

SHARIVAR GUESTS included old and young alike. All these birds, which appear to be fascinating this little girl, were a small part of the zoology department display.

Name Change Meetings Set To Discuss Facts Of Change

Two special meetings will be held May 7 and 21 for all students interested in knowing the facts about Name Change, according to Chuck Bateman, student chairman for Name Change.

The information sessions will be held on two Saturday mornings with the best informed campus leaders and alumni to discuss the facts and problems NDSC faces in trying to change the name to a university.

Bateman said he has been asked by many students what is being done and he pointed out this is the opportunity for everyone to learn more about the name change. He also pointed out that students need to get acquainted with others on the team in their hometowns.

The sessions will be designed to bring specific information to student that will enable them to discuss the matter intelligently when they return home for the summer. "Students are the foot soldiers

for Name Change" according to one student leader. "If we don't tell our story around the state, people will not know the facts and fail to understand why a change is necessary."

The location and leaders for the information sessions will be announced next week, according to Bateman, but he emphasized every student should save one of these Saturday mornings to attend a session. Every NDSC student should "know the facts" and do his part but if he doesn't prepare himself he can do little.

Othello, Shakespearean Tragedy, Plays For Weekend In Little Country Theatre

Jealousy, which Shakespeare so aptly called "the green-eyed monster", is the motivating force of the tragedy "Othello" which opened for a four night run Wednesday, April 27, at the Little Country Theatre. Curtain time is 8:15. Othello, a general in the Venetian army, finds the handkerchief of his wife Desdemona in his friend Cassio's room. It has been planted there by the villainous Iago to make Othello jealous.

Iago knows what Othello doesn't realize until too late—that jealousy can destroy a man and all that he holds dear. The working out of Iago's plot to destroy Othello makes this drama one of Shakespeare's most fascinating plays.

Othello will be played by Ronald Katz. Suellen Ringsak will play the part of Desdemona, Othello's gentle, true and loving wife. Iago, the cold inhuman vil-

lain, will be portrayed by Kenneth Daniels.

Other members of the cast include Janet Sinner, Joyce Miller, Dan Wilhelm, Dennis Smith, Dennis Chisholm, Ray Rogalla, Dan Kennelly, Kerry Rowan, Kenneth Keller, John Stephens, Larry Bart, George Thole, Douglas Hofstrand, Janice Hanson and Karen Sexhus.

Tickets are available at the Little Country Theatre in the Administration Building or from members of the NDSC Student Speech Therapists Association.

All tickets are priced at 75c and all seats are reserved. Reservations may be made by calling AD 5-6411. Proceeds of Friday night's performance will go towards the purchase of a new audiometer for the Speech Clinic. Mr. Don Sundquist, of the Speech and Drama faculty, will direct the play.

SC Sharivar Rated "Very Successful"

By Arlene Christianson
Sharivar Co-chairman

Sharivar for 1960 is over and before all the work that they did passes from the minds of the faculty and students the central committee would like to thank them for their efforts.

Despite Saturday's rain the overall crowd exceeded that of last year due in part to the Sunday attendance. Few of the people present registered and for this reason no accurate registration count is available. However, home economics, alone, registered more than a thousand people.

Four state officials: C. P. Dahl,

lieutenant governor; John Erickson, state treasurer; Leslie Bergum, attorney general; and Ben Meier, secretary of state, were present at the President's luncheon Saturday.

Next year's central committee will be chosen from applications which can be obtained at the Spectrum office. The selection will be handled by the commission of campus affairs. Any experience will be an advantage in applying for one of the 18 positions as co-chairman of the central committee, chairman of a school, or the activities or publicity committee.

Anyone interested in making next year's Sharivar bigger and better (come rain or come shine) is urged to apply for a position as cochairman of the central committee, chairman of a school, publicity or activities. Applications may be picked up at the Spectrum office and are to be returned there. Any experience will be an advantage in applying for one of the positions.

Annual Greek Week Set For May 2-7; Royalty To Be Crowned At First Event

NDSC's annual Greek Week celebration has been set for May 2-7, according to Ron Kochevar, Greek Week Committee chairman.

Festivities will be kicked off on Monday, May 2, with exchange dinners between the campus fraternities and sororities. Later in the evening the King and Queen of the Greeks will be crowned at a dance in the Ballroom of the Memorial Union. They will be chosen from a slate of candidates selected earlier by the various campus Greek organizations.

Queen candidates are Kathy Shepard, KKG; Kay Ormiston, GPB; Delcie Danroth, AGD; Vergene Anderson, KD; Jenette Schule, Phi Mu and Norma Carlson, KAT.

King candidates are Paul Koziey, ATO; Bob McLeod, SAE; Wayne Hamann, Theta Chi; Willy Weigeil, Kappa Psi; Ian

Strachan, Sigma Chi; Keith Bjerke, AGR; Earl Tveit, Farm House; Jerry Woods, TKE and Jim Driver, SPD.

Tuesday and Wednesday activities are built around the Greek Week Project. This year's Project Chairmen, Herman Schatz and Janelle Leetun have offered the Greek's services to Children's Village.

Spring Sing, sponsored by Alpha Phi Omega, will highlight Friday's activities. This annual musical competition will be presented in the evening at Festival Hall. Dave Kearney and Floyd Aune are chairmen.

Friday evening the Inter-Fraternity Ball will be held at the Fraser Memorial Armory. High spot of the evening will be the crowning of the 1960 Model Man. Paul Hanson and his Orchestra will provide the music.

The final event of the week will be Saturday's Greek Week picnic at Lindenwood Park. Main feature of the picnic will be the Mock Olympics, consisting of a tug-of-war, three-legged race and a balloon shotput. Jerry Woods and Robyn Stroup are chairmen of Saturday's events.

Greek Week buttons, which are necessary for admittance to all events during the week, may be purchased from the Greek Week representatives in the respective fraternities and sororities.

C. Running To Give Public Art Lecture

"Sketching and Painting" will be discussed by Professor Cyrus Running, Concordia College art department chairman, at a public lecture Wednesday, May 4, the last of a series.

A Yale University graduate, Professor Running is acquiring a reputation in the Northwest as a professional artist and critic. He has been a part-time instructor in the NDSC Architecture Department for the past two quarters.

The lecture is scheduled for 7:30 p.m. in Room 22, South Engineering building and students and staff are invited.

Running recently finished an 80 foot mural at Casselton State Bank and a mural at the Metropolitan Savings and Loan Assn. in Fargo. He also designed a series of mosaic panels which decorate a Hibbing, Minn. church.

SAE-KKG Act Wins First In Brevities; Orchesis Captures Five Minute Honors

"Collegiate Capers", staged by Sigma Alpha Epsilon-Kappa Kappa Gamma, in the fifteen minute production act competition and "Kataka", by Orchesis, in the five minute curtain act division, were winners in the 1960 edition of Bison Brevities held last weekend.

