Fourteen Organizations To Compete In Spring Sing

Pictured above are the winners of last year's spring sing. Picture A shows Alpha Gamma Delta sorority and picture B reveals Alpha Gamma Rho fraternity.

19th Spring Sing Set For Tuesday

SC's nineteenth annual spring sing, under the sponsorship of Alpha Phi Omega service fraternity, will be held next Tuesday evening beginning at 7:30 in Festival hall.

Fourteen campus organizations will feature choral singing, while the Gold Star Band, under the direction of William A. Euren, associate professor of music, will present a concert.

Participating organizations at this event include; Kappa Psi, Sigma Phi Delta, Phi Mu, Kappa Kappa Gamma, Kappa Alpha Theta, Alpha Tau Omega, Alpha Gamma Rho, Alpha Gamma Delta, Kappa Delta, Sigma Chi, Theta Chi, Sigma Alpha Epsilon, and Gamma Phi Beta.

As in past years, a traveling trophy will be awarded to the winning sorority and fraternity. Last year, Alpha Gamma Rho, by winning the event for the third straight year, gained permanent possession of the fraternity trophy and Alpha Gamma Delta won first place in the women's division.

Four Cheerleaders Picked For '55-'56

Four SC coeds were selected to lead yells for the Bison next year as cheerleading tryouts were held Wednesday, May 18, in Festival Hall. The four girls are: Ann Whiting, Phyllis Hendrickson, Arlene Nessett and Pat Larsen.

A new method of selection was installed this year under the direction of "Tip" Miller, commissioner of the Board of Athletics.

Terrace Dance Set For Union Tonight

Dancing under the stars will be the order tonite at the Student Union Terrace Dance, featuring Francis Colby and his orchestra.

Hours for the dance will be from 9 to 12 with the usual 50 cents admission.

Colby and company are new to SC choreographers and promise an evening of very danceable music.

This evening dance will be the last all college hop sponsored by the Student Union Activities Board this year.

Four cheerleaders were picked this spring with two additional ones being selected next fall. Judges of the tryouts consisted of two representatives of Rahjah Club, two members of the Student Senate, two representatives of the student body and one faculty member.

H-Ec Majors To Present TV Show

Four NDSC home economics majors will present a television show Monday evening at 10:30 over KXJB-TV, Channel 4.

Students participating in the half-hour show are members of Miss Horton's Adult Methods class. They are Audrey Little, Janet Abrahamson, Gloriann Erickson Heinemeyer, and Pat Reimers Saunders.

The show, which will present the topic, "Buying Clothes for Children," will be carried by the Minot T-V station and will be re-broadcast Thursday evening over Channel 5, Bismarck.

SC Rolls Out Red Carpet For Seniors As Annual Open House Begins Today

Today between two and three hundred high school seniors from all over North Dakota and the surrounding areas of Minnesota and South Dakota will be the guests of honor on the North Dakota State College campus. These students, who have notified the College that they will be in at-

tendance at the second Annual Seniors Day, will be the guests of the NDSC Chapter of Blue Key National Honorary Fraternity. The purpose of the day is to interest high school seniors in a college career.

Registration began at the Student Union at 8 and will continue until 11. Tours throughout the campus area and buildings will begin there with guides taking student groups as they arrive.

The chemistry department has made arrangements to demonstrate the versatility and importance of chemistry in our modern world. This demonstration, which starts at 11:00 and runs through 12:00 noon, will be followed by a barbecue.

The barbecue, prepared by the NDSC Saddle and Sirloin Club, will feature a prime beef and fried fish. The seniors will be entertained at a special program featuring Speedy Ross during this barbecue, which is to be held at the Livestock pavilion.

Between 1:00 and 1:30 visiting girls will be taken on a tour of the new girl's dormitory. Following this tour, at 1:30, they will be entertained at a style show in the New Home Economics building.

At 3:00 all visiting seniors will be given a glimpse of the extra-curricular activities that are forever present on the campus of NDSC. At that time, at Festival Hall, the winning production act and five-minute act of the 1955 Bison Brevities will be presented as a special attraction.

Besides the activities mentioned above, each of the six schools on campus have prepared various demonstrations and displays that are of interest, not only to the visiting seniors, but to the public as well.

In accordance with the college's policy of inviting the public to events that might be of interest to them, the public has been cordially invited to take advantage of this opportunity to get an "inside" view of college life.

Throughout the day, representatives from the various television stations will have crews on the campus making movies of the activities of the day. These films will be shown by the television stations throughout the state as and when they see fit.

Don Ellingsberg is general chairman of the committee in charge of the Senior Day program, with Ray Horne, publicity director, and Don Zimmerman as corresponding secretary.

Spring Livestock Show Scheduled At Arena Tomorrow

The NDSC annual spring livestock judging contest is slated for Saturday, May 21, at the new livestock arena. The contest, which starts at 9:00, will continue until approximately 4:00 in the afternoon. The event is open to the public. All agriculture students are especially urged to attend.

Trophies are being offered for the high individual judge, the high freshman-sophomore judge, and the high judge in the presentation of reasons for selection.

Several classes of cattle, hogs, and sheep will be judged. The reasons for the selections of the winners will be given on one class in each division.

All participants in the event are urged to contact Merle Light to arrange excuses for the Armed Forces Day parade.

Underclassmen in the school of agriculture are urged to participate, as this training will be valuable for the Collegiate Livestock Judging Team.

Campus Hearings Re-open On Faculty Ouster Question

The hearing for the four suspended NDSC professors resumed on schedule at 10 a.m. Tuesday morning in the lower reading room of the library.

Principals in the case are Dr. F. S. Hultz, SC president, and his attorney, E. T. Conmy, Jr.; Dr. D. Q. Posin, and his counsel, J. F. X. Conmy; Drs. Haver, Kristjanson, and Treumann, and their attorney Phillip R. Bangs.

Dean Frank C. Mirgain resumed as presiding officer of the 13 member college council, therefore serving as presiding officer of the hearing.

The hearing opened promptly at 10 Tuesday morning with an opening statement by E. T. Conmy, Jr. Counsel for the four professors raised immediate objection to the statement on the grounds the statement was improper.

