Bachelor Of Science Degrees Awarded; Seven Receive Master-Science Degrees

The Committee of Academic Standards has approved the following names of candidates for Bachelor of Science degrees. Candidates from the School of Agriculture are Leonard Dalzell, Ole Flaot, William Henry, Lucious Johnson, Charles Moilanen, and Willis McKay.

Applied Arts and Sciences graduates include Thomas Gunkelman, R. Burton Hutton, Andrew Lind-

vig, Gerald McCoy, and Evelyn Mohberg; School of Education, Bennie Noland and School of Chemical Technology, Daniel Dustin, Donald Wahlgren, and Paul Nickel.

Graduating from the School of Engineering department of agricultural engineering, are John Babinski, Ernest Blickensdefer, Donley Eyolfson, Hubert Senechal, and Wallace Trieber; department of civil engineering, Dewey A'bers, Richard Brown, Peter Metz, and Richard Rogness; department of electrical engineering, Thornton Becklund and from the department of mechanical engineering, Carl Brezden, Rodney Erickson, Knute Henning, Richard Osman, and Vern Peterson.

School of Home Economics graduates are Virginia Falter, Lucille Doone, Neysa Henderson, Gladys Rust, Grace Thayer, Eleanor Unger, Barbara Wilson, and Eleanor Woodward.

Those who will receive Master of Science degrees are John LaLonde, Richard W. Munding, Rudolph Schroeder, and Edward Walsh from the School of Chemical Technology and Robert Crippen, Pearl Eloffson, and Melvin Stutrud from the School of Education.

WSSF Carnival Set Saturday, Feb. 6

The 1954 WSSF carnival, sponsored annually by Blue Key for the World University Service, will be held February 6 in the Field House. Organizations on campus are arranging for various booths and other entertainments.

The profits of the carnival will go to the World University Service, which aids students in other countries to continue with their education, and to relieve hardship for these students in foreign colleges.

Toring Appointed Business Manager

Announcement has been made by Dr. Fred S. Hultz, NDAC president of the appointment of Miss Edythe L. Toring as Business Manager of NDAC, succeeding Forrest F. Skinner whose health has made it necessary to relinquish his duties of that office.

Miss Toring has served as Assistant Business Manager of the College since 1941 and was acting Business Manager from 1945 to 1946, while Skinner was in military service. She is a native of Enderlin and was graduated from Valley City State Teachers College. Before coming to Fargo, Miss Toring taught school for two years and was in business in Valley City.

B. B. Brandrud, Bismarck, will succeed Miss Toring as Assistant Business Manager. Brandrud, a graduate of the University of North Dakota, is presently auditor for the Board of Higher Education. He will report for duty at NDAC as soon as a successor for the Board position is secured.

Having been Business Manager for the College since 1939, Skinner was previously auditor for the Board of Administration in Bismarck for 16 years. Skinner, a native of Glenwood, Minn., will now be in charge of the College book store, cafeteria, office supply room, laundry, and inventory, with the title of Superintendent of Services.

He will also continue to serve as Military Properties Custodian in the Reserve Officers Training Program.

University Women To Sponsor Opera Movies At Moorhead Theater

The American Association of University Women, Fargo branch, will sponsor a series of three opera movies to be shown at the Moorhead Theater.

The first opera is to be **FAUST**, Feb. 16-18; the second is the **THE BARBER OF SEVILLE**, March 16-18; the third is **LA TRAVIATA**, April 20-22.

Student tickets for the series are \$1.20 and may be obtained from the following members of the faculty: arts and science—Miss Matilda Thompson, Mrs. Donald W. Bolin, bacteriology—Dr. Lois Almon and Dean of Women—Miss Pearl Dinan.

Home economics—Mrs. Roy Olson, Misses Wilbur Armistead, Christine Finlayson, Mildred Hawkins, Lucille Horton, Majore Loving, Emily Reynolds, Eileen Satre, Mildred Schmidt, Lorrissa Sheldon, Elvira Smith, Eleanor Virgin, Kathryn Weesner; Library—Misses Dagmar Hedin, Margerette Sullivan; Phy. Ed—Mrs. Neva Anderson.

The Association sponsored a similar series of opera movies last year. Proceeds are used for community projects.

All-College Hop

An "After-the-Game" dance will be held Saturday, January 30, following the NDAC-Concordia basketball game. Walt Junkin and his orchestra will provide music for dancing until 12 in the Memorial Union ballroom.

The dance is sponsored by the student union activities board.

Deadline For Snow Sculpture Contest Scheduled Friday

Bruce Olson, contest chairman for the annual snow sculpture contest, sponsored by Alpha Phi Omega Fraternity, has set Friday, February 5 for the final judging of snow sculpture. Entries must be in no later than Wednesday, February 3. Modern art is the snow sculpture theme for 1954.

Sororities and fraternities will stage separate contests this year with a traveling trophy and a loving cup going to the winning sorority and the winning fraternity. This will change the previous policy of the joint participation of sororities and fraternities competing for the same award.

Alpha Phi Omega fraternity has sponsored the snow sculpture contest on the NDAC campus since 1948 and was the first fraternity in the nation to sponsor such a contest.

Awards to the first place winners in the contest will be presented on Saturday, February 6 at the World University Service Fund Carnival.

Rasmussen Awarded Distinguished Student

Ronald Rasmussen

Ronald Rasmussen—Ag. Senior, has been awarded "Distinguished Military Student" in the Army ROTC program, according to Lt. Col. Otto B. Cloudt, Jr., PMST.

Mr. Rasmussen was selected by the professor of Military Science and Tactics for possessing outstanding qualities of leadership, high moral character and a definite aptitude for the Military Service. He must also remain in the upper half of his class according to academic averages, must demonstrate his leadership ability through achievements in campus activities, and must have a sufficient standing in military subjects.

Ronald is a member of Alpha Gamma Rho Fraternity, belongs to Alpha Zeta, National Agriculture Fraternity and has been on the livestock judging team. In ROTC he is Commanding Officer of Company "D", and is a member of Scabbard and Blade, National Honorary Military Society.

Rasmussen, along with Bob Lauf, who was selected Distinguished Military Student last quarter, is eligible to apply for a direct commission in the Regular Army, while all other cadet seniors are commissioned in the Reserves.

Y Entertains Wives

No baby sitters needed on the afternoon of February 2 for the wives of the married students.

The YWCA Sophomore Commission will entertain the wives at a tea in the Fireside room of the College "Y" from 3:30 to 5 p.m. There will be a nursery in the YMCA room for those with small children.

Tourel, French Recitalist, Featured At Friday Lyceum

Jennie Tourel

Activity Cards Valid

Activity cards will admit NDAC students to the lyceum series presentation featuring Jennie Tourel, famous song recitalist, on Friday, February 5, in Festival Hall at 8:15 p.m.

Miss Tourel made her American concert debut in 1942 with Arturo Toscanini and the New York Philharmonic. Before this she appeared as a star in the Opera Comique in Paris.

Currently touring the United States for the eighth time, Miss Tourel has sung concerts twice in South America. She has made three post-war tours of Israel and six of Europe. On all of these appearances Jennie Tourel has been hailed by critics as a great artist.

This is the third lyceum of the 1953-54 season.

Singers . . .

Choir Leave For Tour February 14; Group Boasts High Scholastic Average

Fifty-four members of the NDAC choir will leave on tour February 15, under the direction of Ernest Van Vlissingen. Their appearances are set for Jamestown on February 15, Mott on February 16, and two concerts at Mandon on the 17th.

The chorus will sing the "Mass in G Major" by Poulenc, "Now Let Every Tongue Adore Thee" by Bach, "Advent Motet" by Schreck, "Ceremony of Carols" by Britten, "Willie Take Your Drum", Burgundian folk song arranged by George Stricking, "Soon Ah Will Be Done", a spiritual arranged by William Dawson, "Fine Old Country Gentleman" by Purcell, "Oklahoma", & "Battle Hymn of the Republic" arranged by Wilhousky. Soloists will be Jackie Brekken, Carol Kirkhus, and Patricia Nott.

The overall average of the chorus this year is 2.85, with the averages for men and women being about the same. By sections, the averages are as follows:

First soprano, 2.89; second soprano, 2.85; first alto, 2.81 second alto, 2.87; first tenor, 3.21; second tenor, 2.76; first bass, 2.81; and second bass, 2.67.

