

THREE IN PRESIDENTIAL RUNOFF

SC Gold Star Band, Choir To Present Home Concert At Festival Hall Sunday

A varied program of music will be presented by the North Dakota State College Gold Star Band and Choir when they present their home concert in Festival Hall on Sunday, March 13, at 8:00 p.m.

The 55-voice Choir, under the direction of Ernst Van Vlissingen,

chairman of the department of music, will sing secular and sacred music, while the Gold Star Band, under the direction of William A. Euren, associate professor of music, will present classic and contemporary selections.

First organized in 1939 by Mr. Van Vlissingen, membership in the choir is determined on a competitive tryout basis with a limitation of about 55. Coming to NDSC in 1934, Van Vlissingen not only head the music department, but directs the choir, men's glee club, teaches methods courses, trains students for solo work, and is active in Fargo music circles.

Mr. Euren received his B.S. degree at NDSC in 1933, was active in college affairs, and cornet soloist with the Gold Star Band under Dr. C. S. Putnam. In addition to teaching instrumental music, directing the football, ROTC and concert bands at NDSC, Euren finds time to participate in the Music Educators National Conference, North Dakota Education Association and American Federation of Musicians.

Fraternities Sponsor Annual Help Week, Plan Campus Work

Help Week plans for this year were formulated by the interfraternity council at its meeting last week.

Norman Hanson of Sigma Chi fraternity is in charge of the project.

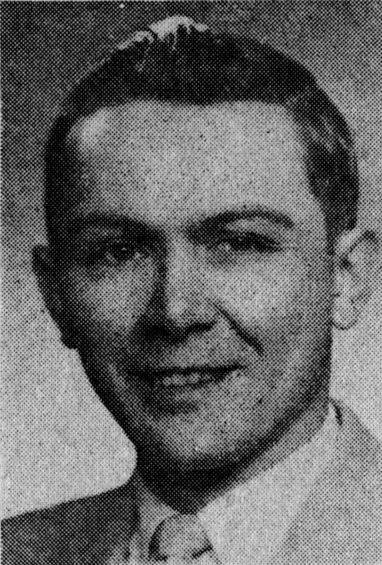

This year all projects will be confined to the various fraternity houses during the first week of the spring quarter.

Plans were discussed for an all-campus work day, later in the spring quarter. At this time all fraternity actives and pledges will clean up the campus.

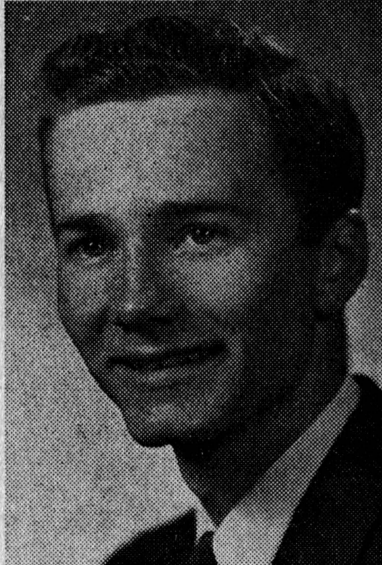

Help Week is held each year on the campus of NDSC during the first week of the spring quarter. It is the successor to the old "hell" week idea, and is held for the purpose of accomplishing some worthwhile work on the part of fraternity pledges going through initiation week.

All fraternity pledges who go active spring quarter take part in the Help Week projects.

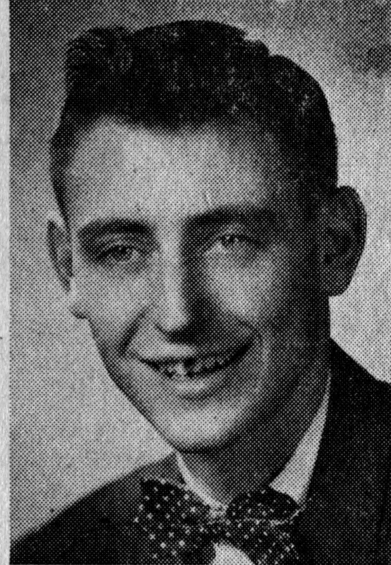

During the past several years Help Week projects have included sweeping the streets of downtown Fargo, redecorating the Y building, painting at several local children's homes, and various other similar work.

"Sign Of Jonah" To Be Presented By LSA Players

Music-lovers, dramatists! This is for you!

Coming attractions for this Sunday evening, March 13, include a one-act play "The Sign of Jonah" which will be presented in the College Y auditorium at 6:30 p.m. to put you 'in the mood' for the home concert of the NDSC band and choir at 8 p.m.

If you are interested in other people, if you wish to see in drama the conditions of war and how it affects the lives of human beings everywhere, then you are especially invited to see Guenter Rutenborn's play which will be student directed by Marjorie Kovek.

However, if you have no interest in drama, in lengthy sermons or haven't financial reimbursement for the finer things — this is for you! First, this production is realistic, secondly it impresses us with the experience of war in relation to us today and lastly it's admission free.

Character roles are being filled by dramatists from the Lutheran Student Association with Al Larson in the title role as Jonah. Playing opposite is Kay Wollan as the queen, Glen Rushfeldt as the judge, Bill Nelson as Michael and Allan Bieber as Gabriel. Brian Rase, Jerry Haugen, Carmen Posey and Ron Larson complete the cast. Technical assistance is supervised by Darlene Geving.

The production played for months on the "Broadway" of Berlin and became popular with the Studentengemeinde (German youth group) in both Eastern and Western Zones of Germany; when at the height of its successful run, the Soviet Secret Police finally prohibited any further performances.

This was due mainly to the fact that the characters are but symbols of real people. As they reveal this to the audience, the playgoer sees the story which is his own.

That's all the inside dope — Remember "Sign of Jonah" curtaintime is 6:30 p.m. Sunday. You can't afford to miss it. It's admission-free.

Record Number Of Votes Tabulated; Thirteen New Student Senators Chosen

By Bill Buck

In the elections held Wednesday, Merlin Ludwig, Mike Fogel, and Don Carlson ended up with first, second, and third place, respectively, for the position of student body president.