Merlin W. Miller, recording secretary of the College Council was the first witness called. He presented the minutes of the Council labeled Exhibit 6.

Next Dr. Hultz took the stand at the request of E. T. Conmy, Jr. Conmy's first inquiry was to ask Hultz to explain the functions of the College Council.

The remainder of the morning and a greater part of the afternoon session was devoted to presentation of 25 exhibits as evidence in support of Dr. Hultz's charges against the four professors.

Briefly a few of the exhibits presented by James Conmy are as follows:

Exhibit 7—A copy of the Haver resolution presented by Haver to the local AAUP chapter requesting Dr. Hultz be ousted as college president.

Exhibit 9—A.B.C.D.—Statements requesting additions to the minutes of the College Council signed by the four professors, regarding discussion they presented at council meetings.

Exhibit 12—A letter from Dr. Haver to A. H. Parrott, then director of admissions and records, in which Haver severely criticized Parrott's office as having an excess of office help, and of being too rigid in requiring a deadline for having marks turned in to his office.

Exhibits 13, 15, 16—A series of letters between Dr. Hultz and former Dean of Agriculture, H. J. Walster regarding possible dismissal of Dr. Haver, who had not yet acquired tenure.

Exhibit 18—A letter from officials of the Trail County Farm Bureau to J. P. Donnelly, President of the N.D.F.B., regarding a speech made by Dr. Haver at a F.B. meeting in that county. The letter advised against further use of Haver on F.B. programs.

Exhibit 19—A letter from former Dean of engineering Dolve, to Dr. Hultz regarding the status of Dr. Posin as head of the physics department. Dolve recommended that Posin be retained as head of the department.

Exhibit 20—A statement prepared by Norman Wengert, who served as chairman of the college council committee on Academic Freedom and Tenure at the time that committee conducted an investigation into freedom and ten-

(Continued on Page 3)

Little Country Theater Closes Season With Four 'Enlightening' One Act Plays

By Lee Johnson

Student dramatics wound up for the year during the past week as the Little Country Theater players presented four one act plays in the Circle-T theater.

Performed before such sparse crowds that the long efforts of time and energy expended by

performers and stage crews seemed in vain, the plays discovered and brought to attention several new and outstanding performers.

Riders To The Sea

John Synge's classic one act play was slowly paced by a cast of veterans and newcomers. Under the direction of Chuck Abrahamson, the moving story of an old woman's struggle to keep her last son alive and her final failure, was a fitting beginning for the four-squared production.

Priscilla Hosted, Janice Bakken, Jayne Lee, and Delbert Hlavinka turned in fine workmanlike performances. Jayne emerged as one of the best possibilities for a dramatic actress seen on LCT boards in several seasons.

Hello From Bertha

A story of a sick woman's struggle to hold her own in a house of prostitution, by Tennessee Williams, was capably directed by Hal Miller.

Peggy Buchanan, perhaps the steadiest actress on the rolls of the LCT, turned in an outstanding job although she was confined mainly to laying flat on her back. Janice Bakken became a thoroughly believable madam who was interested more in money than in the health of one of her girls.

Helen Larson stole the show. Dressed in breathless shorts, the beautiful looking brunette attracted attention to her immediately upon entering. Although she had little opportunity to display talent, she definitely looks good on the stage.

The Fourth Generation

Not much can be said for Peter Meek's play "The Fourth Generation", directed by Bryan Gackle. The actors were hampered by lack of anything important to say in a story of a brother's attempt to keep his sister from marrying.

Morris Mertens, Reggie Gorder, Gene Anderson, and Gaylen Sartom were the players.

The Secret

Perhaps the most arresting of the four short snorters was "The Secret" written by Ramon Sender and soundly directed by Scott Pederson.

A story in studied brutality, the play concerned itself with the activities of Franco's police during the Spanish civil war in the 1930's.

Ed Aluzas, Tom Askland, and Bill Hayes enjoyed themselves immensely as they tormented Orlo Hjelseth and Gene Krieg. Complete with leg irons and handcuffs, the two prisoners were roundly rousted at every opportunity.

Due to the injury of one performer, Christopher Fry's play "Phoenix Too Frequent" was not presented.

All the plays were under the overall direction of Dr. Fred Walsh, assisted by Floyd Heckert and Jack Sigman. Student directors were from the speech 310 class.

Keith Amundson was general production manager, assisted by Tom Gunkelman, Jim Breyer, and Harry Swanke, stage managers; Kay Chapin and Lisa Duckstad, properties; and Priscilla Hosted and Bonnie Litzinger, makeup.

Miss Armistead Shows Slides

Slides of American craftsmen were shown by Miss Wilbur Armistead Tuesday evening at the Canons Club of Fargo.

These slides were taken last summer by Miss Armistead as she toured the state for the Institute of Regional Study.

This organization, which originated on this campus, concerns itself with the historical and cultural aspects of North Dakota.

Weekly Calendar

Friday—May 20
9:00 a.m.-9:00 p.m. Senior Day, all day.
6:00 Vets Club Family Picnic—Lindenwood Park
9:00 Student Union All-College Hop—Union
Saturday—May 21
A.M. Armed Forces Day Parade

Thursday—May 26
4:15 Rahjah Club Meeting—Union
5:00 SAE, KD Picnic—Lindenwood Park
6:00 Alpha Zeta Banquet—Union

Fogel New Prexy Of Blue Key Frat

Mike Fogel

Blue Key, national honor activities service fraternity held elections at a recent meeting in Ceres Hall banquet room.

Elected president of the fraternity for 1955-56 was Mike Fogel, chemistry junior. Bob Gion was elected vice president, Lester Amundson, secretary, and Del Schoepfoerster, corresponding secretary.

Retiring officers of the SC chapter of Blue Key are Magnus Geston, president; Ray Horne, vice president; Ralph Wheeler, secretary and Don Zimmerman, corresponding secretary.

Initiated into the fraternity at the meeting were Joe Ruliffson and Bob Montgomery.

Ruliffson's activities include Student Senate, Saddle and Sirloin Club, President of Alpha Gamma Rho, Commissioner of Student Publications, Interfraternity Council, Gold Star Band, Bison Brevities, Kappa Kappa Psi and Spring Sing.

