

The NDSC bowling team won the 1959 North Dakota intercollegiate bowling championship in the fifth annual event here. NDSC posted the high scratch team score of 2,668, total 9,616 pins. The team members are left to right: John Sawyer, Lowell Barnum, Lawrence Stangeland, Coach Gordon Teigen, Chuck Hernitt, Ed Mach and Stan Sweet.

## Songsters to Compete At '59 Spring Sing

"Around the World" is the theme of the annual Spring Sing to be held Saturday, April 11, 7:15 p.m. at Festival Hall. 6 sororities and 7 fraternities have entered the competition for the trophies awarded the best singing groups.

In the sorority competition, the groups entered and the songs they will sing are as follows: Alpha Gamma Delta, "The Last Time I Saw Paris"; Gamma Phi Beta, a medley of "South of the Border," "Under Paris Skies," and "They Call It America"; Kappa Alpha Theta; a medley of "Kerry Dance," "Galway Bay" and "When Irish Eyes are Smiling"; Kappa Delta, "Around the World in Eighty Days"; Kappa Kappa Gamma, "Isle of Capri"; Phi Mu, "A Little Bit of Heaven".

The fraternities entered and the songs they will sing are: Alpha Gamma Rho, "Russian Picnic"; Alpha Tau Omega, "The Three Bells"; Farmhouse, "Coming Through the Rye"; Kappa Psi, "The Riff Song"; Sigma Alpha Epsilon, "My Bonnie Lassie"; Sigma Chi, "Spanish Cabelero" and "South America, Take It Away"; and Tau Kappa Epsilon, "My Buddy".

Alpha Phi Omega, the sponsoring organization, will present Paul Hanson and his Orchestra for dancing in the Student Union Ballroom after the sing. Winners of the various competitions will be announced here.

Everyone is welcome to attend the dance. Admission will be 75 cents per person.

The NDSC Gold Star Band will open the evening's performances with a program starting at 7:15. The Spring Sing competition will begin at 8 p.m. Each group will be limited to five minutes on the stage.

During the singing competition, there will be several novelty acts and skits on the program. These acts will involve a minimum of props and costuming and will be given by various fraternity and sorority groups between the song entries. A trophy will be given by A Phi O for the best skit.

Masters of ceremonies for the event will be Gene Price and Richard Contos. The proceeds from the dance will go into a scholarship fund to be given to a high school senior during the All College Festival.

Spring Sing is open to the public and admission will not be charged.

## Residence Council Elects Officers

The Inter-Residence Hall Council held its organizational meeting Wednesday evening April 1.

The group elected officers as follows: Harley Schlichting, president; Howard Blackstead, vice president; Rodney Wolf, secretary; Gary Sprecher, reporter.

The organization is composed of ten members elected from Stockbridge, Churchill and Dakota Hall to act as representatives for the dormitories and to generate general well being in the dormitories.

Harley Schlichting, president of the group, says the council plans to create better understanding between dormitory residents and the housing management, improve relations between halls, create more dormitory spirit, and keep residents informed of new rules and the purpose of these rules.

## Balloons and Giant Kernels to Publicize Sharivar

One thousand hydrogen filled balloons and five pound wheat kernels will be used to publicize Sharivar which will be held May 8 and 9.

The balloons will be released near the middle of April containing information about Sharivar. A card worth two tickets to Bison Brevities on May 7 and 8 will be enclosed. The balloons will be sent up over a period of four days from Fargo, Minot, and Bismarck.

All North Dakota Congressmen in Washington, D. C. will receive invitations to Sharivar via gigantic wheat kernels. These kernels, which will weigh five pounds, are to be made of plaster of paris.

Warner Johnson, senior in Agricultural Engineering, is in charge of these two projects as publicity chairman for Sharivar.

## 'Shangrila' Theme Of Dance Tonight

Francis Colby will play for a semi-formal dance in the Student Union Ballroom on Friday, April 10, from 9 to 12. He is sponsored by the Student Union Activities Board.

The theme will be Shangrila. Trophies will be presented to the various bowling teams and singles by Gordon Teigen, assistant director of the Memorial Union.

Tickets for the evening's entertainment are on sale for \$1.25 per couple.

## Animal Husbandry Dept. To Use New Building

A new animal nutrition plant will soon be put into use by the Animal Husbandry Department at NDSC. The plant is located at the Animal Husbandry farm one mile west and one north of the campus. Present plans are to occupy the new quarters by early summer, however final construction of the unit will not be completed until September.

The new structure includes a feed mill, feed warehouse, a swine unit, a sheep unit and two units for beef cattle. Included in the main structure is the feed mill which is equipped with a pelleting machine. The machine will be used to pellet the rations for all the feeding trials carried on by the nutrition department, plus the pelleting of feed for other units of the Animal Husbandry Department.

Also, included in the main structure is the feed warehouse which is equipped to handle both bulk grain and sacked grain. Connected to the main building are the sheep and swine units. The two beef cattle units are located to the north of the main structure. According to Dr. William E. Dinusson, Animal Nutritionist at NDSC, the new plant is the most modern of its kind in the upper midwest, which includes the plants at the University of Minnesota, Iowa State College, South Dakota State College and Montana State College.

## Boy At Stadium Court Injured By Automobile

Doyle Belzer, five year old son of Wesley Belzer, EE Sr., was injured in an accident near his home at J-11, Stadium Court, Wednesday.

It happened at about 5:30 p.m. when he ran out from between two parked cars and into the path of a car driven by Lynwood Valor, IE Sr., who lives at 1902 North 9 St. The boy received a bruise in the middle of his back from the bumper of the car. He was taken to St. Luke's Hospital for observation but was released later in the evening.

## Thirty-Three run for Senate Posts

Thirty-three candidates will be running for Student Senate positions in the coming elections on Tuesday and Wednesday. There will be three presidential candidates, 15 two-year senator candidates, and 14 one-year senate candidates running for office. These elections are the result of the invalid elections on Feb. 23 and 24.

The presidential candidates are Noel Estenson, Bill Lantz, and Jim O'Keefe. Estenson, who is the present president of the Co-op House, is in Blue Key National

Honor Fraternity, Alpha Zeta National Schloastic Fraternity, Student Senator and Commissioner of National Student Association, and LSA Chapel Chairman. He states that, "After you have evaluated my stand on the issues of this campaign and my qualifications for serving you as Student Body President, I ask for your vote."

Lantz is a two year senator, Commissioner of Campus Affairs, and a member of Blue Key National Honor Fraternity. He was chairman of the 1958 Homecoming. He states that, "I feel I can further the individual student's interest and help senate cope with the problems that will face it in the coming year. I will put in as much time that is necessary to do a good job and will not have outside activities interfering with the job."

O'Keefe is a Student Senator, a member of the radio commission and athletic commission, and co-chairman for Sharivar. He was also co-parade Marshall in last year's Homecoming. He stated that, "If elected, I will strive to do my best

to do a good job. I urge all students to vote, and I would appreciate any support given me."

