

# CAMPUS OPENS DOORS TO SENIORS

## Larson Named New Station Manager; Kubensky Is New Program Director

Joe Kubensky

Jack Larson has been named station manager of KDSC, and Joe Kubensky will serve as the station's program director for the coming year. The appointments were announced at the board of radio meeting Monday, April 30.

## NDSC Students To Attend NSA Spring Regional Assembly

The Spring Regional Assembly of Minnesota-Dakota region of the U. S. National Student Association (NSA) will be held May 4, 5, and 6 at Gustavus Adolphus College, St. Peter, Minn. NDSC students attending are Gailon Sundseth, Gerry Bender, Karen Edinger, Bill Baillie, Jack Larson and Bev Pfeifer.

A wide range of problems of higher education will be discussed, including the following: Problems faced by individual student governments; responsibility to the student body; problems to be solved by NSA and student bodies, and many other federal and state problems.

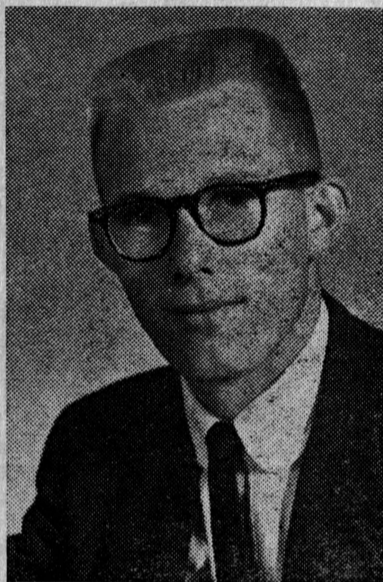

Resolutions formulated from the discussions will be sent to the USNSA National Congress.

A varied program is planned for the conference, according to Harald Bakken, Minnesota-Dakota region chairman. It will include a series of workshops, speakers, plenary sessions, a banquet, and meetings of the regional executive committee.

## Orchesis Holds Meeting

Orchesis, national dance organization, elected officers for the coming year at their regular meeting Tuesday, May 1.

Named to guide the organization through the year's activities were: Karen Edinger, president; Pat Larsen, vice president; Kay Wollen, secretary; and Joan Stammen, treasurer.

Jack Larson

Larson, a junior majoring in speech and English, is the former program director of KDSC, a member of Blue Key, Alpha Tau Omega, and the Spectrum staff. He is also a former member of the board of publications and the student senate.

Kubensky, a sophomore in pharmacy, is a transfer from Virginia Junior College, Virginia, Minnesota. He is a pledge of Kappa Psi fraternity.

Art Leis and Don Grimm have been named publicity director and technical director respectively. They will assist Larson and Kubensky in the management and operation of the station for the coming year.

Although the major positions on the staff have been filled for the coming year Jack Larson urges all students who are interested in radio work to contact any of the staff members.

## General Electric Award Goes To EE Junior

Rodger Ness, a junior in electrical engineering from Wolverton, has been awarded a General Electric Engineer's award, according to Dean Frank Mirgain of the school of engineering.

The award, which will amount to 650 dollars, is one of five given to students from thirteen schools in this area. It is made on the basis of scholastic achievement, personal character, and the recommendation of each school's department of electrical engineering.

Ness is a member of Lutheran Students Association and Tau Beta Pi engineering honorary. He also served as student chairman of SC's religious emphasis week.

The award has been made to several NDSC students in the past five years.

## Notice

Attention seniors and faculty: The A.C. Bookstore is now taking orders for the rental of caps and gowns. Get your order in early and avoid confusion.

## Strikes And Spares Trophies Awarded Tonight At Ball

Tonight's the night! All bowling fans, and others, can enjoy an evening of dancing and find out who the top keglers on the campus are. The dance will be held in the student union ballroom.

The Bowlers Ball will be highlighted with the presentation of trophies for the Strikes and Spares bowling tournament. The presentations will be made at intermission.

Francis Colby and his orchestra will furnish the musical background for the evening. Dancing will be from 9:00 till 12:00.

Admission will be 50 cents per person, and everyone is welcome to attend.

## Panhellenic Council To Meet In Union

The annual Recognition Service sponsored by the Panhellenic Council will be held May 7 at 8:30 p.m. in the Union Ballroom. Presiding officer will be Monica Savageau.

Feature event of the evening will be presentation of awards by Sandra Haas.

A scholarship plaque will be given to the sorority with the highest average. Scholarship bracelets will also be presented to the student with the highest average in each sorority.

## High School Seniors Feted At Annual Senior Day And Open House On Campus

By Don Schwartz

Today approximately two hundred-fifty high school seniors from North Dakota and Minnesota are attending NDSC's Third Annual Senior Day and Open House. Registration was held this morning from 9:30 to 10:30 at Festival Hall.

Sponsored by Blue Key National Honor fraternity, Senior Day and Open House is designed to show prospective students and interested taxpayers what State College has to offer.

Following registration, tours of

the individual schools are scheduled. Displays have been set up by each school to show the advantages and work of each department.

In the Chemistry building are featured displays on glass blowing and fabrication, a catalytic cracker, petroleum distillation and various other mysterious chemistry displays.

Over in engineering visitors may see the wind tunnel, used for testing models in aeronautical engineering, a jet plane, agriculture equipment displays, architectural models and multi displays in electrical and mechanical engineering.

The school of agriculture is featuring animal experiment exhibits and other displays set up by agricultural organizations.

Visiting senior girls will be given a tour of the new home economics building. Tours will also be conducted of the pharmacy building and Minard hall.

A barbeque noon lunch, prepared by Saddle and Siroloin club, will feature prime beef and fried fish. An hour and a half entertainment will be staged in the livestock arena from 12 to 1:30 in conjunction with the barbeque.

Appearing on the program will be the Gamma Phi Beta five minute Bison Brevities act and the Kappa Kappa Gamma five minute act. The Bison Brevities pit band, conducted by Dale Sarff, will also present a concert and play for the acts.

Other featured entertainment includes vocalists Ruth Mortenson, Janet Saba, and Dale Nelson who will present their solos from the Brevities. Dale Jackson and Bob Gion will sing a duet, and a pantomime "My First Date In College" will feature Jim Linsky.

A dance number from the Kappa Kappa Gamma-Sigma Alpha Epsilon Brevities act will be featured also. Finally the Kow College Five, Plus Three, Minus 2, widely known hill-billy ensemble of Little International fame will also appear.

From 1:30 to 3 visiting seniors will be given general tours of the campus. Of special interest to the male members of the group will be an outdoor display of weapons planned by the ROTC departments.