Members of the choir are: first sopranos—Dorothy Asker, Jacolyn Brekken, Patricia Connelly, Patricia Ebeltoft, Carole Kirkhus, Patricia Knott, Aina Malta and Janet Vick; second sopranos—Judy Baumann, Gail Fitzloff, Holly Howell, Ruth Olwin, Barbara Pederson, Francine Simons, Ruth Tallackson, Arline Tiegen.

First altos—Evelyn DeKrey, Patti Jones, Jocelyn Kirkhus, Beverly Krause, Ila Langseth, Avis Palmer, Jo Ann Willert and second altos—Sally Burchill, Phyllis Gehring, Coleen Kandt, Joan Keller, Rebecca Kuehnel, Dorothy Lund, Vivian McAuley; first tenors—Jerry Clafy, Roger Gurley, James Hitter, Wesley Rae, Clyde Stauffer, Jerry White.

Second tenors—Charles Abrahamson, Dwight Baumann, Burton Light, John Lommel, Allan Olson; first basses—Richard Berg, Keith DeVillers, Gerry Goetz, Gary Gibbons, Richard Novotny, Duane Swenson and second basses—Floyd Bertsch, Brian Rase, Bob Gion, Gary Lunde, Ronald Smith, Ray Horne and accompanist—Allan Drege.

Play Tryouts Thursday

Tryouts for the next bill of arena plays will be held in the speech department's Arena theater on Thursday, February 4, at 4 p.m.

Casts and one director will be selected. The productions are Terrence Ratigan's "The Browning Version" and "Unto Such Glory" by Paul Green.

F-M Forum Offers Panel Discussion

The Fargo-Moorhead Open Forum will present a panel discussion at the next scheduled forum which is on February 2. The panel will be made up of foreign exchange students from four countries.

Panel members include Majuddin M. Jeffer from India who is presently a student at North Dakota University; Stephen Yanai; also of the University of North Dakota, who comes from Japan. The third member of the panel will be Samira Ismir, Arabia, presently attending Concordia, and NDAC student Seifoullah Lofti, whose homeland is Iran.

The open forum will feature a question and answer period after the discussion, the topic of which is "Problems of the Near and Far East". It is scheduled for the Emerson Smith High School, in Fargo at 8 p.m. No charge will be made for admission.

Little International Entry Deadline Set

All students interested in showing livestock or small grain in this year's Little International, which will be held March 13, are again reminded that the deadline for picking animals is February 6.

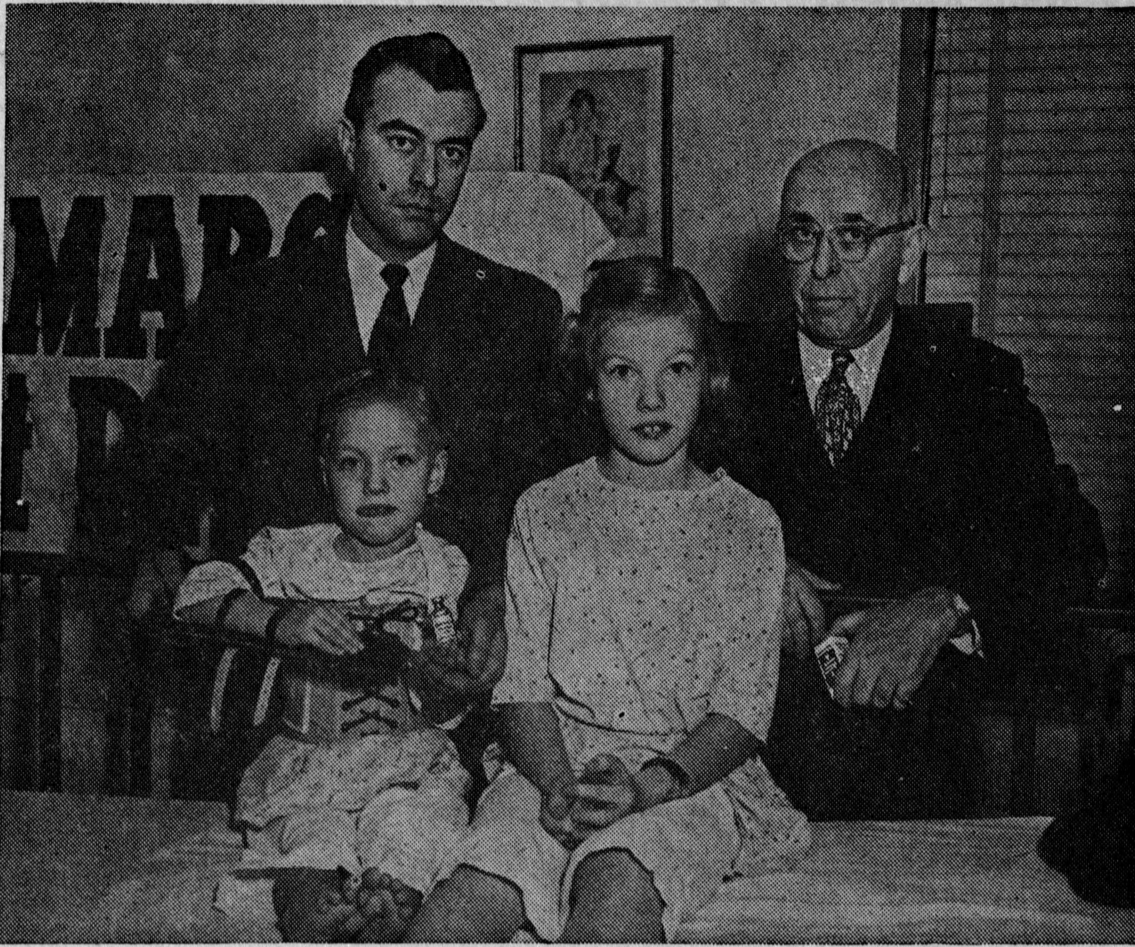

All interested persons who have not picked animals are asked to be at the Livestock Pavilion at 1 p.m. on February 6 where transportation will be provided to and from the barns.

Posters and contest regulations pertaining to the crops show are located in the Men's Residence Hall and Morrill Hall. Divisions in this year's crops show are small grains, legumes, and horticultural crops. Persons are asked to sign the entry sheet located in Morrill Hall or contact Roger Lambie on or before February 6.

Kappa Epsilon Initiates

Kappa Epsilon, national honorary pharmacy sorority, pledged two new members at a recent meeting. The pledges are Elizabeth Jirgen-son and Mary Ostland.

Polio, It Could Strike At You!

"I hope this keeps you from getting polio," says Ronald Thorson, age three, as he holds out a vial of the new polio vaccine with the aid of James Fenelon, North Dakota Representative for the National Foundation for Infantile Paralysis. Ronny, with his airplane splint aloft, sits beside his sister Mary Ann, eight. Sam Stern, State Chairman of the 1954 March of Dimes, stands behind Mary Ann. Ronny and Mary Ann, along with their brother Jerry, seven and their mother Mrs. W. J. Thorson of Cartwright, N. D., were all stricken with polio last December. They were first hospitalized at

Minot, going to St. Johns hospital in Fargo for further treatment. Mrs. Thorson and Jerry were released from the hospital on January 16. The McKenzie County Chapter of the National Foundation for Infantile Paralysis sponsored the Thorsons hospitalization. Strong hope is being placed in the results of the field trials of the recently-developed vaccine. The field trials will take place during 1954. Mass trials which will cover every state in the nation will begin in February in the southern states, working northward with the advance of the warm seasons.

The March of Dimes Campaign, which finances all of the National Foundation projects, such as treatment and therapy for those who have already suffered from the disease and all research programs, has set a much higher budget for the 1954 Campaign. The field trials of the vaccine will have a total cost of over seven million dollars. Sam Stern, North Dakota March of Dimes Chairman recently stated. "In my sixteen years as State Chairman of the Dimes Campaign, I have never been so excited about the prospects for reducing the occurrence of polio."

Placement . . .

Ag

Employment opportunities in "Feed Sales". A representative of Cargill Inc., Minneapolis, Minnesota will be at NDAC Thursday, February 4, to interview prospective employees. They are primarily interested in men with an agricultural background.

Men hired into the feed sales training program would likely begin on the sales desk in one of the feed mills. These mills are located in Minneapolis, Cedar Rapids, Sioux City, Omaha, Kansas City, Memphis, St. Louis, and others in Texas and Mississippi.

A representative of Cargill, Inc., Minneapolis, Minnesota, will be here Thursday February 4th to interview prospective employees.

"We are primarily interested in men with an agricultural background, either through training or by having been reared on a farm or both. Men hired into the feed sales training program would likely begin on the sales desk in one of our feed mills."

