## Student Senate Joins National Association

At a meeting held last Monday night, the Student Senate unanimously voted to have the student government of NDSC become a member of the National Student Association. This decision came after many months of concentrated study and investigation, which included sending a delegate to last year's annual NSA Convention held in Ohio.

The Senate used as many sources as possible to collect information concerning the benefits and obligations which NDSC students would receive with membership in the National Student Association.

Since Concordia College is presently a member of NSA, Carl Lucky, who is special interest commissioner at Concordia, and Pete Ristuben, NSA Commissioner for Concordia, were present at the Monday night meeting and spoke of the success of NSA at Concordia and recommended our joining the organization.

Beverly Agnew also gave her impressions of National Student Association, as she had become familiar with it while attending Stephens College.

## Trailer Houses Move June 15; Land Used For Entrance To Mall

The Trailer Houses between the Mens Dormitory and the Home Management House are to be removed before June 15, 1954.

Erling Thorson, superintendent for Buildings and Grounds, said that the entrance to the Mall will occupy the property where the Trailer Houses now are located. The Mall will be entirely encircled with sidewalks, with lawn and shrubs inside the square.

The Mall is expected to be finished by next fall.

## Col. Cloudt Releases Army ROTC Promotions

Last Monday after general assembly, Cadet promotions were announced in the Army ROTC Program. Lt Col Otto B. Cloudt, Jr. made the announcement for the following promotions.

Cadet Captains include Marvin Leintz, Ronald Rasmussen, Harley Poyzer, Eugene Schuschke, Edward Holt and John Werlein. Cadet 1st Lieutenants Robert Velure, Richard Dahlquist and Duane Westermann. All cadets are seniors.

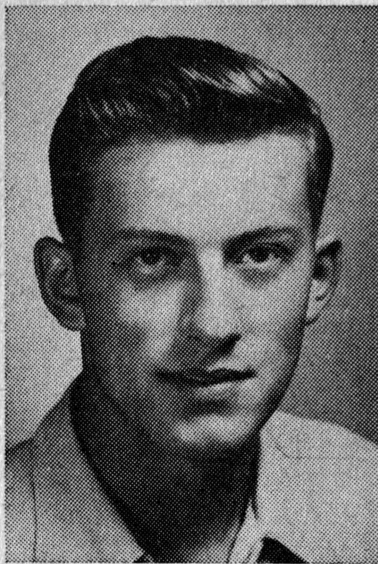

The promotions were based on the recommendations of Cadet Colonel Douglas Williams. More will be announced later.

Two NDAC juniors, Gary Hart and Duane Anderson have applied for the 1954-55 presidency of the student government. All college balloting is scheduled for Tuesday, March 9th.

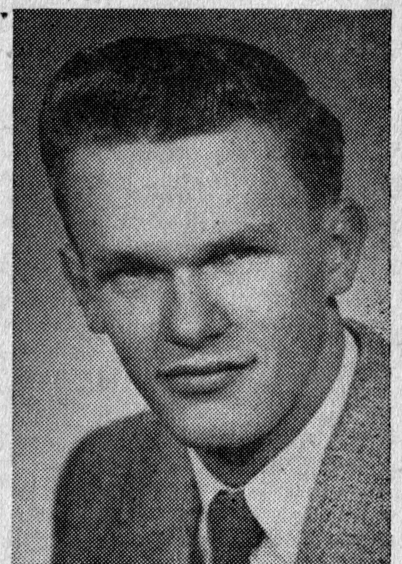

Election returns will be announced each half hour over Campus Radio Tuesday night. The station is heard from 7:30 to 10 p.m.

Each person can cast seven votes for their choice, or choices, of one year senators, and six votes for two year senators, and one vote for president. However, only the amount of votes listed above for each respective office can be cast. If a person for an office receives more votes than the office is worth, his vote will be nullified. The Senate requests students to cast their votes in numbers instead of x's.

An open forum will be held Monday at 8 p.m. in the Student Union ballroom. All candidates

Duane Anderson

Gary Hart

will be introduced and the presidential candidates will speak. After the talks, the floor will be open for questions.

Under the constitution, duties for the president include presiding over the Student Commission and the Student Senate and appointing the commissioners.

Duties of the student senators include appropriating money for commission projects, regulation of the activity fee, representing the student body in relations with the administration, supervising homecoming, selecting representatives to attend the College Conference of Higher Education, investigating

and solving student problems and planning the junior-senior prom.

Commissioners are selected immediately after elections by the president. They are selected from the Senate and from outside students interested in, and qualified for, the government.

Seven offices are open on the commission. They are: Commissioner of Publications, Commissioner of the Student Union, Commissioner of Music and Public Programs, Commissioner of Finance, Commissioner of Military Affairs and Athletics, Commissioner of Campus Affairs and Commissioner of Radio.

## Lyceum To Feature Instrumental Group

NDAC students will have an opportunity to attend a lyceum program featuring the Gotham Players, four versatile instrumentalists, at 8:15 p.m. on Tuesday, March 9, in Festival hall.

Members of the group are Madeline Foley, a cellist who formerly appeared with the Schneider quartet; David Glazer, a previous clarinetist with the Cleveland orchestra; Werner Torkanowsky, a violinist who has given many concerts; and Carl Mosbacher, a European education pianist. Their program will include a variety of instrumental combinations.

Activity tickets will admit students to the concert. This is the fourth lyceum of the 1953-54 series.

## Berninghausen To Talk On Academic Freedom

David K. Berninghausen, director of the library school at the University of Minnesota, will discuss academic freedom before the NDAC chapter of the American Association of University Professors on March 10 at 8 p.m. in the NDAC library.

Fargo-Moorhead clergy, college and high school instructors are invited to attend.

## Book Exchange Opens Mon. In Library

Hey! Everyone! Dust off those old books because the second quarterly Book Exchange will open and be ready for business one week from Monday at the College Library.

The Exchange will be open from 10 a.m. to 1:30 p.m. during final week and as much as possible during the first week of the spring quarter.

