

"I mean, it's like I'm president—move out, man!" Curt Holman, freshman class president, is shown at left conducting the first freshman executive meeting with Marlys Dietrich, secretary-treasurer; and Mike Saba, vice president.

Gary Nelson Wins Model Car Award; Design Takes Second In N. D. Contest

Gary D. Nelson, sophomore in mechanical engineering, won \$100 in the Fisher Body Craftsman's Guild model car competition. His design took second place in the state's senior division.

This is the third year Nelson has won an award in the model car competition. He won first place in the state's junior division in 1957 and last year placed third in the senior division. Nelson is the son of Mr. and Mrs. Roy Nelson of 1222

5th St. N., Fargo.

Nelson's model was in competition with other models designed and built by youth from all over the United States. The models were judged on design and craftsmanship.

The model car competition is sponsored by the Fisher Body Craftsman's Guild, an organization in the Fisher Body Division of General Motors. The cars were sent to Detroit, Mich. for competition.

NDSC To Start Tutoring Service; Will Supplement Help Sessions

NDSC students will now be able to get extra help in courses in which they are having difficulty.

A student tutoring service is being established at NDSC by the college counseling committee under the direction of Dr. William Dinusson, professor of animal husbandry; Prof. Shubel D. Owe, assistant supervisor of agricultural education; and Dr. Quentin Stodola, director of counseling and testing.

"Qualified tutors," who may be upperclassmen, graduate students or non-college persons, will offer additional help to students who are in danger of failure.

Committee members explained that this teaching would supplement the extra help sessions now being given by some instructors. They pointed out that many students are "willing and eager" to learn yet face failure from faculty backgrounds or slowness to grasp

fundamentals in the fast-paced college training.

No tutor will be allowed to instruct more than four students for any one period or hour during the day. The fee is \$2.50 an hour for one student, and only 50 cents each for additional students, so group tutoring can be a real bargain.

The NDSC office of counseling and testing in the administration building will serve as central headquarters. It will maintain a list of qualified tutors in a large number of fields, their addresses, phone numbers and available periods. Information will be available to advisors, instructors and students.

Persons interested in tutoring are advised to first get approval from the heads of the departments in the field of their specialty. Students needing tutoring should contact their advisors, instructors or the office of counseling and testing.

TV Offers Course To Students

Enrollments are being accepted by NDSC for the state's first locally produced college-level course to be offered over television.

Intended for teachers and others interested in educational guidance, the course will be telecast by North Dakota Broadcasting Company over stations KXJB-TV, Valley City; QBMB-TV, Bismarck; and QXMC-TV, Minot.

The course, Introduction to Guidance, is a study of guidance principles and methods used by schools and other agencies dealing with youth and adults.

Classes will be each weekday morning at 7:15. Dr. Garry Walz, assistant professor of education and psychology, will present the 30-minute lectures Oct. 5 through Nov. 13.

Detailed instructions including enrollment blanks have been sent to all teachers in North Dakota and to teachers in Minnesota within viewing distance of the program, Dr. Walz said.

He urged that persons interested in the course mail in their enrollments promptly to allow time for book purchase and mailing of course material. No enrollments will be accepted after the class starts, he said.

Qualified enrollees may receive three quarter hours of either graduate or undergraduate credit. Most of these enrollees, Walz estimated, would be teachers or administrators.

Viewing credit is also offered. Walz suggests that this type enrollment is ideal for school board members, parent-teacher members, youth leaders and others. He

points out that the course is designed so groups of enrollees may hold study-discussion sessions.

Persons wishing to enroll in the course who do not have enrollment blanks should write to the Office of Admissions, State College Station, Fargo, N. D. Fees for undergraduate and graduate students seeking credit are \$35. Fee for viewing students is \$10.

VOL. LXXI—No. 3 NORTH DAKOTA STATE COLLEGE SEPT. 25, 1959

Deadline For Parade Floats Set For Oct. 2

The deadline for entries in the Homecoming Parade has been set for 5:00 p.m. Friday, October 2. All organizations desiring to enter a car or float in the parade must fill out a form and submit it to Jim O'Keefe or Dick Bergquist, Parade Marshals—1303 - 13th Street North. Also, forms may be obtained there.

The Parade Marshals are the only official voice for procuring cars for the Homecoming Parade. All organizations desiring to borrow a

car from a dealer should so indicate on the entry blank and check with the Parade Marshals for help in obtaining a car.

The Parade Marshals are limited to borrowing cars for organizations entering only a car in the parade. If your organization needs a car to pull a float or trailer, it is suggested that you use a car belonging to a member of your organization. The car need not be new, but should be washed and polished prior to the parade.

Entries not in by deadline subject to disqualification. Floats for trophy competition can have no organizations identification. All cars must have some decoration. No cars with just a sign accepted.

Schwartz Named To Communication Job

Donald F. Schwartz has been named assistant director of communications at NDSC. Schwartz succeeds H. Donald Winkler who resigned effective September 1.

Schwartz, a native of Jamestown, North Dakota, was graduated from NDSC in 1957. As an undergraduate he was active in student government and campus publications. He was president of Blue Key; a member of Alpha Zeta, Kappa Delta Pi, and Alpha Gamma Rho; and was elected to Who's Who in American Colleges and Universities.

Since his graduation Schwartz has been employed by the NDSC communications office as a graduate assistant and more recently as the communications assistant in charge of television. He is currently producing and coordinating the college's first course for credit via television and conducting research concerning the effectiveness of television as a teaching medium.

Meintzer Attends Meeting In N. J.

Dr. R. B. Meintzer, associate professor of biological chemistry at NDSC, delivered a paper entitled "Influence of Nutritional State on Plasma Citrate Levels in the Rat", at the 136th national meeting of the American Chemical Society held Sept. 13-18 at Atlantic City, New Jersey.