These mills are located in Minneapolis; Cedar Rapids; Sioux City; Omaha; Kansas City; St. Louis; Coffeyville; Wichita Falls; Texas; Memphis, Tennessee; and Mississippi.

Interested students may check with the Placement Office in the Union regarding further information and interviews.

Chemists

Seniors in chemistry will be interviewed by a representative of the Minnesota Mining and Manufacturing company from Minneapolis, Minnesota Tuesday, February 1, in the chemistry building.

Engineers

Senior students in all fields of engineering will be interviewed Thursday, February 4, by the Chance Vought Aircraft Company and the Allis Chalmers Company in the Student Union Building.

Further information concerning any of these interviews may be obtained from the placement bureau in the Student Union.

Summer Jobs

More on summer employment opportunities. The Yellowstone National Park has openings for single men of 18 years or over with prior experience to serve as service station attendants in various parts of the park.

The jobs will continue over the tourist season, June 10 through Labor Day. There are opportunities for positions as managers and assistant managers as well as attendants.

The wages of a regular attendant run approximately \$115 per month plus free board and room. Uniforms and launderings are furnished also. The wages of managers and assistant managers run somewhat higher.

In addition to regular wages a 5% commission of all sales, other than gas, plus a 10% bonus to those who complete the season is paid.

Application blanks and more information may be obtained by writing to: Yellowstone Park Service Stations 1116 West Platinum Street Butte, Montana

Notice

All groups, student and professors, who would like to be better informed on Alaska, contact Walt Fluegel at the Men's Residence Hall. Slides and discussions. No charge.

Come To College . . .

Groups Recruit Students For College; Prepare Colored Slides Of Campus

Come To College! is the main idea behind a student recruitment program which is now in progress under the leadership of various campus organizations.

The home economics department and Blue Key are in the process of making groups of slides of different interesting spots on campus. These slides will be shown to high school students all over the state.

Blue Key plans to have different out-of-town students within

their organization take groups of slides home with them over a week end and entertain groups of prospective students by showing the slides and by holding discussions concerning the advantages of attending college. They will not necessarily stress the NDAC but college in general.

The home economics department has printed a pamphlet which contains pictures and articles about their department. This will be distributed throughout the state.

Senior Staff is also active in this program. Recently they held a luncheon in the Ceres Hall dining room and invited members of Blue Key and the home economics department to talk over plans for the program.

General publicity for this program is being carried on by the Office of Public Relations under the direction of Merle Knott.

Judging Team Gets Honors At Denver

The engine sputtered and the station wagon stopped. . . we must be out of gas. Out of gas! Not this old joke again. . .

It was the judging team from NDAC who captured 6th place honors at the Denver Collegiate Livestock Show January 15-16 who had to walk for gasoline when their station wagon ran out of gas two miles from Dickinson on the way home from Denver.

The team placed third in beef, sixth in swine and sheep, sixth in carload lots, second in carload lot bull judging. Hillman Nelson won honors by placing sixth in cattle judging. Other members of the team coached by Merle Light are Darrel Leetun, Edgar Lovitt, Dale Bergland, Larry Hovland, LaDon Johnson and Erman Ueland.

The Saddle and Sirloin club and the animal husbandry department sponsor and assist in making these trips.

Miller Receives Grant

Dr. Clifton E. Miller of the school of pharmacy has been granted an additional \$4,000 by the North Dakota Cancer Society, Inc. to continue studies on the preparation and anti-carcinogenic action of certain compounds of nitrogen and sulfur.

This work was started in January, 1953, when the Cancer Society granted Dr. Miller a similar amount.

Extension Service Schedules Institutes

Agricultural specialists of the NDAC Extension Service are in the midst of staging a series of 72 farm institutes in all 53 counties of North Dakota in cooperation with local county agents and business groups.

The purpose of the Extension Service is to disseminate information of agricultural nature to the public by lecture and demonstration. These farm institutes are just one way of doing this.

Specialists in such fields as agronomy, animal husbandry, horticulture, and marketing discuss timely farm problems and topics relating to their fields. Educational exhibits will aid in the discussions and many business concerns will have exhibits of their products.

County extension agents are making all the local arrangements. Two speakers from the NDAC Extension Service will appear each day and at each institute. All meetings are open to the public.

'The Unpredictables'

Preparing for next week's show are Hal Miller and Lois Stewart. Lois is looking for a three letter word beginning with X for their current contest. Hal is busily giving his nails that final trim.

The "Unpredictable Hour" is heard every Tuesday evening from 8:05-8:50 over Campus radio. Incidentally, they do play records too!

Student Government Amends By-Laws

The following changes have to be made to the Student Government By-Laws:

Article II, Section 2, shall read: They shall meet at least three times per academic quarter and whenever meetings are called by

the President.

Article II, Section 4, shall read: The Senate shall meet at least three times each academic quarter and whenever meetings are called by the President of Student Government.

Hill Attends Math Association Meeting

Professor A. Glenn Hill, chairman of the department of Mathematics at the North Dakota Agricultural College, will attend a meeting of the executive committee of the Minnesota Section of the Mathematical Association of America at the College of St. Thomas, St. Paul, Minnesota on Saturday, January 30. Professor Hill is the president of the Minnesota section for the 1953-54 year.

The delegates will arrange the program for the 1954-55 year.

Awards Available To Chemistry Graduates

The NDAC department of Chemistry announces over \$16,000 in awards available to graduate students in Chemistry. Applications should be in by March 15. Official blanks can be obtained from the Dean of Chemistry.

The awards are open to graduates from seven fields: organic, physical, inorganic, biological, analytical, agricultural, and paints and varnishes.

This announcement has been sent to all the colleges and universities in the Middle West. Replies and applications have been received from Maryland to California and also several foreign countries including Canada, India, and Formosa.

5

questions

Chance Vought Aircraft's
Guided Missile "Regulus"

- 1 How much job security might I expect in a position with the aircraft industry?
- 2 What opportunities would I have to further my education?
- 3 What would my starting salary be and how much opportunity would I have for professional advancement?
- 4 Would my professional training and ability be fully utilized in the aircraft industry?
- 5 How do the cost of living and housing conditions in the southwestern area compare with those of other sections of the country?

1

answer...

CHANCE VOUGHT
AIRCRAFT
INCORPORATED

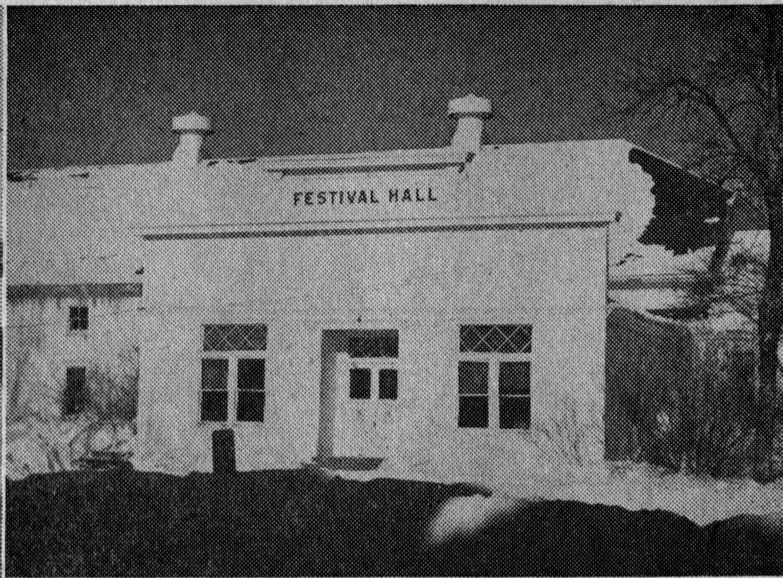

Dallas

Texas

For the complete answer to these questions and others that you might have regarding engineering employment at Chance Vought Aircraft, contact our representative, Mr. H. M. Gaebe, who will interview at your Engineering Placement Office on February 4, 1954.

Beware Of Fires . . .

Pictured above at the left is a building which burned recently in downtown Fargo. This was the second costly fire within two weeks to strike the shopping district. Remembering that fires can start quickly in the winter, it's wise to be particularly careful of fires now. Carelessness could mean the next fire would be on our campus.

Harrie's Almanac of Worthless Info . . . Social Spy . . .

Slide Rule Can Even Figure Money (\$); 'Paris Or Picasso', Theme For Beaux Arts

by Gene Harrie

A minor treatise on the marvels of mathematics and the adversities of life in which the author passes a plug without parking.

