## Carol Johnson Homecoming Queen

★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

### Gloria Lloyd, Terryl Ann Frank Picked As Attendants

Queen Carol

Princess Gloria

Princess Terryl

### Leadership Clinic Scheduled On Campus; 'Y' Secretary To Give Keynote Address

November 3 has been set as the date for the Leadership Clinic sponsored by student senate.

Mr. Charles Markman, college YMCA secretary, has been selected as the keynote speaker for the clinic. Mr. Markman is familiar with NDSC campus leadership through his association with students in his two years on the campus. He has also served in leadership capacities on other campuses, as well as in YMCA summer institutes.

The clinic program is divided into the keynote address at a general assembly of the delegates, small discussion groups dealing with leadership topics, and a summary session. The general assembly will get underway at one thirty p.m., and the program is to be concluded at five o'clock that afternoon.

The names of delegates will be listed in Dean Severinson's office, so that they may be included in a letter of explanation to the schools on the campus.

Each interested student organization on the campus has been invited to select two delegates to the clinic, and is given a choice of discussion group interest.

### "Union Notes" . . .

Don't forget the chess instruction in the Small Lounge on Wednesdays at 7 p.m. Dr. Black of the math department is instructing, and Dr. Albright is assisting.

We would like more applications for committee members for the committees which plan the activities in the Student Union. Anyone who wishes to apply and has not is welcome to drop in at Mrs. Tarbell's office anytime from 1 to 5 any day.

A Birthday Party is being planned for the Student Union on October 29 after the Homecoming Game. More details next week.

### Chem Club Picnic

The members of the NDSC Chemistry Club held their annual fall picnic at Oak Grove Park the evening of Oct. 13. Approximately 100 students and staff members were present at the picnic.

### Student Injured In Auto Crash Last Weekend

Ken Anderson, night manager of the Bison room in the student union, and his wife were injured in an automobile accident near Lisbon last weekend.

The couple were involved in a two car crash in which several other people were also hospitalized for minor injuries. Both Anderson and his wife are in a Lisbon hospital suffering from multiple injuries and are expected to need several weeks for full recovery.

Anderson is a junior in mechanical engineering from Stirum. His wife is also employed in the Bison room as a full-time waitress.

In the accident Anderson's car was nearly completely demolished. The driver of the other car and a passenger in Anderson's car escaped with only minor cuts and bruises.

### Student Senate Reports Homecoming Progress; Praises Coach Del Anderson

By Ron Maier

For the third meeting in a row homecoming activities occupied most of the attention at the student senate meeting held last Tuesday evening.

Parade progress was discussed and a measure was passed to have all student senate members excused from marching with ROTC units during the parade. Parade marshal Don Schwartz also reported that while the cooperation of high school bands in joining the parade has been slow, more progress is expected.

Homecoming tickets were received and it was decided to allow each of the eleven men's organizations wishing to sell tickets 125 each. Any group desiring more tickets may procure them next week.

Complimentary tickets will be issued to the homecoming dance to all members of the student senate and co-parade marshal Merrill Johnson.

A special homecoming queen crown has been purchased by the senate to be used only by SC's fall classic queen. It will be stored in Dean Dinan's office and may be used only by permission of the student senate.

All candidates for homecoming queen will be invited to the queen's banquet next Thursday. In addition the queen and her attendants, NDU's homecoming queen, and Miss North Dakota will be honored at a luncheon the day of homecoming.

Alpha Phi Omega, honorary scouting service fraternity, reported on plans to build a special float for the queen. The throne section of the float will also be used at the dance.

Stan Morrison and Joan Nelson indicated good responses have been received for aid to help with decorating the field house for the dance.

Delegates to the state convention of higher education to be held in Dickinson in November were discussed. Dean Severinson and Dean Dinan, along with student body proxy Merlin Lud-

wig, Mike Fogel, and two junior girls will attend.

The convention is held annually with representatives of the various state colleges and the board of higher education in attendance. It is concerned mainly with acquainting both students and staff members with some of the problems facing the state higher education system.

Plans for securing two live Bison to serve as college mascots were dropped. High costs of housing and caring for the animals placed the project beyond the financial resources of the senate.

A vote of appreciation was passed by the senate on Del Anderson's contributions to athletics at SC. In addition the senate expressed regret about the serious injuries of sophomore halfback Tom Day.

In further business the senate okayed a request of the Rahjah club to operate the checkroom at the homecoming dance. Policemen will also be sought to direct traffic the night of the dance.

Another meeting of the senate was scheduled for next Tuesday at the union. At this meeting the last homecoming arrangements will be completed.

### SC Queen Chosen By Record Number Of Student Votes

Carol Johnson, a junior in architecture from Bismarck, is the newly elected homecoming queen for North Dakota State College.

A record number of students, 1435, participated in the election making the turnout the greatest in the history of the college.

Selected as attendants were Gloria Lloyd, a junior from Bismarck in home economics, and Terryl Ann Frank, a junior in home economics from Fargo.

Queen Carol was sponsored by the Women's Residence hall and the Independent Students Association. She is the only woman enrolled in the school of engineering on campus.

Her two attendants were sponsored by Kappa Kappa Gamma and Kappa Alpha Theta sororities respectively.

SC's homecoming queen will be honored with a special queen's banquet at the student union the night of Thursday, October 28. Coronation ceremonies are scheduled for halftime of the homecoming game between NDSC and the University of North Dakota.

### Notices

#### PARADE MEETING

Homecoming Float Chairman or a representative from each organization entering a float or a car in the Homecoming Parade must attend a meeting next Thursday at 8 p.m. at the Alpha Gamma Rho house, 1303 13th street North.

At that time the Parade Marshals will distribute final parade information and coordinate all parade activity.

#### FLOAT CONTEST

Organizations entering floats for competition in the Homecoming Parade are reminded they are not to place their organizations name anywhere on the float or in any other way identify themselves.

### Tryota Club Holds Party; Elects Officers

Tryota, North Dakota State College home economics organization, held a mixer recently for all new freshman and non-member home economics students.

A special "hobo jamboree" was held in the auditorium of the home ec building with approximately 200 students attending.

