Bison Room Addition Ready

Grand Opening Next Monday

According to Dale Brostrom, director of the Student Union, the new addition to the Bison room will officially open next Monday at 7:30 p.m. The Student Union Activities Board will serve free punch and cookies during the opening night. They will also have a short program, dedicating the addition at 9:15 p.m.

The contest to name the new room has drawn quite a bit of attention, according to SUAB director Kay McGear. She was unable to determine the number of names that have been turned in to her office, but did state that there have been quite a few. Many of them have been duplicated.

The contest closed yesterday. The winner of the contest will be awarded a \$10 gift certificate at the dedication. Preliminary judges for the contest are the members of SUAB and advisors. The final decision for the new name will be left up to the Union Board.

Until funds are acquired, furnishings from the dining lounge will be used. The new addition will tentatively be open from nine in the morning until seven at night. This is subject to change upon demand.

The new facilities will be used primarily for the serving of specials or full meals.

The present area will be used for quick short orders.

The entrance to the room will be through the folding door that separates the two areas. The existing doors and the hallway will be used for exit only. To make it convenient for students to dispose of their dishes a dishwashing room will be placed near the exit.

The union dates back to Oct., 1953. At this time it cost \$600,000 to completely furnish and equip the building. In Sept., 1958 a \$100,000 bowling addition was installed to the union. It cost an additional \$75,000 for the installation of automatic pinsetters and modernization equipment. Brostrom stated that he is in hopes of completing the bowling addition this summer. It would include putting in an acoustical ceiling and lavatory facilities.

At present there is a bill before the legislature asking for enabling legislation to borrow up to \$550,000 which will be used for future expansion. No state funds are involved in enabling legislation. It merely gives the OK to borrow additional funds.

The Union is 100 per cent self-supporting. Tax money has not been used in the construction, expansion, or operation.

Linda Nelson Named Theta Chi Dream Girl

Linda Nelson was crowned Theta Chi Dream Girl at the term party Friday night at the Frederick Martin Hotel in Moorhead, according to Sharon Shepard, president of the NDSC chapter of Theta Chi.

Linda is an NDSC junior, majoring in English. She is a member of Gamma Phi Beta sorority.

She received the traveling Dream Girl of Theta Chi trophy which had been held during 1958 by Beth Bohnet, Kappa Kappa Gamma.

Miss Nelson's attendants were: Jean Jackson, Mary Lee Moffit, Sharon Campbell, Linda Lewten, and Jane Kaiser.

Publication Posts Open Until Feb. 13

There's still time to pick up an application for a publications position.

Applications for Bison Annual Editor and Business Manager; Spectrum Editor and Business Manager; and News Bureau Director are available at the Dean of Students office. Anyone interested in one of these positions is encouraged to apply.

The applications must be returned to the Dean of Students Office by noon, Friday, Feb. 13.

As of last Tuesday the following people had picked up applications: Spectrum editor, John Brush, Robert Brake, Bob Thompson, and Marilyn Marschke; Spectrum Business Manager, John Brush; Bison Annual editor, Al Hart; and News Bureau director, Glorian Heib.

Festival Quartet Will Appear At Fifth Lyceum Thursday

The Festival Quartet will appear at Festival Hall Thursday, Feb. 12, at 8:15 p.m. It will be the fifth in the series of lyceums at NDSC.

The quartet consists of four celebrated instrumental artists who are colleagues at the famed Aspen Festival. They are Victor Babin, pianist; Sxymon Goldberg, violinist; William Primrose, violist; and Nikolai Graudan, cellist.

Victor Babin, male half of the premier two-piano team, Vronsky and Babin, is a leader of many musical activities and a composer. Goldberg is noted for his concerts with chamber orchestra in which he acts as both conductor and soloist. Primrose, who was first violist of the NBC Symphony under Toscanini for five years, was made Commander of the British Empire in 1953 by Queen Elizabeth II in recognition of his services to music. Graudan, the Quartet's Cellist, has toured the world as a recitalist and soloist with leading orchestras.

The quartet is the first contemporary all-star quartet dedicated to performing the piano quartet literature of Beethoven, Brahms, Mendelssohn, Mozart, Schumann and Strauss.

SC Students Receive Poultry Scholarships

Two scholarship awards were announced at the recent North Dakota Industries convention in Fargo. They were presented to two NDSC students because of their interest in poultry husbandry.

A \$300 dollar scholarship, given annually to a junior turkey grower in North Dakota, was given to Larry Johnson by the North Dakota Poultry Improvement Association. This is the second year that the award was given by the association.

It was not known that Larry Johnson was attending the NDSC until after the selection was made.

The first winner this year of the O. A. Barton Award, a \$50 scholarship, was Dalmon Larson.

The Barton award is named in honor of a former member of the NDSC poultry husbandry department.

Linda Nelson received the trophy for Theta Chi Dream Girl at the fraternity's term party that was held last Friday night at the FM Hotel. 1958 Dream Girl was Beth Bohnet, Kappa Kappa Gamma.

'U' Series To Be Played At Fieldhouse; Students Must Have Reserved Seats

Students planning to attend the NDU-NDSC basketball series here, Feb. 20-21 in the fieldhouse, will have to present their activity tickets to obtain reserved seats for the games, before 3 p.m., Feb. 16.

All seats in the NDSC fieldhouse will be reserved for the contests. Activity cards will not be honored for admission to the games. Reserved seat tickets will be distributed to students presenting their activity cards at the athletic office.

The tickets will be issued to students, beginning at 9 a.m., Monday, Feb. 9, and continuing until Monday, Feb. 16 at 3 p.m. Faculty and staff tickets must also be exchanged for reserved seat tickets during this period.

Les Luymes, NDSC athletic director, announced the ticket policy this week, and urged students planning to attend the contests to present their activity cards for reserved seat tickets.

"The probable size of the crowd in the fieldhouse forced us to make the exchange mandatory," Luymes said. "Students will not be admitted to the game just by showing their activity cards."

Luymes also pointed out that students would not be required to pay anything additional for the reserved tickets.

DeKrey Wins Grand Champion Showman Honors At Little International Show

Ted DeKrey was named grand champion showman at the Little International Livestock Show, last Saturday evening. He was also first in the Chester White division, grand champion swine showman, first in the Holstein division, and reserve champion dairy showman.