A new system will be employed in this exchange under which only books which will be used during spring quarter classes will be accepted. Secondly, receipts will be given for each book and the stub must be presented when collecting the book or money received from the sale of the same. Also collection of books or money must be completed on the second or third Monday of the quarter, from 1 to 3 p.m.

Remember to bring your old books in during final week. No sales will be made that week. The turn out of books was good last quarter but let's make it better this quarter.

## Phi Kappa Phi Select Ten Senior Members

The following NDAC students have been elected during the winter quarter to Phi Kappa Phi, national honorary fraternity.

James Michaelson, Mancur Olson, Harold Jenkinson, Milo Bryn, Gilbert Nelson, Donald Bowlby, Richard Novotny, William Costello, Margaret Anderson and Beverly Kurtz.

Phi Kappa Phi recognizes outstanding scholarship, leadership and character. Only the top 10% scholastically of the seniors are eligible for membership.

## College Deferment Test Offered To Students

All non-veteran male students who have not done so are urged to make application for the Selective Service Qualification Test to be held on April 22, 1954. Applications for this test must be made by midnight Monday, March 8, 1954.

Application forms may be secured from any Selective Service Board. The Local Board is at 20 1/2 Broadway, Fargo.

Freshmen must either be in the upper one-half of their class or have passed this test with a score of 70 or more to be eligible for further deferment. Selective Service policies are such that unless a student has passed this test or has sufficiently high grades his chances for further deferment are very remote.

The test will take approximately one-half day and will be given at this College. For further details see Mel Miller, director of Admissions and Records.

## Little International Directors

Discussing last minute details of the Little International are, left to right Don Hart, co-chairman of advertising; Al Frogodt, arena manager; Jim Michealson, chairman of the Hall of Fame Banquet; Bob Velure, Master of Ceremonies; Dick Tewksbury, manager of the Little International; Ed Lovitt, assistant manager; Ray Buelow, division manager; Gary Hart, catalog. (Story on page five).

# Student Opinions On Senate Candidacy

This week the Spectrum obtained information concerning the students petitioning for student government offices from their petition forms and by personal interviews. The information received is classified as follows:

- (1) Scholastic average
- (2) Honors if any
- (3) Campus activities
- (4) Statement telling why each candidate is running for office.

Candidate information is listed according to office and alphabetically.

## For Presidency

**DUANE ANDERSON** — Presidency.

- (1) Scholastic average—3.
- (2) Campus activities — Letterman's club, varsity basketball team and Vet's club.
- (3) I advocate:

1. Full support, cooperation, and membership in the National Students Association.

2. Student representation on the various boards dealing with such student functions as discipline, housing convocations, school dances, and parties.

3. Organizations of a committee to publicize, promote, and interest students in all available scholarships.

4. Student evaluation of teachers on a classroom level, with the appraisals to be used only by the instructor for bettering his methods and results of teaching.

5. Promotion of any projects that will contribute to producing a better school spirit at NDSC and that will better our school in general. I would like to see State get rid of its defeatist attitude.

6. Completion of school facilities which will help students in their recreational and educational goals, such as completion of our swimming pool.

**GARY HART**—Presidency

- (1) Scholastic average—3.6.
- (2) Honors—Alpha Zeta Freshman Award, Danforth Foundation Freshman Award, Sears Robebuck and Co. Freshman, Sophomore and Advanced Scholarships and Interstate Seed and Grain Co. Scholarship.
- (3) Campus activities — Student Senate, Blue Key, co-editor of Bison Annual, assistant business manager of Bison Brevities, committee for choosing "Who's Who's in American Colleges and Universities", Student Senate delegate to conference on Higher Education, Board of Radio, Board of Publications, Alpha Zeta, Arnold Air Society, reporter for Saddle and Sirloin club and Alpha Gamma Rho fraternity and Agronomy club.

(4) "Through participation and experience in the Student Senate and various other campus activities, I feel that I have become aware of many of the problems and needs of the students of NDAC and that through election as student body president I could do much to solve these problems and make NDAC a more desirable and harmonious institution."

## For 2 Year Terms

**FLOYD ASKIM**—Two year Senate term.

- (1) Scholastic average—2.1.
- (2) Honors—Reserve Champion beef showman 1953.
- (3) Campus activities — Assistant award chairman of Little International, Alpha Gamma Rho fraternity, Future Farmers of America, Saddle and Sirloin club and Agronomy club.

(4) "I am a candidate because of interest in affairs on the NDAC

campus. Better relationship between students is a necessity for a more unified student body and a more mutual feeling between students and administration.

If elected to the Senate I would do my best to further this relationship."

**RENEE BAKER**—Two year Senate term.

- (1) Scholastic average—2.25.
- (2) Campus activities — Editor of Spectrum, Women's Athletic association, marshal for Kappa Alpha Theta sorority, Board of Publications and WCA.
- (3) "In working as editor of the Spectrum I have come in contact with the student government and its problems and policies and with my knowledge I would like to represent the students of NDAC on the Senate."

**JAMES BEATTY**—Two year Senate term.

- (1) Scholastic average—3.84.
- (2) Campus activities — Vice president of Sigma Phi Delta fraternity, Chemistry club, Student Union Activities board and Interfraternity council.
- (3) "A few of the reasons why I am running for Student Senate are, first: That I would like to see the average student have a greater voice in campus affairs; second: That student government should have a greater hand in running campus affairs; third and last: That the Student Senate should deal with down-to-earth and practical matters.

**LOREN BJORNSON**—Two year Senate term.

- (1) Scholastic average—2.
- (2) Campus activities — Alpha Tau Omega fraternity and Rahjah club.
- (3) Why am I running for the student senate? Primarily to help make our student government a strong, smooth functioning organization. It is my personal desire and I believe the desire of most

**WILLIAM CHAMBERLAIN** — Two year Senate term.

- (1) Scholastic average—2.3.
- (2) Campus activities—Newman club, AF ROTC drill team and Alpha Phi Omega fraternity.