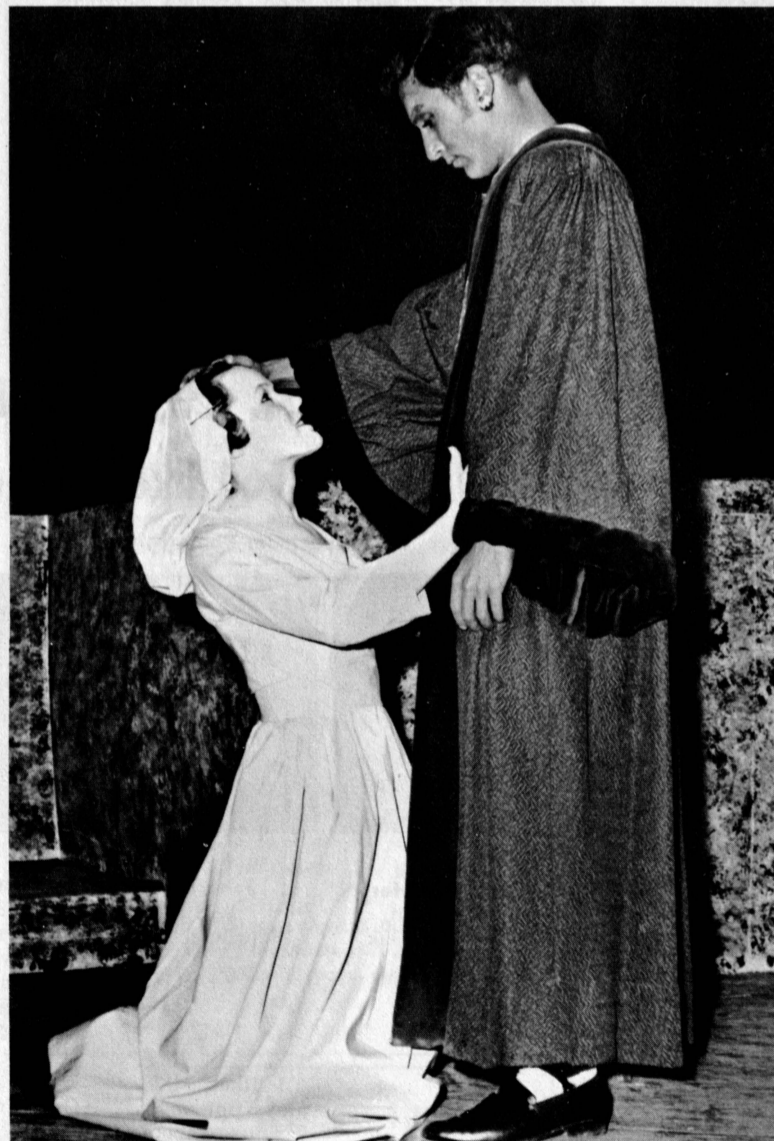

Chosen as outstanding actor was Robert Kovich, AAS Jr., who played the role of Madame Fifi in "Artistry in Coordination."

Karen Knudson, HE Jr., was named outstanding actress, for her third straight year, for her two

outstanding performances in "Hey Daddy," the Kappa Kappa Gamma five minute act, and "Collegiate Capers," the SAE-KKG fifteen minute act.

Second place trophies were awarded to Theta Chi-Gamma Phi Beta for the "Chattanooga Limited" in the production act competition, and to SAE for "Artistry in coordination," in the five minute division.

Trophes were also given to Alpha Tau Omega and Kappa Kappa Gamma for ticket sales.

OTHELLO will be presented tonight and tomorrow night starting at 8:15 p.m. at the Little Country Theatre. Shown are Suellen Ringsak and Ron Katz in the starring roles of Desdemona and Othello.

OFF THE EDITOR'S CUFF

By EVANNE GROMMESH

SHARIVAR

Everyone who worked on Sharivar can pat themselves on the back for a job well done. I've heard nothing but good comments on it. Sunday open houses appeared to be an excellent idea. Nature seems to be against us—rains came on Saturday again. Perhaps we should take many people's idea and change the name to Showerivar.

Despite the weather Sharivar was definitely a success. This is something that's going to grow bigger and better every year.

Even though not one visitor would come, Sharivar still would be a success. What can be better than the campus, teachers and students alike, all working together toward one goal—creating interest and pride in NDSC.

LIBRARY

The library could be a good place to study. It has good lighting, is comfortable and the people who work there are always willing to help—now it's up to we students.

It appears people come to the library for many different reasons. There are those who reside at the first table. Everyone who arrives gets the big "Hi" and perhaps a social visit with the first tabler. I imagine sitting in the library visiting instead of the Union eases his conscience a bit.

Then there's the two or three who really want to study—out loud. These usually are the problem solvers. Working together is fine but not in the library. Even though they don't talk out loud that constant low muttering bothers others.

The eaters are another of the many types. They are stationed at the pop and candy machines. There's nothing wrong with eating or having a break but it shouldn't be party time with all the gang.

There is no sense to go on to the many other types—Let's all of us just remember to think of the other person who wants to study and be quiet. He probably needs to as do all of us.

Name Change Notes

By Frank Vyzralek

As most of you probably know by now, the coveted Name-Change Petition trophy has been awarded to Theta Chi. This fired-up outfit turned in petitions with a total of 2,570 signatures. Our hat is off to the boys across the Mall.

Here are the final tabulations among the campus fraternities and sororities as released by Name-Change Committee chairman Charlie Bateman:

Theta Chi	2,570
TKE	1,975
SAE	1,077
AGR	750
SPD	721
GPB	450
ATO	377
Kappa Psi	330
Co-op House	132
AGD	89
Farm House	40

Sigma Chi fraternity and Kappa Alpha Theta, Kappa Delta, Kappa Kappa Gamma and Phi Mu sororities failed to turn in a single petition.

This adds up to a grand total of 8,501 signatures, roughly 42½% of the total necessary to place the name change on the

ballot. Those who put in a lot of leg work during Christmas and Easter vacations, quarterbreak and on weekends can feel justly proud of their achievements.

Bob Crom, Director of Communications, tells us that although the final statewide total has not been completely tabulated, petition signatures submitted are well over the 20,000 necessary. So we're definitely on the November ballot.

Now it's up to us as students to get out and prove to the people of North Dakota that this is truly a "University" and therefore deserves the title of North Dakota State University of Agriculture and Applied Sciences.

As a means toward this end, the Name-Change Committee is sponsoring two workshops during the month of May to acquaint the student body with all the latest information. Details of these meetings can be found on another page. Let it suffice here to say that all students are urged to attend. After all, it is the students who stand to gain the most from the Name-Change.

Student Senate Vetoes Negro Support Measures

Student Senate, during a regular meeting on Tuesday, April 26, voted down two measures intended for the support of the Negro college students in the South.

The first resolution was one which was tabled for study during the last meeting. It read: "We, the students of North Dakota Agricultural College, do hereby resolve to support the Negro college students in their non-violent demonstrations to secure their rights as individuals and as citizens of the United States." It was discussed and defeated.

The second resolution, which was introduced after defeat of the first, read: "We, the members of the Student Senate of North Dakota Agricultural College, are in sympathy with the desires of fellow college students in the South, who are attempting to gain equal status for Negro college students with their colleagues. We encourage appropriate authorities to consider their needs and support their rights."

After a lengthy discussion, this measure was also defeated. The roll call vote showed twelve senators against the resolution and six favoring it.