Polling places will be Morrill Hall, Francis Hall, Dolve Hall, Memorial Union, library, Minard Hall, South Engineering, Ladd Hall, and Home Economics. (See story page 10 and pictures page 6).

## Outstanding Vet Named At NDSC

John Seelhammer, former president of the Vet's Club has been selected to receive the award that

is made to the outstanding veteran of the year.

This award, given annually, is based on scholastic ability, service to the school, character, and service to the Vet's Club.

Seelhammer, who graduated at the end of the winter quarter in Industrial Engineering, is now working for Boeing in Wichita, Kansas.

Mayor Herschel Lashkowitz introduces Armin Heidt, one-time cancer victim, who is traveling through North Dakota to publicize cancer control month in April. The helicopter containing Heidt landed in the mall in the center of the NDSC campus on Monday. There he was met by the Fargo dignitaries.

## Three Grants Given

Three NDSC chemistry seniors were awarded \$600 grants by the Benjamin Moore Company of New York.

The recipients: Tom Brown, Fargo; Bob Werner, Enderlin; and Don Backley, Chicago are specializing in paint courses.

# Off The Editor's Cuff

By Bob Thompson

Four hundred and seventy-five SC students have been placed on the ineligibility list by the standards committee, as a result of their winter term grades. This is about one out of every six students. According to College Council regulations, "Students on warning or probation may not represent the college or any college or student organization in any capacity nor are such students eligible to participate in intra-college activities which are not a regular part of the course in which they are registered." This action should be in effect during this quarter. Yet, I have been to two meetings on campus where students on the list were participating actively.

If the actions the College Council deems necessary for probationary and warning cases is to be of any effect at all on these students, it would seem that the rule should be put into effect for everyone. Perhaps the curtailing the students' participation in extra-curricular activities, is not the answer to low scholarship problems, if it is so hard to enforce. Would it be better for the Standards Committee to limit the number of hours a student on this list could spend on extra-curricular activities, and control them through the students' advisors? Perhaps such students should be limited as to the credit hour load they could carry. And what about having the student responsible to his advisor during the quarter, with closer checks on his scholarship as the quarter progresses? It seems to me that the system must be enforced or changed, if the probation and warning system is to have an effect on the student.

An SC student came running up to my office this week and was quite hot under the collar. . . I don't blame him. It seems as though one of the candidates running for senate took down a poster that he had spent many hours on and put up his campaign poster. The poster was advertising the noon lunches at the LSA Center.

No. I believe Russia realizes as well as we do what the consequences of another World War could be. As long as we maintain and continue to strengthen our peacetime defense, I don't think we have to worry.

No. I believe that Russia realizes as well as we do what the consequences of another World War could be. As long as we maintain and continue to strengthen our peacetime defense, I don't think we have to worry.

No. Russia wants a communistic world and she probably realizes, as we do, that if there is a third World War, there will be no more people left to convert to communism.

No. Right now we are about even in atomic developments and a third World War would be just as disastrous to them as to anyone else.

No. I think that the Russians realize, just as we do, that another war may bring about the destruction of their country as well as any nation they would attack.

## Letter: Engineers Recommend New Activity Ticket

Each year one of the "standard gripes", election issues, etc., seems to be the athletic portion of our activity card and the system of administering the same.

Last fall the Engineer's Council undertook a study of the card and planned to try to effect a "more liberalized card", fair to all. The name change was our big interest at that time and it was requested we drop our effort prior to election lest it detract from the name change campaign. We did so, and the next opportune time became "reality of effort" during the close of the winter quarter when representatives of the Engineer's Council met with the athletic board of directors and outlined the results of the card study.

Action was deferred at that time and supposed to materialize at a special meeting early in the Spring Quarter—to date it has not been scheduled. The main reason for not pushing the scheduling of this meeting is lack of student interest and need of public opinion.

We feel that now is the time for full public information regarding the suggestions given at the board meeting and would appreciate written comment regarding same from the students.

The outlined plans follow: Proposal No. 1 is that a photo ID Card, such as is now in use, continue to be used, but with a liberal usage policy. This plan would have the card numbered for the number of athletic events to be held—(no excess numbers). Free use of the card could be allowed to the extent of punching out the entire card at the first game of the season if the holder so desired and thereafter the card owner would have to purchase tickets at the window at regular admission prices. The owner would have to accompany his guests.

(1) Good point—Student would be able to get full, free use of the ticket which he is obligated to use.

(2) Bad Point—Students would "Sell" punches outside the door.

The presentation committee realizes the above plan is not feasible from a point of operations, however, it carries the basic illustration of a punching number system and free use of required purchase merchandise.

Plan No. 2—RECOMMENDED—Variation of the above plan (No. 1) in which holder of card and his wife or date would be admitted by a punch for each. This plan would limit entrance to any one event to two persons of which one must be of opposite sex of card owner. Purchase tickets at regular admission prices after ticket is punched out. Because of sellout attendance at Homecoming and "U" Series these three games may be excluded from "Guest punches", however, this exclusion is not to spread beyond these 3 ball games.

Other possible variation . . . (Plan No. 2) . . . for use only at football games with Homecoming game excluded. (Note to student—football only specified here due to available seating capacity.) If this should be adopted a feasible plan for the basketball season would have to be worked out.

Plan No. 3—An activity card for wives at "NO ADDITIONAL COST" to be punched upon presentation of husbands card bearing his name and ID Photo. This plan would be recommended only if "NO ADDITIONAL COST" remains constant . . . not recommended the instant an expense to holder becomes involved since this cost would spiral over a period of time. A cost of this card will not satisfy students

since they feel they are not receiving their present money's worth in relation to the restrictions of the current athletic card now being used. (Writer's note—this plan would be primarily directed toward the married students which constitute nearly 1/4 of the students, and is done so because their wives and families are an integral part of the campus).

Plan No. 4—RECOMMENDED—Use ID Activity Card as now in use but with a series of stars on one edge for guest punching. Number of stars not to be less than one-half the number of games to be played. Thus a schedule of 8 games would include 4 stars.

The above four plans and variations are not offered as a concrete individual plan but as possible incorporations of a workable activity card fair to the student who can attend only a few games, to one who attends all of them, and to the managerial portion of the athletic department.

BOB ZINSLI,  
President—Engr's Council

## Ineligibility List Publicized

As 475 student's names appear on the college ineligibility list, some of them for the second time, it becomes a list larger and to some people more important than the honor roll.

Why are so many people represented here? According to Charles Sevrinson, Dean of Students, "Students have not learned to pick and choose activities". "They must realize that first of all they are here to learn and that they can't be in everything".

### Spectrum Staff Named

According to Bob Thompson, editor-in-chief, the Spectrum staff has been completed. The editorial board consists of Jan Kippen, Marilyn Marschke, Jack Brush, and Bob Thompson.