The meticulous masterminds of mathematics may consider themselves saved from the ignominy of rounding off figures that lose themselves after nine or ten digits. Logarithm tables have recently been devised that are accurate up to twenty three places, and useful for figures up to 99 sextillion.

If that were money, we'd be wading in thousand dollar bills six feet deep. Think of a slide rule made out of a Sequoia tree, or pi carried to so many places that it would have to be served under a microscope. (Will everyone take apple?)

If those figures were in miles, it would take 160 billion years to travel them at the speed of light. Oh well, it's too cold to go anywhere anyway, and as long as there isn't time. . .

I'm more concerned about the vanishing horse, now that I think of it. We're down to our last six million, and at the rate they're be-

ing canned, we'll be fresh out by 1960. This travesty of justice can be averted if you join PPPHA, the PROTECTIVE PRESEVATION OF PASTEURIZED HORSES ASSOCIATION.

Merely send ten cents with the label from your favorite brand of dog food to any one of Fargo's women city commissioners, and you will promptly receive your membership card entitling you to five gallons of unflouridated water.

In addition, as a special incentive for joining, you will be given several brilliant reasons why traffic on Broadway will get worse if 3rd avenue is extended through the rubble of the Vet's Club.

I think I'll run for the city commission. One clown more or less will scarcely be noticed. . .

Especially on March 12 when the architects put on the Beaux Arts Ball. Most of the characters turned loose at last year's masquerade look like most people feel on January 1, but . . . they used their imagination.

Better get ready to give it another whirl. The theme this year will be "PARIS OR PICASSO"

by Grace Lehman

Last week my friend Gene Harrie across the page there, tried his hand at a little poetry. I'm not by any means trying to match Gene, but here is my attempt.

There was a young lady from St. Paul,
Who wore a newspaper dress to a ball.

The dress caught on fire
And burnt her entire
Front page, sport section and all.
And so with that little bit of dribble, we'll get down to the business of the week.

WE HAD . . . all kinds of people entertaining all kinds of people this week. Kappa Sigma Chi fraternity were guests at the Kappa Delta house on Wednesday afternoon.

The Kappas had as their guests that wonderful Bison Basketball team of ours. The Gamma Phis entertained the boys from the Co-op House.

The Theta Chis entertained the Alpha Gams yesterday.

MARCH 12 . . . isn't really such a long way off. It's not too early to start thinking about a costume for the Beaux Arts Ball. The theme for this year's Ball is "Paris and Picasso". This will leave a lot of room for originality. The music for the dance will be furnished by Paul Hanson, you know—Pancho Hanzales. So be watching for ideas for costumes. The date again—March 12.

THE CHARITY . . . (and as I called it last week in the headline) Brawl, (which it really is not) will come to life tonight at the Union Ballroom. And if you don't have a date by the time this issue reaches your hands, I think you might as well quit hoping. Your chances are pretty slim. Most of the girls take their dates out to supper on this occasion either at the F-M or someplace like that, however it was known after last year's Charity that several couples in formal attire were seen at Mother's Cafe. Oh, well, to each his own.

TOMORROW . . . is basketball night again. The team from Little Scandinavia will pack up and cross the fjord. After the game there will be a small brawl at the Union. And just a comment here. Girls' don't be afraid to come alone. The tagline is always bulging clear out to the hallway.

NEW PLEDGES . . . for Alpha Gamma Delta are Erlis Fernow and Annette Siver-son. Congrats to you both. . . for ATO, Bob Bielfeldt and Dave Peet.

Pastimes . . .

Berger Claims Mom, Typesetter Sole Readers; Mrs. DiMaggio, James Back

"Torment" will be the YM-YWCA Film Forum movie Sunday at Festival Hall 2:30 and 7:00. This Swedish movie was the Grand Prize winner at the Cannes Film Festival in 1948.

This powerful psychological study of the problems of adolescence revolved around the love triangle of a student in a Stockholm boy's school, his sadistic Latin professor, and a young shop-girl. There are English subtitles.

The short will be "The Rink", starring Charles Chaplin. You'll find it well worth the 50c admission.

"How To Marry A Millionaire" starts today at the Fargo. It stars Marilyn Monroe, Betty Grable, and Lauren Bacall. This latest Cinemascope picture to hit town manages to fill the screen with more than just scenery.

Mrs. DiMaggio is again cast as the dumb blonde. She has the added handicap of being very near sighted. Mrs. James doesn't have too much between the ears either, but what they lack in mental agility is compensated for in other capacities.

There'll probably be some confusion as to just how a girl does marry a millionaire — but who cares about the plot when there are interesting characters.

"I Married Joan" on Wednesday nights is in the "I Love Lucy" category. The rubber face on Joan Davis could be compared with the one on Jerry Lewis. Too bad he isn't her husband on the show.

Martin and Lewis treated their fans to an hour of music and humor on the "Colgate Comedy Hour" last Sunday. There was a lot of Martin and Lewis and a minimum of guest stars as is the usual practice on the Comedy Hour. The Modernaires did drop around for a song and the Halo commercial.

Television is worried about the possibility of losing its cigarette sponsors due to the threatened passing of a law that would class cigarettes as a drug under the Federal Food and Drug act. The hoopala is caused by the cancer scare, of course. But, if the TV tycoons read the Police Gazette, they will feel better.

There is an article in the Gazette that says cancer can be caused by eating chicken. I didn't read it. Next to cigarettes, I like chicken best. . . and if I have to stop eating chicken they will be trucking me off to the laughing academy.

RADIO: You've probably heard "Mike at the Mike" asking the listener's opinion if the classical music feature should stay or go. It stayed. That probably surprised quite a few Tex Ritter fans.

Eartha Kitt's linguistics has brought on a rash of foreign mumblings from other crooners. It's getting so you have to listen to the deejays with a Spanish, French, and Italian dictionary. Our area has been cheated since Yogi Yorgeson quit making discs.

This isn't the year for Arthur Godfrey. He had a serious hip operation; got razed for firing one of his "friends", Julius La Rosa; lost his Chesterfield sponsors; and now is in hot water with John Law for stunt flying at a New Jersey airport.

Humble Arthur however assured his fans the press is only giving him a rough time.

That Popular Bac-T

by June Anderson

Students of bacteriology! Did you know that Dr. Casper I. Nelson wrote the text that you are now using?

Yes, that green text and lab manual that most of the Home Economics students peer over nightly was written by our own Dr. Casper I. Nelson, professor of bacteriology. Dr. Nelson wrote this book about 30 years ago especially for bacteriology 302 and it has been used ever since.

This text which is entitled "Intimate Bacteriology," covers the beginning of life through childhood diseases and on to old age.

LITTLE MAN ON CAMPUS by Dick Bibler

"I'm afraid you don't quite have the qualifications for this class Worthal, you'd better drop it!"

Beauty Vs. Beasts . . .

Beasts Favored In Bromo Bowl Thurs.; Peet, Bielfedt Returning Beauty Vets

The Beauties of Alpha Tau Omega take on the Beasts of Gamma Phi Beta in the 1954 renewal of the famous Bromo Bowl game, set for 4 p.m. Thursday at Dakota Field.

Admission for the game is 25 cents, and all proceeds are to go to the March of Dimes polio drive. Tickets may be purchased from the players.

The Beasts of Gamma Phi will be tutored by Irv "Hooks" Meyers, well known NDSC intramural athlete.

Although the Beasts will be outnumbered 29 to 11, they are expected to give a good account of themselves. The Beasts star captain Shirlene "Schnorkel" Schnell, one "Awful" Anderson, Patti "Knuckles" Knott, Joan "Half" Nelson, Joan "Big" Deal, Marilyn "Dirty" Gray, Margie "Strangler" Stroup, Shirley "Stomper" Stephenson, Sandra "Clunk" Klein, Marie "Ivan the Terrible" Iverson, and Dodie "Dutch" Hollans.

Alpha Tau Omega's Beauties are coached by Margie "Jolting" Johnson, former Bromo Bowl star.