Senators voting against the resolution were: Bergquist, Dietrich, Forseth, Kocourek, Lamont, Larson, Lingen, Mann, McLeod, Ormiston, Saba and Stallings.

Voting in favor of the measure were senators Bassin, Berntson, Duemeland, Hamann, Haugen and Roesch.

Following defeat of the two measures, the Senate issued the

following statement:

"We, the members of NDSC Student Senate, defeated by a majority vote the above stated resolutions presented to us for our approval. We, as a group, definitely realize the problem in the South. We voted against them, however, for the following reasons:

1. Many of the senators did not feel that we as a body had a right to speak for all the individuals on this campus on a moral and personal issue.

2. We did not feel that the second resolution completely freed us of our obligations to the students as much as the commission felt it would.

3. The majority of the senators found that most of the people they had talked to concerning the resolution were against it for one of two reasons: (A) Senate doesn't have the power, and (B) they were personally against the resolution.

4. Some of the senators were against the resolution because they did not agree with the feeling expressed in the resolution about equality of rights for Negroes and about integration.

"We as a body hope that we have acted intelligently and have done what most of you would want to do. A great number of the senators are personally in favor of the resolution but did not feel they had the right to act on them.

"These senators urge that this resolution not be dropped, but be carried through on a personal

contact basis with petitions, etc. They feel that this is a personal and moral issue and should be approached as such. This way persons in favor of such a resolution would be individually expressing their opinions and would not be implicating those individuals who are against such a movement."

Respectfully submitted,
NDSC STUDENT SENATE
(By Dean Forseth, Senator)

In other action, Senate:
Adopted a voucher system presented by the Finance Commission. This system will go into effect immediately.

Decided that future Sharivar co-chairmen will be selected from formal applications submitted by interested students.

Voted to continue the Commission form of government.

Set up a committee to investigate the possibility of the school's offering a one credit course on student government.

Appointed the following committee heads for the 1960 Homecoming: Publicity—Sherry Bassin; Dance—Phil Roesch; Queens and Entertainment—Darlene Dietrich; Ticket Sales—Jerry Tasted and Curt Newman; House Decorations, Floats, Judges and Trophies—Bob McLeod; Torch run—Dave Foley; and Parade Marshall and Co-Marshall—Dick Bergquist and Carl Larson.

Accepted as new members of the Honor Case Commission in the School of Agriculture: Darwin Lee, George Duemeland, Duane Saville, Jim Bergeron, Gordon Lund, Melvin Bratten, Curtis Hemstad and Jack Brown.

To The Students and Faculty

To the Students:

Speaking as Brevities director and for Blue Key, I want to take this opportunity to thank the many groups and individuals who gave freely of their time to help make this year's Brevities a success.

In particular we would like to thank the stage and make-up crews and the people who helped out with publicity. And of course, the organizations who worked so

hard to work up their acts.

Particularly outstanding this year was the judging. For this we must thank Bob Doheny, who made a special effort to secure judges from outside the F-M area. As a result more than half were from outlying areas.

Another innovation was holding over two of the five judges from Thursday to Friday and from Friday to Saturday. By giving these judges a chance to view the acts for two nights, we feel that we could guard against an act receiving a poor rating if they should have a bad night.

In addition we must recognize the terrific work done by the orchestra. Also our thanks to Orchestra Director Don Pederson and particularly to Paul Hanson, who arranged the show.

We greatly appreciated the fine job done by the fraternities and sororities in pushing ticket sales. There was terrific competition here as is indicated by the winning sorority beating out the runnerup by only \$17.50. This year's fraternity trophy winner topped last year's leader by over \$200. Also whereas only one sorority went over

\$600 total last year, we had two this year.

We realize there are some things that can be improved upon. Next year there will be a definite effort to cut down the length of the show and to move tryout and final production dates closer together.

DICK WEEKS, Director
1960 Bison Brevities

To the students and faculty:

As co-chairmen of the School of Applied Arts and Sciences Sharivar Committee, we wish to express our appreciation for all the work done by students and faculty in the preparation and presentation of Sharivar 1960.

Our thanks go to those who served as chairmen of various committees, the membership of those committees, hosts and guides who handled the displays, projectionists and our two secretaries.

A special word of thanks goes to those members of the faculty who have given so much of their time in advising these students, our AAS committee advisor, Mr. Warren Kress, in particular.

The displays were good. My favorite was the glass blowing in chemistry. It was the end of the paint department also had a good display. The rain kind of hurt attendance though.

I liked the displays put on by the various schools of NDSC. A lot of credit should go to all the people who worked on the displays. The Zoology display was terrific.

I was quite disappointed in the Brevities acts this year. I'm not saying that the acts were not good, but in my opinion they were better last year.

It was nice to see high school students walking around taking an interest in our campus.

"I really ate up the Kissometer in the E.E. display. The kiddie movies at Festival Hall were pretty good, too, especially the ones about "Minnie Moo Cow."

Hi-Society

By Mary Stenso

THE BIG WEEKEND is about a week past and everyone should be about rested up. It was all very fun, very nice, etc.—all, that is, except the Saturday night party, which was a sad mistake. Brevities was over about 11:30, make-up took a good 20 minutes to get off, families and friends had to be spoken to, dates had to be picked up, and you had to drive out.

YOURS TRULY WALTZED in the door as someone screamed, "Alright, everybody out!" So everyone was herded out with apparently very few intentions of going home unless they brought 50 people with them. Apartments were full, parents were piled in on, and when the parties were over, friends were inconveniencing other friends for a place to stay.

IT SEEMS IF the party could have run about an hour later, and dorm hours extended an hour longer, everyone (students, parents, and apartment superintendents included) would have been much happier.

ENOUGH FUTILE EXPOUNDING—on to the news of the past couple of weeks.

The Thetas have had two engagements recently—Marlys Oberg to ATO Lowell Shelton, and Marilyn Alme to Sherwood Peterson, AGR. Also the fatal step was taken by Nancy Freed and Joe Hilber. Joe is a former Stater.

Another engagement from the TKE house—Ron Lawrence to Mary Lou Butler of Fargo.

MANY, MANY PICNICS this week, quite a few of which were cancelled. Tuesday was really full—Kappa Psi and the Kappas; ATOs and the Phi Mus; Theta Chis and Alpha Gams; SPDs and Gamma Phis; KATs and Sigma Chis; and the KDs and the Farmhouse. Lindenwood looks like the hoppingest place in town for the rest of the quarter!

Thursday evening the Thetas seemed to be the only ones functioning—a 5:30 picnic with Sigma Chis at Lindenwood, of course.

NEW PLEDGES again this week—SPD house: Floyd Patterson and Darrell Galde. Tau Kappa Epsilon: Gary C. Nelson and Arthur Meier.

Girls!! There's a really, big interdorm party tonight. This includes everyone from Ceres, Dinan, Stockbridge, Churchill, and Dakota. The last one was a real winner, so let's all head to the Stockbridge rec room 'round 8:30. Madame Fifi (Cozy Kovich) received roses on his opening night from "an admirer." No one quite knows who she or he is, but it was a nice thought anyway.

