Campus colleagues,

We hope this message finds you and your family healthy and well.

Please mark your calendars for the 2020 United Way Silent Auction event, offered by NDSU's IT Division and Computer Science, on Wednesday, Oct. 28!

All proceeds will be added to NDSU's overall United Way campaign contribution.

This will be the 24<sup>th</sup> annual event, but it may look somewhat different than it has in recent years.

- At this time, we are planning on an "in-person" event.
- Plans are being made to move the event online if necessary due to COVID-19 precautionary measures that may still be in effect at that time. Decisions will be made in October.
- Many of us have been spending a lot of time in our homes and can use a project or two. Now is a great opportunity to go through closets, cabinets and storage nooks, gather up things we no longer use, and put them aside to donate to this great cause!
- Information regarding where and when to bring donated items will be coming in September.
- Please take a picture of each individual item or set of items, to be used for an online silent auction, if needed. You can send these pictures anytime – even today – to [Danyelle.marthaler@ndsu.edu](mailto:Danyelle.marthaler@ndsu.edu) .
- Due to the economic impact of the pandemic, the needs of the United Way and our community will most likely be increased this year, so our participation and efforts will greatly benefit our neighbors.

In the meantime, please take good care!

If you have any questions, please contact Kim Lammers at [kim.lammers@ndsu.edu](mailto:kim.lammers@ndsu.edu) or me.

Thank you,  
CeCe
