Tradition Of Graduation Is Known Around World

This June, as your parents applaud their favorite graduate, a Bantu tribesman in Africa will be painting his sky. He will smear the happy lady face with certain designs that signify the family to which he belongs; a few more dabs will portray the animal held sacred by the boy's clan, and, if the lad has learned his work well, additional folds of homo-mad paint will announce his chosen profession—warrior, hunter, craftsman, priest.

Certain Eskimos like their Bantu counterparts, have little use for what we consider formal education. Survival is a more important subject. The boy who feels ready to prove his ability is taken far from home, provided with some rudimentary tools and that queen one-shoulder coat called a kayak. His job, too, is to find his way home. He must literally paddle his way to a day he will consider his graduation day.

Tentative course lists include classes in agricultural economics, agricultural engineering, agricultural education, agricultural extension, animal husbandry, bacteriology, dairy husbandry, veterinary science, botany, education, psychology, English, history, political science, history, politics, speech, sociology, social science, child development and home management, and physical education.

Dr. J. A. Collenbach
On Nat'l Committee

Dr. J. A. Collenbach, associate dean and director of the School of Agriculture and Agricultural Experiment Station at SC, was named chairman of the North Dakota State Committee, a group that will join 51 other state and territorial committees in a nationwide search for the person or persons who will receive the Nobel Holstefeld National Award in the agricultural sciences.

The award, which consists of $10,000 in cash and a gold medal, will go to the scientist or scientists making the most important contribution to American agriculture during the last four years.

Amended Schedule for Examination Week

TIME FOR FINAL EXAMINATION

Tuesday, May 26
8:00-10:00
10:00-12:00
1:00-3:00
3:00-5:00
6:00-8:00

Wednesday, May 27
8:00-10:00
10:00-12:00
1:00-3:00
3:00-5:00
6:00-8:00

Thursday, May 28
8:00-10:00

FIVE LOCAL ARTISTS are being featured in an art exhibit at the college library during May. Two of the Kent Kirby, art teacher at Ben Franklin; Cyrus Boyum, chairman of Concordia modern art department; George Anderson, president of American Life and Casualty Company; Mrs. Elia Hertel, housewife; and Richard Lyons, assistant professor of English at NDSC. Shows shown by Jan Stevenson, one of many SC students who have visited the display. The paintings are being sold from $1 to $25.
Students contemplating making applications for a loan for the aca-
demic year beginning in September should file applications im-
mEDIATELY with Dean Mirkin, Chair-
man of the Scholarship Commit-
tee. Applications are accept-
able either in Dean Mirkin’s Of-
fice or in the Office of Admissions.

Any undergraduate or graduate student who has earned a grade of C
or better in his courses during the fall and spring terms is eligible to apply for
a student loan. The loan will be available to cover the following items:

- tuition
- fees
- books
- academic supplies
- room and board
- transportation

Each student will be notified promptly of the amount of loan funds that
will be made available to him. Loans will be awarded on a first-come, first-
served basis. Students are encouraged to file their applications as soon as pos-
sible to ensure the timely awarding of loan funds.

The deadline for filing loan applications is June 1, 1959. Applications
must be filed with the Office of Admissions by this date to be considered.

The interest rate on student loans is 4% per annum, and the interest
payments are deferred until the student completes his program of study.

Students must submit all necessary documentation and complete the
application form provided by the Office of Admissions. Incomplete applica-
tions will not be considered.

The Student Loan Committee will review all applications and make
awards based on financial need and academic merit. Students will be noti-
fied of the amount of their loan funds within 30 days of their application
submission.

The GAMMA PHI's also honored their seniors this week. SILVER spoons were presented to the girls, and in their honor, Mrs. Johnson, the house mother, gave a house a gift. The Gamma's wedding announcements for the summer. The Key Club will hold Roy Schilling June 8 and TKE Ed Hamerick and Theta alum Arlene Reed who tied the knot on June 20 31 is the date for KAT Clarke & Walker and SAE alum Dick Wilson's wedding and June 26. If you have any questions or need directions to wedding ceilings. TILL US FOR THE YEAR. As they say on the "Huckleberry Hound Show." It's a better than average type summer. See you in the fall.

