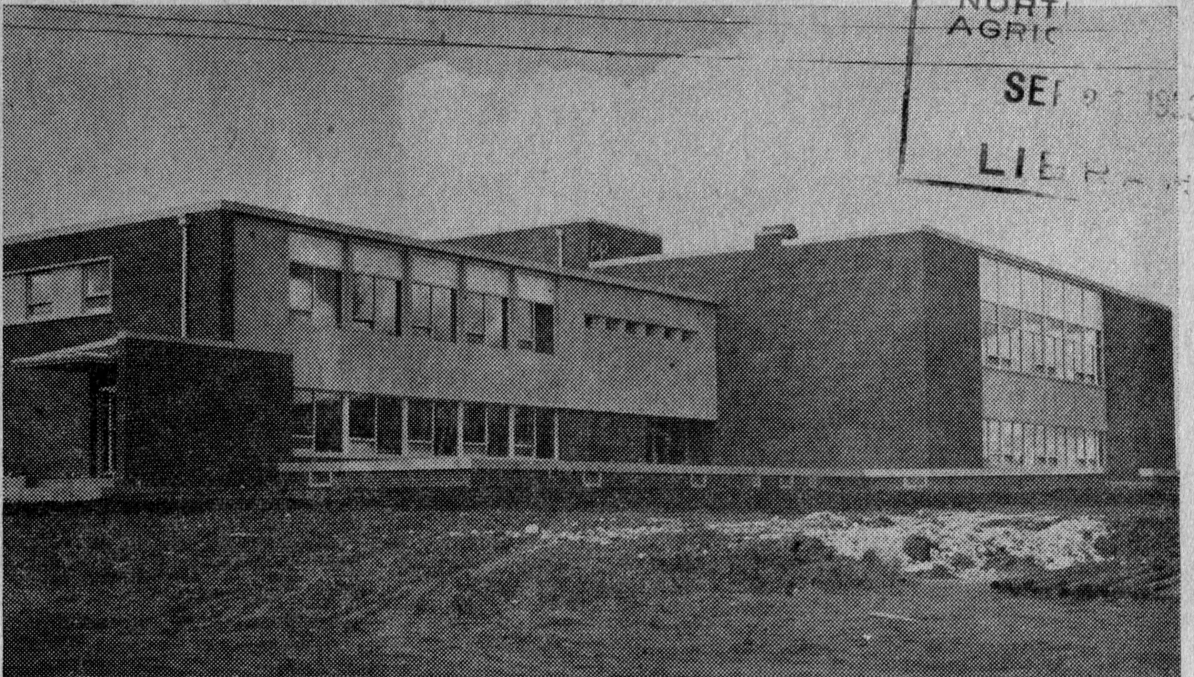

In the absence of Dean Cerveny, a council of Department Chairmen will act as a committee on policy matters with Mrs. R. L. Olson, former staff member of the school, acting as coordinator. Mrs. Olson, in addition to handling the duties, will be in charge of preparations for moving into the Home Economics building which is scheduled to open within a few weeks.

Selective Service Test Information Available

Applications for the November 19, 1953 and the April 22, 1954 administrations of the college qualification test are now available at selective service system local boards. Eligible students who intend to take this test on either date should apply for an application and a bulletin of information.

Following instructions in the bulletin, the student should fill out his applications and mail it immediately in the envelope provided to SELECTIVE SERVICE EXAMINING SECTION, Education Testing Service, P.O. Box 586, Princeton, New Jersey. Applications for the November 19 test must be post-marked no later than midnight, November 2, 1953.

According to Educational Testing Service, it will be to the student's advantage to file his application at once, regardless of the testing date he selects. The results will be reported to the student's selective service local board of jurisdiction for use in considering his deferment as a student.

