Canadian Players' Lyceum Feature

Canadian Players, Canada's only professional women's touring company, will present plays by Shakespeare and Chekhov at two NDSC lyceums in Festival Hall this weekend.

Mr. Denis Carey will direct the company which is touring the United States. The group will present "The Taming of the Shrew" by Shakespeare Friday, Jan. 22, and "The Cherry Orchard" by Anton Chekhov Saturday, Jan. 23. Both plays will begin at 8:15 p.m. Students will be admitted free on their activity cards.

The Taming of the Shrew is one of Shakespeare's earlier plays. It is the story from which the musical "Kiss Me Kate" was taken. It tells of two sisters Katharina and Bianca. Katharina, the elder sister, is bad tempered. No one can consent to marry her, so her father vows that the younger daughter will remain single until a husband is found for Katharina.

The Taming of the Shrew results when Petruchio finally marries Katharina. He tames her by opposing her every wish. The situations which lead up to the finale of the Taming of the Shrew provide one of Shakespeare's most popular and delightful comedies.

The Cherry Orchard by Anton Chekhov was the last play written before his death. Chekhov refers to the Cherry Orchard as a comedy although by our standards it is extremely sad despite its few flashes of humor.

The setting is the Russian home of Mine. Ranyevskia, a widow. She has left her estate with its beautiful cherry orchard to go to Paris for five years to forget the tragedy of her seven year old son.

On her return she finds that the cherry orchard has been put up for auction to pay back taxes. She is a kind woman and believes that everything will work itself out as she lends what little money she has to the more needy peasants and waits for a miracle to happen.

Miss Kate Reid, brilliant Canadian actress, will tour this season playing Kate in the Taming of the Shrew and Madame Raveskia in the Cherry Orchard. Miss Reid, a native Canadian, has worked with a number of stock companies in Canada and the United States. She has starred in two English plays, The Rainmaker and The Stepmother.

Miss Reid has played many leading roles in Canadian television which have brought her notices from all parts of this country.

Max Halpgm, who will play Petruchio in the Taming of the Shrew, was born in Australia and began his career as a song and dance man in that country. He worked in England in repertory companies for three years after 1936.

In 1948 he played with Yul Brynner in "Dark Eyes," then with Sir Laurence Olivier and Vivien Leigh in Anthony and Cleopatra, in further West End productions. He then came to New York to play on Broadway at the Ziegfeld Theatre.

The tour the Canadian Players are making this year is the biggest yet undertaken by the company. Preliminary bookings indicate an audience of over a quarter of a million, and a trip of some fifty thousand miles.

Saddle And Sirloin Selects Duemeland For Hall Of Fame

George A. Duemeland of Bis­marck, manager of the Patterson Land Company, has been selected to appear in the Saddle and Sirloin Club of Hall of Fame. He will be honored at the Hall of Fame banquet Friday evening, Feb. 5 in connection with the NDSC Little International Livestock Exposition. His portrait will be hung in the Saddle and Sir­ loin Hall of Fame in Shepperd Arena, scene of the exposition.

Each year the members of the Saddle and Sirloin Club make a man who they feel has made outstanding contributions to North Dakota's agriculture. Duemeland, who owns the Pat­ terson Land Company in partnership with his son Lorin, has helped the livestock industry tremendously by producing purebred Hereford cattle of exceptional quality.

Mr. Duemeland has always been an active member of several livestock organizations, was born at St. Clair, Minn., in 1887 and attended high school and busi­ ness college at Mankato.

In 1904 he joined Eugene Pat­ terson in the operation of the newly formed Patterson Land Company. In 1945 George and his son Lorin purchased controlling interest in the company and two years later they completed pur­ chase of the company.

George (Skip) is the grandson of George Duemeland who was listed to the Hall of Fame.

Charles Hayter plays Grumio and Max Halpgm, Petruchio in the Canadian Players' produc­tion of "Taming of the Shrew" to be presented Friday night at 8:15 in Festival Hall.

