LCT To Present Six Plays Next Year; Congrats Go To Seniors, Annual Staff

by Lee Johnson

Here we go on the last time around for this school year. Feel so worn out that I am kinda glad that things are just about washed up for this period.

Johnson

Quite a few parties down on the lake front this past weekend. Imagine that a few of you are still just a fish shaky from some of those wild and woolly blasts.

I guess summer is just a little behind schedule this year. The past few days have not been exactly conducive to outings on the green sward. Oh, well. So it goes, lots of nice weather ahead for the long months of vacation???

To the graduating seniors, we're going to miss you. Some of you troops have contributed much to the college during your term of incarceration, and you'll be hard to replace. Anyway, good luck to all of you out in the big cruel world.

Got those term papers out of the way yet? The time has come for all good students, or not so good, to finish up work for the year, and get ready to let off whatever steam that you may have left.

Visitors, visitors and more visitors to the old Union. I hope that there are multi potential State students among the hordes of people daily pouring over the campus.

Congrats to the annual gang. That was a wonderful book that you people put out. In my opinion, it was the finest ever published at NDSC. Parties are in order for Wes, Gary, and Co.

Hear some rumors that the Little Country Theatre is planning on presenting six plays next year. Oh, man. That sounds like a lot of work and an awful lot of fun. Good for the school, too.

Almost out of gas. The time has come to bid you all fond adieu for the summer. Have fun and we'll see you all next time around.

Until then, it's been...

June Brings More Picnics, Weddings; Alpha Gams Hold Term Party Tonight

by Renee Baker

June is here, and even if ole man winter is still hanging around, it's still nice to know that the month of weddings and vacation has finally arrived.

Baker

Picnics are still very much in season with each Greek group having at least one or two outings this past week, but the main topic of conversation has turned to exams. The seniors, those honored persons, have found that even if they are exempt from finals, most instructors had little Quizzes' the last few days of class.

The love bug has been quite active lately. Wearing rings that sparkle are Bette Jean George, Alpha Gam, given by Tom Gates, AGR, and Virginia Grindland given by John Hook, Theta Chi.

Sandy Klein has added the Kappa Psi pin of Larry Kuntz beside her Gamma Phi pin and Margie Sebesto now wears the Gamma Rho pin of Larry O'Keefe.

Passing cigars at the Theta Chi house were Prexy Merline Ludwig, after his pinning to Susan Rudrud, Tri-Delt from the University, and Darvin Johnson, after he pinned Elizabeth Rice of MSTC.

Sam, Hal Review State Sports Season

by Hal Miller and Sam Lowe

Things have been tense, friends, what with the nearness of Detroit Lakes and points humid, and we've decided to collaborate on a review of the year in sports of all sorts. (Us and Carl Sandburg rhyme things).

Logically, we'll do this thing in a chronological manner starting with the croquet season.

A quick check through our filthy drawers shows very few results of the croquet matches, so extend our apologies to the winners of winners of the mixed doubles tourney, because we can't seem to recall their names.

We toddle on toward a less popular sport, football. The Bison won three games and dropped five. The men of Ever-Night to the direction to which the compass points when it's pointing north, lucked out, although obviously playing against tremendous competition, and ekeedly won over the Herd, 26-6.

We will go on to happier things, in the form of gaily presented pooch races, with genuine sterling silver greyhounds, dachshounds, and Skye terriers fighting for leadership in television royalties.

Pretty soon someone scheduled some basketball contests which we attended regularly. Quite a few interesting things happened. The Bison tied for the conference title with some other school amid late referees, broken floor boards and lack of support.

We noticed at this point of the sport year that there was no swimming team at State, in fact no swimming pool.

However, our brow was still unfurrowed at this monstrously horrible news.

The big Pin-the-Tail-on-the-Donkey derby was held at this time and helped to relieve our minds after the aforementioned bit of sady.

The donkey had a rough week, but in actuality, the whole thing was very, very—well, it was, anyway.

Then spring roared back on the scene as always seems to after the lo-o-o-ong winter, and with it the baseball, track, golf, tennis and polo seasons.

The Bison didn't set anything afire, but they did manage to have an interesting squad in everything. The track squad featured the only double winner in the North Central Conference meet, dash man, Del Moore.

Dale Wallentine also won a first in the meet in the low hurdles, thereby giving the fourth-place team three first spots—an odd situation.

The Bison thinclads won the state meet, and the tennis and golf teams made it a clean sweep in the North Dakota event.

So, the year was an interesting one, full of thrills, surprises, and, we're sorry to note, a few disappointments.

It's been a bit of fun chatting with you people every week, and we know that some things we've mentioned do not belong on the sports pages, and ur apologies profuse.

We'd like to warn you that anything written on this page this week except the account of the baseball game should not be taken seriously.

ATO's Win I-M Softball

The men of Alpha Tau Omega defeated the Alpha Gamma Rho nine 11-5 in the final round of the softball playoffs to replace the Theta Chi nine as intramural champions.

Dick (Ding Dong) Malmo effectively scattered six hits for the ATO's while striking out five and allowing only two free trips to the initial sack. Gene Schuske, hurling for the losers, allowed 12 safe knocks, struck out one, and walked seven men.

The Gamma Rho's got off to an early lead in their half of the first inning with a single marker but the Tau's came back with seven big counters in the next frame to almost sew up the game although the AGR's seriously threatened with a quick trio of scores in the fifth.

Dick Thompson led the batting attack with three hits for four trips including a three bagger. Gerry Goetz also lashed out a triple for the ATO's. This marks the second time in the past three years the hairy-chested men have copped the softball trophy as they took first place in 1952.

Akason Leads Bison Stickers With .353; Aluzas Heads Extra Base Hit Parade

Jim Akason, stellar shortstop for the Bison baseball crew, was officially named the top sticker for the past season in which the Herd ran up a third place in the Steve Gorman League. Moorhead State Teachers again swept the title and Concordia finished second.

Akason garnished 12 hits for 34 times at bat for his .353 average and Ed Aluzas topped the .333 mark with 11 bingles for 33 times at the plate.

The team average, including pitcher's averages, was .237. In the extra base department, Ed Aluzas had a pair of doubles, two triples, and a home run, Rudy Maras had a double, triple and homer, Akason pounded out a double and a home run, Doug

Walstad rapped out a three bagger and Dale Serum and Sam Lowe each had a double.

Final averages read:

	AB	H	Ave.
Sam Lowe	4	4	1.000
Dick Joos	4	2	.500
Jim Akason	34	12	.353
Ed Aluzas	33	11	.333
Kermit Quanbeck	3	1	.333
Dick Stewart	28	7	.286
Bob Conzemius	15	4	.267

QUESTION:

What makes a Lucky taste better?

ANSWER:

"IT'S TOASTED"
to taste better!

No question about it, Luckies taste better to thousands of college smokers.

No question about the reasons why Luckies taste better, either. Today, nearly everybody knows L.S./M.F.T.—Lucky Strike means fine tobacco. And that fine tobacco is toasted to taste better.

"It's Toasted"—the famous Lucky Strike process—brings Luckies' tobacco to its peak of flavor . . . tones up this light, mild, good-tasting tobacco to make it taste even better. So enjoy better taste in your cigarette. Be Happy—Go Lucky!