Other positions include: news editor, Julie Staber; sports editor, James Carr; proofreaders, Alyce Puppe, Evanne Grommesh; chief reporters, Audrey Holte, Michael Weiller.

Business manager, Jack Brush; circulation manager, Les Breitbart. Faculty advisor is Verne Nies.

The Bison and News Bureau staffs have not been completed yet.

He went on to say that he does not want to minimize the importance of extra-curricular activities, and that student should seek help from their advisors, deans, counselors, or the counseling and testing department in Old Main. "Most of all," Dean Sevrinson said, "learn to be the Master of Yourself".

Matilda B. Thompson, Dean of Women, also brought to light other aspects of the problem. One point that she brought out was that "There is no selectivity in the college enrollment." "To too many people," she went on to say, "college is a much greater challenge than they expected. They must learn to budget their time and cultivate good study habits. They must discriminate between activities."

In accordance with the number registered in each school, there are 162 engineering students listed, 134 students from Arts and Science, and 111 students from the school of agriculture.

A student on the ineligibility list may not represent the college or any college or student organization in any capacity. These students are not to participate in intra-college activities which are not a regular part of the course in which they are registered.

## Senior Girls From Six Area High Schools To Tour State College Campus Tomorrow

High school senior girls from six schools will tour NDSC and receive information about its facilities tomorrow.

Registration will begin at 10:00 a.m. in the Dean of Women's office. Miss Matilda Thompson, Dean of Women; Dr. Quentin Stodola, Director of Counseling and Testing; and C. A. Sevrinson, Dean of Students, will be present.

High schools invited are: Fargo Central Senior High School, Dilworth, Moorhead, Oak Grove Lutheran High School, Shanley, and West Fargo.

The girls will register in the field of their interest and be taken to the dean of their respective schools. After a tour of these schools they will be shown the library.

They will be guests at a noon luncheon in the Memorial Union with Miss Thompson as hostess. Special guests at the luncheon will be Miss Beulah Gregoire, chairman of women's physical education and Dr. Caroline Budewig, Dean of Home Ec.

Senior Staff girls will assist with registration, conduct groups to the respective deans, and assist with the serving of the luncheon.

## Staber Is Chosen Prexy Of Phi Mu

Julie Staber has been elected president of Phi Mu sorority at NDSC.

Other new officers are: Darlene Knudsen, vice president; Grace Tvet, treasurer and historian; Pat Seiwert, secretary; Mary Walum, pledge trainer; Janice Melby, rushing chairman; Lois Nelson, reporter; and Diana Jaff, registrar.

## Future Homemakers Of America Award Wegley Sophomore Scholarship

Verona Wegley, daughter of Mr. and Mrs. Charles Wegley of Williston, is the recipient of the first "Sophomore Scholarship" to be presented by the North Dakota Future Homemakers of America.

A freshman at NDSC, Verona received the \$90 award at the annual convention of the state FHA in Fargo April 3. The scholarship will apply on expenses during her sophomore year at NDSC.

Twelve freshman coeds from various North Dakota colleges and the university applied for the scholarship, which was awarded on the basis of professional promise

shown during the freshman year. All applicants were former FHA members who are studying home economics.

At this banquet, Doris Folstrum and Mary Louise Gludt were awarded honorary memberships in the North Dakota FHA. They were among four to receive such an award.

## Jamison Prexy of ASAE

Warren Jamison, Ag. Eng. Jr., was elected president of the American Society of Agricultural Engineers Thursday, April 2.

Other newly elected officers are: Gary Spangelo, vice president; Dexter Johnson, manager of the farm equipment show; Merrill Lewis, secretary; Arlyn Raft, treasurer; Robert Bishop, engineering council; Dennis Meyer, scribe; Gary Gilbertson, assistant manager of farm equipment show; Merline Van Dyke, chairman of farm equipment institute; Dean Forseth, assistant of farm equipment institute; and Leslie Hammond, lunch chairman.

The ASAE consists of mech. ag. and ag. eng. students.

## SC Co-ed Plans Summer Excursion To Foreign Land

"See you at dockside" is what Arts and Science junior, Margaret Benedict is saying as she prepares for a 55-day trip to Europe next summer.

Margaret will travel with Gamma Phi sorority sisters from all over America. Mrs. Gerald Arnold, National Panhellenic Conference Delegate, of Gamma Phi Beta Sorority will chaperone the tour.

On July 20, Margie will leave Quebec on the SS "Italia" and on July 27 she will arrive in Southampton where she will go to London. Margaret will visit the Black Forest in Germany, the majestic Swiss Alps, the canals of Venice, Rome, Monte Carlo, the Riviera, Paris, Holland and Belgium and other places throughout the continent. She will return to Quebec on Sept. 12.

## Altenburg Attend Air Force Conclaves

John F. Altenburg, and David S. Graben, attended the tenth annual Arnold Air Society Conclave and Fern Letnes attended the Angel Flight Conclave at the University of Pittsburg March 31 to April 5.

The two cadets are in the advanced Air Force ROTC wing.

Fern Letnes is commander of Angel Flight.

## Topics Announced For This Quarter's YW-YMCA Faculty Student Luncheons

YW-YMCA Faculty Student Luncheon program schedule is completed for the rest of the spring quarter.

Luncheon discussions will be centered around the topic, "Responsibilities in the University".

## YMCA Group To Attend Area Council Meeting

Duane Hlavinka, NDSC YMCA Student President, W. Keith Farlow, board chairman, Leo F. Johnson, executive secretary and Don Johnson and C. O. Anderson will attend the North Central YMCA council meeting in Rochester, Minnesota on April 9, 10 and 11.

In connection with the regularly scheduled area council meeting a conference, especially designed for student's associations, will be held.

The North Central Area is composed of five states including Wisconsin, North and South Dakota, Iowa, and Minnesota.

They are held in Ceres Hall every Thursday noon and are open to all students and faculty.

Next week's speaker will be Prof. H. Dean Stallings, librarian at NDSC, on April 16th. He will speak on "The Problems of a Library in a Growing University".

The following week, April 23; the new student body president will speak on the "Student Government in the University".

On April 30, Bob Thompson, editor of the Spectrum will speak on the topic, "The Function of a Newspaper in a University." A discussion on what a student expects from a university will be discussed on May 7 by Bob Brake, Jr. in AAS.

Art Cervinka will speak on the "Role of Fraternities in a University" on May 14.

The final discussion of the year, May 21, will be the "Responsibilities of the University for Citizen Training." The speaker will be from the Fargo League of Women Voters.

### Bergum And Reed Selected As Names For Tentative Dormitories At NDSC

Should NDSC be able to secure a loan either from the Federal Housing Authority or other sources, it has approval from the State Legislature to construct two dormitories, one for men and one for women.

Details of construction will not be worked out until money is available, but names for the two dormitories already have been selected and were approved by the Board of Higher Education at its meeting last week in Bismarck.

