'55 Bison Brevities Begin Wednesday

Advisory Committee Discusses Hearing Procedures; Posin Blasts Radio, TV Ban

By Don Schwartz

Members of the NDSC advisory committee met Monday and Tuesday of this week to decide the procedure for conducting public hearings for the four recently suspended professors; Doctors Daniel Posin, Baldur Kristjanson, Cecil Haver, and William Treumann.

The hearings are scheduled to begin at 2 p.m. Monday in the lower reading room of the library.

Dean Frank C. Mirgain, chairman of the advisory committee for the duration of the hearings, stated that the meetings of the committee this week were strictly to decide on the mechanics of operating the hearings. No discussion of the charges was held during the meetings.

The committee has ruled that no direct radio or television coverage will be allowed in the hearing room. News coverage will be limited to press table reporting.

Mirgain expressed the opinion that the committee is discharging its obligation by not suppressing the peoples' right to know what goes on.

Tuesday morning's session was the first advisory committee meeting when counsel for both sides were present. Rules for conduct of the hearings were discussed informally and there was general agreement as to procedure.

Attorney William R. Pearce will act solely as prosecutor during the hearings. The college administration shall have the job of proving the charges against the four professors.

Pearce will not act as advisor nor sit in executive session with the committee.

Dean Mirgain, as committee chairman, will administer the oath to the witnesses.

The council for either side may call opposing parties as witnesses. Pearce will present the evidence in regard to the charges and will call witnesses. The attorneys for

the professors will call witnesses and present counter arguments following Pearce's case.

In regard to the transcript of the December hearings, Pearce indicated that he felt the transcript should not be used at this hearing. Attorneys for the four professors had previously asked that the transcript be released.

President Hultz's office retained an attitude of "no comment" on the controversy as of Tuesday afternoon.

The four professors were in the process Tuesday of preparing answers to the charges released by President Hultz last week. They were expected to be made public sometime today.

In regard to the decisions of the advisory committee for operation of the hearings, Dr. Kristjanson stated to the Spectrum Tuesday that he was "generally very satisfied with the turn of events today."

A Statement By Dr. Posin

Dr. Daniel Posin made the following statement concerning the decisions of the college advisory committee:

"I am sorry that radio and television have been barred from the hearing. Both are legitimate news-disseminating arts, and properly blong on the news fronts in a modern scientific world; along with the ever-reliable press reporters.

It is obvious that when matters of public interest are involved, the public is entitled to all the information it can get. And, in this case, the matter of interest is the educational process in a free society; and what can be of more public concern than that.

Therefore, this educational process, in a moment of crisis, deserves to be covered by all the media of our advancing technical times.

You shall know the truth and the truth shall make you free."

Widdifield Receives Second SC Fulbright Plans Danish Study

Barbara Ann Widdifield, senior home economics major at North Dakota State College and daughter of Mr. and Mrs. R. B. Widdifield, 1041 Oak Street, Fargo, has been awarded a Fulbright Scholarship for foreign study, according to the official notice received by Dr. Leo Hertel, campus Fulbright Program Adviser.

This scholarship will enable Barbara to study home economics at the University of Copenhagen in Denmark.

The award is made under the provisions of Public Law 584, 79th Congress, the Fulbright Act. It is one of approximately 21 grants for study in Denmark. These grants are included within a total of approximately one thousand grants for graduate study abroad in the academic year 1955-56 under the United States Educational Exchange Program.

As provided by the Act, all students are selected by the Board of Foreign Scholarships, the members of which are appointed by the President. Students are recommended by the campus Fulbright committees and by the Institute of International Education.

Funds used under the Fulbright Act are foreign currencies obtained through surplus property sales abroad. Under executive agreements with the foreign governments, exchange programs offering opportunities for American students are being carried out for the academic year 1955-56 with twenty-three countries.

The United States Educational Exchange Program is designed to promote a better understanding of the United States in other countries, and to increase mutual understanding between the people of the United States and the people of other countries.

The Program also provides opportunities for foreign nationals to study in American colleges and universities, and for an exchange of teachers, lecturers, research scholars and specialists between the United States and more than seventy foreign countries.