New officers of the organization were also elected. They include Wilma Husband, president; JoAnn Johnson, vice-president; Beverly Lind, secretary; and Joan Cantwell, treasurer.

At the last meeting of the group sixty-three new members were initiated into Tryota.

### "Leave That Stuff Alone!"

Let that be a lesson to you! Harry Swanke appears to be administering more than just a friendly pat to his wife Martha Connally as Keith Amundson looks on in surprise.

The scene comes from the first Little Country Theater production of the year, "The Doctor In Spite of Himself", scheduled for performances beginning next Tuesday and running through Saturday. Directed by Ed Bigelow and featuring an all student cast, the play will be given in the Circle-T theater. Tickets are on sale now for 75 cents each.

# Unrest Goes Too Far; Let's Get Some Spirit

Deep in the midst of a losing season is the football team and naturally long are the moans from the long suffering student body. Another lean year is underway on the gridiron for SC and more than a few members of the campus community are beginning to shake their heads and wonder if the Herd will ever win another football game.

That's all fine and good. A losing team always stirs up unrest and some of the fans begin to lose interest. However, sometimes the unrest and disinterest goes just a bit too far.

It's hoped by all students and alums of NDSC that this year's losing streak is the end. Two fine freshman teams in a row give strong backing to this hunch and qualified observers believe that next year will see SC back on top in the North Central Conference.

But, this year, let's not give up all together. Men are sweating blood on the field for the glory (laugh if you must, but the chuckle may be a little hollow) of our college. Numerous players have been disabled so far this year and now head coach Del Anderson and Tom Day, a fine addition to any college, are hospitalized through their attempts to bring a victory to the college.

Perhaps now is the time for all fair weather supporters of State's athletic endeavors to scamper off and hide until the sun shines again. For the hard-core, however—now is the time to come out in full force. Now, when the football fortunes of the college seem to be at their lowest ebb, let's show the players that we still ride with them—win or lose.

# Gold Star Band Deserves More Credit For Creating Spirit At Football Games

Who makes the crowd hum at football games? Who stirs up fight, rah-rah spirit, and a general feeling of belong to the campus community?

None other than the Gold Star band of SC. Yet, for some strange reason, our band receives much less attention than numerous other groups that contribute nothing to the general interest and enthusiasm of the college.

Long, dismal hours of practice go into each appearance of the band. Numerous conflicts and disappointments mar the life of the band director and the lives of the many band members.

Still, about the only comment reserved for the band is "Why do those people play so often?" Perhaps it's because the rest of the student body makes such a miniscule amount of noise at football games that the band feels it must come through with noise to fill the void.

Let's, just for once, play hats off to the band. Take into consideration the long hours of work spent by Bill Euren and his gang and give them more backing and support.

# Let's Grow Up . . .

Sorority girls and independent girls the campus over are feeling blue this week. Investments running into the hundreds of dollars were spent in a good cause and most of the cash was wasted.

In practically every case the pictures on homecoming posters were stolen—and deposited neatly in various dormitory and fraternity rooms in the area. It seems as if some fellows are so desperate for pictures they are forced to pilfer.

It's too bad that the names of these characters are not available. They would provide a juicy item to be printed in the paper. Warnings and threats come to no avail.

Let's hope that some day soon some of the fuzzy-faced youth of this college grow up and realize that other people have feelings too.

# Selective Service Tests To Begin Nov. 17; Information Now Available At Local Board

Selective Service College Qualification Tests will again be given at the North Dakota State College

on Thursday, November 17, according to Professor Carl Schmidt, Director of Student Personnel.

# Engineers Place Fifth

NDSC's chapter of the American Society of Agricultural Engineers recently placed fifth in a national chapter judging competition.

Sponsored by the Farm Equipment Institute, the competition was held in two classes for large and small chapters. SC participated in the large chapter group.

To participate in the FEI competition chapters must submit reports on which the chapters are judged. Included in the reports must be information on chapter activities and achievements. Awards are given to the winning chapters.

Any Selective Service registrant who is a full-time college student in the Fargo-Moorhead area and who has not previously taken this test, may get an application, mailing envelope and Bulletin of Information from a Selective Service Local Board, then mail the application in accordance with instructions contained in the bulletin.

This three-hour written examination is to provide evidence for the use of local boards in considering deferment of a registrant from military service as a student.

All applications must be post-marked not later than midnight Wednesday, November 2, 1955.

# Danforth Fund Invites Applications From '56 Seniors

The Danforth Foundation, an educational trust fund in St. Louis, Missouri, invites applications for the fifth class (1956) of Danforth Graduate Fellows from college senior men and recent graduates who are preparing themselves for a career of college teaching, and are planning to enter graduate school in September, 1956, for their first year of graduate study.

The Foundation welcomes applicants from the areas of natural and biological sciences, social sciences, humanities and all fields of specialization to be found in the undergraduate college.

President Fred S. Hultz has named dean of student C. E. Scuringson as the Liaison Officer to nominate to the Danforth Foundation two or not to exceed three candidates for these fellowships.

These appointments are fundamentally "a relationship of encouragement" throughout the years of graduate study, carrying a promise of financial aid within prescribed conditions as there may be need. The maximum annual grant for single Fellows is \$1800; for married Fellows, \$2400 with an additional stipend for children.

Students with or without financial need are invited to apply.

A Danforth Fellow is allowed to carry other scholarship appointment, such as Rhodes, Fulbright, Woodrow Wilson, Marshall, etc., concurrently with his Danforth Fellowship, and applicants for these appointments are cordially invited to apply at the same time for a Danforth Fellowship.

The qualifications of the candidates as listed in the announcement from the Foundation are: men of outstanding academic ability, personality congenial to the classroom, and integrity and character, including faith and commitment within the Christian tradition.

All applications, including the recommendations, must be completed by February 15, 1956. Any student wishing further information should get in touch with C. E. Scuringson, our Liaison Officer.

# Campus Cutie . . .

Phyllis Diede

Campus cutie of the week is Phyllis Diede, a new Kappa Alpha Theta sorority pledge and the pride of Richardson, North Dakota. Phyllis is a freshman majoring in home economics, a member of the Bison annual staff, and is very interested in music.