The women's residence hall has been tentatively located between Alba Bales House and Churchill Hall at the east end of the mall so as to form a grouping of women's housing with Ceres and Dinan. This site also is in close proximity to Home Economics and the Memorial Union to provide added convenience to women students.

The dormitory, costing about a half million dollars, will be named for Jessamine Slaughter Bergum, who was the first girl student to

enroll at the College and also its first girl graduate. Mrs. Bergum, a resident of Arthur, North Dakota, has contributed children and grandchildren to the NDSC alumni rolls. She was the first white child born in what is now Bismarck, at that time an Army post where her father was a surgeon in the Army, has published several volumes of poetry and is the contributor of the annual Bergum Scholarship awarded through the Institute of Regional Studies.

The dormitory for men, tentatively located south of Minard Hall, will be named in honor of Robert B. Reed, first man student and first graduate of the College in 1895. He was a member of NDSC's first football team, and has had an active and successful career as an operator of farming projects in the Chaffee area and elsewhere about North Dakota. The February issue of Bar North, Stockmen's magazine, published in North Dakota, recently devoted several pages to Mr. Reed's accomplishments and contributions to agriculture. Mr. Reed resides on Eleventh Avenue North in Fargo.

### SC Hosts Group

NDSC was host to the Cass County Legislative Delegation at a noon luncheon, April 9 at Ceres Hall.

Among the items discussed was the use made of the latest legislative appropriations for NDSC and the plans for the college program during the biennium.

### Christianson Is Prexy

Arlene Christianson, a junior in home economics education, is the new president of the Associated Women Students at NDSC.

Other new officers elected are Audrey Holte, vice president; Laverne Holbach, secretary, and Jane Tomlinson, treasurer.

A committee of five was set up to discuss the possibility of AWS promoting a Queen of Queens selection for Sharivar, May 8 and 9.

Matilda Thompson, Dean of Women students, is the faculty adviser.

### Opera To Be Given Mon., April 13 at MS; Tickets Now On Sale

Opera comes to Moorhead State College Monday, April 13, when the National Grass Roots Opera company presents Mozart's classic, "Don Giovanni," in Weld auditorium at 8:15 p.m.

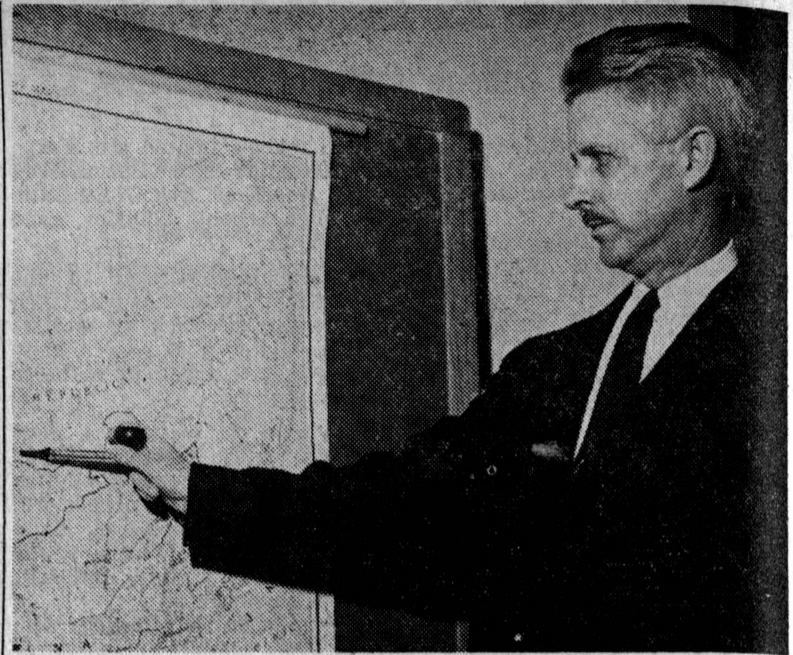

The performance will be done in English.

Young singers from many states make up the Grass Roots cast. The company has given over 900 operatic performances in 35 states since organizing 10 years ago.

Included in the cast are Miss Arkansas of 1957 and other singers who have appeared with the New York City opera, NBC television opera, and numerous other opera groups.

"Don Giovanni" is the story of the legendary Spanish lover, Don Juan, a gallant libertine whose ruthless pursuit of the ladies brings him to the dramatic punishment that he deserves.

Tickets for the opera are available at Daveau's in Fargo and from Nels Vogel in Moorhead. They can also be purchased at Weld auditorium the evening of the performance.

### Prof. Boddy Speaks To SC Students And Faculty About Russia's Economy

Professor Francis M. Boddy, instructor of economics at the University of Minnesota, spoke Wednesday on Russia's economy. The lecture was given in the student union before a group of students and faculty members.

Professor Boddy stated, "The Marxist form of economic living is being gradually broken down and liberal movements are taking its place."

Professor Boddy had recently returned from a trip abroad where he had toured European Russia, the Far West and the area surrounding the Black Sea. His speech was largely based on what he had seen, heard, and read in Russia, while visiting there.

Commenting on the agricultural situation in Russia, he stated that agricultural labor is almost entirely unmechanized, which results in a negative output by agricul-

tural labor.

Concerning private property, Mr. Boddy commented by saying that private property does not exist in Russia's agriculture economy, however, an agriculture worker may rent from the government two acres of land for his own use. The welfare of the state and military powers is being stressed, as it has in the past, at the expense of the common people and laborers.