- (2) Campus activities — Farm house fraternity, social chairman for YMCA, Saddle and Sirloin club, Staff and Note club, vice president for College 4-H club, John Robinson club and Intramural sports.
- (3) "During my past five quarters here at NDAC I have begun to realize that the student government plays an important part in the functioning of this college as a unit. I have also noticed that the student government has certain influences on the activities on the campus.

For these reasons plus many others before us everyday, I have an active interest in our student government and the issues facing it which have so great an effect on your college life as well as my own."

**GUY ENABNIT**—Two year Senate term.

- (1) Scholastic average—2.08.
- (2) Campus activities — Letterman's club, Student Union Activities board, social chairman for Sigma Alpha Epsilon fraternity and Interfraternity council.
- (3) "If elected I would consider my responsibility to support my measure which takes positive action toward obtaining better school spirit, better student-faculty relationship or broader representation of students in student government.

I very definitely favor the addition of a judicial branch to the student government."

**ELAINE GEISZLER** — Two year Senate term.

- (1) Scholastic average—2.82.
- (2) Campus activities—Lutheran Student association, vice-president of Alpha Gamma Delta sorority, Tryota council, Y sophomore commission, YW cabinet and Dakota Hall council.
- (3) "I am running for a Senate position because I'm interested in the Student Senate on the campus. I'd also like to see more girl representations on the senate. If elected I shall support the finishing of the swimming pool and other activities of campus organizations."

**ROBERT GION**—Two year Senate term.

- (1) Scholastic average—2.4.
- (2) Campus activities—President of Newman club, Chorus, Pharmacy club, Student Union Activities board and social chairman of Kappa Psi fraternity.
- (3) I am running for senate with the intention of increasing the representation of the senate by being able to promote the ideas of the organizations to which I belong by giving them a voice in the Senate.

**LEE JOHNSON**—Two year Senate term.

- (1) Scholastic average—2.6.
- (2) Campus activities—Business manager and editorial writer of the Spectrum, Alpha Tau Omega fraternity and Board of Publications.
- (3) "I believe that the Student Senate and other student government groups should have more of a voice in matters concerning students on this campus. Also, I am very much in favor of a drive for completion of our swimming pool backed by the student senate. With this purpose in mind, I am a candidate for Student Senate."

**NANCY KAISER** — Two year Senate term.

- (1) Scholastic average—3.21.
- (2) Campus activities—Historian for Gamma Phi Beta sorority, Sigma Alpha Iota, Wesley Foundation, secretary for Swim club and Spectrum staff writer.
- (3) "I am a candidate because I would like to do something about a swimming pool or NDAC. It is my firm belief that we really need one and if I'm elected, I'll do all I can to get one."

**ROBERT NIPPOLT** — Two year Senate term.

- (1) Scholastic average—3.
- (2) Campus activities — Rahjah club, basketball team and Vet's club.
- (3) The six points of policy which Duane Anderson has initiated will be endorsed by myself if I am elected and I will support, to the best of my ability these six points that we might more firmly unite our campus.

- (2) Campus activities — Rushing chairman and social chairman for Theta Chi fraternity, president of Student Union Activities board and Interfraternity council.
- (3) "I have a sincere interest in the functions of the NDAC student government, and I am certain that if elected, I will do my best to fulfill my obligations as a member of the Student Senate."

**JUDITH SHERWOOD**—Two Year Senate term.

- (1) Scholastic average—2.7.
- (2) Campus activities — Kappa Kappa Gamma sorority, Womens Athletic association, Panhellenic council, cheerleader and Spectrum staff writer.
- (3) A good fundamental student government can bring the students closer together and make them more aware of campus affairs. It can also be an effective stepping stone for better relations

between students and faculty.

Since government is one of my interests, I am willing to spend my time and effort in furthering the effectiveness of the student government."

**LARRY SJAASTAD** — Two year Senate term.

- (1) Scholastic average—3.58.
- (2) Campus activities — Rahjah club, news editor of Spectrum, commissioner of Publications, Farmers Union College Local, member of Board of Directors of Co-op House.
- (3) "I am basing my candidacy on my belief that because of my experience on the Student Commission, I will be able to more effectively work for student unification, which I have set as my goal. A strong organization of unified students would aid in securing a more progressive NDAC."

**VICTOR ZIEGLER** — Two year Senate term.

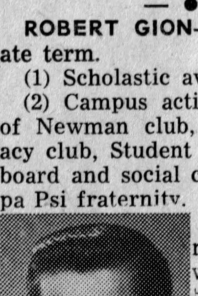

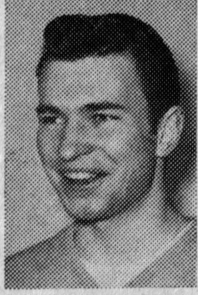

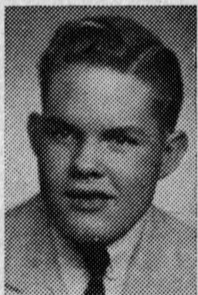

- (1) Scholastic average—3.79.
- (2) Campus activities — Pledge trainer for Sigma Phi Delta fraternity and executive commissioner of Vet's club.

# What's On Our Mind NDSC or NDAC

North Dakota State College or North Dakota Agricultural College? Which do you like?

At the present time these two abbreviations are used interchangeably. This brings about confusion. Many people do not know what NDSC means. If a stranger reads NDSC on the sports page and NDAC on the following page he might think they indicate different schools. A father desiring to send his son to engineering school reads NDAC, well, that school is only for agriculture students. Some people out of state and in state do not know that NDAC is not only for agriculture students, but engineering, chemistry, pharmacy, arts and science, and home economics as well.

It is agreed upon by many of the students that NDSC looks and sounds better and makes the school seem bigger. They seem to think that agriculture makes them sissified. This is wrong, because farming is an honorable and outstanding vocation for anyone.

South Dakota named their college South Dakota State College. Why can't we? asked one student. The answer is not known, but if students expressed their views we may get action one way or the other.

Really it doesn't make too much difference which abbreviation is used, or does it? Which one should be used or should both be used interchangeably? What do you think?

