

Checking the pictures at the first annual Y Camera Club salon on display in the Memorial Union are, l. to r., Lowell Anderson, Jim Heising, Ted Borchert. Anderson and Warner Johnson, not pictured, were both named winners in the contest.

## Warner Johnson And Lowell Anderson Submit Winning Pictures For Contest

Warner Johnson and Lowell Anderson submitted the winning pictures in the NDSC Y Camera Club's First Annual Photo Salon, it was announced Monday.

The contest, sponsored by the "Y" in conjunction with the Fine Arts committee of the Student Union Activities Board, was open to all persons connected with NDSC.

Johnson's color slide, "Fisher-man," won first place in the people and animals class and went on to win the Grand Champion in the color division. For this he was awarded a \$5.00 gift certificate from Epko. He also won second place in the class while James Heising won third.

In the general class James Heising was awarded the top spot with his shot "Street Corner". C. M. Haugen and K. M. Shockman took second and third respectively.

Another \$5.00 gift certificate was awarded by Epko to Lowell Ander-

son for his black and white "At Ease", after it won him first place in the general class for him. Jim Heising won second and George Hagen third in his class. These two photographers cleaned up in other classes with Heising taking first in two, pictorial and people and animals. "Ducks on the Pond" and "Christmas Eve on Campus" were the winning shots. Hagen placed both second and third in the people and animals class and third in pictorial. Second in this class went to John Hval.

Prizes will be awarded to the winners at the "Y" Camera Club meeting Wed., May 14 at 7:30 p.m. in the Union.

Judges for the event were H. Donald Winkler, assistant director of communications at NDSC, Cal Olson, Fargo Forum photographer, and Ham Gillespie, Moorhead photographer.

All the black and white pictures entered and the winning slides have been on display in the Union this week and will be shown in the library until about May 17.

## Leslie Breitback Named Blue Key President

Leslie Breitbach was recently elected president of the Blue Key fraternity. Breitbach is a junior majoring in Agriculture. He is an active member of the Alpha Gamma Rho fraternity, acting chairman of Freshman Orientation Week, and he also assisted directing Brevities.

Other officers are James Fleck, vice president; recording secretary, Ronald Scheltens; corresponding secretary, Curtis Johnson; alumni secretary, James Meier; treasurer, Dr. Eugene W. Pettee; and advisor, Erling Thorson.

## Prexies Puetz And Schriener Propose Resolution

At a meeting last weekend, Cy Puetz, student body president and John Schriener, UND student council president, proposed the following resolution. This resolution has not, as yet, been presented to and approved by student senate.

In the interests of furthering better relations between the University of North Dakota and North Dakota State College, We the students of the aforementioned institution of higher education hereby resolve to adhere to the following declaration.

There shall be no property destruction or defacement of any campus property or property concerned with these respective campuses.

A student board shall be established yearly on each campus to adjudicate in the event of a disturbance.

Board appointments shall be made from the student body by the student body government. The appointees shall be made public.

These boards shall make recommendations to the appropriate administrative authorities regarding academic discipline and legal action.

These boards, working in conjunction with administrative and legal authorities, shall make every effort to determine the offender or offenders and obtain reimbursement from said offender or offenders. In the event that the offender of offenders are not determined, the reimbursement for damages shall be left to the initiative of the respective student governments.

## Special Senate Vote To Be Held May 14

A special election will be held Wednesday, May 14, for the purpose of obtaining student body approval for amending the constitution of student senate.

Student government, in order to broaden and clarify the definitions of its functions, desires to amend its constitution on two articles.

Article I, section 2, reads: "The object of this organization shall be to provide a unified student body, to stimulate school spirit, to coordinate the students in their several fields, and to further the development of the North Dakota Agricultural College." This article would be amended by adding after the words, several fields: "to represent the student body at the faculty, administration, and community, to determine policy including financial responsibilities."

Article III, section 1: This section would be amended to include an eighth commissioner, the Commissioner of National Students Association. NDSC became a member of NSA last year and a commissioner was appointed. Senate feels that it is only right that this commissioner be given recognition in the constitution.

These amendments have been approved by the college administration and need an affirmative vote from 25 per cent of the student body.

Voting will take place in the Student Union, Dolve Hall, Minard Hall, and South Engineering.

Senate asks for your assistance and cooperation by getting out and voting for these amendments.

## Home Ec Sr. Tea

Home economics seniors were honored at a tea last Saturday morning in the Founder's room of the home economics building.

The tea was presented by the home economics faculty. The girls had an opportunity to talk informally with the teachers and become better acquainted.

## Turner Receives Fulbright Scholarship To Austria For Foreign Lit. Study

Patricia Ann Turner, senior in the School of Applied Arts and Sciences at NDSC, has been awarded a Fulbright Scholarship, which will enable her to study German language and literature for a year at the University of Graz in Austria, beginning in the fall. The grant pays in full for transportation, tuition, books, and includes a liberal monthly allowance for living expenses.

