

Yearbook To Be Distributed Monday; Glossy Photos Available At Office

The 1957 edition of the Bison Annual will be distributed to State students starting next Monday, according to Reg Gorder, editor of the book.

The annual is scheduled to be delivered to the campus some-

time this week, and distribution will begin Monday morning.

Students will be requested to present their Spring Quarter activity ticket to receive a book, and any student who has not attended all three quarters of school during the current year may get a book by paying the additional fee required.

Gorder also stated that Greeks and seniors may still pick up their glossy photos which were used for the book this afternoon and Friday. They are available at the publications office in the Union.

Tarnavsky To Head Engineering Council

Officers for the 1957-58 school year were named at the last regular meeting of the Engineering Council last week. Named as president of the group was Thomas Tarnavsky.

Other officers include: John Anderson, vice president; Eugene Linhart, secretary; and Guy Midtbo, treasurer. Henry Kucera was named faculty advisor.

The Engineering Council is composed of representatives of the various engineering societies and coordinates the activities of the School of Engineering throughout the year.

Bergeson New Prexy Of Pharmic Fraternity

Rho Chi, national honorary pharmacy fraternity, recently named Harold Bergeson as the 1957-58 president of the group.

Other officers include: Don Gibson, vice president; Loretta Aipperspach, secretary-treasurer; and Ingrid Lemberg, historian.

Memorial Day Tomorrow; What Does It Mean To You?

No school tomorrow! That's what the administration says.

As college students we look to this as a blessing simply because it means we can sleep later tomorrow, no labs in the afternoon, and we will be able to take off for the lakes and a little fishing and absorption of sunshine.

This is mighty fine, but let us remember what the purpose behind Memorial Day is. It is a

national holiday in the United States, designated for honoring dead members of the armed forces.

Let us keep in mind why these people were members of the armed services. They were men and women who protected our country from the threat of tyranny during the Spanish American War, the first and second World Wars and the more recent Korean conflict.

Tomorrow special services will be held by American Legion, VFW, and other veterans organizations all across the country. Let each of us, veterans and non-veterans alike, take stock of ourselves and the world once more. Let us, even

though it is not the time for New Year's resolutions, make a vow to work, in our own small way, for a lasting world peace.

Oil, Mining Groups Sponsor Grants To Undergraduates

To stimulate research in the geology and mineral resources of the Northwestern United States, a group of oil and mining companies and other groups have sponsored a series of scholarships over the past eight years.

To date some 25 graduate and undergraduate students at NDSC have participated in this program.

Annual stipends under the program are dependent upon the scope of the project and may range in some instances to well over \$1000. Between \$25,000 and \$50,000 is available for possible allocation in the current year.

The program is administered by Dr. W. D. Pye of the Fargo Geological Services, Box 2685, Fargo, North Dakota, an organization established several years ago to handle the scholarships.

Further information may be obtained by writing to this address or contacting Dr. Pye in Minard Hall.

Jean Ann Nelson Is Air Deb Colonel

Jean Ann Nelson recently was chosen the new colonel of Air Debs. Other officers are Susan Wheeler, executive officer; Joyce Tucker, secretary; Pat Hagen, treasurer; Jan Christopher, uniforms officer; Janice Anderson, publicity officer; and social officer, Lois Williams.

Ten freshman and sophomore girls were selected for membership.

They are JoAnn Garaas, Sue McCone, Jan Dietrich, Sharon Elliot, Lorraine Hanson, Janet Kippen, Lavonne Schwartz, Sharon Mische, Carol Staube, and Maureen Steigman.

Aipperspach Re-elected Kappa Epsilon Head

Loretta Aipperspach, pharmacy junior, was re-elected president of Kappa Epsilon, national professional pharmacy sorority for women.

Other officers include: Lorraine Hanson, vice president; Mary Pfeiffer, secretary; Ingrid Lemburg, treasurer; Kathleen Pfeiffer, historian; and Mary Meckstroth, editor.