The Taus number 29 and will be out to avenge two straight losses at the hands of the Beasts. Spearheaded by co-captains Bob "Bubbles" Burke and Bob "Cat" Johnston; the Beauties feature Jack "Lover" Larson, Barry "Head No. 2" Johnson, Duane "Deacon" Swenson, Jim "Too Tall" Young, Marv "On A" Bender, Lynn "On the Lam" Lammer, Clyde "Twinkle Toes" Stauffer,

Jerry "Close" Isensee, Jim "Swing" Lowe, Jim "Pierre" Marquart, Pete "Joint" Marks, Don "Jump-Jump" Hjelmseth, Wally "Dolly" Hegg, Frank "Mushy" Mollner, Don "Sugar-lump" Wagner, Jim "Jungle" Holman, Bruce "I'll Dance At Your" Whidden, Dennis "The Menace" Johnson, Keith "McBrush" McComb, Bill "B-B Eyes" Stewart, Bill "Wobbles" Hutton, John "Butterbrickle" Bergstrom, Dale "Whiskey" Sauer, Harley "Poison" Poyzer, and Art "Honey" Hahn.

The Beauties will also be bolstered by two returning veterans of last year's battle, Dave "Tweety" Peet, and Bob "Beef" Bielfedt.

Officials for the game are two well-known NDSC sports figures, Vern "Gopher" Jeannotte and Paul "Big Dog" Werner.

Although the weather is expected to be a bit on the chilly side, spirited competition is in prospect. In past years, the Bromo Bowl has been marked by spirited competition and this year a wide-open contest is in prospect.

The Beasts go into the game as two to three touchdown favorites, but the Beauties will be gunning for an upset.

College Editors Go Behind Iron Curtain

(ACP). . . Seven college newspaper editors spent their Christmas holidays in Russia. They left New York shortly before Christmas day and will stay behind the Iron Curtain for about a month.

On the trip are Richard Ward of the CHICAGO MAROON, University of Chicago; Greg Shuker and Richard Elden of the NORTH-WESTERN DAILY, Northwestern University; Dean Schoelkopf of the MINNESOTA DAILY, University of Minnesota; Craig Lovitt and William Ives of the KNOX STUDENT, Knox College, Illinois; and Dave Barney of the QUEST, Reed College, Oregon.

The editors will inspect particularly Soviet educational institutions. According to a spokesman; they do not expect to return as "experts" on the USSR; they are merely making the trip to satisfy a deep curiosity as to what Russians and Russia are like.

This is the second group of college editors to tour Russia. Three other editors made the trip last fall.

The Campus Book Store, one of the outstanding features of the new Student Union has finally completed transfer of its stock and is now open for business in its new quarters.

Featuring a new self-service arrangement, the Book Store has almost its entire stock of books, supplies, and specialties on display in open racks so that customers may browse around or get service as quick as they like.

The store is staffed by a large and friendly group of students who are completely ready and willing to help a customer in any way possible.

Stock in the store includes just about everything any person could find in a full-fledged variety store. On sale are all types of school texts and workbooks, paper, slide rules, pencils, drawing supplies, and notebooks, and pen and pencil sets.

On the variety side is a line of tee shirts, stickers, pennants, magazines, pocket books, candy and cigarettes. Also featured is a line of small, sharp radios that are the last word in modernness and style.

The bookstore is open 8:00 to 5:00 on weekdays and 8:00 to 12:00 on Saturdays.

In its modern new surroundings, with a maze of counters and tables, the bookstore is an invitation

Stallings To Attend Library Meetings

Librarian T. Dean Stallings left this week for a meeting of the Association of College and Reference Librarians Building Committee to be held in Madison, Wisconsin. The dedication of the new University of Wisconsin library will be one of the many highlights of the convention.

In connection with the meeting, architects and librarians will hold a blue-print clinic concerning libraries that are in the planning stage. Dean Stallings is consultant for the two and one-half million dollar library being built at the Brooklyn New York College.

While away, Mr. Stallings will address a meeting of the American Library Association at Chicago, his topic for the speech being "How to Plan Conventions".

Pre-Medical Tests Scheduled By E.T.S.

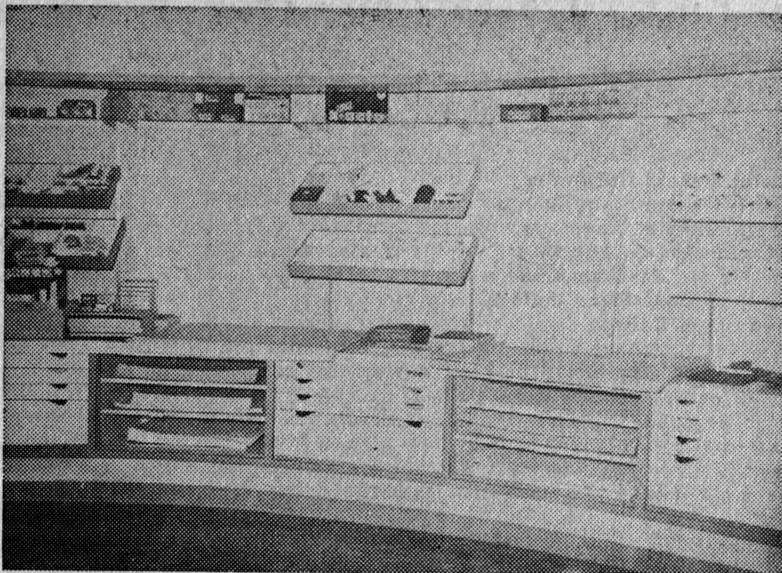

The MCAT consists of test of general scholastic ability, a test on understanding of modern society, and an achievement test in science. According to ETS, no special preparation other than a review of science subjects is necessary. All questions are of the objective type.

Application forms and a Bulletin of Information, which gives details of registration and administration, as well as sample questions, are available from pre-medical advisers or directly from Educational Testing Service, Box 592, Princeton, N. J. Completed applications must reach the ETS office by April 24 and October 18, respectively, for the May 8 and November 1 administrations.

This is the time of the year when deep freeze salesmen start selling bubble gum for a living.

Bookstore Features Self-Service; Plan Open House

To your right as you enter the Book Store is the section for engineering supplies.

for all students and faculty members to stop in and look around.

At present, two open houses are being planned by Miss Dakin, head of the bookstore. Next Thursday, an open house will be held for students. Favors will be given to everyone stopping in, and also twelve door prizes will be awarded.

At some date in the future, an open house is planned for the fac-

ulty members. The same arrangement is planned for them, as is on tap for student day at the store.

The store is under the management of Miss Emily Dakin and is owned and operated by North Dakota State College. All profits of the establishment go into a state fund called the "slush fund" which is used for various projects around the state schools.

Inter-Varsity Christian Fellowship Holds Conference In Union Today Through Sun.

The Inter-varsity Christian Fellowship, an on-campus inter-denominational Christian organization, will hold its biannual North-ern states conference at the NDAC Student Union, January 29-31.

Chapters to be represented are NDAC, Moorhead State Teachers College, Jamestown College, Wapeton Science, UND, a nurses group from Bismarck and other parts of the state, Bemidji Teach-

ers, and the University of Manitoba.

The theme of the conference is "Christ Changes Campus Life". Sessions are open to all students and will begin at 7:30 tonight and run until Sunday morning. Meetings will be held in the union and the Sunday morning hour session is set for YMCA.

The Saturday sessions at 9:30 and 2:30 will feature small group discussions on the subject "How Can I Become A Stronger Christian".

Visiting leaders for the conference will be James Nyquist, regional director for the Inter-varsity Christian Fellowship; Ruth Bell, IVFC women's representative; and Robert Baylis, IVFC area staff worker. Dean of the conference will be Dr. Frank Cassel of the NDAC faculty.

Don Stilwell, president of the campus Christian Fellowship, local chapter of the IVFC, invites all students to attend the conference either fully or in part. One highlight of the meetings will be a banquet on Saturday evening, for which a pre-registration will be required.

Fauskin, Zimmerman Receive AF Orders

Second Lieutenants Gary N. Fauskin and Rodney J. Zimmerman have received orders for processing and assignment with the United States Air Force.

Having received commissions in June, Lt. Fauskin and Lt. Zimmerman will report to Gunter AFB, Montgomery, Alabama, in March 1954.

Whitman Attends Jan. Meeting In Nebraska

Warren C. Whitman, botanist of the North Dakota Agricultural Experiment Station, attended a meeting of the American Society of Range Management in Omaha, Nebraska, January 26-29.

Purpose of the meeting was to discuss the problems and practices in the management of native grass ranges and pastures in the western United States.

Engineering School Set Graduate Program

The graduate program for the School of Engineering has now been approved by the Board of Higher Education. Master of science degrees will now be offered in the fields of architecture, architectural engineering, civil engineering, electrical engineering and mechanical engineering.

Walster Speaks Thurs.

Dean H. S. Walster will address the February 4 Agricultural Economics seminar on the topic: "Population and Food Prospects As Seen By the FAO."