The Fulbright Scholarships, part of the United States Educational Exchange Program, are designed to increase mutual understanding between the people of the U. S. and those of other countries.

Students are selected for these scholarships for 25 different countries by the Board of Foreign Scholarships, the members of which are appointed by the President of the U. S. Students are recommended to this board by the campus Fulbright committee, by a state committee, and by the Institute of International Education.

## Bison Need Help Meet Set May 17

Students interested in working on the 1959 Bison Annual staff meet in the Publications Office in the Student Union at 1:00 p.m. Saturday, May 17.

Co-editors Pat Larson and Mitzi Mallarian will interview people for layout editor, copy editor, sports editor, section editors, and a layout and copy writing staff. Anyone interested in doing photography work is especially urged to attend.

## Kappa Delta Exhibits Athletic Abilities In First Annual Derby Days

Kappa Delta Sorority took first place in the first annual Sigma Chi Derby Day.

They won top honors in the pole climbing contest, sack race, wheelbarrow race, egg catching contest, three-legged race, and best sorority attendance.

Elected Derby Day queen was Carol Herzog, Phi Mu. She won her title for having the longest arm reach.

Other contests featured in Derby Day were the pig catch, chicken catch, and the water-filled balloon catch.

Sigma Chi Derby Day is a national fraternity function held throughout the nation the first day of May each year. Sorority members are the participants, and the sorority winning the most events wins a traveling trophy.

Derby Day was concluded with a picnic and the first watermelon bust of the season.

## Annual Greek Week Set May 12-17; Full Week Of 'Toga' Activities Slated

Wow!! Look at those Greeks! That's what State students will be saying from May 12-17. These days are the dates for the Annual Greek Week being held on the NDSC campus.

The festivity will begin on Monday evening with a dinner exchange between all fraternities and sororities. Each Greek organization will be sending one representative to every other Greek organization on campus. At 7:30 each fraternity and sororities candidate for Greek Week King or Queen will appear on the Student Union ballroom stage in a Greek toga. They will light their organization's candle from the torch and will say a few words on the purpose and functions of their organization. Upon completion of the candle lighting ceremony, Cy Puetz, student body president, will crown the king and queen of Greek Week. A dance will follow the coronation.

Tuesday will be a day of competition between the fraternities and sororities for this is 'mock olympics' day. Games as sack race, balloon hot put, tug-o-war, cross-

pus relays and many others will be played. Upon completion of the games, the fraternity and sorority receiving the most points will receive an appropriate trophy.

All Greeks will be exchanging work, jokes, and fun on Wednesday evening for this is the work exchange night. All Greeks will be sending one or two delegates to all other frats and sororities for work. A lunch will be served on the Sigma Chi patio and a street dance will be held on 13th ave. between 12th and 13th street.

Thursday is annual Spring Sing. This is a singing contest sponsored by Alpha Phi Omega honorary fraternity, in which each organization sings several songs. The theme this year will be "Blue Moon." A traveling trophy is awarded to the outstanding fraternity and sorority in singing.

Everybody rush those Friday afternoon classes and put on those picnic clothes for Friday is the famous Greek Week picnic in Lindenwood park. All kinds of lunch, refreshment, and fun will be the "main order" of the day.

## Socially Speaking . . . By Janet Kippen

Another week in the fleeting, fabulous spring quarter is drawing to a close—but with the best part of it left—the end! Festivities in store for the party-minded will be the combined party of the Thetas and Kappas this evening. The TEKES will choose their sweetheart tomorrow evening in a gala affair at the Gardner. Occupying the Moorhead Country Club for a dinner-dance will be the Co-op House. The Kappa Psi's are getting in the party mood too, for their sweetheart ball Saturday evening.

**MOST EVERYONE** on campus must have had his share of hot dogs this week. Some of the combos were the SAE's and Alpha Gams, the Kappa Psi's and KD's, the KKG's and SAE's, Chemistry Club, Tau Beta Pi, Gamma Phi Beta and Sigma Chi, etc., etc. Oh, last but not LEAST, was the Engineering School Playday last Tuesday!

**AND WITH** the bloom of spring, springs Cupid to our campus. Neuschwander, better known as "Little Joe" of the Campus Radio staff, pinned Janice Stafford of Harvey. The candle burned for Garcia Selland, KKG, announcing her pinning to Al Brenteson, ATO; Delt Joan Pierce, affiliate of Chi Mu, came forth with the news of her engagement to Pete Lazorenko of the Co-op House.

**BROTHERS OF** Alpha Gamma Delta dropped in to the Kappa house to wish LaVonne Biel and Corky Schenkenberger the best, in song. A serenade was in store for the Thetas Monday night, by their festivities partners, the SAE's.