Candidate Chosen For 'Best Dressed'

Janice Dunbar, HE soph, Amy Larson, AAS sr., Sharon Mische, AAS jr. and Linda Swenson, HE soph, have been chosen as semi­ finalists in the NDSC section of the "Ten Best Dressed College Girls," a contest sponsored by Glamour magazine. A committee of representative NDSC students chose the four girls.

They were chosen on the basis of representativeness of the collec­tion, their photographic charac­ teristics, immaculate appearance, and selection and use of wardrobe.

Photographs of the candidates will be judged by Fargo-Moorhead photographers and a finalist chosen.

The ten U.S. colleg girls cho­ sen are given a trip to New York and will model for the fall fashion issue of Glamour.

4-H Selected To Attend White House Conf.

George Duemeland, Ag. Fr., has been selected as one of the 37 N. Dakota delegates to the Golden An­ niversary White House Conference on Children and Youth. This conference will be held in Washington, D.C. March 27-April 2, 1960.

More than 7000 participants from the United States and foreign coun­ tries have been invited by Presi­ dent Eisenhower to discuss the problems of children and youth. Some of the Conference is to promote opportunities for children of all ages to realize their full poten­tial for a creative life in freem­ om and dignity.

These Conferences have been held about every ten years since 1936 when the first one was called by Theodore Roosevelt.

Selection of North Dakota's dele­ gates was made by a quota com­ mittee of the Governor's Commis­sion on Children and Youth. Many fac­ tors were taken in to consideration in the selection of delegates. Primary consideration was given to individu­ als who displayed interest in initia­tive in developing and working with programs serving children and youth, including the 4-H Commission on Children and Youth.

George (Skip) is the grandson of George Duemeland who was listed to the Hall of Fame.

Newsmen Denied Passport

How much control should the U. S. Department of State have over the travel plans of Americans who are on the theme of the conversation last week by William Worthy, American newsmen recently denied a passport, Monday, Jan. 25, at 9:40 in Festival Hall.

Mr. Worthy, whose suit for a new passport is currently before the U. S. Supreme Court, is one of three American newsmen who defied the State Department's ban on travel to the mainland of China. Along with a reporter-photographer team from LOOK magazine, he spent six weeks touring China as a correspondent for the Baltimore Afro-American, CBS News and the New York Post.

At that time he was a Nieman Fellow in journalism at Harvard University. Earlier he had twice circled the globe on tours of duty, having covered the Korean true negotiations, the Asia-African Conference at Bandung, and news in the Soviet Union and Eastern Europe.

In 1965, with personal permis­sion from Premier Khrushchev, he broke the Soviet "radio curtain" by being first U. S. newsmen to broadcast news over the Air. In 1956 he made an unsequestered newscast for CBS news from Pre­ sident, Union of South Africa, Just before being deported from that country. From China he broad­ cast three times "live" from Pe­ king and Shanghai.

Native of Boston, Mr. Worthy is now a Ford Foundation fellow­ ship in African studies at Boston University.

The NDSC livestock judging team has placed second in competition at the Western National Livestock Show in Denver, Colo. The team was 28 points behind Texas Technological College of Lubbock, the first-place winner.

All of the NDSC team members were third in beef, first in sheep, third in beef and third in steers.

Members of the team are: (front row, l. to r.) Charles Bateman, Ray Kleppe, Richard Knutson. (Back row, l. to r.) John N. John­ son, coach; Maynard Iverson, Keith Bjerke, Paul Brichtals.
In regard to last week's editorial, I re­

cessively wrote letters to the editor last week.

The writers of two of them asked me not to put them in print because they were not justified in their re­

spective letters. You may read the other three letters on this page.

In the rest of the quarter, The Spect­

rum would like to initiate a "Letters To

The Editor Column." We hope this will be

a place for you to hear your facts commented on.
The student views on interesting controversial

topics, not only campus, but also general topics. With Sen­

ate members up and the new appointment of the

Spectrum editor controversial topics will be brought to light.