# Down Here

# At State

By Lee Johnson

Seems as if I just finished banging out this thing and here it is time to go around again. This time kick is one thing that I just can't get adjusted to. Seven years at this college and I still get caught unready for exams. Nice, hey.

Charlie "Chuckles" Fisher, boy rumor monger at the university, seems destined to become the new bard of the prairies with his many wise sayings and niceities. "I hope that's spelled right."

The school of mines whiz-bang apparently spends weeks on end dreaming up wise sayings and choice gems to print in his monthly journal of musty happenings at upstate. Cholly, why don't you try going to school?

And that brings us to the point of the mass migration of senior engineers to the Twin Cities planned for Monday and lasting all next week. Why can't something like that be scheduled just once to fall on a week with nothing happening on campus? Sometimes you wonder about people around here.

Don't look now but the Forum may have scooped the Spectrum on homecoming queen information. Even though a tv station plugged the honey yesterday is no sign the campus warbler can't beat one of the downtown folk.

As all good things must the drive to bring bison to the campus seems to have fallen flat. Main stumbling block is the horrendous sum of money necessary to pasture the beasts. Wouldn't it be easier to change the name of the team to elephants or sumin.

Toot-toot department: Wanted, a fool-proof method to escape taking mid-term examinations. Anyone possessing such a remedy is invited to contact any one of 2400 furrow-browed students today at SC. Whoosh.

Roses to Del Anderson, Herd head football coach, and Tom Day, stellar gridiron prospect, for their contributions to athletics at this college. Injuries are the toughest part of any sport, but still it's hard to see two such nice guys laid low. Here's hoping both of them are back in harness soon.

Fired up man award must be divided this time around. Merrill Johnson and his sad-sack sidekick Don Schwartz deserve lots of credit for the late hours they've been spending getting the homecoming parade lined up.

One of the most thankless jobs of the whole school year is being neatly handled by two fellas who don't like to hog attention. However, they certainly deserve more than one or two headlines.

Knock-knee of the week must go to the editorial department of this paper for not having a large and glossy picture of the new homecoming queen on the front page. We're just so deadline conscious that we realized weeks ago it was impossible. Look for a big spread on the honey next week.

Unsung honors must belong to all the gals who spent many hours of valuable time and energy making and distributing queen campaign posters.

Also—heel of the week goes to any fellow who snatched a picture of a candidate before elections. When will some of the stunted ones grow up. Oh, well.

The Spectrum is seeking about three people with no special talent or interest but lots of time to sit around in the office all day and keep the staff company. It gets rather dull up here at times.

Wonder if Dick Sunde and company plan to accompany the Herd down to Brookings this weekend. The Park Rapids pioneer used to make it an annual pilgrimage to follow the team down into South Dakota. Hope that things haven't changed.

Suitcase Buck was back at it last weekend. The New York wanderer bussed off for Linton for another visit with the latest flame. Hitch up the manure spreader, honey.

Long wind grant must belong to me this week. For spending the most time saying nothing. See you next time at this same spot in the Bison room.

# Moorhead LSA Host To SC Group Tonight

MSTC Lutheran Students Association will play host to the SC group tonight in Moorhead.

An evening of social hour, songs, vespers, lunch and roller skating from 10 to 12 at the arena make up the night's entertainment.

All SC LSA'ers are asked to meet at the house at 8 for rides to Moorhead. Everyone is invited.

Events scheduled for this weekend include breakfast Bible study at 9 Sunday morning and supper

at 5:30; with a student devotional program to follow at 6:15.

Sunday evening Dr. Walther Prausnitz, chairman of the English department at Concordia college, will be the guest speaker.

# LOST

Gold-plated cufflink with small leather section. Lost on campus between gate and library on Oct. 12. If found call 2-8386.

# Kampus Klues . . .

By Karen

Congratulations to the new homecoming queen, Carol Johnson. We hope you will have a happy and glorious reign not only on homecoming but throughout the year. I'm sure NDSC is very proud to hail you as it's queen.

The coming weekend is going to be very quiet and unexciting so why not rest up so you will be in top shape for all the homecoming festivities next weekend. And fellows—I've heard rumors that many girls are going home if they don't get dates for the homecoming dance. Let's get on the ball so we have a record number of people at the homecoming dance.

### Union Juke Box Dance

Held for all college students last Monday evening was a terrific success according to most of the students who attended it. The music furnished by the juke box was really jumping and so were the students. Everyone agrees — let's have more of them.

### New Pledges

Joyce Tucker is a new pledge for Alpha Gamma Delta, Martha Connely for the Kappa Delta's and for the ATO's—Buck Staska. Phi Mu has added Teresa Dreger, Sharon Lavine and Eleanor Sandback.

New pledges of Sigma Chi are Joe Grim, Chuck Meckstroth, Or-

ville Kensok, Pete Brunelle, and Justin Murray.

### Pledge Officers

Alpha Gamma Delta pledge officers are: President, Alvina Kasenburg; vice pres., Yvonne Johnston; Sec., Lynnell Buchannon; Social Chairman, Nancy Thompson, and program chairman, Judy Hunstad.

New Kappa pledge officers are Vivian McAuley, president; Pat Moore, vice-president; Tammy Baker, secretary; Janice Apperman, treasurer; and Lois Williams, secretary.

ATO pledge officers include William Buck, president; George Platt, vice-president; Bryan McDaniels, secretary-treasurer; and Gary Abrahamson, social chairman.

### Coffee Klatches

Tuesday the Kappa Alpha Theta's

were hosts to all students and the Gamma Phi Beta pledges were hosts just to the pledges of all sororities and fraternities at their respective houses. Sunday from 3 to 5 is the date set for the Alpha Gamma Delta coffee hour. Everyone is welcome.

### New Actives

Maureen Bear, Susan Wheeler and Donna Barstad are new active members of Kappa Delta sorority.

### Visitors

At the Tau house this past week were Fred Brandt, Wayne Slotten and Vern Reardon, all SC alums. Not to be forgotten is Mrs.