By Hal Miller

One of the finest of Bison Brevities productions will be on stage at the North Dakota State Fieldhouse April 13, 14, 15 with an en-

Kappa Sigma Chi Begins Process Of Joining Nat'l Frat

The North Dakota State College chapter of Kappa Sigma Chi, local social fraternity, began formal pledging ceremonies into the national chapter of Tau Kappa Epsilon, on Saturday, April 2. Mr. James C. Logan, national president from Kansas City, Mo., arrived that afternoon to take charge of the pledging.

Kappa Sigma Chi fraternity as founded on the NDSC campus April 23, 1928, and has just recently petitioned Tau Kappa Epsilon for a charter. The present membership of 16 actives and 17 pledges will be pledged by President Logan at 7:00 p.m. Saturday at the fraternity house located at 1131 Fourteenth Street North.

From a humble beginning on January 10, 1899, at Illinois Wesleyan University, Tau Kappa Epsilon has grown into a large national organization with 113 chapters. Kappa Sigma Chi will receive the 114th charter granted by the organization.

Officers of Kappa Sigma Chi include Robert Hughes, President; Donn Besselièvre, vice president; Thomas Howitz, secretary; Charles Gulland, treasurer, and M. N. Flynn, assistant professor of education, faculty sponsor.

Notices

A meeting of all varsity baseball hopefuls will be held in the varsity football locker room in the Field House on Monday, April 11, at 5:00 p.m. All students interested are urged to attend.

All students interested in working on the 1955-56 Bison Annual meet in the Publications office on Friday, April 15 at 4:00.

Deadline for applications for the LaVern Noyes Scholarships is set for April 15. All students interested in applying must have their applications in the registrar's office prior to closing hours on this date.

Alpha Phi Omega Book Exchange will be open in the library on Thursday, April 7, for the purpose of giving out money to students who sold books through the exchange. The hours are from 9 to 12 in the morning and 1 to 4 in the afternoon.

Deadline Set For Grad Record Exams

According to word received from the Registrar's office, applications for the Graduate Record Examination must be submitted to Mr. John Dale, registrar of Concordia College, prior to April 12. This examination, a requirement in some graduate schools, will be held on April 30.

Further information as to time and place may be obtained by contacting Mr. Dale, at Concordia. Fee for this examination is \$12.

tirely student produced and directed show.

The production acts include the Kappa Kappa Gamma-Theta Chi's "Illusions", and the Gamma Phi Beta-Alfa Gamma Rho's "Flight Time". "Illusions", directed by Bob Olson and Ben Pfeifer, is a little lost-girl story in a forest setting. "Flight Time", directed by Bob Curl and Janet Abrahamson, takes place at a busy airport.

Other production acts include Kappa Delta-Sigma Alpha Epsilon's "Wizard of Oz"; Kappa Alpha Theta-Sigma Chi's "Isle of Dreams"; and the Alpha Gamma Delta-Alfa Tau Omega's "Olympian Nights".

"Wizard of Oz", directed by Sandra Haas and Howard Stockman, is an adaptation of the idea from the motion picture. "Isle of Dreams", directed by Roger Gurdley and Darlene Trotter, is built around a Hawaiian theme. "Olympian Nights" directed by Roger Erickstad and Beverly Simons concerns a strangers attempt to enter paradise and join his female friend.

The curtain acts include Kappa Kappa Gamma's "Reflections", Kappa Delta-Sigma Alpha Epsilon's "By the Sea"; and Theta Chi's "Run, Joe".

"Reflections" is a dance skit with four girls dancing with false mirrors between them. "By the Sea" is a seashore setting with song, and "Run, Joe" is a calypso number.

Kappa Psi's Life of a Trumpeter and Phi Mu-Kappa Sigma Chi's "Don't Let the Kitty Get In" complete the bill of five curtain acts. "Life of a Trumpeter" is a satire on the progress of a jazz musician. "Don't Let the Kitty Get In" is a pantomime of the popular song.

The show in preparation looks like a great one with over 300 students participating in the 1955 Bison Brevities. The Blue Key sponsored event is directed by Ray Horne and produced by Magnus Geston. The business manager is Gary Hart and the publicity director is Gary Gibbons.