Ludwig polled 321 votes for a total of 26.6%, Mike Fogel followed with 213 votes and 17.7% while

Don Carlson ended with 199 votes and 16.5%.

Since none of the candidates received the required 40% of all votes cast, run-off elections will be held Monday to determine who is to be student body president for the coming year.

Polls will be located at the same places that they were for the general elections, with winter term activity cards again giving the student the right to vote.

All told a total of 1206 student-voters showed their activity cards at the polls for the greatest number of votes ever to be cast in a student election at SC. This total represents approximately two-thirds of the students of SC.

In the senate race, six new two year senators were elected and seven one year senator-candidates gained seats. Lee Johnson, Bob Gion, Vic Ziegler, Floyd Askim, and Larry Sjaastad, hold-over senators from last year's elections, complete the 18-man student senate.

In the two year senate race, the results were as follows:

Duane Swenson	1279
Clint Sparks	974
James McGuire	747
Don Schwartz	732
Lyle Nelson	606
Gaylord Olson	508

Results of the one year senate race are:

Stanley Morrison	1008
Jack Larson	757
Joe Ruliffson	714
Alan Schumacher	694
Hal Miller	569
Richard Monson	560
John (Tip) Miller	535

In the two year senate race, speculation was running high as to the winner of sixth place. Gaylord Olson finally won out with his 508 total, while Kerry Murphy and Joyce Berg finished in seventh and eighth with totals of 499 and 494, respectively.

The new student government officers will take office next term. Prior to their installation a banquet will be held to welcome the new officers officially into the student government.

Weekly Calendar

Monday, March 14

Plant Science Seminar, "Energy Sources Utilized by Vibrio Fetus", in room 212, Morrill Hall, at 4:00.

Women's Senate Meeting, 8:30, at the Union.

Tuesday, March 15

Chemistry Seminar, "Styrenated Oil Emulsion", in room 204, Ladd Hall, at 4:15.

Wednesday, March 16

12:00 SPRING VACATION BEGINS.

Who Will It Be???

Competing for the title of sweetheart of Sigma Chi are the three coeds shown above. Left to right they are Karen Eddinger, Janet Monson, and Joan Nelson. One of them will be awarded the honor at the Sig sweetheart dance tonight.

NOTICE

This is the last Spectrum for the winter quarter of 1955. The next paper will be published the first week of the spring quarter.

We hope to improve the contents of the Spectrum next quarter and wish to thank you for the interest all students of SC have shown in the paper.

Until next quarter, good luck.

Exam Schedule

WINTER QUARTER, 1955

For classes that meet regularly at:	Time

EXAMINATIONS IN ADVANCE OF THE PERIOD INDICATED NOT PERMITTED

REGISTRATION FOR SPRING QUARTER, 1955

Registration for the spring quarter, 1955, will be held in the College Library beginning on Monday, March 28, 1955. The schedule is as follows:

Monday, March 28
 3:00 A.M. to 10:00 A.M. Seniors and Graduate Students
 10:00 A.M. to 2:00 P.M. Juniors
 2:00 P.M. to 5:00 P.M. Sophomores

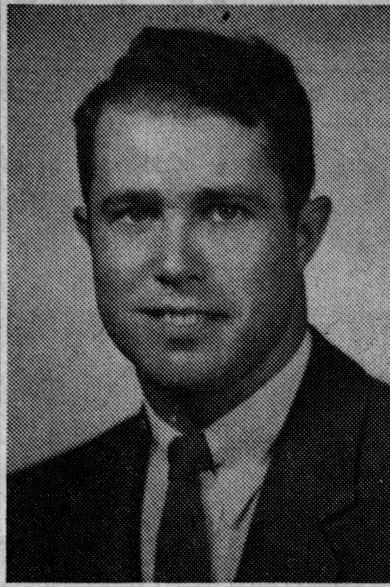

Tuesday, March 29
 8:00 A.M. to 11:30 A.M. Freshmen
 All four and five credit course classes will meet for assignment purposes beginning at 1:15 P.M. on Tuesday, March 29. The schedule will be:

- All 8:00 classes from 1:15—1:35
- All 9:00 classes from 1:40—2:00
- All 10:00 classes from 2:05—2:25
- All 11:00 classes from 2:30—2:50
- All 1:15 classes from 2:55—3:15
- All 2:10 classes from 3:20—3:40
- All 3:05 classes from 3:45—4:05

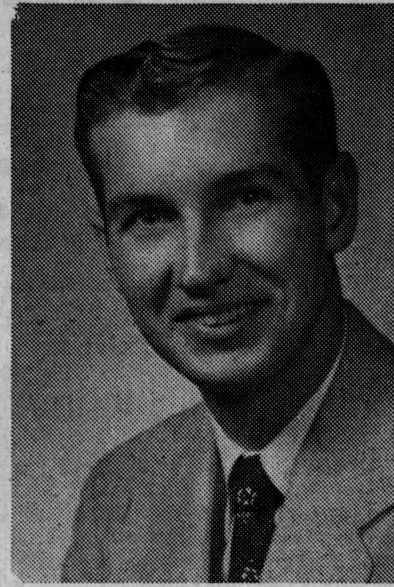

LATE REGISTRATION FEES WILL BE ASSESSED AFTER 12:00 NOON ON TUESDAY, MARCH 29, 1955.