Recently initiated into the group were Kathleen Pfeiffer, Lorraine Hanson, Judy Ozbun, and Peggy Comstock.

A banquet was held on May 28 in commemoration of the founding of Kappa Epsilon. Attending were active and alumni members, wives of the faculty members of the School of Pharmacy and Dr. Murial Vinvent.

Loretta Aipperspach directed the program which included national convention highlights and a resume of awards received by KE members.

Industrial Eng's To Hold Last Meeting

"Steel in the Making" will be the topic discussed by the American Steel and Wire Company of Duluth, Minn. at the Industrial Engineers last meeting this quarter.

The meeting will be held June 5 at 7:30 in Meineke Lounge in the Student Union. Visitors and guests are welcome.

Freshman Girls Chosen As New Cheerleaders

Four freshman girls were chosen cheerleaders for the coming year at the tryouts held May 21.

They are Linda Nelson, Margaret Benedict, Sally Davis, and Janet Kippen.

Sharon Mische and Karen Edinger from this year's squad will also be yell leaders.

Debate Members Get Awards At Banquet

Awards of merit for excellence in debate were presented at a banquet given for NDSC debaters May 18.

Robert Brake, John Pancratz, Delores Jendro and Richard Wands were honored. Paul Cray was named the most improved debater.

Highlight of the evening was a debate between Dr. Gerald Phillips, director of debate, and Dr. Fredrick Walsh, chairman of the speech department, and two students, Robert Brake and Delores Jendro.

Students End Zoo Lab With Coffee And Cookie Break

The way to keep students happy is to feed them. This is the opinion of the students in zoology lab. 262.

After an exceptionally long lab last week Richard Schnell, graduate assistant in zoology, along with the help of Janet Christopher and Joyce Idler, served coffee and cookies to the class.

This replaced the usual lab test. Although tests have their place, any student will agree a change, especially at the end of the quarter, is welcome.

One student had this to say, "We respect a teacher who will cater to our wishes occasionally. It makes us feel we owe him something in return — thus we study."

Small Businessman Defends Big Business

Bigness in business was defended recently by a "small" businessman who spoke at the annual meeting of the Dairy Institute of California.

C. Raymond Brock, president of the Milk Industry Foundation, an international association of fluid milk dealers, told California dairymen that "In my opinion, bigness of itself is not and should not be a crime, and I believe it is not so construed, so long as industry remains competitive, and competition is not placed in jeopardy."

He added: "No one or no agency can long protect ineffective or inefficient operators of business—large or small."

Graduation Rehearsal Set

Rehearsal for all graduates, both Bachelors and Masters candidates, will be held June 6 at 3:45 p.m. in Festival Hall. Degree candidates should meet with their school marshalls at an hour set by him to form before coming to Festival Hall.

These marshalls are as follows: Agriculture, Mr. Nystuen; Applied Arts and Sciences, Mr. Flynn; Chemistry, Mr. Mianear; Engineering, Mr. E. G. Anderson; Home

Economics, Miss E. Vergin; Pharmacy, Mr. R. O'Neill, and Masters Candidates, Mr. Krong.

Students are directed to contact their marshalls, on any questions concerning the rehearsal.

Attendance at the rehearsal, the baccalaureate service, and the commencement exercises is required of all graduates.

Degree candidates are reminded to report at the bookstore to order their caps and gowns if they have

not already done so. These caps and gowns may be picked up on June 6.

Announcements Ready

Graduation announcements are now available at the Office of Admissions and Records. Each graduate is entitled to 5 announcements. Additional ones are available at 10c each.

Dallas Heidt Captures First Place In Annual Spring Judging Contest

Dallas Heidt, a junior in animal husbandry, won first place in the annual spring livestock judging

contest held last Saturday. Heidt was also high man in the beef division of the contest.

Robert Cook was top man in sheep judging, while Howard Lahlum topped the swine division. Each of these men received a trophy.