If you have a letter or an opinion in mind, write it down in 250 words or less, TYPEWRITTEN, and leave it in the Spectrum office no later than Monday noon.

IN ANSWER TO FLOYD ALBERS

No, I did not know that you were sponsored by the Ag­

riculture School, and most of the senators did not know this either. They passed the motion, if my memory serves me right, on the pretense that Saddle and Sirloin could not af­

ford to send you on your trips. Yes, I did quote the figure wrong that the money you are receiving—which was a figure I received through the finance commission. You are receiving $700 instead of the $600 previously mentioned. No wonder you did not mention it in your letter.

You make it sound like I am not in favor of the judging team. I think I made it clear that I was when I said "your value is greater than the other teams." I don't know on a national basis, but to reverse the sentence a little bit, we are all represented by our athletic teams. Gordy Lund has a comment on this.

YOU MEAN TO TELL me that because we are changing our name now, you shouldn't utilize the freedom of the press and speech to speak up for something we think is wrong?

I did not accuse you of living "high" on the money you receive. That accusation was made towards the debate team as to the members, not the organization itself. We are as much a part of collegiate competition as other teams. We put on the Little Inter­

collegiate competition as other teams. Why not sponsor these teams all also. Why not support these teams?

Budget Needed by Student Senate

In last week's Spectrum you wrote an editorial on the waste­

fulness of money given to debate and judging teams. First of all, you had your facts wrong. You did not quote the correct amount that was allotted to the judging team. Secondly, you stated that the judging teams are sponsored by Saddle and Sirloin and therefore get their money from your organization.

The judging teams are sponsor­

ed by the college and are as much a part of the college as the football team, basketball team, or any other team participating in collegiate contests.

If you think it is wasteful to give judging teams money, what about the money that was thrown away for the $1.50 public relations stunt, the $1.25 for the football ticket from State College, or the $1.50 that I did not receive in compensation for the fact that you went nor did it keep anyone from going if we had not re­

ceived it. I realize however that this enabled everyone to buy at least one six-pack of beer more than they might have otherwise, which is what your article says.

Another point you do not real­

ize or else will not admit is that if the judging teams represent our college on a national basis. They compete with schools from every state in the union including the "Big Ten" schools. Where possibly you could get better advertising of a college than by national competition?

The judging teams have placed very well in this competition. Look at the records. I defy any athletic team from here to do half as well and yet we give our full support to them, forcefully not supporting them.

The money given to the judg­

ing teams is certainly not spent for high living. On the contrary, the members work all day judging teams and travel about midnight only to get up about 6:00 a.m. and start working again. Do you call this high living?

At the time we are campaigning for a name change an editorial such as the one that appeared in last week's Spectrum is very detrimental. The Spectrum does not present both sides of the story. I believe that it is the responsibility of the editor of a jo­

ner to at least get his facts straight even when he has such a reputation of recognizing the true value of the things he is commenting on before even getting up to print.

Floyd Albers

A Member of the Livestock Judging Team

Letter to the Editor

Student Senate has appropriated $700 for the debate team, $250 for the IRB, and $1,400 for Saddle and Sirloin. This represents only a part of the year's expenditures and these fig­

ures already EQUAL the amount appropriated to Student Senate for operating expenses. Evi­

ently more money will have to be spent and that is only half the story.

The Spectrum

The Spectrum is published every Friday at Fargo, North Dakota by the NDSC Board of Publications, State College Station, Fargo, N. D. Subscription price $1.00 per year. Entered as second class matter, December 10, 1940, at the Post Office at Fargo, North Dakota, under the act of March 3, 1879.

Mike Kinnebrew - Paul Moordhead, Minn. Assignment Editor requires a certain amount of maturity and likely­

ness for the functioning of these groups. It would be nice to have a complete reorganization of Student Senate is needed.