THE MEMORIAL STUDENT UNION BUILDING

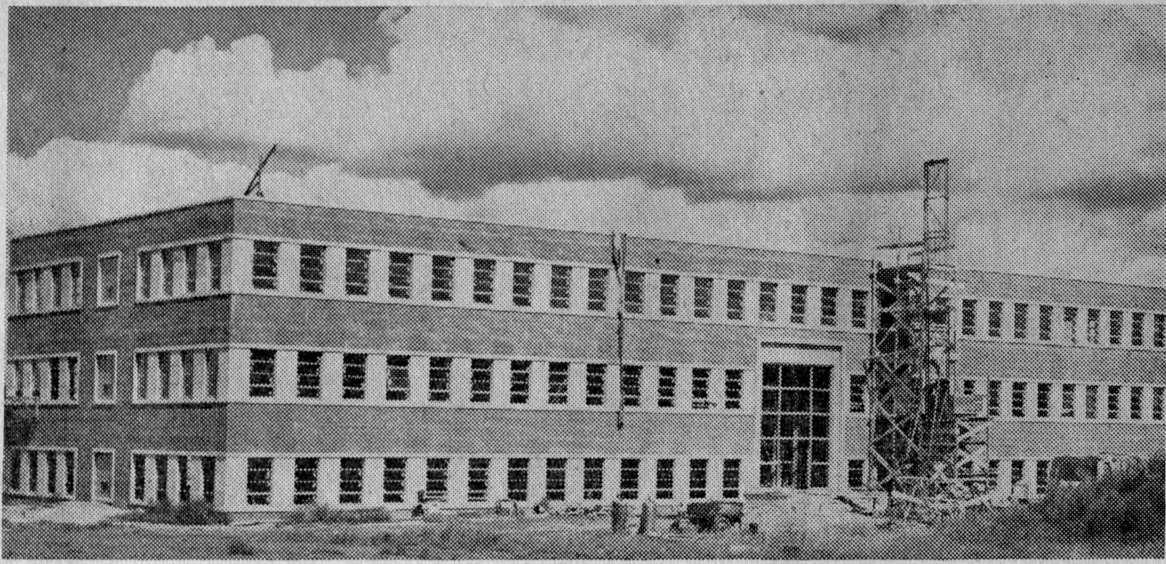

The Logan Bindery, 502 N. Prior Ave., St. Paul, Minn.

Talking over rushing parties, classes and college life in general are these six freshman girls. Sitting in front are, left to right, Sally Anderson and Mary Kay Swanston. Second row left to right are, Janet Monson, Shirley Kjos, Katherine Aarnas and Helen Snyder.

10890

Home Economist' Dream . . .

THE NEW HOME ECONOMICS BUILDING

The contractors are moving rapidly toward completion of the new home economics building on North College Drive near the Field House. Work is progressing satisfactorily on all segments of the job. The shell is complete, all windows in, and the plastering is going to begin soon. Contracts for the built-in equipment, like shelves, book-cases, cupboards and student storage space have been completed.

Work yet to be started includes mostly only the finishing touches. The painting, wood-work finishing, floor-laying and the installation of the wide variety of equipment to be installed in the modern structure, plus the ground-finishing and

sidewalks are bulk of the remainder before occupation can begin.

The equipment and facilities for the home economics girls will include new testing and home use ideas. The ground floor of the three story structure will house a large assembly room and stage, with connected demonstration kitchen equipment. A household equipment lab, two related arts labs and the art department staff offices, plus a modern textiles lab with many new testing machines, such as a laundrometer, fadometer and a testible tensile-strength tester.

On the second floor will be two clothing labs, a family room, a

large conference room, the dean's and secretaries' offices. The clothing staff offices, a home economics education lab and a large related arts classroom.

On the third floor will be nutrition lab, a meal preparation lab, three food and nutrition preparation labs, a dining room, staff offices for the food and a nutrition department lab.

Acting home economics dean, Mrs. Ella Olson, said she hoped to see occupation begin the winter quarter, making room in the Ceres Hall space for the nursery and child development center, and allowing new expansion of space both for students and faculty.

Social Spy . . .

Collegians Exchange Pins, Rings, Vows During Vacation

by Grace Lehman

And hello again. Well, the old spy had her eyes tested this summer and is headed for another profitable year at the typewriter.

The jewelry business was at an all time high for many of our colleagues this summer. Several took the fatal steps to the altar and many are still contemplating those steps, not to mention those who are pinned.

STILL AT A DISTANCE

. . . from marriage are Kappa Joan Keller and Paul Williams. Paul transferred from the North where he was a Phi Delt.