 Admissions and Records

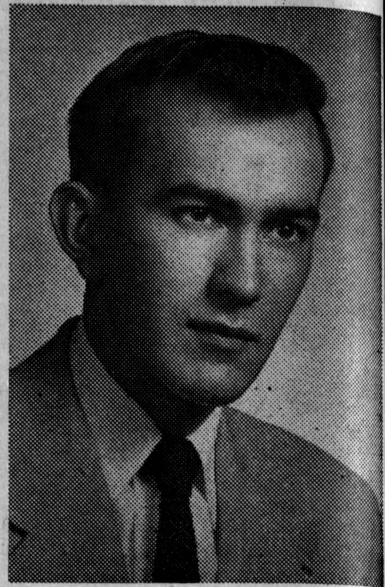

Engineers' Ball Scheduled Tonight At KC Hall Downtown

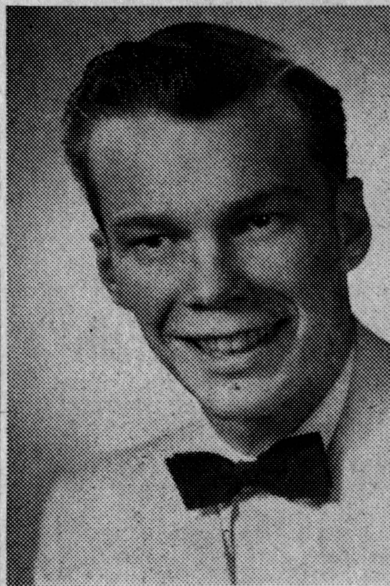

Doran

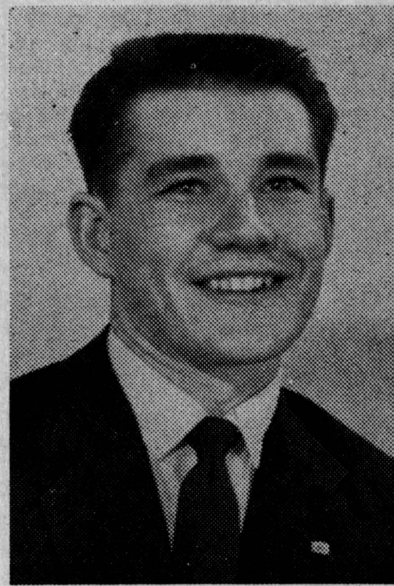

Ingberg

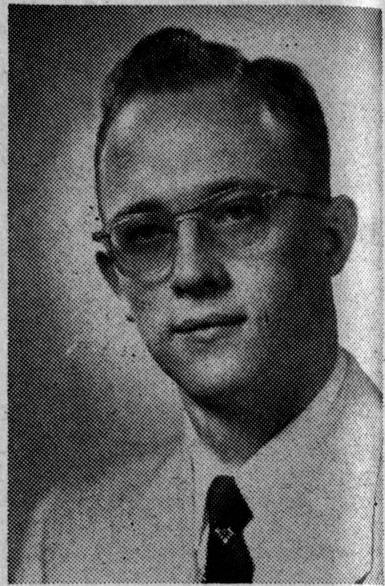

Johnson

Rosenberg

Timm

Wheeler

NDS's annual Engineer's Ball, sponsored by the engineering council, will be held this evening from 9 to 12 at the Knights of

Columbus ballroom in downtown Fargo. Music for dancing will be furnished by Paul Hanson and his

orchestra, with the dance listed as semi-formal.

Tickets for the dance are on sale from any member of the engineer's council for two dollars a couple, and they will be on sale at the door.

A special feature of the dance will be the crowning of the 1955 St. Patrick. Voting will be held at the dance and each ticket entitles the holder to two votes.

Six candidates are in competition for the title this year.

They include Dan Doran, Dick Ingberg, Richard Johnson, Mike Rosenberg, Dwight Timm, and Ralph Wheeler.

Greek Groups Elect Officers

Mary Hagen

Newly elected president of Kappa Alpha Theta sorority is Mary Hagen.

A member of Guidon, Tryota, and the Panhellenic council, Mary is also a former Spectrum staff member.

Other KAT officers include Wilma Husband, vice-president; Kathy Marquart, treasurer; Beverly Lind, house manager;

Barbara Pederson, recording secretary; Eunice Anderson, corresponding secretary; Darlene Trottier, social chairman; Mary Peterson, rushing chairman; and Joline Well, chaplain.

Other officers at the Kappa Alpha Theta house have yet to be chosen, or the positions are appointive.

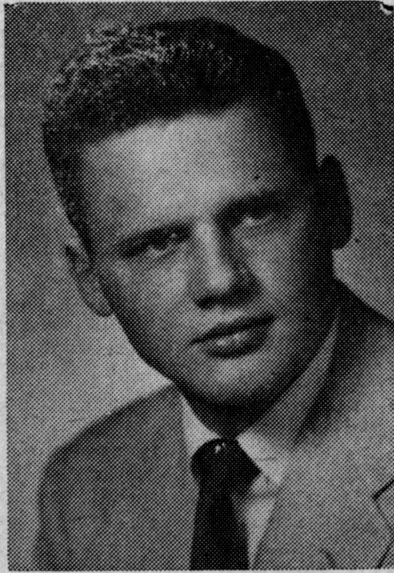

Frank Meyers

Frank Meyers was elected new president of Epsilon Delta chapter of Alpha Tau Omega in elections held last week. He succeeds Ray Horne.

A member of Scabbard and Blade and advanced Army ROTC, Frank served as assistant pledge trainer of ATO during the past year. He is also active in Bison Brevities.

Other new ATO officers include Mike Fogel, chaplain and vice-president; Roy Cedarstrom, house manager; Loren Bjornson, secretary;

Peter Mark, keeper of annals; Lynn Lammer, pledge trainer; Bob Montgomery, social chairman; Russ Sloten, rushing chairman; Ron Zottnick, sentinel; and Paul Pratt, usher.

James Rumpca

James Rumpca is the new president of Kappa Psi fraternity. He succeeds Ron Wolfe and took office on Monday.

A member of Newman club, Jim is also vice-president of the Pharmacy club. In addition he is a member of the Rahjajs and has taken part in Bison Brevities.

Other new Kappa Psi officers include Jerome Herman, vice-president; Kent Sack, secretary; Ken Wedul, house manager; Alan Schumacher, social chairman; pledge trainer, Jack Southam; chaplain, Duane Vad; Chuck Phillips, historian; and Dan Hanson and Tom Stoll, corresponding secretaries.

Judy Sherwood

Judy Sherwood is the new president of Kappa Kappa Gamma sorority, chosen in elections held last Monday night.