Apply Now For Rhodes Grants

Elections to Rhodes. Scholarships will be held in all states in May. Students elected will enter Oxford University in October, 1960.

To be eligible a candidate must be a male citizen of the United States with at least five years of residence in the U.S. and domiciled and unmarried, be between the ages of eighteen and twenty-four on October 1, 1960. by the age of twenty-six. All applicants must have attended a state or private high school and have at least junior standing at some recognized degree-granting college or university in the USA; and receive official endorsement of his college by the Rhodes Committee.

Other information as well as application blanks can be obtained from Dr. Leo Hertel, Minard 227.

13 Attend 6D Camp

Thirteen members from the NDSC chapter of Chi Phi Delta attended regional camp May 9, 10, at the Lutheran Island Camp at Aberdeen.

Eleven chapters from colleges and universities in North Dakota, South Dakota and Minnesota were represented. Attendance for the three day period totaled 130. NDSC members attending were: Patty Schulte, JoAnn Decher, Marlie Huber, Betty Triegell, Myrle Weiser, Wayne Hunkel, Dale Sa- ville, Dunnie Saville, Chuck Weiser, Dalon Senfeld, Leo Fraker, Harley Schlichting and Dick Toms.
Co-eds With Wedding Plans Make Their Finery; Some Design Originals, Others Use Adaptions

By Arlene Christiansen

The end of the college year brings to mind many things. To a very select group of girls it means engraved invitations, getting someone to be at the punch bowl, flowers, and a wedding dress. A number of SC coeds are making their own gowns, some of them on their own time and some in a special problems class.

Meredith Moordale designed her own dress. It is a full length princess style gown of silk organza and galloon lace over satin. It ends in a train. She is also making one of her bridesmaid's dresses which will be in pink, and of a design similar to her own.

Claire Ann Walker, who is to be married May 31, is making her gown from satin backed crystal-lace. The eight panel full length skirt is fitted from the Empire bodice to the waist.

Nancy Williams made her dress during quarter break. It is floor length of white satin with a mock train. She is also making two attendants dresses as well as a dress for the flower girl.

Carol Folkers bought her wedding dress but is making the three attendants dresses as well as hats and the aprons for the waitresses. The dresses are street length and of embroidered white organza over light blue cotton. The hats, a modified picture type, are of blue flowers over a blue net frame.

Pearl Ulshak, who is planning her wedding for June 1, is designing her dress. It is of peau de soie with a lace bodice and back panel. The princess line styling ends in a full length train.

Myrth Wise's dress is of white cotton satin. She is making the dress in class from a pattern that she has adapted to her own taste.

Janice Fewell is designing her dress of peau de soie. It also has a full length train and a back bustle.

Blaire Wills' wedding suit, which she is making in tailoring class, is of light blue wool. It is semi-fitted and lined. She made the hat out of muslin before cutting the wool in order to be able to fit it better.

Verna Bosch is making the dresses for the two flower girls that will be in her wedding on June 6. They are of satin backed crystal-lace and are styled similar to the bridesmaid's dresses.

NOTICES

SORORITY RUSH

Any girls on campus interested in joining a sorority, please leave your names at the Office of the Dean of Women. Panhellenic letters and booklets of information will be sent to you during the summer.

GAMMA DELTA

Senior Gamma Delta members and their families will be guests at dinner on Sunday at 12:15 at Immanuel Lutheran Church. The regular supper-ming will be at 5 p.m.

NOTICE

According to B. B. Brandrud, registrar, Monday, May 25, is a regularly scheduled class day, since commencement has been moved from that day to Sunday, May 24.

BAND

The Gold Star Band held its annual election on Wednesday, May 13. New officers are: Don Peder-son, president; Robert Brake, vice-president and Les Tossch, secretary-treasurer.

LSA

Friday, May 22, LSA will have a farewell picnic for all Seniors. Everyone is invited to meet at the Center at 6:00 for a ride to Lin- denwood Park.

ENGINEER'S COUNCIL

The Engineer's Council held its last meeting of the year on May 14. Those new officers were elect-ed: Don Hansen, president; War-ren Jamison, vice-president; James Vonderheide, secretary; and Ted Borchert, treasurer.