. . . Gamma Phi Darlene Sauers is engaged to Paul Boorman, ATO alum of a year.

. . . Harriet Amble, KAT alum, is engaged to Harry Swanke of Kappa Sig.

VOWS WERE SPOKEN

. . . during the summer by Barb MacMurray and Tom McLeod. They will both be back in school this year.

. . . Joan Haberman, KAT alum, and John Vogel were married this summer.

. . . Kappa Pat Carlson and Jack Werlein were married in August. . . Ted Stoa, ATO, and Phyllis Quicggley are married.

. . . Bev Woods, Gamma Phi, and Al Edwards are married and are both teaching in Lancaster, Minn.

. . . Maureen Nygaard, KD, married George Arnson, Kappa Psi alum.

. . . Bob Johnson of SAE is married to Janet Walker.

. . . Angie Pudwell, AGD, is married to Ev Harrison of ATO.

. . . Mary Severson, Kappa, married Ray Curtis.

. . . Arlene Skjelset, Gamma Phi, is married to Carroll Drablos of Sigma Chi.

. . . ATO Bob Mutchler and Ione Hegge are married.

. . . Gamma Phi Jean Bolmeier is wed to Ed Boerth, Theta Chi.

. . . Our own Grut Anderson is married to Bettye Coleman.

. . . ATO Don Anderson and Donna Chartier of MSTC wed.

. . . Don Johnson, Sig pledge, is married to Alda Haroldson.

. . . Phyllis Knight of Phi Mu married AGR Dick Clark.

. . . Dale Bergland of AGR is married to Sherry Skjeldahl, KAT from Grand Forks.

. . . Carolla Thornberg, Phi Mu alum, married Gus Katzke of Sigma Chi.

. . . Lee Sturlegson, AGR now attending the U. of M., is married to Bonnie Marchart.

. . . Ann Ensrud, KAT, wed Gene Erickson.

. . . Phyllis Silliman of Kappa is married to Ozzie Twedt of SAE.

. . . Janet Wolbert, KAT alum, married Jim Swanson.

. . . Andy Lindvig of Sigma Chi is married to Joyce Klakeg, Theta alum.

. . . Phyllis Herbison of Kappa is married to Duane Erickson of AGR. **AND THEY'RE PINNED**

. . . Neysa Henderson of KD is pinned to Tom Monteith of Kappa Psi.

. . . Avis See is wearing the SAE pin of Curt Erickson.

NEW ACTIVES

. . . and wearing the ATO pin are Ron Abrahamson, Sam Erickstad, Jerry Moyer and Frank Meyers.

. . . after a week of work and wearing the SAE pin are Guy Emabnit and Cecil Reinke. Ray Harchanko, Jim Akeson, Jack Westgaard and Don Barke will be initiated Monday night.

AND SO ON

. . . week after week, so keep reading and one of these days you'll see your own name listed as a subject of this, the SOCIAL SPY.

Gilmore Gets Fulbright Scholarship To Study Chemistry In Germany After Air Force Duties

John Gilmore, NDAC chemical technology graduate of 1953, has been awarded a Fulbright scholarship in organic chemistry to the University of Koeln, Germany, for the academic year 1953-54.

Gilmore, who was commissioned a second Lieutenant in the air force reserve during June 1 ceremonies held on the NDAC campus, had been assigned by the air force

the University of California, Berkeley, prior to receiving the Fulbright grant. Deferment of one year will be necessary before he can accept the grant for study abroad.

During his attendance at NDAC, Gilmore was a member of the American Chemical Society (membership in the organization was given him by the NDAC Chemistry club as recognition for outstanding work in chemistry); and of Phi Kappa Phi, scholastic honorary. He worked for three years as an assistant in the Experiment Station chemistry laboratory.

The grant is one of approximately 900 made for graduate study abroad during the 1953-54 school year. The United States Educational Exchange program is designed to "promote a better understanding of the United States in other countries, and to increase mutual understanding between the people of the United States and those of other countries."

Geisler Accepts Job

Gerald Geisler, 1953 graduate in industrial engineering of NDAC has accepted a position with the Atomic Energy Division of the DuPont company. He will work on the Savannah River Project in South Carolina.

