

# The Spectrum

North Dakota State College of Agriculture and Applied Sciences  
Vol. LXVIII No. 25 Fargo, N. D. April 26, 1957

## Engineers Hold High Number In Spring Enrollment; Totals Surpass Last Year

The enrollment figures released by the Office of Admissions and Records shows 2,436 students in attendance at NDSC for the spring quarter. There are 1,965 men stu-

dents and 471 women students registered.

A breakdown of the schools shows Engineering again high with a registration of 858. AAS follows with 526, and Agriculture is next with 309. Pharmacy has 252 students and Home Ec. has 233. Chemistry is low with 96 students and Continuation and Graduate students number 62.

There are 1,951 North Dakota resident students and 475 non-residents. Of the total, 717 are veterans.

At this time last year, 2,164 students were registered.

## Israel Ambassador To Speak At Open Forum

James G. McDonald, first U. S. ambassador to Israel, will speak at the Fargo-Moorhead Open Forum Monday evening at 8:00 p.m. The Forum will be held in the Emerson Smith School.

Mr. McDonald's topic for the evening will be, "Israel, Egypt, and the Middle East Crisis."

One of this country's noted public figures, McDonald has been an outstanding authority on international affairs for many years. One of the founders of the Foreign Policy Association, an organization which has worked for the furtherance of studies in international relations, he was chairman of the board of directors of this group from its inception in 1919 until 1933.

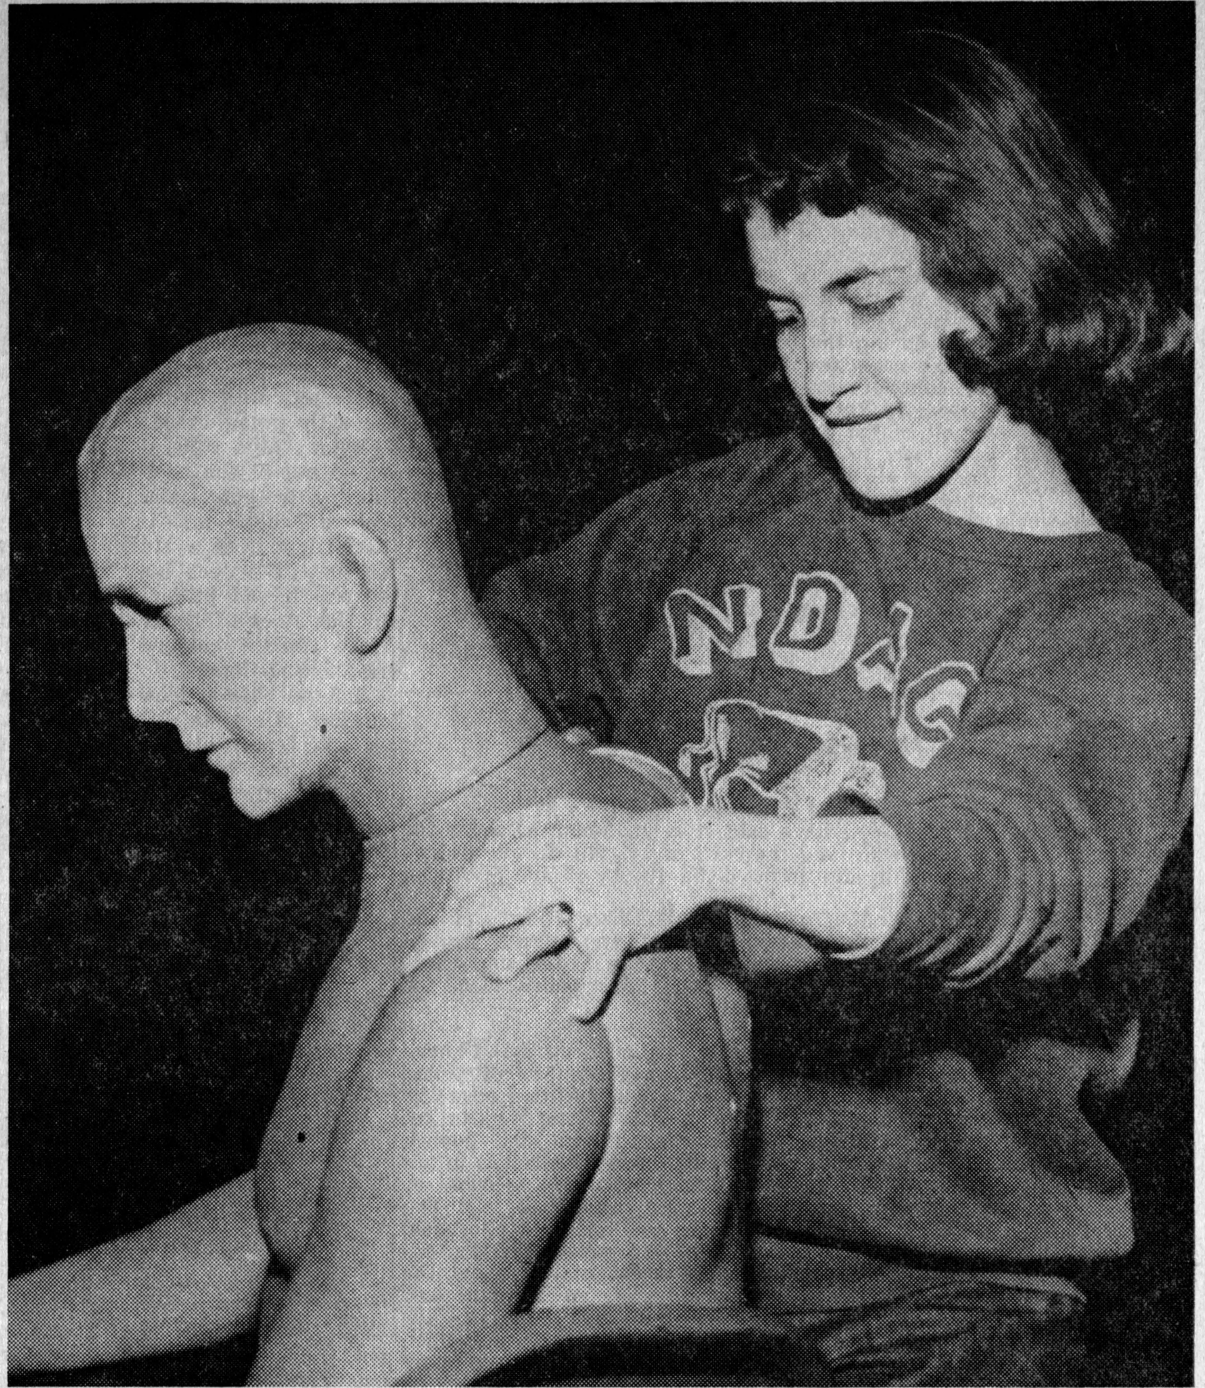

McDonald has served on several presidential committees which studied the welfare of political refugees, and in 1948 he was appointed ambassador to Israel. He held this post for two and a half years.

## Home Ec Grads Get Appointments

Four NDSC senior Home Economic food majors received dietetic intern appointments April 15.

Appointments were announced at a tea sponsored by the foods and nutrition department of the school of Home Economics.

The girls and their appointments are as follows: Sally Anderson, Henry Ford Hospital, Detroit, Michigan; Terry Ann Frank, University of Minnesota Hospital, Minneapolis; Shirley Spiker, King County Hospital, Seattle, Washington; Carole Mandigo, University of Wisconsin Hospital, Madison, Wisconsin.

## Creating A Mate

Mary Eresman, the only femme in the Sigma Phi Delta Bison Brevities act, "The Perfect Woman," shapes the male counterpart of the act's title. This act is one of five production and five curtain acts which will be presented tonight and tomorrow night in the second and third showings of the 1957 show. Review of Brevities on Page 6.

## McLain Announces Newly Appointed Commissioners

Eldon McLain, student body president, announced the commissioners for student government boards for the coming year at the April 16 student senate meeting.