The '55 Brevities promise to be even better than in previous years, and the competition even closer. The curtain acts are especially good this year.

Tickets are being sold by all members of Greek organizations and at the Comstock Hotel in Moorhead and Daveau's in Fargo.

SC Enrollment 1840; Engineers Top List

Spring term enrollment here at SC shows a total of 1840 students hard at work. This figure shows an increase of 260 students, comparing it with last springs enrollment of 1580.

A breakdown by class and school shows the engineering school and freshman class taking top honors with 595 students and 561 students, respectively.

A more complete picture is:

Class	Women	Men	Total
Freshman	108	453	561
Sophomore	66	351	417
Junior	84	315	399
Senior	69	231	300
Graduates	16	99	115
Special	46	2	48

The breakdown of schools gives engineering 595; arts and science 451; agriculture, 291; home economics, 223; pharmacy 201; and chemistry 79.

Ticket Sales Drivers . . .

Hotshots behind the Greek Brevities ticket sales drives are shown above. They are all chairmen of the drives of each of the sororities and fraternities on campus.

Student Sen. Okays New Commissioners; Sherwood Named To Group For Term

Seven students were selected as commissioners for the 1955-56 school year at the first meeting of the new student senate held last Monday evening.

The new commissioners include Duane Swenson, commissioner of finance; Bob Gion, commissioner of campus affairs; Joe Ruliffson, commissioner of publications;

Victor Zeigler, commissioner of the student union; Hal Miller, commissioner of radio; Chuck Abrahamson, commissioner of music and public programs; and John "Tip" Miller, commissioner of athletics.

All of the seven students were previously chosen by new student body president Merlin Ludwig and were approved by the student senate. Of the seven new commissioners, only one is not a member of the student senate.

In further action undertaken by

the senate, Judy Sherwood was named to the group for the spring quarter. She replaces Stan Morrison who is ineligible to hold office this term.

Three men were also named to fill out the student membership on the student union board. They include Duane Swenson, Gaylord Olson, and Alan Schumacher.

All other student members of the various commissions will be announced at the next meeting of the student senate which has been tentatively set for sometime next week.

A special banquet was held by the student government, in conjunction with the senate meeting last Monday night. Held at the Elks club, its purpose was to honor the retiring student senate and help initiate the new legislative body.

H. Dean Stallings and Dale Brostrom, advisors for the senate during the past year, and retiring

student body prexy Duane Anderson were honored at the banquet. President and Mrs. Fred S. Hultz and the wives of the two senate advisors were also present at the banquet.

NSA Plans Discussed

Plans were also discussed at the senate meeting concerning the regional National Student Association convention which has been scheduled for the SC campus next month.

NSA campus coordinator Judy Sherwood is in overall charge of the meeting and wishes to invite all interested persons to contact her about helping with the convention.

The student union will serve as headquarters for the convention which will be attended by student delegates from approximately a dozen Minnesota colleges and possibly observers from several North Dakota schools.

NO MATTER WHERE YOU ARE, you'll get more pleasure from your cigarette if it's a Lucky Strike. That's the point of the Droodle above, titled: Three deep-sea divers enjoying Luckies. You get deep-down smoking enjoyment from Luckies because they taste better. Why do they taste better? That's easy to fathom. First of all, Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better . . . cleaner, fresher, smoother. So, when it's light-up time, light up the better-tasting cigarette . . . Lucky Strike.

Better taste Luckies... **LUCKIES TASTE BETTER**... Cleaner, Fresher, Smoother!

All Possible Publicity Needed For Hearings

The hearings into the NDSC controversy do not begin until next Monday and already quarreling and bickering is taking place over the various procedures which are to govern the conduction of the hearings.

One central point in much of the recent discussion about the hearings has to do with the limits of press and radio-television coverage for the hearings.

Although the college advisory council seems willing enough to allow reporters into the hearing rooms, they refuse to permit the use of tape recorders or regular television cameras.

While the Spectrum agrees that the hearings should not be turned into a traveling circus by an over abundance of sensation seekers, the press representatives are the ones who will report the goings on of the hearings to the great mass of interested people around the state and area.