A member of the student senate for the past year, Judy served as NSA coordinator on campus, and delegate to the NSA convention last summer. She is also a staff member of the Bison annual.

Judy is one of the most active students on campus. It has been largely through her efforts that NSA has received wide attention.

Other Kappa officers include Gloria Lloyd, vice-president; Jayne Lee, pledge trainer; Pat Monson, social chairman; Beverly Pfeifer, treasurer; Janet Monson, rushing chairman; and Monica Savageau, Panhellenic delegate.

SC Newman Club To Run Service Station April 3

NDS's Newman club will operate the Joe Arrell Webb service station on Front Street on April 3.

Students will do all work on that day and will receive profits from the day's business to finance the trips of club delegates to a Newman convention at La Crosse, Wisconsin, and also to help bolster the club's treasury.

The next Newman club meeting is scheduled for April 3, also. The series of marriage talks will continue at this meeting, and there will be a special speaker.

Further information on the Newman fund raising plans will be featured in next quarter's first Spectrum.

NOTICE

Veterans who do not intend to return to college for the spring term are urged to sign for their monthly payments at the Registrar's office during the day of their last examination. Veterans who are planning to return to college for the spring term will not sign up until the last day of the month, as usual.

Pharmacy Group To Visit Laboratories, Cities; On Special Trip During Vacation

Seven days of traveling, touring, new sights and experiences are on the agenda for thirty-five Pharmacy students beginning March 19 with the start of the drug trip to Chicago and other cities.

An annual affair for the students in Pharmacy, the trip is sponsored by the school of pharmacy and subsidized by leading Pharmaceutical drug companies. The trip this year includes visits to the Abbott Laboratories in Chicago, Upjohn Pharmaceutical Company in Kalamazoo and the Parke Davis Laboratories in Detroit.

Mr. John Street, professor of pharmacy, is directing the trip and has planned a well filled schedule of events slated for the moment the students board the special coach on the Northern Pacific Mainstreeter late Saturday afternoon until they return the following Saturday.

Breakfast in the "Windy City" of Chicago starts the Sunday events followed by another train trip to Kalamazoo, Michigan, where the group will be entertained at a luncheon by the Upjohn Company at the Hotel Harris.

Monday morning the touring pharmlcs will again be treated to breakfast followed by a tour of the Upjohn Plant with lunch at the plant cafeteria.

Monday evening another special coach will take thm eto Detroit, Michigan where they will be met by representatives of the Parke Davis Company and escorted to the Sheridan Cadillac Hotel.

Tuesday morning will begin with a breakfast sponsored by the Parke Davis Company with a tour of their buildings, lunch, further tours and a dinner back at the hotel.

A free morning and afternoon follow on Wednesday with the students leaving Detroit and arriving in Chicago to stay at the Morrison Hotel with a free evening of sight seeing in the city.

Thursday the Pharmics become the guests of the Abbott Labor-

atories at the Congress Hotel for dinner followed by an evening at the Chicago Theater.

A busy day of events of Friday includes a visit to the Abbott laboratories with lunch, inspection of the manufacturing department and then back to the hotel for dinner and special entertainment by the "Abbott Medicine Men".

Wengert To Speak At Annual Meeting

Professor Norman Wengert, chairman of the department of social studies, will present a paper on "The Interstate Compact As A Device For Resource Development In The Missouri and Columbia River Basins."

The paper will be given at the annual meeting of the American Society for Public Administration on March 18.

Ag Notes . . .

Two members of the agricultural education department staff, Winston Dolve and Shubel Owen, attended the Valley City Winter Show as representatives of the department last weekend.

They were in charge of an FFA crops judging contest held in conjunction with the Winter Show.

Also at the Winter Show was Howard Lahlum, state FFA president.

E. L. DeAlton and Dell Colwell attended the regional conference of state supervisors of FFA this week.

NOTICE

Representatives from ALL organizations are urged to be present at the Intramural board meeting next Monday afternoon. The Intramural award banquet is to be voted upon. The meeting will be in room 204 of the Field House.

WHAT'S THIS?
For solution see paragraph below.

YOU'LL GET A BANG out of the Droodle above. The title is: Daredevil enjoying better-tasting Lucky just before being shot from cannon. Luckies are going *great guns* everywhere. The reason for their *booming* popularity is simply this: Luckies give you better taste. They taste better, first of all, because Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "*It's Toasted*"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better . . . cleaner, fresher, smoother. Enjoy yourself when you smoke. Have a little fun. Light up the better-tasting cigarette . . . Lucky Strike.

Serving the College Students For 20 Years

Vote Response Shows High Student Interest

Students at NDSC once again showed that there still is a spark of life left in the student body, on Wednesday, during voting for the student government posts.

A record number of votes were cast and a much greater interest was displayed in the election this year than at any time in the past.

Perhaps it could have been the large number of presidential candidates who sought office this year, or the many interests at stake in this election, which contributed to the fine voting turnout.

Whatever reason was responsible for this most successful of all student elections, the Spectrum wishes to commend all the students of SC for their interest and showing.

This year's campaign was the most heated in the history of campus elections, and yet no friendships were broken.

Twenty-nine outstanding students ran for one and two year senate terms, and they promise to give the school one of the most active student senates ever.

The apathy of the student body was effectively broken, and things show a glimmer of hope for the future.

Now the students of SC look to their new student government to lead the school onward and upward during the coming quarters.

The responsibility for the continued strengthening of our student government depends on what the new senate will accomplish during the next three quarters.

Good luck to our new student senators. Don't forget you have a hard and thankless job on your hands; but it is a job well worth doing well.

Mud, Hogs Plague Parking

"Spring is sprung, the grass is riz". So goes the old poem and once again spring has come to the campus of NDSC.

With it comes a time for relaxation and loosening of the tension, but it brings a perennial problem with it also.

Our parking lots are already beginning to resemble mired sloughs or quicksand pits. Gravel is disappearing under mud, and everyday several cars are stalled in the conglomeration.