Appointed by McLain and approved by the student senate were: Milton Berg, memorial union board; Gerald Schnell, board of finance; Edward Price, board of publications; Fred Flanders, board of athletics; Richard Monson, board of music and public programs; George Schwartz, board of campus affairs; Margaret Platt, board of national students association; and Donald Grimm, board of radio.

Commissioners make up the executive branch of student government and are responsible for administering the policies as determined by the student senate.

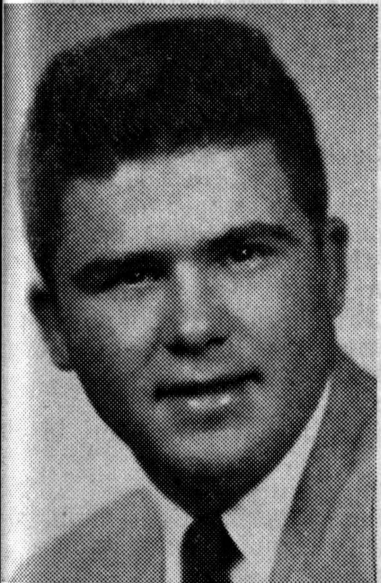

## Student Y Conclave To Be Held Here

The North Dakota District Spring Conference of the Student YM-YWCA will be held tomorrow, April 27, at the NDSC College Y. Delegates from seven colleges and universities in the district are expected to attend.

Vern Hathaway, Executive Secretary of the North Central Area Student YMCA will give the main address on the purpose of the student Y program. Miss Eileen Lindblad, of the Geneva Regional YWCA offices in Chicago will lead a discussion on the Y's functions.

The rest of the program will consist of worship, workshops, and fellowship.

## New Publication Heads Announced

Neal Bjornson, Spectrum Editor

Judy Hammer, Bison Editor

Neal Bjornson and Judy Hammer were announced as editors of the Spectrum and the Bison annual for next year at the second annual publications banquet held April 18.

New business manager for the Bison is Sharon Shepard. Jim Feeny will serve his second year as business manager for The Spectrum.

Winners of four \$50 scholarships given by the Board of Publications to members of the Spectrum and Bison staffs were also announced. They are Pat Larson and Gary Smith from the Bison staff and Elaine Willy and Don McKenzie from the Spectrum staff.

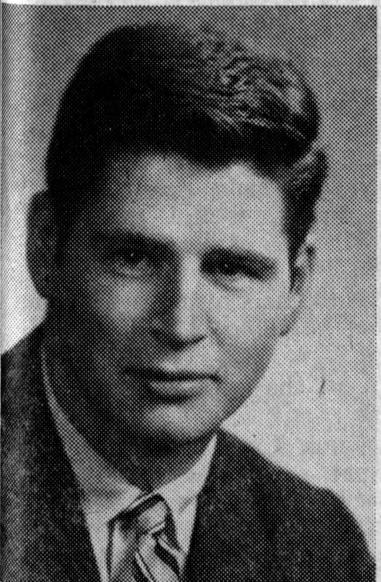

Gifts were presented to LaVerne Nies, Merle Nott and Robert Crom, faculty members of the Publications Board.

Guest speaker was Adlo Nordmarken, editorial chief of the Dickinson Press. Gerry Bender, outgoing editor of The Spectrum, was toastmaster.

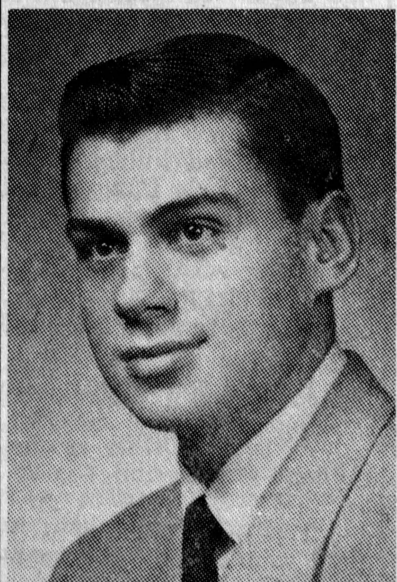

## Book Exchange Will Close Next Friday

The Alpha Phi Omega Book Exchange will close for the spring quarter on Friday, May 3.

For the convenience of the students the exchange will remain open every day until May 3. All money and/or books must be picked up by that date. Any money or books left after that time cannot be returned.

Jim Feeny, Spectrum Bus. Mgr.

Sharon Shepard, Bison Bus. Mgr.

## Hertel To Present Literature Paper At Language Meet

Dr. Leo Hertel, chairman of the department of modern languages, is attending the University of Kentucky Foreign Language Conference at Lexington, Kentucky.

Dr. Hertel will present a paper in the field of contemporary German literature dealing with the problem of the creative artist as a creative writer, at one of the sessions of the conference.

Two outstanding artists of the German expressionistic movement, Oskar Kokoschka and Ernst Barlach, are evaluated in their contributions to contemporary German drama and poetry.

The conference, a national institution, is in its tenth year, and the general title for this year's conference is "Language as a Mirror of Society."

## Attention Vets!! You Must Sign!!

The Office of Admissions and Records announces that all vets MUST sign up for the GI Bill by Tuesday, April 30. A change of regulations at the Veterans Administration Office requires that vets must be on time or they will not be able to sign up for their check.

### From the Editor's Desk . . .

By Gerry Bender

Time marches on, and already it is time for me to give up the reigns of The Spectrum. It has been a great honor to serve the students and faculty of NDSC this past year, and it is with a feeling of nostalgia that I leave the office of The Olde Spec.

Would like to send out a special "thank you" to a few people. And they are as follows: to Dr. Hultz for being so patient with some of the blunders I made during the past year; to Vern Nies for assisting the news and feature coverage in The Spec with the contributions of his news and feature writing classes; to Bob Crom, Merle Nott and Barb Swering for all of the help they have been to The Spec this past year; to Seymour Landfield of Midwest Printing, and all of his gang down there, for the absolute cooperation given us despite a few broken deadlines; and to the whole staff of The Spec. Without the cooperation and assistance of all of these people there would be no Spectrum.

And now a good luck wish to Neal Bjornson, new editor as of this edition. Neal really doesn't need very much luck, with his three years experience on the Spectrum staff and his intense interest in journalism, but the wish goes out to him just the same.

With this I retire to the ranks of the "has-beens" and hand the reigns to the Spectrum staff of 1957-58.

### Scouting Around - - -

By Neal Bjornson

Thank you, Gerry. As you have said it is an honor to serve the students and faculty of NDSC, and my staff and I will do our utmost to maintain and improve the quality of The Spectrum if possible.

First off, I want to congratulate Judy, Jim and Sharon on their new posts. Jim has already proven his value as Spectrum business manager, and there is no doubt in my mind as to the capabilities of the boss people of the annual.

As Gerry told you in his last words, I have worked on the Spec staff for a number of years. During that time I have seen campus news coverage grow a good deal. There is still a long way to go. Perhaps some of the organizations and departments on campus don't realize how simple it is to get an article in the paper. If you desire publicity on a coming event or someone in your department has received some recognition, call The Spectrum office at 5-9550 or call 2-3158 and ask for Neal Bjornson. The more news we get, the bigger and better the paper will be.

For any of you who have any questions or complaints about the operation of The Spectrum, there are weekly staff meetings at 4:00 p.m. Thursday. You are welcome to attend these and point out how you believe the paper can be bettered. These meetings are also open to anyone who is interested in working on the staff. We have openings in virtually every department, including photography, and no great amount of experience is needed. You learn as you work.

The curtain will come down on the final act of the 1957 edition of Bison Brevities tomorrow night. The show promises to be a good one again this year, and you still have two nights to see it if you haven't already. Let's all go!

Elsewhere in this issue, Kerry Murphy, drama critic for The Spectrum, gives you the lowdown on the acts. I'll agree with him when he says it is an amateur production. What did you expect? Rogers and Hammerstein? Everyone on the staff, in the band and in the acts sandwiches this work in with the usual work of school. It amazes me how they come up with the show like they do. Kerry wrote his review Tuesday night at a dress rehearsal, and some of the acts looked a little rough. By the time they go on stage for the regular performances those rough spots will be leveled off.