At 3 the groups will converge on the student union for special tours and a drawing for door prizes which include a Motorola radio. Special free tickets will also be given visiting seniors for the Bowler's Ball set for the union ballroom this evening.

Blue Key members will furnish free transportation downtown for any seniors who wish rides following the union meeting.

Members of Blue Key and Senior Staff, plus other campus organizations, will conduct the guided tours of the campus and the individual buildings and displays.

In conjunction with senior day will be the all college open house from 2:30 to 6 which is open to the public. All displays and tours will continue for the general public at this time.

The scene on campus. In the top pic a group of happy Tekes spread joy at their recent picnic. On the bottom SC's athletic types take part in the Strikes-Spares tourney.

### Stop Sign Would Help Students Fighting Way Across Thirteenth

Every morning, noon, and afternoon hundreds of students fight traffic across Thirteenth Street at Thirteenth Avenue. Cars wind by in a never-ending chain and crossing the street is like fighting your way through a river bed infested with snakes and alligators.

Appeals have been made to collegiate authorities and to the city police to have some sort of a stop sign erected at the crossing. So far most of them seem to have fallen on deaf ears. The eternal answer is "we'll look into the matter".

Such a reply is well and good, but it fails to accomplish much.

**Why numerous accidents have not occurred on the corner is purely a matter for conjecture? The only possible reason that can be advanced is that State students must employ the most cautious attitude in making the crossing, for each time they take their life into their hands.**

It is difficult to reason why the city of Fargo has not seen fit to erect a stop sign. Maybe we need a few bad accidents before such a move is undertaken!

Anyway—it seems time for the city to get on the ball. A stop sign is a necessity.

### Buildings, Facilities Open To Inspection As High School Seniors Visit Campus

Today SC is happy to play host to high school seniors from around the area for the annual Blue Key sponsored "senior day".

**The entire campus, including all of its facilities and entertainment spots, is open for perusal by interested seniors. We hope that somewhere you will find something that will convince you NDSC should be your choice for a college.**

Although some of our buildings may not be the most modern, our teaching and laboratory facilities rank with the best in the nation. All in all, SC is a college that offers the best in the way of higher education.

It is the hope of all members of the student body that you will enjoy your stay here. Remember—today is your day on our campus.

### It's Duty Of Every Student To Appeal To Legislature For Increased Aid

Year after year the powers that be on the North Dakota State College campus appeal to the state legislature for increases in appropriations, funds for new buildings, and ad infinitum. Each year the legislature comes through almost grudgingly and somehow the college manages to stay open from one year to the next.

**Now things have reached a point of desperation. We simply need much more money to keep up with the ever increasing enrollment and to replace buildings that have outlived their usefulness. The college must have increased monies and every possible means must be exerted to bring in the cash.**

Consequently the student government and the Spectrum feels that it should be the duty of every member of the student body to appeal to parents and legislators to raise the appropriations for SC. Let's all join in and push through plans to make our college the best in the state.

### Paper Hampered By Lack Of Help; Need Your Aid To Publish Efficiently

Your student newspaper, the Spectrum, is the voice of the State college campus and the entire student body. As such it seeks to fairly report the news and happenings of the college community and to offer information that is both interesting and informative to everyone.

**However, the paper cannot fulfill the demands that should be imposed upon it if more students don't take an interest in its activities and functions. The simple fact is that the staffs in years past have not been large enough to do an efficient job of covering our college.**

Consequently we must appeal to the student body for help. We need aid in every department that makes up a weekly newspaper. If you are at all interested in making your college paper better, join the staff now.

### No Concrete Action Yet On Parking Problem

Our parking lots seem to be rather inadequate for the demands of the student body and faculty. Repeated suggestions have been advanced from many sources for solving the problem, but none of them seem to do any good.

As a matter of pure conjecture perhaps the fact should be presented that some colleges have outlawed cars on campus for freshman and sophomore students. Such a plan, while it may cause ill-will, would offer an immediate solution to our parking problems.

### Letter to the Editor Station Manager Answers Letter About KDSC Radio

To Whom It May Concern:

I was very surprised and pleased to read in the last publication of the Spectrum a letter to the editor. The one to which I am referring is that regarding some of the personnel and policies of Campus Radio. Such demonstrations of interest in KDSC are few and far between.

A few comments regarding this letter may be in order and even if they aren't I'll make a couple anyway.

We always like to hear praise for a member of our staff, however, associating Mike Jones with the usual Saturday afternoon programming is false. The Saturday to which you referred was the first day that Mike had "aired" a program on an afternoon.

We are glad that a greater appreciation and understanding of the music played was received from the information given before each record, however this might prove to be somewhat difficult all the time. You see, all our music doesn't come in Album style, on the back of which this info might be secured.

**That the purpose of Campus Radio is solely to be an Educational Tool is news to us. In fact we're grateful to you for informing us that this was even one of it's purposes. It was news to us. If you have any suggestions for guest lecturers that you would like to listen to on KDSC, please let us know. As soon as the demand for such learning is great enough, perhaps we'll begin broadcasting at 8:00 a.m. for the benefit of those who want their education without going to class.**

With regard to the types of music played, the request for classical music is the first we have received. Try tuning in on Monday evenings when Clyde Stauffer brings you some of the best in this type of music from 8:30 to 9:30. Also there is a fine program of recorded classics on Sunday evening over another station. If more people were to let us know that they wanted classics, then we will consider giving it more time.

Let me say again that I was pleased to receive some comment regarding Campus Radio from the students. We are always ready to listen to suggestions, constructive criticism, and especially praise for what little we do right.

JACK LARSON,  
Station Manager.

### "Why Cancel Dances?"

In an obscure corner in last week's issue of the Spectrum there appeared a small notice stating the Monday night dances sponsored by the Student Union Activities Board were abolished for the remainder of the year, and that terrace dances were taking their place. No reason for this action was given.

Speaking for all socially minded people on the NDSC campus and also MSTC and Concordia students who attend these dances I would like an explanation. Also I would like the Activities Board to reconsider their action and renew the dances on Monday evenings.

Inasmuch as many state students migrate home on the weekends and inasmuch as the Monday dance was one of the events which was the most popular with the majority of the students, I feel that the abolishment of this activity was a mistake, and that it should be again placed on the calendar of weekly events.

Sincerely yours,  
Name Withheld on Request of Author.

### Socially Speaking . . .

### Social Editor Makes Spectrum Debut; Picnics, New Actives Top The News

By Jean Anderson

AND WITH the writing of this column a new social editor takes over the slot edited so capably by Karen Sluka. Many thanks go to Karen. All will miss her tidbits of this and that, and we hope that things will run smoothly without her.