This paper presented research work completed by Dr. Meintzer at SC last year. Assisting in the research were Dennis R. Nelson, Darold S. Holten, and Sylvia Ebel Farnum, graduate students in chemistry.

Dr. Meintzer was also recently awarded a National Public Health Grant of \$12,750 to support this work.

El Zagal's Motorcycle Escort Patrol displayed its precision riding during half time ceremonies at last Saturday night's football game.

Off The Editor's Cuff

By Bob Thompson

As you have probably heard over the radio and read in the newspapers, steel is scarce for the new pharmacy building. There was a possibility of getting steel from Beligum, but the board decided against it. They felt that if the steel strike ends fast enough, we could get domestic steel just as fast as we could get foreign steel and at a cheaper price. In addition, the board did not want to use foreign steel on a public building.

Not knowing too much about the whole ordeal it makes it kind of hard to comment on the situation, but I would like to see them spend the extra \$7,000 and get the building done by Sept., 1960. The value of students using the building would outweigh the criticism which would result in using foreign steel in my estimation.

Possibility of Another Fraternity

There has been talk of bringing another national social fraternity on campus. IFC is considering three fraternities as possible candidates. They are: Sigma Nu, Lambda Chi Alpha, and Phi Delta Theta. They hope to get the ball rolling and get the new fraternity to establish a colony some time this year.

Last Wednesday a representative of the Sigma Nu National Social Fraternity visited campus. He was Richard R. Flecher and was here in regard to the possibility of bringing Sigma Nu on campus.

A Little Bit of Fact

NDSC is not one of the 213 universities in the United States. Nor are we part of the 70.8% of the states which have two or more Universities within their boundaries. This also includes the District of Columbia. The state with the most universities is Ohio with 18. New York runs a close second with 16. Texas and California both have 12. Iowa, which is another agriculture state, has five. You know, I BET THAT THE EXPENSE IN RUNNING THEIR INSTITUTIONS OF HIGHER LEARNING ISN'T ANY MORE THAN IF THEY HAD THE SAME AMOUNT OF AGRICULTURAL COLLEGES!

NDSC Student Senate Makes Plans For This Year's Homecoming Activities

By Dean

Homecoming preparation controlled the major part of the first NDSC Student Senate meeting since the commencement of the fall quarter. Many changes in last year's program are contemplated for the forthcoming event.

Bob Mann, Homecoming chairman, requested a \$2500 working budget for the 1959 Homecoming. He pointed out that this money would undoubtedly be refunded along with a fair profit if everything went as planned. The request was approved.

The Torch Run, including its merits and shortcomings, was discussed. The conclusion reached stated that the run would be worthwhile if approached correctly. It will, therefore, be sponsored again this year.

Numerous remedies for the "sick" Homecoming Bonfire in past years were offered. It was believed that the coronation of the queen on this night would not only awaken interest in the bonfire but would also add more prestige and meaning to the title of queen as she would then be able to reign over the entire

on this suggestion will be made week's activities. A final decision next week.

Official delegates to the 1959 Student-Faculty Conference on Higher Education to be held at NDSC Nov. 1-3 were named. They are: Jerald Stockman, Jan Kippen, Jerry Lingen, and Lyle Baker. The theme of this meeting will be "Effective Student Participation."

Meetings this year will be held the first and third Tuesdays of every month. The next meeting will be Tuesday, Sept. 29 at 7:00 p.m. in Room 236 of the Library.

Remember, it's your Senate—Come and see how it operates!!

NOTICE

Students are requested to go to the business office and check their addresses and phone numbers on their registration cards. This is for the student directory that is in the process of being printed.

THE SPECTRUM

The Spectrum is published every Friday at Fargo, North Dakota by the NDSC Board of Publications, State College Station, Fargo, N. D. Subscription rate \$1.00 per term.

Entered as second class matter, December 10, 1945, at the Post Office at Fargo, North Dakota, under the act of March 3, 1879.

Traffic Rules Must Be Followed By Students

Traffic rules on NDSC Campus are as follows:

1. Motor vehicles operated on the campus by students and members of the college staff shall meet the requirements of the North Dakota Motor Vehicle Department.

2. Registration of all vehicles shall be made with the Business Office during registration at the opening of each school year for all students and staff members. A registration fee of \$1.00 is charged. The traffic officer will put all stickers on vehicles. "Students"—include all persons taking graduate or undergraduate work.

3. No vehicle operated by a student or staff member will be permitted the use of campus drives and parking areas unless such registration has been made and the car registration sticker is displayed.

4. Staff members in the various schools will park in areas provided for each school. All students are required to use the parking lots; the Minard Hall Parking Lot, located west of Minard Hall; the Field House Parking Lot, located west of the Field House and the Student Union-Arena Parking, located north of the Dairy Building. NO STUDENT PARKING ON ANY OF THE CAMPUS DRIVES.

5. Speed limit is 15 miles per hour, but driving within the speed limit does not excuse the driver of responsibility in case of an accident.

6. All vehicles are required to come to a complete stop at all official stop signs on campus drive.

7. All vehicles are prohibited from parking at cross walks, fire hydrants or other specifically marked areas.

8. Double parking or blocking the exit of a properly parked car in a parking area is prohibited.

9. Parking or driving on grass or walks is prohibited.

10. Drivers of vehicles shall yield the right of way to pedestrians on campus at all times.

11. The college assumes no responsibility for the care or protection of any vehicle or its contents

while on the campus grounds.

12. Penalty for violations of any of the above regulations is \$1.00 for the first violation and \$5.00 for each additional violation, with the exception of speeding where the penalty is \$5.00. All penalties are payable at the Business Office.