## Senate Qualifications

It is our responsibility and privilege that we as students take part in our campus election. We should cast votes for those most able to take part in the student government of our campus. 38 students have filed petitions for senatorial positions and 2 students have entered the presidential race.

Some qualifications we should look for in the prospective senators are:

The student should have a genuine interest in campus affairs and should have a desire to serve the school.

He should be one who is willing to devote his time and ability in carrying out college activities.

He should have an understanding of the student government functions.

Any student who is on probation can not serve on the student government.

Keep the above mentioned items foremost in mind when casting your ballot. But remember the important thing — CAST A BALLOT!

## Barr Art Exhibition To Be Shown In Library

Formal opening of the Paul E. Barr Art Exhibition will be held Sunday, March 7, from 2 to 5 p.m., in the NDAC Library. The exhibition will be sponsored by the North Dakota Institute for Regional Studies.

He has painted in more than half of the states of the union and in 10 foreign countries, and has maintained studios in New York, Paris, Colorado, and Indiana.

Perhaps his most significant achievement was his contribution to the art of North Dakota, both as practitioner and as promoter. During the time he served as State Chairman for American Art Week, North Dakota received two National Awards, and names of several artists in the state were added to the Honor Roll of the American Artists Professional League. Barr received this citation of honor in 1948.

## THE SPECTRUM

## Harries Almanac of Worthless Info.

# Axe-Grinders Shoot Up Congress, Fight Flouridation

Everyone seems to have an axe to grind these days, from fanatic Puerto Rican nationalists who shoot up congress, to fanatic anti-flouridationists who shoot off their mouths. Both groups have managed beautifully avoiding the facts and making a loud display of their ignorance.

Puerto Rico can have its independence any time it wants it, but

three quarters of the island's population prefer their commonwealth status as a territory of the United States. Flouridation is recommended by the American Dental Association, the American Medical Association, the National Research Council, and the U. S. Public Health Service, but Mrs. Zube, the irrepressible, indomitable, erudite councilwoman Mrs. Zube, says it is bad for ones health, a communist plot, a maneuver by sodium flouride salesmen to sell chemicals, and illegal.

Now if the good woman would merely stick to the last point,

she'd be on intelligent ground, perhaps. Everyone could vote on it and decide by intelligent ballot that because Mrs. Zube is city health commissioner she must be right, and the country's doctors are ignorant sodium flouride salesmen.

Now I urge that we go a step further, and cut out the nonsense of putting fluorine's first cousin chlorine into the water. In fact; if we abandon the whole water filtration system, and take our water directly from the bountiful, beautiful, and slightly tinted Red River, think of all the money that would be saved.

The river could be kept clean by the entirely free services of carp, and the carping of Mrs. Zube, whose venomous words would wither the stoutest of pusillanimous bacteria that live in it. The filtration plant could then be converted to an old commissioners home, and the several water plant employees could be cut off without a cent, thus reducing the tax rate at least one half mill.

Oh, the heads will roll when we economy-minded citizens get on the right track. Like the editor of the University of Georgia's BLACK and WHITE.

I may even be so fortunate as to have my ancestry and virility challenged over this; then I'll be a hero and I too can run for the city commission.

In the meantime it is gratifying to have the reins of leadership handled so ably when there are so many ignoramuses in other city governments.

## Lehnerts Featured At FM Symphony

Frances Lehnerts, guest artist when the Fargo-Moorhead Symphony Orchestra presents its fourth concert of the season March 14, is a mezzo soprano who has lifted her voice higher than most who sing in her register.

The range at which she was heard was, indeed, continental; for this first American voice-carillon recital was broadcast over the country. The musical innovation of the voice-carillon is credited to the Belgium-born carillonneur, or bell-player, Anton Brees, who accompanied Miss Lehnerts.

To other high places she has carried her voice—to the top of the world at Ketchikan, Alaska. To at least one command performance before European royalty. To performances in the homes of Walter Damrosch and Jan Sibelius. To New York Philharmonic performances as soloist. To such internationally know night clubs as Ciro's, with its turquoise satin-paneled walls, in Mexico City.

Sigvald Thompson will conduct the orchestra at 4 p.m. in the auditorium of Fargo Central high school. The concert will be free and open to the public. Reserved seats are available to contributors to the orchestra's sustaining fund, says Mrs. W. S. Shaw, president of the orchestral association.

## Orchesis Group Plans Entertainment Numbers

The local Orchesis group is busy preparing for several programs.

Joanne Marquart and Roger Lilleks will give a dance number at the Class A high school basketball tournament held here. Arline Tiegen will entertain with baton twirling. The Orchesis group will present a program April 3 at the State Future Homemakers of America convention. A week later they will entertain at the State Home Economics banquet.

Orchesis members have also started work to be used next year in a cooperative program with the University of North Dakota group. Joint programs will be held here and at UND next winter term.

Mrs. Neva Anderson, dance director, reports that Orchesis includes 18 members.

# 'Goose' Adds Humor To Series; Five Term Parties Planned Tonite, Tomorrow

And now the series is over for another year. And most of us are well acquainted with the house rules of the Ryan Hotel. It was a busy weekend and seems ages ago when we think about it now. As for me, our next door neighbor at the Ryan was our very own Chuck

Bentson and his only comment when we moved in was "OH, NO!" (a self explanatory statement.)

A pat on the back should go to Irv Letofsky of the University who edited the U. humor magazine, "The Goose". The publication shows a lot of work and energy on the part of the whole staff and the result is exactly what the name implies, a humor magazine. Typical college humor. One glance at the cover makes you want to read right through the whole thing. And speaking of Irv, we got to know him quite well; he spent a good amount of time with us (?).

And so we'll put away our thoughts of the series for another year.

## THE PARTY FRONT

. . . is growing in size this weekend. Four fraternities and one sorority will entertain their guests at term parties this weekend. The Alpha Gams are having their party at the VFW Club in Moorhead. . . the Sigma Chis and the AGRs will both take over the F-M Hotel for their parties.

. . . Sigma Phi Delta will entertain at the American Legion Hall in Moorhead.