That, of course, can happen only with the news that you readers (?) create. Any information along the lines of pinnings, engagements, and all the social news will be accepted gladly here at the Publications Office on the top floor of the Union or by calling 9550. News must be in by Tuesday at 5 for Friday's Spectrum.

WEARING a sparkler is Charlotte Aamodt, Gamma Phi. Giver Roger Erickstad, ATO, reports that they'll take the fatal step June 15th in Fargo . . . just in time for the Tau spring party at the lakes June 16.

FOUND: Roll of five dollar bills. Will owner please form line at the registrar's office.

ACTIVES as of last Saturday at the Alpha Gam house are Lois Bursack, Lynell Buchanan, Joyce Tucker, Nancy Thompson, Yvonne Johnston, Diane Crandall and Ethel Walvatne.

At the Feast of Roses banquet Saturday night Joan Zielsdorf received the award for the highest scholastic average; Elaine Geiszler was honored for the most activities; Marlys Pautz Hlavinka was awarded a prize for having raised her average the most; pledge award for the highest average went to Lois Bursack; pledge activities award went to Yvonne Johnson and Nancy Thompson was elected the outstanding pledge.

SCHUIE says the trouble with the straight and narrow is that there's no place to park.

HAM and spam were served Monday night at the Theta house. During winter quarter the felines were in competition with each other and the girl who kept her average on the top side was served the ham, complete with trimmings . . . and the rest ate spam! (Wonder if it was fried).

DID you know that the main cause of dust is janitors?

NEW PLEDGES at the Kappa Psi House are Lynn Parkel, Alton Gienger, and Mylo Haas.

LIPSTICK, says Bob Montgomery, is merely something that gives a new flavor to an old pastime.

FARMHOUSE actives are Gerald Gerntholz, Arlan Semmen, and Phil Edman.

PICNIC season got underway for the Gamma Phi's last Wednesday when they tapped the keg with the TKE's.

ARCHITECTS . . . sophomore version, designed a railroad terminal for Mr. Hall this week. Busy, busy, busy . . . and no doubt the lights were burning all night on the top floor of South Engineering for fellows like Stan Bednar and Bob deJardine.

SAE's are holding a province convention in Beloit, Wisconsin this weekend. Ten from North Dakota Beta went to visit various breweries and look over the honeys at Beloit College.

MORE PICNICS . . . the Farmhouse entertained their dates at Lindenwood Park on April 26th, and rumor has it that there were many female lutefisk-lovers from the institution across the river in attendance.

MAY 19th is the date of the Tau Kappa Epsilon Sweetheart Ball. Candidates for that title include: Terry Ann Frank, Joyce Ericksmon, Joan Cantwell and Sandy Haas.

POEM: Rest is a surcease from worry and care,  
Sleep is a blessing no one mocks;  
Thinkers and statesmen agree on this fact,  
I move we eliminate all eight o'clocks.

MOMS and dads were feted by the Gamma Phis on Sunday. A new venture . . . and one that turned out very well. Those gals know what side their bread is buttered on.

AND so . . . that is the news for now. For goodness sake, go DO something this week and tell me about it. Bye . . .

Alright, gang—pull up a toadstool, batten down the hatches, shiver the timbers and prepare for the storm, 'cause here comes

## Wesley Members Go To Mill City Conclave Saturday

Ten members of the NDSC Wesley Foundation will leave Saturday morning by bus to attend the General Conference of the Methodist Church in Minneapolis.

The group, combined with members of the Foundation at MSTC will attend the Youth Day Rally which is expected to draw some 5,000 Methodist students in the United States.

This coming Sunday the group will discuss the General Conference. The meeting will start at 6 p.m. at the First Methodist Church.

On Thursday, May 10, the social forum, which has made several appearances on campus will present the program. The meeting will be held in the Wesley Foundation rooms in the College "Y" starting at 5:30.

Plans have been completed for the annual council retreat and fun day to be held May 25 and 26.

## Saddle And Sirloin Plans Judging Meet

Plans for the annual spring judging contest were discussed at the regular meeting of the Saddle and Sirloin club Tuesday, May 1.

The judging contest, which is sponsored by the club every year, will be held Saturday, May 12. The contest is open to all juniors, sophomores, and freshmen in the school of agriculture.

Trophies will be given to the high individual in the contest, the top man in reasons, and the high man in the freshman-sophomore group. Ribbons will be awarded to the top three men in each division and to the top three judges in the contest.

A special meeting of the club has been called for May 28. All members are urged to attend this meeting as the manager and assistant manager for the 1957 Little International must be elected that night.

## SC Engineer Places Second In EE Contest

Jerome Vonderheide, a senior in electrical engineering, placed second in the electrical engineering paper contest held on campus last Friday as part of the regional electrical engineering meeting. A student from the University of North Dakota captured top spot.

Seventy-two students representing the Universities of North Dakota and Minnesota, South Dakota State College, and NDSC presented papers at the competition.

another barrage from Ye Roving Fat Man on Campus, 'ol Beetle Baillie.

Seems the overpaid but undermanned Spec staff is once again in dire need of help, and as a last resort has fallen back upon the earnest if uninteresting efforts of their former feature farce.

On the subject of help for the Spectrum, it really behooves us to try to understand why more enterprising and upcoming cats on campus don't drop around and try their hands at the writing game. From our way of thinking, a byline in the school weekly is as good a way as any of bringing campus attention to the name of an ambitious young student.

And, contrary to general belief, opportunity does knock more than once, for publications spots are wide open all year 'round. So, if YOU want to be a BMOC—if you want YOUR name to be a byword on campus, drop around to our pleasant offices on the second floor of your new Student Union Building, and we'll see what you can do.

(Preceding a paid political want ad, sponsored by the "Lee Johnson for Governor" committee).

Latest scoop on Interfrat All-Greek activities has it that Greek Week is to fall somewhere in the vicinity of the 21st to the 25th of this month with a bigger and better slate of activities than ever before. The big blast is to be on Friday the 25th as usual with new twists being added to the entire week. As per usual, buttons will be sold to defray the cost of such incidentals as special speakers, dances, and picnic goodies.

Nominations for now defunct award of Campus Toad have been pouring in by the gross. Among those named have been A. J. "Ugly" Schumacher, on the basis of his general all-around boisterousness at the Bee Tee; Jean Anderson, on the basis of her all-around boisterousness in the Spectrum Office; new sportswriter Clark Schenkenberger, on his all-around boisterousness in Bison Brevities, and Bill "Mau-Mau" Buck, on his all-around boisterousness. Readers will be asked, at a later date, to vote for their choice among these deserving candidates at a polling place which is to be announced later.

A little plug—

Patronize Spectrum advertisers. These generous civic-minded businessmen are the big force behind the Spectrum, for without their help, this expensive publication would be totally unable to operate.