During his attendance at NDAC Geisler won three varsity letters in basketball, was a member of the Letterman's Club for which he served as vice president during his senior year, and the American Society for Mechanical Engineers.

Pastimes . . .

Weeks Entertainment Includes Local Movies, Horace Heidt, "Room Service"

by Don Berger

By now the novelty of studying must have worn off and you'll be searching for something to do. Here are a few suggestions.

If you're going to the movies this weekend, you might try "Stal-

ag 17" at the Fargo theater. Producer-director Billy Wilder has brought to the screen a story of life in a nazi prison camp which carefully mixes ingredients from comedy to suspense. William Holden gives one of his polished performances. "Stalag 17" ends its run Tuesday.

Tuesday, September 30, "Houdini starts at the Fargo for a six day run. Husband and wife Tony Curtis and Janet Leigh play Mr. and Mrs. Houdini. The film shows many of the famous magician's tricks but disappointingly doesn't reveal the secrets.

"The Stranger Wore a Gun" is on at the Towne theatre until Monday. Randolph Scott must be the stranger with Claire Trevor, 3D and color adding the interest. "Thunder Bay" with James Stewart, Joanne Dru and Dan Drugea follows the "Stranger". "Thunder Bay" also is in color but you won't need your polaroid glasses.

The Moorhead brings Doris Day and "By the Light of the Silvery Moon" back to town through the 27-29. That is if "Lilli" has finished its holdover.

El Zagal Temple is sponsoring the Horace Heidt show "The American Way" at the Field House September 29 at 8:30. Those who saw his show the last time it was here remember how great it was.

The Fargo-Moorhead Community Theater opens their season this year with the play "Room Service," October 1-3 at the Ben Franklin school auditorium. A popular farce comedy, "Room Service" was adapted to a movie starring the Marx Brothers in 1938. Tickets at Daveau's.

If you're broke there's always the radio. Mr. Robert Dietz, from our own music department, has a program of recorded classics Tuesday and Thursday nights from 11.10 p.m. until midnight over WDAY.

"Dewey's Follies" are on KVOX from 10:15 to 10:55 p.m. every night followed by "Mike at the Mike". Mike manages to squeeze in a few records between commercials.

"Dagnet" is on NBC Tuesday nights now.

If these suggestions haven't helped, you'd better find a friend who owns a television set.

Schoff Lists Convo Schedule For Term

The return engagement of an exceptionally popular speaker shares interest with the Homecoming athletic rally and the traditional Christmas Sing among fall term convocations, according to F. G. Schoff of the convocation committee.

Howard Pierce Davis, who drew enthusiastic student comment a few years ago, will lead off the year's convocations with another talk on international events Monday, October 5.

Later in the fall term, Konrad Wolff, pianist, will both talk and play in a lecture-recital.

The Christmas Sing, in which the college band and chorus both take part, and the Homecoming rally complete the fall convocation schedule.

Student Of The Week

Nick Westman, senior enrolled in Agriculture, was recently chosen as Commissioner of Campus Affairs. Other activities in which