Lyle Commissioner of Student Union

The 1968-69 Student Senate spent $5,876 for their operating ex­

penses. This represents the $1,772 for campus, $2,505 for the student center, and $3,574 from the reserve fund. The $7,876 is more than three years appropriations to the reserve fund for operating expenses, reserve, tennis courts, and from miscellaneous sources.

What Senate needs is new blood. There should be more repre­

sentative groups represented and more capable senators elected. Let the readers forget and make the students forget—no election of Senate—you elected the senators.

What CAN YOU, the students, do? Dorm councils, married, married and all the possible groups, Vets Club, etc., and many other campus groups can sponsor events, and push issues and push issues they deem im­

portant. Students can start press­

ing their Senate to use their heads. Of course there seem to be some who realize that is what needs to be done. A budget is needed. Senate needs to be run in a businesslike manner and an effective and complete reorganization of Student Senate is needed.

Minn. This work requires a cer­

 бюджет is needed. Senate represents a vital part of North Da­

kota's agriculture. After reading your editorial I was not electr­

ically convinced that I as a voter in North Dakota will vote for a name change. Perhaps in a few years, if we do not get any more change that is needed to be made. In the past, the only thing that made North Dakota's agriculture was the name North Dakota Agricultural College.

I believe it is the responsi­

bility of the editor of a jo­

ner to at least get his facts straight even when he has such a reputation of recognizing the true value of the things he is commenting on before even getting up to print.

Those of you who feel like going places and doing things . . . this week, celebrate after midterm . . . I didn't have time this week to get quite as bad about the news as I could have taken them next week . . . ah, joy . . . they're at the height of the formal storm parties, coffee hours, movies, card games, whole bit . . . run down today for your sophomore term course students at the union's Meinecke lounge at 2:00 p.m. . . . Canadian Players in Shakespeare's Festival at 8:15 . . . ATO term party at PM Hotel . . . AGR term party at the Castle . . . and party at St. Olaf-Bridge Hall from 9 to 12 p.m . . . dancing, cards, food . . . you're invited . . . and now to Saturday . . . TKE term party at KC and Alpha . . . where we were when the ship wrecked . . . or something like that . . . Canadian players present another play at 8:15 at Festival . . . this one . . .

Kappa Alpha Theta Observes Founding

The active and alumnae chapter of Kappa Alpha Theta held its annual Founders Day Banquet in the Union balcony room, Jan. 18th.

Miss Emily Reynolds, president of the alumnae chapter presided over the banquet. A program was given in commemoration of the founders of Kappa Alpha Theta by Margaret Martin, Phyllis Hamilton, Phyllis Gill, and Diana Cameron, who each provided by nages Nancy Fread, Renita Rohsneck, Svet Sundeen, and Carol Jean Leutin.

Each member of the chapters contributed the amount of her age in pennies to the Friendship Fund which is built up annually to present Founders Day and is used to give aid to members in need.

Sharon Mische Gets Angel Flight Award

Sharon Mische was the recent recipient of the AFBOTC Angel Flight Meritorious Award. This is awarded annually to the Angel Flight member who contributed to the prestige of the organization by meritorious service. This encompasses service on the campus and in the community. Sharon received a silver bracelet from the AFBOTC Department.

AFBOTC Flight held their annual Military Wives Tea for the fiancé and families and wives of advanced AFBOTC cadets and wives of Air Force ROTC personnel. Guest speakers were Mrs. Joseph Hagebeier Jr. and Mrs. Kenneth Ward who spoke on the obligations of an Air Force wife.

 attempts by the postal department and others to censor literature and art were severely criticized Friday evening in a talk by Rev. Carl A. Storm, minister of the Minneapolis First Unitarian Society.