In other words, we here at the cluttered desks would be totally on relief, and the B T would suffer as a result. So all you nicotine fiends, smoke OUR brands, and for you of the more subtle vices, run right down to the Dutch Maid Dairy and grab a sackful of goodies. (Healthy students build a better school.)

Should be a fairly interesting time in store today with the planned festivities between State's staid supporters and the poor Pedagogues from the Moorhead Teachers school. Rumor has it that Sue Wheeler's gals play a wicked game of softball, so don't miss the preliminary to the ball game between the Bison and the MSTC'ers tomorrow afternoon.

Midterm week has about blown its last halitotic breath, and the friendly shelter of TGIF club begins to beat its beckoning call. See y'all there.

And, remember to grab your honey for the big Bowlers' Ball tonight. The Iceman Cometh!

## Second Leadership Clinic Draws 60

A leader is made, not born! That was the general concensus of opinion at the student senate's leadership clinic which was held in the student union ballroom Thursday afternoon, April 26.

Approximately 60 students, representing Greek, religious, and other organizations attended the four hour clinic. The meeting was part of a program being carried on by the student senate and the library. This program is aimed at developing leadership in the student body.

Keynote address for the afternoon's program was delivered by Reverend Russell Wigfield, Westminster Society minister. Wigfield outlined the afternoon's meeting and gave a brief summary of what characterizes a leader.

Following Wigfield's address the students went into small discussion groups. Each group took one phase of leadership and discussed the various aspects of that phase.

The topics under discussion were: Program planning; attitudes and skills of leadership; order, control, and discipline; duties and power of the executive council; qualities and responsibilities of a leader; and ways in which a leader may share his power and authority.

The discussion groups were presided over by students and faculty members served as moderators for the groups. Students serving in the capacity of leaders were: Reggie Gorder, Mike Fogel, Del Hlavinka, Gaylord Olson, Joann Willert, and Joan Zielsdorf.

Faculty members attending the discussions included: Dr. Seth Russell, dean of the school of arts and sciences; Charles Markman, YMCA director; Miss Bernadine Erickson of the speech department; and Miss Eleanor Vergin of the school of home economics.

Elaine Giezler was chairman of the leadership school and was assisted with arrangements by Kay McGeary, Marlene Qualley, and Kerry Murphy.

## AF Recruiter Here

An Air Force officer procurement representative will be on campus May 9, 1956 between the hours of 8:30 a.m. and 4:30 p.m. at the Memorial Union to counsel all students interested in obtaining a commission.

Besides the aviation cadet pilot and observer program for men, the Air Force has opened the door to women with 2 years of college for WAF officer candidate school, and in certain instances, women with college degrees may be given a direct commission appointment.

The present aviation cadet pilot backlog is 3 months and observer backlog 1½ months. Both of these categories earn over \$5000 per year at completion of 1 year of training.

## Isensee Elected Prexy Of NDSC Chemists

Chemistry Club elected officers and presented awards at their recent meeting in Ladd hall.

New officers elected include Jerry Isensee, president; Lowell Pals, vice-president; Mary Anderson, secretary; and James Watts, treasurer.

Five seniors and graduate students also received one year memberships in the American Chemical Society. They include James Beatty, Allan Bieber, Robert Conzemius, Robert Olson, and Vernon Guyer.

Clyde Stauffer received a Senior Book award totaling 20 dollars, while Charles Bartholomew received the junior book award.

Main speaker at the meeting was Dean Dunbar of chemistry who spoke on the use of the library.

On Every Campus... College Men and Women are discovering why

# VICEROYS are Smoother

Here is the reason: Only VICEROY has 20,000 filters in every tip—twice as many filters as the other two largest-selling filter brands—to give that smoother taste—that VICEROY taste!

VICEROYS are Smoother than any other cigarette. Because Viceroy's have twice as many filters as the other two leading filter brands!

THE MOST FILTERS FOR THE SMOOTHEST TASTE

The exclusive Viceroy filter is made from pure cellulose—soft, snow-white, natural!

**MONEY ISN'T EVERYTHING**

I have asked the makers of Philip Morris — an enterprising and aggressive group of men; yet at the same time warm and lovable; though not without acumen, perspicacity, and drive; which does not, however, mask their essential greatheartedness; a quality evident to all who have ever enjoyed the beneficence and gentleness of their wares; I refer, of course, to Philip Morris Cigarettes, a smoke fashioned with such loving care and tendered with such kind regard that these old eyes grow misty when I think upon it — I have asked, I say, the makers of Philip Morris — that aggregate of shrewd but kindly tobacconists, that covey of enlightened Merry Andrews, that cluster of good souls bound together by the profit motive and an unflagging determination to provide all America with a cigarette forever gentle and eternally pleasing — I have asked, I say, the makers of Philip Morris whether I might use today's column to take up the controversial question: Should a coed share expenses on a date? "Yes," said the makers simply. We all embraced then and squeezed each other and exchanged brave smiles, and if our eyes were a trifle moist, who can blame us?

To the topic then: Should a coed share expenses on a date? I think I can best answer the question by citing the following typical case:

Poseidon Nebenzal, a student at Oklahoma A and M, majoring in hides and tallow, fell wildly in love with Mary Ellen Flange, a flax weevil major at the same school. His love, he had reason to believe from Mary Ellen's sidelong glances and maidenly blushes, was not entirely unrequited, and by and by he mustered

..His love was not entirely unrequited

up enough courage to ask her the all-important question: "Will you wear my 4-H pin?"

"Yes," she said simply. They embraced then and squeezed each other and exchanged brave smiles, and if their eyes were a trifle moist, who can blame them?

For a time things went swimmingly. Then a cloud appeared. Mary Ellen, it seems, was a rich girl and accustomed to costly pleasures. Poseidon was bone-poor and he quickly ran out of money. Unable to take Mary Ellen to the posh places she fancied and too proud to tell her the reason, he turned surly and full of melancholy. Senseless, violent quarrels developed. Soon it appeared that the romance, so promising at the beginning, was headed for a breakup, but at the last moment, Poseidon managed to blurt out the truth.

"Oh, beloved agrarian!" cried Mary Ellen, grappling him close. "Oh, proud husbandman! Oh, foolish reaper! Why have you not told me before? I have plenty of money, and I will contribute according to my ability."

Poseidon, of course, protested, but she finally persuaded him of the wisdom of her course. From then on they split all expenses according to their incomes. Rather than embarrass Poseidon by handing him money in public, a joint bank account was set up to allow him to write checks. Into this account each week they faithfully deposited their respective allowances — 35 cents from Poseidon; \$2300 from Mary Ellen.