Bishop's pomeranian, Taffy, who regularly pays calls to the Taus.

### Open House

For house mothers was given by the Kappa Alpha Theta sorority on Tuesday.

### Entertainment

Only one was brought to my attention from this past week. The Alpha Gam's entertained the Alpha Gamma Rho fraternity on Tuesday evening.

### Exchange Dinners

The Gamma Phi's and SAE's socialized on Monday evening with an exchange supper. The ATO's entertained the queen candidates on Monday evening also.

An exchange dinner was held between the Sigs and the Kappa Delta's Monday night.

### AGR Pledges

Audrey Brekke and JoAnn Anderson were pledged into the royal order of the Alpha Gamma Rho fraternity in a solemn ceremony performed at the Gamma Phi house on Wednesday evening.

### Honors

Kappa Kappa Gamma of the month is Janet Monson.

### Founder's Banquet

A Kappa Kappa Gamma founder's day was held at the Graver hotel Monday. Attending were alums, actives, and pledges.

## What young people are doing at General Electric

# Young engineer pioneers in design and sales of new tiny transistors

The germanium transistor—some smaller than the eraser end of a pencil and able to operate on a few thousandths of a watt—is probably one of the most promising developments in the electronics field today. It opens the way to new midget radios, TV sets flat enough to hang on a wall and many other exciting possibilities.