Montgomery is a member of Gold Star Band, Kappa Kappa Psi, social chairman of Alpha Tau Omega, Bison Brevities and a pre-med student from Fargo.

Kappa Sigs Join National Fraternity; Become Chapter Of Tau Kappa Epsilon

A momentous occasion is shown above as Don Kaser, national president of Tau Kappa Epsilon fraternity, passed a charter scroll to local chapter president Don Howitz. The presentation took place last Saturday.

After twenty-seven years as a local fraternity on the NDSC campus, Kappa Sigma Chi fraternity joined the Tau Kappa Epsilon national social fraternity in formal installing ceremonies held at Festival hall last Saturday.

The SC chapter becomes the one-hundred and nineteenth Teke chapter in the United States, with the chapter name

Delta Psi and is the ninth national fraternity on campus.

Seven students on the SC campus and members of Kappa Sigma Chi were responsible for the local fraternity achieving national affiliation. They include Chuck Gulland, Otis Larson, Don Besselievre, Tom and Don Howitz, Conrad Kvamme, and Bob Hughes.

Present officers of the Delta Psi chapter of Tau Kappa Epsilon are Don Howitz, president; and Dennis Lindeman, Dennis Maas, Dave Davis, Lyle Miller, Dennis Gross, Orlyn Larson, and Lloyd Hutchinson.

Officiating chapter for the formal installation of KSC into the Teke fraternity was the chapter from the University of North Dakota. Don Kaser, grand president of TKE, served as installing officer.

Tau Kappa Epsilon was founded on the campus of Illinois Wesleyan University in 1889 and was originally known as the Knights of Classic Lore. The fraternity changed its name to Tau Kappa Epsilon in 1902.

The national fraternity is governed by a national grand chapter and a grand council consisting of eight members. It is managed by a national executive secretary and has its headquarters in Champaign, Illinois.

Tau Kappa Epsilon was among the first fraternities to end use of the paddle in pledge training and was also one of the first to begin "help week", starting back in 1924.

Prominent TKE's around the nation are Stan Kenton, Tex Beneke, Lawrence Welk, Freddy Martin, Charlie Ventura, and Les Paul.

Tryota Club To Install New Officers Tuesday

Induction of seniors into American Home Economics Association and installation of new officers of Tryota will take place at 4:15 p.m. on Tuesday, May 24, in the assembly room of the Home Economics building.

Miss Irene Crouch, of the Extension Department, and Dean Budewig will be in charge of the senior induction. All seniors who have not paid their A.H.E.A. dues should pay Miss Monson in the home economics office before Tuesday so they will be eligible for initiation at this time.

The Tryota officers to be installed are: president, Wilma Hubbard; vice president, Joann Johnson; secretary, Beverly Lind; treasurer.

Women's Service Group, Senior Staff, Picks North Pres.

Maxine Brown North

Maxine Brown North is the newly elected president of senior staff. A junior in home economics, Maxine is a member of Tryota and Phi Upsilon Omicron.

Other senior staff officers include Judy Sherwood, vice-president; Pat Noden, secretary; and Evelyn DeKrey, treasurer.

Also elected to senior staff for the 1955-56 school year are Erlys Fernow, Elaine Geiszler, Bonny Litzinger, JoAnn Willert, Margaret Henning, nad Joan Zielsdorf.

Senior staff is an honorary service society to give recognition to girls during their college career for superior scholarship, leadership, service, and personality.

Activities of senior staff include ushering at graduation, sponsoring Spinster Skip, presenting a scholarship to a deserving upper-classman, and awards to the highest ranking freshman and senior girls.

This year's project for senior staff was the purchase of a crown for the homecoming queen which was presented at the Honors day convocation.

AAUP Chapter Elects Officers For Next Year

The NDSC chapter of American Association of University Professors recently elected officers for the coming year.

Howard W. McCauley was elected president. Elected as vice president was John A. Doubly, assistant professor of bacteriology; recording secretary, Robert B. Billings, assistant professor of English; corresponding secretary, Robert L. Crom, instructor in communications; treasurer, Merritt N. Flynn, assistant professor of education.

J. F. Cassel is the retiring president.

Navy Recruiters To Visit

Officers from the U. S. Naval Air Station, Minneapolis, Minn., will be on campus Monday, May 23, to contact students interested in Naval Aviation Training.

The Navy is presently opening a new Air Officers Training Program designed to appeal to college seniors.

Sixty Units To March In Celebration Of Armed Forces Day, WDAY Band Festival

Tomorrow Fargo will play host to one of the largest, if not the largest, parade that the city has ever known.

The parade, which is a combined Armed Forces Day parade and WDAY band festival, will consist of ten military units from the area and fifty-two bands. It will start at Island Park, go up Roberts Street, return down Broadway, and end at Island Park.

Local VFW units, providing the color guard, will lead the parade. Following will be the local organized reserve units, consisting of the Army Reserve, Navy Reserve, and the Air National Guard, as well as the Army and Air Force ROTC units located here at NDSC. Also marching with the military units will be the Fargo Filter Center, the Civilian Air Patrol, and the Civilian Air Patrol Band from Winnipeg.

All ROTC members on campus are reminded that this is a required parade and they must be present.

While the parade is in progress, the local Air National Guard unit will provide a continuous fly-over.

Two Join Phi Kappa Phi

Two junior pharmacy students were recently elected to the honor society of Phi Kappa Phi, according to Emma J. Dubet, secretary-treasurer, NDSC chapter.

The two students having met the high scholarship requirements include Lynn Fitz and Harvey Frost.

Within minutes after the parade is ended, the Air Force will present a fly-over consisting of three KC-97's and two F-89 all-weather interceptor planes. The KC-97's are the planes used by the Air Force for in-flight refueling.

In the afternoon the Fargo Filter Center, the Naval Reserve Training Center, and the Air National Guard will hold open house for the public. The Air National Guard unit at Hector Airport has set up a display for the occasion.

Tomorrow evening Armed Forces Day will be climaxed by a dance at the Crystal Ballroom. This dance is open to the public.