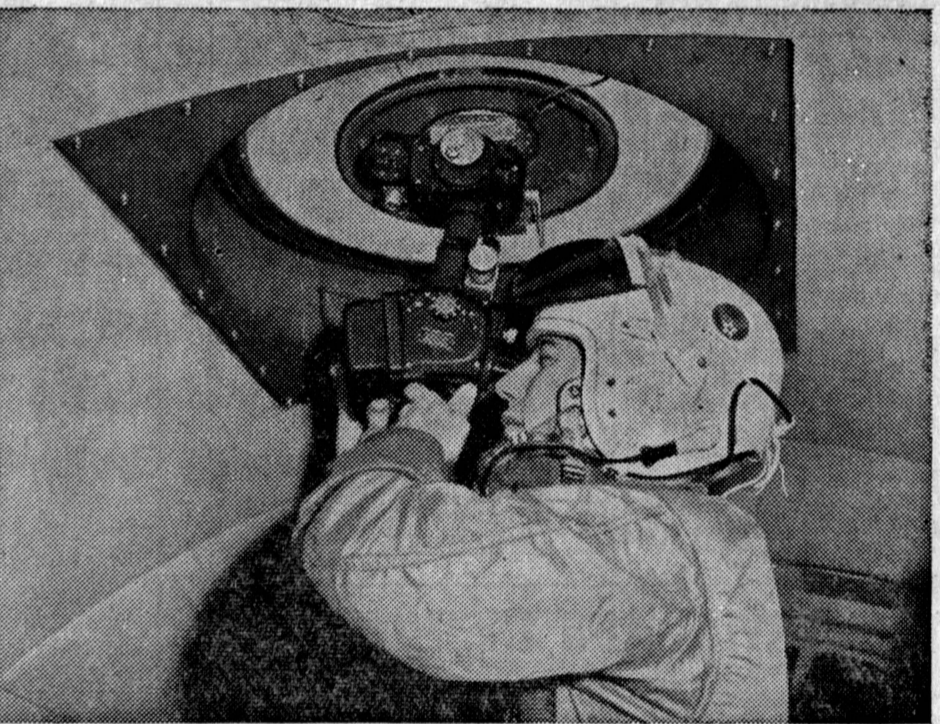

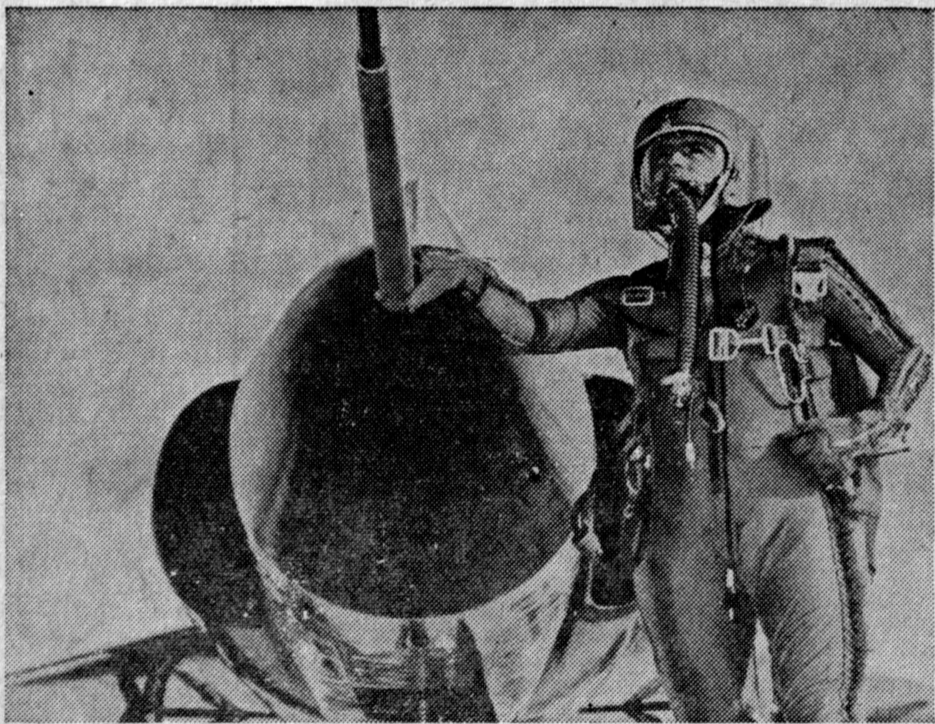

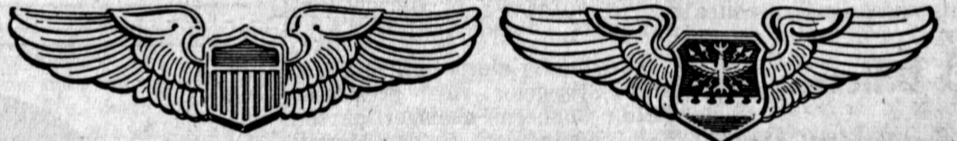

Agriculture is playing a less important part in Russia's economy, but its importance appears to be stressed more because of the food need for military and industrial workers.

In short, Mr. Boddy said that Russia's industry is being expanded and soon will envelope the economy with the result that agriculture will not play its role in providing food and raw materials for the industrial segment.

# Kip's Korner

By Jan Kippen

Music makes the campus go 'round this weekend at State. The Far East has influenced SUAB's choice of "Shangrila" theme for tonight's dance in the Union Ballroom. You can dance to the music of Francis Colby, and midway through the evening you will hear the results of the local bridge, billiards, and Strikes and Spares tournaments.

Suits are in order for the men and cocktail dresses or short formals for the women. Dance time is 9-12, and admission is \$1.25 per couple.

When Saturday night rolls around, Festival Hall will be the scene of the annual Spring Sing. Come one, come all to Festival Hall at 7:30 p.m. for the songs and fun. Alpha Phi Omega, who sponsors the Sing is also throwing the Union Ballroom open at 9 for an all-college dance. Our favorite campus music men, Paul Hanson and his Orchestra will be on the bandstand to make the musical weekend complete.

New actives of Alpha Tau Omega include George Baker, John McMerty, Bob Wehage, Don Remilong, Terry Luke, Ken Christensen, Ken Keller, Dan O'Hearn, Al Westbrook, Mike Beghart and Bob McDonald. Bill Light, Center, N. Dak., has joined the pledge ranks of ATO.

Ten SC students have become active members of Tau Kappa Epsilon recently. They are: Bob Matejcek, Curtis Nelson, Duane Lawrence, Neil Ramsey, Ronald Link, Ronald Gilje, Dean Klicker, Roger Tinjum, Harold Schatz, and Francis Corcoran.

On April 5 Kappa Delta initiated Gloria Eissinger, Mary Ellen Garas, Della Haas, Fay Patterson, Sandra Rott and Audrey Walker. The chapter attended church and then held a dinner at the Gardner in honor of the initiates.

New pledges of Kappa Delta are Collette Buhr, Buffalo; LaDonna Pulver, Beulah; and Valerie Vinje, Argusville.

Carol Hendrickson, who is a secretary in the Graduate School, has announced her engagement to Duane Hlavinka, a junior in Engineering from Lark, N. D.

Sally Richards, former SC Theta visited the chapter last week. She is now a student at Purdue University.

The SAE's serenaded Theta, Kathy Kippels, in honor of her recent engagement to Bill Ruud. Kathy received roses from the fraternity and all the good old traditions were observed.

Stephan Johnson, Farmhouse, passed cigars last week to celebrate his engagement to Rita Fridlund of Jamestown.

The Teke's serenaded their sweetheart candidates, Margaret Gludt, AGD; Mary Olson, GPB; and Cheryl Larson, KKG, and present Sweetheart Carol Olson, KAT, Monday evening, and presented the girls with red carnations.

Kappa Alpha Theta initiates are Kathy Kippels, Carole Schultz, Rosemary Hopkins, Sandra Christianson, Judy Cook, Jean Jackson and Phyllis Gill.

New pledges of Farmhouse are Rollin Wolter, Colgin, N. D.; and Rodney Wolf, Hazen, N. D.

Seven NDSC students pledged Tau Kappa Epsilon on Monday. They are James McCrank, Loren R. Erickson, Orval Lund, Roger Best, Robert Filkowski, Philip Roesch, and Wayne Baragry.