THE SPECTRUM

May 22, 1959
OH, TO BE IN DREAMLAND—now that finals are here. Deluged with end-of-the-quarter reports, term papers and tests, SC students, such as Richard Knutson, animal husbandry major, find time for a short cat-snap in the Library lounge.

NDSC Women's Phy Ed Instructor Retires

Mrs. Neva Anderson, dance instructor in the women's physical education department will retire this spring after 11 years of service at NDSC. Hundreds of girls have taken her basic rhythm course here at State and many of them have gone on into her advanced courses in modern dance.

Through her efforts, a chapter of the national college dance honorary society, Othrusis, was established on this campus.

Mrs. Anderson says that in her non-teaching years at home, she didn't do much with dance. Now, however, she will continue dancing at home for her own pleasure and relaxation. "I don't think I'll ever let it go again," she declared. "Dancing can take me out of the deepest depression and make me feel so much better. Besides lifting your spirits, it keeps you physically fit."

Army, Air ROTC Officers Transfer

Three Army ROTC and three Air Force ROTC staff members will be transferred this summer to new jobs.

Lt. Col. H. L. Stearns is being transferred to Gonsenheim, Germany with the 504th Infantry. He will be replaced by Lt. Col. G. W. Michels who will be coming from the Seventh Division in Korea. He will arrive about the middle of July.

Mrs. Louis Schur is being transferred in June and Sgt. Charles E. Hurst will be leaving with the 80th Division for Germany.

From the Air Force side Col. James E. Bailey is being transferred to Beale Air Base in Calif. He is being replaced by Col. J. E. Habecker who is coming from the Pentagon in Washington, D. C. He will arrive about the first of August.

Capt. Lee A. Kash is going to Luke Air Base in Ariz. Staff Sgt. Howard E. Miller will also be leaving.

Mike Kinsella was caught in the act as he was attempting to push Duane Sturtapog in the ditch by Minard Hall. Because of a broken water main, all the water was shut off in Minard Hall. This was also the reason why there was so much water in the Minard parking lot.

WHAT WILL BE IN "63"

A sincere welcome to Fargo and NDSC from the Strauss Co.

What marked changes will the world show by your graduation date in spring 1963? Maybe U. S. territory on the moon or rocket propulsion for autos, one thing is sure, your clothing needs will change considerably in the next 4 years.

You'll be glad to know there's a clothing store in downtown Fargo that is always way ahead in planning for your needs. The Strauss Co., who long has catered to the "College Trade" now extends its invitation to have you join its ranks, of smartly dressed "Young Men Going Places."

DAN O'HEARN

THE...Straus...CO.

Dress Right...when you look your best you do your best!

Have a real cigarette—have a CAMEL

“Weigh in the brand you can trust—every Camel is hand-fired at Beale, Calif. by master firemen. The Camel blend of costly tobaccos has never been equalled for rich flavor and easygoing mildness. No wonder Camel is the No. 1 cigarette of all!”

Leave the fubs and fancy stuff to the landlubbers...
Sports Shorts  ... by Carr

"This year's team was 30 per cent better than last year's team yet last year's team was much more successful as far as games won. We didn't have a single game with bad pitching this year." There were some of the words that Coach Chuck Benton used to sum up the 1959 season. Coach Benton feels that the Bison needed a bit they couldn't get it and this is what happened every time this year. The inability to hit in the clutch was the Bison's downfall.

Track

On Saturday, in the State meet, there were some good individual performances for the few Bison that were there. All varsity men but one scored points but 9 men just aren't enough to win a track meet.

Coach Neuberger summarized the track team as having quality but not quantity.

This is about it. We hope everybody has fun in summer sports school record for the steeple chase, and a third in the mile and two mile. Bob also set a new two mile record for the steeple chase when he ran it in 10:27. Bob, during the course of the day, ran a total of 3% miles.

Bob is a sophomore majoring in physical education. He hails from Fergus Falls, Minnesota and is presently the student trainer for the athletic department.

According to Tom Neuberger Bob is one of the most reliable, dedicated athletes at NDSC.