With this I will close for the week. Take the picnics in stride, don't study too hard, and I'll see you at Brevities.

### Educational TV Program Originates In Classes At University Of Detroit

In a new program series, an educational television spectacular, "College Preview," the cameras are currently visiting actual classes in session on the campus of the University of Detroit.

Each week a different class, complete with professor and students, is featured in the "TV Classroom" segment of the daily hour-long "College Preview" program. "College Preview" is seen Monday through Friday, 9:30-10:30 p.m., except Tuesday, when it is telecast in two half-hour segments at 8:30 and 9:30 p.m.

The informal discussion sessions feature Dr. John T. Dempsey of

the Political Science department and Pat Cavanaugh of the Physical Education department. Together with Prof. William Kelly-Joyce of the Law School, they are the only regulars on the shows. Prof. Joyce, the marshal of the University, is master of ceremonies.

"College Preview" is designed to provide a rounded picture of college life in and outside of the classroom. In the "Is College for You?" segment seen at 8:30 p.m., Tuesday, three questions vital to the interests of high school students who may go to college were answered.

The Rev. Hugh . Smith, S. J., executive vice-president and Joseph A. Berkowski, registrar and director of Admissions, were featured in a detailed discussion of "How Do I Get In?" "Will They Take Me?" and "How Much?"

In the "Studio" segment of "College Preview" extra-curricular activities were on parade — dance, music, song and dramatics. This particular Tuesday program included a rehearsal scene from the U-D Theatre production of "Henry V," a portion of a piano concert and a visit with the U-D chorus.

### Book Collector Takes Honest Turn

To the Editor:

You might be interested in knowing the effect of the article published in the Spectrum a few weeps ago entitled "Students' Honor Questioned," which involved taking books from the library.

I hope you will compliment the writer of this article, since it was extremely well written and is apparently going to be effective.

Friday at 4 o'clock, I happened to go out of the back door of the library to put something in my car and here just inside of the back door was a stack of books at least 2½ feet high, including several bound periodicals. On top of this stack of books was clipped this article entitled "Students' Honor Questioned."

I hope this article will have a similar affect on other students, except, I may inject one word of caution, that in this student's well meaning attempt to clear his conscience, he managed to return one of his own books with his name in it.

Yours truly,  
H. Dean Stallings,  
Librarian

By Art Lies

Now is the moment of truth! The less dedicated staff members will begin to desert us for the call of the outdoors and only a few of us will be left to toil over the sweating turn-tables. Programs will continue to pour forth from our studios as long as we can keep up the fight!

The way this quarter has been shaping up, I would say that it is really a snap. We last quarter seniors have a soft time of it. The studies are a cinch. If it just weren't for those cussed activities.

Sure am glad that the weather is warm and some of my little pals are blossoming out in their Bermudas. That Bill Baillie has the cutest knees.

Speaking of fashions, I wonder if any of the local girls will show up in some of the new low-neck-line dresses featured in "Life" last week. Well, just in case they do, I already have laid in a ten year supply of eye-glass cleaner. I really don't think they could call those dresses; they look more like a skirt with matching suspenders. And in our poetry corner today, we find this little gem from the pen of the inevitable Walt Kelly:

Pick a pock of peach pits,  
Rockets full of pie;  
Foreign plenty blackboards,  
Baked until they cry.

Winnipeg was open,  
The burst again to sing.  
Oh, worse than that, a Danish ditch  
Was two-by-four the King!

The King was in a palor,  
Counterfeiting moneys.  
The Queen was in a tizzy,  
Reading all the funnies.

The Maid was in the court yard,  
Hanging by her toes.  
Along came a north wind,  
And that's the way she froze!  
Not wanting to wind up a spring column with such a frigid word, I will add the following tidbit from outst my autograph book (entered in 1943):

Love is such a funny thing,  
It's very like a lizard!  
It winds itself around your heart,  
And nibbles at your gizzard!

### Socially Speaking . . .

By Jean Anderson

WELL, IT'S a little early for senior apathy (excepting for Monday nite skips) and too early to study yet this quarter, and Brevities has about had it (in more ways than one) sooo . . . it seems that the picnic season takes care of everybody and their problems. More Fun.

CUBAN CROOKS is the brand of cigar passed by Wally Hegg, ATO . . . the occasion wasn't his pinning, engagement, or marriage—but the birth of a brand new baby daughter born Monday. Congrats—to Wally and the Missus.

KAPPA DELTA added Jane Tomlinson, Fargo, to the pledge class.

ABOUT the only golden opportunities some men can recognize are blondes.

NEW ACTIVES at the Sigma Chi house are George Comstock, Jerome Fosheim, Roy Metzgar, Marlow Muldoon, Bruce Morgan, Ron Nelson, Ralph Olson, Dale Webster, and Grant Zwick.

WEARING A DIAMOND is Gloria Thorpe, Phi Mu. Give is Donald Ziebart of Fullerton, North Dakota.

THE CROWN OF SAE will adorn the curls of Carolin Slinde, Theta, Karen Zielsdorf, Alpha Gam, Jan Dietrich Gamma Phi, or Sue McCone, Gamma Phi, at the annual Sweetheart Ball June 1st. Jean Ann Nelson is present Sweetheart.

A WEDDING tomorrow! Gamma Phi Mary Herrick will wed Darrel Schultz, Concordia senior.

THE KAPPA PSI pin of Jim Brand now adorns the sweater of Dona Von Hagen, Mandan.

INSCRIPTION of a bopster's grave: "Don't dig me now I'm really gone."

PLEDGE OFFICERS at the Phi Mu house are: president, Pat Sewirt; vice-president, Gloria Thorpe; secretary, Peggy Davis; social chairman, Joan Osland; and chaplain, Carol Ronvig.

WEARING THE Maltese cross of ATO is Carol Hilling Gamma Phi. Tau Dick Nelson is doin' nothin' but smiling Carol passed candy Monday nite at the house.

OUT OF CIRCULATION is Wilbur Lippert. His Sigma Chi pin is being worn by Grace Winge, Valley City STC, grad teaching at Washington School in Fargo.

"Well, Doc, was my operation a success?"  
"Sorry, old man, I'm St. Peter."

SPRING WEDDING for Gayle Joos, Alpha Gam alum and Edward Dixon.

KAPPA DELT Mary Ann Van Sickle will pass candy Monday nite. Occasion is her pinning to SPD Ed Gilbertson.

PHI MU's Joan Lindbo, Pat Turner, Shirley Bransted Darlene Knutson and Ilene Friend are in Baldwin, Kansas for district convention this weekend.

Adam and Eve were the first bookkeepers—they invented the loose leaf system.

TOMORROW Maggie Hunstad, Alpha Gam alum, and Ray Buelow, AGR alum, will tie the knot in Carrington.

SERENADED Monday nite was Kappa Sue Barry. Sigma Chi Chuck Meckstroth did the kissing, but nobody else, 'cause, after all, they're pinned!! One really neat couple tho . . .

MORE BABES in arms announced . . . Don Peterson AGR, is a new papa—girl; Char Aamodt Erickstad, Gamma Phi alum, and hubby Rog, ATO alum—girl, Carrie Ann Nancy and Lyle Dawson, last year's grads, girl—Laurie; and probably all sorts of other folks, too . . . well, CONGRATULATIONS, anyway.

ANOTHER PINNING at the Sigma Chi house . . . that Lowell Pals to Joy Mortenson of Minneapolis.

HE: Do you mind if I turn off the light? I freckle easily.

AND PLEDGES at the Sigma Chi house now include William Stribel and Chuck Spat.

THOUGHT FOR THE WEEK: It's human to have your mind wander, but the trouble comes when you follow it.

Bye now . . .

# Did You Know? By Corky

UFO—Unidentified Flying Objects? No, not quite. They are just some of the women's hats that took flight in the breeze Easter Sunday.

I understand that the bees are having quite a time with them. Bees of course like flowers, and when they see some of these "mobile green-houses" go flying by, they naturally hop on to sip some floral nectar. Only then do the poor little fellows realize these flowers are fake. By the time they discover their error, though, they have been carried so far from their home grounds, that they die of homesickness.