Something must be done to remedy this difficulty which arises every spring. The students of the college have suffered long enough. Let's do something once and for all, and soon.

Another pest who seems to come with spring is the chronic space-hogger in the student parking lots.

Not content with one parking space, some people apparently feel that they are entitled to two spots for one car.

Our parking lots are crowded and stifled enough.

There just isn't any room for the person who takes more than his fair share of the space.

How about a few rules of etiquette even in parking?

Down Here . . .

By Lee Johnson

Missed you last week because of the tremendous amount of material on the elections. Hope that it gave you a clearer picture of the people running for student office, and of some of the matters that were at stake in the election.

* * *

Wrote a column last week that included some spicy little items about the university series. Although this is sort of late, I'd like to throw in a word on the rough-play which marked the series games, especially at Grand Forks.

The Sioux just couldn't stand the thought of losing, I suppose, so I guess some of their bad conduct should be excused.

Be that as it may, the Northerners still don't seem to be very good sports on the basketball court; and their actions definitely cut down on the enjoyment of the games from the fans point of view.

* * *

A tremendous group of people ran for student office this year. From the looks of things next year's student government should be a very fine one.

Luck to all the new senators and our new president, although when this paper comes out he may not yet have been selected.

* * *

Three hurrah for the cast of "Shadow of a Gunman". The Little Country Theater players really wrapped up a tough play in wonderful style.

* * *

Joke of the week could very well be my grades this quarter. Things haven't jelled too well this time and things could be a little sparse when the small white envelope reaches my folks.

Oh, nuts.

* * *

Special award of the week goes to Robert Teschendorf, student cartoonist. Those election posters that Tesch whipped up for Merlin Ludwig were really the coolest.

Guess we really should wish Renee Baker and Lloyd Pekas the best of luck. The blonde twosome are planning a marriage just a bit more than a week from today, and they deserve all the fun in the world.

* * *

Lights are burning late all over campus this week. Those horrendous finals are almost upon us. Shudder! One more week and another quarter will be wiped off the slate.

Kampus Klues . . .

by Karen

The week before test week was not as dull as I had expected it to be. Evidently the cramming will begin the night before the test instead of the week before. Term parties were the highlight of the week, along with our usual pinnings and marriages. Since there will be no Spectrum next week, I hope the social life will slow down a trifle while we try to catch our breath again and do a little studying.

* * *

The Theta Chi term party will be held in the Moorhead Country Club this evening. Also highlighting this evening will be the Engineer's Ball at the K of C Hall. Congratulations to your new St. Patrick who will be crowned tonight. Tomorrow evening the social spot-light continues with the Sigma Chi Sweetheart Ball at the F-M Hotel in Moorhead and the Alpha Gamma Delta Term Party at the VFW Club, Moorhead.

* * *

Entertainments were also in full swing this past week. On Monday evening the Sigma Alpha Epsilon's and the Kappa Alpha Theta's had an exchange dinner. The Alpha Gamma Delta sorority entertained the Alpha Gamma Rho fraternity on Wednesday afternoon from 4-6. The Phi Mu's entertained the Sigma Phi Delta's Tuesday evening. The farmhouse entertained the Kappa Kappa Gammas on Thursday evening, a week ago. Also missed in my column last week was the entertainment presented by the Sigma Chi's of the University of North Dakota for the Sigma Chi's and Kappa Alpha Theta's from NDSC, the weekend of the U Series.

* * *

The week end before spring vacation seems to be a very special date for many staters. Virginia Pratt, KKG and Scott Thayer, ATO alum will be married on March 18. Sharon Evenson, KKG and Nick Westman, AGR alum will be married March 19. Joyce Rutherford, GPB and Jack Goehl, Sig will also be married on March 19. Renee Baker, Theta passed candy at the Theta house Monday evening. She will be married March 19 to Lloyd Pekas, Kappa Psi.

* * *

Engaged Friday evening were Barbara Widdifield, AGD and Doug Hanson, ATO. Also recently engaged were Mel Braaten, Farm House and Carol Dahl of MSTC. Janet Vick, Theta alum, sent candy to the Theta house in honor of her engagement.

* * *

Pinned last weekend were Ginnie Steffes and Clarence Becker, Theta Chi. Audrey Brekke, Gamma Phi, received roses from the Taus for her pinning to Bill Stewart, ATO. She received them at the entertainment in the ATO house following the Bromo Bowl.

* * *

The Gamma Phi's enjoyed a slumber party (should be called slumber-less party) last Friday evening at the Gamma Phi house. A sleep-less time was had by all.

* * *

New pledge for Kappa Delta sorority is Jackie Jungers.

* * *

Congratulations to the Alpha Gam's for selling the most tickets to the faculty basketball game. They received the WUS trophy for this honor.

* * *

Lt. Doroas Sterns, WAC recruiter, was a dinner guest at the Theta house Wednesday, Feb. 23. Lt. Sterns is a Theta from Colorado "U".

Rambling Reporter Relates Rabid Tale Of Swank Establishments In Deep South

By Norman Reinke

A good many summers ago I had the good fortune to visit a friend of mine in New Orleans. Since Lee tells me I'm expected to write a column, and I can think of nothing else to say, I'd like to relate my experience in "Le Clube Unione", the pride of the Bayou City's college set.

"Le Clube Unione" occupies an enviable location in the center of the city. Its facilities justify the great pride of its membership. I shall attempt to point out a few of its outstanding attractions.

Definitely the outstanding feature of "Le Unione" is its fine restaurant, "La Salle de Bisone". The restaurant is decorated throughout with rustic designs of nineteenth century Louisiana. The ceiling is low and concave. All furnishings are strictly plush. And the food! A trifle expensive in deference to its exclusive clientele, but always exceedingly tasty.

A person insensitive to the tradition of the establishment might think the menu somewhat monotonous, but the regular patrons insist they take great comfort in the knowledge that the traditional meal will always be available.