The Seminar is set for 4:00 p.m. in Morrill Hall, Room 215. It is open to the public.

THE SPECTRUM

Published every Friday at Fargo, North Dakota, State College Station, Fargo, North Dakota by the NDAC Board of Publication.

Subscription rate \$1.00 per term. Entered as second class matter, December 10, 1945, at the Post office at Fargo, North Dakota, under the act of March 3, 1879.

ND University Has Firm Hold On NCC Lead; Herd Gains Undisputed Second Place In Loop

NORTH CENTRAL CONFERENCE STANDINGS

By Lee Johnson

	W	L	Pct.
North Dakota University	5	1	.833
North Dakota State College	4	2	.667
South Dakota University	3	2	.600
Morningside College	2	2	.500
Iowa State Teachers College	3	4	.429
South Dakota State College	1	3	.250
Augustana College	0	4	.000

North Dakota University retained its hold on the North Central Conference first place position during the past week, as the mighty Sioux overran South Dakota State, 81-69.

The runner-up scramble was cleared up a little as the NDSC Bison posted victory number four in loop play, a 74-63 conquest of SDS, and moved toward a showdown for the conference title which is sure to be decided with the Nickel Series between the Herd and NDU late in February.

South Dakota University slipped into third place in the league by over-running helpless Augustana, 64-50, and clobbering the badly slipping ISTC Panthers, 61-46.

Morningside's Maroons moved into fourth place in the conference, as they slapped down the ISTC contingent 79-69. The Maroons play a make or break game with South Dakota State this Saturday, in the only league competition scheduled.

As a result of two successive losses on their northern road trip, SDS fell into sixth place in the North Central Conference. ISTC seems completely out of competition for the title, because of two straight losses last week.

Augustana is once again the weak sister of the league, and the Augies show almost no promise of being able to break into the win column. Perhaps the NCC is just too fast for the little Augustana school.

Tonight, in non-league competition, the Bison take on the weak Concordia Cobbers in a game at the fieldhouse at 8:00 p.m. The Herd will be seeking their second win of the season over Concordia, which definitely is having one of their worst seasons in basketball activity.

D. Anderson Has Top Field Goal Average

by Cecil Reinke

Bob Lauf is currently on top of the scoring column for the Bison who after thirteen starts holds a 7-6 record and second place in the North Central Conference. Lauf has netted 60 field goals and 55 free throws to earn a total of 175 points.

Duane "Grut" Anderson has proved to be Chuck Bentson's most accurate net breaker by maintaining a .436 average for successful field goal attempts.

The second and third high field goal averages belong to guards Jim Akason and Doug Walstad who have hit .397 and .392 respectively.

The floor averages for the other men who have played in eleven games or more are as follows: Walt Fogel, .377; Lyle Fugleberg, .370; Bob Lauf, .355 and Gene Gamache, .353.

Walstad leads the AC basketballers in successful attempts from the charity line with an .851 average.

Other members of the squad and their averages include W. Fogel, .755; Akason, .745; Fugleberg, .651; Lauf, .598; Gamache, .651; D. Anderson, .544; John McDermott, .500; H. Anderson, .500 and Merlin Ludwig, .500.

	FG	FT	TP
Lauf	60	55	175
Akason	62	41	165
W. Fogel	69	37	155
D. Anderson	52	49	153
Walstad	31	23	85
Fugleberg	23	28	74
Gamache	24	22	70
McDermott	9	2	20
H. Anderson	4	2	10
Ludwig	3	3	9
Granum	2	1	5
Quanbeck	0	3	3
M. Fogel	0	1	1

Qualified Whistle Blowers

New nationally rated volleyball officials are left to right; Joyce Rutherford, Ruth Goebe, and Lavonne Toepke. Each girl passed the practical and written test which was given in November by a judging group composed of athletic teachers from the surrounding area.

Kent's 222 High For Single Games

Kappa Sigma Chi walked off with top honors as A division bowling came to a close last week with 17 wins in 21 contests.

Theta Chi dropped two of its final three games to an inspired SPD five but still came out on top to clinch second place and join Kappa Sigma Chi as A divisions two representatives in the final tournament to decide the championship.

Individual records set for regular season play in A division are: High average, B. Powers of the Vets Club with 171; High three game series, B. Powers of the Vets club with 579; High single game, D. Kent of Theta Chi with 222

The other two leagues came to a climax this week. ATO No. 1 was leading Theta Chi No. 2 by one game in B division. The two teams met head on in play this week to determine the champion in that division.

In C division the Farm House has already won top honors. The Pharmacy Club and the AGR No. 3 teams are in close contention for the other tournament spot in C division.

The standings are as follows:

	W	L
A DIVISION (final)		
Kappa Sigma Chi	17	4
Theta Chi	15	6
SPD	13	8
Coop's	12	9
AGR	11	10
Vets Club	8	13
SAE	6	15
Kappa Psi	2	19
B DIVISION

Sigma Chi	7	11
ATO 3	6	12
SAE 2	6	12
C DIVISION		
Farm House	16	2
Pharmacy Club	12	6
AGR 3	10	8
Kappa Psi	9	9
SPD	8	10
Kappa Sigma Chi	7	11
ATO 2	5	13
AGR 2	5	13

Theta Chi Teams Along With Kappa Psi Squad Have Best Pin Record

With the season half over for most intramural basketball teams it looks like it will be a tight race for all top spots until the final whistle has blown.

In bracket three the Kappa Psi 2 team has a slim advantage over the AIA squad with four wins and no defeats.

The defending champs, Theta Chi' still hang tough to their top spot in the first bracket. They have been victorious in their first four games.

Bracket two finds Theta Chi 2 with four wins in as many starts to hold down top honors.

The standings are as follows:

	W	L
BRACKET 1		
Theta Chi	4	0
Sigma Chi	3	0
Men's Dorm	4	1
ATO	3	1
SAE	3	2
Kappa Psi	2	3

Theta Chi 3	1	2
Student Body	1	3
AGR 3	1	4
Kappa Sig 2	0	4

Bison Surpass Bunnies; Walt Fogel Dumped 23; Luke Led Rabbits

by John Shepard

The North Dakota State Bison took over undisputed second place in the North Central Conference standings with a 74-63 victory over the South Dakota State Jackrabbits here Friday.

The game was marked by rugged play in spots which kept the Bison from having a 20 point victory margin. South Dakota State was never ahead but came dangerously close at some points, and had a 17-17 tie early in the second quarter.

The herd had quarter leads of 17-15, 38-29, and 57-49.

Forward Walt Fogel was sizzling hot on jump shots around the free throw line as he pumped the net for 23 points for the night's scoring honors. Jim Akason scored 15, Duane Anderson 11 to round out the Bison double figure scoring.

Byran Luke lead the Jackrabbits scoring with 14, Bob Foled had 13, and Bob Ehrke 12 for South Dakota State.

Throughout the game, the Herd was hampered by four infractions; but Bentson was able to substitute his brilliant sophomore contingent freely.

Agronomy Holds Top; Also Notch High Set

Faculty bowling action rolled again this week with undisputed leaders in each division reigning. Agr. Engineering leads "A" division with a 15-6 record and Agronomy is on top in the "B" loop by the same record.

High team set for the season is the Athletic Dept. with 1890. Pharmacy with a total of 717 leads the highteam game poll. Individual high game is 236 by Buchanan and Minnear holds the high set with 550.

This week's Honor Roll includes: Individuals: High games; Banziger—220, Buchanan—207, Wenkunas—194, Sisler—198. High scores: Buchanan—523, Sisler—519, Flor—483, Gyohodden—482. Teams: High games set—Agronomy—1771; high game—Agr. Engineering—683.

The complete standings in both divisions are as follows:

	W	L	Pct.
"A" DIVISION			
Agr. Engineering	15	6	.714
Chemistry	13	8	.619
U.S.D.A.	11	10	.524
An Husbandry No. 1	9	12	.429
Engineering	9	12	.429
Pharmacy	6	15	.286
"B" DIVISION			
Agronomy	15	6	.714
Athletic Dept.	12	9	.571
Soils	11	10	.524
Air Force	10	11	.476
Agr. Economics	9	12	.429
An. Husbandry No. 2	6	15	.286

Bentson Looks For Herd To End High; Kraninger, Waldera Win Weekend Bouts

Coach Chuck Bentson is fairly mum about the Bison's outcome for the remainder of the season, but he anticipates that the final standings for his club will be quite high.