. . . The Theta Chis will take their dates to the Moorhead Country Club tonight for their party.

## THE PHI MUS

. . . held their Founder's Day Banquet yesterday at the Memorial Union.

## HERE'S

. . . just a sample of what goes on in the above mentioned "Goose". Active: What's your greatest ambition?

Pledge: To die a year sooner than you do. Active: What's the reason for that?

Pledge: So I'll be an active in Hell when you get there.

## DON'T

. . . be forgetting the costume brawl of the year, the Beaux Arts, a week from tonight.

★ Students and faculty at the University of Oklahoma consume between 25 and 30 thousand cups of coffee each week in the student union, according to the Oklahoma Daily. Approximately 60 per cent drink it black.

## Y Plans Dance Party

Freshmen YM-YWCA will have a "Learn to Dance" party in the auditorium of the College "Y" on March 6, at 7:30. Refreshments will be served.

## Kappa Deltas, Thetas, Gamma Phis Elect

Jane Haas

At the Monday night meeting of Kappa Delta sorority, Jane Haas was elected president. Jane will replace Kay Bayley, who has been president for the past two years.

Jane's activities include Guidon. Kappa Delta Pi honorary education fraternity, Panhellenic Council, and former secretary of Kappa Delta.

Other officers elected were Dorothy Ryan, vice president; Doris Anderson, treasurer; Margaret Olson, secretary; Marlys Wentz, editor; and Roberta Thorson, rushing chairman.

Sally Lohman

Sally Lohman was elected president of Kappa Alpha Theta sorority at elections held last Monday evening.

A member of Phi Upsilon Omicron, national honorary home economics sorority, and Guidon, Sally succeeds Arlene Teigen as president of the Thetas.

Other officers named are Eunice Anderson, vice-president; Irene Crosby, recording secretary; Ila Langseth, correspondent; Joyce Lorenz, treasurer; Beverly Stegge, social chairman; Mary Hagen, rushing chairman; and Sonia Swanke, house manager.

Barbara Arneson

Barbara Arneson was chosen president of Gamma Phi Beta sorority at this week's meeting. Barbara is a member of Guidon, Tryota and historian of Phi Upsilon Omicron, in addition to her sorority membership.

Gloriann Erickson was chosen vice president with Ruth Olwin the new secretary. Patti Jones is corresponding secretary, JoAnn Willert, treasurer; Joyce Rutherford, house manager; Janice Hamilton, pledge trainer; and Joann Marquart, the rushing chairman.

# Sig Sweetheart Finalists

Sigma Chi has selected three finalists for their annual "Sweetheart Ball" at NDAC. They are Katharine Gerteis, Gamma Phi Beta; Gail Fitzloff, Gamma Phi Beta; and Janet Monson, Kappa Kappa Gamma. One of the girls will be selected as Gamma Tau's "Sweetheart of Sigma Chi", March 6, at the FM Hotel, Moorhead. This year's sweetheart was Joanne Marquart, Gamma Phi Beta.

## Slides . . .

### Home Ec Story Now In Picture Form

Colored slides of activities of students in home economics in various classes are being compiled to tell the story of Home Economics to the public. There are 25 slides in the series and 4 sets will be available throughout the state. A script accompanying the slides will tell about the class work, extra-curricular activities and living conditions available for students.

A second series of slides has also been prepared showing the positions NDAC home economics graduates enter. Various positions included are teaching, extension work, home service, journalism, business, fashion design, television, dietetics and homemaking.

These slides are planned to acquaint students and parents, as well as freshman and sophomore college students, with the opportunities in home economics. They are available for showing in any community and by any group who desires to see them.

### Callenbach Addresses Plant Science Seminar

Mosquitoes are a serious problem in the northern Great Plains, particularly those areas which have been brought under irrigation. Dr. John A. Callenbach, chairman of the department of Agricultural Entomology will report on this subject to the Plant Science Seminar on Monday, March 8, at 4 p.m. in Room 212, Morrill Hall.

Interested persons are invited to attend.

### Newmans Club Retreat

Retreat master at this year's annual Newmans Club retreat will be Rev. Hovda of St. Mary's Cathedral. The retreat began this morning with mass at the Newman Chapel.

The retreat will consist of conference, meditation, and confession, and will extend through Sunday. Mass and communion will be held Sunday at 9:15 a.m., with breakfast at the house following.

## 22 Trophies Given By Saddle, Sirloin At Little Int. Show

Over \$800 in prizes and awards will be distributed to the winning showmen when the Saddle and Sirloin Club presents its 28th annual Little International Livestock Show March 13.

Some twenty-two trophies will be awarded to the winners in the various divisions. They will be on display at the Bookstore in the Student Union from March 6 to March 13.

Several new awards will be given this year. The Kiwanis Chapter is donating \$50 which will be divided between the Reserve Champion, 3rd and 4th place showmen. The new Reserve Champion Trophy in Poultry will be given by Red River Produce Co. and the champion Cutting Horse Trophy will be presented by Saddle and Sirloin. Knerr Dairy is offering a new trophy.

Approximately \$650 have been donated by Fargo, Moorhead, and West Fargo businessmen, and \$150 by various seed associations.

This year, as in the past, Olson Hereford Ranch is donating one quarter free tuition to the Champion Showman. The Sherfenberg Trophy, a traveling trophy, will also be presented to the Champion Showman.

### Other trophies to be awarded are:

- Hogs: Grand Champion Trophy—Swift and Co.
- Reserve Grand Champion Trophy—Fargo Seed House.
- Cash Crops: Grand Champion Trophy—West Fargo Elevator.
- Reserve Grand Champion—Fargo Seed House.

- Exhibits: Grand Champion Trophy—Greater North Dakota Assoc.
- Poultry: Grand Champion Trophy—Armour Creamery.
- Reserve Grand Champion Trophy—Red River Produce.
- Beef: Grand Champion Trophy—Armour and Co.
- Reserve Grand Champion Trophy—Golden Mills.
- Farm Machinery: Grand Champion Trophy—Fargo Foundry.
- Reserve Grand Champion Trophy—Fargo Wholesale Machinery.
- Legumes: Grand Champion Trophy—Newday Seed Company.
- Reserve Grand Champion Trophy—Newday Seed Company.

