

Six File For Student Body Presidency

Student Senate Outlines Election Details; Presidential Runoff May Be Necessary

A special presidential election may be held on the campus, in the event that no candidate receives forty percent or more of

Election Judges Named By Senate; Special Voting Set

Student elections have been set for March 9 at NDSC, between the hours of 8 and 4.

Six election booths will be open during these hours. The voting places will be located in Minard Hall, Morrill hall, old engineering, the library, student union, and the new economics building.

Election judges were named at the last student senate meeting. They are Pat Ebeltoft, George Hildre, Nancy Carlson, Brunelle Svihovic, Beverly Gordon, and Paul Hoekstra. The above listed people will be in complete charge of the election booths and will be required to be present all day.

In addition they will have complete charge of the ballot boxes and will be responsible for a complete list of signatures that will match with the number of votes cast at their particular polling place.

Six alternate election judges were also approved by the student senate. They are Sharon Caspari, John Bollingberg, Joyce Brenz, Loren Bjornson, Jim Reipl, and Joyce Berg.

These people will be called upon to serve in the event that some of the regular election judges will be unable to work.

In further voting developments a special voting place will be open in the student union this afternoon. All students who will not be able to vote at the regular election may vote this afternoon upon presentation of their activity ticket.

The union voting place will be located in the director's office, and all votes cast will be locked up until Wednesday.

Vote counting will begin at 4 on Wednesday afternoon, and it will be under the supervision of the commissioner of campus affairs, Ken Moxness.

NDSC, campus radio, will report election returns from 4 on; until such time as the complete returns have been compiled.

Larry Sjaastad and Gordon Child have been named special members of the board of campus affairs to help with the vote counting.

International Buffet Planned For March 9

The senior food and nutrition majors at North Dakota State College are sponsoring an International Buffet on Wednesday, March ninth from 5:30 to 6:00.

This buffet will be served in room 206 of the new home economics building on the NDSC campus.

Tickets may be obtained from members of the senior food and nutrition class.

the vote cast for president next Wednesday.

This resolution was approved by the student senate last Tuesday evening, to make sure that no presidential candidate wins with only a very slim margin.

If no candidate receives forty percent of the vote cast, the top three contenders will be entered in a special election set for Monday, March 14.

In this special election the candidate who collects the most votes will become the new president of the student body.

Another election rule passed by the senate recently prohibits all campaigning on election day. All electioneering must stop before the polls open at 8 next Wednesday morning.

Also, no public address systems will be allowed on campus on election day. That is to say, no PA systems that urge voters to back a certain candidate for student office will be permitted to function while the election places are in operation.

Voting methods have also been approved by the student senate.

One vote may be cast for student president, six for two year senator, and seven for one year senator.

The resignation of Renee Baker from her two year Senate post opens another one year term to the voters. The added senator will be elected to serve out the unexpired year of Renee's two year term.

Six candidates will be elected for two year senate terms, and seven one year senators.

Each voter may cast only one vote for student president, but the votes for senator may be divided in anyway.

For the two year terms the six votes allowed may be cast altogether, or in any combination totalling six. The seven votes for one year senate may also be cast together, or in any combination totalling seven.

These voting regulations are the same as those which have been in effect for the past two years.

AFROTC Seniors Okayed For Training

The following named NDSC Air Force ROTC Cadet seniors have received notification, from the flying training Air Force, Waco, Texas, that they are fully qualified for flying training.

They are Gerald Arenson, Raymond Buelow, Eugene Carlson, Joe Cvanara Jr., Maurice Gagnon, Paul Gorder, Douglas Hanson, Gary Hart, William Hays, Lawrence Helt, George Hildre,

Glenn Hill, Ray Horne, Robert Hughes, Robert Johnson, Howard Jundt, Darel Leetun, Melvin Maier, Robert Mutchler, Scott Pederson, Kenneth Skuza,

Donald Sorlie, Arlyn Sukut, Richard Thompson, Charles Wasem, Jerome Watson, and Jeremiah White.

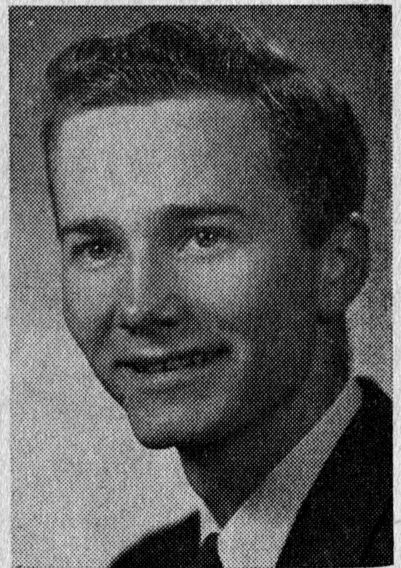

The above seniors are scheduled to graduate in June and will start flying training thereafter, reporting first to Lackland AFB at San Antonio, Texas.

Campus Prepares For Elections

Six candidates have filed for the position of president of the student body, according to campus affairs commissioner Ken Moxness.

The six include Floyd Askim, Don Carlson, Mike Fogel, Bob Gion, Merlin Ludwig, and Victor Ziegler.

In addition eleven people are

seeking election to two year senate terms and eighteen have filed for the seven one term vacancies.

Open Forum

SC's student senate will sponsor an open forum in the union ballroom Tuesday evening, at 8, where the presidential candidates will present their formal platforms.

Campus radio will broadcast the open forum, a special feature of which will be the introduction of all senate candidates.

(The Spectrum, this week, is featuring special information on the presidential and senatorial candidates. This story may be found on pages 2 and 3 of this issue.)

Student Government Info

The president of the student body at NDSC serves as the presiding officer at all student senate meetings. He votes only in case of a tie, but has authority to bring business before the student senate for debate and action.

In effect the student body president serves as the representative of the student government in dealings with the school administration, and in other such matters.

Also, the student body president has the authority to appoint student commissioners; with the approval of the student senate.

Student commissioners are often appointed from the student senate; but at times the appointees

may be from outside the senate.

The student commissioners are in direct charge with the various boards of the student government. These boards include campus affairs, music and public programs, athletics, student union, radio, and publications.

Commissioners serve as chairmen of these boards which are composed of students and faculty members. They are directly responsible for the activities of their respective boards.

In addition the student commissioners act as a special board which meets twice-monthly with the student body president to discuss matters which may affect all of the student commissions.