This windy exchange of women's hats does have its benefits. It gives milady the chance to snare

some new "creation" from the jet streams and go about her business as if she had a brand new hat. This of course, relieves the drain on the old man's pocket book and he doesn't have to look at the horrible things very long.

The flying hats are a menace to airline traffic. They pose no problem to the airplanes themselves, but the women passengers raise havoc. They see one of these lovely chapeaus go sailing by the window, and insist the pilot chase it. This has thrown all the schedules out of whack, and has forced the grounding of some planes.

One trans-continental plane circled for three hours over the Great Lakes, while a determined lady passenger tried in vain to snare a navy blue and white "off the face" number.

The migrating birds are finding these flying hats a boon to their northward movement, however. They merely perch atop a speeding hat and "loaf" their way to the nesting grounds.

This unique circumstance will not last long though. The hat designers from the fashion centers have incorporated ailerons in their latest creations. All the lady has to do is set the controls. No matter how strong the wind, the hat will always come back to her, like a boomerang.

That about caps it.

## Aarnes Announces Schedule For SC Summer Session

Are you planning to attend summer school at NDSC?

Summer session begins with registration Monday, June 17, and extends six weeks to Saturday, July 27, according to Dr. Hale Aarnes, director of the summer session.

"Foremost in the northwest, the campus lends itself to greater accommodations. Tell your friends, pass the word on and promote the present 'back to school' trend," Aarnes urges.

"If you are a professional man or woman, a graduate student, an undergraduate, or a high school graduate—the work offered will meet your needs and contribute toward personal or vocational goals. Special students are admitted to any course for which they can demonstrate qualifications," the college bulletin states.

You can get training in these fields: agriculture, applied arts and sciences, home economics, and pharmacy. Short courses will be offered in chemical technology. "Special problems" classes will also be taught. Physical education for men will include golf, tennis, badminton and archery.

All correspondence and other information regarding admissions may be secured from the Director of Admissions and Records.

## Lindbo Re-elected As Phi Mu President

Joan Lindbo, a home economics junior from Rolla, has been re-elected president of Phi Mu sorority.

Lindbo

Joan is a member of Tryota, Guidon, and Women's Senate. Other officers include: vice president, Ilene Friend; secretary, Grace Tvete; treasurer, Ilene Friend; ass't. treas., Darlene Knutson; membership director, Shirley Brandsted; social chairman, Joyce Jacques; panhellenic delegate, Grace Tvete; and reporter, Genevieve Kovele.

## Physicals On Tap For ROTC Soph.

Physical examinations for sophomores planning on enrolling in advanced Army ROTC will be given by a visiting examination team on Monday and Tuesday mornings, April 29 and 30, in the basement of the Fieldhouse.

Applicants who are not presently enrolled in Army ROTC should stop at the ROTC offices in the Fieldhouse prior to the days of the examinations to obtain the necessary forms and instructions.

## Bison Room Offers Picnicking Service

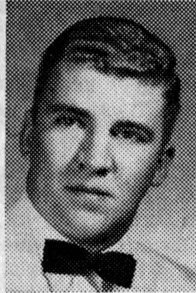

The Bison Room has started a new service for all picnic fans on campus.

The eatshop in the Union will cater the picnic needs of any organization on campus if they are given 36 hour notice.

For further information contact Dale Brostrum, Union Director, or the Bison Room staff.

## Parkins To Head Sigma Chi Frat

Jim Parkins, junior in pharmacy, has been elected president of Sigma Chi fraternity for the coming year. Parkins, who just returned from a three year stint in the Army, succeeds Don Peterson.

Parkins

Other officers include: Charles Huntley, vice pres.; Orville Kensok, pledge trainer; John Huntley, treasurer; John Jacobson, house manager; Dale Webster, secretary; Ralph Olson, social chairman; Roy Metzgar, rushing chairman; Ron Nelson, historian; Paul Haglund, athletic chairman; and Grant Zwick, associate editor.

## HOW MUCH IS THAT DOGFISH IN THE WINDOW?

Dear Mom and Dad (writes Zelda May Nirdlinger, soph).

You have been asking me to account for all the money I spend. There follows a day by day summary of recent expenditures. Don't forget, you asked for it.

### MONDAY:

- \$2.78 — telegram to the Secretary of the Army, offering to go instead of Elvis.
- \$0.26 — pack of Philip Morris, my favorite, and yours, if you know a good thing when you taste one!
- \$0.50 — sorority fine for oversleeping and missing my first hour class twelve days in a row.

I bought a rooster named Ralph

- \$2.95 — I bought a rooster named Ralph to wake me in the morning. (Can't sleep with an alarm clock ticking all night.)

### TUESDAY:

- \$0.50 — sorority fine for not cleaning my plate at dinner. (I just couldn't! Dinner was Ralph.)
- \$0.50 — sorority fine for dating undesirable boy. (Roderigo is not undesirable! Some people say he is "fast" and a "devil" but I say he is just insecure. Why else would he go steady with eight girls?)
- \$0.26 — pack of Philip Morris. What joy! What zest!

### WEDNESDAY:

- \$557.38 — a motorcycle for Roderigo. (He is giving up all his other girls for me, but they are so widely scattered that he needs a fast conveyance to go around and tell them all goodbye.)
- \$0.26 — pack of Philip Morris. (Have you tried them yet? If not, you've got a big treat coming. Light one soon. Light either end.)

### THURSDAY:

- \$0.50 — sorority fine for staying too long in the shower. (Gee whiz, a girl gets mighty dirty polishing a motorcycle!)
- \$0.52 — two packs of Philip Morris — one for Roderigo. (Dear Roderigo!)

### FRIDAY:

- \$0.26 — pack of Philip Morris — a happy smoke for a happy day. Yesterday Roderigo broke with the last of his girls, and today he is mine, all mine!
- \$8.57 — new dogfish for zoology. (I was dissecting a dogfish in zoology when I happened to look out the window and see Roderigo riding by with Mary Ann Beasley on his buddy seat. I got so upset I threw the dogfish at them.)

### SATURDAY:

- \$2.59 — a carton of Philip Morris, one pack for me, the rest for Roderigo. (I was foolish to be angry about Mary Ann. Roderigo explained that she meant nothing to him—just helping him with English lit. Similarly, Grace Krovney is helping him with Spanish, Betsy Pike with econ, Mazda Notkin with psych, Lola Tweet with phys ed, etc. The least he can do is give them all Philip Morris.)

Well, mom and dad, you can see how expensive college is. Send money. . . . Love and kisses, Zelda May

© Max Shulman, 1957

The price may vary from place to place, but Philip Morris continues to be a natural smoke that daunts no purse, however small. It is made in regular and long size by the sponsors of this column, and is ignitable at either end.

### Notre Dame Student Offers Answer For Ineffective Student Governments

(ACP)—What holds back student government? What factors can keep it from being truly effective?

Notre Dame University's student senate president Pat Logan writes his answers to these questions in his school's Scholastic magazine.

"First," says Logan, "there are some individuals in the senate who are seriously lacking in the qualities of selfless leadership, in making decisions on principle rather than for personal interests, popularity, or out of fear or weakness.

"Many," he adds, "are not fulfilling responsibilities to fellow students outside of attending a meeting once a week.

"Secondly, the conservatism of the university administration holds back progress of student government at times. Realizing that our basis for authority rightly is delegated to us by the administration, there are areas of student life where this same administration is very reluctant to let us exercise the authority which we have been delegated . . .

"Thirdly, student apathy is a serious hindrance to student government's becoming a vital, influential force."

Logan makes a definition of leadership, too. To him, it is not service. Rather, he defines a "true Christian leader" as one "who creates a significant impact on the thoughts and actions of those with whom he deals."

### Twelve Initiated By National Band Frat

Kappa Kappa Psi recently initiated twelve men into their ranks. The organization is a national honorary band fraternity.