Every possible advantage should be given to newspaper and radio-television people in covering the hearings. Only by allowing as many people as possible to become acquainted with the progress of the hearings and the final decisions of the advisory committee and the board of higher education will the situation on campus ever be solved.

Wait Your Turn

Controversy hearings have been scheduled in the lower reading room of the SC library and that means that the audience seating will be limited to about 200.

With the large group of press representatives, interested outsiders, and common spectators, the hearing rooms will necessarily be crowded.

Let's try and make use of the available seats for students efficiently. Although ideally the hearings should be held someplace with a much larger seating capacity, only the library space offers the type of room suitable for the hearings.

Thirteen AGR's Attend Fraternity Convention

Thirteen members of Alpha Gamma Rho attended the AGR Midwest Province Officers' school and convention last weekend. The convention was held in St. Paul, Minn. on the U. of Minn. campus. Representatives of the regional chapters attended the meeting also.

Those attending were: Joe Ruliffson, Merrill Johnson, Don Schwartz, Reggie Gorder, Larry O'Keefe, Pete Lundwall, Joe Knight, Maynard Helgaas, Eugene Rott, Neil Bowles, Jim Stewart, Dick Johnson, and Floyd Askim.

Next year's AGR regional officers' school will be held at SC during the Spring quarter.

Modern Music Convo Scheduled For Here Monday

An international team will perform for SC students when Bethany Beardslee, Michigan singer, and Jacques Monod, French pianist, present a duo-recital at the final outside convocation of the year Monday, April 11, in Festival Hall.

"Focus will be on modern music," said F. G. Schoff of the convocation committee. "These are young performers with a special reputation for doing works by living composers; and they'll stay in the 20th century most of the time."

Miss Beardslee is a product of Michigan State College and the Juillard School of Music, now teaching privately in New York.

Paris-born Mr. Monod studied at the Paris Conservatory, concertized extensively in Europe, and came to this country in 1950 as a scholarship student at Juillard.

As a husband-and-wife team, the artists have won high praise from New York critics, according to Professor Schoff: she for musicianship and her ability as a vocalist to handle the almost impossible skips in much modern music; and he for similar musicianship backed by a phenomenal memory.

Home Ec Expert Visits

Dr. Johine Christian, program specialist of the U. S. Office of Education, Home Economics Branch, visited SC this week.

Dr. Christian, working in cooperation with the state supervisors of home economics in institutions of higher learning in thirteen central states aids in training home economics teachers.

"I am delighted with the new Home Economics building here. The facilities are unsurpassed by any institution for training of home economics teachers," was the comment of Dr. Christian about the new home economics building here at SC.

A tea was held in her honor in the family life room of the Home Economics building last Tuesday from four until five.

Kampus Klues...

Ten Greek Groups Initiate Eighty-Four

The first week of the spring quarter added many new actives to the Greek chapters on the SC campus. The pledges were kept busy almost continually with "Help Week" and others were occupied with Brevities.

New actives at the ATO house are: Dick Horst, Warren Gullickson, Bob Brown, Chuck Steffan, Gary Jensen, George Hoghaug, Jim Fenney, Jerry Onsager, Roger Gebhart, Jim Meier, Duane Ditch, Jack Herzog, and Charles Bohnet.

New Kappa Sigma Chi actives are: Don Howitz, Orlon Larson, Dennis Gross, Lyle Miller, Harlan Ormbreck, Wayne Lee, Donald Berge, Dick Lukes, and Frank Gunderman.

New SAE actives are: Gerry Walters, Les Fuchs, Richard Wilson, Jim Breyer, Ryan Harrington, Johnny Driscoll, Vergil Suckut, Kerry Helmeke, Richard Monson,

James Kulseth Named To Advisory Board Of National Handbook

RICHMOND, VA. (Special) — James Kulseth of North Dakota State College has been named to the college board of the next volume of the Going-to-College Handbook, annually published here for students in and looking forward to college.

Nominated by college or national youth officials, members of the college board serve as advisors to the editors in planning and developing the book.

At the present time the college board is being polled to discover attitudes on a number of lively campus problems.

Scheduled for publication next August in time for home town going-to-college functions, the handbook will be used during the remainder of the year by students looking forward to college.