Ted is majoring in animal husbandry.

Top showmen in the sheep division were: Willard Trietline; Columbia, James Carr; Hampshire, and Einer Bredeson; Suffolk, Einer Bredeson was grand champion sheep showman, and James Carr was reserve champion.

First place in the beef show were: James Meyer; Angus, Ed Hins; Shorthorn, and Edward Olson; Hereford. The grand champion of the beef division was Ed Hins, and the reserve championship went to Edward Olson.

First place in the Guernsey division went to Norman Bakkegard, and Ted DeKrey was top Holstein Showman. The grand champion of the dairy division was Norman Bakkegard, and Ted DeKrey was reserve champion.

In the swine division Alan Ormiston was first in Beltsville, James Carr first in Durocs, and Ted DeKrey was first in Chester Whites. Ted DeKrey was grand champion swine showman, and Alan Ormiston reserve champion.

The top over-all showman was Ted DeKrey, and Einer Bredeson won the reserve championship. Third place went to Alan Ormiston, and Norman Bakkegard was fourth place.

The cow milking contest was won for the second year by the Phi Mu sorority. The calf tying contest was won by the Farmers Union Co-op House.

Awards were presented to the winners by the Little International queen, Chloe Trenbeath, a home economics junior from Neche, N. D.

The Little International Livestock Show is sponsored by the NDSC Saddle and Sirloin Club. The show is managed and made up of NDSC students interested in animal husbandry.

The Festival Quartet will appear at Festival Hall Thursday, Feb. 12, at 8:15 p.m. as the feature for the fifth in the current Lyceum series.

Are Russian Schools Better?

Are Russian schools better than ours?

In foreign languages they aren't, according to an article by Jacob Ornstein of Harvard University in the most recent issue of the Modern Language Journal.

The Ten Year Schools in Russia start language training when students are 11 or 12. After six years of study in a foreign language, the achievement of Russian pupils does not seem to be any better—and may be worse—than the achievement of American high school students after two years of study.

The Russian students can only translate simple pieces of writing and their speaking ability is bad. This is the result of old-fashioned teaching, where students spend most of their time memorizing rules of grammar. In American schools more attention is being given to speaking ability.

Russian educators are dissatisfied with the situation and say that the fault lies with poorly trained teachers and with the impossibility of the Russian language teacher to travel so he can develop his speaking ability.

Russian universities have the same shortcomings as the Ten Year Schools, writes Ornstein, but the special Russian language institutes manage to train language specialists Russia badly needs.

The author states that good qualities of the Russian system are that there is at least a national belief in the value of foreign languages study, that vast numbers of students are required to study languages, and that language is introduced when the students are young. (Only 50 per cent of American high schools teach foreign languages.)

Favorite language of the Russians? Probably English, which 40 per cent of all Ten Year School students are studying.

Russian educators are dissatisfied with the situation and say that the fault lies with poorly trained teachers and with the impossibility of the Russian language teacher to travel so he can develop his speaking ability.

The Spectrum Asked:

Would you like to kiss a man with a beard?

By Lowell J. Anderson Spectrum Photo-Interview

Carol Finstad Jr., H. Ec. Berwick, N. Dak.

Lynn Russell Speech Therapy Fargo

Janet Sinner Soph., Speech Cor. Fargo

Mary Lee Moffitt Soph., Home Ec. Jamestown, N. D.

Darlene Meyer Jr., Home Ec. Carrington, N. D.

I don't know. I've never really tried it but I don't think it would be any fun or interesting.

No. I'm ticklish.

How would you like to kiss a bearded lady?

It depends on who the beard is attached to.

I wouldn't know. I have never tried it.

Letters To The Editor . . .

To the Editor:

In writing this letter, I wish to put before the student body an issue which will be appearing on campus in the near future. This project will be proposed as a task for Student Senate.

The current method of placing money at the business office or cashing a limited check at the book store does not fit the needs of the college student. My proposal is the establishment of a centralized banking system for the college student.

Times in the past, students have been dissatisfied with the services rendered by these two sources. I do not mean to infer service is not prompt and courteous, but the ways of cashing personal checks and the hours of operation leave much to be desired. The business office will not accept personal checks except in cases of payment of laboratory fees or deposits in the new existing bank. Also, in a few instances, the exact amount of money has been mistaken both in depositing and withdrawals. Mistakes will occur to anyone but could be lessened by a student banking center.

The business office, with our steady increase of college enrollment, will become more and more burdened with business functions of the college. It is, no doubt, a task for the business office to control the student deposited money. I believe if the service now given by the business office could be turned into more of a business, the

college student would benefit.

A banking center for students could be established in a convenient location such as the Student Union. Sponsorship of the banking service could be through the Administration of a banking firm from downtown Fargo. A student could deposit money at the banking center and write personal or counter checks if the student had sufficient funds deposited. The idea of being able to draw a check on a hometown bank is another possibility. I believe students given proper details on such a bank center would support a project of this nature. The cashing of personal checks at business establishments has always been troublesome for students. An increase in the limit of a personal check would be beneficial to the college student. The monetary value with the limit of a five dollar check is low in terms of purchasing power.

Many questions have yet to be answered concerning this project. Would the Administration support such a banking center or rather safeguard the students money at the business office. How would the idea of cashing personal checks work with no money in the school banking service. I have not probed into this matter too deeply, but there may be a chance of establishing a student banking center by means of the Student Senate.

Thomas Thompson Junior in Pharmacy

Elks Scholarships

Elks National Foundation will award seventy thousand dollars in scholarships this spring to high school seniors and college freshmen, sophomores, and juniors.

Contact Miss Matilda Thompson, Dean of Women, for further information and application blanks. All completed applications must be in Miss Thompson's office by Feb-18th.

Equipment Winner

Gary Gilbertson was named grand champion winner at the Little International Farm Equipment Show last Saturday evening. Dale Anderson was named reserve champion.

The show was divided into four divisions. The winners of each division are as follows:

Farm structures—James Bergeron, first place winner; Ardell Moe, second place; and Lewis Merrill, third place.

Farm and Machinery — First place, Gary Gilbertson; second place, Maynard Anderson; third place, Clinton Kurtz and Arnie Nestegard.

Utilities—Leslie Hammond and Arlyn Kraft, first place; Mike Wickstrom and Kinnio Meyer, second place; and Duane Buentz third place.