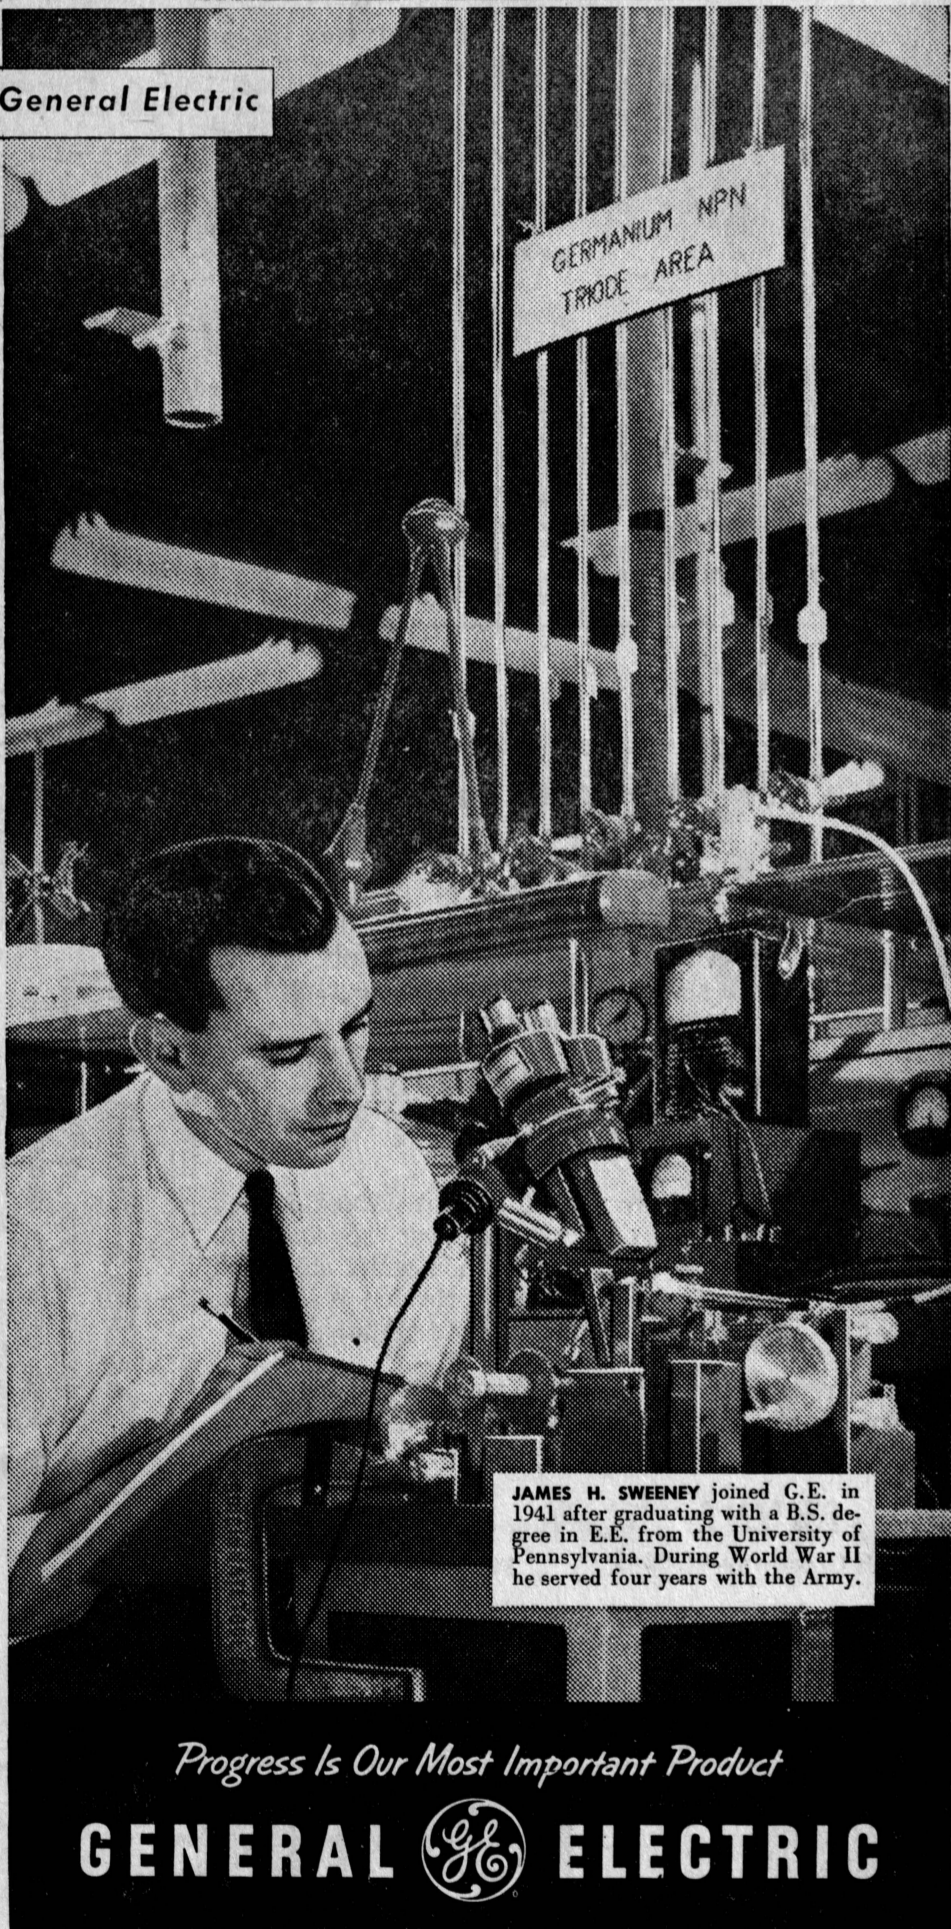

One of the men who helped design and perfect these tiny transistors—and the man who is now head of sales for all General Electric germanium products—is James H. Sweeney, Manager—Marketing, Semiconductor Products Department.

### Sweeney's Work Interesting, Vital

As early as 1948, Sweeney was head of a group that studied the design and possible uses of germanium products. He gained national recognition for his work in developing and introducing these products to other industries, and when a new Semiconductor Products Department was formed in 1953, Sweeney was a natural choice for the job of marketing these products.

### 25,000 College Graduates at General Electric

When Sweeney came to General Electric in 1941, he worked in many different departments until he finally found the work he wanted to do. Like Sweeney, each of the 25,000 college-graduate employees is given the chance to grow, to find the work he does best, and to realize his full potential. For General Electric has long believed this: When fresh young minds are given the freedom to make progress, everybody benefits—the individual, the company, the country.

JAMES H. SWEENEY joined G.E. in 1941 after graduating with a B.S. degree in E.E. from the University of Pennsylvania. During World War II he served four years with the Army.

### Dewey Sez . . .

Well, at last midterm week is over and we can go back to a period of stagnation for another five weeks, don't we wish.

Next week floats will be built, house decorations made and dates will be sought for the annual homecoming dance. To be true Karl Kollege date bait, get yourself Klad in Straus Kampus Klothes.

This week we're again featuring our fingertip topcoats from 19.95 with many colors and styles, one or two just for you! Also we have a new shipment of "pork pie" hats in charcoal tones at \$7.50.

To show you students of old State how we appreciate the business you've been throwing our way, we are going to treat each and every one of our customers to a FREE cup of coffee from "Ye Olde Bisone Roome" with each purchase beginning right today.

You see, warmth is our policy—whether it be in selling you warm clothes—greeting you with a warm smile—or serving you a warm cup of coffee.

## Independents Reorganize; Plan Parade Float, Full-Scale Membership Drive

I.S.A. rides again! This might well be the consensus after the first formal meeting of the Independent Student Association which was held last Thursday afternoon, October 13, in the Student Union conference rooms.

The most important business discussed was the impending Homecoming festivities. The group decided to enter a float in the parade and a committee under the chairmanship of Ralph Rothfus was appointed to plan it. Anyone within the group, or an independent student who did not attend the meeting, is welcome to work on the float.

The I.S.A. also has endorsed Carol Johnson as their candidate for queen. Carol is sponsored by Women's Residence and is an independent.

Monday night has been chosen by the group as their meeting night, and the first regular Monday meeting will be held Oct. 24 at 7:30 p.m. in the "Y" Auditorium. Following a short business meeting, there will be refreshments and dancing. It is planned to make the social hour a regular activity.

### NOTICE

The mobil X-ray unit of the North Dakota Health Department will be on campus Wednesday, October 26, between the hours of 1 p.m. to 5 p.m. All students and faculty members are urged to take advantage of this opportunity to have a free chest X-ray. Registration for X-ray will take place in Festival Hall, with the X-ray unit parked on the pavement just outside.

Membership cards for the members of the group are being printed and will be sold by the membership committee before and at the Oct. 24 meeting. The price of the cards will be one dollar (\$1) for one year. Anyone who is interested in serving on this committee is asked to contact Peggy Buchanan.

## Campus Happenings

Officers of the North Dakota Home Economics Association are meeting tomorrow in the Founders Room of the home economics building to make plans for the annual NDEA convention to be held in Grand Forks next spring.

The College 4-H Club will sponsor their annual Halloween party tonight at 7:30 in the College "Y" auditorium.

Everyone is invited for an evening of square dancing and folk dancing under the direction of Kenneth Olson.

Lunch will be served following the recreation.

SC's YM and YWCA have planned a hayride to be held tomorrow evening at 7:30. Everyone is invited to meet at the "Y" and transportation will be furnished from there.

Westminster Fellowship will meet Sunday at 6 in the 3-D center. Supper will be followed by a discussion on counseling led by Reverend Wigfield.

## Weekly Calendar

**Friday, October 21**  
7:30 p.m.—4-H Club Party—College Y.  
8:30 p.m.—Alpha Tau Omega Record Party—ATO House.

12:00 noon—Student Luncheon Discussion—College Y.  
7:15 p.m.—SAI Business Meeting—Gamma Phi Beta House.

8:15 p.m.—Circle T Theater Play Circle T Theater.

**Thursday, October 27**  
12:00 noon—Student Faculty Discussion—College Y.  
8:15 p.m.—Circle T Theater Play Circle T Theater.

**Friday, October 28**  
9:40 a.m.—Homecoming Convocation—Festival Hall.  
8:15 p.m.—Circle T Theater Play Circle T Theater.  
Evening—Bonfire—Place to be announced.

## SAI Plans Dinner

Sigma Alpha Iota, professional music fraternity, will have a progressive dinner party for rushees on Sunday, October 23, from 5:00 to 8:00 p.m. The first course will be served at the home of Mrs. L. C. Sorlien, the second course at Mrs. L. S. Pierce home and the third course at the Mrs. Joseph Kise residence.