Student senators make up the actual legislative branch of the student government. The senators are directly responsible to the students of the college for their actions, and hence, are usually anxious to fulfill the desires of the student body.

Members of the senate also serve as members of the various commissions and in many cases, also as commissioners.

The student senate is composed of eighteen members, not counting the student body president. Each year it consists of six members elected for two year terms, six members elected for one year terms, and six carry-over members.

Engineer Groups Name Candidates For St. Patrick

The student branches of the various professional engineering societies have named their candidates for the title of "St. Patrick".

The title of "St. Patrick" will be given to the engineering student selected by a vote of the persons attending the Engineers Ball. Frank C. Mirgain, dean of engineering, will present the honor at the Ball being held March 11, at the K of C Hall.

Those nominated were Mike Rosenberg by AIA, Ralph Wheeler by AIEE, Richard J. Johnson by ASAE, Dick Ingberg by ASCE, Dan Doran by ASME and Dwight Timm by IAS.

Voting will be done the evening of the dance with dance tickets being used as ballots. Each ticket will be worth two votes.

Presidential Candidates

Floyd Askim

President

- (1) Scholastic average—2.51.
- (2) Campus activities—Alpha Gamma Rho fraternity, Saddle and Sirloin, student senate, board of campus affairs, Bison Brevities, and Little International.
- (3) I advocate:
 - a. The establishment of a student committee, with representatives from every school within the college, for the purpose of making North Dakota high school students more aware of the activities of the school.
 - b. An expanded program of student counselling to work with the schools. Upperclassmen would work with the freshmen.
 - c. Organization of a committee composed of independents, sorority and fraternity representatives to create a more unified feeling between groups, and to stimulate more interest in the school spirit.
 - d. An expanded system of helping freshmen adjust to college life and to guide their early college life.
 - e. An organization to work towards the betterment of housing for our athletes and the promotion for athletic scholarships.
 - f. To promote full support and cooperation of NSA with particular emphasis on familiarizing the student body more fully with the four general parts of NSA.

Don Carlson

President

- (1) Scholastic average—4.00
- (2) Campus activities—Vets club chaplain, Alpha Zeta agriculture honorary.
- (3) I advocate:
 - a. Establishment of a commission post for NSA affairs.
 - b. Additional recreational facilities for the campus, including light on the softball field and a tennis court for the campus.
 - c. Printing of a monthly student government bulletin to provide the students of the college with more information on the activities of the student government.
 - d. Increased emphasis on the leadership training program recently initiated on the campus.
 - e. Promotion of more interest in student government and the encouraging of more women to take

part in student affairs.
 f. Action by the student government to consider all problems presented by the students of the college, with none of them to be considered too trivial.

Mike Fogel

President

- (1) Scholastic average—3.8.
- (2) Campus activities—Vice-president of Alpha Tau Omega fraternity, Blue Key, two year student senator, commissioner of athletics, board of publications, board of finance.
- (3) I advocate:
 - a. Strengthening of student activity and interest in student government through open forums and classes.
 - b. Greater emphasis on the uses and benefits of NSA.
 - c. A student committee to meet periodically with the college administration to talk over problems of the student body.
 - d. Student representatives on the college council.
 - e. A larger and more conclusive leadership training program.
 - f. A special Spectrum reporter to sit in and report on student senate meetings.
 - g. Some sort of new all-college event, such as a winter carnival, to be sponsored by the student senate.

Robert Gion

President

- (1) Scholastic average—2.28.
- (2) Campus activities—Social chairman of Kappa Psi fraternity, Blue Key, assistant director of Bison Brevities, Newman club president, pharmacy club, chorus, Interfraternity council, student union activities board, student senate, board of music and public programs, and chairman of the homecoming queen committee.
- (3) I advocate:
 - a. To create a greater interest in student government, a program of training to create closer ties between the student senate and the general student body.
 - b. To weld the students into a more tightly united student body, more action and support on the part of the student body in backing school athletics, art, campus functions such as homecoming, student elections, Junior-senior prom, and the activities of the student union activities board.
 - c. The closer correlation of the functions and activities of the stu-

dent publications and radio, so that optimum benefits may be continually received by the student body which financially supports these school organs.

Merlin Ludwig

President

- (1) Scholastic average—2.70.
- (2) Campus activities—President of Theta Chi fraternity, vice-president of Interfraternity council, secretary of the Letterman's club, Blue Key, varsity basketball, college FFA chapter.
- (3) I advocate:
 - a. Increased student interest and cooperation with the student senate.
 - b. Non-voting representative from the student senate on the college council.
 - c. Non-profit book exchange.
 - d. Strengthened ties with the NSA.
 - e. Representation for graduate students at student senate meetings.
 - f. Stronger, more effective student government.

Victor Ziegler

President

- (1) Scholastic average—3.81.
- (2) Campus activities—President of Sigma Phi Delta fraternity, student senate, commissioner of student union, executive committee of the SC Vets club, Blue Key, Tau Beta Pi.
- (3) I advocate:
 - a. Establishment of a thorough leadership training program.
 - b. A student honor system.
 - c. A commission post for NSA affairs.
 - d. Creation of a more enthusiastic school unity by closer correlation between independents and Greeks and between the students, faculty, and administration.
 - e. Student representation on the college council.
 - f. Programs to create more interest in student government.

2 Year Senate

Joyce Berg

Two Year Senate Term

- (1) Scholastic average—3.67.
- (2) Campus activities—Secretary of Tryota, Gamma Phi Beta sorority, Gold Star band, and Tau Beta Sigma band sorority.
- (3) "I would like to see more unity between the students and the faculty and I believe this can be

done through the student senate.
 If elected I would also work for more student body interest and participation in campus affairs."

James McGuire

Two Year Senate Term

- (1) Scholastic average—2.64.
- (2) Campus activities—Kappa Psi fraternity, Pharmacy club, Papyrus Ebers business manager, Bison Brevities, Newman club, and intramural sports.
- (3) "If elected I will act in the interests of the organizations which I represent, and I will further the ideas of the students through the student government. I also feel that the NSA is very important to this campus, and will strive to further its development."

Kathleen Marquart

Two Year Senate Term

- (1) Scholastic average—2.7.
- (2) Campus activities—Pharmacy club, Kappa Epsilon, Newman club, and Kappa Alpha Theta sorority.
- (3) "I'm seeking election to the student senate as a firm backer of the NSA program on campus. I believe that this is an organization that creates better relations among college students and college student governments.