Initiates include: Dave Carpenter, Tom Farley, Don Grimm, Allan Henderson, David Hendrickson, Ronald Jacobson, Blaine Myrhe, Richard Olness, Don Salmonson, Jerry Shaw, Dale Jackson, and Wayne Anderson.

### Married Couples Find Trailer Homes Wholesome Living

Two can live as cheaply as one! Proof of this is the number of couples living in the trailer courts connected with NDSC.

These campus suburbs have a friendly, informal atmosphere, built on group co-operation.

Although the cost of trailer living is considerably less than in an ordinary home or apartment, the necessity of paying for a college education puts the damper on expensive entertainment. Coffee parties, card games, and gab sessions constitute a trailer home evening of fun and relaxation. An evening out for dinner or a dance is rare, but twice as much fun because of its novelty.

Wives of the students take pride and interest in their husbands' classes and grades, just as they would if it were their future career.

The Spectrum is brought home and read each Friday to keep up with college affairs and important people on campus.

The married student's life, while maybe a little busier, is just as economical and wholesome as the dormitory dweller's, and he feels he is just as important a part of the school.

### Parking Notice

Students whose cars are parked in the fieldhouse parking lot are asked to move their cars from that lot tonight and tomorrow night to facilitate easier parking for Bison Brevity goers. Just hop in, drive a block west to the arena lot, and park it there. Your cooperation will be appreciated.

### Eighty Tons Of Lignite Burned During Cold Day By College Heating Plant

Do you try to out-guess the weather?

Chances are that you've tried and failed many times.

Harold Anderson, the manager of the college steam plant faces the problem every day.

Keeping up with today's -18 degrees and tomorrow's +30 requires flexibility in control. Firemen on duty round-the-clock keep a watchful eye on the steam-rate gauges to make sure that the supply is equal to the demand.

When it's cold, the plant needs as much as 80 tons of North Dakota lignite in 24 hours. Boilers like the three in the heating plant cannot be turned off and on like an electric stove, however. Normally, two boilers furnish enough steam for all demands, with one held in reserve in case of a breakdown.

The steam plant provides heating steam for all the buildings of the A.C. campus, the college "Y" and some married student housing units. Ceres Hall Cafeteria receives steam for cooking; the engineering steam lab uses high pressure steam for turbine and steam engine tests; and the greenhouse are supplied with heat and humidity to maintain critical growing conditions for their plants.

The clouds of smoke that come from the tall chimney are a reassuring sign that warm classrooms will remove winter's icy chill.

### Army Senior Get Assignments And Gold Bars

NDSC's Senior Army ROTC cadets have received their initial assignments from the Department of the Army. The cadets, completing four years of ROTC work, will receive in addition to their diploma, a commission as a Second Lieutenant.

Last March, all cadets were assigned to a branch of the Army. This final list includes their branch, first duty station and length of tour.

Each new Second Lieutenant will first report to the home of his branch for 13 weeks specialized training in his particular branch. Following that training, he is given a leave prior to reporting to his next station.

Length of tour assigned is six months or two years depending upon the request of the individual and needs of the service at time of assignment.

Names, branch, tour, and first post of the new officers are as follows:

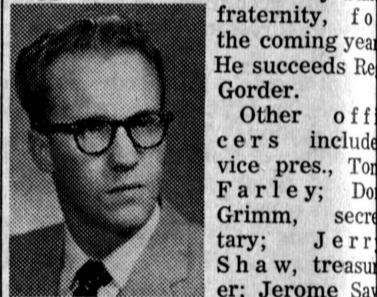

James T. Addicott, Quartermaster Corps, 2 yrs., Ft. Lee, Va.; John F. Anderson, Artillery, 2 yrs., Fort Sill, Okla.; Brian J. Beechie, Artillery, 6 mos., Ft. Sill, Okla.; Robert B. Burke, Artillery, 2 yrs., Fort Bliss, Texas; Richard J. Engh, Armor, 2 yrs., Fort Knox, Ky.; Bruce W. Farnum, Ordnance, 6 mos., Aberdeen Proving Ground, Md.;

Leroy N. Hjelmstad, Army Security Agency, 2 yrs., Fort Devens, Mass.; Barrett A. Johnson, Engineers, 2 yrs., Fort Belvoir, Va.; Richard J. Johnson, Artillery, 2 yrs., Fort Bliss, Texas; Martin A. Kalnins, Artillery, 2 yrs., Fort Sill, Okla.; James R. Kittle, Quartermaster, 6 mos., Ft. Lee, Va.; John A. Larson, Quartermaster, 2 yrs., Ft. Lee, Va.; James A. Marquart, Artillery, 2 yrs., Fort Bliss, Texas;

Sylvan N. Melroe, Artillery, 2 yrs., Fort Sill, Okla.; John E. Miller, Artillery, 6 mos., Fort Sill, Okla.; Ronald L. Nelsen, Armor, 2 yrs., Fort Knox, Ky.; Gerald E. ### Ray Link Chosen To Lead Kappa Kappa Psi

Ray Link, pharmacy junior, has been elected president of Kappa Kappa Psi, national honorary band fraternity, for the coming year. He succeeds Raymond Gorder.

Other officers include: vice pres., Tom Farley; Don Grimm, secretary; Jerry Shaw, treasurer; Jerome Sawyer, historian; Don Salmonson, reporter; and John Hovde, chaplain. Bill Euren, Gold Star Band director, is the faculty advisor.

The purpose of Kappa Kappa Psi is to promote better bandmanship and to help coordinate the functions of the band.

### Sparks To Head NDSC Vets Club

Clint Sparks, recently elected Vet's Club commander, announces the appointment of four men to commission posts for the organization Tuesday night.

The commissioners are: athletics, Kenneth Schockman; publicity, Dick Herman; social event, Lorran Remmich; and V.A. coordinator, Norman Stordahl.

At the organization's regular meeting last night Jack Williams, state adjutant of the American Legion, spoke of the Korean Veterans Bonus Bill.

The next regularly scheduled meeting is May 16.

### Johnson To Guide Coop House Group

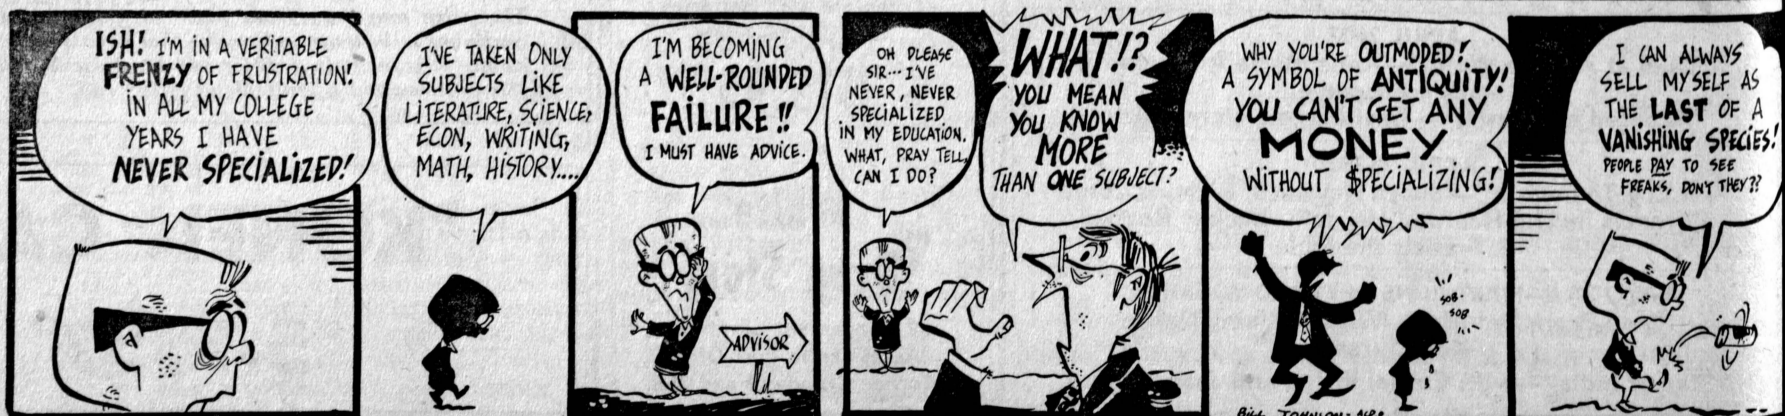

Warner Johnson, sophomore from Rugby, was elected president of the NDSC Farmers Union Coop House at the annual meeting April 15.