About 50 persons attended the lecture sponsored by the campus chapter of the American Association of University Professors. Storm first criticized campus (not newspaper) censorship of his discussion topic. "Sex, Censorship and Pornography," which he said was the topic he would discuss, to the title "Freedom of the Press, Public Communications and Censorship" which he said he would not discuss specifically.

Mr. Storm criticized the efforts of Postmaster General Summerfield to ban from the mail copies of D. H. Lawrence's "Lady Chatterley's Lover." He stated, "The only duty of the post office department is to handle the mail."

He pointed out, the difficulty anyone would have trying to determine exactly what is literature and art and what is obscenity and smut. He added that there is considerable psychological evidence that obscenity and smut have no particular effects on children in stimulating delinquency or sex deviation.
Sharivar Photo Contest Closes Mon.  
Prizes Will Be Given For Best Photos

It still isn't too late to enter the Sharivar cover photo contest. Here are the rules:
1. Contest opens Jan. 8 and closes at noon, Jan. 25. Any student or staff member of NDSC except Sharivar Special Edition staff members, members of the college public relations staff, and communications instructors, may enter.
2. Photos entered should "tell something about NDSC". The idea is to give an impression of the educational, social and cultural opportunities the school offers.
3. As many photos may be entered as a contestant wishes. Color photos or transparencies or tinted black and white pictures are not suitable.
4. Preferably, photos should be 8x10 or 5x7 inches in size, and glossy prints. Smaller photos and mat prints acceptable if negative is enclosed.
5. Pictures which tell about last year's Sharivar will get special consideration.
6. First prize $15, second prize $7 and third prize $3. Credit lines and honorable mentions to all other entrants whose prints are used in the special edition.
7. Judges will include the two co-editors, Julie Staber and Paul Shea, and any members of the college communications office, and Verne Nies, communications instructor.
8. Enclose prints (and negatives) in envelopes with your name and address, clearly marked. Address materials to Sharivar Cover Contest, and drop to Spectrum office, college communications office in Administration Building, or the communications laboratory in Minard Hall.

Answer Questions On Catholic Faith

Do you have a question concerning the Catholic religion you would like answered? You can get the answer if you attend the meetings now being held at the Newman Center every Thursday at 7 p.m.

The meetings conducted by Father Bill Durkin, chaplain of the Newman Center, cover a different field of theology each time. The meetings are held so Catholics can learn more about their religion and for non-Catholics who want to know more about and answer questions concerning the Catholic religion.

There is an informal question and answer session at the end of each meeting. Newman Club's Sunday supper will be served at 6:30 p.m. A card party will follow. It will be held at St. Paul's Center.

Campus Fund Drive Totals Announced

The total contributions to the Campus United Fund Drive have been announced by the drive chairman, Ronald Ginsbach. A total of $248.42 was contributed by ten fraternities and six sororities.

The contributions from fraternities were as follows:
- Tau Kappa Epsilon: $47.16
- Coop House: $40.50
- Alpha Gamma Rho: $33.75
- Sigma Alpha Epsilon: $22.43
- Theta Chi: $15.29
- Sigma Chi: $13.00
- Kappa Psi: $12.56
- Alpha Tau Omega: $11.43
- Farmhouse: $8.00
- Sigma Phi Delta: $7.28

Sorority contributions were:
- Alpha Delta Delta: $10.40
- Gamma Phi Beta: $9.41
- Kappa Delta: $9.14
- Phi Mu: $8.55
- Kappa Kappa Gamma: $5.27
- Kappa Alpha Theta: $3.55

Norma Carlson, Margaret Shoesmith Attend Guidon Meeting In Brookings

Norma Carlson and Margaret Shoesmith, sent by Guidon, auxiliary to AUSA, to attend a meeting in Brookings, S. Dak. They met with five other Guidon members from South Dakota University and South Dakota State.

The purpose of the meeting was to draw up a consultation from other organizations around the country. Another meeting will be held in April.
Plant Science Fellowships Awarded

Three additional fellowships in Plant Science have been awarded to NDSC under the National Defense Education Act of 1958, according to Dean Glenn L. Smith of the Graduate School.