If I am elected to the senate, I will strive to represent the students ideas and the student body in any matters which may involve the students of SC."

Kerry Murphy

Two Year Senate Term

- (1) Scholastic average—2.40.
- (2) Campus activities—Theta Chi fraternity, house manager; Rahjah club, and Bison Brevities.
- (3) "I am interested in promoting more interest in student government by holding open forums and by other publicity; in order to promote a more effective student government.

Also, I would favor student representation on the college council."

Lyle Nelson

Two Year Senate Term

- (1) Scholastic average—3.77.
- (2) Campus activities—Pledge, Sigma Phi Delta; Alpha Phi Omega; YMCA; student member, American Institute of Architects.
- (3) "If elected, I will do my utmost to be a true representative of the students on all issues. I am for the creation of a cooper-

ative bookstore, the creation of student-faculty committee to investigate problems concerning courses, staff instruction, and similar matters. I will give full support to a program that is based upon leadership forums as a means of conveying the facts of any subject to the students, whose college this is."

Gaylord Olson

Two Year Senate Term

- (1) Scholastic average—2.4.
- (2) Campus activities—Coo-house board member, Saddle and Sirloin, Little International Staff College Farmers Union local.
- (3) "To provide the college students with all the facts on the present controversy, I favor open hearings on the entire matter and to prevent further trouble would like to see student representatives on the college council. As a means of improving courses, I would also like to see student-faculty conferences held."

Ralph Rothfus

Two Year Senate Term

- (1) Scholastic average—4.00.
- (2) Campus honors and activities—Blue Key master freshman award, Tau Beta Pi freshman award, Elks scholarship, American Society of Mechanical Engineers choir, and LCT plays.
- (3) "If elected to the student senate I would like to accomplish three things.

First, I would work to give the students a better understanding of the administration of the college. Secondly I am interested in seeing the student government take an important and definite part in administration of student affairs. Thirdly, I would like to help promote an increased interest in student government."

Monica Savageau

Two Year Senate Term

- (1) Scholastic average—3.00.
- (2) Campus activities—Kappa Kappa Gamma sorority, Spectrum staff, student union activities board, Newman club, NSA, and Little Country Theater production staffs.
- (3) "Thru the National Student Association, which is a major branch of our student government I will introduce the policies of the International Student Commission by promoting interaction between the foreign and American student here on the campus of NDSC."

Don Schwartz

Two Year Senate Term

- (1) Scholastic average—3.37.
- (2) Campus activities—Assistant house manager of Alpha Gamma Tau fraternity, Saddle and Sirloin, FA, Spectrum staff.
- (3) "Any candidate for a public office should realize that he is a representative of those who elect him. If elected to the student senate I pledge myself to represent the students of NDSC and to pursue goals that are for the betterment of our college."

Clint Sparks

Two Year Senate Term

- (1) Scholastic average—3.28.
- (2) Campus organizations—SC Vets Club, YMCA, Veterans Club housing committee, SC choir.
- (3) "If I am elected to the student senate, I believe that I may serve the students effectively because of my past experience in student government. Also, I will play no angles; but must give a fair, honest representation with the students welfare at heart."

Duane Swenson

Two Year Senate Term

- (1) Scholastic average—3.1.
- (2) Campus activities—Alpha Tau Omega fraternity, board of campus affairs, student senate, Kahjah club, and chorus.
- (3) "I have a sincere interest in student government and desire to use my one year's experience as a senator to further serve the aims and desires of the students of NDSC."

One Year Senate

James Beatty

One Year Senate Term

- (1) Scholastic average—3.35.
- (2) Campus activities—Vice-president of the Chemistry club, Rahhahs, Interfraternity Council, Sigma Phi Delta, past, vice-president; and student union activities board.
- (3) "If I am elected to the student senate I will seek to increase the power of the student government in handling the government on campus. It is my belief that the student government and the students could and should have a greater hand in running and administering the campus affairs. Also I favor an honor system, and presidential primary when and necessary."

Downey Cunningham, Jr.

One Year Senate Term

- (1) Scholastic average—3.5.
- (2) Campus activities—None.
- (3) "If I am elected to the student senate, I will seek to give independents on this campus a voice in the student government. Also, I will seek to find out why no record of student senate meetings are made public."

Elaine Geiszler

One Year Senate Term

- (1) Scholastic average—2.86.
- (2) Campus activities—President and vice-president of Alpha Gamma Delta sorority, YWCA, president; Tryota council, Panhellenic Council, Women's Residence Hall, vice-president; Spectrum and Bison staffs.
- (3) "I am running for the office of one year senator because of my interest in student government and my belief that the students should have some voice in campus affairs. I would also like to see the women of the college have more of a voice in the student senate."

Jack Larson

One Year Senate Term

- (1) Scholastic average—2.39.

(2) Campus activities—Alpha Tau Omega fraternity, Gold Star band, Kappa Kappa Psi band fraternity, Army ROTC rifle team, and program director of KDSC, campus radio.

(3) "We, the students of NDSC, need to be educated as to the powers and limitations of the student body president, the student senate, and the student commissioners.

We also need greater cooperation on this campus between the student body and the student government, and between the student government and the faculty and administration. If I am elected to the student senate, I will strive to attain these goals."

Kay McGeary

One Year Senate Term

- (1) Scholastic average—2.6.
- (2) Campus activities—President of the student union activities board, Gamma Phi Beta sorority, Tryota, Spectrum staff, Bison Brevities, and Ceres hall dorm council.
- (3) "Through my work as president of the student union activities board, I have come in contact with the students and their problems; and I have become interested in student government. Therefore, I would like to represent the students of NDSC on the senate. I believe that the student government should have more of a voice in solving campus problems."

Hal Miller

One Year Senate Term

- (1) Scholastic average—3.00.
- (2) Campus activities—Theta Chi fraternity secretary, KDSC sports director, Spectrum sports editor, Bison sports editor, Bison Brevities, Little Country Theater productions, Blue Key.
- (3) "Through my association with the student publications and radio station, I have had many experiences with the student government. I believe that the effectiveness of the student government has been impaired in the past by the lack of support on the part of the student body. Active interest should be promoted through better publicity for senate meetings and forums to increase the usefulness of the student government."

John "Tip" Miller

One Year Senate Term

- (1) Scholastic average—2.3.
- (2) Campus activities—Sigma Alpha Epsilon fraternity, college choir, student union activities board, and Bison Brevities.
- (3) "I believe in a broader student government and in better relations between students and faculty. In addition I would seek to promote student leadership training and increased emphasis on NSA. Furthermore, I think our college needs and deserves a swimming pool."