Othello opened last Wednesday—It's got two more nights, so hot-foot it over to LCT and enjoy an evening, if you haven't already.

Sig Chi Derby Day today—4:00. Levis and sweatshirts are in order, bermudas, too. (Games, prizes and a picnic).

Mark Twain made a remark once that he failed to explain: "Be good—and you'll be lonely." Much term partying this week! Tonight — Kappa Kapa Gamma, 9:00 at the El Zagal Clubhouse; Kappa Alpha Theta, 6:30, at the Moorhead Country Club, Gamma Phi Beta and Kappa Delta have their big blast of the quarter.

Thought for the Day: "—The man who thinks that marriage is a 50-50 proposition doesn't understand one of two things—women or percentages."

SAI Breakfast Set For May 1

Sigma Alpha Iota, national professional music sorority, will hold its 34th May breakfast in the Colonial Room of the Gardner Hotel May 1, at 7:45 a.m.

Invitations have been extended to actives, pledges and alumni of Omicron chapter at NDSC and to the patronesses of Chi Iota chapter at Moorhead State College.

Miss Lea Tesch, AAS jr., is president of the local chapter.

Miss Matilda Thompson, Dean of Women and chairman of the hostess committee, will be toast mistress. She will be assisted by Mmes. Adams Spelletick, J. D. Dillon, A. B. Smith, and Noel A. Gagstetter.

A program of music and poetry is planned for the breakfast.

Home Ec Honorary Initiates Ten Girls

Phi Upsilon Omicron, national honorary home economics fraternity, held initiation April 20 in the Founders Room in the Home Economics building for ten NDSC students.

New members include: Sharon Affield, Diane Brokate, Judy Cook, Mabel Engen, Phillis Gill, Judy Heitmann, Diane Myer sophomores; Alice Sorenson, junior; Ihlys Hulbert, Carol Tuntland, seniors.

Qualifications for membership are high scholastic standing, reliability, judgment and professional attitude.

On Campus with Max Shulman

(Author of "I Was a Teen-age Dwarf", "The Many Loves of Dobie Gillis", etc.)

A GUIDE FOR THE LOVELESS

Gentlemen, take warning. June is almost upon us—June, the month of brides. Have you got yours yet? If not, don't despair. You don't have to be rich or handsome to get a girl. All you have to be is kind, considerate, thoughtful, and obliging—in short, a gentleman.

For example, don't ever call a girl for a date at the last minute. Always give her plenty of advance notice—like three months for a coke date, six months for a movie, a year for a prom, two years for a public execution. This shows the girl that she is not your second or third choice and also gives her ample time to select her costume.

And when you ask for a date, do it with a bit of Old World gallantry. A poem, for instance, is always sure to please a young lady, like this:

*I think you're cute,
Daphne La France.
I'll put on a suit,
And take you to a dance.*

In the unlikely event that you don't know any girls named Daphne La France, try this:

*I think you're cute,
Winifred Jopp.
I'll put on a suit,
And take you to a hop.*

In the extremely unlikely event that you don't know a Winifred Jopp either, try this:

*I think you're cute,
Isabel Prall.
I'll put on a suit,
And take you to a ball.*

Have you Got Yours yet?

If there is no Isabel Prall, Winifred Jopp, or Daphne La France on your campus, it is quite obvious why you've had trouble finding dates all year: you've enrolled in an all-male school, you old silly!

Next let us take up the question of etiquette once you are out on a date with Isabel, Winifred, or Daphne. The first thing you do, naturally, is to offer the young lady a Marlboro. Be sure, however, to offer her an entire Marlboro—not just a Marlboro butt. Marlboro butts are good of course, but whole Marlboros are better. You get an extra inch or two of fine flavorful tobacco—and I mean flavorful. Do you think flavor went out when filters came in? Well, you've got a happy surprise coming when you light a Marlboro. This one really delivers the goods on flavor, and when you hand Isabel, Winifred, or Daphne a whole, complete, brand-new Marlboro, she will know how highly you regard and respect her, and she will grow misty and weak with gratitude, which is very important when you take her out to dinner, because the only kind of coed a college man can afford to feed is a weak and misty coed. Latest statistics show that a coed in a normal condition eats one and a half times her own weight every twelve hours.

At the end of your date with Isabel, Winifred, or Daphne, make certain to get her home by curfew time. That is gentlemanly. Do not leave her at a bus stop. That is rude. Deliver her right to her door and, if possible, stop the car when you are dropping her off.

The next day send a little thank-you note. A poem is best. Like this:

*For a wonderful evening, many thanks,
Isabel, Winifred, or Daphne.
I'll take you out for some more merry pranks
Next Saturday if you'll haph me.*

© 1960 Max Shulman

We can't give you rhyme but we'll give you good reason why you'll enjoy Marlboro and Marlboro's unfiltered companion cigarette, Philip Morris. One word says it all: flavor.

HS Seniors Earn Awards Up Up . . .

Twenty high school seniors were awarded scholarships and merit awards at Sharivar.

Seven scholarships and 13 merit awards were presented at the fi-

Lyceum Series

North Dakota State College will begin its Golden Anniversary lyceum series on October 19 featuring The Icelandic Singers. This group of male singers will present both classical and popular songs.

On November 12, thirteen musicians who make up the Societa Corelli will perform. This string ensemble will feature old Italian music.

Miss Dorothy Stickney, a native of Dickinson, North Dakota, will appear on December 3. She will dramatize the poetry of Edna St. Vincent Millay.

Tenor Jan Peerce will perform on January 13. Mr. Peerce is well known as "America's peerless tenor."

A duo piano lyceum will feature Pierre Luboshutz and Genia Nemenoff on February 17.

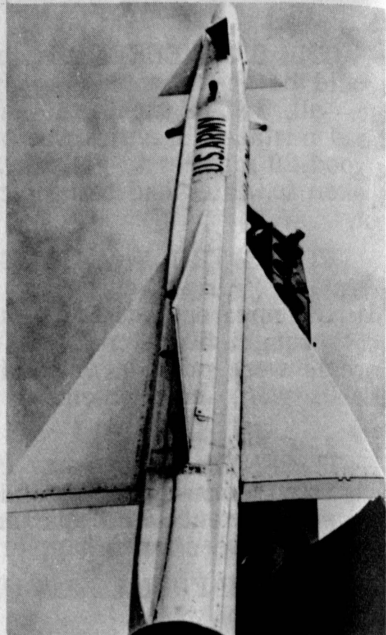

The last of the series will be Jose Greco and his company of Spanish Dancers. They will appear on March 16.

nal performance of Bison Brevities.

The winners of the scholarships were: Dennis Harkcom of Staples, Minn.; Daniel Rietze, Valley City; Thomas Anderson, Hillsboro; Harold Korb, Calio; Virginia Egan, Detroit Lakes, Minn.; Jill Patterson, Donnybrook; and Dennis Egge, Omamee.

Winners of the merit awards are: Patricia Bernd, Moorhead; Carol Buelow, Drake; Gary Edlund, Buffalo; Jane Fasching, Mandan; John Knuetson, Fergus Falls, Minn.; John Rachow, Hillsboro; James Trangared, Kindred; and Wilfred Findley, Dale Haaland, Dennis Johnson, James McCallough, Steven Wroe, and Allan Zabel of Fargo.