These fellowships will each support a graduate student for three years of full-time study toward the Ph.D. degree at NDSC. Ph.D. candidates in plant science at NDSC may major in botany, plant pathology, soils or crops.

The stipend will be awarded $2,000 for the first year, $2,200 the second and $2,400 the third year, plus $400 for each dependent for the academic year.

Preference is given to applicants who plan to teach in a college or university. A new feature of the 1960-61 awards is that one-tenth of the 1,500 fellowships in the nation may go to applicants who have already earned the masters degree.

All applicants must be outstanding students and citizens of the United States. Applications are available from Dr. Smith. Early applications will receive extra attention.

The Fellowships available for the coming three years are an expansion of the previous program at NDSC. In September, 1959, four students received similar fellowships in plant science.

They were Ed LeGrand, Mayfield, Oklahoma; Ardell Bjugstad, Lisbon; Robert Johnson, Towner; and John Dooland, Perley, Minnesota.

All applications should be in the hands of the Dean of the Graduate School early in February.

Do You Think for Yourself?

(DIAL IN THESE QUESTIONS AND SEE IF YOU'RE IN FOCUS)

If you saw a full-rigged sailing ship in the middle of the desert, would you say (A) "Long time no sea!" (B) "Wish they'd invent talking mirages," or (C) "Anything can happen in Las Vegas!"

When a man says, "Breath is the soul of life," he means (A) he's about to make a long speech; (B) his thoughts come in short sentences; (C) "Shut up!"

Your caught in a pouring rain—and you're offered a lift by a pal whose driving is dangerously erratic. Would you (A) tell him you enjoy walking in the rain? (B) say, "Sure—but let me drive!" (C) accept rather than hurt his feelings?

In choosing a filter cigarette, would you pick one that (A) says the filter doesn't count, only the tobacco; (B) is designed to do the best filtering job for the least; (C) says it's a No Filter cigarette?

When you think for yourself—you depend on judgment, not chance, in your choice of cigarettes. That is why men and women who think for themselves usually smoke Viceroy. They know only Viceroy has a thinking man's filter—the most advanced filter design of them all. And only Viceroy has a smoking man's taste—the full rich taste of choice tobacco.

If you have checked (C) in three out of four questions, you're pretty sharp... but if you picked (B), you think for yourself!

Ymca Film Society Features French Pantomime And Romance On Sunday

"Children of Paradise" and "In the Park", French films which will be shown this Sunday, Jan. 24, will be the first in the series of film classics that the YMCA Film Society will sponsor each Sunday afternoon at 2:30.

"In the Park", is a short film starring Marcel Marceau, who will create in pantomime the characters of twelve different people in the park one summer afternoon and evening. "Children of Paradise", a romance, will be the feature attraction. It tells the story of the actors and audiences of the French vaudeville theatre of the 19th Century and their search for happiness on and off stage.

The Film Society has been formed by the YMCA in order to provide a better understanding of good films and to show the best in international films. Foreign films will be shown with English subtitles. Dues to the society are 50 cents per week and society members will see the films free of charge. Dues can be paid at the film showings.

NOTICES

ISA

Independent Student Association will meet Jan. 25 at 7:20 p.m. in Meinecke Lounge. Eleanor Benton, chem. Jr., will tell of her experiences at the International Encampment for Citizenship and will show slides of New York City. Games and coffee will follow.

"Y" Coffee Hour

Short course students will be guests of a YMCA sponsored coffee hour each Friday afternoon from 2-3 p.m. in Meinecke Lounge in the Student Union.

Leo Johnson, general secretary of the YMCA, said the purpose of these coffee hours is to give short course students a chance to get acquainted with college life by having a faculty member or other student come in and talk informal with them.

These coffee hours, in which 50-60 students take part, also give students a chance to get better acquainted with each other.