And it worked fine! Gone was all the arguing and bickering. They were happy — truly happy! And what's more, when they graduated they had a nice little nest egg — eight million dollars — with which to furnish a lovely apartment in Lubbock, Texas, where today they operate the local laundromat.

So you see? You too can salvage your failing romance if you will only adopt a healthy, sensible attitude toward money.

©Max Shulman, 1956

Lucre is no obstacle when it comes to Philip Morris. Popular prices still prevail for this, America's gentle cigarette, whose makers bring you this column every week.

 7:30 p.m. Kappa Delta Pi initiation and election of officers.

**New Officers Elected By Independent Group**

At their meeting on Monday night, April 30, the Independent Student Association elected new officers for the school year 1956-57. Those elected include Beva Fegley, president; Ken Michael, vice-president; Myrth Weiser, secretary; and Russ Harju, treasurer. The officers elected will assume office on May 14.

Number one on the calendar for ISA is the spring picnic set at Lindenwood Park on May 13 starting at 5:30 p.m. All members of ISA, accompanied by husbands, wives or dates, are urged to attend the picnic.

Any independent student who is not a member of ISA is cordially invited to come. Membership cards for next year will be on sale at the picnic.

Promises of rain and chilly weather dominate the spring docket in the North Dakota State area and our long awaited picnic season has yet to get a strong start. Some brave souls have braved the wintery blasts, as may be discerned from pictures elsewhere in the paper, but the huge mass of Janes and Joes still sit silently waiting for the first day of seventy degree temperatures. Mayhap the ice will soon leave the lake and we can at least begin

**Ag Students Attend Livestock Clinic At Omaha, Neb.**

Seven students from the school of agriculture traveled to Omaha, Nebraska last week to attend the Livestock Evaluation Clinic.

Making the trip were Merle Larson, John Johnson, Ken DeKrey, Dick States, Bob Oberg, Duane Erickson, and Jerry Pekas. Verlin Johnson, assistant professor of animal husbandry, accompanied the group on the trip.

Chief point of interest of the trip was the evaluation of live beef and hogs, and the dressing percentages and carcass grades of the same animals. This event was not a contest, but an informative trip for those who attended.

Other highlights of the trip were lectures on the meat packing industry and the principles of livestock marketing. Friday evening the group attended a banquet and heard talks on the meat packing industry as a career.

**Kappa Psi To Build In "Fraternity Row" Soon**

In a move which will do much to consolidate our campus, Beta Sigma Chapter of Kappa Psi, has completed a transaction in which they acquired a lot near the campus on which they plan to construct a new fraternity house.

The lot, and the house which is now standing on it, are located at 1311-13th St. N., right in line with SC's "Fraternity Row", near the center of the campus and close to the proposed site for the new pharmacy building.

At present, the Kappa Psi's are using the newly purchased house as an annex dorm, housing several pharmics.

**Tau Beta Sigma Meets**

The NDSC chapter of Tau Beta Sigma, national honorary musical sorority initiated eleven new members at their recent meeting in Putnam Hall Wednesday, April 25.

New actives include Claire Ann Walker, Janice Appeman, Mary Anderson, Pat Larson, Karen Ritchie, Joyce Idler, Joan Delzer, Grace Webb, Eileen Seim, Marilyn Jensen, and Elanie Pflugrath.

Also featured at the meeting was the installation of officers for the coming year. New officers are: Joyce Eriksmoen, president; Kay Wollan, vice president; Audrey Brekke, secretary; Alice Summers, treasurer; Pat Larson, Podium Magazine editor; and Eileen Seim, campus editor.

**At State**

planning for the fabulous week of graduation. Only five weeks to go.

Interesting note from the pages of the Seattle University "Spectator". Apparently a mass political rally was held somewhere in their area to choose a mock slate for the presidential election. Confusion reigned supreme. I'll lay you even money that such an event, on our campus, would produce as many candidates as there were students in attendance. Old State students still retain some vestige of independence, and politics is the strongpoint. Still, it would be fun.

Athletic facilities on campus have come in for some criticism in the past few days. It seems that our grid hopefuls are practicing at the fairgrounds and the baseball battalion puts in sessions at Mickelson field, way over on the other side of town. It would seem that there is little that can be done at present to alleviate difficulties. We are lucky that the Fargo area offers alternate facilities. For instance—how much better is it to play baseball at Barnett field than at the old stronghold?

Flickertail Follies at the University rolled along in merry style earlier this week. State students, planning on viewing the event, found that early ticket sales were fabulous. Congratulations to Sigma Delta Chi for another fine show. C. K.—if we hit a little close to home, remember intercollegiate rivalry is important. C'est la vie.

Our little known fact department reports that the pharmacy building is the oldest structure on the State campus. Monday morning a little construction project was underway in the venerable building and it seemed that the floor was to give way. Apparently just because a building is the oldest is no reason it should be used. Scrape off the ivy and old Francis might collapse.

That's about all for this week. Remember—that if you go to class you don't have to worry about missing anything. One week to go.

**Tennis Courts Near, Only Cash Needed**

"Let's go play tennis!"  
 "Where?"  
 "Over by the field house."

This may be a dream but actually it is nearer to reality than most students realize. Detailed blueprints and estimates have been drawn up. Plans are underway for actual construction.

Now, what's holding the deal up? Money, that usual problem. Various methods have been suggested to raise the necessary funds. Would you be willing to donate a small amount of your coffee money or would you cement finishers be willing to give up some of your spare time to make the tennis courts a reality? It's up to you now. Let's cooperate and have the tennis courts on the campus of NDSC this spring.

All students who would be willing to contribute some time to the project contact Tip Miller.

# Ceremonies, Tours Mark Dedication Of SC Grain Products Laboratory

A distinguished group of grain scientists from all over the world were on hand last Saturday for the dedication of SC's new cereal tech building.

Dedication of the recently-finished Grain Products Laboratory at North Dakota State College took place on Saturday, April 28 with approximately 50 grain chemists in attendance.

Visiting cereal chemists included members of the Northwest Section of the American Association of Cereal Chemists from Minneapolis and members of the Canadian Prairie Section of the Association from Manitoba. Two cereal chemists from Pakistan were also in attendance.

Dr. Rae Harris, chairman of the

## May Musicale Set By Sigma Alpha Iota

The May musicale of Sigma Alpha Iota, professional music fraternity for women, will hold its May musicale Wednesday at 8 at the home of Mrs. Philip Lier, 1732 8th St. S., Fargo. Delores Mithun is chairman.

Vocal solos will be sung by Aina Malta, Barbara Pederson, Ruth Tallackson, and Gaye Olson. Claire Walker, Betty Shipley, and Beverly Pfeifer will play piano solos. A research on "Contemporary Opera" will be given by Joyce Kirkhus.