### International Tea Tues.

International Friendship Tea, sponsored by Tryota, will be held at the Ceres Hall parlors on Tuesday, March 9, from 4 to 5:30 p.m.

Special guests will be foreign students, foreign faculty members and home economics staff members.

Joanne Gray is in charge of the program committee with Janet Vick in charge of the luncheon committee.

## Beaux Arts Ball

Pictured here is a sketch by Hank Dube of a set design planned for the Beaux Arts ball next Friday night. The flats used to decorate the field house have been dragged out of their muddy storage place and are being repaired, refurnished, and repainted to fit in with general design of abstract sights and sounds of modern Paris.

Familiar sights will be the gendarme of Paris, its honking taxis, sidewalk cafes, and mobile artists in abstract art studios. It is expected that this year's ball will be even more elaborate and better attended than last year's success.

Tickets are available at one dollar each from any architecture student or at the Daveau Music Store.

# Sioux Win Over Bison For NAIA Berth

## Redskins, Staters Split Weekend Encounters As Both Teams Tie For Conference Crown

by John Shepard

SATURDAY NIGHT

FRIDAY NIGHT

The North Dakota State Bison rose to the occasion and defeated the North Dakota University Sioux in the third game of the annual four game series by a score of 70-65. The Bison now led the series two games to one and have been assured of a conference tie. If they win tonight they will take the series and the conference.

It was a team victory for the Bison with their two Sophomore guards, Jim Akason and Doug Walstad looking particularly sharp. Lauf did a very nice job when he came in to replace Grut Anderson, who was in trouble with personal fouls.

John Haaven, NDU center, broke the conference scoring record set by Chuck Wolfe also of NDU last year. He poured in 24 points to bring him 315 points in the conference to Wolfe's 313 last season. He was also high point man for the team.

Warner Brand, University guard, played a beautiful game and swished the net for 18. Ron Lackie, the other Sioux guard, scored 12.

Bison scoring was lead by Jim Akason with 19 points. Doug Walstad had 14, Lauf 13, and forward Walt Fogel 11 to round out the scoring.

As a result of their 80-70 victory Saturday night, the North Dakota University Sioux tied the NDSC Bison for the North Central Conference Championship. The Bison looked much less impressive in this game than they did Friday.

A bad second and third quarter put the Bison in a hole in which they weren't even in striking distance of the Sioux.

The Sioux built up a 42-28 half-time lead, and led 60-40 at the third quarter stop.

The Sioux was playing most of the game without their high scoring center, Jon Haaven, who sprained his ankle early in the second period. He also won the most valuable player award of the U-SC series.

Warner Brand played a very inspiring game and led the Sioux scoring with 24. Don Augustin got 15, and Ron Lackie 14.

The NDSC leading scorer was Bob Lauf with 19. Walt Fogel scored 15, and Grut Anderson contributed 11.

Big Jon Haaven, standout center for the University was this year's Rahjah trophy winner for the top series' player.

Haaven broke three records in conference play during the season.

## Volleyball Season Begins With Both AGR Teams Ahead

AGR 2 and AGR 1 lead their respective brackets in the intramural volleyball league with undefeated records after the second week of play.

The schedule consists of five games for each team followed by a double elimination tournament to decide the intramural championship.

The standings are as follows:

Bracket	W	L
Bracket 1		
AGR 2	3	0
SAE	3	1
Vet's Club	2	1
ATO 2	1	2
Theta Chi 1	0	2
ASCE	0	3
Bracket 2		
AGR 1	3	0
ATO 1	1	0
APO	1	1
Sigma Chi	1	2
Kappa Psi	1	2
Theta Chi 2	0	2

## Alpha Gams In First

With the second round of action ended in the girl's bowling league, the Alpha Gams took over the top spot with a 5-1 record.

The complete standings up to present are:

	W	L	Pct.
Alpha Gamma Delta	5	1	.833
Ceres Hall	3	3	.500
Gamma Phi	3	3	.500
Kappa Kappa Gamma	3	3	.500
Dakota Hall	2	4	.333
Kappa Alpha Theta	2	4	.333

### NOTICE

Any girls interested in entering into the women's badminton singles and doubles tournament contact Miss Raer at the Field House.

The tourney is slated for Tuesday, March 9, at 6:30 p.m.

Well the Sioux really poured it on at Siouxie Prep the other night and were finally proclaimed the winners after five games had to be played for the clincher.

In that play off game the Tribe held such leads as: 16-5, 18-7, 27-8, and 52-20. As one could very well see, the Sioux had the game in the bag from the start without a doubt.

In the four game SC-U series the over all compiled statistics for the Herd are:

	TP Ave.	FG Ave.	FT Ave	Rebounds
Duane Anderson	12.38	.318	.555	31
Walt Fogel	11.88	.327	.838	15
Jim Akason	14.75	.631	.760	17
Bob Lauf (3 games)	17	.471	.744	20
Doug Walstad	10.13	.305	.539	10
Gene Gamache	11.25	.388	.603	32

Team statistics are: FG Ave. .354 FT Ave. .573 Rebounds 128 PF 84

The NDSC bowlers firmly trounced the University bowlers by a gross 3247-4157 five man team score—with each man bowling 4 lines.

The bowlers for each squad and their scores are: NDSC; Ruben Reinke—698, Gerry Goetz—626, Neil Bowles—684, Bob Hughes—648, and Chuck Gulland—590.

For NDU; Orris Gulson—618, Jim Stokke—588, Laurence La Fave—594; Ross Njaa—665, and Ed Jerde—692.

The Staters nipped the Upstaters by 124 points here and won by the 90 point margin there for an overall 214 pin win.

The future bowling meets for the staters have been called off until further notice—due to school conflictions.

The ARFOTC rifle team split a 2 match series with the shooters from the University.

In the first match which was Friday afternoon here, during the first two series games, the U was triumphant 1751 to 1747.

