The NDSC chapter retained per- cent possession of a scholarship key which is presently awarded the chapter having the highest academic average. The chapter re- ceived the trophy the greatest number of times in ten years gets highest average of all chapters.

The Wisconsin chapter of Kappa Fraternity held a party at their community house for all delegations attending the convention.

ATO's And Kappas Take Spring Sing Honors

Alpha Tau Omega fraternity and Kappa Gamma sorority walked off with top honors in the 1957 edition of Spring Sing. The annual event, held in conjunction with Greek Week, is spon- sored by Alpha Phi Omega national service fraternity.

Following the theme of "Pic- nie," the ATO's song, "Sor-ry With The Fringe On Toe," while the Kappas harmonized on "Allegany Moon." ATO was directed by Dale Jack- son, while LaVonne Biel led the Kappa's "Gone Harrington" served as master of ceremonies for the evening.

Spring Sing is directed by the graduating seniors of a Phi O each year, and this year Bruce Furrum and Vernon Johnson serv- ed as co-directors.

Judges for the evening were Mr. William Weller, Dr. Earl Forman, and Mr. Paul Hanson.

The Gold Star Band, under the direction of Bill Euren presented a short concert before the con- tests took over the spotlight. Winners of last year's contest were Kappa Psi Fraternity and Gamma Phi Beta.

Greek-Week Features Dance, Clean-up, Songfest; Topped By Picnic Tonight

The 1957 edition of Greek Week officially opened Monday night as representatives of the six sor- orities and six fraternities on campus gathered around for a candle lighting ceremony in the Union ballroom.

Miss Dinan Honored At Annual Banquet

Miss Pearl Dinan, retiring Dean of Women was honored at the an- nual Blue Key Doctor of Service Banquet at the Frederick Martin Hotel last Thursday evening.

Miss Dinan was recognized for her contributions to the body and campus of NDSC dur- ing her 47 year service at the school.

During the program Miss Dinan was presented with a television set by Senior Staff, local wom- en's honorary, for her service as an advisor to the organization.

Sandra Ross, retiring Senior Staff president gave Miss Dinan a book which contained letters from Senior Staff members from past years.

Don Schwartz, retiring Blue Key president introduced Blue Key members and officers for the coming year.

Econ Students Plan Tour To Minneapolis

The agricultural economics 269 class will visit Minneapolis Sunday afternoon where they will tour points of interest in the marketing field, according to Mr. William Weiler, chair- man of department.

Mr. Don Anderson, instructor and guide for the group, said that about 48 students are ex- pected to make the trip which will last for two days.

While in Minneapolis the group plans to visit the Grain Exchange, the Grain Terminal Association, Red Owl Stores, Cargill Port and other points of interest.

This tour is an integral part of the course, and is taken by each class in the course of the quarter.

State Quarter is Released From Hospital

Lynn Parkel, State quarterback, was released from the University Hospital where he under- went surgery last Friday.

An injury suffered in the in- ter-squad game May 9 necessi- tated removal of a cartilage from his knee.

Athletic director Les Loydner said Parkel will be on crutches for the next while and that he expects Par- kel to be ready for action next fall.

Rehearsal For Grads Scheduled June 6

Rehearsal for all graduates, both Bachelors and Masters candi- dates will be held June 6 at 3:45 p.m. in Festival Hall.

Degree candi- dates should meet with their school marshall at an hour set by him to form before coming to Fes- tival Hall.

These marshals are as fol- lows: Agriculture, Mr. Nyustuen; Applied Arts and Sciences, Mr. Flynn; Chemistry, Mr. Minnear; Engineering, Mr. E. G. Anderson; Home Economics, Miss B. Varga; Pharmacy, Mr. R. O'Neil; Masters Candidates, Mr. Krone.

Students are directed to contact their marshals on any question concerning the rehearsal.

Attendance at the rehearsal, the barracade service, and the commencement exercises is re- quired of all graduates.

Degree candidates are reminded to report at the bookstore to order their caps and gowns if they have not already done so. These cap and gowns may be picked up on June 6.

Shipmate Varieties Appear On Campus

Last Tuesday the U. S. Navy Recruiting Service presented its Ship- mate Varieties at Festival Hall. This was their 15th performance of the current nation wide tour.

Featuring outstanding entertain- ers from the ranks of the Navy, the performers were standing vocal soloists which were rated by many as the best they had seen or heard.

The Navy Band, under the direction of Bill Euren presented a short concert before the con- tests took over the spotlight.

Winners of last year's contest were Kappa Psi Fraternity and Gamma Phi Beta.

With the Sticks" on the drums.

Don Wyatt, Mike Driscoll, and Luni Mass were selected as the out- standing vocal soloists to appear with the troupe. The above four acts appeared on the 24 Ballad Show recently as part of a special Armed Forces Day show.