Barbara Pederson is hostess.

## Ping Pong Tourney Set

SC's College "Y" is sponsoring a mixed singles and doubles ping pong tournament May 6 through 11 at the "Y". Bring a honey for a doubles match. Registration is simple. Call 8872 or stop at the building tomorrow.

## Hint Of The Week

From the sounds of things in the main lounge of the union, you would hardly know that most of the people who inhabit the spot are college students. Most of the language used can't be found in Webster's dictionary. Check your vocabulary.

**1c worth of electricity**

## Chess Club Meets Every Wednesday; Challenge Issued

A challenge issued by the NDSC Chess Club to the chess players of Concordia has as yet been unanswered. Perhaps Concordia has a lack of enthusiasm or maybe a lack of competent players.

Nevertheless, the NDSC Chess Club feels that competition gives a chance for players to learn and appreciate new ideas in the game of chess. It is a desire that chess players at Concordia get together and form a team to accept our challenge.

For NDSC students and faculty interested in chess a meeting is held every Wednesday at 7:00 p.m. in the Union. Next meeting will be devoted to making plans for the coming state chess tourney and ideas for expanding the chess program next year.

## Harju Elected Head Of Civil Engineers

American Society of Civil Engineers, SC chapter, recently elected new officers for the coming year. They include Russ Harju, president; John Adams, vice-president; Wilfred Wolf, secretary; George Struchynski, treasurer; and David Duin, engineering council representative.

Other developments of the last ASCE meeting included a resolution for the organization to help defray expenses of members who plan to attend the regional convention at Minneapolis, and the appointment of a committee to organize a spring picnic.

## SAE Sends Delegates

Beloit College, Beloit, Wisconsin, will be the host to delegates from various chapters of Sigma Alpha Epsilon Fraternity into Rho Province May 4 and 5.

Members of Beta Chapter of SAE at North Dakota State attending are Tom Radcliffe, Peter Gjertson, Hank Trangsrud, Bob DeJardine, Al Tschida, John Rude, Ted Rotenberger, Orlo Hjelseth, Bob Myhre, and Jerry Erickson.

NDSC department of cereal technology opened the meeting in the new building at 9:00 a.m. on Saturday. He was followed by Dr. Fred S. Hultz, NDSC president, who gave a welcome and dedication address. Dr. Glenn Holm, director of the NDSC Experiment Station, spoke about the new grain products laboratory, making the point that North Dakota State College was setting a precedent by installing the first milling building on any college campus in 1908.

An extensive tour of the new building and facilities was then held followed by a tour of other campus buildings. A noon luncheon was held at the NDSC memorial union with Dr. C. H. Bailey, dean emeritus of the Institute of Agriculture at the University of Minnesota, as main speaker. Dr. Bailey, a graduate of NDSC, spoke of the history and growth of North Dakota State. Dr. D. K. Cunningham, president of the Canadian Prairie Section of the American Association of Cereal Chemists also spoke.

After the luncheon the group returned to the Grain Products Laboratory, a 3-story 45'x80' building, where technical and equipment demonstrations were held. The new laboratory building was put into use when school was opened last fall. It replaces a frame building which has since been razed.

# "Out On A Bender" - - - By Barff Sportster Picks Bison As Team To Win

By Gerry Bender

Time again to sit down and peck out a few words for you people to glance over.

In spite of the lousy weather we have been putting up with lately, the athletic department rolls on as always. Things have been pretty quiet on the sports front thus far, but it won't be long till the Steve Gorman League is rolling in full swing.

And speaking of the Gorman League, it looks to this head like

## SOS Sent Out Again

Help! Coming from this source that word may be getting a little monotonous, but the Spectrum and KDSC, campus radio both need staff members to help carry the load.

KDSC staff members are in search of dejects, especially one with an ear for classical music.

The Spectrum has openings in practically every department on the staff. Feature writers, reporters, and anyone who is interested in gaining a little knowledge in their spare time should drop around.

the Bison from Old State are the ones to beat. Happened to drop by MSTC the other day and took in part of the game between Mayville and the Dragons. After their successful southern trip, every team in the League would like to boast a win over the Herd.

Although I have picked the Bison as the team to win the League, let us not think that will be a breeze. Had a chat with Boney that same day, and he sez that the Gorman League teams he has seen thus far are comparable to the Arkansas teams the Herd met earlier this year.

At any rate, there should be some mighty good contests on the slate this spring, so let's all get out and cheer the Herd on.

Sorry there is no report on intramural softball this week, but so few games have been played since last week that it is hardly warranted. Maybe the weather will straighten out and things get going next week.

Say, I forgot to mention the Baseball Day coming up tomorrow. There is a story somewhere in this here thing about that already, so no details here. The main thing is let's all get out and support that winning team of ours. The games they have won so far this year have been without the cheering support of the students, so thing what they might do with our support.

Who cares who won the ping pong playoffs anyway???

The golf team has finally got under way in their season play. Coach Erv Kaiser and his charges took to the road Wednesday and took part in a meet at Grand Forks. No report at the time of this writing as to who won. Schools taking part in the meet were UND, MSTC, Concordia, NDSC, and possibly Bemidji.

And so to sleep again. See you soon. Barff.

# SC Bowling Team Takes Third Place In Annual Tourney

The NDSC bowling team finished third in the second annual North Dakota Collegiate Bowling Tournament held at Dickinson. Six colleges were entered.

Wahpeton Science led the field with a 8760 to retain the title won last year on the Union Lanes. NDU was second with a 8651, followed by NDSC with 8507. In fourth place with 8225 was the host team, Dickinson Teachers College. Valley City Teachers with 8113 and Bismarck Junior College with 7976 finished fifth and sixth.

The Herd opened the tournament with a 2456 in the team event which was good for third place. They held this position throughout the meet, although at the end of the doubles, they were only 14 pins out of second place with 18 games to go.

With 36 bowlers competing, James McGuire paced the Herd in the singles with a 551, good for 5th place. In 9th place was Frank Bosworth with 533. Tom Engh had a 518 for 12th, Dave Hilling 471 for 24th, Lowell Barnum 453 for 29th and Chuck Thurm 438 for 33rd place.

Lowell Barnum and James McGuire finished in 4th place in the doubles with 1041. Frank Bosworth and Dave Hilling shot a 1035 good for 6th place and a 1011 by Chuck Thurm and Tom Engh was good for 9th place. 18 doubles teams competed.

Individual All-Events found Frank Bosworth in 6th place with a 1573, James McGuire in 9th with 1551, Tom Engh 11th—1523, Lowell Barnum 15th—1509, Chuck Thurm 21st—1461 and Dave Hilling 27th—1430.