CURRENT CONTROVERSY

ure on the SC campus. The statement cited Posin and Kristjanson, members of the committee, as open instigators against the administration.

Exhibit 25—A letter from Dr. Hultz to Dean Dolve asking that students in Dr. Posin's classes not be required to buy Posin's book "Mendeleyev". Dr. Hultz wrote "It has the appearance of petty racketeering."

Dr. Hultz spent nearly the entire Tuesday session on the stand and remained there until 3:25 p.m. Wednesday.

In the Tuesday morning session Dr. Hultz affirmed that he had stated off the record and in con-

fidence to the College Council that there "may be political implications" involved in the Geology issue. (Reference to the abolishment of Geology as a major on the SC campus).

In answer to what he meant by political implications Dr. Hultz inferred that in the sense that one institution is competitive with another and at times it tends to get out of hand.

Dr. Hultz offered in support of his charge against the four testimony relating how he had been heckled at College Council meetings. The heckling was in the form of sners, snarls and rapid fire questioning according to Dr. Hultz, stating "It was obvious what they intended."

Further cross examination Wed-

nesday concerned the ECPD report criticizing the physics department for not having enough equipment or staff.

Dr. Hultz related at the time of the ECPD exam one more staff member had been authorized.

When asked if there had been an attempt to demote Posin, Dr. Hultz replied there had been such a move with Dean Dolve's agreement and that it was a good administrative move.

In referenc to Posin's allotment of funds allocated to the physics department, Dr. Hultz related he felt too much was spent for what he termed Posin's cliky-click equipment.

The hearings continued yesterday, but due to Spectrum deadlines, more of the happenings were not available for publication.

A WHOLE CABOODLE OF LUCKY DROODLES!

WHAT'S THIS?

For solution see paragraph below.

A WONDERFUL SLANT on smoking! You'll find it in the Droodle above, titled: Tourist enjoying better-tasting Lucky Strike while leaning against tower of Pisa. If your own *inclination* is toward better taste, join the many college smokers who prefer Luckies. From any *angle*, Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then that tobacco is *toasted* to taste better. "*It's Toasted*"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better. Little wonder that Luckies tower above all other brands in college popularity!

Make SC Your College

North Dakota State College is happy to welcome all visiting high school seniors to the campus today for the annual Blue Key sponsored "Senior Day". The students of SC hope that all seniors will find their stay on campus an enjoyable one and will leave for only a time, returning next fall to enroll at North Dakota's finest college.

No longer is NDSC mainly an agricultural college. The school now offers a variety of courses ranging from paint chemistry to botany and from English to civil engineering.

SC features:

- (1) A school of home economics that ranks as one of the best in the nation.
- (2) Pharmacy, one of the half a dozen outstanding schools of its type anywhere in the world.
- (3) A modern and up to date school of chemistry that features an internationally recognized department of paint chemistry.
- (4) A school of engineering that offers a variety of majors to prepare graduates for the ever increasing need for engineers. Again, one of the best of its type in the country.
- (5) Agriculture. The only agriculture school in the state that helps prepare people for the ever-changing conditions facing farmers and rural dwellers in the state.
- (6) A complete program of liberal arts to prepare graduates for teaching or careers in business.
- (7) Fine, up to date living quarters that provide the maximum of comfort and convenience at a minimum of cost.
- (8) Social and extracurricular activities that center mainly around the new student union.
- (9) Nine national fraternities, six national sororities, and a host of religious groups to enrich the social and spiritual life of the college student.
- (10) Programs of drama, music, dances, and parties that are unequaled by any other college in the state.
- (11) A complete intramural sports program that offers activities of all sorts for the athletic minded student.
- (12) An expanding varsity sports program that yearly produces powerhouses in the North Central Conference and in the upper Midwest.
- (13) One of the finest college libraries to be found in any college of comparable size in the United States.

All in all, NDSC has much to offer to any prospective college student. Whether you plan to major in home economics or pharmacy, civil engineering or physical education, make the wise choice. Make it NDSC in 1955.

Kampus Klues...

Greek Week Picnic Roaring Success

By Karen

The Greek week picnic last Friday evening seemed to steal the social spotlight of the week. Socializing was kept at a maximum all evening as Greeks met Greeks. I've heard rumors that kids would like more of these all fraternity and sorority picnics instead of so many small ones. Sounds like a good idea??

The Kappa Psi's seranaded Gloria Lloyd, KKG, Monday evening and presented her with a dozen roses in honor of her selection Saturday evening as the first Kappa Psi Sweetheart.

Seniors who went alum at the Kappa house on Monday were: Kay Donovan, Bobbie Vaughn, Margaret Otterson, Gini Pratt, Jane Heifort, Joan Williams, Gretchen Muehlenbein, and Sharon Westman.

Monday evening was Father's night at the Gamma Phi house. Father of the girls were entertained.

Picnics at Lindenwood park again offered enjoyment for the SC students. Enjoying picnics on Tuesday were the KKG's and Kappa Psi's, Phi Mu's and Kappa Sigma Chi's, Apla Gam's and AGR's, and Gamma Phi's and Sig's. The Theta's and SAE's picnicked together on Wednesday and on Thursday we had the Gamma Phi's and ATO's and the KD's and Kappa Psi's.

Congratulations to the new Teke's on campus for becoming a national fraternity last Saturday.

The Kappa's, after two months of waiting, have finally moved into their new brick house. Con-

trary to popular opinion, their open house will not be scheduled until next fall; however, they will gladly show you through it.

As usual we have a long list of engagements and pinnings. Nancy Eagle, Kappa, now attending MS-TC is engaged to Merrill Loy of Duluth. Vernon Kluck, Kappa Psi, is engaged to Florence Dockter of McClusky, North Dakota. Ginny Steffes and Clarence Becker, Theta Chi are engaged, as is Helen Wolff of AGD to Jim Keller, Lambda Chi from the U.

Those receiving frat pins are Francine Simons, Gamma Phi, from Don Patterson, Sig; and Carolyn Pierce, Theta, from Percy Jolstad, Sig.

New Alpha Gamma pledge is Alvina Kassenburg.