"Children of Paradise", a romance, will be the feature attraction. It tells the story of the actors and audiences of the French vaudeville theatre of the 19th Century and their search for happiness on and off stage.

The Film Society has been formed by the YMCA in order to provide a better understanding of good films and to show the best in international films. Foreign films will be shown with English subtitles. Dues to the society are 50 cents per week and society members will see the films free of charge. Dues can be paid at the film showings.
Intramurals

The intramural league bowlers were out in full force with eight teams entered in the seven different leagues. The hottest team was the Pharmacy Club in the All Star League with a 771 for the highest team game. Individual honors went to D. Baranesk, who had a three game average of 608, with second place being occupied by Ken Swanson with a 572.

PUBLICATIONS

Y Announces Series

A new discussion series has begun at the V Thursday noon luncheons. It is entitled, "Are the Ten Commandments Obsolete?" Discussions will be on the problems of American Morality.

Luncheons are held in Ceres Hall in the small dining room. Discussion topics through February are listed below. If you have any suggestions please contact the Y office in the library.

January 27 (Wednesday) - Dr. R. C. Mack, Director Film and Broadcasting Division, National Council of Churches— "Mass Communication and Censorship."

February 4 - "Labor Reform—reform or killing?" A look at recent labor legislation and its effect on labor. Mr. W. W. Murray, President, North Dakota AFL-CIO.

February 11—"The Farm Problem—Is there any future for the Renters?" Mr. Joseph Anderson, Farmer, Grandin, North Dakota.

February 18—"Drug Price Fixing—Truth or Misinformation." Dr. Richard O'Neill, Asst. Prof. pharmacy.

February 25—"Military Preparedness is not the Answer." Mr. Paul Johnson.

Placement Service

Monday, January 25, 1960

Sherwin Williams Paint Company wishes to interview chemistry students at B.S., M.S., and Ph.D. degrees as well as chemists who are working on advanced degrees in the paint course here at NDSC.

Tuesday, Wednesday, January 26 & 27, 1960

Oliver Iron Mining, a division of U. S. Steel Corporation, Duluth, Minnesota, desires to recruit students in C.E., M.E., E.E. and I.E. for employment in their technical training program.

Thursday, January 28, 1960

Devoe & Raynolds Co., Inc., will interview chemistry students at all degree levels for employment in the fields of research and product development in industrial coatings, resins and plastics, and in protective and decorative coatings for commercial, industrial, institutional and residential construction.

Thursday, January 28, 1960

Minneapolis Honeywell Regulator Co. seeks interviews with E.E., M.E., and I.E. interested in design and development, quality control, evaluation engineering, sales, manufacturing or industrial engineering. Candidates for sales assignments must have completed their military obligations. Interviewing arrangements will be made for students interested in summer employment with Honeywell.

Friday, January 29, 1960

Los Angeles County Civil Service Commission seeks interviews with C.E. or other engineering students interested in public works civil engineering careers.

Friday, January 29, 1960

Bailey Meter Company, Mr. G. E. Marsh seeks interviews with senior C.E. and M.E. Bailey Meter Company manufactures instruments and controls for central station power plants. Employment opportunities are in the process, instrumentation, and control fields.

The Campus YWCA is currently seeking the service of a part-time advisor and counselor. Those interested should themselves be college graduates with YWCA association during college. The position appears especially suitable for a girl doing advanced degree work or a faculty wife experienced in group work. Contact the Placement Office for additional information.

Jan Dunbar, KAT, Darlene Dietrich, KKG, and Linda Swenson, KKG, are the three finalists for Sigma Chi Sweetheart. The "Sweetheart of Sigma Chi" will be crowned at their term party February 6.
The ball team found the win column for the first time this year by thumping the Morningside Ma­
mon Chiefs score of 40-30 at the half, but found the hoop for 40 points, forced the hometowners to drop decision to the SDU Coyotes the r--------- ------------ ----- team: "They are as good as any­
the game.