Last Saturday the State riflemen trounced the Sioux entries 1764 to 1551.

High man for the NDS team on Friday was Stan Wittenman with 368. Roger Van Prooien shot 364 on Saturday's meet for high Bison shooter.

Members of the squad are: Stan Wittenman, Roger Van Prooien, Duane Matson, Wallace Bahken, Gerald Duerre, Emil Zueger, and Lester Williams. Sgt. Wisnewski is the group's leader.

Then there are fellows like President Dick Koppenhaver of the NDU lettermen's club who was thrown out of the Saturday night SC-U tilt by the referee for heckling, after doing a miserable job refereeing the SC-U freshmen game.

Of course the refereeing in the great evening clash was just about the world's worst!

Remember, all you fellows with strong legs and iron backs, to enter into track participation. Irv Kaiser has a terrific schedule set up for the track squad.

All of you who survived the strenuous weekend that still the best policy is to hang loose—never hang tough!

# ND University Grabs Rubber Game; Augustin Scores 34 To Pace Winners

In the five game rubber match played last Tuesday night at Grand Forks between the Bison and the Sioux, the Redskins convincingly drubbed the hapless Staters by an overwhelming 96-65 victory.

The win enabled the powerful Sioux to play Aberdeen Northern State Teacher's College at Aberdeen Thursday for the NAIA District II Title, as the teachers trounced Valley City TC 93-69 for the right to entertain the Sioux.

The greatest single performance was displayed by Don Augustin who sparked the Redskin's spectacular offensive drive as the confident red head poured a tingling 34 counters through the nets.

The Rugby forward hit on 15 of 22 shots taken from the floor and displayed one of the finest exhibitions of stellar shooting ever to be visualized.

Jon Haaven wasn't letting up one bit on the Bison either, as the smooth center contributed 20 points. Haaven was hampered by an injured ankle, received in the Saturday night tilt and sat through about half the game.

Ron Lackie rounded out the double figured scorers for the Upstaters by adding 11 markers.

The Bison seemed to lack the old fire and fight, which was very evident to the attending spectators. The highly polished Herd forward wall could never get rolling and only contributed 21 points.

Walt Fogel, Bison jump shot ace, could manage to get away only a few clean shots and was held to a six point output.

Grut Anderson perhaps had one of his worst nights ever experienced. The Hillsboro cager never could click on any type of play and ended his scoring with a measly 4 counters.

Big Bob Lauf had a cool night and managed to make some of his jump specialties, but missed some clean shots which usually go in for the LaMoure standout. Lauf scored 11 points.

The two Bison guards, Walstad and Akason, were held down by the shifty Sioux defense. Akason kept the Herd from too much humiliation as the Halstad hot shot took State scoring honors with 16 counters. Walstad was held without a field goal, while missing on his tactful drive in shot many times, and added four free throws for the losers.

Gamache was hot and cold also and added 11 points for the Bison. The Sioux jumped off to a 33-11 first quarter lead and led at the other stops 57-31 and 77-44 respectively.

The Tribe hit on 38 field goals out of 84 attempts, while the Herd sank only 22 of 80 tries from the floor.

The outcome was a clean indication that the Bison had one of their worst nights and the Sioux had one of their best. The Herd hit a new low for the five games while the Upstaters hit a new high.

Coach Louie Bogan of the Sioux substituted freely in the final quarter as his reserves turned on the steam just as much as the Tribe's regular five had done.

Coach Chuck Bentson substituted freely when he was quite sure that his Bison could not emerge with the victory as the Sioux had a 40 point lead of 94-54 with 3:15 remaining in the fourth stanza.

## Theta Chi Favored

Undefeated Men's Dorm and Theta Chi 1 and once beaten SPD and AIA are still fighting for the championship in the double elimination intramural basketball tournament.

In first round games SPD won over Kappa Psi by a narrow 45-43 margin in a double overtime thriller. The Men's Dorm swamped AIA 48-28 while Theta Chi 1 was squeezing out a victory over Theta Chi 2 by a narrow 32-29 score.

Second round games saw AIA defeat SPD 48-42 and the Men's Dorm eliminate Theta Chi 2 by a score of 55-24. Theta Chi 1 eliminated Kappa Psi 61-21 to complete second round play.

## NORTH CENTRAL CONFERENCE STANDINGS

by Hal Miller

	W	L	Pct.
North Dakota State	9	3	.750
North Dakota University	9	3	.750
Morningside	7	4	.636
Iowa Teachers	5	6	.455
South Dakota University	5	6	.455
South Dakota State	4	7	.364
Augustana	0	10	.000

North Dakota State and North Dakota University ended their 1953-54 North Central Conference basketball schedule tied for the top position. In their four game series the Sioux won the first and last encounters, while the Bison were taking the second and third games.

Elsewhere in conference play, the South Dakota State Jackrabbits defeated Morningside and South Dakota university to move into a chance for a tie for fourth place in the standings. The Maroons' defeat squelched their opportunity to tie the North Dakota quints for the title.

In Saturday night's play, however, Morningside rang up the highest point total in the conference with an overwhelming 110 to 80 victory over the winless Augustana Vikings.

Friday the Jackrabbits held an early lead over the intrastate rival Coyotes and went on to a 66 to 51 final score.

# IT'S ALL A MATTER OF TASTE

No guessing games with cigarettes  
When Luckies are your brand—  
A cleaner, fresher, smoother smoke,  
A taste that's really grand!