Other officers elected were: Roland Olson, vice president; Wayne Sabbe, secretary; Mylan Fedje, social chairman; Robert Kummeth, athletic director; Kenneth McLean, historian; and Noel Estenson, parliamentarian.

New board members are James Ozburn, Carl Amb, Keith Noess, and Harvey Held.

President Johnson has been active in FFA, holding the state presidency and the American Farmer degree. He visited Ecuador as an International Farm Youth Exchange delegate in 1956. Johnson is a mechanized agriculture major.

### Little Arnold

# PENNEY'S

ALWAYS FIRST QUALITY!

## WOVEN-THRU TARTANS TAKE THE "CREW" LOOK!

Alma Mater Penney's has the real University shirt. Towncraft tailored of fine combed cotton tartans and stripes featuring the new 3-button collar, box pleat back. Sanforized mercerized.

**\$2.98**

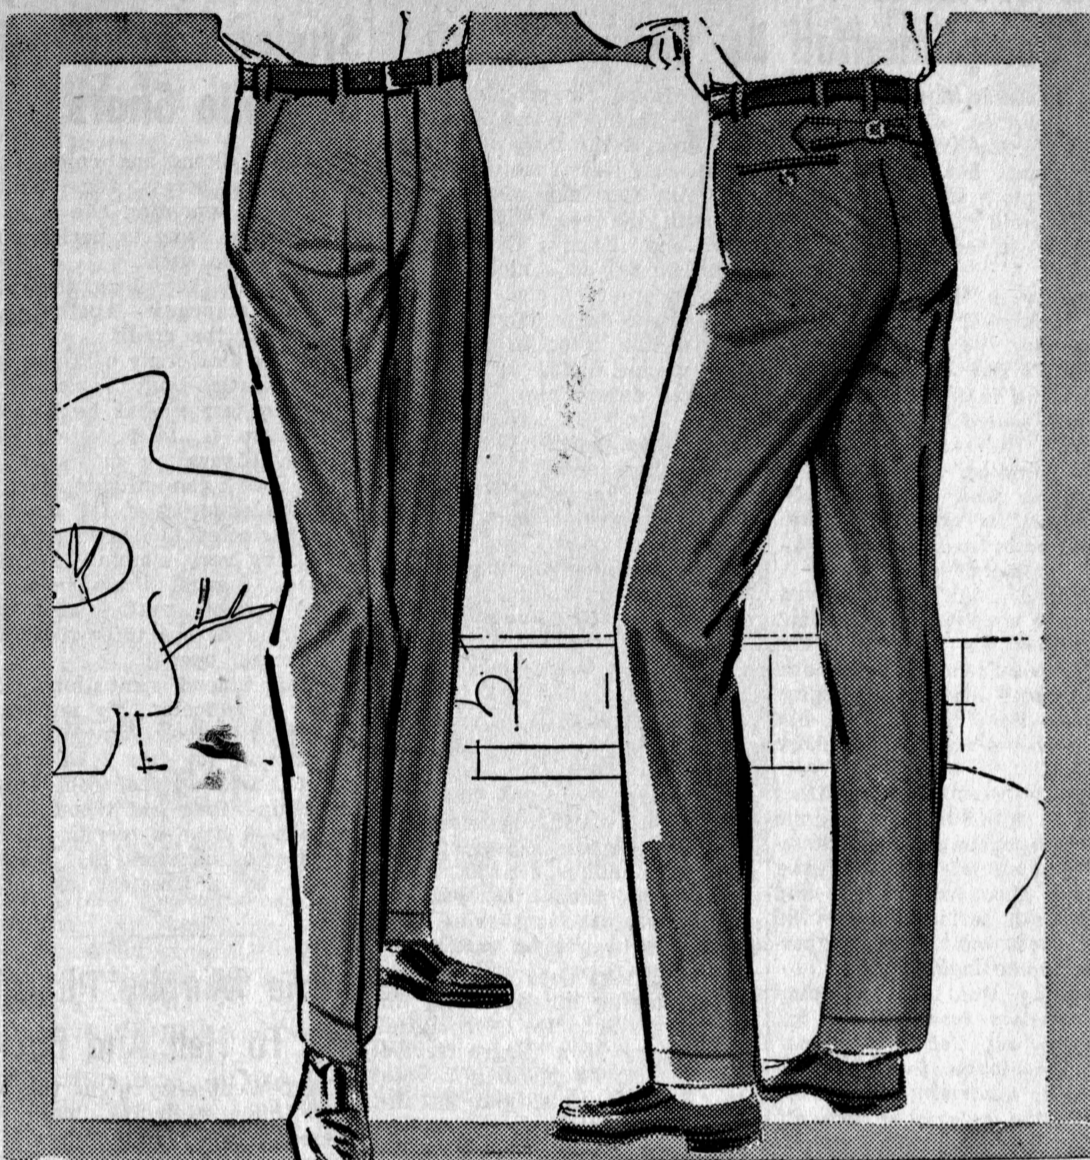

Sizes small, medium, large, extra large

## BUCKLE BACK STYLING IN PLAIDS AND PLAINS

League-leading styling in combed English cotton—cool strap-back caps in authentic plaids! Another great value scoop made possible by Penney's world wide buying! Size 6¾ to 7¾

**\$1.98**

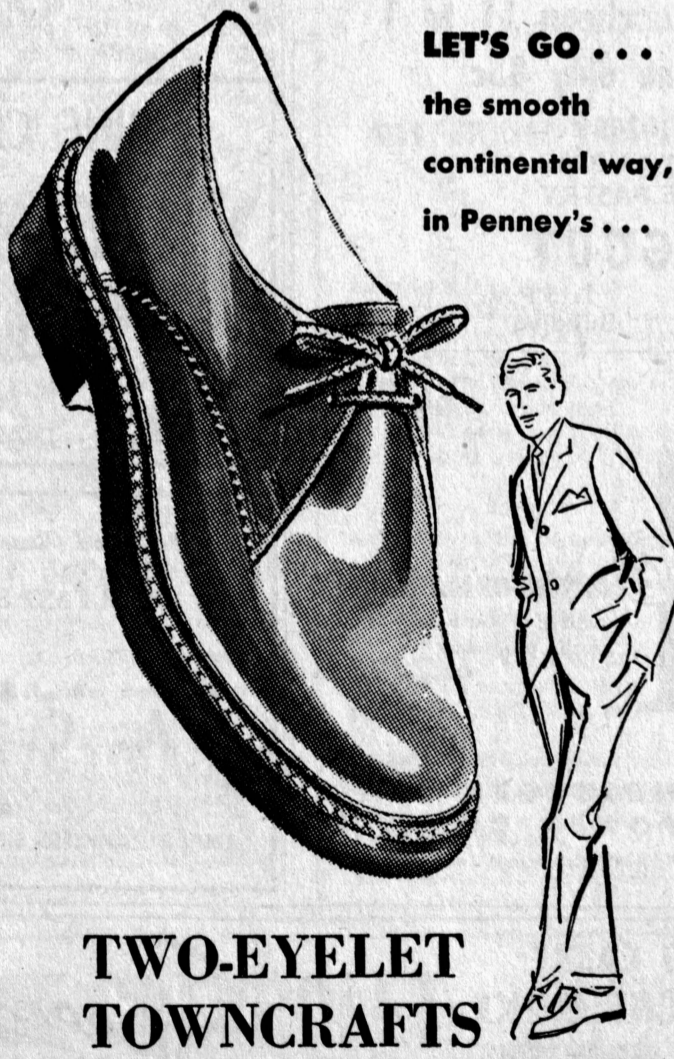

## NUMBER ONE IN COMBED COTTON! PENNEY'S OWN UNIVERSITY STYLE!

From 16 to 60, it's that slim, trim look for '57 . . . snug-fit buckle back, smooth, unpleated waist, narrow legs . . . in Penney's authentically detailed Sanforized combed cotton slacks. They're real league leaders for quality know-how. Pick silver grey, black and charcoal, new suntan and others . . . all machine washable.