Living in Fargo, Jim is a sophomore in the school of pharmacy. John Miller, and Gene Stockman.

New SPD actives are: Don Con-

nor, Dean Nyquist, Don Hanson, Bruce Farnum, and Duane Olson.

New Kappa Psi actives are: Bill Baillie, Jim Carlson, Tom Mensing, Cliff Wallace, Larry Dufault, John Hovde, Laurel Stoen, Dick Maves, and Dick Altstaff.

New Theta Chi actives are: Bob Nippolt, Ken Conroy, Delwin Pobb, Bob Hunke, Danny Carlson, John Gustafson, Grant Anderson and Paul Kloster.

New Sigma Chi actives are: Byron Webb, Don Peterson, Carl Lohse, Garry Davis, Phil Hurd, and Chuck Huntly.

New AGR actives are: Terry Lorenzen, Clarence Anderson, Roger Anderson, Neal Bjornson, Howard Cariveau, Ronald Meger, Morris Moen, Fred Flanders, Judeen Brusseau, David Mork, Eugene Jensen, George Schwarz, Lynn Howe, Floyd Larson and Merle Larson.

New actives at the Kappa house are: Ann Whiting, Teddy Jo Paulson, and Norene Sanford.

New actives at the Phi Mu house are: Janet Farlow, Joan Lindbo, Elsie Keller, Pat Turner and Marjorie Kovell.

New pledges on Monday evening were: Kappa Kappa Gamma — Jan Bakken, and Kappa Delta — Maureen Bear and Donna Barstad.

Kappa Kappa Gamma held their Scholarship Banquet on Saturday evening. Janet Monson was awarded the trophy for the highest average for the year; Phyllis Hendrickson was awarded the bracelet for the most improved average for the year; Teddy Jo Paulson was awarded five dollars for the highest pledge average for the year; Monica Savagau was awarded the trophy for pledge of the year; and Bobbie Vaughn was given a gift from the pledge class for being their pledge trainer. Lois Hultstrand was awarded Kappa of the month.

Sonja Swanke, Theta, is pinned to Maynard Arseth, Theta Chi from NDU.

Marion Sand, GPB, passed chocolates Monday evening for her pinning to Floyd Askim, AGR.

Earl Skogely, AGR is engaged to Clarice Lindstrom who is working in Fargo. They are to be married June 7.

Entertainments this week consisted of the Theta Chi Conclave and a party given by the Kappa Psi's for all pharmics.

Sixty-Two Gridders Out For Spring FB

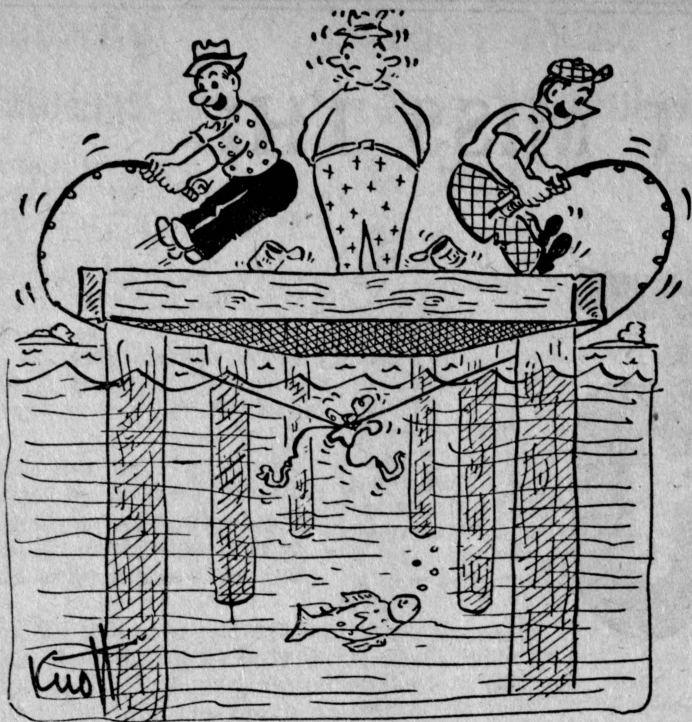

Sixty-two football players have been invited by head coach Del Anderson to start Spring football practice. The number seems quite staggering in contrast to last year's squad which numbered only 26.