This troupe, assembled and pre- sented by the Navy Recruiting Service, is part of the Navy's current recruiting program. Mem- bers of the troupe, which has been on campus this week to out- line the program offered by this service to those interested.

The present tour began in Cinnamin, Long Island, New York, May 6 and will be completed in Washington, D. C. June 24. Dur- ing that time the group will play 43 cities in 31 days.

The show was presented twice here in Fargo. Once at a matinee show on May 12, next Tuesday afternoon and again that evening.

Attention Veterans

Instead of signing at the end of May and again in the middle of June the Veterans Administration has again set just one sign up for the period from May 1 to June 14. The dates for this sign up are June 6 and 7.
Scouting Around  
By Neal Bjornson

And with the advent of another week we find the SC Greeks in the full swing of Greek Week festivities. This is the fourth year the 15 organizations on campus have huddled to pull off the event which has been getting bigger each year.

Not to dampen the spirits of anyone, but I would like to re-emphasize what Bev Pfeffer said at the beginning of the chaplin's Monday meeting. We all realize that the enrollment of our colleges is relatively small, and that we can imagine the enrollment of the institution grows. But if the members of Greek week organizations realize the same and they do not increase their membership it is a problem of simple mathematics to realize that they are going to be in an even decreasing minority.

It’s as easy as going to the SC campus. In fact we have yet to feel it to any great extent. On some campuses however, it has progressed to the point where the administration has taken action to have these organizations return to a more representative what we have which they originated.

I do not advocate a continual increase in the size of the chapters on campus. I realize that such a plan is relatively undesirable, but the day is coming when Greek week organizations across the nation will be forced to take action to preserve themselves.

An increase in the number of organizations on the campuses would be the most feasible answer to such a problem. I do not believe we will see such action on this campus within the immediate future, but it is coming.

I do not wish to dampen any Greek week spirits with this rather depressing note, rather, I would like to make you aware of a problem which does affect all of us who are members of the organization.

Just a note to those who wish to have news in the paper for next week. Due to the Memorial Day holiday on Thursday, the paper will go to press Wednesday morning. That means that the absolute latest dead line for copy will be Monday noon.

For those of you who enjoy a bit of culture in the form of paint­ings and sculpture, it will be well worth your while to wander towards the Library to see the student-faculty art exhibit on display in the lobby on the second floor. The exhibits show a great deal of talent that not many people are aware of.

I didn’t get a chance to say it last week, so I’ll take the oppor­tunity now and extend my congratulations to everyone who received recognition at Honors Day Convocation last week. A special congratulations to the seniors for being selected as the recipient of the annual Doctor of Service Award.

E.I.T. Exam Required  
For Engineering Seniors

"On behalf of the State Board of Control of Professional Engineers, I am pleased to inform you that you have passed the Engineering Training Examination given by the Board of April 27, 1957. A copy of each exam is to be prepared and will be sent you within a few days."

It’s how the letter began which made many NDSC engineering seniors happy this past week. Suddenly students took the examination. Engineering offices had been closed this week, but it is believed that the percentage is high.

The E.I.T. examination was an eight-hour test recommended by the National Council of State Boards of Engineering. It included mathematics, chemistry, physics, soil, concrete and machinery, strength of materials, engineering economy, thermodynamics, etc. The question of that exam is in the form of a professional engineering. Full registration is required to be held only after five years of work in the engineering field.

Change In Walking Habits Is Observed

By Beva Fogley

A casual observation has revealed some marked changes in the walking habits around campus.

Keep up the good work.

There remains one misconception however, that must be cleared. Some students are inclined to believe that sidewalks are placed on streets by any path exits. In some cases this could possibly draw that conclusion. But we are not striving for, nor can we afford, a "concrete"

The administration has turned down the request for sidewalks for, so it remains the student’s responsibility to use and enjoy the sidewalks we already have.

The re-awakening has come—let’s stay awake. Pride in our campus brings results that we and everyone else can see.

The first-grade teacher took a look at little Harry and feared that she was going to have trouble with him. But as she explained arithmetic, she was pleased to note that he was paying very close attention. After she had done several problems on the blackboard, she asked, "Are there any questions?"

Harry had one. "Where do the little numbers go when you run them out?"

Well sir, I found out. Recently I took a trip to Latin America, and every day I thanked my lucky stars for having learned Spanish in college. While my fellow tour­

LANGUAGE MADE SIMPLE: No. 2

Exams loom closer and closer. The sands run out; the chips are down. This, you will agree, is no time for levity.

