

Spectrum Pictorial Review

Photo by Walt Junkin

The **SPECTRUM**, weekly newspaper at North Dakota State College, presents its second in a series of quarterly pictorial reviews of the students of NDSC and some of the activities and pastimes they have participated in during winter term.

The students shown represent a portion of the life which NDSC students lead, the sports they like, the activities they take part in, the outstanding men and women they have honored, and where and how they spent their leisure moments.

STUDENT SENATE

Mister President . . .

by Ed Aluzas

A high school band director named Bill Euren, once attempted to make a French Horn player out of a young athlete. The attempts were in vain and the young ball player was told to stick to sports. The young sir was Duane "Grut" Anderson, Hillsboro High's contribution to NDAC.

Duane came to the AC in the fall of 1949. In the field of sports, he was primarily a football player; he played the end position. However, it was later proved that he had considerable ability as a basketball player and the preference was given to basketball.

"Grut" was a member of the National Guard; in January of 1951, his unit was activated and eventually sent to Korea. "Grut" served a year and a half with the U.S. Infantry, one year of which was spent in Korea. "Grut" saw front line action, was wounded and received the Purple Heart.

After being discharged from the service, "Grut" returned to school, at the AC. On June 21, 1953, he married a young lady he had met in Florida.

"Grut" and his wife, Bettye, reside near the campus proper. Bettye is expecting a new addition to the family to be added in approximately a month.

Before coming up north to start her new career as a housewife,

Bettye lived at Clewiston, Florida with her folks and attended Florida State University. Last term, she continued her studies at MSTC.

Most members of the basketball team are familiar with "Pete", a dog that has followed "Grut" wherever he went. "Pete" is really basketball coach Chuckh Benton's dog. It seems that Chuck once went on a summer vacation and left "Pete" in the care of the Andersons. "Pete" sort of "adopted" "Grut" and Bettye and has faithfully companioned them ever since.

Fellow team mates and spectators alike can remember when Pete would come running into the field

house, and seeing Grut playing ball, would bound onto the court, up to his new master. Pete is also a frequent visitor to Minard hall.

Besides being a starting forward on the Bison basketball team, Anderson is a member of the Letterman's Club and the Vet's Club. Just recently he added another item to his list of achievements. On Tuesday, March 10th, "Grut" was elected President of the student government.

As President of the student body, Anderson has intentions of furthering the possibilities of the AC acquiring a swimming pool. Anderson shared the belief that swimming pool puestion was one

of the major issues on the minds of the students.

Anderson also believes that an immediate campaign should be started to stimulate school spirit and to raise it to its highest levels. Anderson hopes to appoint a committee for just that very purpose.

As President of the student body, Anderson's primary concern will be that of selecting committees to carry out necessary functions concerning scholarships, campus activities and the computing of statistics for the swimming pool.

Pertaining to his election, Duane stated, "I would like to express my gratitude to all those who participated in the last Student Government election. I am confident that with the attitudes of all the students before and after the election we can, through co-operation and united effort, accomplish a great many things this next year. As I said in my campaign, I am interested in having any and all interested students take part in their Student Government and will be glad to talk with you about our problems at any time."

Almost Ready For Junior . . .

Duane and Bettye are expecting an addition to the family.

State, Hometown Honors Bob Lauf

During the basketball season, State College honored all her old lettermen with special ceremonies during the half-time. The parade of old stars brought happy memories to Bison rooters who remembered the days when the old favorites strutted their stuff.

Big Bob Lauf, one of the finest athletes ever produced by State was honored by his hometown and the college during halftime ceremonies at one of the basketball games recently. Harold Parrot, above left, did honors for the college. Lauf is an outstanding performer in football, basketball, and baseball.