Outdoor practice sessions are slated to get underway on April 18th, weather permitting. Spring practice is limited to twenty meetings under North Central rules.

Anderson has lettermen returning at every position except at end. However, the head mentor believes by shifting men and holdovers from last year's frosh squad he'll be able to remedy the shortage.

Lettermen include centers Pat Vickers, Clairmont, S. D. and Bob Nippolt, St. John, N. D.; guards Harry Timm, Appleton, Minn., and Emil Zueger, Mandan; tackles Le-Roy Aafedt, Fargo, Clint Kopp, Lisbon, Pete Breuer, Emmett, and Bug Zuklic, Chicago, Ill.; quarterbacks Dana Hill and Jim Wold of Fargo; Halfbacks Dale Wallentine, Willmar, Minn., and Floyd Wagner of Hutchinson, Minn.; fullback Tony Haberlach of Fargo.

In addition to the lettermen, Anderson will have 37 members of last year's frosh team.

"Wow! I've hooked a big one!"

P.E. Girls To Cities For Dance Convo

Seven NDSC students attended a dance symposium sponsored by the Minneapolis YWCA in the Twin Cities on March 26.

Those attending were Phyllis

Hendrickson, Jayne Lee, Dorothy Lund, Aina Malta, Marlys Pautz, Sandra Benedict, and Ann Whiting. Mrs. Neva Anderson, SC orchesis sponsor, was the chaperone.

The SC delegates presented two dances at the symposium. They were "Prince in Disguise", danced by Aina Malta and Dorothy Lund; with choreography by Joanne Marquart and Aina Malta.

Bony Rothrock's appointment comes as little surprise. The former NDSC great did a commendable job last fall in assisting Dave O'Brien with the frosh gridgers. He should do equally well with the baseball and frosh bas-

ketball teams. Well, it seems like spring at last. Track, baseball, and spring football will dominate the sports scene for the next six months. And speaking of spring activities Tony Haberlach opened up the picnic season last Sunday at Lindenwood Park.

Erv Kaiser's tracksters are running all over the field house and surrounding side roads. Saw Dale Wallentine running by the "Little Red Schoolhouse" the other day. I think he was testing picnic areas too.

Del Anderson's gridgers are scheduled to start outdoor workouts in another two weeks. Bug and Nasty were testing out the stadium the other day and report it's in pretty good picnic shape, which means all these things add up to a fine picnic season.

ON THE SUNNY SIDE

BY WEAKEYES

Chuck Bentson, Bison basketball coach turned businessman has a neat root beer, hot dog and ice cream joint. When you've got your honey out moping on one of these balmy nights drop in and give Chuck a little trade. I'm sure he deserves it more than anyone else in town!! (plug).

Weakeyes award goes to Mr. Schoff of the English department. I'm sure that 'D' he gave me in Shakespeare last term was supposed to have been a 'C'. (ouch).

Laugh of the Week Tom (Setter) Serrin trying to swing his golf clubs past that huge protuberance commonly known as the stomach. I hear he bought curved golf clubs rather than go on a diet!! (Yak, yak.)

The Friday club met last week and discussed a picnic. . . the motion was passed and a drive for membership is now on. This should be the social affair of the year.

Overheard: "The amount of immorality on the campus is directly proportional to the amount of shrubbery on campus." Those chem instructors. . .

Help is still needed by the Spectrum. . . especially a replacement for the Sports editor who graduates in June. (He hopes.) Start your training early. Get paid while taking on the job training. . . (50¢ a week.)

Here's how the major leagues will end up this year:

National	American
1. Braves	1. Yankees
2. Dodgers	2. Cleveland
3. Giants	3. Sox (White)
4. Cards	4. Sox (Red)
5. Reds	5. Tigers
6. Phillies	6. Nats
7. Cubs	7. Orioles
8. Pirates	8. Athletics

Latest rumor has it that Dean and Gene Coon of Bismarck High and JC basketball fame are headed for Augustana. . .

I hear Dale Serum has transferred to MSTC. . . what's the scoop?