The winners were chosen from over 1,200 high school seniors who indicated interest in attending DSC when taking the American College Testing Program. The 20 finalists were invited to Sharivar and interviewed by a student-faculty committee.

ARMY'S NIKE AJAX, the first surface-to-air guided missile, was one of the many displays featured at Sharivar.

NOTICES

NEWMAN CLUB

Newman Club will have a joint party with the Cardijn Club Saturday starting at 9 p.m. at St. Paul's Center. A band will furnish the music. Everyone is welcome.

GAMMA DELTA

The regular Gamma Delta supper meeting will be held Sunday, May 1, at 5 p.m. at the Immanuel Lutheran Church. Pastor Them will lead a special discussion on liturgy. Vesper services will follow the discussion. Everyone is urged to attend.

IRC

Inter-Religious Council will meet Monday at 9:15 p.m. May 2, in conference room B in the Student Union.

SHARIVAR

Any student who has a Sharivar host or hostess ribbon or a Sharivar planning committee button is asked to leave it in the office in the library or in the Spectrum office.

Students are invited to pick up extra programs that have been left in schools.

Capitol Punishment Is Topic For Debate

Capitol punishment is the topic for the public debate that will be held May 10 at 8 p.m. at Festival Hall. It is sponsored by Lincoln Debate Society.

According to Robert Brake, society member, this topic was chosen because of the national growing concern over capital punishment, prompted by the recent Chessman and inch cases.

Participants in the debate will be Gordon Kruse and Robert Brake—affirmative and Frank Johnson and Virgil Miller—negative.

A discussion period will follow the formal arguments. The debate is open to all students and faculty and is free of charge.

JUDGING CONTESTS

Annual Meats Judging Contest on April 30 at 8 a.m.

Annual Spring Livestock Judging Contest on May 7 at 8 a.m. Both contests are open to all NDSC students. Trophies and awards will be given.

NEWS BUREAU

NDSC Student News Bureau will hold its spring planning party May 5 at 8 p.m. Anyone interested in working on the staff is invited. Contact Beth Rochefort, Communications office for reservations.

ISA

ISA meeting on Monday, May 2, in Meinecke Lounge. Meeting will deal with a special project concerning scholarship drive. There will be a party following the meeting. Everyone is welcome.

Thompson Elected

Miss Matilda B. Thompson, Dean of Women, was elected state president of the North Dakota Division of the American Association of University Women.

The annual state convention was held in Wahpeton, Sat., April 23.

Miss Thompson has been a member of the Fargo branch of AAUW since it was organized.

Spring Sing

The social chairmen of those groups which sponsor major social functions during the year will meet Thurs., May 5, at 4:10 p.m. in the Circle-T Theatre to plan for the coming school year.

This meeting will concern itself with the scheduling of the major social events, so as to get an equitable distribution of functions during the school year.

Persons representing each organization should be well informed of the group's activities and should come with authority to act. Anyone is welcome to attend.

Three Faculty Members Receive Grants

Three members of the chemistry faculty at NDSC have received National Science Foundation Grants to participate in Summer Institutes. Donald Schwartz, Robert MacDonald and Harold Heggeness will study at three different institutions of higher learning.

Harold Heggeness, assistant professor of chemistry, will attend the 8-week Summer Institute for University Chemistry Teachers at Oregon State College, Corvallis, Oregon.

All three staff members plan to return to NDSC in the fall following their summer study.

Donald Schwartz, associate professor of chemistry, has been selected to attend the 7-week Summer Institute for the Advanced Study of Isotope Technology at the University of California beginning in July.

Robert MacDonald, associate professor of chemistry, has been accepted as a participant in the 7-week Summer Institute on Radiation at the University of Notre Dame.

Six NDSC Students Attend Air Conclave

Six NDSC students are spending the weekend in Florida at the Fourth National Conclave for Angel Flight and Arnold Air Society held April 29 through May 2 at the Deauville Hotel in Miami.

Representing Angel Flight are Commander Kay Klicker and Mary Olson.

Arnold Air Society delegates are Commander Larry Hunter, John Altenburg, Dean Forseth and John McLain.

English Instructor Earns Scholarship

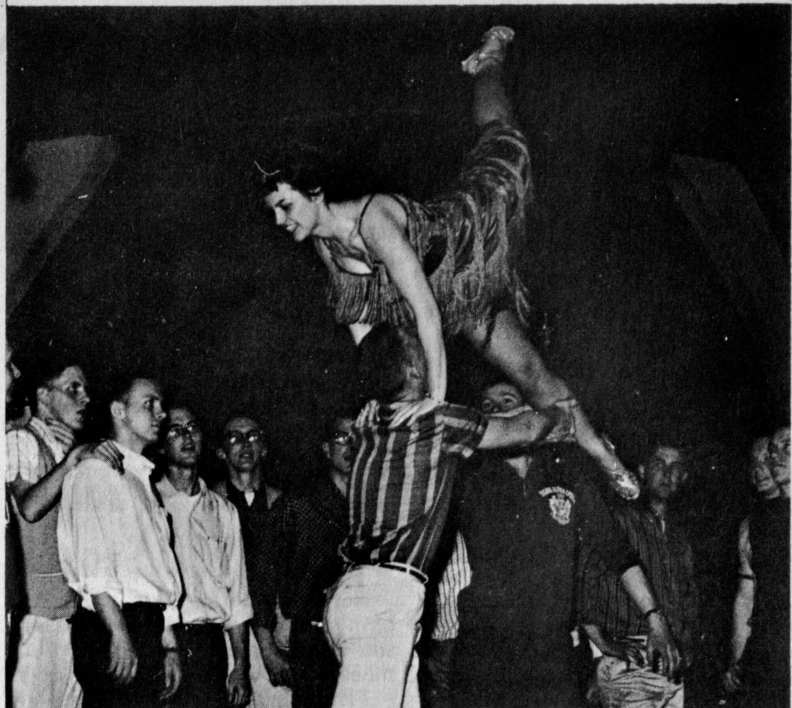

Ronald Thompson, English instructor at NDSC has received a scholarship to the Shakespeare Institute at Stratford on Avon.

The Institute is a graduate school conducted through the University of Birmingham with a concentration on Renaissance literature, primarily Elizabethan drama. It will be held July 4 to Aug. 15.

Funds for the scholarship are provided by Readers Digest and student selection is made by the University of Birmingham.

Mr. Thompson will arrive in England around June 1 and return to the United States the first of Sept. He will spend much of this time traveling around the British Isles.

Mr. Thompson is the son of Mrs. Ed Thompson of 509 7th Ave. N., Fargo. He received his BA degree with an English major from Moorhead State College and his MA degree in comparative literature from the University of Michigan.

COLLEGIATE CAPERS, winning production act, put on by SAE-KKG, was directed by Darlene Dietrich and Bob Brown. Karen Knudson, shown here dancing, won best actress award in Bison Brevities.

ESTERBROOK—picking up new users every day

BEARS or PEOPLE—Esterbrook has a pen point to suit every writing personality! They range all the way from one fine enough to write the Gettysburg address on the head of an instructor to one broad enough to write on the side of a barn.