One simply cannot speak of "Le Salle de Bisone" without mentioning "Le Kracquer". "Le Kracquer" is a most delicious type of old fashioned bread. It's dry, hard, and very crumbly. It's also very expensive, and in no case is a patron permitted more than one serving.

The coffee is delicious! At great sacrifice the establishment is still able to serve it at the amazingly low price of only five cents per cup! This is of course in accord with the Louisiana State motto, "Nickel coffee in Nightclub Atmosphere".

Immediately across from "Le Salle de Bisone" is a quaint little place called "Le Shopp des Livres". While there it was my good fortune to discover a sale of my favorite novel, "Caroline Coquette". I was very impressed with the edition offered. It was a small, compact, paper-bound book with a striking Twentieth Century classic painting on the cover. I was unable to resist the purchase because the price was an amazingly low ten dollars.

"Le Shopp des Livres" reserves some of its floor space for stocking textbooks which are offered at sacrifice prices to the students. Of course only quality books are sold, but the management makes every effort to duplicate the "Caroline Coquette" type of bargain.

Silver Contest Open To Coeds

During the month of March, Reed & Barton, America's oldest major silversmith, are conducting a "Silver Opinion Competition" in which valuable scholarship awards are being offered to duly enrolled women students at a few selected colleges and universities. North Dakota State College has been selected to enter this Competition in which the First Grand Award is a \$500 cash scholarship; Second and Third Grand Awards are \$250 scholarships each.

In the "Silver Opinion Competition" an entrant is asked to name her favorite Reed & Barton design and tell in her own words why this design best suits the way she wants to live. She can use as few or many words as she likes. There is no set limit. Entries will be judged on the basis of interesting opinions rather than on literary techniques. Closing date is midnight, March 31.

Miss Vivian McAuley is the Student representative who is conducting the "Silver Opinion Competition" for Reed & Barton at NDSC.

Those interested in entering the Silver Opinion Competition should contact Miss Vivian McAuley for entry blanks and for complete details concerning the Competition rules. She also has samples of 9 of the most popular Reed & Barton designs so that entrants can see how these sterling patterns actually look.

Through the opinions on silver design expressed by college women competing for these scholarships, Reed & Barton hopes to compile a valuable library of expressions on young American tastes.

In last year's contest Lorraine Olson won second place nationally in the contest and three other SC girls took national honors. Beverly Kurtz, who conducted the contest, was rewarded with several pieces of sterling silver.

About all we can say further than this is, ooo—la-la.

Japi Runs For Student Senate, Takes Horrible Beating

By Lee Johnson

Q. Japi Kutpepper, boy college student, became aware of strange sounds in the air one day during the past week.

In every corner of the Bison room groups of people were talking over some sort of elections and Japi became intensely interested in finding out what all the hullabaloo was about.

Recognizing his friend Axel Sturlickson in one corner of the room, sleeping soundly under a table; Japi decided to ask this veteran college student just what it was that seemed to be occupying the interest of so many SC students.

After shaking Axel strongly for fifteen minutes, Japi was finally able to rouse him from his slumber and find out that student elections were coming up.

Upon questioning him further, Japi discovered there were vacancies for one and two year senators, and for the presidency of the student body.

All that was necessary to qualify as a candidate for these offices were a few signatures on a petition. The petition blanks could be obtained freely from the dean of students.

Ten minutes later Japi was in possession of a petition for two year senator. He began the long, hard job of finding signers for his list; but after two days of hard work he finally managed to procure the necessary seventy-five signatures.

Upon completion of this gargantuan task, Japi questioned Axel again and found out the requirements for two year senator and

just how he could go about getting elected to office.

From early morn until late at night, Japi trudged the campus handing out hand-written election posters and haggling with fellow students about his many qualifications for student senate.

Finally Japi finished his great endeavor and settled down to the infuriating job of waiting for the election returns to come in.

It was March 9 and Japi was all done electioneering. Now he could sit and fume because the ballot boxes were guarded and he was unable to stuff any of them with three thousand ballots that were casually marked, Kutpepper for Klean-up.

Time passed slowly for Japi, but at last four o'clock came and Japi hustled back to his barn to catch

the returns over campus radio.

From four-thirty on the returns were broadcast at frequent intervals, and Japi listened as various people began to build up huge leads in the various races.

After five hours of keeping his ear glued to the radio, Japi still had not heard any mention of his name. He began to worry a tish, but he remembered that his stronghold had not yet been reported.

At last the returns from the union were announced and Japi listened eagerly to the long list of candidates and their various totals. At the very end he heard six votes registered for Kutpepper.

"Well," muttered Japi, "At least I was smart enough to vote for myself. I guess people just don't trust me."

Volleyball Playoffs Enter Semi-Finals; Three Teams Left

The intramural volleyball play-offs got under way Tuesday night with the following results.

SPD's beat the AGR's
Theta Chi beat the Kappa Psi's

Kappa Psi's beat the AGR's.
SPD's beat the Theta Chi's

Theta Chi won the regular season play emerging undefeated. The playoffs are run on a double elimination basis which leaves Theta Chi, SPD's, and the Kappa Psi's in the running.

Notice

All persons interested in joining the sports staff of the Spectrum are urged to contact Robert Fisher or Lee Johnson at the Spectrum office.

Anyone interested in training for the position of Spectrum sports editor for next fall is especially invited.

Northwest Sports . . .

Sports activities slowed to a standstill around the conference during the past week. At all schools in the NCC basketball competition ended for the year and work began on track and baseball teams.

Reports from South Dakota State indicate that Dean Antoine, fine Jackrabbit center, paced the squad in scoring. He averaged 16 points over the entire season.

The University of North Dakota Sioux were unable to overcome the Minot Teachers College Beavers last week. The Teachers rolled the U squad into the ground to win a national tournament berth.

Nodaks hockey team failed to win a league tournament berth; but the Sioux pucksters had one of their best over-all seasons in recent years.

Also at the University of North Dakota, plans have been announced for a stepped-up recreational and educational program to make use of their shiny new swimming pool.