Theta Chi initiates include James Pfau, Ron Kochevar, Charles Hanson, Marshall Goodman, Richard Bucholtz, Jon Culver, Ron Kostelecky, and James Wilhelm, all of Dickinson, are new pledges.

Angel Flight is holding their annual car wash, Friday, April 17 at the College Pure Oil from 2-5 p.m. Save up the mud and dust for a week or so and really get your money's worth!

# Feminine Fashions Due For Spring Changeover

Is your sense of fashion due for another change this spring?

The new dress styles are not afraid to be feminine. They suggest a figure and hint at a waistline. New trends are the 2-piece costume look, wide shoulder achieved by full, elbow length sleeves, unfitted cardigan jackets, slim skirts that touch the kneecap, wide belts accenting the waist, large collars hat stand away from the neckline, and deep "V" necklines trimmed with beads.

Neat, geometric prints will be the dominant pattern, but last summer's flower prints will still be around. The newest print is calico, which appears in formal to accessory wear. Pastels and the black and white combination will take over the color scene.

## THE CARE AND FEEDING OF ROOM-MATES

Room-mates are not only heaps of fun, but they are also very educational, for the proper study of mankind is man, and there is no better way to learn the dreams and drives of another man than to share a room with him.

This being the case, it is wise not to keep the same room-mate too long, because the more room-mates you have, the more you will know about the dreams and drives of your fellow man. So try to change room-mates as often as you can. A recent study made by Sigafos of Princeton shows that the best interval for changing room-mates is every four hours.

How do you choose a room-mate? Most counselors agree that the most important thing to look for in room-mates is that they be people of regular habits. This, I say, is arrant nonsense. What if one of their regular habits happens to be beating a Chinese gong from midnight to dawn? Or growing cultures in your tooth glass? Or reciting the Articles of War?

Regular habits, my foot! The most important quality in a room-mate is that he should be exactly your size. Otherwise you will have to have his clothes altered to fit you, which can be a considerable nuisance. In fact, it is sometimes flatly impossible. I recollect one time I roomed with a man named Osage Tremblatt who was just under seven feet tall and weighed nearly four hundred pounds. There wasn't a blessed thing I could use in his entire wardrobe—until one night when I was invited to a masquerade party. I cut one leg off a pair of Tremblatt's trousers, jumped into it, sewed up both ends, and went to the party as a bolster. I took second prize. First prize went to a girl named Antenna Radnitz who poured molasses over her head and went as a candied apple.

But I digress. Let us turn back to the qualities that make desirable room-mates. Not the least of these is the cigarettes they smoke. When we bum cigarettes, do we want them to be shoddy and nondescript? Certainly not! We want them to be distinguished, gently reared, zestful and zingy. And what cigarette is distinguished, gently reared, zestful and zingy? Why, Philip Morris, of corris! Any further questions?

To go on. In selecting a room-mate, find someone who will wear well, whom you'd like to keep as a permanent friend. Many of history's great friendships first started in college. Are you aware, for example, of the remarkable fact that Johnson and Boswell were room-mates at Oxford in 1712? What makes this fact so remarkable is that in 1712 Johnson was only three years old and Boswell had not yet been born. But, of course, children matured earlier in those days. Take Mozart, who wrote his first symphony at four. Or Titian, who painted his first masterpiece at five. Or Hanso Felbgung, who was in many ways the most remarkable of all; he was appointed chief of the Copenhagen police department at the age of six!

It must be admitted, however, that he did badly. Criminals roamed the city, robbing and looting at will. They knew little Hanso would never pursue them—he was not allowed to cross the street.

### Campus Committee Prepares For Faculty Student Meet

Thirty people, representing most of the colleges in North Dakota, attended the Student-Faculty planning meeting held on Saturday, April 4, in the Memorial Student Union.

The purpose of the meeting was

to make plans for the student-faculty conference on higher education to be held on November 1-3 at NDSC. The conference is sponsored by the Department of Education.

Shubel D. Owen is the chairman of the general planning committee; Dr. Aarness is chairman of the program committee, Miss Matilda Thompson, Dean of Women, is chairwoman of the arrangements committee, and Dean Sevrinson is chairman of the recording committee. Donna Holcomb, Arden Borgen, Sharon Mische, Margaret Platt, Cy Puetz, Suellen Ringsak and Noel Estenson are student members of the committee.

### Greater No. Dak. Assn. To Be Hosted By NDSC

NDSC will be host to the Greater North Dakota Association from 4-6 Sunday afternoon, April 12 at an informal open house coffee hour at the Cereal Technology building, according to Robert Crom, Director of Communications.

The members will be welcome to tour the campus. Greater North Dakota Association is a state wide chamber of commerce.

### Canada Fellowship Offered To Students

Five new fellowships for study in Canada in the fields of the arts, humanities and social sciences for the academic year 1959-60 were announced by the Institute of International Education. The application deadline is April 15, 1959.

The scholarships are offered by the Canada Council for the encouragement of the arts, humanities and social sciences. The stipend is \$2,000 for the year plus round-trip travel. The Council may consider renewing an award for another year upon evidence of satisfactory work.

Applicants in the arts may be artists, scholars, musicians, writers and teachers who have shown exceptional promise in their work. Candidates applying for academic study can do so only for work leading to a master's degree or the equivalent. Awards for academic study will be made subject to admission to a Canadian university. Students applying for institutions where French is spoken must demonstrate a good knowledge of the language.

Preference for the awards will be given to those under 35 years of age.

Application forms may be secured from the campus Fulbright adviser, Prof. Leo Hertel, or from the Institute of International Education, 1 East 67th Street, New York 21, New York. Final selection of awardees will be made by the Canada Council in Ottawa.

### Oddvar Helgeson Named Athlete Of Week

Helgeson

Oddvar Helgeson has been selected as "athlete of the week" for the second time this year by members of the Letterman's Club.

Helgeson won the mile and the

half-mile in Freshman competition at the NDU-Concordia Triangular meet held at NDU the past weekend. He also set a new NDU Field House record in the mile run with his 4 minutes, 38.8 seconds.

Oddvar, a freshman in engineering, comes from Tronstad, Norway, and plans to stay in Fargo this summer with the intention of returning to SC next fall.

Coach Thomas Neuberger had this to say about Helgeson. "Oddvar is a great inspiration for the rest of the team. His knowledge of running techniques is absorbed by his teammates, and his enthusiasm and hard work are challenging examples for all athletes at North Dakota State."

