**Students Turn Thumbs Down on Date Bureau System**

Minneapolis, Minn. (AP)—There are a lot of college dates, but many of them are only temporary. Students do not date to find a husband, they date to have fun. 

A Villanova University (Village, Pa.) senior thinks that "men are a little bit more casual than they used to be. They don't want to settle down yet, and they don't want to be tied down, either. They don't want to be married yet. They want to have fun." 

A woman at the same school agrees, saying, "I don't want to be married yet. I want to have fun."

"5-7357"

Do you think colleges should put out a "date bureau" for students, or do you feel students get their own dates without it? 

The results:

Yes, all of you. Without Total billionaire 1 17% 18% 
No, students get it on their own 89% 95% 95%

Students think that a "date bureau" should be organized in the college administration building.

Others believe that a "date bureau" could be helpful and should be organized in the college administration building. Some feel that a "date bureau" could be harmful and should not be organized in the college administration building. Others have mixed feelings about a "date bureau" and feel that it should be organized in the college administration building.

**LAST CALL FOR STICKLERS!**

We're still calling out $50 for every Stickler we get in. If you don't have one, make sure you get one! The Sticklers have been a great success so far, and we're hoping to continue the trend. If you're interested, please contact us at 555-1234.

**WHAT IS THE LUCKY STRIKE JINGLE?**

Lucky Strike is a popular brand of cigarettes, and the Lucky Strike Jingle is a catchy tune associated with the brand.

YOURS PROBABLY HEARD OF "SOYU" (music to cry by), Air Force music (sung as "fly by"), and "Aloha" (sung to "by-bye"). The Lucky Strike Jingle is to music by: It's a pretty ditty shot devoted exclusively to Lucky. Naturally, that makes it a Cheerful Bicolor! It reminds you that Luckies are tops and that better taste is the pleasure's reason. Luckies' taste comes from fine tobacco—mill, good-tasting tobacco that's TOASTED to taste even better. So, the Jingle says, "Light up a Lucky. It's light-up-time!"

**Lucky Strike Taste Better**

"IT'S TOASTED" TO TASTE BETTER...CLEANER, FRESHER, SMOOTHER!

The use of the word "Lucky" in the title of the jingle may be a play on words, as it is also the name of a brand of cigarettes.

**END OF THE DAY DATEBOOK**

**WHAT IS AN INCOME FACTORY**

Income Factory is a term used to describe a business or organization that generates income through various means, such as sales, subscriptions, or memberships. 

**WHAT IS A LICKER?**

Lickers are individuals who are skilled in the art of making cigarettes, and are often referred to as "dabbers" or "lickers." They are considered to be experts in the field of cigarette making.

**WHAT IS A HEALTH FACTORY**

Health Factory is a term used to describe a business or organization that focuses on promoting health and wellness, such as a gym or a nutrition center.

**WHAT IS A CANARY ARCHERY**

This College Offers Competent Training To Aid Students To Reach Success

North Dakota State College is one of the leading educational institutions with a strong focus on developing competent training programs for students. It is important that you realize that the most important factor in your college education is the quality of your courses and the faculty. Too many students, upon leaving college, have nothing to show for their time except a diploma and some credit. The degree is simply a symbol of your education, and the knowledge and skills you gain in college are what truly count.

Many students, upon entering college, have no idea of the college they will go to or the courses they will take. They choose the college they will enter based on what they have heard about it and what they think they will enjoy. However, it is important to consider what field you are interested in and what you want to do with your education.

North Dakota State College offers programs in various fields such as business, engineering, agriculture, and more. The college's mission is to provide a comprehensive education to students, preparing them for successful careers.

The college offers a wide range of courses and majors, ensuring that students can choose the path that aligns with their interests and career goals. With a focus on practical and theoretical knowledge, students are equipped with the skills needed to succeed in their chosen fields.

