

1200 New Students Arrive On Campus

Frosh Total Near 1000 For All Time Record

An estimated 1200 students went through NDSC orientation this week, according to Dr. Quentin Stodola, director of counseling and testing.

This estimate was made according to the number of students that went through the testing program. The exact total will not be known until next week when registration figures are all in.

YMCA and YWCA are sponsoring a mixer tonight at 9 p.m. in the Memorial Union for all new students. Orientation week will close tomorrow night with the Bison-Augustana football game at Dacotah field at 7:30 p.m. Following the game an all-college dance will be held at the Union ballroom.

"Orientation has been a tremendous success so far," said Commissioner of Campus Affairs, Jim Lamont. "The upper classmen, who helped with this week's program did a great job and the freshmen were a good group to work with."

Classes begin on Monday morning.

NDSC STUDENT BODY PRESIDENT Allyn Hart talks with these two Frosh cuties, Karen Leonard, Moorhead and Mirtie Skow, Fort Totten. "We've got a great bunch of freshmen starting this year," said Allyn. "With this fired up gang helping, we're sure of a Name Change victory in November."

NDSC to NDSU

Students Must Know The Facts

By Sherry Bassin

On November 8, 1960 the students of the Agricultural college at Fargo will know if the name of this institution of higher learning will be changed to the North Dakota State University of Agriculture and Applied Science.

Whether we will be successful in accomplishing our Name Change will be strictly up to you. Only through your efforts and knowledge of facts will we be able to succeed in accomplishing such an important undertaking as this.

It is to the students advantage if the Name Change is successful. Therefore your work as a student is to KNOW THE FACTS and to spread these facts through con-

tacts throughout the state.

Following are three main reasons why the Name Change should be made. LEARN THEM!

1. It would improve NDSC's ability to recruit and hold top quality staff as sister institutions in other states testify it has helped them.

2. The proposed name more accurately describes the present organization and functions of the institution. Changing the name will not change or add to either of these.

3. Approval of the change actually would mean savings to North Dakota taxpayers resulting from the institution's improved ability to compete for Grants.

Freshmen 'Y' Camp Rated Successful; Reunion Planned In Three Weeks

Twenty-five freshmen, eleven counselors and thirteen staff and faculty members attended the freshman YMCA-YWCA orientation camp at Lake Cormorant last weekend.

According to Leo Johnson, Y director, the purpose of the camp was not only to learn about college but to learn to know better the questions to ask during college orientation week.

Topics for discussion during panels included: "Choosing a Vocation", "Studying in College,"

"Role of Co-curricular Activities in College," "Cultural Opportunities Offered by the College and Community," "Religion in College" and "Should a Student be an Independent or a Greek."

"It was a very successful venture and we plan on making it an annual event for freshmen," said Leo Johnson.

Counselor Joyce Larson said, "It was tremendous. They could really learn the inside of college life."

A reunion for the freshmen who attended the camp will be held in three weeks.

"Of Thee I Sing"

Auditions and tryouts for singers, actors and dancers for the Little Country Theatre's production of the musical "Of Thee I Sing" will be held at 7:00 p.m. next Tuesday, September 20 in The Little Country Theatre on the second floor of the Administration Building.

Film Society Memberships Go On Sale at 'Y'

Season memberships in the newly-organized Fargo-Moorhead Film Society are now on sale at the campus YMCA office in the library.

The six films to be featured this season will be shown on alternating Tuesdays beginning on Sept. 27.

The season will include French, German, Mexican, Swedish and American film classics. The Swedish film is an Ingmar Bergman production.

"Plans are to show the films at the new FM Community Theater," according to Leo Johnson, YMCA director. "By showing the films downtown the Society feels it will become a tri-college affair."

Membership for the six films is \$3.

FINDING OUT THE WHERE'S, whys and hows of NDSC campus are these new students taking campus tours. "This ride was welcomed by my tired feet," said one college freshman. "It seems like I've walked miles this week."

Dr. Ralph Dunbar ing service of NDSC. This picture of the late Dr. Dean Dunbar came to NDSC Ralph Dunbar, who was dean of the School of Chemical Technology at NDSC was taken last spring at a Chemistry Club picnic. The group had given Dean Dunbar a gift in commemoration of the Doctor of Service Award which was given him earlier by Blue Key. This award is given annually to an individual who has done outstand-

New Campus Fraternity Invites Men Who Believe In The Future

A National Fraternity offers you a challenge. The Sigma Nu Fraternity can offer no security other than the security of being insecure with all MEN who believe in the future but who cannot predict it.

For our Colony we seek the man of uncommon ability, the practical idealist. Only those who can never KNOW failure (although they may recognize it), who can never KNOW success (although they believe in it) are eligible.

Sigma Nu is a social FRATERNITY—social in the societal sense within the field of human relationships. Within our Brotherhood each member is constantly reminded of the good in man, and correspondingly each imparts a renewed faith in the inherent worth of the human being to all he may meet.

As for ourselves, we subscribe to and live by a Code of Honor. We believe the mature individual is able to govern himself by

HONOR alone, and through proper motivation and environment (a Chapter of Sigma Nu), the mature man will not condemn himself to be forever governed by the petty rules and regulations legislated by men because others may not be trusted.

We believe in self-restraint, in order that every individual may have maximum freedom. Anarchy cannot be the result, for we inculcate a respect for law. The only enforcing authority is the individual's high sense of HONOR.

In every society, be it Nation, College or Fraternity, there are the few who know themselves to be superior in certain abilities. It is conceit to speak of this ability, but confidence to use it.

To those who know themselves and their place in the future, Sigma Nu offers an opportunity to reveal themselves. Only the select few are capable of giving the challenge of Colonization a practical dimension . . . only the select few in history have added new horizons for posterity.

BISON BITS

By Sherry Bassin

Tomorrow night the North Dakota State football team will open the North Central Conference against the powerful Augustana Vikings before a hometown crowd at Dacotah field at 7:30 p.m.

are on any club in the league, if not better than most.

This club is certainly not short on talent, it is just the lack of experience that is showing.

After last Saturday's game against Concordia every supporter from here to Minoka was ready to forget the Bison and grab the first bandwagon that came along.

These same supporters seem to have forgotten that up until game time last Saturday the NDSC squad had been playing together as a unit for nine whole days while the majority of the Concordia squad had been together for three years.

The Vikings will arrive at Dacotah field tomorrow night with 18 returning lettermen, including 3 all-conference selections, of which one John Simko, made little All-America.

With this array of talent plus the fact they won the NCC last year will likely mean the bookies will be betting their weekly pay on the Norsemen.

Therefore, I think the major difference in last week's game was experience. It was the inexperience of the Bison that likely contributed to most of their mistakes.

Perhaps one doesn't have to be an intellectual genius to go along with the Vikings tomorrow night but in the meantime don't sell the Bison short.

Bison coaches, Bob Danielson and Don Johnson have as good a personnel on their club as there

Out of 42 squad members reporting to fall workouts this fall at NDSC, only 13 were lettermen.

This alone indicates with a little experience happy days are ahead for the Bison in future games.

So, you may be a Viking supporter this year or you may have your last dime on some other club in the conference, but for my money, with a little experience and a little playing together I will take the likes of the McBrides, Reynolds, Kovichs, Kingsburys, Egans, Gebharts, Ketzkows, Kozieys, Staples, Kinsellas, Vingess and Ramirez.