Bob Williams Is Athlete Of Week

This week's athlete is Bob Williams. Bob won this honor by last Saturday's performance in the State meet where he was high point man for the Bison, scoring 64% points with a first in the steeple chase and a third in the mile and two mile. Bob also set a new school record for the steeple chase when he ran it in 10:27. Bob, during the course of the day, ran a total of 3% miles.

Bob is a sophomore majoring in physical education. He hails from Fergus Falls, Minnesota and is presently the student trainer for the athletic department.

According to Tom Neuberger Bob is one of the most reliable, dedicated athletes at NDSC.

Helgeson Sets 2 Mile Mark

The NDU track team won its fifth straight state intercollegiate title as they scored 64% points last Saturday.

Only one new record was set. Oddvar Helgeson, NDSC frosh, set the lone record in the two mile with a time of 9:35.2. Team scoring for the days were as follows: Valley City, 60 1/5; Dickinson TC, 52; Jamestown, 30 1/2; NDSU, 28 7/10; Minot TC, 22; NDSC frosh, 16. NDU frosh, 12; Mayville TC, 8 1/5; Ellendale N. 1 and Bismarck Science 3 each.

The Bison mile-relay team lost a heartbreaker as Dennis Macausan of NDU ran a 50 anchor leg—to overcome a 13 yard Bison lead.

Outstanding performers for the Bison were Dave Kearney, Bob Williams, and Oddvar Helgeson, who set Bison school records. Helgeson, in the two mile, Bob Williams, in the steeple chase and Dave Kearney, in the half mile. Williams was the hardest working Bison athlete for the day as he won 11 events, a third in the mile and two mile and first in the steeple chase.

Wednesday found the Bison competing in an intercity track meet with Concordia and Moorhead State. Concordia is expected to have the strongest team in the meet.

On Saturday they will be competing in what may prove to be the most interesting conference meet for several years at Sioux City.

Next Saturday the Bison will be competing in the District 12, NADA meet at Brookings. This will be the last meet of the season and will be a qualifying meet for the National meet. The best performers will go to the National meet the following Saturday.

Workshop For The Retarded Child To Be Held Next Week

A workshop for parents and teachers on education and guidance of the mentally retarded child will be held May 25-29 in the Memorial Union.

The workshop is sponsored by the Cass County Assn. for Retarded Children with funds raised in a drive last fall.

The main consultant will be Dr. Rudolph J. Capobianco, assistant professor of educational psychology at the University of Minnesota. Workshop staff members will include educational, medical, and other specialists from Fargo, ND, and Moorhead State College.

Daytime sessions will be open to teachers, nurses, social workers and allied professional workers. Participants may earn three or four college credits upon completion of the workshop course.

Dr. Hale Aarnes, director of the summer session and chairman of the department of education and psychology, said he hoped the interest generated by this first annual workshop would lead to a similar workshop each spring on the campus.

HE Senior Receives ND Dietetic Award

Mary Louise Gludt has received the T. V. DuBois Foundation Award given by the North Dakota Dietetics Association. The annual award is given to help a student complete a dietetic internship. Mary Lou will begin her internship at Stanford University Medical Center, Palo Alto, Calif., Sept. 1.

Placement Service

The Veterans Administration Center at Fargo is currently seeking the services of a recent engineering graduate to be hired locally as an engineering trainee. The work will involve the complete operation and maintenance of the Fargo Hospital facilities. Any engineering graduate desiring additional information is requested to contact the College Placement Office or Mr. Fremstad, personnel officer for the Veterans Hospital at Fargo.

The Placement Office is interested in determining how successful the undergraduate students have been in locating summer employment. Any student who has been registered with the Placement Office is requested to inform the Office of his summer plans prior to the beginning of summer vacation.

Eleven Elected to Rahjahs

Eleven new members were elected to the Rahjah club at a meeting held May 13th. Newly elected members are Larry Hunter, Jim Stockman, Dan O'leham, John McMerty, Clint Kurs, Charles Bateman, Bob Anderson, Ron Kochever, Willy Wiegel, Ralph Peterson, and Dave Kearney.

The object of this organization is encouragement and promotion in the support of athletics at NDSC. They accomplish this through participation in pep rallies, parades, game attendance at athletic contests, cheer-leading and any activities associated with athletics.
