### PROCLAMATION

The widespread abuse of alcohol and drugs has created economic and social problems of immense proportions resulting in massive public costs and unmeasured private grief.

Information on the consequences of alcohol and drug abuse is needed to educate young people and opinion-makers on the hazards involved in such abuse.

We should be especially concerned when alcohol and drug abuse results in the destruction of family relationships.

I urge all civic, educational, religious, social and other organizations to join in promoting a drug-free way of life through education for our youth.

For these reasons, I proclaim April 21-27, 1991, as 'YOUTH TEMPERANCE EDUCATION WEEK' in North Dakota.

Dated this twenty-first day of January, 1991.

GEORGE A. SINNER  
Governor

ATTEST:

Secretary of State

### A PRAYER FOR YOUTH —

*The young need someone to listen to them, Lord.  
Open my ears that much wider so that by talking to me they may be more willing to listen to You.  
Grant them confidence and guidance where they have a right to expect it.  
I really want their world to be better than mine. Amen.*

### THANK GOD FOR YOUTH

Thank God for youth with the strength to lift;  
And the will to serve, and the heart to pray;  
Thank God for the marvelous wonder gift of youth today.

There are paths to be straightened within our land.

There are darkened ways that have need of light;  
Thank God for the youth of the earth who stand foursquare for right.

There is need for vision of undimmed eyes;  
There is need for hands that are clean and strong;

For backs that are straight, and hearts that are wise;

For lips with a song.

Thank God for youth with its latent powers;  
Thank God for the youth that yet may bring  
Out of these failures that have been ours  
Some better thing.

**PRESIDENT'S REPORT**

Dear White Ribbon Sisters,

Happy Spring! It's wonderful to hear the birds singing again. New life, the lambs and calves are being born. And as we think of the Resurrection, we praise God for New Life in Christ!

Verna and I have one month left to get information to you about the hearings, bills, etc. of this legislative session. We thank those unions who have given financially to support this work. If any others would like to give, the check should be made out to Verna Ellsworth. She buys the envelopes and stamps. We also pay for the copies to be made. If any is left from those expenses, it will go toward gas, driving to the capitol. Bless you for your

prayers!

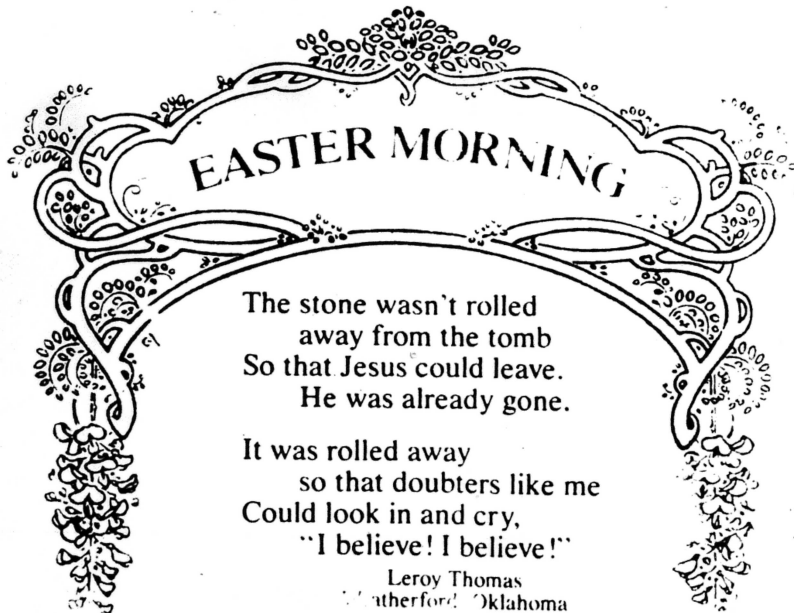

Mid-year meeting will be in Jamestown. We would like it to be combined with the District Meeting there if possible.

The state convention plans will be made then. Come one, come all to help us.

Please pray that God will continue to guide and direct our unions. The reason I am a WCTU member is because He is in it! He lifted a burden for me at our last meeting as the devotional touched my heart.

God bless you - may you feel God's love in your hears every day.

Love in Christ,  
Karen

**PROMOTION DIRECTOR'S REPORT**

Dear W.C.T.U. Members-

Where has the winter gone and have I made good use of my time for the Lord?

This is the question I ask of myself. God truly will lead us if we follow. Most of you remember the old song, "Where He Leads Me I Will Follow. Follow Jesus every day."

This comes from our National Promotion Director's letter. A question that is often asked about the Advance and Builder Unions: Can a union be both Advance and Builder? The answer is "yes". In fact they can become both at the same time. If no member has died, and none moved away, then the moment they become Advance, they are also Builder, because their membership is equal to last year. They should be listed for both. The Advance and Builders are two steps in process of gaining your membership. The first step in membership is Advance - to get the membership of all living, resident members. Step two in the growth is Builder- to get the membership to equal last year. The third step is to be fruitful. I hope this answers this question. I know it does mine.

Leadership Training School is April 8-14, 1991. Remember to finish Reading Course by June 15 and send to me by June 30. Camp is coming in July for Y.T.C. and L.T.L. We must have 45 campers or we pay for this many anyway.

May God bless your work and follow Him every-day.

Yours in His Service,  
Vivian Trapp  
Promotion Director

**The Shine of God's Glory****Department of Education**

May I direct you to read again a Biblical summary account of the "Shine of God's Glory" found in the first chapter of the book of Hebrews. Therein is described God's bestowing of glory upon His son, Jesus, exalting the Son above all of God's creation on earth and even to a state which is greater than the angels.

God's glory is magnified by His works, and by His love to man we are recipients of His glory. Through our works and the keeping of the commandments, God is glorified.

The glory of joy, spiritual reward and satisfaction is ours in the WCTU, as we work to inform mankind about agents which are detrimental to the body and to the human spirit.

It is imperative that we pursue every opportunity, using all feasible avenues of action which might be aimed toward eradicating the scourge of drug abuse and the debilitating effects of alcohol and tobacco. Let us be well informed, lawfully and morally armed to be victorious.

April is the month to promote Youth Temperance Education Week. This is an important time to get vital drug and alcohol information to our youth and children.

Let God's glory shine magnificently through our continued efforts, fostering the ideals of the WCTU.

Mrs. Colleen Wilson  
National Director