**HONORED BY** the alums were the members of Kappa Delta. Scholarship honors presented were: Ann Garaas, highest active; Margaret Shoemith, highest pledge; Donna Barstad, most improved active; Elaine Pierce, most improved pledge.

**SEVEN NDSC** girls were initiated at the Alpha Gamma Delta sorority. They are Muriel Blume, Rebecca Fisk, Marjean Hendrickson, Margaret Amundson, Janet Middlestead, Frances Ricketts, and Carolyn Roberts.

**GRADUATING** seniors of Gamma Phi Betas were honored at a breakfast Sunday morning in the Gold Room of the Graver Hotel.

**FOUNDER'S DAY** banquet and dance were on the schedule for the Farm House last Saturday. Philip Edman received the Doane Award; Norman Lemmon, the scholarship award; Dale Herman, the high freshman scholarship award; Kenneth Fuhrman, most improved member award.

"Two pins are better than none!" said Alpha Gam Carolyn Roberts, as she received her active pin at Sunday initiation and a frat pin from Ron Barks, FarmHouse that evening.

**I'VE HEARD** of engagements galore among the Alpha Gam alums. Jean Bergen and Gary Torgerson of Rugby; Elaine Giesler and Jim Fischer of Washburn, and Ann Ebling and Lieut. Darrel Bergan from Hawley, Minnesota, are the happy couples.

**IT WAS** a rude awakening for the KD seniors Saturday. Undergraduates routed them out of bed at 6:45 a.m. for the annual Senior Breakfast. There was a consolation prize, however. Seniors Donna Barstad, Mary Eide, Adelle Eiler, Joyce Eriksmoen, Mary McDonald, Shirley Mogan and Susan Wheeler were informed of the banquet to be held in their honor, Thursday at the Silver Moon.

**SAY IT ISN'T SO**—That the Orange (or Boo-Boo-of-the-Week) Trophy, given to the Gamma Phis some years back, was reinstated last week. Judy Lees won the dubious honor this time by announcing, very untruthfully, at a picnic that

it was her birthday May 6. Was her face red when Audrey Paul fell for it and came up with a box of chocolates for the occasion! Judy is saving them for the real deal August 8!

—That the uproar in the sorority houses Saturday a.m. was really housecleaning. With the aid of several frats, brooms, mops, rakes and waterhoses the houses are again spic and span for another year. The effort of the day was well rewarded when all the houses had a pre-Greek Week get-together in Lindenwood!

**GREEK WEEK** kicks off Monday night with exchange dinner and the big dance. Get your little yellow button and take in the festivities—mock olympics, street dances, Spring Sing, work (?) night, picnics—what more could you ask in the way of a week's entertainment for a dollar? I know! NO CLASSES! It's only ten days of classes yet to go. We may live through it yet. Hope so—we'll see you 'round.

### SAI Initiate Eight

Sigma Alpha Iota, professional music fraternity, initiated eight new members Friday, May 2.

Those initiated were Joann Dunnum, Julie Staber, Carolyn Callenbach, Mitzi Mallarian, Nyla Wittman, Diana Herman, from NDSC, and Barbara Carlson from Moorhead State College.

## AGD Hold Feast Of Roses At F-M May 4, 1958

The annual Feast of Roses banquet was held by Alpha Gamma Delta sorority at the Fredrick Martin Hotel, Sunday, May 4.

Marion Benson, Alpha Gam alumnae, gave the toast to the fraternity. In response, Lulu Good Vogelsang, AGD Grand President, spoke on the "Fraternity System."

Scholarship and achievement awards were presented to the undergraduates by Helen Nelson, Alumnae Scholarship and Achievement Adviser. Recipients of the awards were: Carolyn Roberts, all around pledge for high activities and scholarship; Frances Ricketts, pledge with highest average; Muriel Blume, pledge with most activities; Nancy Fredrick, senior with highest average; Lois Bursack, most activities; and Loretta Bugbee, undergraduate who raised her average the most.

Toastmistress was Donna Risan. Eileen Seim, president, presented the initiates and Janet Mittelstead gave the initiates response.

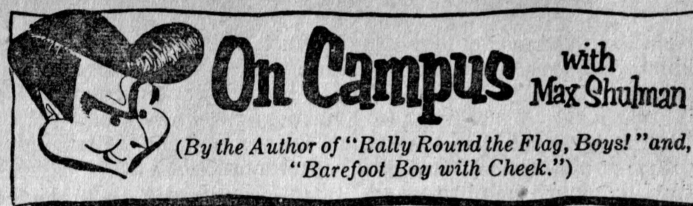

Feast of Roses was held in honor of the seven new initiates of Alpha Gamma Delta. They are: Muriel Blume, Carolyn Roberts, Frances Ricketts, Marjean Hendrickson, Margaret Amundson, Janet Mittelstead and Rebecca Fisk.