Accordingly, I have asked the makers of Philip Morris whether I might not dispense with jesting in today's col­

umn and instead devote it to a cram course in languages. Their consent was cheerfully given, for they are fine, great-hearted men, the makers of Philip Morris, just as full of natural goodness as the cigarettes they turn out, just as friendly, just as jolly, just as regular, just as un­

filtered, just as agreeable. "Why, bless you, child!" cried the makers. "Of course!" Then they rumpled my chest­

nut curls and somebody cried "Not it!" and before you could say flip-top box, a game of Squat Tag was on, and we played 'til the moon was over the yardarm, and then, pink and tousled, we all went inside and had flagons of temperance punch and Philip Morris cigarettes and fell into our trundle beds and slept the clock around!

"No, sir," he replied in Spanish. "He is an idle rogue."

"How is thy footman called?" I asked.

Did You Know?

It isn't that women talk too much, it's just that they never say anything worth while when they do.

I hid under a napkin one day down in the Bixon Coffee Shoppe, and managed to catch a sample of typical "women talk." It was enough to make the darn dog die.

The characters, whose names I shall make up, are: Beth, Jane, Ann, Ray and Lou. Their conversation went something like this: Beth: Ugh, this coffee is awful.
Ann: Got a match?
Ray: Have you seen Harvey Green?

ISA Will Hold Dance After Meet

Attention, all ISA members! Something different is on tap for the weekly meeting Monday night.

After the regular 7:00 p.m. business meeting the group will move over to the college "Y" where there will be dancing. Any members of the organization who get tired of parliamentary procedure are especially invited.

Also there is a "big deal" coming up in the near future which will positively interest all members. Everyone be sure to come to the meeting and get in on it. You won't want to be left out.

Old Card Game On Display In Library

By Dale White

Attention, card sharks! Did you ever wonder where your favorite pastime came from?

If you will go to the NDSC library you will find the game that is said to have been the grandpa of the modern card game. This game is Mah-Jongg, it originated in China in the 19th century. It is seldom seen or played today and the sets are fast becoming collector's items. The game has been placed on display by Dean Stalings, librarian. He values it at more than $100.

The set consists of a wooden case with drawers, containing 144 small ivory and bamboo tiles, divided into 6 suits, and small ivory sticks used to keep score. It is played much like our gin-rummy, but is rather more complicated and the scoring combinations are higher. There is considerable skill to playing it.

Members of the Independent Student's Association have been placing signs such as the one above on campus in the last week. This is part of an effort by ISA and Student Senate to cut down on the traffic across our lawns.

Another Picnic

The Inter Religious Council is sponsoring a picnic at Lindenwood Park this Sunday. The picnic is scheduled for 3:30 p.m. and everyone is invited. Entertainment is planned for the evening.

Robert Cook To Head Gamma Delta

Robert Cook was chosen head of Gamma Delta at the final annual meeting of the year. Other new officers include: president, secretary Elaine Mills; and treasurer Jim Ueceret.

A picnic will be held Sunday May 26 at Buffalo State Park near Glyndon, Minn. Cars will leave the Immanuel Lutheran Church at 2 p.m.

Phillips, Miller, Speak At Rho Chi Banquet

Kappa Chapter of Rho Chi, Philosophy, has been invited to hold a picnic on Tuesday afternoon at the Silver Moon Cafe in Moorhead. President of Rho Chi will be in charge of ceremonies.

The event was highlighted by initiation of sixteen new members.

The new members are: Gene Aipperspach, Daniel Barcine, James Bracelin, Frederick Bergman, Roberta Enger, Donald Gibson, Howard Harjes, Ingrid Lemons, Patricia Moore, Delbert Nemir, James Parkin, Ervin Reuther, one Sapczynski, Robert Storey, and four students, Richard O'Neill, Louise Hopkins, and Marvin Malmberg.

Dr. Ralph Powell, a debate instructor at NDSC, spoke on the importance of membership in honor societies.

Dean Clifton E. Miller gave report of work of the National Convention of Rho Chi held in New York during a month of May.

IRC To Sponsor All College Picnic

A German Band will be the main attraction at the Inter, High School, College and Academy, All College Picnic which will be held Sunday, May 26 at Lindenwood Park at 5 p.m.

The picnic is for everyone on campus. There will be recreational program and singing. Rides will be available at the "Y." It is sponsored by the individual groups. Suppers will be 50c per person.

In charge of the outing are Poley Maslon, food; Jim Undeit, programs; Delbert Nemir, transportation; and Clyde Blansfield, publicity.

In case of rain, the picnic will be in the shelter at Lindenwood Park.

Ritchie To Head Tryout

Karen Ritchie was elected president of Tryout for the coming year at a general meeting Tuesday May 14.

Other officers are Karen En dorf, vice-president; Diane Berndt, secretary; and Dave Fiedler, treasurer.

Last year's work was evaluated and suggestions for improvement were made. A tentative schedule was set up for next year.
Mountain Named Top SUAB Member
Bob Mountain has been named Student Union Activities Board member of the month for April, according to Mrs. Esther Taft, Union Activities Coordinator.