Soil and Water—James Bergeron, first place; Ardell Moe, second place; and Merrill Lewis, third place.

Vet's Play, 'Front Page' This Weekend; Offers Fast-Moving Comedy To Audience

By Jim Lund

A rollicking, fast-moving comedy which attempts to tell about the life and language of big city newspapermen in the roaring twenties. That's what you'll see Friday and Saturday night in the Little Country Theater, as the NDSC Vet's Club presents, "The Front Page". The play does an extremely convincing job of showing the newspapermen of the era to be the sort who are constantly "peeking through keyholes, running after fire engines like a lot of coach dogs, waking people in the middle of the night to ask them what they think of companionate marriage, so that a million hired girls and motormen's wives will know what's going on."

The show is directed by Richard Browning, who also directed last year's "Tea House of the August Moon."

Arthur Evert, in the lead role, does a good job of portraying a man who is sick and tired of the newspaper business.

Dick Thomas does an interesting comic role as the unaware editorialist. Betsy Nelson, as Molly Malloy, the notorious woman who does

her best to protect a murderer, plays her role not only well, but with just the right flavor.

Dave Lommen, as a hardened old newspaper man, Walter Burns, is fully as vital as you would expect an old editor to be.

The rest of the cast, large as it is, deserves credit also.

Just as a reminder, the show will be presented at the Little Country Theatre, Friday and Saturday nights at 8:15. The admission is 75 cents.

Slonimsky Appears At Convo Monday

Mixing talk with music, Nicolas Slonimsky will discuss "A Thing or Two about Music" for SC students at convocation Monday at 9:40 in Festival Hall. Last outside attraction of the quarter, he is internationally known as historian and critic, and also has established himself as a conductor interested in modern trends.

He will use a piano to illustrate what he has to say.

Slonimsky

Born in Russia, but for 35 years an American, Slonimsky is known for his wit and humor as well as for scholarship. Guest performances on TV as well as a \$30,000 win on "The Big Surprise" program have added variety to his work.

Currently he is editor-in-chief of the International Encyclopedia of Music and Musicians, author of half a dozen books including "Music Since 1900" and "Music of Latin America," and a member of the editorial advisory board of the Encyclopedia Britannica.

"He knows his stuff," said F. G. Schoff of the convocation committee, and they tell us he is fun to hear as well as stimulating. It should make a good combination."

Student Senate

All students interested in Student Government positions are urged to attend the next Senate meeting on Feb. 17, at 7 p.m. in conference rooms 1, 2, and 3 of the Student Union.

At a meeting Jan. 27, Student Senate loaned \$25 to the World University Service to get their program underway. Proceeds from the WUS movement will be used for the "Algerian Student Relief" this year.

Prospective Student Senators will appear before the Student Affairs Commission headed by Bill Lantz. The purpose of the interviews is to acquaint the candidates with the workings of Senate and to weed out those who are ineligible.

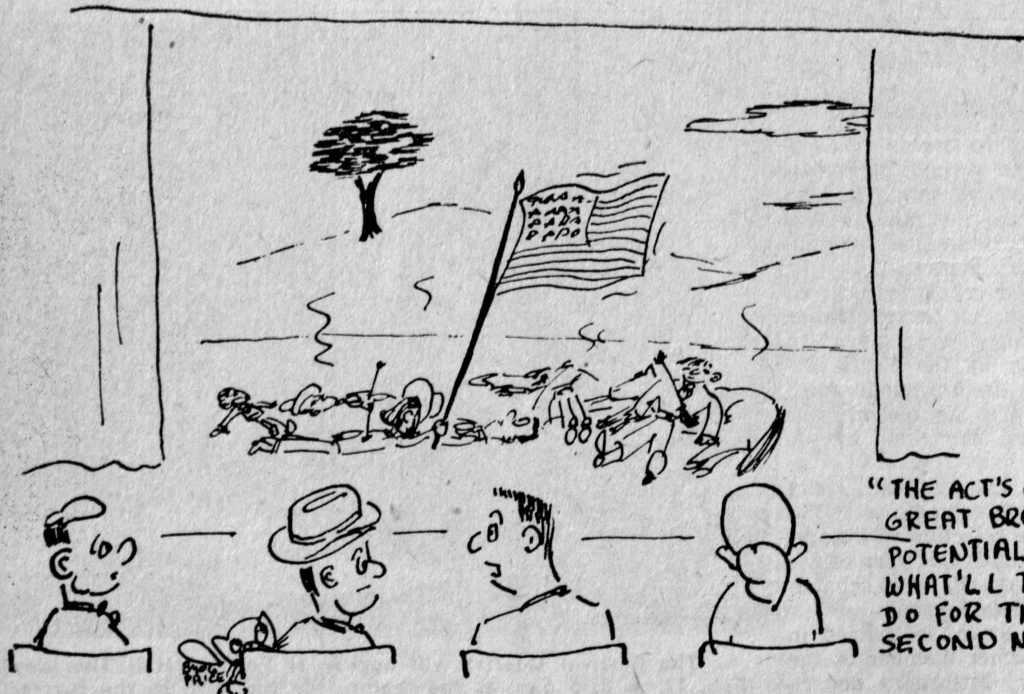

THE SPECTRUM

Published every Friday at Fargo, North Dakota by the NDSC Board of Publications, State College Station, Fargo, North Dakota.

Subscription rate \$1.00 per term

Entered as second class matter, December 10, 1945, at the Post Office at Fargo, North Dakota, under the act of March 3, 1879.

Kip's Korner

By Jan Kippen

Last week in the Bison room, Paul Koziey asked me why I never print jokes in this column. He claims that there are some people who never read the Spectrum (accepted that the author's purpose is that the same people are the people who would pick it up to read a joke (accepted hypothesis); while reading said joke their eye may be caught upon something else of interest and thus they will continue reading! So on the assumption that the ends justify the means, I submit to popular opinion and will print jokes!

The fellows will be joking a date break again next weekend. The annual Charity Ball, sponsored by Panhellenic Council will be held Feb. 13 in the Union Ballroom from 9 until 12 p.m.

Paul Hanson is to provide the music for dancing. A special feature of the evening will be a floor show at intermission. Tickets at \$2 per couple are available from any Panhellenic member or at the door. Dress is semi-formal.