All rushees are to meet at Ceres Hall at 4:15 p.m. for transportation.

## Naval Air Center Representatives On Campus Today

Scientists and engineers representing the Naval Air Missile Test Center, Point Mugu, will be on campus today to interview and select seniors and graduate students for research, development, test and evaluation work in some of the nation's largest and best equipped scientific centers.

These laboratories' unique scientific programs, which encompass such areas as guided missile science, rocketry, electronic technology, equipment development, and structures research, offer the scientist and engineer challenging work assignments with an opportunity to immediately apply his knowledges at the professional level.

Graduate courses are given by the University of California, in many instances on the laboratory premises, so as to enable employees to complete the requirements for advanced degrees. More information on this graduate training program, as well as on the Navy Department's policies on promotions, military deferments, retirement, and leave benefits will be given to interested students by the laboratories' representatives. An appointment for interview may be made by contacting the placement office.

Information concerning the other naval laboratories in California will be given to interested students.

## THE SPECTRUM

Published every Friday at Fargo, North Dakota by the NDSC Board of Publications, State College Station, Fargo, North Dakota.

Subscription rate \$1.00 per term. Entered as second class matter, December 10, 1945, at the Post office at Fargo, North Dakota, under the act of March 3, 1879.

## STUDENTS . . .

Just a word about your portrait for the "BISON"

All girls are urged to wear white or pastel suits, blouses and sweaters with sleeves because these photograph best. In general it is best to avoid dark clothing.

Wear your hair just as you usually do so that it looks natural. Special hair-do's just for your portrait seldom work into something that you really like.

To the men, don't have a fresh haircut. About a week should elapse between a haircut and your appointment. Wear a plain suit or sport coat with a white shirt and plain tie. A colored shirt is alright provided it is plain. Avoid ties with designs that are colorful or intricate.

These reminders will help make your picture something special. At photo time, keep them in mind.

# Coyotes Over-run Stunned Herd 45-28

Galloping like a ghost, fleet-footed Dale Wallentine outruns both his interference and the opposition to score SC's first touchdown last Saturday.

By Jim Beatty

The Bison were defeated last Saturday at Dacotah Field by the South Dakota University Coyotes after leading for the first three quarters, 42, 28.

SC tallied three quick touchdowns in the first seven minutes to put them out ahead 21-0; and it took one of the best backfields in the conference over three quarters to come back and defeat the varsity by fourteen points.

In the first quarter it looked like the Bison were going to walk all over SDU and pull the upset of the season but our defense was not able to hold the Coyote offense down.

Lloyd Larsen, a sophomore quarterback for the Bison, led the offense along with Dale Wallentine, Bob Sturdevant, Gordon Friede and Glenn Hill.

Larsen, who never played high school football, surprised almost everyone with his ability at pass-

ing the pigskin.

The Bison won the toss and received the kickoff, and carried the ball up to the SDU eight in six downs. On the seventh play of the game Wallentine broke away on a reverse and went all the way with some nice running and blocking. Kalinins converted 7-0 in favor of the Bison.

Del's boys kicked off to the Coyotes and after a couple of plays Pat Vickers and Glenn Hill recovered a fumble on the SDU thirty-eight. On the second play after the varsity took over Larsen passed to Glenn Hill for another TD. Kalinins converted for NDSC 14, SDU 0.

After the next kickoff Emil Zueger recovered another SDU fumble on the SDU twenty-three and Bob Sturdevant, Bison fullback, on the second play after we recovered the ball ran 21 yards for the third TD. Kalinins converted. SDU then made two TD's miss-

# I-M Bowling Rolls Into High Gear With Two Leagues

By Marjorie Kovell

The Kappa Psi's bowling team lead the All Star League with 3 wins and no losses and the highest total score, 2328. Sigma Chi was second with a total score of 2123. The Sig's also had 3 wins and one loss. Vet's Club was third with two wins and one loss and a total score of 2163. Fourth were the Theta Chi's with 2 wins and one loss.

Dakota Hall and the Student Union teams both won one game and lost two and the TKE's and SAE's lost all three games. Total scores for the Theta Chi's were 2342, for Dakota Hall 2174, Student Union 2125, TKE 2030, and the SAE's 2034.

In the Classic I-M League the Kappa Psi's team Number 1 and the Men's Dorm team have won all three games. Sigma Phi Delta and the Vet's Club follow, winning two games and losing one. The Newman Club and the Co-op House have both won one game and lost two. And the Kappa Psi team Number 2 and the Alpha Gamma Rho's have lost all three games.

ing the extra points. NDSC 21, SDU 12.

Midway in the second quarter with the Bison in possession of the ball on the twenty-one, Dana Hill pitched to Glenn Hill and after a juggling act between Hill and Johnson of SDU, the Bison's right halfback of the day, Gordon Friede, pulled the ball out of the air and went eight yards for our last TD of the day. Kalinins converted for the extra point. NDSC 28, SDU 12.

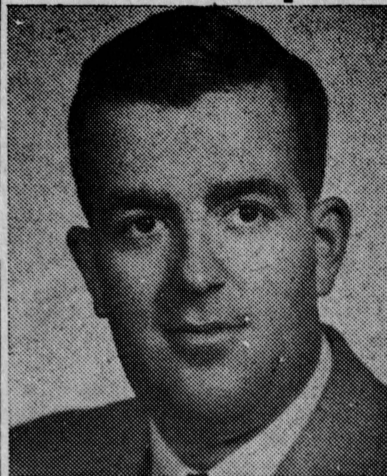

SDU came back with another TD just before the quarter ended. Half time score NDSC 28, SDU 18.

South Dakota scored another TD in the third quarter this time completing the extra point.

Score at end of the third quarter Bison 28 and the Coyotes 25. Early in the fourth quarter SDU ran 20 yards for the TD that put them out in front for the first time in the game, 32-28. After another TD, SDU bounced the kickoff off a state lineman and the Coyotes received the ball in what was tough luck for NDSC and a few minutes later SDU went all the way for another touchdown.