The Esterbrook Classic fountain pen starts writing instantly—the minute it touches the paper. Feels so 'right' in the hand... and looks good, too! Choice of six colors.

Durable? This pen is so durable that it'll last long enough to hand down to your children... if that's your idea of fun.

Five staff appointments at NDSC have been announced by Fred S. Hultz, NDSC president.

Dr. C. B. Bjornson has been appointed an assistant veterinarian in the Agriculture Experiment Station. His position was authorized by an appropriation for veterinary diagnostic service.

Andreas A. Holmsen has been appointed assistant professor of agricultural economics in the school of agriculture and an assistant agricultural economist in the Experiment Station. He will spend

six months in the college and six months with the Experiment Station.

Joe Isakson is the new assistant agricultural editor with the Extension Service, at NDSC.

Dr. Richard Lorin Kiesling has been appointed chairman of the department of plant pathology, and a plant pathologist in the Experiment Station.

Emery G. Anderson has been appointed assistant agricultural economist in the Experiment Station.

SCIENTIFIC ADVANCES 801-802
Progress of Women (toward men)
Dr. Allure

Magnetism of men who use ordinary hair tonics studied. Conclusion: barely existent. Magnetism of men who use 'Vaseline' Hair Tonic studied. Conclusion not yet established since test cases being held captive by neighboring sorority. Examination of alcohol tonics and sticky hair creams (rubber gloves recommended for this class). Result: repelled women. Frequent use of water on hair cited: this practice deemed harmless because 'Vaseline' Hair Tonic mollifies its drying effect. Female Appraisal of Contemporary Male. Conclusion: Student body O. K. if student head kept date-worthy with 'Vaseline' Hair Tonic.

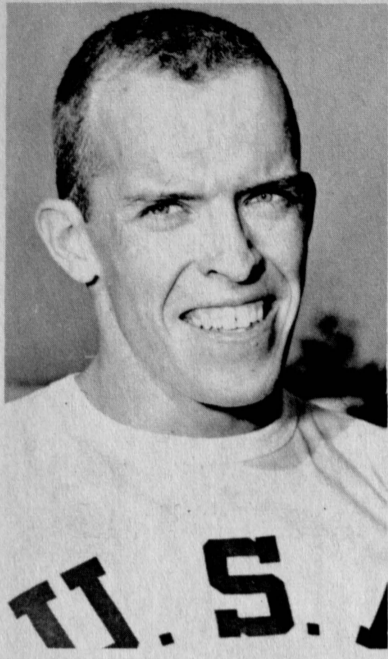

Materials: one 4 oz. bottle of 'Vaseline' Hair Tonic

Vaseline HAIR TONIC

In the bottle and on your hair the difference is clearly there!

VASELINE IS A REGISTERED TRADEMARK OF CHESEBROUGH-POND'S, INC.

Tom Courtney will be featured at a track clinic scheduled for Dakota field on Saturday, May 7. Tom will replace Bob Mathias, two-time decathlon champion, who had to leave for Europe. Courtney is most famous for his world record running of the 880 in 1:46.8 minutes. His appearance here is a climax to Physical Fitness Week.

9 Record Holders Will Defend Titles

Nine individual record holders and three team champions are expected to defend their titles at the Bison-Jaycee Track Meet, Saturday, May 7, at North Dakota State College.

All of the record holders established Bison-Jaycee meet records last year, and the three teams won out over 33 other teams in the final totals.

Team champions expected to defend their titles are Oak Grove High School of Fargo in class B, Grand Forks Central in class A, and the University of North Dakota in the college division.

NDSB Track Coach Tom Neuberger, manager of the meet, said that 46 schools have indicated an interest in competing in the 1960 meet. Included are 13 colleges, nine class A high schools and 26 class B high schools.

The meet will be run off in afternoon and evening sessions, with preliminary events beginning at 1 p.m., and the evening final events at 7 p.m.

Individual record holders expected to defend their titles and records in the 1960 meet are:

College mile run—Oddvar Helgeson, North Dakota State, 4 minutes 29.8 seconds.

College high jump—Bill Wrage, Bemidji State, 6'8".

College pole vault—Laurel Gamache, Valley City Teachers and Jim Clow, North Dakota State, 11'8".

College shot put—Ray Vanyo, University of North Dakota, 46'6".

High School pole vault, class A—Lyle Lunde, Grand Forks Cen-

BISON BITS

By Sherry Bassin

The NDSB Bison Baseball club will face the South Dakota State College Jackrabbits in their first series in the northern half of the North Central Conference at Brookings this week-end.

The Bison will meet the Jackrabbits in a single game tonight and then clash in a doubleheader tomorrow afternoon.

Coach Chuck Bentson will be leading his squad into Brookings

to face an embarrassed and determined ball club. The Jackrabbits are recovering from a 28-2 pasting they received from Minnesota last week.

As Coach Erv Reuther of the Jacks said, "We had our share of control problems against the Gophers."

Bison Prospects

The success of the 1960 baseball season at North Dakota State will probably hinge on the development of an effective pitching staff, according to Coach B. C. "Charlie" Bentson.

Bentson thinks both his hitting and fielding will be improved over last year, but isn't willing to make any predictions about his mound staff until he's seen them in game situations.

By positions, the 1960 squad looks like this:

CATCHING: Should be improved, especially from an offensive standpoint. Ross Fortier, out for the first time and Bob McCullough are the candidates.

INFIELD: Solid with the exception of first base, where no experienced performer is available. Leading candidates are Larry Paulson and Roger Shelstad, lettermen at second base and short stop; Gary Ahlgren at third base; Chuck Erstad, converted outfielder working at first base; and Norm Wolseth and Pat Rosati.

OUTFIELD: Lettermen back for each position, but lack a player with arm and speed for center field if Erstad is shifted to first base. Primary candidates are Harvey Harvala, Harry Halverson, and Don Elston.

PITCHING: Bentson talks very high on the potential of two of his pitchers, sophomore Ken Lehr and holdover southpaw Bob Hansen. Lettermen out are Ed Forsythe, Don Nelson and Joe Kupich.

Who will win? I guess it will depend on how much of the Jackrabbits control problem has been cured.

SC Tennis Squad Opens 1960 Season

North Dakota State College's tennis squad opened its 1960 season last Saturday with a dual meet with Moorhead State College.

Five candidates are working out for Coach E. Kaiser's squad. They are Larry Dodge and Clair Swalers, lettermen, from Fargo, and Del Dustrud, Clark Jones and Archie Vraa, Fargo.

The 1960 Bison tennis schedule: April 29—Bison Invitational at Island Park in Fargo.

May 6—Dual Meet with University of North Dakota at Grand Forks.

May 7—Concordia College Invitational.

May 10—Dual Meet with Concordia College.

May 18—Dual Meet with Concordia College.

May 20—North Central Conference Meet at Island Park in Fargo.

Relays To Be Held

The NDSB Track Team will compete in the Jamestown Relays this Saturday afternoon and evening.

Contestants for NDSB are: Jim Clow, pole vault—(he's the defending champion in this event at Jamestown, and holds the Jamestown Relays Record with a vault of 12', set last year.)