Correction please! St. Valentine's Day, Feb. 14, is the date of the Sigma Chi Sweetheart Ball, and not the 13th as printed last week.

A football game with Gamma Phi pledges! Impossible? Not so, claims Alpha Tau Omega fraternity.

In this bitter football contest fought last Thursday, the "Beasts" of GPB edged out the "Beauties" of ATO by the narrow margin of 14-7. The Beasts were coached by Larry Van Sickle, while Carol Mund was the brains behind the Beauties.

"There are so many rude interruptions I can hardly hear myself talk," exclaimed the irate professor.

Came a voice from the rear, "Don't let it bother you—you aren't missing a thing!"

"Front Page", the NDSC Vet's Club production, will be presented for the last times tonight and tomorrow night. That's at 8:15 p.m. at the Little Country Theatre. Don't miss it.

Newman Club is sponsoring a Valentine Dance at the Catholic Student Center tomorrow night. That's February 7 at 8 p.m.

The Bison are at home this weekend for two games. Tonight it's Morningside, and tomorrow they tackle Augustana. Game time, as usual, 8 p.m.

Plans for our World University Service week are well underway. Representatives from the many organizations on campus have been putting in a lot of time dreaming up new ideas for this year. When to have it seemed the main problem, as conflicts with U Series, Ugly Man Contest, Snow Sculpture, Events, All-College Festival and finals arose upon no end.

The date chosen is March 9-13, the first week of spring quarter. A kick-off dance has been scheduled for Feb. 14 in the Union, with Ward Dunkirk supplying the music. Reason for the discrepancy between the dance and WUS week is due to the aforementioned scheduling problem on this busy, busy campus.

Jim Walline, Moorhead, has joined the ranks of Alpha Tau Omega as a pledge.

Ken Keller, Rugby, was recently named "Outstanding Pledge" of ATO.

New pledges of FarmHouse include Allyn Bell, Fargo; James Bakken, Berthold, North Dakota.

Scholarships Open; Inquire Dean's Office

Miss Matilda B. Thompson, NDSC Dean of Women, has announced that March 1 is the deadline for applications for the many scholarships that are offered to women students.

Women students from any school on campus may apply for the following scholarships: NDSC Woman's Club; College Panhellenic; Gamma Phi Beta; Kappa Kappa Gamma; P.E.O. Floy Lowell Memorial; and Senior Staff. Information and application blanks for these scholarships may be obtained at the Dean of Women's Office.

Several of these awards, ranging in value from \$50 to \$100, are made possible by various organizations. Selection of recipients is made by committees from the donor organizations.

There are also several scholarships available to women in the various schools. Information and applications for these scholarships may be obtained from the dean of the particular school.

Dancing School To Give Show At Charity Ball

The Halbeisen Dancing School will feature a floor show during intermission at the annual Charity Ball which will be held Friday, Feb. 13, from 9-12 p.m. in the Student Union ballroom. Model Man Les Breitbach will be master of ceremonies for the event.

This semi-formal ball has a Valentine theme. During the evening a King and Queen of Hearts will be crowned. They will be presented with medals as a remembrance of the evening.

This girl-ask-boy dance is sponsored by Panhellenic Council, with Alpha Gamma Delta in charge of general arrangements. Other committees are: tickets, Gamma Phi Beta; publicity, Kappa Alpha Theta; decorations and cleanup, Kappa Delta; invitations, Kappa Kappa Gamma; and coat check and chaperons, Phi Mu.

Linda Nelson, GPB, has been selected by Theta Chi fraternity as 1959 Dreamgirl.

Kappas and AGR exchanged for Monday night dinner. Something new in exchanges was initiated as two sororities, Kappa Alpha Theta and Gamma Phi Beta exchanged also.

Leonette Bolech, Maryanne Kerian, and Chloe Trenbeath are now active members of Kappa Delta.

Wedding bells will ring this June for Shirley Carlson, Home Ec junior from Rolla and Charles Rust, Ag Education senior from Cogswell.

The human brain is a wonderful thing. It starts working when we get up in the morning and never quits until we are called on in class! Bye now!

Captain To Speak

Captain D. E. Christenson will speak on "Turkey—Cross Roads of the Middle East," at the Association of the United States Army meeting Tuesday evening, Feb. 17 in Meinecke Lounge in the Student Union.

Captain Christenson will illustrate his talk with colored slides taken during his recent tour of duty in Turkey.

On Campus with Max Shulman

(By the Author of "Rally Round the Flag, Boys!" and "Barefoot Boy with Cheek.")

THE PEN IS MIGHTIER THAN THE SMOOCH

Back in my courting days (the raccoon coat was all the rage, everybody was singing *Good Morning, Mister Zip Zip Zip*, and young Bonaparte had just left Corsica), back, I say, in my courting days, the standard way to melt a girl's heart was to write poetry to her.

I don't understand why young men today have abandoned this gambit. There is nothing like poetry for moving a difficult girl. What's more, poems are ridiculously easy to write. The range of subjects is endless. You can write a poem about a girl's hair, her eyes, her lips, her walk, her talk, her clothes—anything at all. Indeed, one of my most effective love lyrics was called *To Maud's Pencil Box*. It went like this:

"To Maud's Pencil box" It went like this:

*In your dear little leatherette pencil box
Are pencils of yellow and red,
And if you don't tell me you love me soon,
I'll hit you on top of the head.*

Honesty compels me to admit that this poem fell short of success. Nothing daunted, I wrote another one. This time I pulled a switch; I threatened myself instead of Maud.

*Oh, Maud, pray stop this drivell
And tell me you'll be mine,
For my sweetbreads they do shrivel
And wind around my spine.*

*My heart doth cease its beating,
My spleen uncoils and warps,
My liver stops secreting
Soon I needs be a corpse.*

When this heart-rending ballad failed to win Maud, I could only conclude that she was cruel and heartless and I was better off without her. Accordingly I took back my Hi-Y pin, bade her adieu, and have not clapped eyes on her since. Last I heard, she was working in Galveston as a Plimsoll line.