## Foreign Service Exam To Be Given In June

The Department of State Foreign Service Officers Examination will be given on June 25, 1956 throughout the United States. The closing date for the receipt of applications to take this examination is May 11, 1956.

Students interested in participating are urged to mail applications to the Department's Board of Examiners for the Foreign Service immediately. Failure to submit the application by May 11 will eliminate candidates from competing in the examination on June 25.

Information pamphlets, sample examination questions and application forms are available at the Placement Office.

# Steve Gorman Trophy League Opened; Bison Score With Double Header Win

"Let's play them one at a time," is the theme of this conversation. Ron Zottnick, Rudy Maras, and Coach Bony Rothrock put their heads together to plan strategy for tomorrow's double header against MSTC. Keep that winning streak going, boys!

By Gary Smith

The NDSC Bison opened the Steve Gorman Trophy League here Monday by winning a double

## Rothrock Names SC Baseball Day

Tomorrow will be the day and Barnett Field will be the place for the first annual Baseball Day here at NDSC, announces coach Bony Rothrock.

The State baseball boys will take on the Dragons from MSTC in a double header. The first game will be at 10:30 in the morning and the second at 2 in the afternoon.

The Bison will enter the double header with a 2-0 record, both wins being over Wahpeton. The Dragons bring along a 0-1 record, having dropped their only game thus far to Mayville.

The afternoon game will be preceded by a softball game featuring the talents of certain females from both schools. This game is to begin at one o'clock, and a caravan will leave the Student Union at 12:30 for Barnett field.

Present plans include the choosing of a queen. However, names of candidates and the method of choosing the queen are not yet available.

## Debate Club To Meet

Attention all SC debaters! You are summoned to a very important meeting in Room 206 of Old Main Wednesday, May 9.

The purpose of the meeting will be to continue work on the club's discussion topic for the forthcoming TV show.

All those interested in debate are urged to attend.

header from the Wahpeton School of Science Wildcats.

A meager Monday afternoon crowd was on hand at Barnett Field to watch Bill Thomas and Don Worner combine to twirl a four hit, 6-1 victory in the opener. The Bison took the second game 11-0 behind the air-tight hurling of Morrie Holm and "Stretch" Niskenen.

The Herd scored an unearned run in the first inning of the opener. The Wildcats then came back to get their only run of the day and tied the score at 1-1 in the third. A single by Howard Heil, a walk to Doug Walstad, and another single by Ron Zottnick gave the Bison the lead again at 2-1. The Bison went on to clinch the game in the fifth as Bob Johnson drove out a long triple to score two runs.

Morrie Holm took complete control in the second game as he spun five brilliant innings of hitless ball before Mickey Mongoven lined a single to left. Don Briggs collected another hit off Holm, but the Wildcat's scoring bid failed as Charles Popp grounded out with the bases loaded.

The Herd garnered 12 hits off a pair of Science hurlers in the second game. Doug Walstad led the Bison as he rapped out three hits in four tries and drove in three runs.

League play will continue Saturday when MSTC and the Bison square off in a twin bill at Barnett Field.

### Bison Tracksters Place Second To Cobbers; MSTC Third

Concordia's Cobbers took first place in Tuesday's track meet at MSTC with 80 points. The Bison came in second with 43, followed by MSTC with 27.

The Herd, in placing second, brought home two firsts, eight seconds, three thirds, and three fourths.

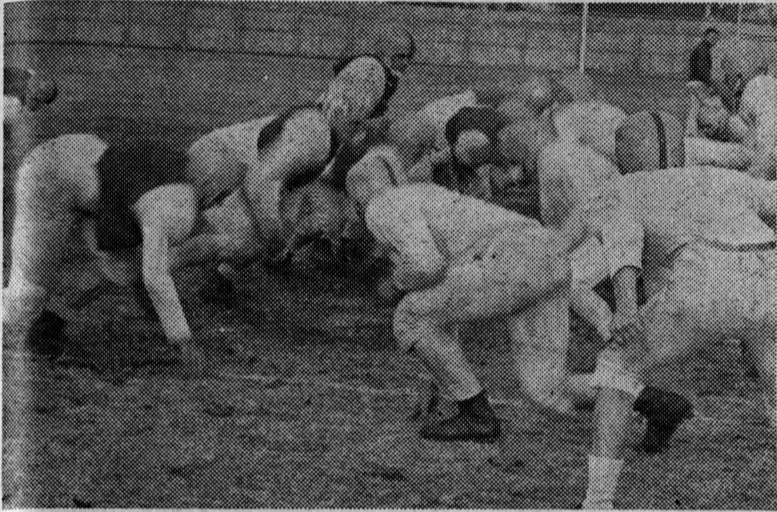

Picking up firsts for the Herd were Marty Kalnins in the shot put and Gary Thomasson in the broad jump.

In second placings the Bison had Dale Wallentine in both broad jump and high hurdles, Pepper in the 440, Tucker in the 880, Shattuck in the two mile, Conzemius in the 100 yard dash.

In the three third places SC had Guy Enabnit in both the high and low hurdles, and McDonald in the 440.

Fourth place winners were Conzemius in the 220, Wallentine in the low hurdles, and Zueger in the shot put.

Leading point getters for the Herd were Marty Kalnins with eight points and Dale Wallentine with seven.

Top picture shows Erv Kaiser and this spring's track team. Pictured are Kaiser, Bob Conzemius, Bob Walker, Hibb Hill, Slim Williams, and Bill Shelver, standing; Don Tucker, Stan Schroeder, Guy Enabit, Dale Wallentine, Gary Thomasson, and Ron Pepper, seated.

Pictured below is a familiar scene in the grid department this spring. Spring training is allowed for only a short period, so the boys must really work while they can.

### State Tennis Team Tromps Concordia College 4-2 In Second Meet Of Season

The NDSC tennis team defeated the Concordia Cobbers 4-2 at Moorhead Wednesday. The Herd had two winners in the singles competition and swept the doubles.

Dave Quill 5-7, 6-4, 6-2, and Dean Haugen defeated Carle Lohse 5-1, 6-9, 6-2.

In singles play Eddie Treat took the first match for the Herd from Bob Bakken of the Cobbers by scores of 4-6, 6-1, 6-4. The second match saw Dick Strommen pick up another point for the Bison by taking two straight from Art Johnson by 8-6, 7-5 scores.

In doubles play the Herd swept the field. The first match found Strommen and Peter Rex defeating Johnson and Haugen in two matches 6-1 and 6-2. The last match of the afternoon clinched the Bison victory as Treat and Quill handed Bakken and Paul defeats to the tune of 7-5 and 8-6.