Sizes 29 to 36 ready-cuffed

**LET'S GO . . .  
the smooth  
continental way,  
in Penney's . . .**

Sleek as a jet, these hi-polish plain toes are Penney's most popular dress oxfords for young men. Style . . . comfort . . . quality . . . you name it, they've got it! Towncraft-built with sharp all-around storm welts, wide rubber heels, rugged composition soles . . . and Sanitized.

**\$7.95**

Sizes 7-12

**TWO-EYELET  
TOWNCRAFTS**

# Bison Brevities Participants Criticized And Complimented By Campus Critic

By Kerry Murphy

Bison Brevities of 1957 brings to the stage the usual song and dance routines, but they are produced in a more original way this year. The old theme of "Boy Meets Girl" is fading out of the limelight.

Originality in the acts was requested this year, and that is what we have.

The KD's and Kappa Psi's do a weird and interesting production act called "Melody Improptu". The story is about a musical composer working on a masterpiece who, after a certain amount of assistance from dancing notes and instruments, finally completes his task.

The Kappa Alpha Theta Sorority does a cute novelty number about hats entitled "Le Chapeau." The setting is in a French hat shop and has Margaret Anderson singing about hats. Her voice is good, but her movements could be more graceful.

"Dust To Dust", an abstract story of a boy in college, is done by the Independent Student Association. The story contains a little philosophy about college life and is done in a serious tone. The idea is good, but it is not performed exceedingly well.

Following the ISA act, the mood changes from serious to gay with "Our Gal Lulu" done by Kappa Kappa Gamma Sorority. It is a curtain act, and it concerns the welcoming back of a girl named Lulu. The act is lively and has colorful costuming.

"The Beat", a production act done by Theta Chi and Kappa Alpha Theta, is the story of a day in the life of a New York City policeman. Art Cervinka does a good job with the vocal end of the show, and Danny Carlson and JoAnn Sinner do a nice romantic dance near the end. However, some of the other dancing in the act is not too smooth.

The Kappa Deltas put on a nice light and entertaining curtain act called "Ring 3". Even though there is not much of a story to the act, it is delightful to watch.

Some clever staging by the Kappa Psi's helps them produce their curtain act. The act features a skeleton digging up the dead in order that they may do a dance to "Dry Bones", which is also the title of the production. The act is entertaining and different.

A calypso beat and eerie electronics sets the scene for the Sigma Phi Delta's production act called "The Perfect Woman". It is about a young engineer who attempts to create a perfect woman. It is a unique act, but it features little talent besides the singing trio. The act even tends to be a little dragged out.

Art Cervinka does another nice job of singing in the Theta Chi five minute act. "De Glory Road" is the story of a Negro revival meeting and its features a vocal solo, dancing girls, and ad libs by the congregation.

The final act of the evening entitled "Not Love At All" has a nice ending. The Kappa Kappa Gamma Alpha Tau Omega production act contains a pretty vocal solo by Ruth Mortenson and features a good dance by Karen Edinger. These two items help cover up the bad first impression received from a slow starting act that does not have the best group singing.

One cannot say that Bison Brevities is terrific, because it is not. One cannot expect it to be. It is done by college students and is, Nevertheless, it is a good evening's entertainment.

# Texas Student Says Students Are Afraid Of Polio Shots

(ACP)—Editors and college administrators across the country have been lamenting the lack of persons who come to health services for polio shots.

Why don't they come, they ask. The usual scapegoat—Apathy—generally gets the credit.

But one University of Texas student tells the Daily Texan in no uncertain terms what he believes the reason is. In a letter, Billy Newton III says:

I believe I can enlighten you on why the majority of UT students have neglected to take their polio shots. It's very simple. They are cowards! Sissies! 'Fraidie Cats!

The horrible truth is that they are afraid of the tiny stick of a hypodermic needle.

I can indeed sympathize. My father is a doctor. My mother is a nurse. I feel like a sieve. Throughout my life I have been injected with vats of cold serum, penicillin—have had blood drawn in gobs—I have a terrific allergy for needles and had just as soon be hit by a streetcar as to be "stuck."

# Audie Murphy Plays In "To Hell And Back"

Next Wednesday night the Student Union Activities Board will present another of their series of feature length films in the Union ballroom.

Audie Murphy will portray himself as he relives his World War II combat experiences in the technicolor feature, "To Hell and Back."

This picture is the true story of one of our country's most decorated war heroes. The story takes the audience through war-torn Europe during the height of the war.

# ASAE To Meet

The NDSC chapter of the American Society of Agricultural Engineers will meet next Thursday evening. Election of officers and discussion on the proposed field trip will highlight the evening.

# NDSC Coeds Spend Summer Months Trying Talents At Variety Of Jobs

By Sonja Oimoen

Summer vacation means to many college students a time when they can try their talents at a variety of summer jobs. Such jobs often prove to be valuable practical experience, either directly or indirectly, in their chosen fields.

NDSC students are no exception to this idea and a series of interviews with some of the college's co-eds help to support this statement.

Janet Brudvik, a sophomore in chemistry education was quick to point out how valuable her summer job will be in her future teaching career. She will be employed at a life guard at her hometown's new swimming pool in Mayville. She explained that "Teaching people how to conquer their fear is one of the most challenging obstacles presented to any instructor, whether it be in the swimming pool or in the classroom."

Susan Wheeler, a senior in English, will also have the opportunity to work with young

people. She plans to be a counselor at girl scout summer camp near her hometown of Mandan. Her phase of counseling will be to accompany the girls on their out-of-doors excursions and teach them the tricks of making the most out of materials supplied by nature.

LaVonne Biel hopes to further her interest in the television demonstration segment of home economics, which is her major. Her summer job as a model for a photographer will provide her with the opportunity of observing a professional's method of handling subject matter in an effective and attractive way. She also adds that the occupation of modeling helps her to gain self confidence and patience—three important ingredients for a successful career in television demonstration.

Lorraine Hanson and Patricia Moore, students in pharmacy, will be working directly with their chosen field this summer. Both of them will be employed in drug stores, which will not only give them good practical experience in the pharmaceutical department, but also will provide for their dealing with customers and working in the other stores' departments.

A vacation in Hawaii will be mixed with employment in either the islands department stores or hotels for Shirleen Schnell and Jan Appeman. The two seniors who are majoring in physical education and home economics respectively, hope to make their tentative plans of such a summer vacation a reality. Employment such as this will give the girls the chance to try their skills in being on their own and making their own decisions.

# Schwartz Named To Preside Over Interfrat Council

George Schwartz, a member of Alpha Gamma Rho fraternity was named president of the Interfraternity council at the organization's recent elections.

Schwartz

Other officers include: vice pres., Don Peterson, Sigma Chi; secretary, Larry Dufault, Kappa Psi; treasurer, Sharon Sheppard, Theta Chi; and reporter, Keith Scheltens, Alpha Tau Omega.

George Pratt of the agricultural engineering department was named faculty advisor.

The IFC coordinates and regulates the activities of the fraternities on campus and is composed of representatives of all the male greek groups.

# Ag Ed Seniors Begin Practice Teaching In 6 N. Dak. Schools

Eleven agricultural education seniors began five weeks of directed teaching April 15, according to Shubel D. Owen, ass't. supervisor of agricultural education. These students are placed in schools in the eastern and central part of the state.

The trainees and their schools are: John Haas and Sylvan Melroe, Lisbon; John Deitz and Nick Zahara, Wahpeton; Clinton Kopp and Holger Fog, LaMoure; Don Schwartz and Reg Gorder, Harvey; Bob Block and James Kenward, Devils Lake; Stanley Samuelson, Casselton.

# Ridin' The Bench . . . by Andy

**Editor's Note:** This column introduces another member of the Spectrum sports staff. His name is Clarence Anderson. An active participant in intramural athletics, Andy joined the sports staff last winter. He and Mac will share the column writing duties this quarter.