But I did not mourn Maud long, for after Maud came Doris—Doris of the laughing eyes, Doris of the shimmering hair, Doris of the golden tibiae! Within moments of meeting her, I whipped up a torrent of trochaic tetrameter:

*Oh, my sweet and dulcet Doris!
I love you like a Philip Morris
With its mild and rich tobacco
In its white and scarlet pack-o.
I'd swim from Louisville to Natchez
For Philip Morris and you and matches.*

Well, of course, the dear girl couldn't resist a poem like that—what girl could?—and she instantly became my slave. For the rest of the semester she carried my books, washed my car, and cored my apples. There is no telling where it all would have ended if she hadn't been drafted.

So, men, you can see the power of poetry. Try it yourself. All you need is a rhyming dictionary, a quill pen, and a second-hand muse.

© 1959, Max Shulman

Let's drop rhyme and turn to reason. The reason Marlboro has gone to the head of the filter cigarette class is simple: better "makin's"—a flavor that pleases, a filter that works. Marlboro—from the makers of Philip Morris.

Home Economics Highlights

By Arlene Christianson

Did you (or even you, Miss average Home Ec major) know that NDSC had home economics graduates five years before the organization of the American Home Economics Association? NDSC is actually the fifth school to organize a home economics department in the United States.

The first home economics classes, in 1891, were held in the instructor's home. In 1893, the Department of Domestic Science, as

home economics was then called, was moved to Francis Hall. Ceres Hall was opened in 1910 to provide classroom and dormitory space. The first class with Bachelor's degrees graduated in 1911. The Beta chapter of Phi Upsilon Omicron was received on campus in 1914.

The Department of Home Economics became the School of Home Economics in 1917. Training under the Smith Hughes Act began as a state supervisor of Vocational Homemaking was nam-

ed. In 1922 the School of Home Economics was formed into departments of: clothing, foods and nutrition, and education.

Alba Bales was the name of the first professor in charge of the home management house when it opened in 1923. The first related art department was formed in 1925.

Tryota, the home economics club, was organized in 1941 and became a member of the American Home Economics Association in 1945.

The legislature appropriated \$450,000 for the new Home Economics Building in 1951. Dr. Caroline Budewig, present Dean of Home Economics, was appointed in the same year the new building was dedicated, 1954. The enrollment has risen from 60 in 1920 to over 300 in 1959.

Comita To Give Next Faculty Lecture

The development and habits of copepods, which are microscopic lake-dwelling animals, will be discussed by Dr. Gabriel W. Comita, associate professor of zoology at North Dakota State College, at the annual NDSC Faculty Lecture, Feb. 10.

The lecture, to be illustrated with slides, will be in the Memorial Union Ballroom at 8 p.m. Refreshments will be served.

Copepods are an important food source for fish. They are about 1/25 of an inch long and have swim-

ming appendages shape like boat oars. Some are parasitic and can cause tapeworms or roundworms if digested with food or water.

Dr. Comita has studied their life cycles in a Minnesota lake during the past year under a grant from the National Science Foundation.

A native of Minneapolis, Minn., Dr. Comita came to NDSC in 1953 from the University of Washington, where he studied West Coast copepods and earned his doctorate degree. In 1951 and 1952 he headed a research program on Arctic copepods for the Office of Naval Research.

Dr. Comita earned his M.A. degree at the University of Minnesota in 1949, and his B.S. degree at St. Thomas College, St. Paul, Minn., in 1937.

Since 1952 Dr. Comita has presented a research paper yearly before national meetings of scientific societies. He has had eight papers published in biological journals.

The Faculty Lecture series was started in 1957 to focus attention on NDSC faculty who have shown outstanding academic leadership and to inform the public of scientific and scholarly developments.

Ugly Man And Snow Sculpture Contest Sponsored By APO During U Series

"Let's hope that we have a blizzard before too long," says Don Moorhead, president of Alpha Phi Omega, National Service Fraternity. Alpha Phi Omega's concern with the amount of snow pertains to the coming Snow Sculpture and Ugly Man contest, which will be held in conjunction with the "U" series.

Crippled Children's Home in Jamestown. Last year over three hundred dollars were donated. Pictures of the candidates will be taken tomorrow, afternoon, and will appear in next week's Spectrum.

According to Don Moorhead, the Ugliest Man On Campus is a contest where each sorority picks an outstanding man on campus and proceeds to make him ugly. Pictures are taken of these candidates and placed in the Student Union with jugs for voting. Voting is done from Feb. 16-21 with a penny per vote. The winner is decided on the basis of which jug contains the most money. The proceeds go to the

Another competitive event sponsored by Alpha Phi Omega is the Snow Sculpture contest which will be held simultaneously with the Ugly Man contest. The fraternities and the sororities each make a sculpturing of snow and ice following the theme of "Scenes from foreign lands". Judging will be done Feb. 20 at 4:30 and 6:30 p.m. Entries will be judged on the basis of appearance and appropriateness of the theme. Awards for these two events will be presented by Alpha Phi Omega at a dance Feb. 21 following the second game of the "U" series. The dance will be held in the Union Ballroom with Paul Hanson's Orchestra providing the music.

Hall of Fame Banquet Honors Leonard Davis

Leonard Davis was honored as the 1958 outstanding man in agriculture in North Dakota at the 33rd annual Hall of Fame Banquet held at the Memorial Union last Friday evening. His portrait was unveiled by Pres. Fred S. Hultz, and will be hung in Shepperd Arena among the other 32 portraits.

Alpha Phi Omega has scheduled Spring Sing for Sat., April 11, at Festival Hall. The theme will be "Glimpses from abroad". This year it will be open to independent and religious organizations in addition to the "Greek" organizations. Following Spring Sing, a dance will be held in the Union Ballroom with Paul Hanson playing once again. The winners will be announced at the dance.

Davis has done a great deal in livestock work and in promoting conservation practices in North Dakota. He is presently president of the North Dakota Stockman's Association.

Ray Schnell, from Dickinson, was the guest speaker. He presented the life history of Mr. Davis.

Other events of the evening consisted of a banquet, a welcoming address by Wayne Hankel and introduction and presentation of awards to judging team members by Merle Light, Dr. V. K. Johnson and John Johnson. M. L. Buchanan gave a short talk on what the Hall of Fame stands for.

Dean of Agriculture Arlon Hazen gave the invocation and benediction.

Charles Bateman acted as toastmaster for the evening.