In a special feature of the contest Cook was awarded a trophy as high man in oral reasons.

Wayne Hankel was the high individual in the freshman-sophomore division of the contest.

There were 26 men in the contest which was staged by the senior judging team.

The top ten were Heidt, Cook, Lahlum, Howard Schmid, Leroy Odegard, Hankel, Bob Mountain, Floyd Askim, Doug Richman and George Senechal.

In the meats contest held May 23 James Schumacher was high individual, LaVerne Kreft was second, and Lahlum third. In the junior division of the contest Lahlum placed first, Henry Singer second, and Ken Fuhrman third. Schumacher also topped the senior division, Kreft was second, and Jerry Pekas third. The men received ribbons and tie clasps as awards.

SUAB Plans Last Meeting Of Year; Discuss Union Week

A general meeting of the Student Union Activities Board is scheduled for 5:00 p.m. next Thursday in Conference Rooms 1, 2, and 3.

This meeting will be the last general board meeting of the year, and plans for next fall's Union Week will be discussed.

Nelson, Reber Address New Air Deb Members

New Air Deb members were honored May 28 at a luncheon in Ceres Hall at 12:15.

Commander Jean Ann Nelson welcomed the group and Darrell Reber, representative from the Arnold Air Society gave a short talk about the Air Force.

Scouting Around - - -

By Neal Bjornson

Don't be alarmed, we don't plan to make a habit of putting the paper out on Wednesday. Reason for it this week is the Memorial Day holiday.

With a day of rest and relaxation coming tomorrow it isn't difficult to envision a multitude of Staters heading for the lakes. Fishing season is open, swimming, water skiing, and boating should be good, and, of course, if these prove too strenuous there is always the good loaf in the sun.

Have a ball but be careful. Classes tomorrow remember.

Short paper this week, so that means that I won't be able to use much of the space. Just a word on the proposed campus news bureau. Anyone interested in working on the staff of such an organization is urged to contact me at The Spectrum office or the Alpha Gamma Rho house. Any time of the day or night.

Roses to the Tau's and Kappa's for carrying off the trophies in the annual songfest. Plaudits also to the production staff of the affair. Alpha Phi Omega, the sponsoring organization, is one of those organizations that you don't hear too much about. They let actions speak louder than words.

Socially Speaking . . .

By Jean Anderson

THIS column is meant for you. TODAY is WEDNESDAY, and WHAT, you may ask, is the Spectrum doing out today??

Somewhere someone started a rumor that college students cut classes, and especially the day after a holiday, and tomorrow IS Memorial Day sooo there you are and here we are with very little gossip because hardly anybody paid any attention to a Monday deadline. Ah, the sad life of a newspaper reporter.

WEDDING on June 15 will be ATO Jim Lowe and Kappa alum Phyllis Hendrickson, now teaching in Breckenridge.

AND Gamma Phi Joyce Berg will tie the knot in Bottineau with Reg Gorder, local AGR about campus on June 22.

AT THE GPB-KD term party last weekend diamonds were popular gifts. ATO Chuck Steffan presented Gamma Phi alum Maggie Lillestol with a sparkler, and

KD prexy Joyce Ericksmon and past pres of SAE Hank Trangsrud announced their engagement with an emerald cut diamond, and

SIG Don Peterson slipped the ring on KD Jan Saba's finger. SO

MONDAY nite there were serenades galore. Et cetera with cigars, candy, roses, and all that.

AND the Sweetheart of SAE, Jean Ann Nelson, received some lovely roses and songs as a final gift. New sweetheart this weekend.

ANOTHER wedding this spring will be that of Hal Miller, Theta Chi alum, and Pat Monson, KKG alum on May 30.

KD AFFILIATE Shryla Wachman now wears a sparkler from Mike Getchel of Mattoon, Illinois.

SENIOR BREAKFASTS Sunday morning were held by the Gamma Phis and KDs . . . and the morning after the term party, after that.

THETA seniors will be honored Wednesday at a dinner.