Phil W. Elder  
Oklahoma University

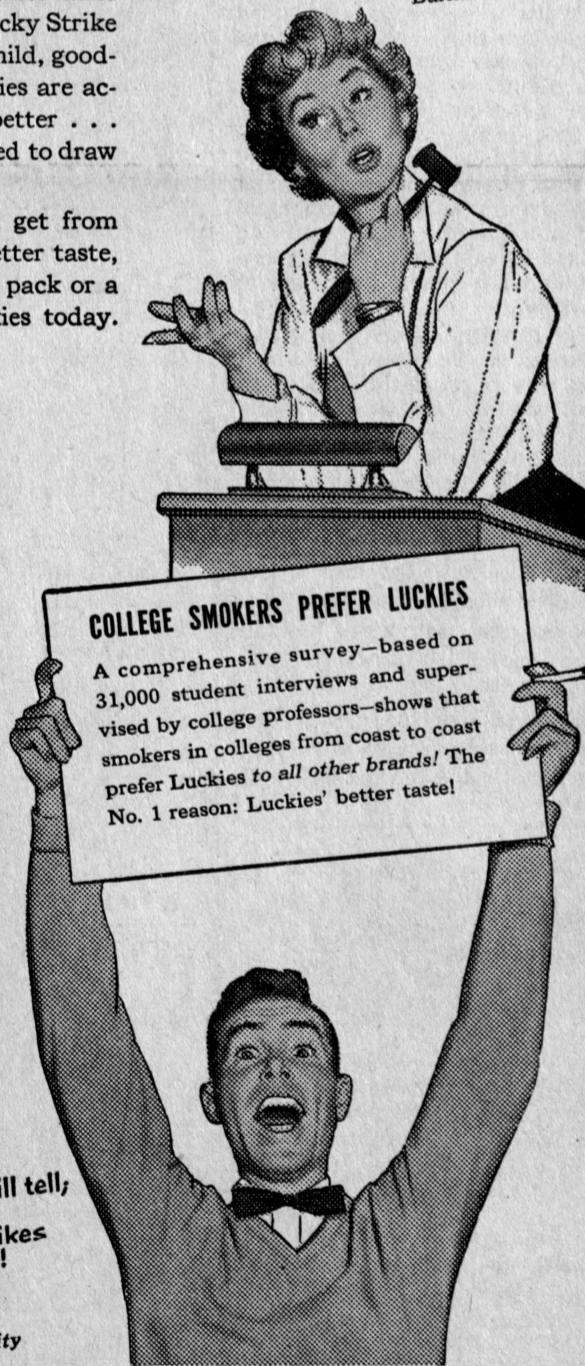

When you come right down to it, you smoke for one simple reason . . . enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco . . . light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better . . . always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

I've often been class president—

## COLLEGE SMOKERS PREFER LUCKIES

A comprehensive survey—based on 31,000 student interviews and supervised by college professors—shows that smokers in colleges from coast to coast prefer Luckies to all other brands! The No. 1 reason: Luckies' better taste!

# NSA Hold Fourth Annual Meeting At Istanbul, Turkey

THE SPECTRUM  
NORTH DAKOTA AGRICULTURAL COLLEGE  
FARGO, NORTH DAKOTA

Representatives of the United States National Student Association have just returned from Istanbul, Turkey, where they attended the Fourth International Student Conference. This meeting, the largest and most representative of its type ever to be assembled, featured the participation of over forty National Unions of Students from all areas of the globe.

The First International Student Conference was convoked in December 1950 after it had become apparent that cooperation with the International Union of Students, an organization which many have termed "the student section of the Cominform", was impossible because of its non-representative nature and partisan political orientation.

At the Second International Student Conference, held the following year in Edinburg, a Coordinating Secretariat was established to serve as the administrative bridge between Conferences.

Since its inception four years ago, the International Student Conference has grown greatly both in size and scope of activity, and now stands as the only medium through which students, organized in National Unions, can meet for the purpose of cooperation on an equal and non-partisan basis. The annual Conference operates upon a system of "delegated responsibilities" whereby National Unions agree to undertake the responsibility for various practical programs.

The Istanbul meeting initially was subdivided into four program commissions to consider the reports of National Unions on their individual progress and to plan future projects. Included among the problems discussed were those of student travel, study abroad, student sport, seminars and camps, student influence on university administrations, scholarships, student health, student economic and social affairs, and an international student identity card enabling holders to gain reduction in transportation and other costs while traveling.

There were several programs presented at Istanbul in which NSA was particularly interested. Since its inception at the Stockholm Conference, the Students Mutual Assistance Program has been implemented to a significant extent by NSA. This program, usually referred to as SMAP, aims to better educational facilities and to develop democratic student organizations and activities in the growth potential areas of the globe.

To supplement the present exchange of information and persons NSA investigated the feasibility of

sending international student technical assistant teams to these areas. The Conference approved the resulting report recommending the dispatch of persons trained in various student skills and those technical skills needed for projects related to the educational community.

The village projects in India are an example of this type of program which strengthens concepts of self-help and community-consciousness, the foundation stones of viable and democratic student organization.

After detailed discussions with Asian student representatives at Istanbul, the Conference asked the NSA to continue with its responsibility to collect all specific information necessary for the dispatch of Sosec teams to India and

Indonesia this summer. In addition, the Conference agreed to send a fraternal observer team to Africa.

In the field of publication of the ISIS Bulletin, a periodical that provides technical information on student skills and organization. Further, the Conference unanimously approved the NSA motion which empowered the Secretariat to acquire funds to publish a Cosec periodical of general student interest.

As a result of its investigation into the possibilities of a World Cultural Festival, NSA's recommendations that a number of cultural events of a widely representative nature be held coincident with the next ISC were approved.

**For Fellowship... High Adventure... and a proud mission...  
wear the wings of the U. S. Air Force!**

In days gone by, young men in shining armor ruled the age. Today, a new kind of man rules the age—America's Knights of the Sky, the *Aviation Cadets!* They rule from on high, in flashing silver-winged Air Force jets... a gallant band that all America looks up to! Like the Knights of old, they are few in number, but they represent their Nation's greatest strength.

If you are single, between the ages of 19 and 26½, you can join this select flying team and serve with the finest. You will be given the best jet training in the world and graduate as an Air Force Lieutenant, earning \$5,000 a year. Your silver wings will mark you as one of the

chosen few, who ride the skies in Air Force jets.

As an Aviation Cadet, your kingdom is space—a jet is your charger and your mission is the highest. You are a key defender of the American faith, with a guaranteed future both in military and commercial aviation.

Join America's Knights of the Sky, new men of a new age. Be an Aviation Cadet!