In a matter of only a few days, spring sports at NDSC will be in full swing. In the intramural circles, softball is scheduled to get under way next week. Original plans were that play would begin before Easter but the weather put a crimp in that. In order to avoid conflicts with Brevities, games scheduled for this past week were moved to next week.

Several NDSC athletic teams are scheduled to see action this week. The track and tennis squads journeyed to UND on the 23rd, and the SC golf team took on the University golfers the 24th.

Congratulations are in order for Haaven, UND basketball star, for being drafted by the Minneapolis Lakers. Haaven is to report for a tryout sometime this spring. It will be interesting to see if he sticks with the pros.

After all the misery Haaven has caused his North Central Conference opponents with his scoring ability, I certainly hope he makes

I see that Roger Maris is doing extremely well with the Cleveland Indians. Thus far, he is hitting .333, with six hits in

18 at bats. Two of those hits have been home runs.

Maris has here-to-fore been noted as a slow starter in the spring so maybe this will be his year. As most of you know, Maris is a Fargo boy who is getting his chance in the bigtime. His brother, Rudy, played on the Bison baseball team last year.

The ATO's are currently leading the pack in the race for the intramural athletic trophy. This is a traveling trophy and is presented to the intramural organization which compiles the greatest total number of points in athletic competition for the school year. Points are awarded on the basis of attendance, participation, rank in the individual brackets and position of finish in the playoffs.

Three more sports must be completed before the winner is determined. At present, Theta Chi is second, Kappa Psi third, Student Body fourth, AGR fifth and SAE sixth.

This is maybe just a preview of things to come. Erv Huebner, South Dakota State basketball coach, reports that this year's freshman basketball squad was the tallest in the history of the school. It seems his big problem was that most of the players had been centers in high school and had trouble in adjusting to new positions.

## Grid Men Begin Spring Drills With 12 Lettermen Back

The NDSC Bison have started their spring football workouts with hopes for a successful season next fall.

After several days of intensive workouts the men have high spirit and enthusiasm. According to Coach Bob Danielsen there are 35 players out, 12 lettermen, and 15 freshman numeral winners.

The highlight of the football workouts will be the spring scrimmage at Dakotah Field May 10.

Danielsen said that two men are unable to be out for the spring workouts. Gerald Thoraldson has had liver trouble. John Joyce was injured in an accident. The two both proved valuable last fall during the varsity games.

The Fargo Forum switchboard handles 381,000 telephone calls a year.

## UND Tracksters Stomp On Bison In 101-29 Victory

The University of North Dakota track squad defeated the NDSC Bison, 101-29, in a dual meet at Grand Forks Tuesday.

The Bison captured only one first in the fifteen events as Gary Thomasson took the broad jump.

Rain and wind hampered the participants.

NDSC men who placed were:

Thomasson, 3rd, 100-yard dash; Melroe, 2nd, 220-yard dash; Melroe, 2nd and Hjelle 3rd, 440-yard dash; Tucker, 3rd, 880; Shattuck, 2nd and Comstock, 3rd, mile run; Shattuck, 2nd, two-mile; Kjelland, 2nd in 220 low hurdles and 110 high hurdles; Kalnins, 2nd, shot put; Thomason, 1st, broad jump; and Thomasson, 2nd, javelin.

## SC Bowlers Take Part In NDIB Tourney At UND

The NDSC bowling team is at NDU today and tomorrow to take part in the third annual North Dakota Intercollegiate Bowling tournament.

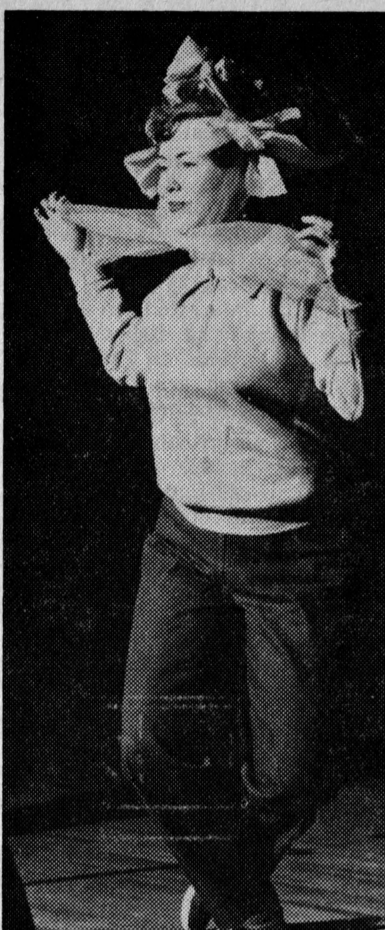

Team members are Chuck Thurm and Jim McGuire both of Fargo, Loren Stangeland of Moorhead, Lowell Barnum of Glencoe, Minn., Lloyd Larsen of Chicago and John Sawyer of Fessenden.

The eight team field includes NDSC, NDU, Valley City Teachers, Jamestown, Bismarck JC, Dickinson Teachers, Wahpeton Science and Minot Teachers (unconfirmed).

NDSC has captured third place for the past two years and Wahpeton is the defending champion for the second straight year.

NDU and Wahpeton rate as tournament favorites on the basis of season play.

Manager of the NDSC bowling team is Gordon Teigen.

Margaret Anderson tightens the bow on a new hat she is examining as she goes through her routine in the Kappa Alpha Theta Bison Brevities act. This act, titled "Le Chapeau," is another of the five 15 minute acts which are being presented this weekend.

## U of M Hosts NSA Minn.-Dak. Convention; To Be Held May 11-12

The Minnesota-Dakotas Region of the United States National Student Association will hold a conference May 11 and 12 at the University of Minnesota for student leaders in Minnesota and North and South Dakota.

The conference will consist of discussion of problems concerning higher education in our area and in the nation.

Approximately one-hundred fifty student leaders will attend the conference which will be keynoted by Arthur Naftalin, Commissioner of Administration, in the state of Minnesota.

Other speakers will include R. I. Meland, Dean, Austin Junior College; Charles L. Lewis, Dean of Men, University of North Dakota; Thomas E. Chamberlain, Dean, University of Minnesota, Duluth; Dr. Hale Aarness, North Dakota State College; and Harold Bakken, president, USNSA.

The program includes discussions of admissions policies, changes in the student's academic program, non-classroom activities, relations with alumni, the role of different kinds of colleges, and programs which can be carried out by campus student government groups.

## NDSC Bridge Club Announces Winners

The NDSC Bridge Club has been meeting regularly every Tuesday night in the dining lounge in the Union.

Winners in this week's competition included: Gordon Kepner, Bud Overbo, Jerry Isensee, Doug Scott, Dick Engh, and Tom Engh.

The meetings are open to all students and faculty members. Play will start at 7:00 p.m. next Tuesday evening.

## Dinan To Be Honored At Sorority Alumni Tea

The NDSC Inter Sorority Alumni Council will sponsor a tea for Miss Pearl Dinan, Dean of Women, tomorrow afternoon from 2 to 4 p.m.

Two representatives from each organization on campus are invited to attend. In addition, all faculty members and their families are invited.

## Strikes And Spares Bowling Tourney To Open May 1

Calling all campus bowlers! The third annual Strikes and Spares Bowling tournament, open to all NDSC students, is set to open May 1 and run through May 10 on the Student Union bowling lanes.

The tourney is sponsored by the Student Union Activities Board and is managed by Gordon Teigen. Tournament rules:

1. A student may bowl twice in the singles but not on the same day.
2. May bowl more than once in the mixed doubles but must change partners.
3. May bowl more than once in the doubles but must change partners.
4. The entrant may only collect one award in each event.

Schedule:

Wednesday — doubles, Thursday — singles, Friday — mixed doubles, Monday — doubles, Tuesday — singles, Wednesday — doubles, Thursday — singles, Friday — mixed doubles.

The awards for the tournament are on display in the window of the AC Bookstore.

Fine Food, Delicious Steaks

Open Till 8:00 P.M. Daily