SCHOLARSHIP awards went to the following KDs: Pat Roberts, high pledge scholar; Carole Mandigo, high active scholar; Donna Barstad, most improved active scholar; Georgia Ann Saar, most improved pledge scholar; and chapter contribution awards were given to Joyce Ericksmon and Sue Wheeler.

TERM PARTY tonite at the Moorhead Country Club when the Thetas don party duds.

QUOTE: Reeb and Sal (Reeber and Fossay) may tie the marital knot before the summer is over. DON'T BLAME ME FOR THIS!!

ELMER, the big boss up here union-ways at night says GO HOME! So I will. Bye.

Alums Question Calibre Of Spring Sing MCing

To The Spectrum:

Congratulations to Alpha Phi Omega for continuing one of NDSC's most interesting and worthwhile traditions—the Spring Sing. Congratulations also to the superb Golf Star band, and its director, Bill Euren.

Congratulations to every organization that participated in the "Sings". Whether large or small groups, they showed pride in their organizations, and eagerness to produce the very best they could.

Some were "Tops". Hats off to student directors that can get some of the fine results they did, the best we've heard for a long time.

But NO congratulations to the brand of MC'ing. Of that we are deeply ashamed. To have a really fine evening of entertainment ruined by such a display of horrible taste and poor judgment is to say the least, disappointing.

It was not acceptable to anyone, and such calibre of public presentation is not harmonious with either the program, or the standards which the North Dakota State College stands for.

Our hope is that such "rubble" will never be repeated in any public performance again at NDSC.

"A Group of Alumni"

Names withheld because it wouldn't do anyone any good to print them—but the above is not only the consensus of the group writing this, but of every one one talks to.

Track Picture Slated

All members of the NDSC track team are requested to report to the Fieldhouse next Tuesday afternoon at 4 p.m. Pictures for the annual will be taken at this time.

VALEDICTORY

With this column I complete my third year of writing for Philip Morris.

It has been my custom in the final column of each year to forego any attempts at humor, because you, dear readers, have had your funnybones so frozen by the cold wind of impending final exams that it is futile to try to get a laugh out of you; and because in this last column of the year we are saying goodbye, and goodbyes are occasions for sweet solemnity, not slapdash foolery.

Today my heart is full. I am grateful, first of all, to the Philip Morris Company who make this column possible. They have given me a completely free hand in the choice of subject matter; they have not tampered in any way with my copy; they have been unfailingly courteous and helpful. I wish to take this occasion to extend heartfelt thanks to the makers of Philip Morris for their most touching kindness, and to notify them that if we renew our association for another year, I shall require a substantial increase in salary.

Second, I should like to tender my thanks to you, dear readers. A writer's life is not an easy one. There are an appalling number of hazards—a drought of ideas, for one; catching your necktie in the roller of your typewriter, for another—and when a writer is blessed, as I have been, with an audience as alert, as bright, as intelligent as you, dear readers, then he must take his hat in his hand and his necktie out of the typewriter and humbly give thanks.

"Thank you for being dear. Thank you for being readers."

This, dear readers, I now do. Thanks for being dear. Thanks for being readers.

Finally, I wish to thank the tobacconists of America who make it possible for us to buy our Philip Morris Cigarettes by the pack. If there were no tobacconists, we should have to buy our Philip Morris direct from the factory in boxcar lots. This would present grave storage problems to those of us who live in dormitories and other substandard dwellings.

I hope, by the way, that you have been to your tobacconist's lately and bought some Philip Morris Cigarettes. I have been trying to beguile you into smoking Philip Morris Cigarettes by means of what advertising men call the "soft sell." Indeed, I have occasionally gone beyond the soft sell into the "limp" or "flabby" sell. I hope my pulpy merchandising has had its effect, for here is an enchanting cigarette, pure, natural pleasure, a joy, a jewel, a haven to the storm-tossed, a bower to the weary. And in addition to being a haven, a bower, and all like that, Philip Morris is a boon to the absent minded. No matter which end you light, you're right!