Don't forget the the student union all-college hop this evening at 9:00.

Klamoose Junction To Send Favorite Son To Old State

By Q. Fred Rasmorton

Klamoose Junction is one of the most prosperous communities in North Dakota. Located in the midst of the badlands, on top of a high bluff, the bustling little city is not nationally known; but the per capita income of the populace is matched only by that of Yucca Flats, Nevada.

With a population of only six, Klamoose Junction finds that its community projects are severely limited; but occasionally an opportunity comes along to do something for posterity. Such a chance now faces the citizenry of the city.

Treadwell Butterfat is the only youngster in Klamoose Junction and at long last he has reached college age. After being nursed by the entire city throughout his life, Tready is now almost of an age when he can venture out into the world to make good and spread the glory of Klamoose Junction.

The village elders recently held a meeting which lasted far into the night. For long and weary hours the discussion centered around what college Tready should attend and heated controversy prolonged the needly argument beyond all reasonable limits of time.

Finally the village elders adjourned from their meeting and informed Tready of their decision. He was to attend North Dakota State College, become a bmoc, and attract settlers to the vast real estate area surrounding Klamoose Flats. No argument was received from Tready, he wants to go to old state.

So presently plans are in full swing in Klamoose Junction for sending Tready off to Fargo. He has been warned time after time of the dangers of the big city, his woolen underwear and his six gun are packed, and a horse has already been selected to carry him to the roadhead.

Tready's family and friends have alerted their acquaintances all along the way to keep an eye upon their favorite son as he journeys eastward and thus Tready's future is assured.

Now he can spend the summer in peace contemplation, thinking of the gay times facing him when he reaches SC. No more getting up at six in the morning to shovel sand away from the front door.

No more hauling of water up a winding butte trail or chasing rabbits by moonlight. No more digging for gold under the careful eye of his father to see that none of the dust sifts into his trouser leg.

Tready knows that he has the world whipped. When he reaches SC he'll be able to sleep late in the morning. The wonderful Bison room of the student union awaits all true college students with its vast aura of good fellowship and bonhomie.

Hundreds of pretty girls are waiting to fall at the feet of college men and Tready is going to be a real college man. Already he has a racoon coat and porkpie hat which he ordered especially from the catalogue.

Finances are to be no worry for Tready. The community has promised him a fabulous allowance of fifteen dollars a month for living expenses and fifty cents a week for incidentals. Who could ask for more?

Although Tready has never gone to school he is all set to attend the biggest and best college in North Dakota. His heart is set upon going to school at SC and attracting thousands of people to live in his hometown.

All the residents of Klamoose Junction know that Tready will be successful in his college career. Could six people ever be wrong?

Down Here At State

By Lee Johnson

Bad news for the disgruntled readers of this sheet. The same disreputable gang is going to be back this year as some of you have probably already gathered. Calm those wrinkled brows, things have to be better next year.

On the sporting scene the Greek picnic last Friday evening was one of the finest get-togethers ever held at SC.

Multi social people combined to create an impression of solidarity between the Greek letter organizations on campus that has been lacking in some quarters of late. Exuberance must be forgiven for it's not often that such a sizeable congregation of State students congregate in one group.

Getting back to the misplaced Spectrum again, our high school edition is coming along in fine shape. We're planning on mailing out approximately 6,000 copies of a special edition of the paper in the hopes that some of the high school seniors around the area will make the wise decision to attend our friendly school for the next four years.

In addition it is hoped that any misguided youngsters who were planning to attend our upstate neighbor will realize the error of their ways.

While we're on the subject of the LCT, one of their stalwarts, Monica Savageau is entombed in St. John's hospital with a broken leg. This athletic lass injured herself with performing acrobatics at an outing last week. Don't forget to send her a bundle of roses, and or, dandelions, depending upon the state of finances in your particular pockets.

We meant to mention in last week's column that didn't get printed that Gary Hart, the well-known "Wales Wildcat", is very close to having this year's Bison annual completed. To Gary and his gang should go at least hearts and flowers for a job well-done.

Also, we planned to congratulate Judy Sherwood, SC's own variety girl, for her fine job on the NSA regional convention. So what if we are two weeks late. Better late than never.

Job-wanted department. Anyone interested in hiring an undependable, worthless, inexperienced loafer for the summer is urged to contact this writer at 9244 or 9550.

Should explain the absence of Q. Japi Kutpepper for the past few weeks. The Danzig kid got caught in a manure spreader out north of the campus recently and was fairly well cut up. He'll be back in school summer session though. Ah, ha, thought you'd get away from reading about his exploits, huh. Silly people.

Heard by nefarious sources that the coal mine up at the university caved in not long ago! Wonder if any of the grubby-faced students up there were injured. I doubt it as they are all rather durable.

The average tenure of a student at ndu is approximately eight years. That's how long it takes them to stumble their way into a degree. Excuse me, George, I didn't mean you.

Old State now has nine national fraternities. To the new Tekes, welcome aboard.

That's the load for this week. Don't worry about term reports and finals. It'll be over in another three weeks. Until then, good picnics.

AAS Course, Carwash 301

Hard at work on the main project of last week's all-campus Greek Week are some enthusiastic volunteer carwashers. Operating behind the library, these all weather birds helped raise money for the Fargo Opportunity School for handicapped children.

Religion Stateside . . .

IRC Picnic To Highlight Week's Activities

IRC: All right, people, this is it! On Sunday, all the religious groups will get together for the annual IRC picnic at Lindenwood Park. Member groups will meet in their respective places first and then travel to the College "Y" where the whole shebang will get together and leave as a unit at approximately 2:00 p.m.

There won't be any wrestling matches or foot races to see which denomination is the "bestest" but it is hoped that everyone will mix and enjoy the fellowship in the only true way . . . the Christian way.

LSA: Arrangements have been made for a Boating Party this evening. LSA'ers will meet at the house between 7-7:30 p.m. and leave for the boat dock at 7:30.

The party will proceed up the river to Lindenwood Park where the evening will be spent in recreation and singing. A lunch will be served before evening festivities cease.

The Sunday morning Bible Study and breakfast will be at the usual time—breakfast at 9:00 and Study at 9:30.