When asked what chances the Herd had for crown contentions, the cage mentor stated, "I expect the NDU Sioux to lose one more game before the SC-U series. This may happen on their coming road trip to South Dakota and Morningside. Provided that we win all games up to the series and the University drops one, the series may decide the loop winner."

"The squad is in good shape and the Sophomores are coming right along, so the boys may hit their peak in the latter part of the season. McDermott now has a twisted knee and Grut is hampered by his protector," the Herd's mentor replied when asked about the overall condition of the team.

When the question pertaining to how the NCC teams stacked up in ability as compared to previous years, Coach Chuck commented, "The overall balance of each team seems to be apparent this year with no individual stars or standouts too noticeable on any squad—with the except of Haaven." Chuck believes that each team in the league is a year or two away as many of the clubs have a roster of half sophomores.

"One of the big problems in this conference," Bentson exclaimed, "is the rule outlawing freshmen to participate in loop action."

"Most all of the loops in the surrounding area allow freshmen to play." "This puts our own boys a year behind these other teams

in experience involving court action."

When one last question was asked about the Concordia tilt tomorrow, Bentson said, "We shouldn't have much trouble with them; but if our boys anticipate too easy of a win, we may be in for trouble."

A sport that is being represented by two boys from State is boxing. Seems as though Marty Kraninger and "Skip" Waldera sneak off to battle foes without anyone knowing about it.

Boxing is nothing new to Kraninger who is regarded as being one of the outstanding heavy weights in the North West.

Last year he won the regional golden gloves meet in Wahpeton and advanced to the quarter finals in Minneapolis. There he won the first bout but lost the second by a decision.

The regional tourney at Wahpeton includes four states. Parts of Montana, South Dakota, Minnesota, and all of North Dakota are represented.

The Minneapolis tournament includes 16 regions ranging from Colorado to part of Kansas.

This year Marty has won bouts in Wahpeton, South Dakota, Crookston, and Wheaton (exhibition).

Skip Waldera is the other ring man who dons the gloves. Waldera has just previously begun to box and in his first bout, last Friday in Wheaton, he scored a TKO in the first round.

The boys plan to schedule bouts at Wahpeton, Crookston, Fargo, and Bemidji in the future.

Kraninger is a Senior in Agriculture and Waldera is a Sophomore in AAS at State.

That's it this week from State Side. Don't forget the game with the Cobbers tomorrow night. Until next week then, remember that the best policy is to hang loose—never hang tough.

U. Neverno . . . Wenskunas Retires As Grid Coach; No Immediate Successor Named

by the Krazy Kraut

by Hal Miller

Mac Wenskunas, head football coach at North Dakota State for the past four years, turned in his resignation to Athletic Director C. C. Finnegan late last week. Wenskunas, who coached the Bison gridders to 11 victories, 20 losses and a lone tie, will leave his post here after the present school year.

Wenskunas is 31 years old, is married and has a family of four children. He graduated from the Georgetown, Ill. High School and lettered in football, basketball and track. Mac was captain of the grid team his senior year when the squad completed an undefeated season. A year later he enrolled at the University of Illinois and the following year was the regular center of the Illini.

In July of 1943, he was called to active duty in the Marine Corps, and attended the University of Notre Dame for two semesters under the Marine Corps V-12 program. Mac was then sent to the Officers Candidate School where he attained the rank of 2nd Lieutenant.

When he was discharged from the service in May, 1945, he returned to the University of Illinois where he was selected as the most valuable player to the team of 1945 and chosen captain for the season of 1946. In the fall of 1946, he was captain of the Illinois squad which won the Big Ten championship and went on to win the first Rose Bowl contest in the current series between the Big Ten and the Pacific Coast Conference, 45 to 14.

He graduated from the University of Illinois with a Bachelor of Science degree with a major in Physical Education and a minor in Biological Sciences, and worked for the University Alumni Association for two months before being appointed head football coach at Quincy, Ill. College. Wenskunas coached three consecutive championship teams at Quincy.

When Mac came to North Dakota State, the school's grid record had reached an all-time low because so little emphasis had been placed on the sport. For the next two years, the Bison remained with mediocre records, but the third season they zoomed to second place in the conference, their highest standing in many years. However, last season, the Herd had a bit of trouble with upsets and other forms of bad luck and

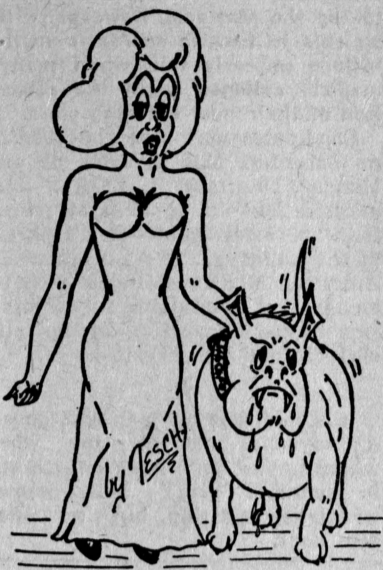

Wenskunas

fell once again in the North Central Conference standings.

Mac has served as an instructor in Physical Education in addition to his coaching duties. He hopes to remain in the coaching field, but has no definite plans for the future.

The athletic department has made no announcement as yet pertaining to a replacement for Wenskunas. However, speculation has centered on the present coach at Shanley high in Fargo, Sid Cichy. Cichy's squad won the Class A championship this season, defeating St. Mary's of Bismarck in the final game, 40-20.

"Bolly Wolly, don't you dare be finicky if my fervent fiance acts fresh tonight."

Two Tied For First In Girl's Cage League

As girls Intramural basketball play goes into the last half of tournament play, two teams are tied for first place.

Alpha Gamma Delta and Dakota Hall share top honors with three wins and no losses.

The complete standings through last week are:

	W	L	Pct
Dakota Hall	3	0	1.000
Alpha Gamma Delta	3	0	1.000
Kappa Kappa Gamma	2	1	.667
St. Lukes Nurses	1	1	.500
Gamma Phi Beta	1	2	.333
Phi Mu	1	2	.333
Ceres Hall	0	2	.000
Kappa Alpha Theta	0	3	.000

Individual high scoring honors go to Delores Olson of Dakota Hall who has tallied 27 points thus far in league play. Anne Larson and Helen Larson follow with 20 and 12 points respectively.

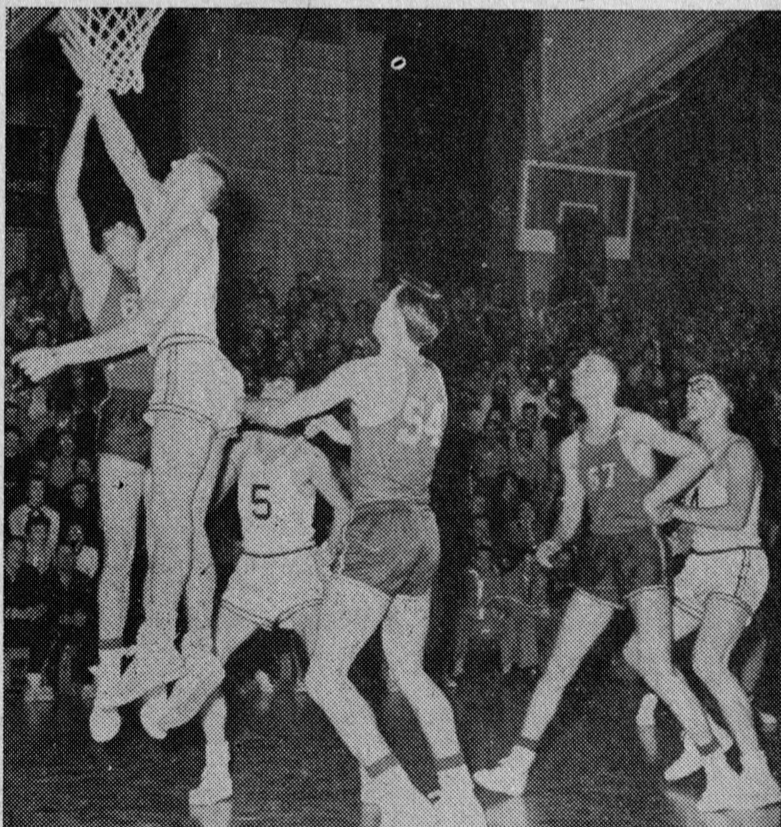

Bison Freshmen Trounce Valley City Teacher's Frosh Last Friday

The Bison freshmen soundly trounced the Valley City Teachers College frosh, 74-57, in a game last Friday. They held quarter leads of 20-16, 44-26, and 65-39 while never relinquishing the lead.