## Huether Elected Prexy Of Education

Marian Huether was elected president of the Gamma Delta chapter of Kappa Delta Pi, honorary education fraternity, at NDSC last week for the 1958-59 school year.

Other officers elected are Gordon Stennes, vice president; Lorraine Dosch, secretary; James N. Hanson, treasurer; and Mary Louise Gludt, historian.

These students will be installed in their respective offices at the banquet on May 15.

## THE ENGINEERS HAVE HAIRY EARS

Today in this age of technology when engineering graduates are wooed and courted by all of America's great industries, how do you account for the fact that Rimbaud Sigafoos, who finished at the very top of his class at M.I.T., turned down hundreds of attractive job offers to accept employment as a machinery wiper at the Acme Ice Company at a salary of \$20 a week with a twelve-hour day, a seven-day week, and only fifteen minutes for lunch?

...Engineering grads are wooed and courted...

I know what you are thinking: "Cherchez la femme!" You are thinking that Mr. Acme, head of the Acme Ice Company, has a beautiful daughter with whom Rimbaud is madly in love and he took the job only to be near her.

Friends, you are wrong. It is true that Mr. Acme does have a daughter, a large, torpid lass named Clavdia who spends all her waking hours scooping marzipan out of a bucket and staring at a television set which has not worked in some years. Rimbaud has not the slightest interest in Clavdia; nor, indeed, does any other man, excepting possibly John Ringling North.

So how come Rimbaud keeps working for the Acme Ice Company? Can it be that they provide him with free Marlboro Cigarettes, and all day long he enjoys that filter, that flavor, that flip-top box?

No, friends, no. Rimbaud is not allowed to smoke on the job, and when he finishes his long, miserable day, he has to buy his own Marlboros, even as you and I, in order to enjoy that estimable filter, that incomparable flavor, that crazy flip-top box.

Well, friends, you might as well give up because you'll never in a million years guess why Rimbaud works for the Acme Ice Company. The reason is simply this: Rimbaud is a seal!

He started as a performing seal in vaudeville. One night on the way to the Ed Sullivan show, he took the wrong subway. All night the poor mammal rode the B.M.T., seeking a helping hand. Finally a kindly brakeman named Ernest Thompson Sigafoos rescued the hapless Rimbaud.

He took Rimbaud home and raised him as his own, and Rimbaud, to show his appreciation, studied hard and got excellent marks and finished a distinguished academic career as valedictorian of M.I.T.

Rimbaud never complained to his kindly foster father, but through all those years of grammar school and high school and college, he darn near died of the heat! A seal, you must remember, is by nature a denizen of the Arctic, so you can imagine how poor Rimbaud must have suffered in subtropical New York and Boston, especially in those tight Ivy League suits.

But today at the Acme Ice Company, Rimbaud has finally found a temperature to his liking. He is very happy and sends greetings to his many friends.

© 1958 Max Shulman

Any time, any clime, you get a lot to like with a Marlboro, whose makers take pleasure in bringing you this column through the school year.

## Dewey and Larry Sez . . .

It's Spring Term Party time at 'Old State'! Now—what are you going to wear to that all important function—have you thought about it?

At your convenience, stop in at the Straus Co. and take a look at the new sport coats by Palm Beach and University Guild. They are cotton blends . . . lightweight . . . comfortable for this warm Spring weather at only \$30.00. To wear with them—we have slacks in contrasting shades . . . Wash 'n Wear from \$7.95.

Be comfortable at that party—Dress for the warm weather that's sure to prevail—Stop in and see Dewey and Larry Swenson for Kool Kampus Klothes (and we do mean Kool) at

## Students In Economics Department Are Organizing A Discussion Seminar

A week ago Wednesday night an economics club was born on the SC campus. Actually, it is in an organization stage. Another meeting was scheduled for this week to elect officers, discuss and adopt a constitution, and nominate advisors.

Perhaps different from many organizations, it will have a three-fold purpose. First of all, it will be organized to build a better bond between economic students and give them a common meeting ground.

The men who attended the meeting said they felt that there is a loose tie among economic students and that an organization like this could bind them together.

The second purpose will be to help the students apply what they learn in their economics classes to real situations. This will be done by discussing such topics as financing and banking, the stock market, foreign trade, personal administration and problems, job opportunities and sales, advertising, and public relations. The club will take the place of class seminars.

The third purpose will be to promote a professional atmosphere and attitude. One of the people attending the meeting was Gale Smith, director of the placement

service. He stated that by promoting such an atmosphere students will become better acquainted with business as a whole and will help to draw more and better industry representation to SC.

Membership will be limited only to the degree that the students attending the meetings and discussions should have an interest in economics or related fields. This leaves it wide open as most fields are related to economics in one way or another.