In the afternoon, anyone interested in attending the IRC picnic can get a ride from the house at 1:30 p.m. The afternoon recreation and picnic supper will complete the picnic.

The regular Sunday meal will not be served at the house, but the evening program will be held in the park. Concordia College will lead the entire proceedings and any other groups attending the picnic are welcome to take part in the LSA evening program.

NEWMAN CLUB: All Catholic students will meet at the Newman Club House at 1:40 on Sunday for the IRC picnic. A half dollar "contribution" is all you need besides your Christian spirit. Transportation will be furnished.

At approximately 7 p.m., after the picnic, there will be a "Come As You Are" Dance at the Newman Club. Door prizes and refreshments will be offered.

There is still Rosary at the Newman Club at 12:45 each day. Make it a point to attend and make your last few weeks at State more meaningful.

WESLEY FOUNDATION: The canoe trip by the Foundation's hearties was a success. Except for the fact that Norm "I Hear You But I Can't See You" Pilgrim lost his bi-focals over a waterfall, things went along pretty smoothly.

Sunday morning a deputation team will leave for Fairmont and come back in time to take part in the picnic. The team will be headed up by "Gentleman" Jim Unken-

holz. Three of the members will give separate sermonettes on the topic of "The Christian Student in Everyday Living."

Sunday afternoon the group will meet at the Rooms at 1:30 and take part in the picnic.

A planning retreat is scheduled for the Memorial Day week-end. There will be emphasis on the business angle and Memorial Day will be set aside for recreation. The site will be the Pilgrim's cottage on Lake Carlos, Minn.

WESTMINSTER FELLOWSHIP: There will be no Memorial Day week-end meeting.

All members are reminded that the WF will join the Three-D group for a picnic on June 5.

YMCA-YWCA: A planning retreat will be held on Saturday afternoon and Sunday morning. Contact "Y" officers for further information.

Don't forget the IRC picnic!

YM-YW Delegates To Attend Regional Geneva Conference

North Dakota State's YMCA and YWCA have announced that plans have been completed for the 1955 student conference at Lake Geneva, Wisconsin, to be held on June 10-17.

The Geneva Regional Student Council of the YMCA and YWCA is sponsoring this 66th annual meeting. Over 350 college students from the upper Midwest are expected to attend.

The theme for this year's conference is "Lost or Hiding?". The main platform speaker will be Jerald C. Brauer, of the Federated Theological Faculty, University of Chicago. Other outstanding "Y" leaders from the region will also be present.

Delegations from NDSC will leave immediately following final examinations to participate in the program of worship, study, and recreation.

SC Student First ND Air Appointee

Norris Olson

Norris Olson, a freshman in electrical engineering, was recently appointed to the initial class of

the Air Force Academy at Colorado Springs, Colorado.

Secretary Harold Talbott, Secretary of the Air Force, in a telegram received by Norris Tuesday morning, notified Norris of his appointment and ordered him to report to Lowry Air Force Base, Denver, Colorado, on July 15.

Last February Norris, who was sponsored by Senator Langer, took part in competitive examinations held at Ellsworth Air Force Base, Rapid City, South Dakota. After completing his physical examination, Norris took part in a two-day mental examination. Early in March he was required to take the Princeton College Board test here in Fargo.

After reporting to Lowry Air Force Base, Norris will attend classes at that base for two years. In the fall of 1957, when the Academy itself is expected to be ready for occupancy, the classes will be moved from Lowry to the buildings of the new Academy at Colorado Springs.

When questioned about his appointment, Norris stated, "I consider myself most fortunate in being appointed to the Academy."

What young people are doing at General Electric

Young scientist works on new ways to handle "hot" radioactive fuel

Whenever uranium is "burned" in an atomic reactor, certain valuable elements such as plutonium are left behind in the "ash."

These products are highly radioactive, but they must be recovered because of their great value to the atomic energy program.

This is the job of 31-year-old H. Ward Alter, Supervisor of the Separations Chemistry Unit at the AEC's Knolls Atomic Power Laboratory, which General Electric operates in Schenectady, N. Y.

Alter's Work Is Vital, Important

Alter is doing his job well. He has already received the Coffin Award, General Electric's highest honor, for developing an apparatus that makes possible faster, safer, and more efficient recovery of the valuable elements in the "ash."

The work done by Alter and his group helps lower costs, increase efficiency and expand our knowledge of the chemical processing of spent radioactive fuels.

25,000 College Graduates at General Electric

When Alter came to General Electric in 1948, he already knew the work he wanted to do. Like each of the 25,000 college-graduate employees, he was given his chance to grow and realize his full potential. For General Electric has long believed this: When fresh young minds are given freedom to make progress, everybody benefits—the individual, the company, and the country.

H. WARD ALTER joined G.E. in 1948 at Knolls Atomic Power Laboratory after receiving a B.A. in 1943 and Ph.D. in Chemistry in 1948 at U. of California. He served with the Manhattan Project at Oak Ridge, 1944-46.

Progress Is Our Most Important Product

Theta Chi, ATO, Vet's Lead I-M Activity

Intramural activities continue along at a fast clip thus keeping all involved quite busy. Taking a look at last week's tennis competitions we find that Theta Chi still leads with an unmarred record of six straight matches.

Results of last week's play: The SAE's beat the ATO's taking both the singles and doubles matches. Theta Chi downed the Kappa Sig's in both doubles and singles.

The standings:

	W	L
Theta Chi	6	0
SAE	3	3
ATO	2	4
Kappa Sig	1	5

Turning to intramural golf, we find that the ATO's lead the league with a record of two wins and no losses. In last week's matches the Theta Chi's and SAE's tied, thus giving each team a half game won and lost in the standings. The ATO-Kappa Sig match will be played this week after a cancellation. This week the second round also starts with each team once again meeting each other. As of now the standings look like this:

	W	L
ATO	2	0
Theta Chi	1½	1½
Kappa Sig	1	1
SAE	½	2½

The Intramural softball league rolled into high gear last week with the Vet's Club leading in bracket I with the ATO's close behind. In bracket II, Theta Chi SPD are tied for the top with identical records of two and nothing. However the tie will be broken this week when the two crash head on.