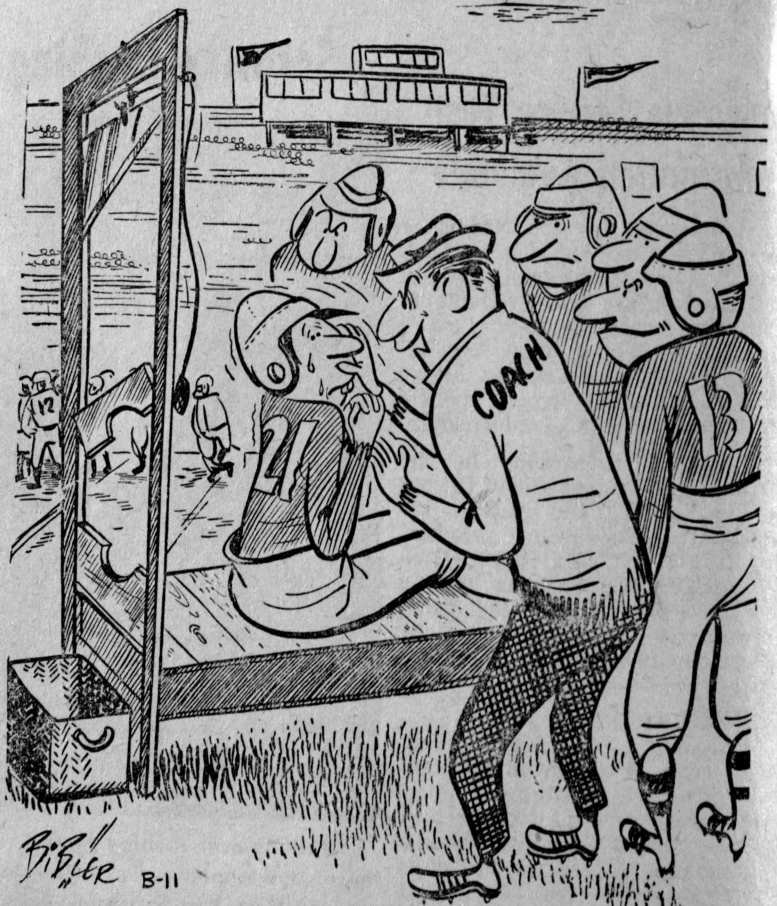

Nick Westman

Westman participates in are a two year member of the Student Senate, a member of the Radio board, student union board, and board of finance; vice-president of Alpha Gamma Rho, and Interfraternity Council, member of Engineering Council; former vice president of ASAE; president of Blue Key, national honor service fraternity; director of 1952 homecoming queen contest; and associate publicity director for the 1953 Bison Breveties.

Pictured above from left to right are Paul Werner, Bob Lauf and Jack Westgard. These men will furnish much of the needed line power when the Bison open their title bid against Morningside.

Notre Dame Most Outstanding Team Eighteen Lettermen Boost State Squad

The Irish of Notre Dame are the pick of 171 sportswriters and broadcasters to be the outstanding college team of 1953.

The voters, polled by The Associated Press, put the Irish first on 84 of the ballots and shoved Michigan State, Winner of the 1952 honors, to second place. Georgia Tech was a close third to the Spartans, each club getting 24 votes for the number one spot in the annual pre-season poll.

The University of California at Los Angeles and Alabama complete for the closely bunched top five and are followed in order by Oklahoma, Ohio State, Southern California, Maryland and Duke.

The placing of Notre Dame at the top of the heap is another big step in the Irish comeback since the graduation of the mighty 1949 team. The Irish were out of sight during the final polls of 1950 and 1951 but last year had climbed back to third place at the end of the season behind Michigan State and Georgia Tech.

Alabama Loses In Major Upset

Little Mississippii Southern rose up under the one-platoon rule to shock the sports world by defeating Alabama 25 to 19 Friday night to kick off a predicted "year of upsets".

Alabama was voted the number five team in the Nation in the first Associated Press poll and picked to be the country's best by no less an authority than Grantland Rice.

In other major upsets Colorado edged Washington 21 to 20, College of the Pacific trimmed Stanford 25 to 20 and Louisiana State University rolled over Texas 20 to 7.

Fougner Rejoins Bison On '53 Football Squad

Don Fougner, a regular at fullback on State's NCC runner-up team in '52, has rejoined the Bison for the remainder of the season.

Fougner was released from a draft call to enable him to finish his college education. He joined the squad just in time to be of use in the contest with Detroit.

BULLETIN

All organizations that desire to participate in intramural football must report to room 204 in the Field House Monday, at 4:15 p.m. There is a three dollar (3.00) entry fee.

ND State Bows To Titan 33-6

A fourth quarter pass from Frank Esposito to Roger Wolf carried for 40 yards and the Bison's only touchdown in their 33 to 6 defeat at the hands of Detroit before 18,000 fans in the Titan's stadium Friday night.

Detroit first drew blood in the first period when Ray Zambiasi intercepted a pass on the Bison's 23 and ran it back for the score. Zambiasi then kicked for the extra point.

The Titan's second touchdown followed their recovery of a fumble by John Sowa on the NDAC 29.

For their third touchdown the boys from the Missouri Valley Conference intercepted Esposito's pass on State's 11 and drove on to the end-zone.

Dennis McCotter then kicked for the extra point to bring the score to 20-0 at half-time.