WDAY Presents Second Semester of 'Physics' On Early Morning TV

The second semester of "Physics for the Atomic Age," the television course presented at 6:30-7 a.m. Monday through Friday on WDAY-TV, Channel 6, Fargo, begins Wednesday, February 11. Presented by "Continental Classroom," under the auspices of the American Association of Colleges for Teacher Education (AACTE) and the National Broadcasting Company, the course is directed by Prof. Harvey E. White of the University of California in Berkeley.

Designed primarily for teachers of high school science, the course is also valuable for those planning to teach science, liberal arts students, engineers, and adult non-specialists who are interested in obtaining a better understanding of recent developments in science.

The first semester's work consisted primarily of those aspects of physics necessary for an understanding of nuclear physics. The second semester will deal entirely with atomic and nuclear physics.

Starting last Oct. 5, the course runs through a school year: the last televised lesson will be on Friday, June 5. Each semester consists of 80 TV lessons, plus semi-monthly class sessions on Saturday.

SAE House Defaced Early Friday Morn By Pranksters Wielding Paint Cans

Pranksters threw three gallons of paint on the south side of the new Sigma Alpha Epsilon house last Friday morning.

When Mrs. C. L. Swisher, the fraternity house mother, opened up the blinds of the living room, she stared into a glob of green paint. Upon investigation of the outside premises it was discovered that about three gallons of paint had been thrown along the south side of the house. The empty paint cans were also discovered beside the house. Two were pink water base cans. The other can was a green oil base paint can.

Arnold Rooks, detective on the Fargo Police force, was unable to find any definite clues other than the paint cans. It was thought that the prank occurred sometime between the hours of one and two-thirty in the morning as Phil Theil

noticed spots on the window about the hour of two-thirty. However, he did not pay too much attention to the spots at that time.

No definite indication was given as to who committed the vandalism. Some of the SAE members thought that it could have been some members of another fraternity.

An estimate of the damage will be made early next week by Oslie & Co., contractors who built the building. The damage is covered by insurance.

This is the third time in the last year that the SAE house has been painted up. The other two times happened while they were still located on tenth street. They also lost most of their intramural and Brevities trophies last year when someone broke into the house.

With Brevities tryouts coming up on the 10th and 11th of this month, sororities and fraternities are busy putting their acts together. Kappa Delta sorority and Sigma Alpha Epsilon fraternity are pictured above as they practice a dance routine. Brevities, which is sponsored by Blue Key, will take place May 7th through the 9th.

... by Carr

Tom Neuberger, coach of the Bison grapplers, said "We'll find out Saturday if we are in shape, when we wrestle three meets in one day."

South Dakota State is expected to be the class of the quadrangular meet. Their 177 pounder, Allen Alfredson, will probably be the outstanding wrestler of the meet.

Tom Neuberger singled out two men in the 137 pound class as perhaps being one of the outstanding wrestlers on the NDSC squad. Larry Van Sickle, captain of the squad, has been doing a fine job. He is a conscientious wrestler and sets an example for his teammates. It is that extra will to win that helps make Larry a fine wrestler.

Jon Bredeson is also very good. We expect great things from Jon in the future. He picks up wrestling faster than anyone Neuberger has ever seen. Stay after the basketball game on Saturday, so we can see them wrestle.

The Bison go back into action this weekend with basketball games on Friday, with Morningside, and Saturday, against Augustana.

Coach Chuck Bentson stated that the three day rest the team had last weekend, appeared to be a tonic for the team. He felt that they had been entitled to a rest after a full month of eight games and much traveling.

Coach Bentson feels that on the basis of previous showings and Monday night's workout that they have a good chance of winning both games this weekend. John Foss's injuries are well mended and barring any unseen injuries the team should be in good shape for the weekend.

Bentson indicated that if the team can start putting in some baskets it will take some of the pressure off Bachmeier and we'll see some better games. This will leave Bachmeier more chances to score.

There will really be some good games this weekend, so I hope to see you there!

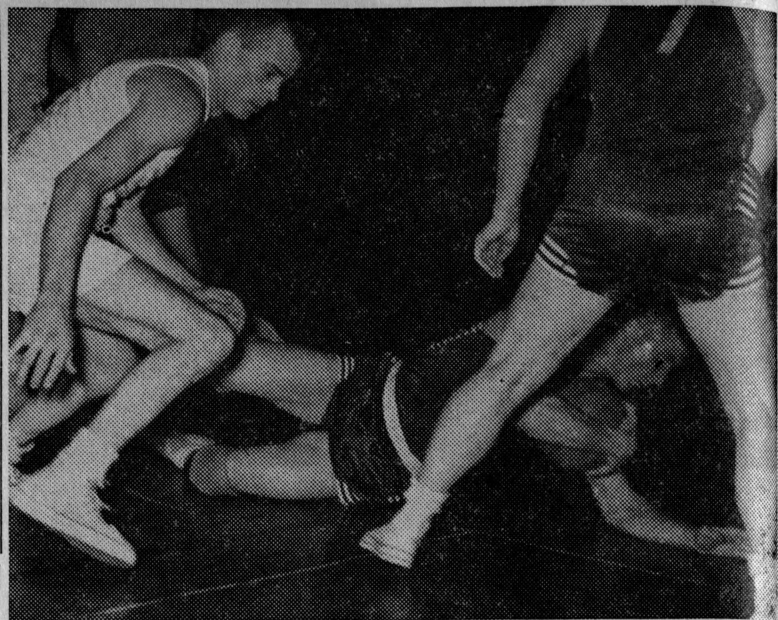

Ski Club Skis On Val Chatel Hills Near Park Rapids

Cold weather doesn't stop skiers from enjoying their favorite sport. Twelve members of the NDSC Ski Club enjoyed themselves on the Val Chatel Hills near Park Rapids, Minn., last Sunday. They left the campus at 8 a.m. for a day of winter pleasure.

The snow conditions were excellent for skiing according to Duane Lawrence, Sophomore at NDSC. The temperature stayed around three below accompanied by very little wind.

Glenn Holte of State tries to win two points by gaining the advantage over Larry Kidahl of Concordia. He did and then went on to pin Kidahl. Kidahl hurt his sternum when he tried to break Holte's pin hold. State won 22-11.

Publications Photo by George Hagen

It's mine! This type of action is typical of the intramural basketball program at NDSC.