Junior guard Marv Bachmeier Hinkle decisioned his opponent, NDSC lost the match 15,14. 

In the SDU game it was a mat­
J unior guard Marv Bachmeier 
Bison, winding up on the Payne found the nets last Sat­

Bachmeier's scoring spree of 47 points outdid his former 46 point production that he scored in the famous six-overt ime game against Iowa State Teachers last year.

The Devils Lake junior scored 37 points in a few minutes, and then added icing to the cake by "hooping" ten more in the over­

NDSC, who were leading 38-32

Girls Encouraged To Attend First Annual Dorm Party

Attention girls, do you want to help make history on campus? If you do, be on hand Friday, Jan. 22, 9 p.m. for Stockbridge Hall’s first annual dorm party.

Dancing in Stockbridge Hall’s spacious lounge will be the highlight of the evening with ping pong and card playing for those whose interests may vary, according to Robert Hasse, dorm president.

Tom Myhre, chairman of the program committee, stated that all dorm residents on campus are invited and that there would be no charge.

Agricultural Seminar Series Creates Much Interest, Has Large Attendance

Excessive attendance has been the usual problem facing Mr. Perry Hemphill, director of the current Agricultural Economics seminar series being held at NDSC.

“We have been forced,” he said, “to move to a larger classroom to accommodate the interested students and faculty. We hope that increasing interest will force us to move to still larger facilities. There will be no change in the policy of ‘everyone welcome’.”

The seminars are held in room 308, Morrill Hall each Thursday at 4:00 p.m.

This year’s theme, “The Impact of Technology on Marketing — Past, Present, and Future”, is one of the reasons for increased interest. Speakers have been selected to represent nearly all steps of the reasons for increased interest will force us to accommodate the interested students, most of whom are Ag. Econ. majors.

Gamma Delta Plans Ice Skating Party

An ice skating social will be held at Island Park tonight. Anyone wishing to attend is asked to be at Immanuel Lutheran Church at 7:30 for a ride.

The regular supper-meeting of Gamma Delta will be held Sunday, Jan. 24, at 5 p.m. at 1558 Broadway, Fargo. A topic, “Happy Marriage Makes a Happy Home” will be discussed. Everyone is invited to attend.

There's a message for you in Mark Dollard's progress story

Mark C. Dollard earned his B.A. degree in English from Yale University in June, 1955. He joined the New York Telephone Company the following July 18th. Three and a half years later, he became a District Manager for the company in New York City—with a staff of 87 people reporting to him and responsibility for 47,000 customer accounts.

Mark’s choice of a telephone career came after numerous job interviews in a variety of business fields. “What sold me,” he says, “was the telephone company’s reputation for solid managerial training, stability and growth. And I was impressed by the high caliber of people I met during my visit to the company.”

And those are the things to which Mark credits his rapid advancement. His training during his first two years covered a wide range of activities...including the handling of customer contacts in the business office, selling communications services to businessmen and supervising a business office.

“It was the company’s vigorous growth that created the opportunity for me to become District Manager in January, 1959,” Mark points out.

“What I like most about my present position is the variety of managerial responsibilities I have,” he says. “It’s interesting, stimulating work. I deal with sales and marketing programs, handle personnel problems and make a lot of public relations contacts.”

The message for you? Stability, growth, systematic training and genuine advancement opportunities all add up to rewarding careers with the Bell Telephone Companies. Be sure to look into the opportunities for you. Talk with the Bell interviewer when he visits your campus — and read the Bell Telephone booklet on file in your Placement Office. You’ll like what you learn.

SC Cadets Orientated At Rapid City

Thirty nine NDSC Air Science cadets flew to Ellsworth Air Force Base at Rapid City, S. D., Jan. 13. The trip was to orientate the cadets with the history, principles and purposes of the Strategic Air Command.

The group was instructed on AAS soft.