All twelve of the cagers saw action with Flynn, Skrei, and Serum each totaling fifteen points. Parker chipped in eight, while Herman netted seven to round out the higher scorers. The freshmen met the same ball club last Tuesday night and will play the preliminary tilt against the Concordia freshmen tonight.

In previous engagements with the Cobber frosh, the Baby Bison dropped the first game by a 62-61 score and took the second by a 63-41 score.

Watch It Go In Gang!

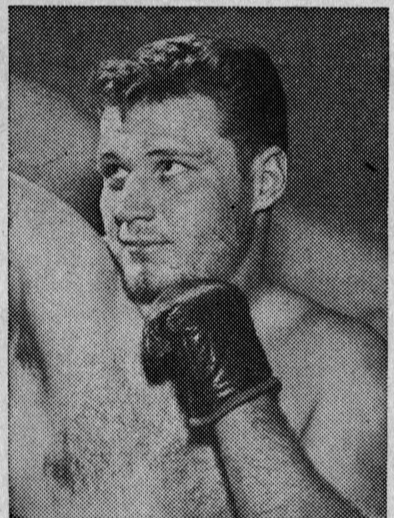

Tippling the ball through the hoop after a free throw attempt is Bob Lauf. The action took place in the recent SDS-NDS tilt. Behind Lauf is No. 5, Walt Fogel, and No. 4, Grut Anderson, surrounded by SDS players.

The game was very close in scoring totals all through the game, but the Herd pulled away to win 74-63. The win gave the Bison a firm hold on second place in the North Central Conference at present.

MMS Exams To Be Scheduled March 6

Do you like people? Are you emotionally mature? Do you like to help others? Are you looking for an interesting job? If your answer to these questions is "Yes", read on! You owe it to yourself to investigate the employment opportunities in social work.

One good opportunity for soon-to-be college graduates will be the Minnesota Merit System examination for Social Worker I, scheduled for March 6. Between 30 and 35 (possibly more) applicants who pass the examination will be selected for social work jobs or for pre-employment training before July 1. Additional openings will be filled throughout the summer and another training group will be started in October.

Employment is with Minnesota county welfare boards and most positions pay \$276 per month beginning salary. You need a car for most of the jobs, and receive 7 1/2 cents a mile.

The training is offered through a 3-month pre-employment course which combines classroom study and discussion with actual case-work experience under expert supervision. The program is conducted by the State Department of Public Welfare and will begin in late June. Salary while in training is \$200 per month. Graduates of the course must be available for employment in the rural counties.

After some experience in social work, you can look toward promotion to more skilled casework positions and to supervisory and executive jobs, with commensurably higher pay. You also have the chance to obtain scholarships for graduate study in social work.

You will never get wealthy as a social worker, but you can have an unusually satisfying career under secure, comfortable circumstances.

Applications for the Social Worker I examinations should be submitted as soon as possible and no later than February 19. Address inquiries to G. Warren Peterson, Merit System Supervisor, 117 University Avenue, St. Paul.

NETS To Give Medical College Tests

Prince, N. J., January 26. Candidates for admission to medical school in the fall of 1955 are advised to take the Medical College Admission Test in May, it was announced today by Educational Testing Service, which prepares and administers the test for the Association of American Medical Colleges.

These tests, required of applicants by almost every medical

college throughout the country, will be given twice during the current calendar year. Candidates taking the May test, however, will be able to furnish scores to institutions in early fall, when many medical colleges begin the selection of their next entering class.

Candidates may take the MCAT on Saturday, May 8, 1954, or on Monday, November 1, 1954, at administrations to be held at more than 300 local centers in all parts of the country. The Association of American Medical Colleges recommends that candidates for admission to classes starting in the fall of 1955 take the May test.

It is said that the man who doesn't advertise and the one who winks in the dark have one thing in common: THEY both know what they're doing, but no one else does.

Estensen Reappointed To Education Group

Dr. Ernest V. Estensen, professor of psychology, has been reappointed to a three year term as a member of the Educational Policies of the North Dakota Education association.

The commission will hold its first meeting of the year February 25-26 at Bismarck.

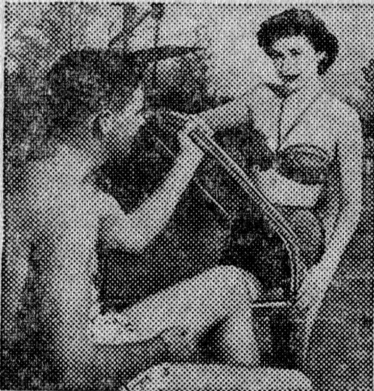

THE SPECTRUM
NORTH DAKOTA AGRICULTURAL COLLEGE
FARGO, NORTH DAKOTA

Herbarium Collection Located In Butler Bldg.

The herbarium, which is a collection of pressed and identified plants, is now located in the Butler building. The new location can be fumigated, is fireproof, and less crowded than Minard 105 where it had been previously. The NDAC collection is the best in the state, and is rated highly in the nation. It contains specimens dated back to 1890, as well as rare specimens which are not replaceable.

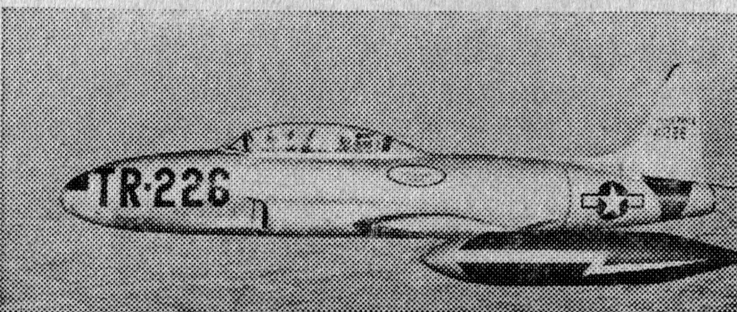

1. Pilot training begins at Lackland Air Force Base, where Aviation Cadets get 3 months of officer indoctrination.

2. It's a hard grind, but Cadets also find time to relax.

3. In primary training the Cadet flies his first planes, a Piper Cub, and this T-6. Later he will fly the more advanced T-28.

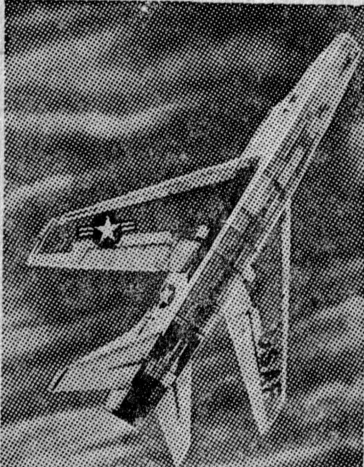

4. After flying conventional planes, he moves on to jets... going up with an instructor in this T-33 trainer.

5. He wins his wings as an Air Force officer, earning over \$5,000 a year.

How to qualify for Pilot Training as an Aviation Cadet!

To qualify, you must be at least a high school graduate. However, you will be of more value to the Air Force if you stay in college, graduate, and then volunteer for training. In addition, you must be between the ages of 19 and 26 1/2, and in top physical condition. If you think you are eligible, here's what you do: Take your high school diploma or certificate of graduation together with a copy of your birth certificate down to your nearest Air Force base or recruiting station. Fill out the application they give you. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet Training Class.

6. Then winds up his training with the latest and fastest planes in the air.

7. He's tested those silver wings... And won the respect and admiration that go to every jet pilot in the United States Air Force! From now on he'll rule the skies in an Air Force jet.

College Men! Fly with the Finest in the Air Force

QUALIFIED APPLICANTS WIN WINGS
AS AIR FORCE LIEUTENANTS,
EARN OVER \$5,000 A YEAR!

For a fast, exciting and rewarding career, make your future in the sky as an Air Force pilot. As a college student, you are now able to join that small, select band of young men who race the wind in Air Force jets. You'll have the same opportunities to learn, advance and establish yourself in the growing new world of jet aviation.

Fly as one of the best

The pilot training you get in the Air Force is the best in the world—the kind that makes jet aces. You'll learn to fly the fastest, latest planes in the air—and fly them safely and well. Those who look to the skies will look to you for leadership and confidence.

Into a brilliant future

You'll graduate as an Air Force lieutenant, earning over \$5,000 a year. Your Air Force wings will serve as credentials for important positions both in military and commercial aviation. Air Force wings mark you as the very best in the flying profession.