In the third period interceptions hurt again when Lee Riley took an Esposito pass from punt formation on the Detroit 34 and ran to the NDAC 31 to break up a Bison march.

Bob Burgmeier cracked over from the three and McCotter kicked the conversion to bring the score to 27-0. Then came the Esposito-Wolf pass which accounted for the Bison score.

Detroit's last score came when Frank O'Conner ran into the end-zone from State's 10.

SCHEDULE

North Dakota State will have an open date this week as they prepare to begin a tough conference schedule.

This season the Bison will be seeking their first North Central championship since 1932.

The remainder of the schedule is as follows.

- Oct. 3—Morningside
- Oct. 9—ISTC
- Oct. 16—South Dakota
- Oct. 24—SD State
- Oct. 31—North Dakota
- Nov. 7—Augustana

Swimmers Meet

All students interested in organizing a swimming group are invited to come to the Faculty Lounge in the library, Tuesday at 3:00 p.m.

The meeting is being held to set up a swimming group and both men and women are invited.

Wenskunasmen Edge Cobbers In 7-6 Opening Contest

The NDS Bison cashed in on an extra point conversion by Frank Esposito to take the better half of a 7-6 contest with Concordia before some 4,500 fans at Dacotah Field September 12.

Esposito's placement followed a 15-yard second quarter touchdown sweep around the Cobber's left end by Roger Wolf of Mott. Wolf's 6-point dash climaxed a 64 yard drive which began on the Bison 36 where Bob Lauf recovered a fumble by Concordia's Dale Sandstrom. Two identical pass plays from Esposito to Glenn Hill cut through the cross-towners defense to add 29 yards to the drive.

Concordia then took the kickoff and drove 76 yards for its touchdown. Sandstrom, Don Kerlin and Curt Holt sparked the Cobber drive which ended with a two yard scoring plunge by Jack Hinman.

Jake Christensen's crew failed to gain a tie when Earl Olson's attempt to run for the extra point was stopped by the Bison right end Glenn Hill.

The second half saw Thurm break through to block Stein's kick on Concordia's 28 after the Cobbers failed to make any gain following the kickoff. However, the Bison could get no further than the 24 before relinquishing the ball on downs.

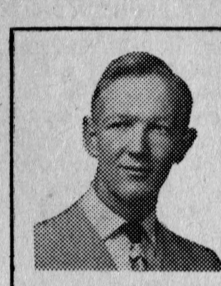

NDAC next regained the ball when Sowa fell on Sandstrom's fumble on the Cobber 48. The Cobbers in turn regained the offensive when Hanson fell on a bobble by Esposito on the NDAC 49.

Concordia then marked to State's 21 where the Bison held to take the ball on downs.

Then following an exchange of punts the Bison were forced to kick

Bison Gain Experience In Detroit, Cobber Tilt

The University of Detroit won its opening ball game of the season when the Titans outscored the Bison Friday night. And What a ball game it was! 33 to 6 looks like a one-sided affair, but if you saw the television version Monday night you know that it was anything but that.

Chalk Talk

by CECIL REINKE

Admittedly Dutch Clark's men clearly dominated the contest with their superior power, but the throwing arm of Frank Esposito, which is a constant threat to all State foes, kept the game interesting to say the least. And had the Bison not been plagued with fumbles and interceptions they could possibly have added

another to last weekend's long list of upsets.

Firm confirmation of the great ball game played by Mac's boys came in the form of thunderous applauding by Detroit fans as the regulars left the game in the closing minutes.

Detroit won a ball game, but it can never be said that the Bison lost anything—least of all face. NDAC was the underdog in every sense of the word when they took on the team representing a school more than three times as large as ours and a conference, the Missouri Valley, which can hardly be classed with the NCC.

Grantland Rice picked the Titans to come out no less than second place in the Missouri Valley—that's putting them above Oklahoma A&M, Tulsa and Wichita—so it is very possible that in the near future the Bison efforts may look even better. I'll keep you posted.

Undoubtedly the most important thing the North Dakota State squad gained from the contest was experience, for after taking on Detroit, competition with teams of their own size will seem much easier.