Final score SDU 45, NDSC 28.

# Vail Takes Gridiron Reins From Ailing Anderson; Hopes To Defeat SD State

Jesse Vail

"The squad will go all out to win one for Del" this weekend when the Bison face the South Dakota State Jack Rabbits.

Del Anderson, who is in the hospital suffering from fatigue will not be able to attend the game at South Dakota State, so Jesse Vail, varsity asst. coach will take charge of the

Herd and will be assisted by Cliff Rothrock and Louie King. Jessie Vail stated that the team will carry on as Del would have done and try to win the game for him.

The NDSC Bison will be missing a number of players from their roster due to injuries in last week's game.

Tom Day's tar halfback, will be out for the remainder of the season with a serious head injury. Floyd Wagner, also a halfback, will be out for at least Saturday's game with a shoulder injury. Bob Sturdevant, another Bison halfback will see only limited service due to a head injury.

As a result of all the injuries, a number of changes in the backfield have been made. Glenn Hill is being moved back to halfback and Pat Vickers will be moved to fullback for most of the games. Floyd Larsen, who put in a good game at quarterback last Saturday will probably start as quarterback.

Vail has been stressing passing as the Bison's offensive tool and with the boys out to win one for Del, it may prove to be an interesting game even though South Dakota State probably has the best team in the NCC.

# Kalinins, Larson Boost Bison With Play, Averages

By Bill Baillie

It was our pleasure to interview a couple of fellows this week who are at opposite extremes of the Bison roster. Marty Kalinins and Lloyd Larsen, a couple of misplaced Chicagoans, are the big and little of the Herd lineup.

Marty, who came to SC via Wright Jr. College in Chicago, is the biggest man on the squad, tipping the scales at two hundred and forty pounds. Called "The Bull" by his teammates, Marty gives the appearance of being all shoulders as he performs on the field.

Kalinins has an interesting background, having come to the Windy City from his home country of Latvia when he was 15. He attended high school and junior college in Chicago, where his football abilities brought him to the attention of State backers, and hence to NDSC.

Marty doubles in brass for the Bison, playing tackle and doing the team's placement kicking. He

also throws the shot on the track team in the spring.

The direct opposite, sizewise, to Kalinins is Lloyd Larsen. Lars is well known to State students for his singing and dancing in last year's Bison Brevities production.

He is no stranger to the situation here on campus, coming from Chicago's Lane Tech, a school with 5500 students—all boys.

"Da Punk" as Lloyd is called, has proved to be a pleasant surprise for the current Herd, as his passing and quarterbacking sparked the club in their loss to SDU last Saturday.

Larsen, who as a high school student, won a free trip to Hollywood by virtue of his tap dancing abilities, is one of the "Cooler Cats" on campus as he takes an active part in college and fraternity functions.

Both boys are top notch students, Marty carrying a 3 point average in the rugged school of chemistry, and Lloyd pulling down equally good grades as an industrial engineering student.

Beatty Backs Bison Over Sioux Twice

By Bill Baillie

Move over Mr. Editor—let some of the hired help contribute to this column, and we'll have a ball.

First off, congrats to the female faction of the campus for the swell turnout of honeys at the Dad's Day dance—or did some of the men stay home?

The month of October is a bad one for old State, as the few students left in Fargo over the weekend are now heading for the hinterlands in search of wild fowl. Being content to sit around our nice warm cranny in the Union, we could never quite sanction the shooting sport. It gets sooo cold out there!

But plan to stay in town next weekend for the big games the frosh and varsity play with Upstate Normal. The Bison will be out to avenge last year's loss at the U's homecoming as a climax to our own homecoming festivities. To go out on a tender branch the BISON WILL WIN BOTH. (Beatty Says).

After that last item, it seems that Armchair Athlete "Briar Beatty" is looking for someone to pull a "Bill Weaver" with him on his prediction. Anyone hot for lemon meringue?

In addition to the student's branch, it seems that the faculty have their own version of the TGIF organization. It is rumored that a Chem instructor is taking his sophs on a field trip as part of their study of the alkyl hydroxides (wood, grain, etc.). Should see a little Friday club action now.

The Rajahs are planning another big homecoming pep convocation with Jim Rumpca and our beloved sports editor Beatty, in charge. (That guy just loves to see his name in print.)

Losing-battle-of-the-week department. The SAE's trying to lure Dirty Dick Monson, campus 8-ball from chem lab long enough for a frat meeting.

Hats off to those four Rajahs who donated a pint—of blood—to ISTC's injured back, Dick Braunschweig.

Sports quote of the week: "The Bison are coming on the field with the band playing the team song. The students are giving them a big welcome. There's nothing wrong with the spirit of this student body". (Eugene Fitzgerald, Forum sports editor).

The first annual Dad's Day went off great. Three cheers for the boys and their dads.

Three radio stations plus one television hookup covered the game last Saturday. The live TV marks the first in North Dakota history.

In addition to several monstrous IM football players, the Kappa Psi's have the campus fly-swating champion in Don Schiefer. "Duck" is currently challenging all comers over in his Dakota Hall stronghold.

And folks, shed a sympathetic tear for the sad plight of our old buddy "Turk" Amundsen. It seems Turk has been given the job of editing the ROTC paper, and finds that it is a little late to learn to type. Tch Tch.

Say—has anyone thought to approach Tip Miller and Duane Swenson on the subject of cheer-leading the Bison? After their little demonstration during the tug-of-war, the boys should be considered.

Lucky Joe Southam, Rajah prexy and the man who wrote this year's homecoming theme, is out at 6 a.m. each day doing road work for his job of leading the annual homecoming snake dance. The affair will be held after the bonfire next Friday, directly following the game between the NDU Papooses and the SC Baby Bison at Dacotah Field.

It is rumored that the PIT boys from down fieldhouse way are looking for a load of dolls to ride their homecoming float. When they are able to locate enough honeys, they'll think about the float.

Fired Up Of The Week award goes to the entire staff of the Bison room who went to the added trouble of toting multi cups and coffee urns up the freight elevator of the union so the Greeks could have their post-meeting fest in comparative comfort. That juke box must have been a bear to get out the back way.