"Track Prospects Look Favorable," Coach Kaiser Says

By Dutch Matthews

Track prospects look favorable for this spring according to Erv Kaiser, thin clad coach. However, Kaiser didn't wish to go too far out on a limb with his predictions.

Workouts are expected to get under way early next quarter starting indoors and moving out on the cinders as soon as weather conditions are favorable.

There will be a call for all transfer students, lettermen, and all interested freshmen to draw equipment next week. Anyone interested in running or field events see Mr. Kaiser in the field house as soon as possible.

Lettermen returning are Bob Conzemius, Dale Wallentine, Sylvan Melroe, Gene Gamache, Ron Schwinkendorf, Bill Shelver, and Don Moore.

The first meet is scheduled for some time in April, weather allowing. The 7th of May there will be an invitational meet at Grand Forks. May 14th the State Intercollegiate meet is planned and the Conference meet will be on the North Dakota State track the first of May.

Spectrum Picks All-NCC Basketball Team Grut Anderson Named As Top Athlete

By Spectrum Staff

The 1954-55 North Central conference basketball season has come and gone, and once more it is time for the Spectrum to select an all-conference basketball squad.

First and foremost must come Duane "Grut" Anderson. The hustling senior forward helped spearhead NDSC into second place in the conference this year, and especially contributed greatly to the three defeats the Herd pasted on the university squad.

Grut displayed a tremendous amount of natural ability all during the season, and when he was hot he was far and away the finest player in the entire conference.

At the center spot comes Don Jongeward, the hug South Dakota University stalwart. Jongeward, a 6' 7" rebounding master, played some of the most entertaining ball during the entire season.

It was a distinct pleasure to see the huge South Dakotan rise into the air and pick the ball off the backboards.

The second forward is Howard Pigg, standout playmaker and scorer on the Iowa State Teachers College quint. A 6' 2" rubber-legged wraith, Pigg poured in key

points for the Panthers all year long.

Returned from the service just this year, Pigg was the one man on the lowan squad that really measured up to pre-season expectations. A crowd-pleasing ball hawk.

Perhaps the finest guard in the NCC during the past season was little Doug Walstad, ace Bison floor man.

Doug displayed floor mastery and scoring punch time after time, and he aided immensely in the SC victories. A fine shot in his own right, Doug was one of the main contributors to the high-scoring Herd forward wall.

From the conference champion University of North Dakota Sioux comes Warner Brand, a fiery little guard from Bismarck.

Warner "Fire" Brand amazed conference opponents time after time with his slick floor generalship and rebounding ability. His fast break tactics helped ease the Sooks into the conference title.

Honorable mention on the Spectrum all-conference squad goes to Don Augustin and Ron Lackie of NDU, Bob Minick of Augustana, Ray Nissen of ISTC,

John McDermott, Gene Gamache and Jim Akason of NDSC, Dave Vold of SDU, Riley of SDS, and Al Brunsting of Morningside, and a host of other players.

AF Grads Get Orders

Lt. Richard V. Hermanson, of 1435-6th Ave. S., Fargo, and Lt. David B. Bartholomew of Wayzata, Minnesota, received orders for active duty assignment with the United States Air Force, reported Lt. Col. Norris Brill, Professor of Air Science.

Lt Hermanson has been assigned to Lackland Air Force Base, Texas, and will report March 13, 1955.

Lt. Bartholomew will report to Chanute Air Force Base, Illinois, on March 31, 1955.

ON THE SUNNY SIDE

BY WEAKEYES

It came as no surprise that Doug Walstad and Grut Anderson were choices on the 1955 Fargo Forum All star team. If any of the players chosen deserved the honor more than the two State aces, somebody's lying.

Grut has had a great career in athletics at North Dakota State. He starred in football and basketball right from his matriculation date to the present, save for a couple of seasons he spent in Korea.

The big guy was good enough to play first string end on the football team in his sophomore year. He was a starter on the basketball squad his first campaign. Winning the Rahjah award and being selected on the all star team really close out a fitting finale to a great competitor.

As far as Walstad is concerned, the guy is a natural. Doug came through with some mighty fancy shooting at times when the rest of the Herd was cold.

The Bison guard was by far the best in the league as was proven in the series. If Doug had not injured himself, it's hard to say just who the trophy would have gone to; Grut Anderson or Doug Walstad.

Erv, I'll settle for a 'B' in that kinesiology!!!

Well, the old basketballs are just about deflated for another eight months. About the only thing the hardwood boys have got to look forward to now are the post season tournaments.

Biggest of these tourneys is the NCAA which got underway Tuesday. My choice is La Salle. . . In the NIT it looks like Duquesne. . . and in North Dakota class A Williston should win.

In a few short weeks the horsehides will be flyin' over stadium walls all over America and another baseball season will be under way. I suppose the New York Yankees will win the American league and I'm pulling for the Braves to capture the National. The Fargo-Moorhead twins. . . you take em.

It's been so quiet around here the past few days that you can hear the couches go going in the Union lounge during those davenport football sessions.

Heard Pat the Rat has been teasing Harry about getting fat. Well, Harry tells me that Pat's getting so heavy that he's afraid to crawl in that lower bunk at the Sig house. . . and the SAE's have re-enforced their floors because of Bug's yen for food. . . "This Old House."

Gary Hart was running down the street after a bus last week. When asked if he was getting in shape for the coming track season Gary replied he was just saving fifteen cents. . . what some guys won't do to get their names in the news.

I thought Fitz's column last week on sportsmanship between NDU and NDSC was really good. Glad to see someone take a little interest on the subject.

Several years ago the rivalry was as keen if not keener than it is at the present. However, there were very few flare-ups as have been witnessed by fans the past year. I'm not trying to say the university athletes start it as I believe our boys are just as guilty.

Perhaps the solution would be a break in relations for a year or so. Or another solution would be to let 'em fight it out and really hurt each other. But, seriously, something should be done. Perhaps a series of sportsmanship signs during the contests would do it. . . it seemed to do the trick at the tournament last week.

Social gathering today at the Nestor for some low down piano playing and guzzling.