Dr. Eugene Pettee, a professor in economics who attended the meeting, stated that he will make an effort to encourage the members of his classes to attend the meetings. He felt that by discussing topics of interest students will more easily understand the principles of economics.

## USCF Holding Retreat

The USCF spring retreat will be held Saturday, May 10, at Pelican Rapids. The retreat will include a planning session, fellowship, and recreation.

Anyone interested is to meet at the Plymouth Congregational Church Sunday at 6 p.m. for dinner and 7 p.m. for a program.

## Prairie Water Color Paintings On Display In College Library

The twenty-fifth annual exhibition of the Prairie Water Color Painters is on display in the library.

It is sponsored and circulated by the Kansas State Federation of Art and includes paintings of artists from throughout Kansas.

Some of the better water color paintings of Kansas are on display. Because of this, the standards to enter the exhibition were particularly high.

As one person commented while looking at the painting, "Deer in the Woods" by Zona Wheeler, "Now, there is a different interpretation and style of painting deer in the woods." It is a modernistic painting of contrasting and adjacent colors that requires imagination to see completely. It sells for \$65.

Another piece of art that is a more modern painting is the "Peninsula" by John F. Helm, Jr. Its fascinating and interesting blending of colors draws your eye to the painting and carries it from one point of interest to another. It sells for \$50. Many of Helms paintings are in permanent collections of Kansas State College, Manhattan, Kansas.

Two pictures typical of prairies are "Stubble Field" by Ted Carson and "River Tree" by Betty Dickerson. They are more realistic in style and attractive in appearance.

The paintings will be on display until May 16.

Kappa Psi fraternity will choose for their sweetheart for the coming year one of these girls at their annual "sweetheart ball". The nominees are, left to right: Sarah Riley, Alpha Gamma Delta, Patricia Roberts, Kappa Delta, and Sharon Stevenson, Kappa Kappa Gamma. The ball will be held May 10.

## Insect Collection From All Over World Is On Display In SC College Library

A colorful and educational insect collection is now on display in the NDSC library and is drawing much attention and interest from the students. It is the private collection of Dr. R. L. Post of the agriculture entomology department.

"I started the collection in 1932 and have about \$2000.00 invested in it", says Dr. Post.

These insects are of many kinds and from all over the world. Japan, Peru, Mexico, Philippine Islands, Africa, and South America are some of the places where these insects originally came from.

In the collection is a Goliath beetle from French Equatorial Africa and the world's largest moth from the Philippine Islands which are of gigantic size in comparison to the size of beetles and moths usually seen.

The Walking Leaf from India which looks just as the name sounds, is an excellent example of an insect modified for protective coloration. A tarantula spider and tarantula hawk are also on display.

**GRADUATE THEN FLY**

The Air Force pilot or navigator is a man of many talents. He is, first of all, a master of the air—and no finer exists. In addition, he has a firm background in engineering, electronics, astro-navigation and allied fields. Then, too, he must show outstanding qualities of initiative, leadership and self-reliance. He is, in short, a man eminently prepared for

an important career in the new Age of Space.

As a college graduate, you will be given priority consideration for the Air Force Aviation Cadet Program. While openings are limited, you will be tested and advised immediately of qualification status. Find out if you measure up. Paste the attached coupon on a post card and mail it now.

MAIL THIS COUPON TODAY  
Aviation Cadet Information, Dept. C-2  
Box 7608, Washington 4, D. C.

Please send me details on my opportunities as an Aviation Cadet in the U. S. Air Force. I am a U. S. citizen, between the ages of 19 and 26½ and a resident of the U. S. or possessions. I am interested in  Pilot  Navigator training.

## Regional Convo Set Welcome-If Young!

Charles Rust, NDSC, will preside over the Tenth Western Regional Conference for Young Adults to be held May 16, 17, and 18 at the Minnesota Southern School of Agriculture in Waseca, Minn.

The conference is for all young people between the ages of 17 and 31 from farm organizations, 4-H Clubs, church groups, Y.M.W., and Rural Youth organizations. Delegates at the conference will be from North Dakota, South Dakota, Nebraska, Minnesota, Wisconsin, Iowa, and Missouri.

The theme of this year's conference is "Today's Adventurous Living".

Group discussions are planned under the following topics: Agricultural Revolution (technology); Impact of Urban Living (town-country relations); Youth, Adults, and Politics; and National Social Problems. The last one will be led by Howard Lahlum, a senior at NDSC.

Carl Rowan of the Minneapolis Star and Tribune will be the keynote speaker. "Born of These Years" is the subject of his address.

In addition to President Rust, other officers include Bonnie Mae Cumming, South Dakota, first vice president; Doug Oleson, Iowa, second vice president; Marlene White, Nebraska, secretary; and Mrs. Lois Paulson, Minnesota, treasurer.