Richard Monson

One Year Senate Term

- (1) Scholastic average—3.78.
- (2) Campus activities—Sigma Alpha Epsilon, Lutheran Students Association, Gold Star Band, and Bison Brevities band.
- (3) "Since I am a freshman, there are people who are better acquainted with campus affairs than I. However, at present, the large majority of the student senate is composed of juniors and seniors. Therefore, with an eye to the future, I am running for senate as a freshman who wishes to become prepared for the coming years when the class of 1958 will

be seniors and the leaders of NDSC."

Donald Moore

One Year Senate Term

- (1) Scholastic average—4.00.
- (2) Campus honors and activities—Danforth Freshman award, Sears Roebuck freshman scholarship, secretary of the Farmhouse, vice-president of the Westminster foundation, YMCA cabinet, Saddle and Sirloin, and varsity track.
- (3) "I believe that the senate should be more representative to the students in discussing and taking action on more issues that confront the student body. The senate can be a real force on this campus if it will take advantage of the areas of action left open to it. If elected I will work for a more active and forceful student government."

Stan Morrison

One Year Senate Term

- (1) Scholastic average—2.19.
- (2) Campus activities—SC Vets Club, and Agricultural Economics club.
- (3) "If elected to the student senate, I will seek to bring the problems of all the students before the senate in an unbiased manner. I also would like to see a commission post for NSA, publication of a monthly student government bulletin, more emphasis on a leadership training program at the college, and the completion of our swimming pool."

Mary Helen Peterson

One Year Senate Term

- (1) Scholastic average—3.1.
- (2) Campus activities—Kappa Alpha Theta sorority, Tryota club, and Newman club.
- (3) "I'm seeking election to the student senate as an advocate of the leadership training program on this campus. There has been a definite trend at NDSC to develop in the students, more and more, the ability to be leaders. This is important as the leaders are the ones who make the college what it is."

Joe Rullifson

One Year Senate Term

- (1) Scholastic average—2.4.
- (2) Campus activities—Alpha Gamma Rho fraternity, Gold Star band, Kappa Kappa Psi, Saddle and Sirloin, and Bison annual.
- (3) "As a candidate for the student senate, I pledge myself to represent and uphold the rights of the students at NDSC and to work for the betterment of our college."

Alan J. Schumacher

One Year Senate Term

- (1) Scholastic average—2.54.
- (2) Campus activities—Social chairman of Kappa Psi fraternity, Ugliest Man on Campus, Bison Brevities, and intramural sports.
- (3) "I feel that the student body has grown enormously in the past few years and I would like to see this growth continue. If elected, I promise to do all I can to further NSA, and I will try to represent the students of NDSC to the best of my ability."

Judy Sherwood

One Year Senate Term

- (1) Scholastic average—3.44.
- (2) President of Kappa Kappa Gamma sorority, Panhellenic Council treasurer, senior editor of the Bison annual, Student senate, athletic commission, NSA coordinator, and Air Debs.
- (3) "After having attended the NSA congress last summer, I came to realize the importance of the

NSA program in connection with governments and college campuses.

As present NSA coordinator, I am interested in promoting the program by increased participation of an active committee and education of the students."

Mike Sund

One Year Senate Term

- (1) Scholastic average—3.42.
- (2) Campus activities—Manager of the Coop house, Saddle and Sirloin, Agricultural Economics club, and vice-president of the Farmers Union local.
- (3) "One of the most important items facing the students now is the controversy. As a means of preventing further dissension, I favor student representation on the college council. I also favor student-faculty conferences for the purposes of improving courses and curricula."

Bill Tuthill

One Year Senate Term

- (1) Scholastic average—2.62.
- (2) Campus activities—American Society of Mechanical Engineers.
- (3) "If elected to the student senate, I will endeavor to pass good, honest legislation with the wishes of the students uppermost in my mind. I shall endeavor to give anyone I come in contact with an insight to the works of the student government and in this way promote more enthusiasm for this vital function.

In addition I shall try to be the average man to represent the average students of NDSC."

Beth Ellen Turner

One Year Senate Term

- (1) Scholastic average—2.6.
- (2) Campus activities—Gold Star band, Phi Mu sorority treasurer and chaplain, Panhellenic Council, and president of the Baptist Youth fellowship.
- (3) "Because I plan to teach overseas after I graduate, I feel that the experience of acting as a student senator will be an asset to my future career. At the same time I feel that I can be of service to the students of SC."

Wayne Weatherford

One Year Senate Term

- (1) Scholastic average—2.31.
- (2) Campus activities—Executive committee of the college Young Democrats club.
- (3) "I do not belong to any campus organizations outside of a young political organization being formed on campus. I'm majoring in pre-law and desire experience in student government. If I am elected to the student senate, I will do my utmost to present and satisfy any problems or wishes of the student body."

Advanced Military Training For Vets

Veterans may make application with the PMST for Advanced Military. A serviceman with 12 months or more service may be given constructive credit for the basic course. In order to apply for advanced training, veteran must not have reached the age of 27 years.

Some benefits which will accrue to a student pursuing this course leading to a commission are subsistence at the rate of ninety cents per day, uniform allowance of \$100, pay for attendance at Summer Camp between his Junior and Senior year, and a commission in the U. S. Army Reserve upon successful completion of the program.

All non-service ROTC graduates are required to serve on active duty for a period of two years after commissioning. In the case of veterans with prior military service, it is the intent of the Department of the Army that any individual who may qualify for a draf deferred status due to prior military service, will not be ordered to active duty.

All veterans interested in obtaining additional details of this program are urged to contact the Army PMST.

Engineers Group Plans New Scholarship To Honor Max Hughes

Frank C. Mirgain, dean of the school of engineering at North Dakota State College, announces the establishment of the Max R. Hughes Memorial Scholarship by the Red River Division of the American Institute of Electrical Engineers.

The recipient of this award will be a senior student in the department of electrical engineering and will be selected by the faculty of the school of engineering and awarded on the basis of scholastic attainment, extra-curricular activities, and financial need.

This scholarship has been established as a memorial to Max R. Hughes, 53, Fargo, prominent engineer in the State of North Dakota, who was killed January 25, 1955 in an automobile accident. Having earned a bachelor of science degree in mechanical engineering from NDSC in 1933 and in electrical engineering in 1934, Mr. Hughes was a member of the American Institute of Electrical Engineers.