### Notice-Torch Runners

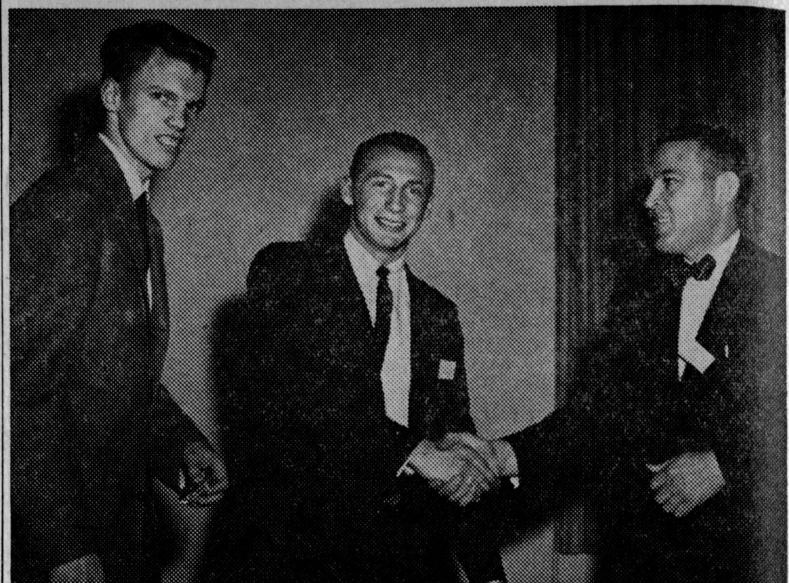

The medals for the 1958 Homecoming Torch Run are in the Athletic Dept. office. There are 19 runners that haven't picked up their medals. Pick them up!

### Strikes And Spares Tourney Begins

Leo Klein and Gordie Tiegen, directors of the Union Bowling Lanes, are having a "Strikes and Spares" bowling tournament. The tournament, open to all SC students, is scheduled to run through April 10. It started April 1.

The tournament features entries in four divisions: singles for men or lady bowlers, doubles open only to the men, mixed doubles and team bowling. The team event requires four bowlers on a team. Klein mentioned that there is no limit on the number of teams a campus organization can enter making it easier for all who want to enter this division.

Klein said entries will be accepted up until 5:00 p.m. April 10, so late comers can still get a chance at the case of trophies displayed in the basement of the union, and the two new bowling balls to be given as door prizes.

John Foss and Marv Bachmeier received awards for being placed on the All-Conference team from Chuck Bentson, head basketball

coach at the annual letterman's banquet. Bachmeier also received a certificate for making the Little All-American team.

### NDSC Lettermen Host High School Athletes; Foss, Bachmeier Receive Awards At Banquet

Forty visiting athletes were the guests of the Letterman's Club of NDSC, Sat., April 4. They were invited to the campus to take part in a high school senior athletes' day program sponsored by the club.

The SC lettermen promoted this project in hopes of encouraging these athletes to attend NDSC. Guided tours of the campus were conducted during the day. In the evening the boys attended the annual Lettermen's Banquet held in the Student Union Ballroom.

The program of the banquet was highlighted by the presentation of several awards of athletic achievement.

John Foss of Moorhead, Minn., was presented with the Bob Lowe Memorial Award. This award is given annually to the outstanding senior on the NDSC basketball squad. The award was presented to him by Howard Fraser, NDSC alumni director.

Marvin Bachmeier, Bison basketball star, was awarded a certificate for his nomination to the AP third Little All-America team. The certificate was presented by Mr. Fritz Witt, AP correspondent.

Coach Chuck Bentson also gave Foss and Bachmeier their gold medal awards for being picked on the All-North Central Conference basketball team.

The guest speaker for the evening was Joe Boyle, KXJB-TV sportscaster, who spoke on "Education and Athletics."

Cy Puetz, student body president, gave the welcome. Jim Lund, SC student, was master of ceremonies.

C. A. Sevrinson Dean of Students and assistant to the president welcomed the guests on behalf of the administration. President F. S. Hultz was out of the city.

Deans of the schools were introduced. The visiting students were reminded that if they had any questions regarding these various schools they should contact the deans in person or by letter.

Don Remillong, president of the Lettermen's Club concluded the program by thanking the guests and saying that he would like to see the visiting athletes as Bison athletes next year.

Les Luymes, athletic director, had this to say about the event, "The lettermen are to be commended on their fine project. I only hope that it will be an annual affair. It's not only a good way to promote athletics on our campus, but a program that will add strength and unity to our Lettermen's Club."

### NDSU Hosts SC At Track Meet; Helgeson Sets Mile Record; 4:38.8

The North Dakota State track team traveled to Grand Forks Saturday, April 4 and finished third in a triangular indoor meet held at the NDU fieldhouse.

L. C. Hester was high individual for the Sioux with Herm Hendricson taking the honors for second place Concordia. The Bison were led by Bob Williams who finished first in the mile and two mile and finished second in the half mile.

Wayne Wall took second in the 60 yard low hurdles with the time of 6.7 seconds and Jim Clow who vaulted 11 feet 10 inches to take first in the pole vault. Dave Kearney showed his old style winning the half mile.

Oddvar Helgeson sparked the Freshman performance by setting

a new fieldhouse record by running the mile in 4:38.8 and then went on to take first in the half mile.

Jim Wolf and Voll also turned in a good day's work for the Baby Bison.

Following last Saturday's meet, Coach Neuberger said, "We have a much improved track squad this year. Every boy that made the trip scored points for us." He said the biggest weak point of the team is lack of men. "The kids we do have," he says, "are really giving us our money's worth. We have 14 boys doing the work of 30 or 40 boys."

Everyone was entered in two or three events with Jim Wolf and Wayne Wall taking part in four events.

### SPORTS SHORTS

By Carr

John Foss, Sr. forward and Marv Bachmeier, Soph. guard have been elected to the All North Central Conference Basketball team.

Others elected to the team were: Merland Smith, forward, SDS; Ken Strippling, guard, Morningside; Marlin Van Den Eide, center, SDS; Bob Swanhorst, forward, Augustana; Jim Jackson, forward, Iowa Teachers; Luther Turner, guard, SDU; Bill Monson, center, NDU; and Don Jacobson, guard, SDS.

Merland Smith was elected by the coaches as the most valuable player of the 1958-1959 season.

Coach Danielson stated Monday, that in spring practice this year the stress will be on fundamentals with a lot of work with individuals. Danielson expects 60 out for practice which will be a modern day record at NDSC. He thinks that this is an indication of revived interest of students and players.

Danielson said that the coaching staff appreciates this interest shown by the players and that they think that the students appreciate it also.

The coaching staff for spring practice will be head coach Danielson and Sid Cichy, coach of the Shanley Deacons. Don Johnson as head coach and Capt. Christinson, who played at SDS and assisted with coaching at SDS will be the backfield coaches this spring.

Baseball practice continued this week under restricted conditions which made it difficult to make cuts or make organized moves. In Monday's practice the first complete outside attempt, practically the entire period was devoted to batting and infield work.

Coach Benson, depending on the weather, is planning to hold game-like scrimmages in order to shake down the squad as rapidly as possible.