## Rajah Elections Held

Rajah club closed out the year with the election of new members into the organization. They are: Phil Krajeck, John Ope, John Severson, Ron McClelland, Bob Thomas, Ed Duin, Larry Swenson, Mark Ashton, and Jerry O'Keefe.

One of the outstanding events that Rajahs sponsored was the homecoming rally last fall when they and the cheerleaders led the students in a bon fire pep fest followed by a snake dance down Broadway.

To build spirit on campus during the Sioux Series they sponsored two pep convos. During the basketball Sioux Series they sponsored a beard growing contest.

One of their projects that brought a lot of publicity to the SC campus is the "Most Valuable Player Award" during the Sioux Series, which was won by Warren Arman this year.

When the spirit was down during the basketball season, they sponsored a traveling "Pep Jug" which was given to the most "fired-up" organization at the basketball games.

PICTURE NOT AVAILABLE

King and Queen of Greek Week were chosen from the above candidates. Winners will be announced Monday night.

Candidates are: top row, left to right, Saralou Bjerken, KD; Janet Brudvik, KKG; Janell Leetun, KAT; Joan Lindbo, Phi Mu; Yvonne Mousseau, Gamma Phi; Eileen Seim, AGD; and Les Breifbach, AGR.

Bottom row, left to right, Les Fuchs, SAE; Gerald Gerntholz, Farmhouse; Virgil Miller, SPD; Bruce Ness, TKE; Keith Scheltens, ATO; Jack Simonieg, Theta Chi; and Byron Webb, Sigma Chi.

# Wall, Walcher, Worner Score For SC As Varsity Team Defeats SC Alumni

A reasonably large crowd saw the NDSC varsity football team defeat the SC alumni, 24-12.

Three touchdowns coupled with six extra points gave the Bison their 24. The Alumni were able to score only two touchdowns. A new extra point rule affected the scoring; one point is counted for a kicked extra point and two points are counted if the extra point is run or passed over. All three of

the Bison extra points came as a result of running or passing.

Wayne Wall started the Bison scoring with a touchdown. He also accounted for the extra point. Jerry Walcher was the next Stater to cross the line, and he too was credited with the extra point. Wayne Worner tallied the final touchdown and Walcher converted the extra two points.

# Sioux Retain Title; VCSTC Second Place In Bison Relay Sat.

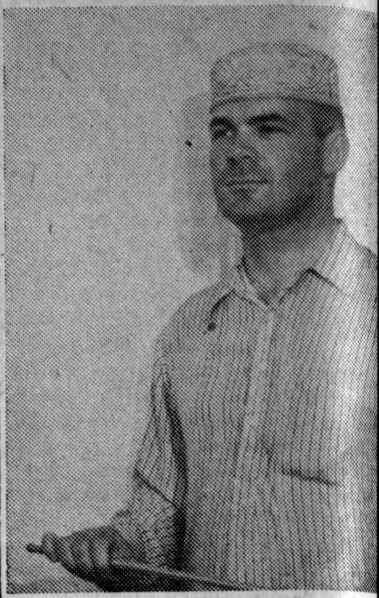

The North Dakota University Sioux piled up 58½ points last Saturday, as they retained their title in the Bison Relays. Valley City Teachers College came in a second in the Sioux dominated meet a full 24 points behind the victorious Sioux.

The two North Dakota State teams entered racked up 20½ points between them, 10½ going to the varsity and 10 going to the freshmen. Jack Gilchrist of Bemidji accounted for the only new record as he ran the mile in 4:32.7 to beat the old record by five full seconds. Bob Hokanson of North Dakota University took individual scoring honors with 13 points. He

took first place in the broad jump and second place in two sprints.

In the high school bracket which was held the day before, Grand Forks walked off with first place honors. The next meet on schedule for the Bison is in Jamestown at the State Track Meet. On the following weekend the North Central Conference meet is slated to go to Sioux Falls, South Dakota.

Here is a list of the SC tracksters who placed in their various meets. Larry Dodge captured fifth place in the high jump. Jim Clow tied with two other boys for first place in the pole vault. Bob Williams took fifth place in both the one and two mile run. Don Remillong of the varsity garnered a third in the discus throw. Gary Thomasson, the only last year's letterman, took second place in the javelin throw. Jerry Erck captured fifth place in the low hurdles and third place in the high hurdles.

The "Y" Camera club will sponsor Mr. Charles Rust at a special meeting, May 14, at 7:30 p.m. in the Union. Mr. Rust is a student at NDSC who visited Pakistan under the auspices of the International Foreign Youth Exchange. He will show and narrate some slides which he took during that time. Please keep this date in mind as this will be one of the more outstanding programs of the Camera Club this quarter.

## YM Directors To Meet

The YMCA Board of Directors and student cabinet will spend Sunday afternoon, May 11, discussing general program areas for the 1958-59 college year. Involved will be a discussion of our purpose as a campus oriented Christian Association.