ASME Bowling Squad Wins Title; Edges Kappa Sigs

By Lee Maxwell

As the intramural bowling closed last week and the smoke of the rollofs cleared away the ASME's and Kappa Sig teams emerged as champions of the Classic and All Star leagues respectively.

Tuesday night the two teams met to determine the championship with the ASME's winning 2461-2414. Tom Engh led the winner with a 527 while Chuck Gulland rolled a 551 in a losing cause.

In another series the two teams that finished last in the two leagues rolled for the college "Championship". The Kappa Psi's took the Co-op House five 2152-2001. High for the Kappa Psi team was Erickson with a 447 and Toman led the Coop's with 433. The "Championship" has been inaugurated as an annual affair with the winners each receiving medals and their names being inscribed on a trophy.

There is a rumor (pretty reliable) that there will be a men's bowling class for credit in physical education next quarter. All men interested in bowling will do well to register for this course.

I was informed this week that entries for the mixed doubles tourney are now being accepted by Gordy Tiegen. This should be quite a tourney, so get your entries in now.

The men's faculty league will not wind up until next week but the winners were decided last week already. The Ag Engineers won the 5 o'clock division while the Memorial Student Union won the 7 o'clock portion. The final roll-off for the faculty league will take place March 28th.

Another notice coming to me states that all faculty members interested in a Spring league should contact Gordy Tiegen as soon as possible. There will also be an announcement Monday concerning the men's doubles tourney.

Figures of the I-M roll-offs:
CHAMPIONSHIP

ASME				
Anderson	163	125	155	443
Hilling	171	155	189	515
Engh	171	178	178	527
Nelson	201	138	142	481
Martin	162	170	163	495
Kappa Sigma Chi				
Olson	143	158	137	438
Jorgenson	171	123	181	475
Davison	129	167	157	453
Hughes	184	146	167	497
Gulland	167	182	202	551

Panhellenic Council Eliminates Sorority Competition For All Girls Intramurals

By Judy Hammer

Inter-sorority competition in sports has been eliminated this week by a decision of the Panhellenic council. This rule goes in effect at the beginning of the quarter with the girls now organizing independent teams under the WAA.

Much debate has taken place on the feasibility of this ruling even though it may stop the Inter-sorority rivalry it can also decrease interest in girl's sports all together.

The WAA Bowling Championship was won last week by the Women's Residence Hall who defeated the Gamma Phi Beta team. The year's standings are:
 Women's Residence 36-6
 Gamma Phi Beta 31-11
 Kappa Kappa Gamma 31-11
 Alpha Gamma Delta 28-14
 Kappa Alpha Theta 19-23
 Kappa Delta 13-29
 Phi Mu 9-33
 Ceres Hall 5-37

High Team Game—Kappa Kappa Gamma 622.

High Team Series—Gamma Phi Beta 1584.

High Individual Game—Holly Howell 179.

High Individual Series—Holly Howell 479.

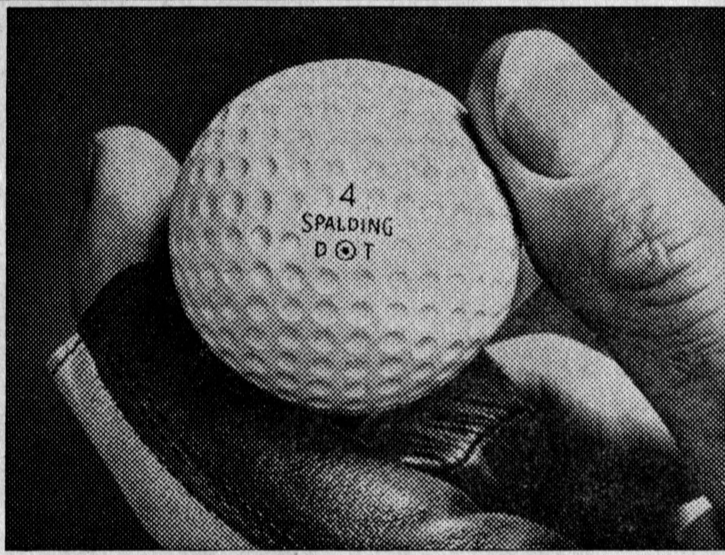

Tuesday night the WAA Basketball championship was won by Women's Residence II over Kappa Kappa Gamma by the score of 31-7. Spark-plug for the Women's Residence was Delores Olson, while Ann Whiting scored five points for the losers.

The standings for the league are:

Women's Residence Hall II
 Kappa Kappa Gamma
 Alpha Gamma Delta
 Women's Residence Hall I
 Gamma Phi Beta
 Ceres Hall.

For further information concerning girl's sports read Karen's Kampus Klues.

Norwegian Government Offers Grants For American Summer School At Oslo

A number of scholarships have been made available by the Norwegian government and other institutions for the ninth American summer session of the University of Oslo.

The 1955 Summer School for American Students will offer courses in various fields, all conducted in English. The courses include:

- a) A general survey of Norwegian culture.
- b) Selected courses in Norwegian history, language and literature, arts, etc.
- c) Courses in various aspects of political, social and economic developments in Norway, with field trips to the Norwegian parliament and other governmental institutions in session.
- d) A special Institute for English-speaking Teachers, with courses in education and the school system of Norway.
- e) Graduate seminars in Norwegian education, literature, and social problems and policies.
- f) Lectures and demonstrations on physical education in Scandinavia.

In addition to the regular courses, excursions and field trips will be arranged to various parts of the country, offering a unique opportunity for a first-hand study of the modern Norway, its land, its economic and cultural institutions, and its people.

American students may earn six semester-hour credits, which are transferable to most American institutions. The courses are approved by the U. S. Veterans Administration under Public Laws 346 and 550.

The Oslo Summer School will be in session July 2-August 13. Par-

ticipants will go in a group on the SS Stavangerfjord, sailing from New York on June 22.

Catalogue and application blanks may be obtained by writing to the Oslo Summer School Admission Office, St. Olaf College, Northfield, Minn. Applications should be received by the Admission office by March 20, 1955.