Student Elections Call For Consideration

Once again student government elections are upon us and the time has come for the students of NDSC to choose those people whom they wish to represent them for the coming school year.

This election promises to be one of the most heated and interesting in recent years. The trend of the past two years, that is an increased interest on the part of most students in the elections, has continued and this year a promising number of people have filed for the various offices available.

Now is the time for careful consideration on the part of each student.

Who are the best people for the student senate? Who will watch out, most effectively, for the best interests of the student body and who will be the most cooperative in bringing the opinions of various students before the proper authorities?

What plans are offered by the various candidates for solving or improving the many problems of the student body at NDSC?

These and many other questions should be answered by everyone before a vote is cast next Wednesday.

The Spectrum would like to urge every student of SC to vote carefully and wisely. Pick the best people for the jobs and our student government will improve in strength and prestige.

However, no matter how you vote; let's all get out and vote. Help make this the biggest election year in the history of the college.

NSA Opens Book Drive To Aid Foreign Students

In a letter received by Grut Anderson, student body president, from NSA, the critical need for books in university and student libraries throughout Europe and Asia was stressed.

Accordingly, a book drive will be held on campus during USNSA Book Week, which starts here Monday.

By contributing books, the students of NDSC can help a student in Germany, Greece, Yugoslavia, India, Korea, Pakistan or some other foreign land continue his education which has been stimated because of a lack of preciou textbooks.

With this in mind, the students of SC are urged to help make the USNSA Book Drive a success.

Announcements on the book drive will be made to all sorority and fraternity houses as well as the dormitories, on Monday night. Collections will be made all week, with books collected brought to the Student Union Building Friday evening for packaging and shipping to St. Louis, where they will be repacked for overseas shipment.

LCT Presents Drama Tonight, Tomorrow

A typical scene from "Shadow Of A Gunman." Pictured above left to right are Ellen Eaton, Chuck Abrahamson, Keith Amundson, Dunn Barr Sands, and Marjorie Lancaster. "A good time is had by all."

"Shadow Of A Gunman", Saen O'Casey's powerful play of 1920 Ireland is now being presented by the Little Country Theater players.

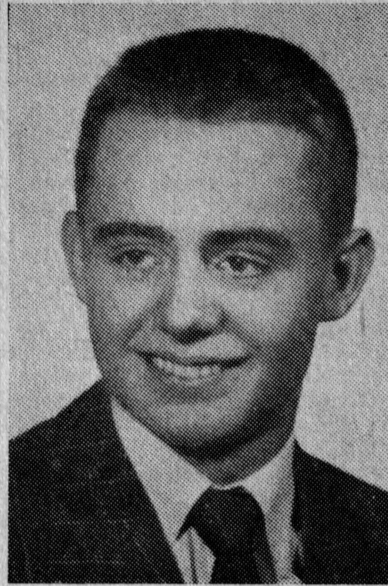

Performances are slated for tonight and tomorrow evening at 8:15 in the Little Country Theater.

Tickets are on sale at the speech office or from any speech major.

The cast and production crew is made up of the acting class of the speech department, and so includes all LCT favorites.

Don't miss 'Shadow Of A Gunman'.

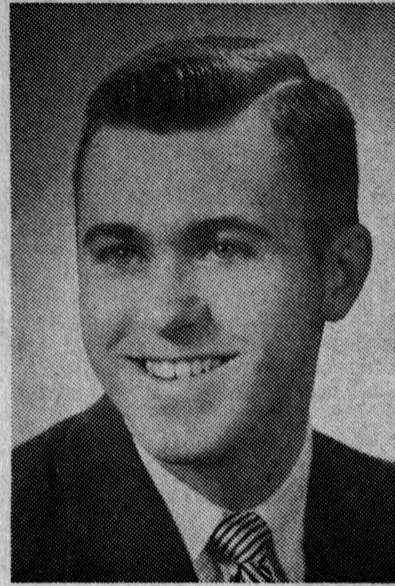

Ostby, Dewey, Johnson, Mark To Head Publications

Ostby

Editors and business managers for the 1955-56 Bison and Spectrum were elected by the board of publications at a meeting Wednesday afternoon.

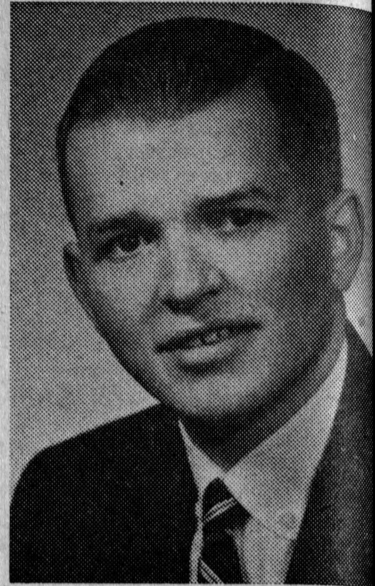

Mel Ostby and John Dewey were named editor and business manager, respectively, of the Bison annual; and Lee Johnson and Peter Mark will continue as editor and business manager of the Spectrum.

Dewey

For the past year Mel Ostby has served as activities editor and sports editor of the annual. He is a resident of Fargo, an agronomy major, a veteran, and a member of Theta Chi fraternity.

John Dewey has been advertising manager of the annual for the past year. He is majoring in business administration and is social chairman of Theta Chi fraternity. Renamed as business manager

Mark

of the Spectrum was Peter Mark. Mark is a sophomore in pharmacy comes from Aberdeen, and is a member of Alpha Tau Omega fraternity.

Lee Johnson will serve as editor of the Spectrum for the coming year. He has been editor of the paper for the past year, and served as business manager during the 1953-54 school year. He is a junior in arts and science, and is also a member of Alpha Tau Omega fraternity.

The new editors and business managers will assume their duties as soon as possible. In the case of the Spectrum heads, no change will be made; but the new Bison chiefs will begin plans for next year's book immediately.

Kampus Klues . . .

by Karen

I was a little frightened at the thought of taking over the job of social editor which has been done so well by Renee Baker for the past two years. I was even more frightened Monday evening when no news had shown up. But as usual "Old State" came through with the usual unusual number of pinnings, marriages, and parties.

First, our most hearty congratulations to our editor of Ye Goode Olde Spectrum, Lee Johnson, who was pinned Monday to Celeste Svihovec, AGD.