## Lewis Takes Honors In Judging Contest

Bob Lewis, a junior in animal husbandry, took first place in the meats judging contest which was held on Friday, May 2, 1958 at NDSC and was sponsored by the Saddle and Siroloin Club.

Second place was taken by Lynn Hjelmstad, also a junior in animal husbandry.

Melvin Atkinson, a sophomore in animal husbandry took third in the placings.

**TODAY'S L&M GIVES YOU...**

# Less tars & More taste

They said it couldn't be done . . . a cigarette with such an improved filter . . . with such exciting taste. But L&M did it!

L&M's patented filtering process electrostatically places extra filtering fibers crosswise to the stream of smoke . . . enabling today's L&M to give you — puff by puff — less tars in the smoke than ever before. Yet L&M draws easy . . . delivering you the clean rich taste of the Southland's finest cigarette tobaccos. The best tasting smoke you'll ever find.

# Sports Of All Sorts

By Roger Lutz

Those of you who saw the alumni-varsity football game last Tuesday had an opportunity to preview next season's much discussed football rule changes. New NCAA rules were used in the contest, with one exception — the alumni were allowed unlimited substitution.

The rule that is provoking most discussion by coaches and sportswriters allows a team the choice of attempting a field goal for one point, or a run or pass for two points. Until the 1958 NCAA rule-makers made the change, one point was awarded regardless of what scoring method was successful.

Other changes the rulemakers initiated:

Both the starter and his substitute can re-enter a game in the same quarter. During the past season, the quarter-starter could go back into the game only once a quarter, but his substitute, once removed, had to wait until the end of the quarter. The number of timeouts for each team during each half was reduced from five to four.

If a team kicks out-of-bounds between goal lines, the kicking team is penalized five yards. Last year, the team was given another chance, and if they again kicked out-of-bounds, the opposition was awarded the ball on the 50-yard line.

Lineman may now advance beyond the scrimmage line after a pass is thrown. Last season, the linemen had to wait until the thrown pass was touched.

The offensive blocker can contact his opponent with only one hand or arm, and this arm must be in contact with the blocker's body.

## SC Baseball Team Closes Season With 4 Wins; 3 Losses

The SC Bison baseball team brought their overall season record to 4 wins and three losses, last Friday as they staged a late rally and defeated Mankato State 12-7. This game marked the last non-conference game for the team before the opening of the North Central Conference last Tuesday.

Nine big runs in the bottom of the eighth inning lifted the Bison from a 7-3 deficit as they went on to hold the Mankato nine and retain the win.

Two hit batsmen, two walks, and an error combined with a sacrifice hit to give Mankato three unearned runs in the second inning. The Bison came back with one run in the third as Don Thayer singled and completed the circuit with an infield hit and a passed ball. Two more Mankato runs in the fourth and one more in the fifth made the score 6-1.

The bottom of the fifth found the Bison retaliating somewhat, as Phil Ruud singled and came home on Don Thayer's home run, his second of three hits. Mankato tallied their final run in the seventh inning and the stage was set for the big Bison eighth inning.

Curt Johnson started the barrage with a single, and two successive walks loaded the sacks. Cy Puetz then singled and two more walks brought the score to 7-6. Mankato changed pitchers but they were unable to stop the Bison surge before six more runs came across.

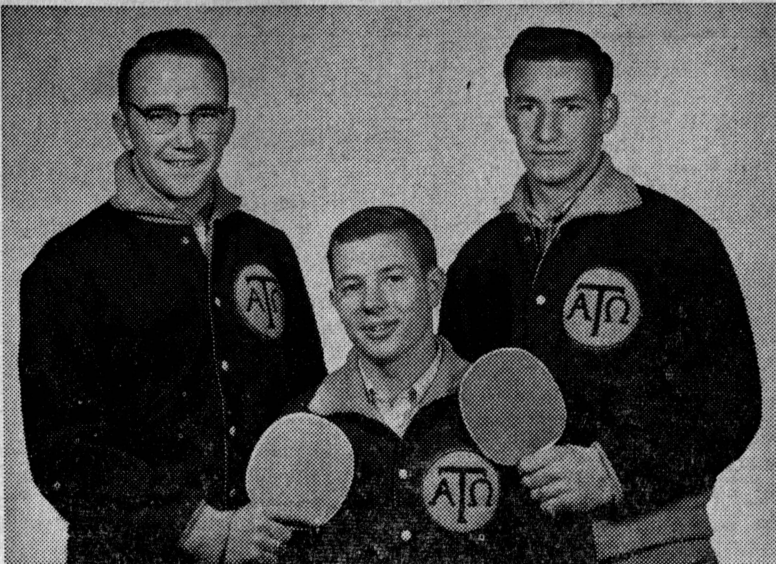

Clarence Niskanen, who relieved starter Bill Burtness in the sixth, was credited with the win.

and below the shoulders of the opponent. Last season, the same rule applied generally, but the blocker could use both hands.