Latest has it that Zoology is getting so tough that the pros can't pass their own tests. . . something wrong here!!

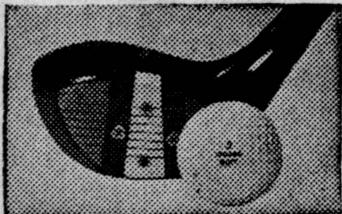

Have a nice vacation and don't forget to take in the Holy weekend services at your church. . .

WHO ARE THE "TOP-FLITE" GOLFERS ON YOUR CAMPUS?

If you've watched them on the course, you've probably thought: "Boy, if I could just get my game down like that!"

Constant practice is the answer, of course, but getting the best from your equipment is just as important, too.

That's where Spalding TOP-FLITE® clubs have the edge. They have more to offer in precision balance that gives an absolutely uniform swing-feel with every club in the matched set.

That's the secret of Spalding SYNCHRO-DYNED® clubs. And, it will pay off for you from the first round. You'll make the same shots with new uniformity. The perfect balance of these clubs lets you swing through the ball with confidence, Without "choking-up" or "compensating." You get the ball away cleaner, longer, and with more shot control.

These are the clubs that have lowered handicaps by as much as 1/3: Spalding SYNCHRO-DYNED TOP-FLITE clubs. Your Golf pro has them now. And, now's the time for you to start playing better golf.

Gordy Teigen

Pictured above is Gordy Teigen, manager of the North Dakota State bowling alleys. Gordy won the WNAX Singles Tournament two weeks ago. The tourney was held at Berry Lanes in Moorhead.

This is the second time Gordy as won the classics. In piling up his winning total the State ace rolled a tremendous 299 game, cashing in on eleven straight strikes and missing the five pin on his last ball. Gordy's previous high game was a 288 stint in 1951 when he last won the tournament.

Frosh Wins Award

James Carlson, freshman Pharmacy student has been awarded the Army ROTC Manual of Arms Trophy in a competition held recently at NDSC.

This award is given annually to the freshman cadet in Army ROTC who displays the highest degree of proficiency in the Manual of Arms.

Cadet Carlson's name will be engraved on the trophy which is kept on display in the Department of Military Science and Tactics, and he will be awarded a certificate of achievement signed by Col. Otto B. Cloudt, Jr., professor of MST.

Bowling Highlights

By Lee Maxwell

The bowling news is a little thin this week but there has been some action around lately.

Last night a mixed doubles league got underway. The teams in this league consist of two men and two women. There are still a few openings so if interested enter your team at once.

The first annual North Dakota Intercollegiate Bowling Tournament will be held at NDSC on April 22nd and 23rd. The team event will be rolled on Friday evening with singles and doubles on Saturday. Medals and trophies will be awarded to all the winners.

To date the schools that have indicated they will be represented include NDSC, NDU, Wahpe-

ton Scienc, Bismarck JC, Dickinson TC, Minto TC, and Jamestown College. The fraternities on campus are due a round of praise because they have offered to provide lodging to the members of the teams.

It is interesting to note that only 30 perfect games were rolled last year throughout the U.S. There have also been games of 299 and 298 bowled 9 and 7 times respectively.

So far this year Budweiser of St. Louis is the leader in high team series in the nation with 3516 for an average of 234 per man. M. and M. Pizza holds the high game with 1247 an average of 249 per man. And the three game individual performance is held by Ed Appelle of Detroit with

805 for an average of 268 plus. More bowling news and tips next week.

SPECIAL NOTICES

Erv Kaiser issued a call this week to all men interested in varsity golf and tennis. The schedules have been completed and with good weather promised for the near future, outdoor practice should start shortly. Any one interested in these sports see Mr. Kaiser in his office as soon as possible.

All organizations are urged to send their I-M representatives to the meeting Monday afternoon at 4 p.m. to discuss softball plans. Rosters and fees will also be discussed.

Rothrock Named Freshman Coach

Cliff (Bony) Rothrock has been named varsity baseball coach at North Dakota State. Rothrock succeeds Chuck Bentson who has taken a leave of absence from the college to go into business.