Also pinned recently at the Tau house are: John Larum and Susan Albrecht, a freshman at MS. Susy received white tea roses from the Tau's to commemorate the event. Dick Malmo was pinned a few weeks ago to Darlene Swanson, a junior at Concordia. Ron Zottnick was also pinned a few weeks ago to Dorothy Carlson, from Edgeley.

June Anderson, GPB, passed chocolates Monday evening for her pinning to Sig Norm Hanson.

Ron (Tina) Lundhagen, ATO and Maxine Tollefson, AGD were married Friday at Olivet Lutheran Church in Fargo. Nancy Carlson, GPB, was married Saturday to Dick Aus, a student at MS. Both are natives of Wheaton, Minnesota.

The Gamma Phi Beta pledges had a pledge coffee hour at the Gamma Phi house on Tuesday, Feb. 22. The Phi Mu's had a coffee hour for all students this past Wednesday.

Tuesday evening the Theta Chi's entertained the Gamma Phi's at the Theta Chi house. Wednesday the Kappa Delta's entertained the Sigma Chi's in the evening. The Kappa Delta and Alpha Gam pledges staged a sock hop Thursday evening in the Union for all pledges with the Kappa Psi combo playing.

Officers for the Kappa Delta pledge class are: President—Colleen Miller, Vice President—Pat Trom, Secretary—Susan Wheeler, and Treasurer—Shirley Mogan.

The SAE's will hold their winter term party this evening at the Moorhead Country Club.

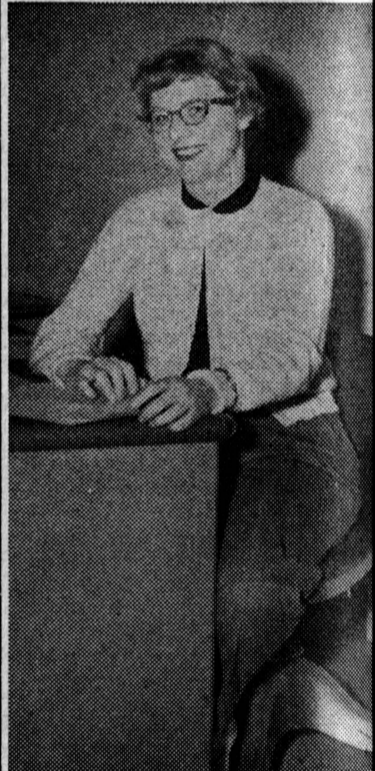

The Gamma Phi's seranaded their victorious ugly man contestant Alan Schuhmacher, Kappa Psi, on the evening of Feb. 21.

The annual Interfraternity Ball will be held Saturday evening at 9:00 p.m. at the Moorhead Armory. This in all college event so why not plan on going. It will be semi-formal—that is no corsages and tuxes. See you there?

Today the Phi Mu's are celebrating their annual Founders Day. They started out the day with a breakfast and plan to end the event by a dinner tonight, honoring their alumni and founders of Phi Mu.

Independents as well as Greeks — If you have any news I would be very glad to put it in my column. All you have to do is get it up to the Spectrum office by Monday night. If the office is closed, just slip it under the door. Thank you!

Campus Cutie . . .

Renee Baker

This week's cutie is Renee Baker, a junior majoring in speech at old State. She is the former feature editor and editor of the Spectrum, and a member of Kappa Alpha Theta sorority.

Cool off, though fellas. Renee is engaged and plans to be married on March 19. Oh, well, let's try again next week.

Choir, Gold Star Band Set Concert March 13

A joint concert will be presented by the North Dakota State College Gold Star Band and Choir on Sunday, March 13, at 8:00 p.m. in Festival Hall, according to William A. Euren and Ernst Van Vliet, directors.

The two groups recently returned from a tour of parts of the state. Tickets for the concert will be sold at the door or from band and choir members.

Interfraternity Ball Tomorrow Night

SC's annual interfraternity ball will be held tomorrow night at the Moorhead armory, with dancing from 9 to 12.

The dance is semi-formal with no corsages, tickets are two dollars per couple, and Paul Hanson and his orchestra will play.

A special feature of the evening will be the announcement of the Model Man of 1955, to be selected by the Panhellenic council.

Candidates and their fraternities include Darrel Leetum, Alpha Gamma Rho; Doug Hanson, Alpha Tau Omega; Ken DeKrey, Farmhouse; Kappa Psi, Bob Gion; Kappa

Sigma Chi, Dennis Lindemann; Sigma Alpha Epsilon, Floyd Wagner;

Sigma Chi, Glenn Hill; Sigma Phi Delta, Gordon Child; Theta Chi, Merlin Ludwig.

Ray Horne of ATO is the current Model Man.

Scholastic Honorary Initiates Seventeen

At SC To Membership

At the winter term business meeting of Phi Kappa Phi held recently, 17 seniors at North Dakota State College were elected to membership in the National Honor Society, according to Emma J. Dubetz, secretary-treasurer of the NDSC chapter.

Those elected include Fay Awes, David Bartholomew, Jerry Friedman, Jane Heifort, Frances Lohman, Edwin Zimmerman, Patricia Ebeltoft, Jane Haas,

James Hoffman, Loren Holmstrom, Percy Jolstad, JoAnn Just, Ronald Martin, Robert Peterson, Laverne Russell, Donald Sorlie, and Stanley Witteman.

Vets Club Plans Information Forum; Representatives From VA To Speak

On Thursday evening, March 10, in the student union the regular meeting of the SC Vets club will be held. It should be pointed out, however that this is going to be quite different from meetings in the past, in that the V. A. will have a forum to answer questions.

When the club was founded one of its aims was to have one meeting a year at which representatives from the V. A. would be present to help with any individual problems of the veteran pertaining to the G. I. training, hospitalization, insurance, etc. The meeting of March 10 is such a gathering.

In addition to the forum there will be several prizes awarded at the meeting. There will be three

(3) door prizes (you need not be a member to win this, but must be a veteran). Also there will be an award for the man who obtained the highest number of members in the membership drive. And finally an award to a member who has a lucky number.

It should be pointed out that that is an open forum for any veteran or instructor who would like to attend. The Vets club extends a cordial invitation to each and every one of this group.

NOTICE

The SC chapter of the American Society of Mechanical Engineers will elect officers next Wednesday, in the north conference room of the student union.

LUCKY DROODLES! GET 'EM HERE!