Interest seems to be waning in these Monday night blasts—or is it just our imagination.

At the time of this writing, the queen has not yet been chosen from the many well-qualified candidates. (Drool)—I hope you all voted.

Wanted: One beautiful Hollywood-type gal to go to SC's homecoming ball with a certain short, chubby sportswriter. I Have Transportation!

Boss-man Beatty informs us that only six more lines of type are needed to complete this raunchy mess—this with the tone of OR ELSE—so, we'll humor him—he holds the axe over our head, and bow out gracefully. By the way, this may be our first AND last chance at this column, what with midterms and all.

Table with 4 columns: Team, W, L, Pct. Rows include S. D. State, Morningside, South Dakota U, Iowa Teachers, North Dakota U, N. D. State, Augustana.

Baby Bison Dump Cobber Frosh 6-0

Last Monday at Dacotah Field the NDSC Baby Bison topped the Concordia Frosh 6-0. The lone touchdown was made on a thirteen yard run by Wayne Wall of the Baby Bison.

This marks victory number two for the Baby Bison who defeated the NDU Frosh 14-0 two weeks ago. The Baby Bison will play their last game of the year on October 28 at 7:00 p.m. at Dacotah Field against the NDU Frosh.

The touchdown by Wall was the result of a 78 yard effort in which a 39 yard pass from quarterback Lynn Parkel to Dick Kjelland, an end, played an important part.

The only other serious scoring threat of the game was made by Concordia, who reached the Baby Bison 12 and then lost the ball on the fourth down.

Parkel and Wall turned in great games for the Baby Bison. Dean Sharp, standout of the NDU game, of the Baby Bison was unable to play due to the fact that he has pneumonia.

Table with 3 columns: Stat, NDSC, CONC. Rows include First downs, Passing yardage, Rushing yardage, Passes attempted, Passes completed, Intercepted by, Punts, Punting average, Fumbles lost, Yards penalized.

NOTICE

All men's intramural representatives are requested to be at an important intramural meeting Monday, October 24 at 4:05 p.m. at the Field House. This is an important organizational meeting so be there.

Around The Conference

The Iowa State Teachers College Panthers defeated the North Dakota University Sioux 13-7 at Cedar Falls Saturday night in a North Central Conference game. It was the Sioux's third loss in a row. Steve Myhra, Don Miller and Dick McBride stood out for the Sioux.

Morningside rolled over the Augustana Vikings last weekend 40-7 in a very easy victory for the Maroons. This makes four NCC losses for the Vikings and puts them at the bottom of the conference standings.

South Dakota State favored to take the North Central Conference football crown were topped by the University of Wichita 33-7 in a non-conference game last Saturday.

Intramural Football

The Theta Chi's won over the SAE's in intramural touch football last week by a score of 12 to 6. And the Student Body won by a score of 18 to 0 over the AGR's. The intramural team's standings are:

Table with 4 columns: Team, W, L, T, Pct. Rows include Bracket No. 1 (ATO, Theta Chi, SAE, Sigma Chi, TKE, Vets) and Bracket No. 2 (Kappa Psi, Student Body, AGR, Co-op, ASCE, SPD).

### Local Chemical Society Slates Iowa State Professor For Address Monday

Dr. Frederick Duke

Dr. Frederick R. Duke, professor of chemistry at Iowa State College, will address the Red River Valley section of the American Chemical Society in room 207 of the chemistry building at 7:30 next Monday evening.

The address will be the first regular meeting of the school year for the group in this area. Dinner will be served before the meeting at the Ceres hall cafe-

teria. Reservations may be arranged by contacting F. H. Sands of the chemistry staff.

Dr. Duke, a former student of Dean Dunbar and research director of Dr. N. C. Peterson of the present chemistry staff, will discuss oxidation-reduction mechanisms.

A graduate of the universities of South Dakota and Illinois, Dr. Duke was employed by the DuPont company upon graduation from college. In 1942 he became an instructor in chemistry at Princeton.

In 1945 he became assistant professor of chemistry at Michigan State University and in 1948 associate professor at Iowa State College.

Students and staff members are invited to attend the session.

Go - Go Buffalo

### Johnson Named SC Representative For Chesterfield

Lee Johnson has been appointed Chesterfield-L&M cigarette representative at North Dakota State, it was announced recently by Campus Merchandising Bureau, Inc., of New York.

He was chosen from applicants throughout the country to represent Chesterfield. The appointment will mean experience in merchandising, advertising, promotion, and public relations for the student representative.

Throughout the entire school year the appointed representative will visit various organizations on campus for the purpose of allowing students to sample Chesterfields.

### U. S. Civil Service Official To Speak At Morrill Today

"Career Opportunities In The Federal Civil Service" will be the subject of a talk by Robert Wilcox, U. S. civil service commission representative at 4 in room 309 of Morrill hall.

Mr. Wilcox will discuss a variety of positions available to college students who pass the federal civil service examination.

An announced objective of the U. S. civil service commission, according to Mr. Philip Young, chairman, is "to bring into the federal service each year the best of the nation's young college graduates and to provide them the kind of working conditions under which they can build useful and satisfying careers."

This year an estimated 7,000 trainee type positions in the federal government will be filled by college graduates. The visit to SC will be one in a series of visits by commission representatives to major colleges and universities throughout the country.

The entrance level salary for most of the positions is 306 dollars per month or 3670 dollars per year. The positions generally include a training period and provide for periodic promotions in keeping with employee development and performance.

Copies of the announcement of the federal service entrance examination and information on filing procedures may be obtained from the college placement office. Interviews with Mr. Wilcox may also be arranged through the office.

### Civil Engineer Group Picks Special Officers

SC's chapter of the American Society of Civil Engineers recently elected representatives to act for the organization in various campus activities.

Elected intramural representative was Lyle Dagner. Jim Gebhard was chosen to head the committee for the homecoming float, and Ed Jacobs is the new chapter photographer. Frank Bosworth will captain the ASCE bowling team in the Engineers Society bowling league.