13. Any person having two or more violations will be prohibited from operating his or her vehicle on the campus. Any unpaid fines will result in the withholding of student grades until such time that these fines are paid.

14. If a vehicle is not registered

within ten days after it is first operated on campus, the owner shall be subject to the penalty of \$3.00 and the vehicle will be impounded until it is properly registered.

15. Lost sticker must be replaced by re-registration within ten days after it is lost.

16. Written notice shall be given to all seniors that failure to pay penalties will prevent them from graduating.

17. Over-night parking on the campus is prohibited except for dormitory residents who must park in designated lots.

Letter To The Editor

Student government may well be termed the "intellectual garbage pail" of the college community. Unlike other governments with which we are familiar, student government seldom gains its basic powers from its constituency, the student body. The jurisdiction found in student government is authority delegated to it by the administration. Student government has been given the opportunity to become preoccupied solely with social and recreational concerns, missing the dramatic potentialities of an effective student government.

As an educational organ within an educational community, student government has a commitment to help provide an environment which will be most conducive to intellectual growth of the student body. This includes academics as well as social and recreational activities.

I am distressed that student government isn't actively concerned about the society which asks the college graduate to be a vocational machine—a society which asks "What can you do?"—not "How well do you think?" . . . about the graduate who says, "I didn't question my teachers; I told them what they wanted to hear." . . . about the course picker who chooses his three hours not for their intellectual content, but for their service as an easy step to a degree.

. . . that the term papers which yield nothing but great adeptness at re-typing; and the test, adeptness at coin-tossing or consulting hurriedly between classes.

. . . about students' greater interest in beer parties than in political parties, big weekends more than in great thoughts.

. . . about the student whose allegiance to whist, Maverick, or Huckleberry Hound precludes a commitment to Shakespeare or to Einstein or to Humphery.

. . . that the crowning of the "most conformed girl" or the Queen of Homecoming commands a greater audience than a cultural convocation in Festival Hall.

. . . about the world of student conversation revolving around liquor, sex, and past experiences.

. . . that living groups seem to content themselves with the activ-

ity of a Saturday night party, the intellectual pursuit of Peanuts, and with the negation of human rights in the name of freedom of association.

I am distressed that we elected representatives of the students so rarely contend with these concerns.

I trust that the problems expressed in this letter can be approached and perhaps resolved. This can be done only by immediate, concerted and cooperative effort of the academic community—faculty, students, and administration. "Breathes there a soul so dead who has not said, "If there's something wrong here—be it ever so slight—be it ever so singularly unjust—let us get to the heart of it immediately."

NOEL ESTENSON,
Student Body President

Hi-Society

By Evanne Grommesh

HOW ABOUT THOSE BISON? . . . They're on their way . . . Again this weekend the team will be at home . . . Iowa Teachers . . . this is your last chance to see a game until Homecoming . . . so get with it. Alpha Phi Omega is sponsoring an all college dance at the union afterwards . . . all and all it sounds like fun!

BISON EDITOR-IN-CHIEF Allyn Hart passed out cigars to his AGR brothers Monday night to announce his pinning to Kappa Kappa Gamma Alice Sorenson . . . Over at the Co-op house two more pinnings were announced—Bob Bauer's pin mate is Sylvia Salwei of Valley City STC and Dennis Roscoe's gal is Elaine Cariveau of Fargo.

SLUMBER?? PARTIES hit the campus last weekend. Friday night found both the Thetas and the Gamma Phis clad in pjs and whooping it up into the wee hours of the morning. About one a.m. the GPBs went-a-calling to the KAT house to see what was a-doing.

THE LSA'ers braved the rainy weather last week and went on an old fashioned hay ride . . . horses and the whole bit. It seems though that the transistor radio, to some people's dismay, has taken the place of the uke and "On Moonlight Bay", etc. The Gamma Deltas are planning a really big hayride tonight . . . hope you have a nice night . . . big moon and all that stuff.

PLEDGE OFFICERS at the Kappa house are: Kay Hulebak—president; Barbara Kingsley—vice-president; Sue Dickenson—secretary-treasurer; Ellen Buresh—social chairman; Nancy Owens—activities chairman and Fran Latta—scholarship chairman.

HOPE THIS isn't you . . . You serve a purpose in this school On which no man can frown: You gently enter into class And keep the average down.

THETA Corrine Anderson was presented with roses and serenaded by the TKEs Monday night celebrating her pinning to Richard Gunderson. Judy Jennings, Theta, who transferred to the U of Minn., was a weekend guest at the Theta house.

ALL THE NEW SORORITY pledges Monday night were wearing roses . . . it was the SAEs way of congratulating the gals . . . nice idea.

OFF TO DETROIT LAKES was the word at the Phi Mu house last weekend . . . the girls had officer training along with just plain fun.

ONE OF OUR cheerleaders, Janie Tomlinson spent the week in the hospital with appendicitis . . . we sure missed you, Janie!

MANY NEW ACTIVE GREEKS on campus . . . initiation last weekend. Joining the ranks of Sigma Chi include: Harlynn Bjerke, Spencer Duin, Edward Gull, Vern Hogan, Cliff Jardine, James Leary, Ellis Rockswold and James Sather.

BILL BARTELS, Gary Hegland, Al Bervig, John Oman, Don Welter, John Staples and Don Nelson are new SAEs. AGRs also have new actives—Al Scholes, Carl Larson, Larry Johnson, John Robertson, Dennis Johnson, Darrel Dittmer and David Dittmer. Now to the ATOs—Bob Reslok and Jim Quick.

NEW OFFICERS at the SPD house include: Harry Sherlock, sentinel and Joe Neuenschwander, pledge trainer.