The standings:

Bracket I		
	W	L
Vet's Club	2	0
ATO	3	1
ASCE	1	1
SAE	1	1
YMCA	1	2
Sigma Chi	0	1
AGR I	0	2

Bracket II		
	W	L
Theta Chi	2	0
SPD	2	0
Co-op	2	1
Kappa Psi	1	1
Kappa Sig	1	2
AGR II	1	2
Farm House	0	2

State Golfers Win; Golds Defeat Whites In Spring Game 25-6

North Dakota State linksters captured the Swanston-Kostelecky trophy last Tuesday afternoon at the Fargo Country Club. Also competing in the annual affair were Moorhead State Teachers College and Concordia College. The Cobbers won the event last year.

The Bison five man team had an 18 hole total of 409. The Coppers wound up second with 430 and MSTC had 455.

It was the first time in the history of the college that all five members shot below 90. Don Kristofitz was medalist with a cool 77. Eugene (Jeep) Johnson and Wylie Briggs followed with 80's. Curt Kristofitz and Tom Serrin rounded out the Herd totals with an 83 and 89 respectively.

The Bison will gain possession of the trophy for one year. The trophy is sponsored and donated by Bill Swanston, Jr. and Dr. Bill Kostelecky, prominent Fargo golfers.

In the annual Spring intra-squad football game held last Thursday evening at Dacotah Field, the Golds defeated the Whites by a score of 25-6. About four hundred spectators watched the affair which definitely favored the faster Golds.

Haberlach

The Golds were coached by Jesse Vail while the Whites were handled by Dave O'Brien.

Considering the amount of time the two teams had to work together, the game was exciting from the spectator's viewpoint although the fame dragged at times. Tragedy reared its ugly head in the form of injury to several performers. Seriously hurt and still hospitalized was Tony Haberlach, veteran fullback from Fargo. Tony received a vicious knee injury and has undergone several operations this past week.

Tony will definitely be lost next season. He will probably be transferred to the Health Center on campus as soon as he is able to make the trip. Students are urged to stop in and see Tony between classes.

Ag Notes

Ag Engineers Visit

Saturday, May 16, the Agricultural Engineers returned from their field trip to Duluth, Minnesota.

Attending were Merle Johnson, Richard Johnson, Leo Astrup, Glenn DeKrey, Aldon Starkey, John Eglie, Floyd Larson and Ron Brandvold. The group was accompanied by their advisor, George Pratt.

Points of interest toured were the Iron Mines at Hibbing, the American Wire and Steel Company factory and the Atlas Cement works at Duluth, and the Superior Oil Refinery and Wood Conversion plant at Cloquet, Minnesota.

Guided tours were arranged at each plant visited.

Howland Speaks

Lt. Lyndell Howland of the AF ROTC Department was main speaker as ASAE meeting held Thursday night in the Agricultural Engineering Building.

Lt. Howland, an agronomist who spent two years in Japan, showed movies and slides of farming methods in Japan.

Well Known Official C. H. Kimball Dies

Funeral services were held last Tuesday for Charles H. (Charlie) Kimball, former Fargo coach and statewide known track official. Mr. Kimball became a well known figure at North Dakota State College where he served in the capacity of a starter and timer.

Mr. Kimball was born at Aberdeen, South Dakota and graduated from the University of South Dakota. He is survived by his wife, two daughters and two sons.

Charlie Kimball's 1926 Fargo team reached the finals of the National Interscholastic basketball tournament in Chicago. He was a perfectionist, always striving to improve his athletes.

At the time of his death, Mr. Kimball was active in the Fargo-Moorhead Athletic Officials association.

Tomorrow the North Central Conference Track and Field Meet will be held at Dacotah Field. Today North Dakota State plays host to her sister members in the NCC for the annual golf and tennis matches.

Although the Bison are not expected to win the track laurels, the hometowners should do well in the other two sports. As a matter of fact, I'd venture to say we'll capture first place trophies in both the tennis and golf affairs.

South Dakota State and North Dakota University are expected to dominate tomorrow's activities. Both have fared well this season and boast of top notch college performers.

The Sodaks have an exceptionally well balanced squad including a host of distance runners that can compare with the best in the country. On the other hand, the Nodaks have the best sprinters and will be paced by the versatile Connie Jones.

The speedy Negro may well lower the 440 record in lieu of the fact that he has run the distance in 49 seconds his last two outings.

The rest of the conference has good individual performers, but lack of depth will hinder their chances of upsetting the Rabbits and the Sioux.

Joke of the Week: Grut Anderson, Otto Ellison, Jack McLarnan and Bob Fisher catching Lampreys down at Detroit Lakes last Saturday. (And Anderson took them home!)

Weakeyes award goes to Al (Ugly) Schumacher who has the guts to call me Weakeyes!

There will be an admission charge tomorrow for the track meet. Adults will be snagged a buck, college students half a rock, and high school students and kid two-bits.

Now this dough doesn't go to the college treasury as might be expected. The meet is a conference affair and the NCC is charging this tariff. No one will be allowed on the track or field except participants

and officials. Organizations are urged to contact Erv Kaiser today if they have anyone who wants to help out during the event. A little free publicity to show the outfits that have a little of that old school spirit still in them. Good experience too!!

Tomorrow is also North Dakota State Band day and high school students are urged to make the track meet a part of their schedule. In the evening there will be a gala band fest in the stadium. Should be an affair all music lovers will want to take in.

Heard from a very good source that Bug runs past the Tallow plant in West Fargo. He's a neat guy to have along on a picnic with that crazy guitar music...

Karen Sluka, campus Mary Worth, Dorothy Dix and Just Plain Bill, wears army shoes.

Leon has really flipped his lid. The boy wonder went to all his classes last week thus relinquishing his title of Campus Delinquent to Nasty who still has a perfect slate of no classes at all at all...

About the only thing that can keep me from graduating is that ticket from Sam Catchum that I refuse to pay for. Since when is it illegal to park on the Library lawn and throw beer cans at H. Dean Stallings???