Views on Bison-Cobber Game

Many fans still think that Concordia got robbed by old man luck in their 7-6 defeat by State. The Cobbers came up with the big numbers in the statistics column and "statistics don't lie". I agree that statistics don't lie but they don't always tell the complete story either, and it's still true that a good football team makes it's own luck.

In every football game there are always a few crucial plays which spell the difference between victory and defeat. And when the chips were down the Bison came through one-hundred percent.

State refused to be held the first time they were near enough to the goal line to be a definite threat. And with perfect weather for kicking, they had in Esposito a man who could boot the conversion.

The AC gridgers failed to hold as Jack Hinman plunged over from the two yard line for the Concordia touchdown, but since that scoring play left the Cobbers behind it can hardly be called crucial. However, the extra point attempt could have tied the score; so here again State held tough as Glen Hill stopped Earl Olson's attempt to sweep his end with a beautiful low-shoulder tackle.

In the closing minutes, when a Concordia drive put the Cobbers with a first and goal on the Bison 7 Mac's men again proved they could make their own luck as buckled down to deny the opposition a score.

NCC National Recognized

The North Central Conference received its best and in reality its first recognition by any of the annual major college football magazines this year when it was given a three page spread in Street and Smith's Football Yearbook.

Bob Busby, a sportswriter for the Kansas City Star and a recognized expert on ball doings in this section, wrote the article covering the NCC and in it picked North Dakota State to win the championship, with ISTC running a tough second. Busby also paid a fine tribute to State's coach, Mac Wenskunas, and to Benny Noland, Bison halfback and NCC "most valuable player" in '52.

The magazine also carried pictures of Bob Lauf, Frank Esposito and other conference standouts.

Conference Events

Iowa State Teachers travel to South Dakota State and Augustana invades the North Dakota Sioux this coming Saturday to kick off competition for the NCC title.

Down at South Dakota University Coach Harry Gamage will pit his varsity against the SDU freshmen to fill what was originally an open date.

The Bison will use their open date to get into shape for conference competition.

Last weekend Morningside tipped Wayne TC in a 21-7 contest and NDU defeated Bemidji TC 21 to 13 for the only inter-sectional victories scored by NCC teams.

North Dakota State, South Dakota State, South Dakota University and Augustana came out on the bottom of contests with Detroit, Marquette, Iowa State and Huron respectively.

It was the second defeat for the boys from Augustana who fell before Wayne TC 19 to 0 September 18.

Home Ec . . . Spring Graduates Announce Positions

Miss Lucile Horton, chairman of home economics education NDAC, has announced placement of twenty-eight 1953 graduates from the College' school of home economics.

The following, who received diplomas during commencement exercises June 8, have accepted positions within the state of North Dakota, and will commence teaching in September, 1953: Carol Bahr, Bowman; Dorothy Bjerke, Finley; Janice Bohn, Cando; Florence Geiszler, Wishek; Marlys Christensen, Wheatland; and Beverly Ewald, Riverdale.

Lois Fitzloff, Agassiz Junior high school, Fargo; Avis Hoeft, New England; Rita McConnachie, Tower City; Mary Pat Murphy, Wahpeton; JoAnn Pfeifle, Garrison. Barbara Snyder, Litchville; Ardyce Sjaastad, Stanley; Donna Wohl, Mayville; Phyllis Wyum, Hettinger; Gail Lohse, Page; Genevieve Ruthford, Taylor; Mary Wanner, Buffalo.

The following graduates in home economics have accepted positions with the Federal Cooperative Extension Service in North Dakota: Betty Fors will be home demonstration agent for Richland County with headquarters in Wahpeton; Mrs. Beatrice Grohdahl is the new home demonstration agent in Nelson County with her office in Lakota.

Mrs. C. O. Anderson of Fargo will be home economist for the Northern States Power Company of Fargo.

Those who have accepted teaching positions out of the state include: Catherine Casey at Valier, Mont.; Renee Haas, Mountain Home, Idaho; Delphine Lindemann, Annapolis, Md.; Betty Ruby, Climax, Minnesota; Mrs. Juanita Olson Tewksbury, Barnesville, Minn.; Beverly Woods, Lancaster, Minn.; and Dorothy Pederson of Minnewaukan, has accepted a teaching fellowship at the University of California, Berkeley, Calif.