HERE'S MORE NEWS from this summer—Kappa Psis that walked down the aisle were Vern Schanilec married Faye Peterson, Park River, Neil Knatterud and Claudine Woyen, Esmond tied the knot; Ronald

Schiff and Gail Holte, Coos Bay, Oregon.

MULTI SPDs took the big step also . . . Jack Little and Janice Fewell, SC alum; Joe Neuenschwander and Janice Stafford, Harvey; Byron Stadvold and Darlene Thompson, Fergus Falls; Don Vermeland and Judy Hammer, Gamma Phi alum, Joe Oyson and Adele Waa, Prosper; Jim Engbrecht and Shirley Merch, Kykeston; Calvin Klaus and Lois Nelson, Phi Mu alum; Marvin Loll and Darlene Knutson, Phi Mu alum; Bruce Farnum and Sylvia Eble, SC alum.

Minnesota Senator Hubert H. Humphrey, a very verbal if not too serious contender for the Democratic nomination for President, dominated the local political scene Sunday, Sept. 20.

Humphrey, champion of the liberal liberals, addressed an audience of better than 4,000 at the Red River Valley fairgrounds Sunday afternoon after a quick airport press conference and "Brunch Luncheon" at the K. C. Hall.

Starting in typical bashful, country boy fashion, Humphrey delivered a brilliantly shallow discussion of everything from Nikita Krushchev to Ezra Taft Benson.

He included as a major point his belief that most of our problems as a nation are caused by our own misunderstandings.

Humphrey Dominates Political Scene

By Bob Haugen

Said Humphrey, "If all the Communists everywhere were wiped off the face of the earth within the next thirty minutes, we would still have as many problems as we have today."

Later Humphrey appeared on a WDAY-TV program entitled "Humphrey Answers Youth." Students representing colleges and high schools in the two cities made up the panel questioning the senator. Representing our school was D. Anthony Schreder.

During the half-hour interview, Humphrey stated that he felt "conservative government is unable to meet the needs of the times." Questioned on the pending Ike visit to Russia, he said "I'll make a prediction. He (Ike) will receive a tremendous reception in Moscow."

'Kick Off' For LSA NDSC Home Economists To Attend Program Scheduled Ann Arbor Communications Study

Kick off for the LSA Evangelism contact program is scheduled for Sept. 29, 30 and October 1 with Pastor Palmer Wold as leader. Pastor Wold is serving at St. James Lutheran Church in Minneapolis.

A free supper will be served promptly at 5 p.m. on Wednesday and Thursday nights preceding discussion and calling.

Tom Kettle and Carol Tuntland, co-chairmen of the LSA Evangelism Committee, invite all Lutheran students to come to the Center.

Lorissa Sheldon, associate professor in foods and nutrition, NDSC, and Majore Lovering, assistant state supervisor of home economics education, leave Sept. 27 to attend a communications seminar at Michigan State University, East Lansing, Michigan.

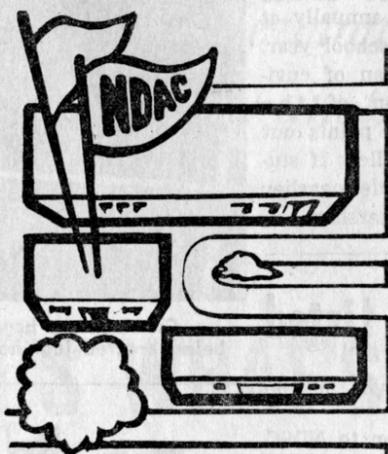

The National Project in Agricultural Communications is sponsoring the seminar Sept. 27 through Oct. 3.

One hundred home economists

from throughout the United States will attend. Purpose of the seminar is to provide an opportunity for home economists to improve their skills in communications so they can better serve their communities and better inform their students.

Mrs. Sheldon and Lovering were chosen to represent North Dakota home economists. Enrollment was limited to 2 from each state.

Students May Borrow Up To \$1000 To Help Finance Education This Fall

Eligible NDSC students who need help to finance their education may borrow up to \$1,000 this fall under provision of the National Defense Student Loan Program, NDSC President Fred S. Hultz announced today.

Funds totaling \$80,342 have just been made available for use this school year under the program, Dr. Hultz said. A total of \$30 million was appropriated for the program by Congress and 1,370 colleges and universities will share in the funds.

"Funds for September allotment total \$53,583," Dr. Hultz said. "The remaining one third, \$26,759, will be available in January."

A total individual loan limit of \$5,000 has been set, Dr. Hultz stated. He said that low interest rates and an easy repayment program made this a valuable help for students who have a genuine need.

In addition to showing that they need the funds in order to continue their training, he said, students

must demonstrate that the money will be used for educational purposes. "You can't get a loan to pay for a car."

Application blanks and further details may be obtained from Dean Mirgain's office in the main engineering building or from the office of admissions and records at NDSC.

Applicants Must Apply Annually

All applicants for LaVerne Noyes scholarships are advised that they must apply annually at the beginning of the school year. Frank C. Mirgain, dean of engineering and chairman of the scholarship committee, points out that this applies regardless if students have been awarded earlier awards under the scholarship.

Construction began this summer on the \$660,000 Pharmacy building. The 65x180 feet building is being erected just north of the Sheppard-Union parking lot facing west on college street.

WIN \$10.00 Winners of Last Week's Contest Listed

There were three winners of the Spectrum's first Scriptease crossword puzzle contest. They were: Paul F. Freud, Fr. in Pharmacy; Clarence Hragness, Fr. in EE; Frank Yetter, soph. in pharmacy. Two other entries missed by only one letter.