And so goodbye. Go in peace, go in content. May good fortune attend your ventures, may love and laughter brighten the corners where you are. See you, hey.

© Max Shulman, 1957

It's been a great pleasure for us, the makers of Philip Morris, to bring you this monument to the soft sell each week. Till next year, goodbye, good luck, and good smoking—with natural Philip Morris, of corris!

I-M Athletic Board Announces Point System For Choosing I-M Champion

The following is the basis for determining the intramural athletic champion each year. This point system was set up to increase interest and participation in intramural athletics, and the organization with the greatest number of points at the end of the school year will be awarded a traveling trophy.

This organization will have its name and the year in which it won engraved on the trophy. The first organization to win the trophy three years, not necessarily consecutively, will retain permanent possession of it. This year's trophy will be awarded following completion of the intramural track meet.

1. Team sports (basketball, bowling, golf, softball, touch football, track and volleyball)
 - A. Each competing organization will get no more than 20 points in the team sport. All teams entered from each organization must play the entire schedule to get the 20 points. Five points will be deducted for each forfeit. A team that forfeits three games will be dropped from the league and the organization it represents will lose all 20 points.
 - B. A bracket champion will receive 20 points; 2nd place, 15 points; 3rd place, 10 points; 4th place, 5 points;
 - C. The All-State champion will get 30 points; second place, 25 points; third place, 20 points; fourth place, 15 points. A team forfeiting a play-off game will lose place points.

If an organization has more than one team, the following rule shall apply: Points will be awarded for the team which has the highest standing in all the leagues and will represent the organization in the play-offs; the other team will not be considered.

2. Individual tournaments
 - Singles and Doubles; Bowling, golf, table tennis, tennis and track.
 - Bowling—Highest individual score—10 points. Second place individual seasonal score—5 points.
 - Golf Medalist—10 points. Runnerup—5 points.
 - Table tennis—Winner — 10 points. Runnerup—5 points.

Tennis—Winner — 10 points. Runnerup—5 points.

Four points are awarded an organization for each representative in the quarterfinals, provided he does not forfeit any matches in the succeeding rounds.

Track — Highest individual points—10 points. Second highest individual points—5 points.

Scoring for each event in track will be 5, 4, 3, 2, 1 for the first five places and these points will go towards determining the team champion.

ISTC Relay Team Boasts Fourth Best Time In Nation

Iowa Teachers' outstanding shuttle hurdle relay team holds the fourth best time in the nation, according to figures released by the National Collegiate Athletic Association.

The Tutor team has traveled the 480 yard distance in 1:01.9, which is 3.5 seconds off the intercollegiate record set by Missouri this spring. Other colleges with better times than Teachers are Nebraska and Notre Dame.

Sports Scribe Lists Coming Changes In Athletic Dept.

News from Bisonville — The NDSC athletic program is undergoing some revising that should make SC more inviting to prospective athletes that are graduating from high school this spring and to the athletes on our campus that are not out for sports.

A cross-country event and wrestling will be introduced to the Bison campus next year for the first time. A new practice field for football is being grown (the grass is growing on the new field) west of the married students housing apartments and a new man will be added to the coaching staff soon.

The track and baseball programs, down slightly this year, are emphasized in the new building program.

The responsibility of recruiting students for NDSC does not lie entirely with the administration of each department. The individual student could be the most potent recruiting weapon of the college. Many prospective students are undecided about the selection of their college and often a word from a present student is enough to sway the decision.

High pressure is not the answer but a good word now and then could mean a lot over a relatively short period to the future of NDSC.