The college重视研究 and offers opportunities for students to engage in research and projects, fostering a deeper understanding of their disciplines. This hands-on experience is invaluable for students as they prepare for their future careers.

From The Editors Desk

John Horan

The importance of education is evident in the multitude of educational institutions across the globe. In North Dakota State College, there is a strong emphasis on providing students with a comprehensive education that prepares them for success in their chosen fields. The college's commitment to excellence is reflected in its mission to educate and prepare students for leadership roles in the community and beyond.

Socially Speaking

Radio Station On Campus Operated By Student Students

Radio station KDSK, North Dakota State College's student-run radio station, is a valuable resource for students on campus. It provides a platform for students to express their interests and perspectives through music, programming, and news.

KDSK, also known as "The Student Voice," operates as a student-run station, giving students a chance to gain valuable experience in the realm of broadcasting. The station supports students in developing their skills in various aspects of the media industry.

KDSK broadcasts a variety of programming, including music, news, and events related to the North Dakota State College campus and the surrounding community.

NDSC President Offers Advice To Prospective College Students

Dr. Waltz

No matter what field you choose to pursue, it's important to stay curious, be open to new experiences, and always strive to learn. In college, you have the opportunity to explore different paths and discover your passions. Remember, the college experience is as valuable as the degree you earn.

New Housing Available For Single Or Married Students

North Dakota State College offers a variety of housing options for students, including single and married students. The college has a strong commitment to providing a supportive and convenient living environment for its students.

The new housing options are designed to accommodate the needs of students from various backgrounds and lifestyles. With diverse living spaces and amenities, students can choose the option that best suits their preferences and budget.

Motivation to Success

The key to success is passion, dedication, and a willingness to work hard. It's essential to set goals and have a clear vision of what you want to achieve. By maintaining focus and maintaining a positive attitude, you can overcome obstacles and reach your goals.

Remember, your success is in your own hands. With determination and perseverance, you can achieve your dreams and become the best version of yourself.

NSDC Is For The Gals...

Wide Choice In Fields Open To Women Plus Many Extracurricular Activities

For the life of a college girl is far from dull at NSDC. Offered to women are many opportunities and as many chances for achievement as can be found anywhere else on any college campus. Even though our girls may be few in number, they hold their own in the college world.

Women in Activities

Women students constitute the majority of NSDC’s student body. They are the largest group of students on campus. This fact is reflected in the student government, student activities, and student organizations. Women students are represented in every level of student government, student activities, and student organizations. They occupy a prominent place in student activities, and are active in many extracurricular activities.

The leadership of the student government is held by women. The student government consists of the president, vice president, secretary, treasurer, and directors. Women are elected to these positions.

Women are also active in student activities. They participate in all activities, and are active in many extracurricular activities.

Women in Extracurricular Activities

Women students participate in all extracurricular activities. They are found in all clubs and organizations, and are active in all activities.

Women are active in all sports and athletic activities. They participate in all sports, and are active in all athletic activities.

Women are active in all social activities. They participate in all social activities, and are active in all social activities.

Women are active in all professional activities. They participate in all professional activities, and are active in all professional activities.

Women are active in all academic activities. They participate in all academic activities, and are active in all academic activities.

Women are active in all creative activities. They participate in all creative activities, and are active in all creative activities.

Women are active in all community activities. They participate in all community activities, and are active in all community activities.

Women are active in all national activities. They participate in all national activities, and are active in all national activities.

Women are active in all international activities. They participate in all international activities, and are active in all international activities.

Women are active in all religious activities. They participate in all religious activities, and are active in all religious activities.

Women are active in all political activities. They participate in all political activities, and are active in all political activities.

Women are active in all charitable activities. They participate in all charitable activities, and are active in all charitable activities.

Women are active in all civic activities. They participate in all civic activities, and are active in all civic activities.

Women are active in all social service activities. They participate in all social service activities, and are active in all social service activities.

Women are active in all science activities. They participate in all science activities, and are active in all science activities.