Concordia picked up their two points when Valdemar Olson beat

No definite schedule is available for future meets, but the team has several tentative dates set with UND, Concordia and other schools in the area.

"Worries to the wind and everyone have a ball" was the gist of things at the annual Beaux Arts Ball. This was that 'once a year' that all the architects drop the books and drawing boards and really let their hair down.

### Vet's Club To Meet

The NDSC Vet's Club will hold their regular meeting in the student union Monday, May 7.

Final plans for the groups annual spring picnic will be discussed at the meeting. The group will also hear a report on the proposed North Dakota Korean Veteran's Bill.

The club has been doing research into the background and contents of the measure and will report his findings to the group at this meeting. All members are urged to attend as the group will take a definite stand on the measure when the results of the investigation are complete.

### Four One Act Plays On LCT Agenda; Student Directors To Present Dramas

Casts have been selected for four student-directed one act plays to be presented in the Circle T Theater of the Little Country Theater May 15, 16 and 17, according to LCT publicity director Richard Browning.

Cast members for "The Proposal", directed by Morris Mertens, include Bob DeJardine as Chubokov, Chuck Abrahamson as Ivan, and Jane Kanellos as Natalya.

"Portrait Of A Madonna", under the direction of Sam Kalianov, will include Teddy Jo Paulson as Lucretia Collins, Keith Amundson as the porter, Jim Linsky as the elevator operator, Harold Eberhard as the doctor, Helen Larson as the nurse, and Gene Krieg as Mr. Abrams. Sigrid Halldorson will serve as assistant director with Patricia Connolly as stage manager.

Celeste Svihovec's presentation of "Ladies Alone" will feature Anna Mae Davis as Marge, Priscilla Hosted as Peggy, and Avis Palmer as Norah.

"Out From New Bedford", to be directed by Monica Savageau will include Thomas Radcliffe as the captain, Ruth Mor-

tenson as Nancy, Allan Tschida as Stephen, and Carol Abrahamson as Roberta.

All of the productions will be entirely student directed and managed. Tickets for the presentations will soon be on sale at the speech department ticket office on the second floor of the administration building.

### Free Greek Patio Party

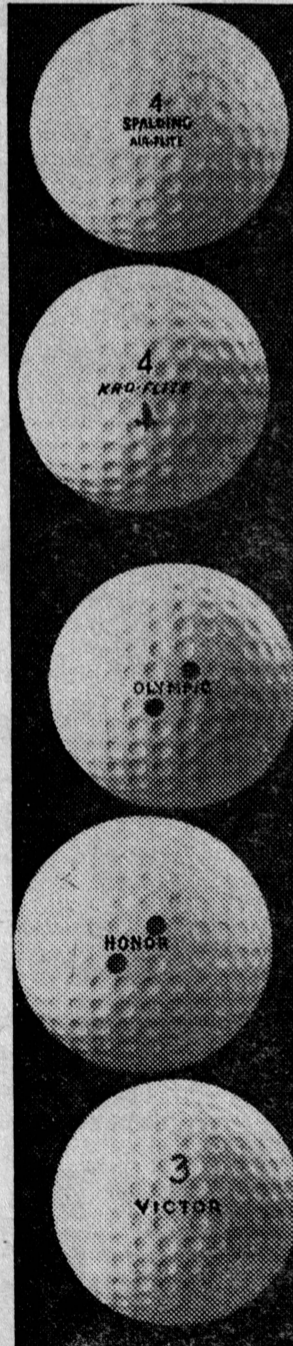

Free! Free! Free! A Pato Party sponsored by members of Junior Panhellenic. The party will be held Tuesday, May 8, 1956, at 8:00 p.m. on the patio of the NDSC Student Union. All new actives and pledges of Greek organizations are cordially invited to attend.

Music will be furnished by Campus Radio and free refreshments will be served.

### Religion Stateside . . .

## Clean Up Parties, Picnics, Retreats Scheduled By Campus Religious Groups

By Les Amundson

Perhaps some of you "old folks on campus" (Sophomores and above) will recognize the title of this column from last year about this time. Way back then, former SC student Ed Aluzas ran a weekly column to cover the news releases from each religious organization here at Old State.

This is, frankly, an attempt to get the column started again.

But what news we don't get, we can't publish. So get that news of coming events to Honorable Spectrum Office by Monday night, and we'll be glad to run it.

#### GAMMA DELTA

Planning is essential; that's why today the SC Gamma Delta group is leaving for their retreat at Lutheran Island Camp, Henning, Minnesota. There they will meet with about 100 other students from 10 other north-west colleges.

Meanwhile, back at the Sunday meeting, Gamma Delta will elect officers for the coming year. The meeting will start with a pot-luck supper at 5 p.m. in the Gamma Delta Room of the Immanuel Lutheran Church.

#### LSA

Spring means play ball! Tonight SC guys and gals will get a chance to set aside the books and swing the bat.

Sunday is the date of the Tri-School Picnic. Unlike most picnics, this one is an all day affair. Especially appealing too, because it includes the MSTC and Concordia LSA's.

Also, unlike the type of picnic most of us are used to, this one starts with Bible study at 9:30 at Festival Hall, followed by the regular Festival Hall worship service. Chow (dinner), interest groups, and intercity softball games are on schedule at Lindenwood park for the afternoon.

Evening will bring supper at 5 p.m. with some after-supper music provided by a German band. Special guest for the evening will be Dr. Alvin Rogness of Luther Seminary. Everyone is invited for part or all of this gala event.

You won't have to be a culture vulture to gain something from the informal seminars on Tuesday and Wednesday afternoons.

Then of course there is dinner and noon chapel every day at the

LSA house.

#### NEWMAN CLUB

Broom, ahoy! All good SC Newman Club members come with sleeves rolled up for house and chapel clean up on Saturday afternoon. The picnic afterward should help get the job done in a hurry.

Newly elected advisor for the Newman Club is Freeman Young.

Jim (Father) McGuire plans to attend the National Newman Club convention in Chicago from August 28 to September 2. Anyone else interested in going to the convention should contact Jim.

## Phi Upsilon Initiates

Phi Upsilon Omicron, honorary home economics fraternity, recently held its regular spring initiation and banquet for new actives and alumni.

New initiates include Harriet Fark, Janice Appeman, Sally Fossay, Jean Bergan, Terry Ann Frank, Beverly Lind, Joan Stammen, Janet Saba, Edna Teigen and Joann Johnson.

The initiation ceremonies were held last Thursday in the Founders room of the home economics building and the banquet at Ceres hall.

#### The Great Voice Says:

"Did you hear that Dave Brubeck, George Shearing, and Gene Krupa were available for next year's lyceum programs?"