(Editor's Note:) For the next few months the SPECTRUM will have their own crossword contest called "SCRIPTEASE." The rules are very simple:

1. The puzzle must be complete and correct.

2. Illegible entries will not be considered.

3. The contest is open to NDSC students only. The members of the board of publication and the publications staff members are not eligible.

4. Only one entry per student per week.

5. Entries must be in the Spectrum office, upstairs in the Union, by noon Monday following publication.

6. Money will be accumulative in contests not won, and in case of a tie contest money will be split among winners.

HOUSE MOTHER'S TEA

A tea honoring the 18 resident heads and house mothers on NDSC campus will be held Sept. 30 at 3:00 p.m. in Ceres Hall Parlors. Matilda B. Thompson, Dean of Women, and C. A. Sevrinson, Dean of Students, are hostess and host for this get-acquainted meeting. School policies will be discussed.

Mrs. Clara Buscher, house mother for the SAE fraternity, is among the new members for this school term. For the first time this year, Mrs. Jessie Faust and Mrs. Selma Erickson, resident heads at the St. Luke Nursing Home are being invited to join the campus group.

ALPHA PHI OMEGA

Alpha Phi Omega, service fraternity, will have a smoker for all men interested in obtaining information pertaining to projects of this organization and the requirements for membership. This meeting will be held in Meinecke Lounge of the Student Union, 7:30 Wednesday, September 30.

Coffee and donuts will be served; all men are welcome.

4-H PICNIC

The College 4-H Club will hold its fall picnic Thursday, Oct. 1 at 6 p.m. at the Oak Grove Park. There will be a picnic supper followed by square dancing in the park building. All those who need a ride meet at the Student Union at 5:30.

ICF

Inter-Varsity Christian Fellowship will be meeting weekly at 6:45 P.M. Thursday in the Library Faculty Lounge. Everybody is welcome.

GAMMA DELTA

Mr. Arthur Grimstad, Concordia College, will speak on "Christianity in England" at the regular Gamma Delta supper meeting Sunday, Sept. 27 at 5 p.m. at Immanuel Lutheran Church.

Highlighting a social night on Friday, Sept. 25, will be a hayride. Anyone wishing to join the Gamma Deltas should meet at the church at 7:30. Lunch and recreation will follow at the Gamma Delta room.

GI BENEFITS

All veterans drawing GI benefits are reminded to sign for their September checks in the Administration and Records office on Wednesday, September 30. Failure to do so will delay arrival of their checks.

4-H CLUB

College 4-H Club met Sept. 17 with Chuck Weiser presiding.

The main business was the election of a publicity committee who are Elizabeth Anderson, Diane Myer, and Ray Meyer; election of an advisor who is Kenny Olson; and plans for a Homecoming float. Plans for the year include making an appearance on Polka Party and having a leathercraft school.

FACULTY FIRESIDES

Next Thursday evening, Oct. 1, at 8:00 p.m. the second in the series of Faculty-Firesides will be held in the home of Mr. Seth Russell, Dean of the School of Arts and Sciences. The evening will involve some informal chatting and exchanging of ideas.

As you are cordially invited to attend we would appreciate having you stop in to the college Y and signing your name as an indication that you plan to attend.

"Y" LUNCHEONS

Can Democracy Survive? This will be the theme for the fall quarter of the YM-YWCA Faculty-Student Luncheons held Thursday noons at Ceres Hall.

Purpose of the meetings, according to Leo Johnson, general secretary of the 'Y', is to provide an open forum where ideas may be exchanged and discussed between faculty and students.

Among the speakers will be Dr. Edwin C. Blackburn, professor of history at Moorhead State College discussing "Are There Other Alternatives to Democracy?", on Nov. 19. Mr. James Lamont, NDSC student senate, discussing "Is Student Government an Instrument of Democracy", Nov. 5. and Mr. Verne Nies, NDAC communications department, speaking on "Student Organizations as an Instrument of Democracy, an Advisors' Point of View."

Other discussions will feature NDSC students, faculty members from NDSC and Concordia college, and other community leaders.

GUIDON TEA

Lieutenant Colonel and Mrs. Joseph Mitchell, professor of military science and tactics, was special guests at a tea Wednesday from 3:30 to 5:30 in Meinecke Lounge in the Memorial Union.

The tea was given by Guidon as a welcome for Lieutenant Colonel and Mrs. Mitchell. Other military personnel and the Deans of the respective schools at NDSC attended.

LOST SHOES

If anyone took a shopping bag full of shoes by mistake from Dinan Hall last spring please contact Dee Ann Nelson at Dinan Hall.

Swing across campus this year with a slimmer, trimmer figure. Keep the men's eyes looking your way.

Ginsbach Returns From Cuban Tour, National Student Congress In Illinois

Ronald Ginsbach, NSA Commissioner, an NDSC sophomore majoring in Agricultural Education, recently returned from a one week tour of Cuba.

Prior to the Cuban trip, he represented NDSC at the National Student Association's National Congress at the University of Illinois campus in Champaign-Urbana, Illinois. The Congress was held from August 24th to September 3. While there he attended workshops on leadership training programs and effective honor systems. He also served on the legislature committee titled, "The Role of Student Government."

Ron was one of the 190 U. S. students to receive an expense-paid trip to Cuba and back sponsored by the Federation of University Students of Cuba through NSA. The trip was financed by the Cuban government.

While in Cuba he went on tours of Varadero Beach, downtown Havana, the Havana Cathedral, and the interior of the country.

"The highlight of the tour was a visit to the American Ambassador's home," said Ginsbach. He had his picture taken with Mr. Philip Bonsal, the American Ambassador to Cuba. He also met Fidel Castro.