WHAT'S THIS? For solution see paragraph below.
Doodle suggested by Norman Gerber, C. C. N. Y.

HAVE A LITTLE FUN when you smoke. Enjoy yourself. Give yourself the pleasure of a better-tasting Lucky Strike. The enthusiasm often inspired by Luckies' famous better taste is illustrated in the Doodle (right) titled: Alphabet soup for Lucky smoker. So why *stew* over what cigarette to smoke? Luckies' taste is *letter*-perfect. After all, L.S./M.F.T.—Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "*It's Toasted*"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco

to make it taste even better... cleaner, fresher, smoother. When you light up, enjoy the better-tasting cigarette... Lucky Strike.

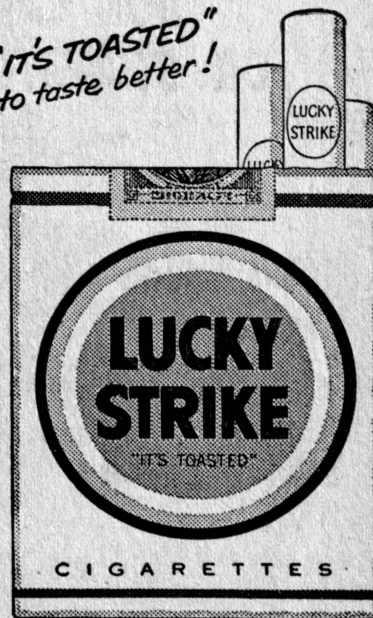

STUDENTS! EARN \$25!

Lucky Doodles* are pouring in! Where are yours? We pay \$25 for all we use, and for many we don't use. So, send every original Doodle in your noodle, with its descriptive title, to Lucky Doodle, P. O. Box 67, New York 46, N. Y.

Beauties Beat Beasts; 13-6 Marilyn Abbey Tops Offense

Shown above are the victorious Beasts of Gamma Phi Beta, champions of this year's Bromo Bowl. The funny fellow on the left is coach Billy Hutton.

By Judy Hammer

Twenty-four degrees below zero, four feet of snow and eight fans in the stands; it was a perfect day for a football game.

Well for the annual Bromo Bowl anyway, held between the Beasts of Gamma Phi and the Beauties of ATO.

The Beasts played an inspired game and over-powered the Beauties by a score of 13-6. The Beauties lone touchdown was scored by a Gamma Phi who was confused in the excitement.

The Gamma Phi Beasts, coached by Bill Hutton, used a strategy composed of three simple plays which never produced the same

results. Shirlene Schnell's Beauties concentrated on one play in favor of all others.

A powerful offensive game was played by Marilyn "Flabby" Abbey, captain of the winning team. Her teammates supported her with fine tackling, blocking, and brilliant running plays (?).

The star defensive player for the ATO's was Duane "Dirty" Ditch, who played the game under overwhelming odds. His teammates backed him with enthusiasm.

The Bromo Bowl, a traditional sporting event in this area, is played for charity with the proceeds going to the March of Dimes.

Bison Beat Sioux; Notch Second Place

North Central Standings (Final)

	W	L
North Dakota U	8	4
North Dakota State	7	5
South Dakota State	7	5
Iowa Teachers	7	5
South Dakota U	6	6
Morningside	6	6
Augustana	1	11

The North Dakota State Bison surprised almost everyone by sweeping the second half of the annual series from the NDU Sioux on their home floor.

After a split two weeks ago, the remaining two games were somewhat conceded to the university five who although dropping two conference games to the Herd still captured the conference crown.

The Bison won the third game of the series last Friday night 79 to 75 before about 6,000 fans. The loss was the first for the Sioux this season on their own wood.

At one stage of the game the Herd led by 22 points, but a Sioux rally midway through the second half quickly erased hopes of a runaway victory. The Bison had a fight on their hands all the way as the university quint refused to quit.

Duane (Grut) Anderson led the Bison scoring attack with a neat 30 point performance. Grut also played a whale of a floor and rebound game. Gene (Rubber Legs) Gamache put on a spectacular performance under the back board as he nailed 26 rebounds. In addition Gene scored an even dozen points. Dale Serum chipped in with 11 counters to establish himself as the only other Bison to hit double figures.

Doug Walstad, standout in the first half of the series, was injured early in the second half and had to be removed from the game. However he did score three fielders before his bad fall.

Don Augustin and Warner Brand led the Sioux scoring with 22 and 19 points respectively. Ron Lackie

Congrats are in order for the Bison and their coach on a very fine basketball season. The campaign was a disappointment up to series time, but with the sweep at Grand Forks and the split down here, little was left in the form of desire.

Just goes to prove that the best teams do not always win championships. From this bystanders view, the Bison were a far superior ball club than the Sioux. For one thing Bentson can be proud

added 16 and played a good floor game.

Saturday night, the Herd copped their third victory over the Sioux which gave them the series, 72-64. Gene Gamache scored 26 big points and became the only player to hit 10 field goals in the series.

The win gave the Bentsonmen two more league victories and elevated them into a second place tie in the conference standings. State finished with a 7-5 loop record, and a 16-8 overall.

Grut Anderson tallied 23 counters and led all scorers for the four game series with 75 points. Grut was also awarded the Rahjah trophy, symbolic of the outstanding player throughout the series.

Merle Ludwig and Dale Serum entered the game to spearhead a drive that netted the win. The two reserve guards played spectacular floor games and chipped in 12 points between them.

Don Augustin led the Sioux scoring with 21 points. Jim Tollefson added twelve to be the only other Sioux to score in two columns.

of the fact that his boys proved themselves superior sportsmen. As one Sioux follower put it, "Best football team Bogan has floored in several years."

Certainly three game road trips are for the birds and hurt the Bison tremendously. If this school wises up, they'll never let that situation arise again. And why did we play every team first, tire them out and the following night the Sioux got a shot at a beaten ball club?

At any rate we can't cry over spilt milk so all we can say is wait until next year. Best of luck to the Sioux in their post season play.

A fitting finish to a spectacular career was the awarding of the Rahjah Trophy to Duane (Grut) Anderson. Without Grut it is hard to realize where the Bison would have finished this year. Without taking anything away from the rest of the team I think Grut deserved that trophy and just a little more. The guy could play on anybody's ball club and is a wonderful competitor. Fitz gave Grut a fitting praise in his column Tuesday night and rightly too.

Bob Minick, Augustana's outstanding center, is the third man in North Central Conference history to score 300 points or more in one season. Minick tallied 302.