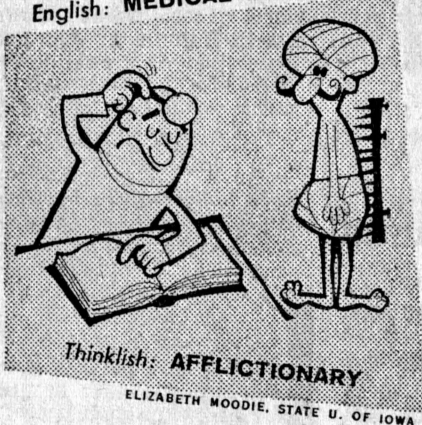

The possible starting lineup for the first baseball game is: Butch Morgan, catcher; Roscoe Montgomery, first base; Cy Peutz, second base; Roger Shelsted, shortstop; Don Iverson, third base; Tom Engh, left field; Chuck Erstad, center field; Don Elston, right field; and pitcher, Bill Burkness.

# Twenty-Six Girls Are Guidon Members; Auxiliary To Army ROTC At NDAC

Every Wednesday students can expect to see twenty-six women students wearing military uniforms on the NDSC campus. These uniformed girls are members of Guidon, an auxiliary to the Association of the United States Army.

The purpose of the organization is to act as an auxiliary and coordinate more closely with the Association of the United States Army in the various activities and social functions, to spread an understanding of these things among those with whom it comes in con-

tact, to develop a type of leadership which will best enable it to aid the nation, and to promote citizenship.

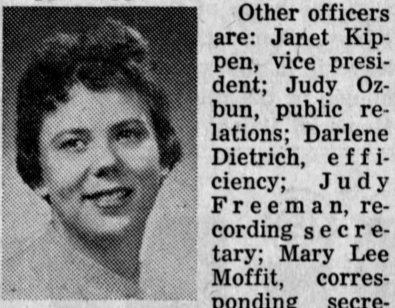

These purposes are carried out in the program of Guidon in different ways; by stimulating interest in all military functions on the campus, by cooperating with the Association of the United States Army in business and social activities, and by group discussions, lectures, and study to become more familiar with the different national problems.

The members of Guidon are selected from the third-quarter freshmen and sophomore classes. They are selected on the basis of scholarship, personality, appearance, and interest in campus affairs.

Captain of the group is Karen Zielsdorf, Rhame, N. Dak. Other officers include: vice president, Pat Roberts, Bismarck, N. Dak.; secretary, Diane Aslakson, Sheyenne, N. Dak.; treasurer Janell Leetun, Hettinger N. Dak.; and historian, Lou Bjerken, Grafton, N. Dak. Captain John Horner is the advisor of the group.

**Raise In Tuition To Go Into Effect When Students Return Fall Quarter**

A new tuition schedule calling for a \$10 raise per quarter for North Dakota residents, and a \$20 a quarter raise for non-residents will become effective this coming fall.

The North Dakota Board of Higher Education, upon the suggestion of the legislature, increased the tuition in nine colleges within the state. These colleges are Mayville, Dickinson and Valley City Teachers Colleges, Ellendale College, Wahpeton Science, Bottineau Forestry, NDSC, Minot Teachers College and the UND.

The present tuition at NDSC is \$50 per quarter for residents and \$90 for non-resident students. The new rates for North Dakota State

**AGR'S Travel During Vacation**

During the past spring quarter break two different groups from Alpha Gamma Rho fraternity visited two different parts of this country and Mexico. One group visited the southwestern U. S. and Mexico and the other group toured the southeastern part of the U. S.

Dale Anderson, Bill Archer, Mike Malo, Gerald Puppe and Dennis Wold went through the Ozarks, Mississippi and as far south as St. Petersburg, Fla. St. Petersburg was the southern most point on the trip.

Keith Bjerke, Fred Haas, Jim Hammond, Clint Kurtz, Sherwood Peterson and Hilbert Pfeifer went to Mexico and the Southwestern part of the U. S. In Mexico they toured three different cities along or near the U. S. border. The Mexican markets were the most interesting thing that they saw on the entire trip according to Clint Kurtz. The latter group pulled a two wheel trailer that they used for overnight accommodations when they reached the warmer climate.

Both groups traveled approximately 4500 miles each and the average amount of money spent by each member was 105 dollars.

### Concert Choir Express Views Of Tour, Southern Hospitality Enjoyed Most

By Arlene Christiansen

What did the 65 NDSC choir members who went on a concert tour to Florida enjoy the most? There must be a few things that they can tell us that won't be put under the caption, "You wouldn't understand, you weren't there when it happened or when we saw it." Some of the choir members, when interviewed, looked cornered, some looked sheepish, most of them paused or laughed before speaking, but they seemed to agree that their trip to Florida had been something that they wouldn't forget.

"What did you enjoy the most?" According to Loren Larson, AAS Jr., "The coffee wasn't a taste treat, but the hospitality was great." Wendell Ostlei, Chem. Fr., liked the bus rides. Diane Aslakson, AAS Sr., "Enjoyed swimming in the ocean." Orian Fjsetad, Ag. Sr., though not impressed with southern Florida said, "We went down there to sing and I enjoyed doing it. Jacksonville and Gainesville are very nice cities."

Nancy Carver HE Jr, though enthusiastic about the trip said she did not like the humidity, hominy grits, and chocory coffee. However, "You just can't beat that southern hospitality."

"It was all such a new experience, I enjoyed every minute of it, especially the scenery. It was such a different world than here. I also liked staying with the people and learning their attitudes", said Chloe Trenbeath, HE Jr. Yvonne

### Gamma Delta Sets Meeting April 19

Gamma Delta will be host to a regional invitational meeting to be held April 19, beginning at 3 p.m.

Dale Saville is the overall chairman for the event.

The purpose of the meeting will be to exchange ideas, help orient newly established chapters, and promote inter-chapter relations.

Highlight of the meeting will be a panel discussion by the NDSC chapter. Discussion will include the topics on the organization itself; its objectives, duties of officers and committees, membership, religious and recreational program, meal planning, and chapter events on both the chapter and regional level.

### Dating Is FH Topic

Dating is a preparation for marriage, but not necessarily to the person you are dating, according to Rev. Mr. Van Hunick, Fargo Pastor, who spoke at the Farmhouse fraternity last Wednesday evening, April 1.

Pastor Van Hunick cited that intelligent people do not fall in love at first sight, but only after they get to know the other person as a person. He said that three of the most important things to remember in dating were to give yourself a chance to know your date as a personality, to take your time about deciding to go steady, and to be a friend.

The guest speaker also pointed out that a good dating technique is to work out problems as they appear, and problems such as differences in religion should not wait until the wedding date is set, or until after the marriage has taken place.

### Jan Olson Heads KAT

Janis Olson, NDSC H.E. jr., is the newly elected president of Kappa Alpha Theta sorority.

Other new officers are: Marlys Oberg, first vice president; Diana Herman, second vice president; Carol Kristofitz, recording secretary; Norma Jean Devick, corresponding secretary; Norma Carlson, treasurer;