Ron said that after seeing the Cuban situation and talking to the Cuban people, he believes that the American press has been quite accurate in reporting the situation there.

Mrs. Wesley Visits Home Ec School

Mrs. Generosa L. Wesley, dining hall head at Arosamena Normal School, Santiago, Panama, is visiting NDSC this week as a guest of the home economics department.

Mrs. Wesley arrived Monday and spent the day attending Cass County 4-H Achievement Days at Casselton, North Dakota. She found this an enjoyable and interesting experience. Tuesday Mrs. Wesley became acquainted with the NDSC campus and several faculty members. She will visit food services in Fargo during the week.

At Arosamena Normal School in Santiago, Mrs. Wesley prepares menus, teaches classes, trains and supervises 52 employees, and has some responsibility for the training of homemaking teachers for elementary schools.

In 1949 Mrs. Wesley received her B.S. degree in health sciences from the National University of Panama. She spent last year at Iowa State University where she studied institutional management.

Mrs. Wesley will study food systems in schools throughout the United States. This will help with the organization and strengthening of dining facilities in a number of Panama boarding schools. After leaving NDSC, she will visit Concordia College. From there she will travel to Michigan, Illinois, and West Virginia.

Senior Staff Plans For Coming Year

Senior Staff held a noon meeting in the Ceres Hall Banquet Room Sept. 24. The meeting, under the leadership of Pat Roberts, president, discussed plans for the organization of the coming year. A short program during the meal consisted of reports from the members of their summer travels and experiences. Dean Thompson is advisor to the group.

H. Ec. Convention Held Juvenile Delinquency Course Offered To Students On Thursday Evenings

Patricia Meyer, Home Ec. junior, attended the 50th Anniversary of the National Home Economics Association held June 23-26 on the Marquette University campus, Milwaukee, Wisconsin. Miss Meyer accompanied Miss Marjore Lovering, the North Dakota president of NHEA.

Twenty students already are enrolled in the NDSC extension course in juvenile delinquency meeting Thursday evenings in room 314, Minard Hall, according to instructors.

cial workers, housewives and college students.

The course is being taught jointly by Dr. Courtney Cleland, associate professor of sociology, and Kenneth M. Grace, chief social worker for the Cass County Children Social Service Center.

Thursday night, Sept. 24 is the last opportunity for students to enroll.