Bob Williams, mile; Pat Burns, relays; Jerry Erek, hurdles and relays; Oddvar Helgeson, mile and relays; Noel Mohberg, mile and relays; Don Nelson, broad jump and relays; Dean Zeller, relays; Ken Stone, relays; Tom Egan, weights; Dick Johnson, weights.

High School shot put, class B—Dave Quaife, Hunter, 46'3".

High School discus, class B—Quaife, 139'5".

High School 440-yard relay, class B—Oakes High School.

Do We Need Tennis Courts On NDS College Campus?

There has been talk recently as to the need of tennis courts on campus. Consequently we have decided to take a poll as to whether or not you, the students, feel there is enough interest in tennis so as to force a need for tennis courts on the DSC campus.

If you feel there is such a need, please signify by stating YES or NO on the space provided on this ballot.

BALLOT

- YES. We need tennis courts.
- NO. We don't need tennis courts.

Tear this ballot out and deposit in the special containers found on

the main floor of the Union before 2 p.m., Tuesday, May 3.

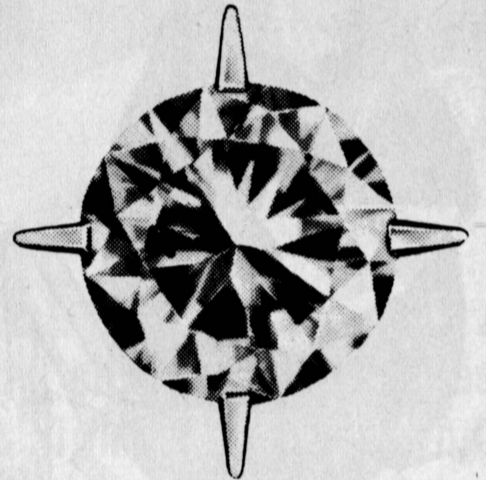

HS Seniors Tour SC

Sid Cichy, football coach at Shanley High School and former Bison athlete, was the guest speaker April 2, at a banquet honoring high school seniors from North Dakota at the second annual High School Athlete's Day.

About 70 high school seniors toured NDSB under the supervision of the Athletic Staff and the sponsorship of the Letterman's Club.

Master of ceremonies at the banquet, which was held in the Student Union, was Mike Kinsella, varsity football letter winner. Dr. Fred Hultz, NDSB president, and Paul Koziey, president of the Letterman's Club, spoke to the group.

The most beautiful new look in diamonds

Evening Star

ENGAGEMENT RINGS

You have to see it to believe it! Looks like a diamond star floating on her finger. And it makes any diamond look bigger, brighter, more beautiful. Don't even think of any other engagement ring until you see the dazzling "Evening Star" collection at your Artcarved jeweler's.

And, for real proof of value, ask your jeweler about Artcarved's famous nationwide Permanent Value Plan. It gives you the right to apply your ring's full current retail price, should you ever desire to, toward a larger Artcarved diamond—any time—at any of the thousands of Artcarved jewelers throughout the country.

IMPORTANT. Every genuine "Evening Star" diamond is guaranteed in writing, for color... cut... clarity... and carat weight and only Artcarved stamps the exact diamond weight in the ring. It's a genuine "Evening Star" only when the name is stamped in the ring.

Beloved by brides for more than one hundred years (1850-1960)

SAY YOU SAW IT IN THE SPECTRUM

ORCHESIS' "KATAKA" took first place in Bison Brevities in curtain act competition. Shown are Betty Kay Hasen, Linda Olson, Betsy Nelson and Lynn Airheart, several of the members of the cast. "Kataka" was a interpretive modern dance depicting a primitive village's efforts to bring the chief's daughter back to life.

Job Interviews

Placement Office

The Wright Air Development Division is currently completing a reorganization which will result in the establishment of about 450 to 600 new professional positions. These positions will be divided among organizations participating in practically all aspects of research and development on aerospace vehicles, equipment, and systems.

They are interested in persons at all degree levels for positions as Aeronautical Engineer, Ceramic Engineer, Electronic Engineer, Electrical Engineer, General Engineer, Mechanical Engineer, Physicist, Metallurgist, Health Physicist, Physical Chemist, and Psychologist. Any interested graduate may obtain additional information at the Placement Office.

International Voluntary Services,

Inc. has received a request for a team of 20 agricultural teachers in Liberia. These team members must be unmarried male agricultural graduates with B.S. or M.S. degrees. They would be working in the rural areas and villages of Liberia, organizing, directing, teaching and supervising schools on the elementary level.

Applications are welcomed from ALL agricultural graduates with preference given to those with Vocational Ag. training. There are also approximately 50 vacancies for agricultural technicians in the Far East still open for 1960 graduates. Applications may be secured through the Placement Office.

The America Fore Insurance group is currently seeking a number of spring graduates to enter a