A junior in agriculture, Bob has served on the house and hospitality committee of the Union Board for the last two years.

Besides his work with the Union, he is a member of Alpha Gamma Phi, Saddle and Sirloin, and is active in livestock judging work.

As a special feature for Greek Week, the Student Union Activities Board has set up a display of replica of fraternity and sorority pins in the lower lobby of the Union. The publicity and creative art committees are responsible for the work.

Art Show Winners Announced: Works Still On Display
Richard Wanda, Arlene Hedahl, and Lyle Peterson were announced as winners in the Student Faculty Art Show in the library. Mr. Richard Lyova, English instructor, was head of the show.

Richard Wanda's entry was an oil painting of "Pastel on Paper," a natural art piece in the lower lobby of the library. Only the entries of the students were judged by Cyrus Running, of the Concordia Art Dept. Approximately 40 works of art were exhibited. These are still on display in the library.

Peterson To Head Engineering Honorary
J. K. Peterson was elected president of Pi Upsilon chapter of Phi Tau Sigma, national honorary mechanical engineering fraternity, at recent meeting of the organization.

Other officers for the coming year include: Earl Dahlb, vice-president; Ken Duerr, recording secretary; Richard Wilson, corresponding secretary; John Prusby, treasurer; and professor C. O. Anderson, faculty advisor.

By Clarence Anderson

Fifteen years ago Andrew Teschendorf came to NDSC as athletic equipment manager and athletic department junior. Since Andy, as he is commonly known, has become an established name in the State athletic department.

His job has brought him into contact with hundreds of athletes who have represented State in the last decade and a half.

Andy has served under eight head football coaches, beginning with Bob Lowe on up to Bob Danielson, present coach.

Born on a farm near Lesueur, Minn., in 1908, Andy worked with the Menasha Wooden Ware Company for 15 years before coming to State. In his words, "This surely is the most wonderful experience in 15 athletic circles, he singles out the 1946 football team as the top squad which he has seen. Some of the members of that powerhouse were the Vigil brothers, Charlie Basch, Stan Coitch, Nick Souls and Paul Moore."

As far as individual players are concerned Andy considers Charlie Basch as the top football performer of the past 15 years. Basch, a breathtakingly rugged end, played for a year and a half before his collegiate athletic career was cut short by an injury.

Other football stars Andy rates as truly outstanding were Bob Lauf, Lavern Fresh and Bony Bobrock.

In basketball, Andy singles out Basch, Durant and Thorsen as the best he has seen.

As the top all-around athlete Andy named Bob Lauf of LaMoure, N. D. Lauf pitched for the baseball team in addition to earning all-conference honors at tackle and center on the basketball squad. Andy described next fall's football team as a better-than-average long-distance addition to earning all-conference honors at tackle and center on the basketball squad.

A year and a half before his 2nd win of the season as a better-than-average long-distance addition to earning all-conference honors at tackle and center on the basketball squad. He believes they were behind the three-hit pitching of Bill Burtiness in the afternoon game of a doubleheader held at Grand Forks May 16th.

The Bison opened scoring in the 1st when Burtiness got on base via an error, Ron Zettnick drove him in with a triple which was followed by Phil Rud's single. In the 5th, they pushed across 2 more runs on an error, a walk, a single by Zettnick, and a double by Thayer.

The 2nd game was won by the Sioux as the Bison were shut out after the 1st when they scored two runs on three walks an error, and a single by Rudn.

Botany Class On No. Dak. Field Trip; To Study Native Vegetation In Badlands

The Botany 406 (Range Management) class went on their annual field trip this week. Dr. Loren Potter is the director of the group. They will study experimental grazing trials and grass breeding programs at the Northern Plains Experiment Station.

Visitations of four central and western counties in N. Dak. are planned to obtain first hand information on use of native ranges, grazing rates, winter feeding reserves and range development programs.

After a review of Dr. Whitman's research on the effects of clipping on forage production of native ranges, fertilizer trials and supplementary pastures at the Dickinson Experiment Station, the class will spend several days working in the Little Missouri badlands area. They will study practical methods of analysis of range composition and conditions such as used by the governmental and research agencies.

The field work will also include an analysis of the forage value of the ponderosa pine type northwest of Medora, and a yearly study of the effect of prairie dog towns on the range vegetation which is conducted at Roosevelt Memorial Park near Medora. The class will camp out in the badlands as headquarters for the field trip.

Memorial Day Tomorrow; What Does It Mean To You?

A national holiday in the United States, designated for honoring dead members of the armed forces.

Let us keep in mind why these people were killed. They were men and women who protected our county from the threat of tyranny during the Spanish American War, the first and second World Wars and the more recent Korean conflict.

Tomorrow is "hallowed by the blood of the sacrifice" and we will honor those who paid the ultimate price.