Golfers Attention

Anyone, male or female, interested in golfing at the Edgewood public course under a special student price, please clip out and fill in the following blank. Give these blanks to Bob Fisher or leave them in the Spectrum office.

NCC Track Meet Here Saturday

North Dakota State College will host the thirtieth annual North Central Conference Track and Field Championships tomorrow at Dacotah Field. Preliminaries will be held in the morning starting at 9:00 a.m. Finals will start at 12:30 p.m.

South Dakota State, who has won the event for the past three years is the heavy favorite to annex their fourth straight first place trophy. The Bunnies will be given stiff competition from North Dakota University and South Dakota University.

All around depth makes the Jacks an almost sure bet to probably break the meet scoring record. The Sodak distance runners are among the best in the Middlewest and records are likely to be broken.

The 440 yard dash record of :49.4 seconds will be threatened by Connie Jones, NDU runner. Jones has twice this season run the event in 49 flat.

The 100 yard dash record of 9.8 seconds appears threatened also as the University has three men who have turned in times under 10.

The meet is a conference event and therefore an admission of fifty cents per student will be charged. Adults will pay \$1.00 and kids twenty-five cents. The money goes to the North Central Conference and does not benefit any college.

Erv Kaiser, who is in charge of the meet says that all events will be run on time and there will be no delays. Plan on taking in the affair and seeing some really top notch performances.

NORTH CENTRAL CONFERENCE TRACK AND FIELD MEET

Order of Events

Preliminaries
9:00 a.m.—120-Yard High Hurdles

9:15 a.m.—100-Yard Dash

9:30 a.m.—220-Yard Low Hurdles

9:45 a.m.—220-Yard Dash

Preliminaries in the Shot and Javelin at 9:00 a.m.; Discus and Broad Jump at 9:30 a.m.

Finals

12:30 p.m.—Pole Vault

12:30 p.m.—Pole Vault, High Jump, Shot, and Javelin

Discus right after Shot. Broad Jump at 2:10 p.m.

1:00 p.m.—Freshmen 880-Yard Relay

1:10 p.m.—One-Mile Run

1:20 p.m.—440-Yard Dash

1:30 p.m.—100-Yard Dash

1:40 p.m.—120-Yard High Hurdles

1:50 p.m.—880-Yard Run

2:00 p.m.—220-Yard Dash
2:10 p.m.—Two-Mile Run
2:25 p.m.—220-Yard Low Hurdles
2:35 p.m.—Freshmen Sprint Medley Relay
2:45 p.m.—One-Mile Relay

CONFERENCE RECORDS IN VARIOUS TRACK AND FIELD

100-Yard Dash—Sterling Clark, SDU, 1926, 9.8; Ralph Pierce, NDU, 1932, 9.8; Delbert Moore, NDS, 1953, 9.8.

220-Yard Dash—Delbert Moore, NDS, 1954, 21.1.

440-Yard Dash—Donald Lange, ISTC, 1954, 49.4.

University Picks MVP

Grand Forks (Special) — Most Valuable Player awards to three University of North Dakota athletes in three major sports were announced at the annual spring UND Athletic Board of Control banquet.

Don (Red) Augustin of Rugby won the MVP in balloting by the North Central Championship Sioux cagers. Ronald (Kube) Kubesh, senior of Pine City, Minn., won the football award, while All-America hockey player Ben Cherski of Edmonton, Alberta, Canada, received the hockey award. Each player was presented with a foot-high gold trophy by Cal (Thin Man) Hallada, president of the UND Lettermen's Club.

Augustin, a junior 6-2 ambidextrous hardcourt star for the Sioux, is a two-time All-North Central Conference performer and last month was named the Most Valuable Player by the conference coaches at the NCC spring meeting. Augustin paced the Sioux to their second straight North Central conference cage championship and led the Sioux in scoring with 411 points in 22 games.

Kubesh, low-slung 190-guard on the Sioux football team, culminated a brilliant UND grid career last fall with election to Little All-America honors.

Cherski, high-scoring Sioux hockey wing, carried the Sioux to great heights in his four-year playing career.

Pictured above is Dale Wallentine, North Dakota State track star, as he broad jumps in a recent meet.

Although Wally is better known for his efforts in the hurdle races (conference defending champion) he does well in the running broad jump and is one of State's hopeful for the conference meet. (Photo by Pete Mark)

AFROTC Students Receive Awards For Outstanding Service During Year

Four NDSC advanced air force ROTC cadets received awards at the annual federal inspection of the air ROTC unit.

Cadet Master Sergeant Guy E. Enabnit was awarded the Convair Cadet award. This trophy is awarded annually to a cadet who is entering flying school upon graduation and who has promoted interest in flying training. This award

was presented by Colonel Ray W. Clifton, chief of the inspection team.

Cadet Captain George W. Hildre received the President's Trophy in recognition of his outstanding ability as Flight Commander. This flight distinguished itself by proficiency in drill and maneuvers. President Fred S. Hultz made the presentation.

Cadet Colonel Douglas R. Hanson received the Professor of Air Science Scroll which was presented him by Lt. Col. Norris Brill, Detachment Commander. This award is indicative of Cadet Colonel Hanson's outstanding leadership abilities as Cadet Wing Commander.

Cadet Captain Gary E. Hart was awarded the Bernard S. Bennison Memorial Award. This trophy was presented in recognition of Cadet Hart's scholastic excellence, campus leadership and demonstration of attributes essential in officers of the United States Air Force.

Rehearsal Planned For Spring Grads

Graduating seniors and graduate students will meet in their respective schools on Thursday, May 26, at 4:00 p.m., to rehearse the commencement exercises scheduled for June 6.

As all seniors and graduating students will receive detailed information as to their positions in the program and to the procedures that are to be followed, it is imperative that all candidates attend.

Assistant marshals for the ceremonies include Mr. Nystuen, Morrill Hall; Mr. Flynn, Minard Hall; Dr. Fleetwood, Ladd Hall; Mr. E. G. Anderson, South Engineering Building; Miss Vergin, Home Economics Building; and Mr. Lukas, Pharmacy.

With the exception of graduate students, all candidates will meet with the assistant marshals of their schools. All graduating students will meet with Dr. Fleetwood at Ladd Hall.