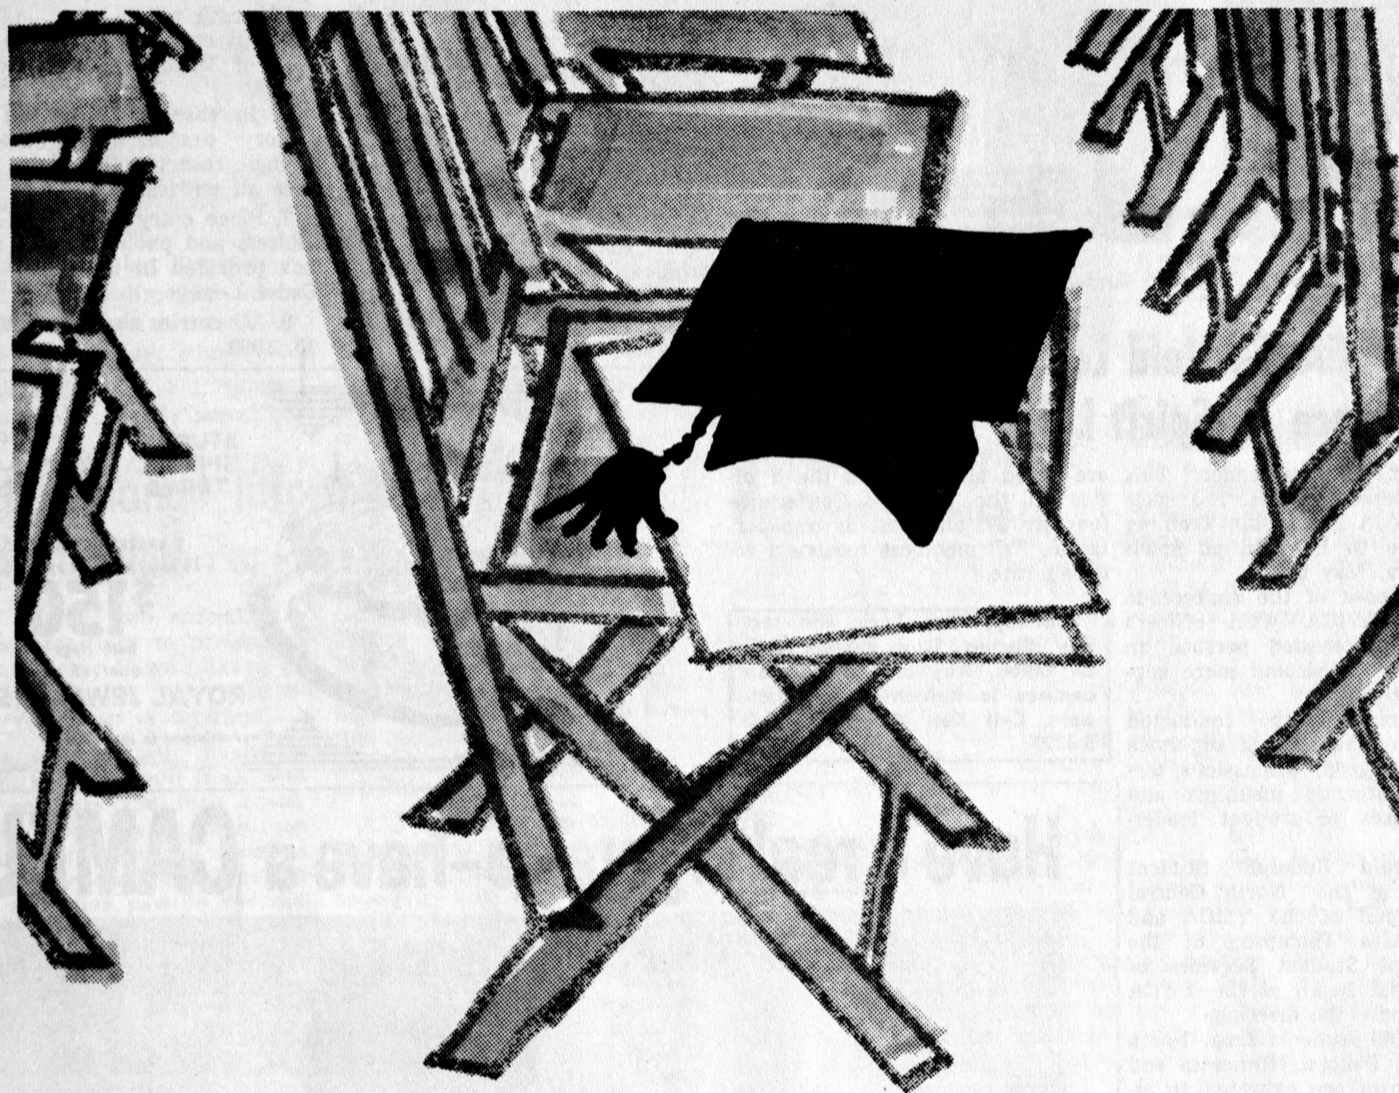

career training program in insurance administration. Accepted applicants will spend three years in the main Chicago offices being trained in all of the functions of insurance administration. The individual will then be prepared to assume responsibilities in one of the field offices associated with America Fore. Contact the Placement Office for additional information.

A position as technical representative with Union Carbide Chemicals Company is available for a graduate of agricultural sciences. While marketing and related problems would be the prime responsibility, joining with research and development personnel in establishing grant-in-aid programs and field testing of products would also be involved. Additional information and application forms can be obtained at the Placement Office.

College students are needed to work as field supervisors for high school students working in the sugar beet fields during the summer months. The work will all be in the Fargo area and will begin June 1 and continue to about July 20. The crews will range in size from 6 to 20 workers. Past experience has indicated that the crew supervisors will earn a minimum of \$10.00 a day. Any student interested is requested to contact the Placement Office.

Wednesday, May 4, 1960

Wilson & Company, Inc. will have representatives on campus to interview spring graduates from the school of Agriculture. They offer employment opportunities primarily at Albert Lea, Minnesota but also in seven other major plants, fourteen Dairy and Poultry plants, and sixteen branch house sales areas. All interested students are invited to contact the Placement Office and arrange for a personal interview.

DON'T LET THE MONTH OF JUNE COME TOO SOON

It's an important month for you...and for IBM

June may mark the start of a career of rapid advancement for you with IBM. We need ambitious college graduates, with good scholastic records, for careers in direct and indirect marketing, applied science, programming, systems, and other areas. We've been expanding rapidly . . . and we promote from within.

Whether you're majoring in engineering, science, math, business administration, or liberal arts, you should know about IBM and what we have to offer.

See your Placement Officer for more information. If we have already interviewed on this campus, and you did not get to see us, please write or call:

Contest Opened For Design of ROTC Patch

Any student with artistic talent and a flair for design is invited by Dakota Company of the Association of the United States Army, to enter a contest for designing a shoulder patch for the Army ROTC uniforms.

A prize will be awarded for the winning design which will be picked by the AUSA Executive Council.

Entries must conform to the following rules:

1. Patch will be approximately 2½"x2½". The designer may use his own ingenuity as to the shape, color and subject matter.

2. The competition is open to anyone interested.

3. Each contestant may enter as many designs as he wishes.

The winning entry will receive a \$10 cash prize.

5. All entries become the property of Dakota Company of the AUSA.

6. In case there are no satisfactory designs, the executive council reserves the right to refuse all entries.

7. Place entry along with name, address and phone number in the box provided in the Army ROTC Cadet Lounge.

8. All entries shall be in by May 15, 1960.

Weinberg Elected

Dr. Elliot Weinberg, professor and chairman of physics, has been elected president of the NDSC chapter of the North Dakota Council of College Faculty.

Dr. Roger Meintzer, associate professor in chemistry, was elected vice president, and Dr. Muriel Vincent, professor in pharmacy, was elected secretary-treasurer.

Classified ADS YM-YWCA To Hold Leadership Training Conference At Spirit Lake, Ia., May 6-8

All classifieds are cash in advance unless other arrangements are made. Spectrum classified ads cost \$.25 a week providing the length is not over one half inch. Deadline for classifieds is noon on Tuesday.

Radio and television repair work done. See Orville Nyhus or Lawrence Hagen. Room 69, Dakota Hall. Phone AD 2-9952.

Part time direct sales opportunity. Contact Glenn Thiel. AD 2-2994.

Found—Men's class ring and women's gold bracelet backstage after Brevities Sat. night. Claim at Spectrum office.

"Take me to your leader." This is the theme of the four-state YMCA-YWCA Leadership Training Conference to be held at Spirit Lake, Iowa, May 6-8.

The purpose of the conference is to give YMCA-YWCA officers and other interested persons an opportunity to become more capable leaders.

Discussions will be conducted on how to organize and supervise committees, group discussions, formal and informal meetings and other phases of student leadership.

Mr. Harold Rudolph, Student Secretary of the North Central Area Council of the YMCA and Miss Barbara Thompson of the Division of Student Services of the National Board of the YWCA will supervise the meetings.

About 100 students from North and South Dakota, Minnesota and western Iowa are expected to attend.

Any students interested in obtaining some leadership training

are urged to sign up at the Y office in the Library. Conference fees are \$7, plus cost of transportation. "Y" members receive a reduced rate.

Sunday, May 1, is the last day Spring Sing entries will be taken. Any organization on campus is welcome to participate. Call Ken Maxson at AD 5-6327.