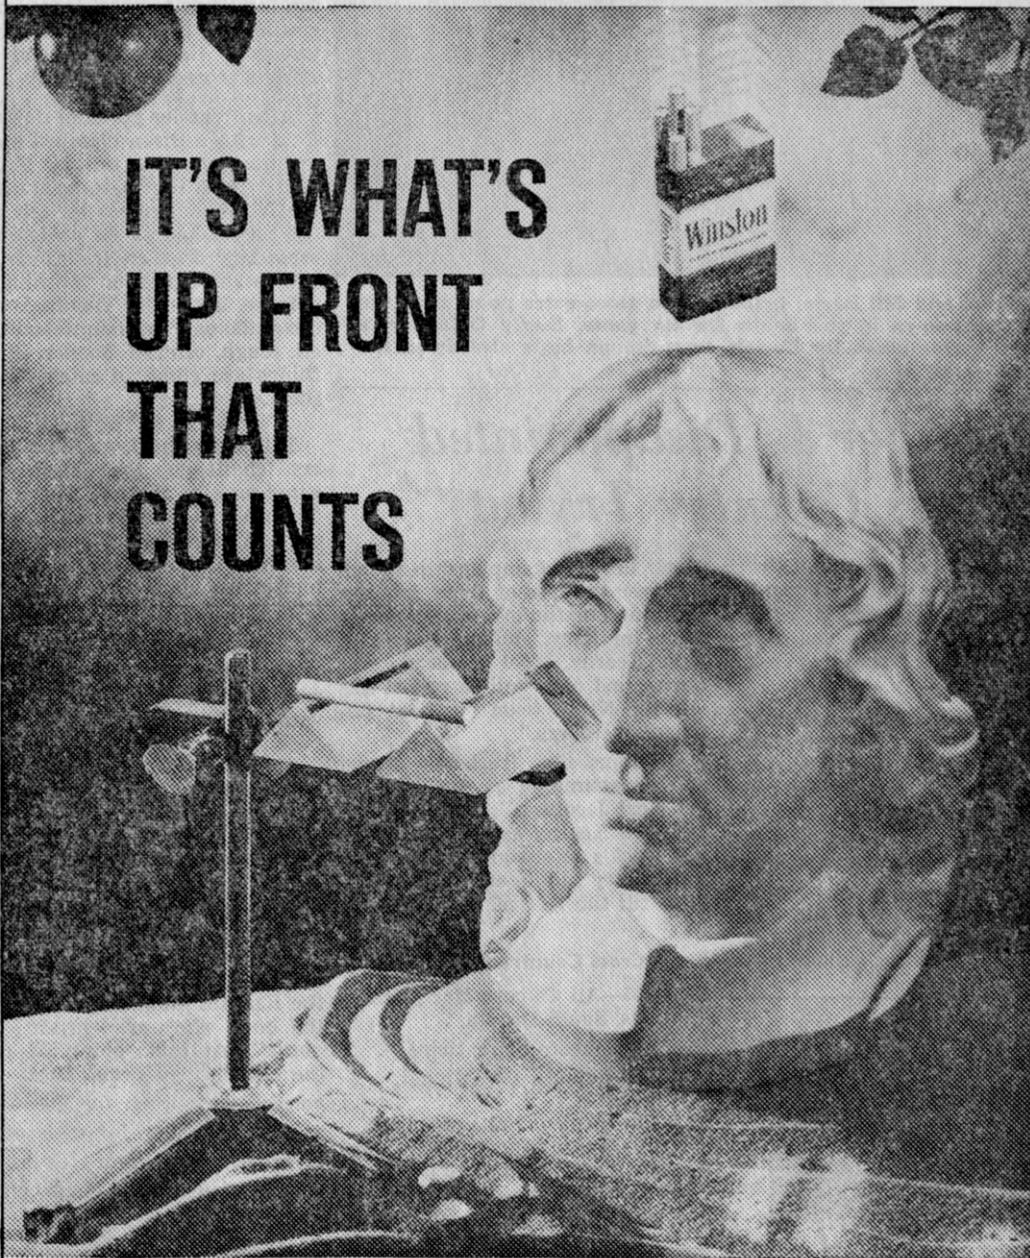

Dr. Cleland, who has a Ph.D. from the University of Minnesota, has been on NDSC staff since 1950. Mr. Grace earned his masters degree in psychiatric social work at the University of Denver.

Collegiates representing 41 states attended this meeting. One of the highlights of the convention was a talk given by Mrs. Eleanor Roosevelt on "Russian Home Life".

Pat is president of the college Tryota club.

Students traveled from as far as Alexandria and Fergus Falls to attend the first meeting, and include teachers, pastors, nurses, so-

Sir Isaac Newton is struck by another great idea!

As sure as little apples, Newton knew that what goes up must come down.

But when it comes down to a really pleasurable filter cigarette, it's what goes up—in front of the filter, that is—that makes the difference!

cially processes them for filter smoking. The result: Filter-Blend up front of a modern filter. That's what makes Winston a complete filter cigarette.

And there's where Winston had an inspired idea—Filter-Blend! Winston specially selects choice, mild tobaccos, then spe-

Filter-Blend also makes Winston America's best-selling, best-tasting filter cigarette. Take it from Sir Isaac:

"You don't have to be hit on the head to know that

Winston tastes good like a cigarette should!"

Bison end Bill Bartel grabs pass to score extra point after the final touchdown in the South Dakota game. Bucky O'Connor, a Coyote player heads for Bartels even though he is already in the end zone.

Joe Blows Defense Proves Hitch For NDAC

Last week saw the start of North Central Conference play but so far nobody is ahead in the standings. Results of both Saturday games were ties: NDSC 22, SDU 22; NDU 22, Augustana 22; thus it leaves this week's games to point out the leaders.

The Bison managed to fumble their way to a draw with South Dakota University in a thriller last Saturday. The biggest problem again was defense with fumbles, a total of six, hampering the Buffalo offense, which was stopped only once by SDU. The rest of the time Bison errors did the stopping. In the air the Coyote pass defense, generally kept NDSC on the ground.

Co-captains Ross Fortier and Curt Quenette were responsible for the State touch downs, Fortier getting the first and Quenette the last two. Gary Algren and Bill Bartels scored extra points.

A ball carrier running down the field with a Bison clamped on one leg was seen too often. This appears to be the main weakness in the NDSC defense. All too often the tackle had to be made in the secondary or even the safety. Of course the squad is "working on" defense, but so far they have made the grade only on their acknowledged, tough, offense. Sooner or later things are going to catch up with them.

This week the Iowa State Teachers challenge the Bison. This game may be the one where weak defense will take its toll. According to Coach Bob Danielson, the Panthers, who placed at the bottom in the conference last year, have an offense better than SDU. Their defense he left unestimated.

As for history the Bison have won only three out of 18 contests with the Iowa team.

Again we take issue with the fans on the part they play in team contests. We received some comments that we would like to pass on: a freshman who sat in the "cheering section" said, "It just didn't seem as though anyone was cheering." A student who stood on the side lines close to the cheerleaders said, "It sounds great but the Rahjahs and cheerleaders are the ones who are making the noise." At this point we salute the cheerleaders, who lose their voices every week for the Cause, and the Rahjahs, for their efforts to arouse, with their ex-lax and mickey mouse, the complacent Bison.

Neuberger Is Disappointed In Cross Country Tryout

"I am very disappointed with the number of varsity participants," said cross country coach Tom Neuberger as the Bison prepare for their first meet Saturday at Brookings, South Dakota.

The cross country team, numbering four, includes Oddvar Helgesen, Bob Williams, Harold Shattock and Ken Stone. Outstanding members are Helgeson, who was undefeated as a freshman, and Williams, who is NAIA steeplechase champion.

Neuberger expressed his disappointment further by stating, "Last spring it looked as though we

would have a championship squad. However the loss of Doug Johnson to Minnesota, the loss of Bob Bower to the military, and the failure of Dave Kearny, Noel Hoberg, Pat Burns, and Jim Voll to report has left the NDSC team without sufficient members."

He found the freshman squad more encouraging as he pointed out Neal Jacobson, Dennis Powell and Don Kearny as outstanding in last week's inter-squad meet. Gary Yost, Jerry Liddle and Wayne Dieterle fill the rest of the frosh roster.

Cross Country Schedule

- Sept. 26—All Comers Meet, Brookings, South Dakota.
- Oct. 3—Mankato State, there.
- Oct. 10—Bemidji Invitational, there.
- Oct. 17—Bison Invitational, here.
- Oct. 24—South Dakota State, there.
- Oct. 31—North Dakota State, here.
- Nov. 7—Conference Cross Country Meet, Brookings, South Dakota.

NDSC Prepares For Tough Iowa Club

"They have a tougher offense than South Dakota University", said head coach Bob Danielson about Iowa State Teachers College, the

Bison's next conference opponent. Saturday will be the conference starter for the Panthers and last home game for NDSC before homecoming.