Morningside And Augustana Listed On Week-End Basketball Schedule

Coach Bentson's Bison squad will be out to avenge earlier defeats this weekend from both Morningside and Augustana. Morningside beat the Bison 95-77 and Augustana won from them 80-70.

Morningside, the dark horse in the conference, has been overlooked in pre-season predictions. While not possessing the height of some of their opponents, they have one of the best shooting teams in the conference. It was apparent after they defeated Iowa Teachers

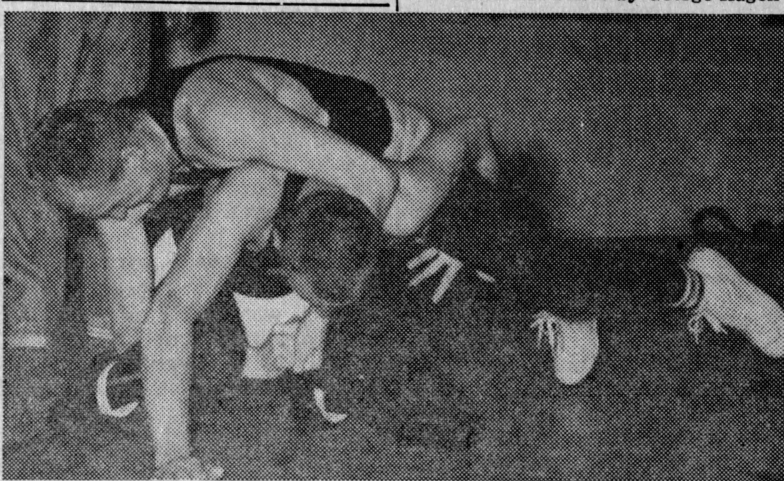

last week, that they had found a replacement for Jim Ervin, their shooting center who graduated last semester.

He has been replaced by 6'6" Jerry Block. They also have Ken Stripling, who is one of the outstanding guards of the conference. Ken is now top percentage shot in the conference with a .561 average. He scored 27 points against us when we were down there.

Augustana is lead by Bob Swanhart, who scored 24 points against us at Sioux Falls and was their top rebounder with 19 to his credit. Foss's return, along with new team spirit, will mean a lot in both games, Bentson stated. He plans to start Dick Faught, John Foss, Jerry Kingrey, Marv Bachmeier, and Bob Brown.

Do You Think for Yourself? (ANSWER THESE QUESTIONS AND FIND OUT!*)

1. If you were about to buy an automobile, would you (A) study the road-test reports in the magazines, or (B) select the car that looks best to you? A B
2. When confronted with a menu with lots of foreign terms, do you (A) ask what is in each dish, or (B) accept the waiter's recommendation? A B
3. When invited to play an unfamiliar game, do you (A) refuse to play until you fully understand the rules, or (B) pick up the rules as you go along? A B
4. When invited to a party, do you (A) accept, hoping to enjoy yourself no matter who attends, or (B) try to learn who will be there before accepting? A B
5. In buying a radio, would you be influenced more by (A) low price, or (B) product features despite a slightly higher price? A B
6. When deciding on what movie to see, do you usually prefer films that (A) are gay and diverting, or (B) have a social message? A B
7. When you run into a foreign phrase in a textbook, do you first (A) head for a dictionary to find the meaning, or (B) try to dope out the meaning yourself? A B
8. When reading the paper, do you (A) catch yourself concentrating on scandal stories, or (B) spend your time on news and editorial matter? A B
9. In choosing a filter cigarette, (A) are you easily swayed by bold claims, or (B) do you think for yourself and stick by your decision? A B

If you're the kind of person who *thinks for yourself* . . . you use judgment in your choice of cigarettes, as in everything else. Men and women who think for themselves usually smoke VICEROY. Their reason? Best in the world. They know that only VICEROY has a thinking man's filter and a smoking man's taste.

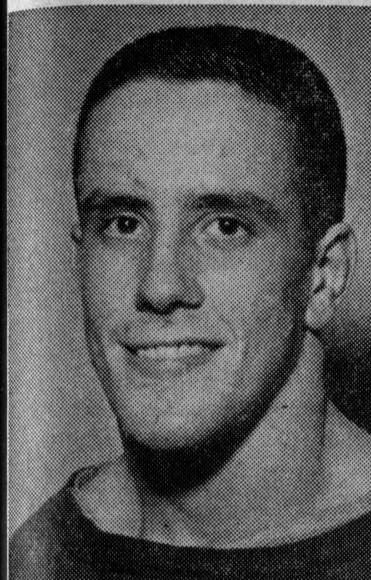

*If you checked (A) on three out of the first four questions, and (B) on four out of the last five . . . you really think for yourself!

The Man Who Thinks for Himself Knows — ONLY VICEROY HAS A THINKING MAN'S FILTER . . . A SMOKING MAN'S TASTE!

Van Sickle Chosen Athlete of Week

Larry Van Sickle, a sophomore in physical education, is this week's choice as "athlete of the week", as selected by the Letterman's Club.

Larry more than likely won the honor on the strength of two wrestling wins this past weekend, and particularly on account of his superb showing against Omaha University.

Coach Neuberger says that Van Sickle is one of those one in a million athletes that you can't say enough good things about.

Larry is also this year's captain of the Bison wrestling team.

While in high school at Shanley in Fargo, Van Sickle competed in all sports except wrestling, which he started as a freshman last year at NDSC.

According to Coach Neuberger, Larry is outstandingly effective in his capacity through the use of the examples he sets in practice, in competition or in his daily college habits.

If he shows as much progress in his last two years at NDSC as he has in his first two, great performances can be expected from this athlete.

SUAB Bridge Lessons To Begin February 11

The Student Union Activities Board will sponsor bridge lessons every Wednesday at 7:30 p.m. starting Feb. 11 in the Union Ballroom.

The lessons will cover everything from the basic fundamentals to exempt bidding and blackwood.

Tom Farley, senior in the School of Chemistry, will be the instructor. The cost of the lessons will be \$1.50 for a series of seven lessons.

Those who are interested should sign up at the Union Program Office.