It is becoming evident that college rules are becoming more and more like professional rules. As far as I am concerned, and I am sure that I will find many people to agree with me, this is a good thing. I would like to see this change of rules made not only in football but also in basketball and other similar sports. These new rules make for a much better spectator game, and after all, this is the main reason these games are being played, for the spectator.

Bison baseball coach B. C. "Charlie" Bentson feels the squad has progressed beyond his expectations. He says the defensive work has been particularly effective, pointing out that the Bison infield combined for four double-plays in the Wahpeton series. However, cold weather a few weeks ago resulted in a few sore arm problems for the squad. This past Tuesday marked the opener for the North Central conference, against North Dakota University. The team is scheduled for two games at Brookings, South Dakota today.

The following is a list of the usual starters: Phillip Ruud, second base; Curtis Johnson, shortstop; Donald Thayer, first base; Don Elston, centerfield; Cyril Puetz, right field; John Burtness, left field; Eugene Gronseth, or Orville Tranby, third base; and Bruce Morgan, catcher.

Winners of the I-M ping-pong tournament are the ATO's. Pictured, l. to r., John Bergstrom, Jerry Schnell and Paul Koziey, members of the winning team.

## Dodge Captures Title To Insure SC Victory In Bison Invitational

Larry Dodge of the State tennis team captured the singles title in the Bison Invitational tennis meet to lead his team to victory. They totaled eleven points in their winning effort to nudge runnerup Bemidji State, who managed nine points. Concordia and St. Cloud

followed with six points, North Dakota University, Jamestown, and Aberdeen each had two points, Moorhead had one and Valley City failed to score.

The SC doubles team made up of Errol Quick and Ross Fortier won their first match to advance to the semi-finals and add points but they were defeated by Bemidji in their second match.

The doubles championship went to Bemidji as they defeated Concordia in the finals.

## MSC Takes Honors In Bison Golf Meet

Moorhead State fired a combined low total of 406 to take top honors in the Bison Invitational golf meet. Don Kristofitz of the Bison captured medalist honors with an 18 hole low total of 75.

The four man SC team took second place honors as they took ten more strokes than the Moorhead team. North Dakota University was third, St. Cloud State fourth, Bemidji State fifth, and Concordia came in last.

Scores for NDSC were: Don Kristofitz 75, Wylie Briggs 85, Dick Monson 86, and Robert Gudding 89.

On schedule for today is a five team match at the Lincoln Park Golf Course in Grand Forks.

## Need Student Managers

Student managers for the Bison athletic teams are needed.

Anyone interested should stop at the Fieldhouse and talk to Les Luymes, athletic director.

## Placement Service

This is to call your attention to the fact that the Placement Office is continuing to receive job opportunities for graduating seniors with various degrees. If you are seeking employment and have not as yet found a definite opportunity following graduation, you are requested to contact the Placement Office. We also have a limited number of summer employment opportunities.

**Tuesday, May 13, 1958**

Colonel Lynn W. Pine, U. S. Corps of Engineers will be in Fargo Tuesday, May 13, 1958. He would appreciate the opportunity to talk to prospective civil, electrical or mechanical engineer graduates who may have questions concerning employment with the Corps of Engineers. He will be available from 9:30 to 11:30 a.m. Tuesday, May 13.

Mr. Dean Scheff will represent Remington Rand Univac on campus Tuesday, May 13, 1958. Those engineering students interested in receiving more information on current employment opportunities with Remington Rand are requested to contact the Placement Office prior to Tuesday, May 13.

## Guidon Farewell Tea

Mrs. James M. Hanson, past advisor for Guidon, and Captain Robert W. Sennewald, present advisor for Guidon, were guests at a farewell tea, Thursday, May 7.

Captain Hanson and Captain Sennewald are both leaving NDSC to take new positions elsewhere.

## Bison, Cobbers Toss Arguments In Debate

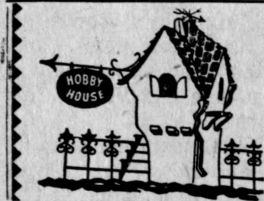

A public debate was held by the NDSC Lincoln Debate Society in Room 207 of the NDSC Administration Building Wednesday, May 7 at 8 p.m., according to Lois Bursack of Fargo, society president.

The topic for debate was "Resolved: That the United States should subscribe to the Schweitzer proposals."

Donald Nelson and Michael Weiler argued the affirmative. Ilmar Luik and Roland Grosshans took the negative side.

An open forum and audience discussion followed the debate.

The next debate for the NDSC debate society will be a Great Northern League Debate with Concordia College at NDSC on May 16.