Rothrock was a Little All-America selection at NDSC in 1946. He played center on the grid team for three years and is considered one of State's greatest linemen.

Bony's duties will also include those of frosh football and cage mentor, replacing Dave O'Brien and Bob Geston.

After a brilliant career at NDSC, Rothrock joined the New York Giants football team and played with the Chicago Rockets. Last fall he assisted O'Brien with the Bison freshman squad.

What young people are doing at General Electric

Young engineer is responsible for design analysis of \$3,000,000 turbine-generators

The average large steam turbine-generator costs \$3,000,000 and takes two years to build. It is one of the biggest pieces of electrical equipment made. Yet its thousands of parts are put together as carefully as a fine watch. Even a small change in design can affect the stresses and vibration of the turbine, and the way it performs. At General Electric, several men share the responsibility of predicting those effects *before* the turbine is built. One of them is 29-year-old E. E. Zwicky, Jr.

His job: analytical engineer

Here's what Ted Zwicky does. He takes a proposed mechanical design feature, describes it mathematically, breaks it down into digestible bits, modifies it, and feeds it to electronic computers. (It may take two months to set up a problem; the computers usually solve it in twenty minutes.) Then Zwicky takes the answers from the computers, translates and interprets them so they can be followed by design engineers.

23,000 college graduates at General Electric

This is a responsible job. Zwicky was readied for it in a careful program of development. Like Zwicky, each of our 23,000 college-graduate employees is given a chance to find the work he does best and to realize his full potential. For General Electric believes this: When young minds are given freedom to make progress, everybody benefits—the individual, the company, and the country.

TED ZWICKY, B. S. in EE from the University of New Mexico, Class of 1945, joined General Electric after a year in the Navy, completed our Advanced Engineering Program in 1950.

Theta Chi Frat Regional Conclave Held Last Week

Theta Chi fraternity's region eight conclave was held last Friday and Saturday on the campus of NDSC.

Approximately seventy delegates and representatives from eight area schools attended the meeting. The schools represented were the Universities of North Dakota, Minnesota, and Nebraska, Nebraska Wesleyan, Drake and Hamline Universities, Iowa State College and NDSC.

Registration was held Friday afternoon, followed by a smoker at the Theta Chi house, at which Bob Fisher served as toastmaster. Entertainment was presented by the Gamma Phi Beta and Kappa Kappa Gamma sororities.

Saturday afternoon meetings were held at the Theta Chi house, followed by a banquet that night with Bob Nippolt as toastmaster, and the conclave was closed with a dance at the Moorhead VFW club.

Stewart Kelly, past president of the Theta Chi grand chapter and an SC alum, was the main speaker of the conclave. Leo Osman, SC alum, and Joe Woell, regional Theta Chi councilor also spoke.

Mel Ostby was chairman of the conclave. Other chairmen were Magnus Geston, registration; Kerry Murphy, banquet; Norm Leraas, programs; and Dennis Odegard and Jon Dewey, entertainment.

Scabbard-Blade Elects

On Monday, April 4, 1955 Scabbard and Blade, a national military honor society, elected its new officers. They are: Norman Hansen, Captain; Franklin Meyers, 1st Lieutenant; Merrill Johnson, 2nd Lieutenant; Russel Sloten, 1st Sergeant; and Peter Lundwall, Social Chairman.

The administration of the company at NDSC rests with four active members elected to office annually.

Captain Harry Bartlet is the chapter advisor and John Rillings, Corps. Area Supervisor.

Questionnaire On The Controversy

All NDSC students are invited to answer the following questions on the current controversy hearings for the benefit of the student government.

1. Do you favor press and radio coverage of the hearings?
2. Do you plan to attend the hearings if at all possible?
3. Do you believe that the current hearings will find a solution to the troubles on campus?
4. Do you think that the student government should take any action on the current campus situation before the completion of the hearings?

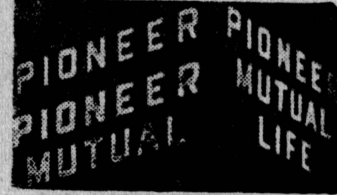

(All students are invited to fill out the above questionnaire and drop off their answers at the Spectrum office.)