Bug Zuklik and Harry Timm are having a contest to see who'll be the heaviest man on the grid team next fall. . . my dough's on Harry the way he chomps that pop corn at the movies.

Someone at the Theta Chi house got a letter from Dick Tuntland the other day. The former star bowler doesn't agree with the hours the Air Force has set up for him.

Finally found out who the Phantom is that's been writing snide remarks on the board in room 225. . . Leon Johnson you old devil!!

Wonder who got the job of capturing the pigeons in the NDU field house?? Good thing cows don't fly.

Looking over the latest issue of Sport magazine I noticed the all time all-America basketball team. Here they are; Hank Luisetti, Charles Hyatt, George Mikan, Tom Gola, and Bob Cousy. Mikan was also selected as the outstanding player of all time.

Club News: This afternoon at the Moorhead meeting place. Same dues, policies, and prices. . . Bring your fishing equipment!!

SAE's Beat ATO's For I-M Cage Title

Sigma Alpha Epsilon's cagesters edged out the gold and blue of ATO, 45-42, in the intramural basketball championship game held on the fieldhouse floor last Monday night.

The SAE contingent controlled the game throughout, leading at the half by a count of 22-14, and at one time by as much as thirteen points.

In the late stages of the game, however, the Taus fought back to drop the contest by only three points.

For the victorious SAE squad Floyd Wagner paced the game's scoring with eleven points. Don Ulness and big Fred Stover also scored nine points each.

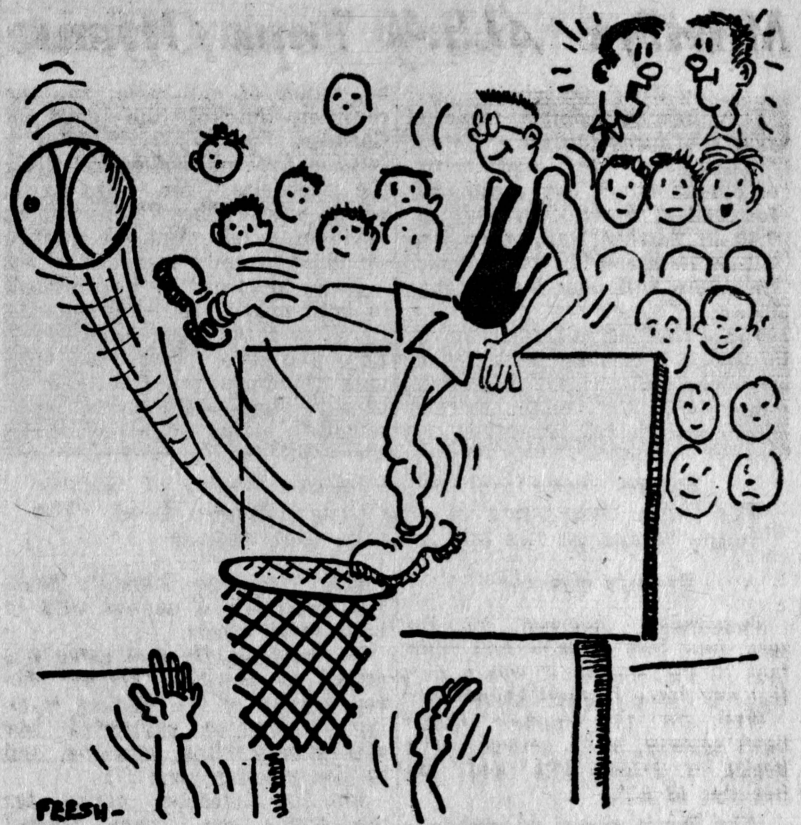

Bob Mutchler and Ivan Lang popped in nine apiece for the losers, Mutchler counting all of his points in the last half.

ATO outshot the SAE's from the field 17 to 11 during the game, but the SAE team won the game on free-throws, hitting on 23 of 38 attempts.

The Taus were able to hit on only 8 of 27 gift tosses.

Coached by Rolf Fraase, the SAE squad reached the finals by edging out the Student Body 3 outfit. ATO fought into the finals by skipping by Kappa Psi.

Goodness . . .

Early Music Ensemble Set For Convo At Festival Hall 9:40 Tuesday Morning

By Dr. F. G. Schoff
Ever hear a trumpet made of wood? A hurdy-gurdy?

These and other instruments of our ancestors' days will be featured at convo Tuesday at 9:40 in Festival Hall, when Dr. Albert Hess and his Early Music Ensemble will play for SC students.

Tunes that set villagers dancing in the 13th century and ballads strummed on harps by roving minstrels in the age of chivalry are among the repertoire of this unusual group.

The instruments used will be those for which the music was written; actual relics of medieval times, or painstaking reproductions of the originals. There'll be a small harpsichord, uncle of the modern piano; the viola da gam-

ba, father of our 'cello; and the recorder, flute of the days of Chaucer.

Some have no modern relatives: the "cornetto," for instance, which was a "brass" instrument made of wood. And the strange sounding "tromba marimba."

Eager to spread his own interest in both music and instruments, Dr. Hess formed the Early Music Ensemble two years ago from music students and faculty members at the Duluth Branch, personally training each performer. The result is a thoroughly authentic recreation of both sacred and secular music of the middle ages and renaissance.

Boston Pops Orch To Appear Here; Student Tickets Free

The world-famed Boston Pops orchestra, under the direction of Arthur Fiedler, will appear at the fieldhouse next Wednesday evening.

All students will receive free reserved seat tickets upon presentation of their activity tickets at the Little Country Theater as soon as possible.

A one night only performance, the Boston Pops will be the last lyceum program of the quarter; according to Dr. Frederick Walsh of the speech department.

Tickets for non-students are on sale at the LCT and Daveau Music.

Nick Sandar Named Asst. Horticulturist Of SC Exp. Station

Nick Sandar has been appointed assistant horticulturist in the North Dakota Agricultural Experiment Station effective March 1, according to an announcement by Dr. Fred S. Hultz, president.

Mr. Sandar will devote his research to potato production problems, with financial support for this research is being provided largely from new federal grant funds and the potato industry in this area.

Receiving his Bachelor of Science and Master of Science degrees at the University of Manitoba, Mr. Sandar has conducted potato research projects in Manitoba and has been provincial extension specialist at the University of Manitoba in this field for the past several years.

Mr. Sandar is married and the father of one child.