NDSC Wrestling Team Meets Concordia, SDS, Valley City Feb. 7

NDSC will entertain SDS, Valley City, and Concordia in an all day three session quadrangular meet tomorrow. Each team will wrestle each other team in a dual match during the day. The winner of the meet will be determined by the total number of team points scored throughout the day. This arrangement will encourage aggressive wrestling and pins. The first session at 10:00 a.m. will have NDSC vs. Valley City and Concordia vs. SDS. At 3:00 p.m. NDSC will meet SDS and see Concordia vs. Valley City. The final session will follow the Augustana-NDSC basketball game and will find NDSC vs. Concordia and Valley City vs. SDS.

Two mats will be used with a dual meet progressing on each mat simultaneously. Coach Neuberger looks for SDS to be the strong team of the four, with the other three teams competing for second place.

The NDSC Bison wrestling team suffered two defeats at home last weekend, losing to Omaha University 21-10 and Valley City Teachers 13-12.

Coach Neuberger had the following comments on the matches: "I felt we wrestled our best match of the year against Omaha U. even though it was a losing effort. Omaha had four state champions on their team. We were disappointed to lose to Valley City by one point, but we knew the match would be a toss-up before it started. The difference in the match was in pins. While we won one more match than they, two of theirs were won by pins. Larry Van Sickle put on an outstanding exhibition of wrestling ability that we didn't know he had against Omaha. Dale Hinkle, in his initial year of wrestling, scored six points before losing to Nick Chiburis, a former state high school champion from Omaha. Don Remillong displayed a variable arrangement of wrestling fundamentals to adequately defeat Larry Hill of Omaha. If the boys could

day night against Valley City, it is doubtful that we would have been defeated.

The Results:

Omaha Univ. 21, NDSC 10.

123—Angelo Cuva, Omaha, decided Marv Jenson, NDSC, 7-2.

130—Glenn Holte, NDSC, won by forfeit.

137—Larry Van Sickle, NDSC, pinned Chip Bowley, Omaha, 4:47.

147—Bob Tallman, Omaha, pinned Wayne Mosher, NDSC, 2:42.

157—Frank Johnson, NDSC, Jim Howard, Omaha, draw.

167—Nick Chiburis, Omaha, decided Dale Hinkle, NDSC, 8-6.

177—John Emery, Omaha, pinned Gary Bergan, NDSC, 3:36.

Hvy.—Jim Cormer, Omaha, decided Larry Roehl, NDSC, 7-3.

Exb.—Don Remillong, NDSC, pinned Larry Hill, Omaha, 4:45.

Placement Service

Monday & Tuesday

February 9 and 10, 1959
Forest Service, USDA is interested in interviewing seniors and undergraduates in engineering and business management. They offer summer positions for undergraduates. They offer opportunities in Engineering, Range and Timber Management and Business Management.

Tuesday, February 10, 1959

Motorola, Inc., is interested in talking to electrical engineers. They offer opportunities in Research, Development, Design, Systems and Production Engineering. Motorola is doing research in such areas as Missile Electronics, Airborne Electronics and VHF and UHF Communication systems.

Wednesday, February 11, 1959

Continental Can Company Inc. wishes to speak to mechanical and industrial engineers and chemists. They have positions open in Production Engineering and Production Manufacturing.

Wednesday, February 11, 1959

Sundstrand Machine Tool Company, Rockford, Illinois, is interested in interviewing Mechanical, electrical and industrial engineers. They offer opportunities in technical writing, purchasing, processing, research and development.

Thursday, February 12, 1959

Universal Electric Corporation, Owosso, Michigan, represented by Mr. H. C. Meier, Vice President, wishes to speak to electrical engineers. Universal is engaged in fractional motor manufacturing business.

Friday, February 13, 1959

General Mills, Mechanical Division, Minneapolis, Minnesota, seeks interviews with electrical and electronic engineers, mechanical engineers, aeronautical engineers, physicists, chemists and mathematicians. They have openings in such sections as: Electronics Laboratory, Experimental Model Ship, Guidance and Control, Communication and Control Weapons and Reconnaissance Systems and Digital Computers Development Laboratory.

Friday, February 13, 1959

Geo. A. Hormel & Co. will be represented on campus by Mr. Kingston. He will seek interviews with senior students from the school of agriculture interested in livestock buying and marketing. Primary interest will be in animal husbandry students.

NOTICES

WIVES CLUB

I. E. Wives Club will meet Monday, Feb. 9, at 7:30 p.m. at the home of Mrs. Marion Richardson, 1309-11th street North.

UCCF

UCCF will meet at 6:00 p.m. Sunday, Feb. 8, at Plymouth Congregational Church. Mrs. E. Charles Markman will speak on the relationship of Existentialism to Christianity. There will be a discussion of this based on the writings of Camus. All who desire transportation should meet in the Ceres Hall lobby by 5:50 p.m.

The UCCF Study group will meet at Markman's (1421 North 13th street) Friday at 4:00 p.m. Coffee hours are Wednesdays at 4:00 p.m. in Meinecke Lounge.

MEETING

An Ag. Economics business club meeting will be held Feb. 9 at 7:30 p.m. in conference room one of the Student Union.

Guest speaker will be Mr. Victor O. Sandburg, personnel manager for the U. S. Department of Agriculture Forest Service. His talk will be on government employment in the Forest Service and other branches of the federal government.

GAMMA DELTA

Gamma Delta will hold its regular supper meeting on Sunday evening in the Gamma Delta Room at Immanuel Lutheran Church beginning at 5 p.m. Guest speakers will be the Ferber family telling "How the Deaf Hear the Word". Everyone is welcome to attend.

THE SPECTRUM
NORTH DAKOTA STATE COLLEGE
FARGO, NORTH DAKOTA

NEWMAN CLUB

An Executive District meeting of the Newman Club will be held at the Newman Center on Sat., Feb. 7th.

A Valentine's Party will be held for all Newman Club members on Sat., Feb. 7, at 8 p.m.

A meeting of the Newman Club will be held Sunday at 7:30 p.m. Mr. M. Sweenger and Mr. E. G. Grommesh will be in charge of the meeting and vocations will be discussed. A social hour will follow the discussion.

MEETING

A meeting of the International Relations Club will be held Thursday, Feb. 12, 1959 at 4:00 p.m. in Meinecke Lounge of the Student Union. Guest speaker will be Mr. Allan Krause, a student from the University of Illinois. Mr. Krause will show slides and relate incidents from his tour of Russia. All are welcomed. Free coffee and donuts will be served.