Cheerleading Date Is Set For Tryouts

Cheerleading tryouts are scheduled for Thursday, Oct. 1 at 4:00 at the Union ballroom for any girls wishing to try out. In addition to the four cheerleaders elected last spring, one regular and two alternates will be chosen.

The girls will be judged on appearance, pep, co-ordination, audience appeal, and must have an overall scholastic average of 2.0 or above.

Judging the girls at tryouts will be the Rahjah pep club and the athletic commission members.

Practice sessions will be held preceding tryouts, the first one being this afternoon at 4:00 in the Union ballroom. The present cheerleaders, Sharon Mische, Jane Tomlinson, Carol Mund, and Darlene Dietrich will help the new girls to learn the yells and actions.

New outfits have been purchased this year. Green corduroy slacks and white bulky knit sweaters supporting the ND State football emblem are worn during the football season. The basketball season uniforms are white pleated skirts and green bulky knit sweaters.

The Panthers, who placed last in the conference in 1958, have to the offense that they displayed last year in the opinion of Danielson. He felt that this week's game will be another offensive display.

Pat Rosati and Dale Hinkle, who were hurt earlier in the season, return for tomorrow's game. Danielson did state though that he did not put them in any situation where they might get hurt as he wanted to make sure they will be able to out the season.

Game time is 7:30.

This Week's Athlete Is Curt Quenette

CURT QUENETTE, AAS senior, was a 1958 all-conference fullback and is 1959 Bison co-captain. He was top rushing back for the Bison last year with 562 yards. He scored a total of 34 points. This year Curt has been outstanding, scoring two touchdowns in last week's game with South Dakota University.

ANOTHER YEAR, ANOTHER DOLLAR

Today I begin my sixth year of writing this column for the makers of Philip Morris and Marlboro Cigarettes. For this I get money.

Not, let me hasten to state, that payment is necessary. "Sirs," I said a few days ago to the makers of Philip Morris and Marlboro, "if I can introduce America's college men and women to Philip Morris and Marlboro, and thus enhance their happiness, heighten their zest, upgrade their gusto, magnify their cheer, and broaden their bliss, there is no need to pay me because I am more than amply rewarded."

We wept then. I'm not ashamed to say it. WE WEPT! I wish the wiseacres who say big business is cold and heartless could have been there that day. I wish they could have seen the great, shimmering tears that splashed on the board room table. We wept, every man jack of us. The makers wept—the secretaries wept—I wept—my agent, Clyde Greedy, wept. We wept all.

"No, no!" cried the makers. "We insist on paying you."

"Oh, very well," I said, and the gloom passed like a summer shower. We laughed and we lit Philip Morris and Marlboros—and some of us lit Alpines—which is a brand-new cigarette from the makers of Philip Morris and Marlboro—a fine new cigarette with a light touch of menthol and the rich taste of choice tobaccos and the longest filter yet devised. And if you are one who likes a fine new cigarette with a light touch of menthol and the rich taste of choice tobaccos and the longest filter yet devised, you would do well to ask for new king-size Alpines. If, on the other hand, you do not like menthol but do like better makin's and a filter that does what it's built for, ask for Marlboro. Or, if you don't like filters at all, but only mildness, ask for Philip Morris. Any way you play it, you're a winner.

But I digress. "Will you," said the makers of Philip Morris, Marlboro and Alpine, "write about the important issues that occupy the supple young minds of college America this year in your column?"

"But of course," I replied, with a kindly chuckle.

"And will you," asked the makers, "from time to time say a pleasant word about Philip Morris, Marlboro and Alpine?"

"Crazy kids!" I said with a wry grin, pushing my fist gently against their jaws. "You know I will."

And we all shook hands—silently, firmly, manfully. And I left, dabbing my eyes with my agent, and hurried to the nearest typewriter.

© 1959 Max Shulman

The makers of Philip Morris, Marlboro and Alpine take great pleasure in bringing you another year of this uncensored, free-wheeling column.

Frosh Football Team Approaches Season

Les Luymes' 1959 edition of North Dakota State's freshman football team will take to Dacotah Field on Monday, October 12, for their first of three games of the year. The Baby Bison's home opener will be against the footballers from Concordia College.

On their second and last home game, the freshmen play host to South Dakota State College on Friday, October 30, at Dacotah Field. Between these two home appearances the squad journeys to Grand Forks on Monday, October 26, to do battle with the NDU frosh.

The team is presently preparing for the coming season and coaching the team are former gridders Don Backley, Dick Dougherty and Jerry Kingrey.

Do you think the statement "It's always darkest before the dawn" is (A) an astronomical truism? (B) a good reason for getting home early? (C) a piece of hopeful philosophy? (D) an argument for night watchmen?

A B C D

Do you think that a man who can pole-vault 16 feet but doesn't like to, should (A) go out and do it anyway? (B) keep the whole thing to himself? (C) do a bit of self-analysis on why he doesn't like to go so high? (D) have the bar set lower?

A B C D

When you choose a filter cigarette, do you (A) ask all your friends, and take their word for what's best? (B) take the one that makes the loudest claim? (C) investigate the facts, then use your own judgment? (D) go for the filter that gives you taste plus filtering?

A B C D

It's a wise smoker who depends on his own judgment, not opinions of others, in his choice of cigarettes. That is why men and women who think for themselves usually

smoke VICEROY. They know only VICEROY has a *thinking man's filter*—the filter with more research behind it than any other . . . the filter that changed America's smoking habits. And only VICEROY has a *smoking man's taste*.

*If you have checked (D) in three out of four questions, you're pretty sharp . . . but if you picked (C)—man, you think for yourself!

**The Man Who Thinks for Himself Knows—
ONLY VICEROY HAS A THINKING MAN'S FILTER . . . A SMOKING MAN'S TASTE!**