I do not doubt that before long this college will be the largest in the state. The building program underway in every

I-M Softball Results And Standings

Due to inclement weather, there was only one day's play in intramural softball last week. Results were: Coop 17—YMCA 1, AGR No. 2 11—LSA 9, Kappa Psi 2—SPD 1, Student Union 6—SAE 3

Unofficial softball standings as of May 24 are:

Bracket No. 1	W	L	Pct.
AGR No. 1	4	0	1.000
Farmhouse	3	1	.750
Kappa Psi	3	1	.750
SPD	2	2	.500
Coop	2	2	.500
TKE	1	3	.250
Sigma Chi	1	3	.250
YMCA	0	4	.000

Bracket No. 2	W	L	Pct.
Student Union	4	0	1.000

Theta Chi	3	1	.750
SAE	3	1	.750
AGR No. 2	2	2	.500
ASCE	1	2	.333
LSA	1	3	.250
ATO	0	2	.000
ISA	0	3	.000

Vets Must Sign

Instead of signing at the end of May and again in the middle of June, the Veterans Administration has again set just one sign up for the period from May 1 to June 14. The dates for this sign up are June 6 and 7.

Students Turn Thumbs Down On Date Bureau System

Minneapolis—(ACP)—Three out of every four college students want to be able to arrange their own dating while attending college. They make it quite clear that dating is a personal prerogative and the college administration should keep its "hands off." But some students feel "date bureaus" might be able to play a useful role in some situations on some campuses.

Student comment on this issue was gathered when Associated Collegiate Press asked the following question of a representative national cross-section of college students:

Do you think colleges should set up "date bureaus" for their students, or do you feel students get their own dates without any trouble?

The results:

Yes, set up bureaus	Men	Women	Total
.....16%	16%	17%	16%
No, students get own dates74%	75%	75%
Undecided10%	8%	9%

The figures show that there is little difference in the opinions of college men and women on this question. Students favoring "date bureaus" feel they would be a good thing for shy students, or for freshmen with few acquaintances.

Others believe "date bureaus" would be helpful on special occasions, some think boys or girls colleges could make good use of them since students attending these institutions don't have the opportunity that students at co-educational institutions have to meet members of the opposite sex.

Here are a few comments typical of students holding these opinions: "A bureau should be set up for special events such as a banquet when numbers of students don't attend because of no date," is the feeling of a sophomore coed at Mississippi College (Clinton). An Oswego State Teachers College (Oswego, N. Y.) freshman states: "Some of the students are a little shy and a date bureau would help them get started in their social life."

"If it were run right it would be OK. You can meet a lot of nice guys on blind dates. The fun you have is up to the persons," is the way a senior coed at St. Catherine's College (St. Paul, Minn.) puts it.

Students opposed to the idea of "date bureaus" often term the idea "ridiculous." Most state that they can handle their own per-

sonal affairs. Others say blind dates just don't seem to work out too well.

A Villanova University (Villanova, Pa.) senior thinks that "college life should breed a little initiative in every student and a

Northern Illinois State College (DeKalb) freshman coed says: "If they can't get their own dates they should forget it." A Lynchburg College (Lynchburg, Va.) senior says rather emphatically: "I'll handle my own affairs, thank you!"

Sticklers!

LAST CALL FOR STICKLERS!

We're still shelling out \$25 for every Stickler we accept—and we're still accepting plenty! But if you want to cut yourself in, you've got to start sticking NOW! Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. Send your Sticklers (as many as you want—the more you send, the better your chance of winning!) to Happy-Joe-Lucky, Box 67A, Mt. Vernon, N. Y. NOW! TODAY! PRONTO!

YOU'VE PROBABLY HEARD of torch songs (music to cry by), Air Force songs (music to fly by), and Aloha songs (music to bye-bye). The Lucky Strike song is music to buy by: it's a pretty ditty that's devoted strictly to Luckies. Naturally, that makes it a *Cheerful Earful!* It reminds you that Luckies are tops and that better taste is the pleasin' reason. Luckies' taste comes from fine tobacco—mild, good-tasting tobacco that's TOASTED to taste even better. So, as the jingle says, "Light up a Lucky, it's light-up time!" You'll say it's the best-tasting cigarette you ever smoked!

Luckies Taste Better
