

How can atmosphere transform a clinical setting for
the anxious and depressed?

Orphereal

“The mind and world are simply not separate and independent of each other; the mind is an embodied dynamic system in the world rather than merely a neural network in the head.”

“What time is it?

A little after ten in the morning. I try to remember what ten in the morning means, but i cannot. Time means nothing to me anymore.”

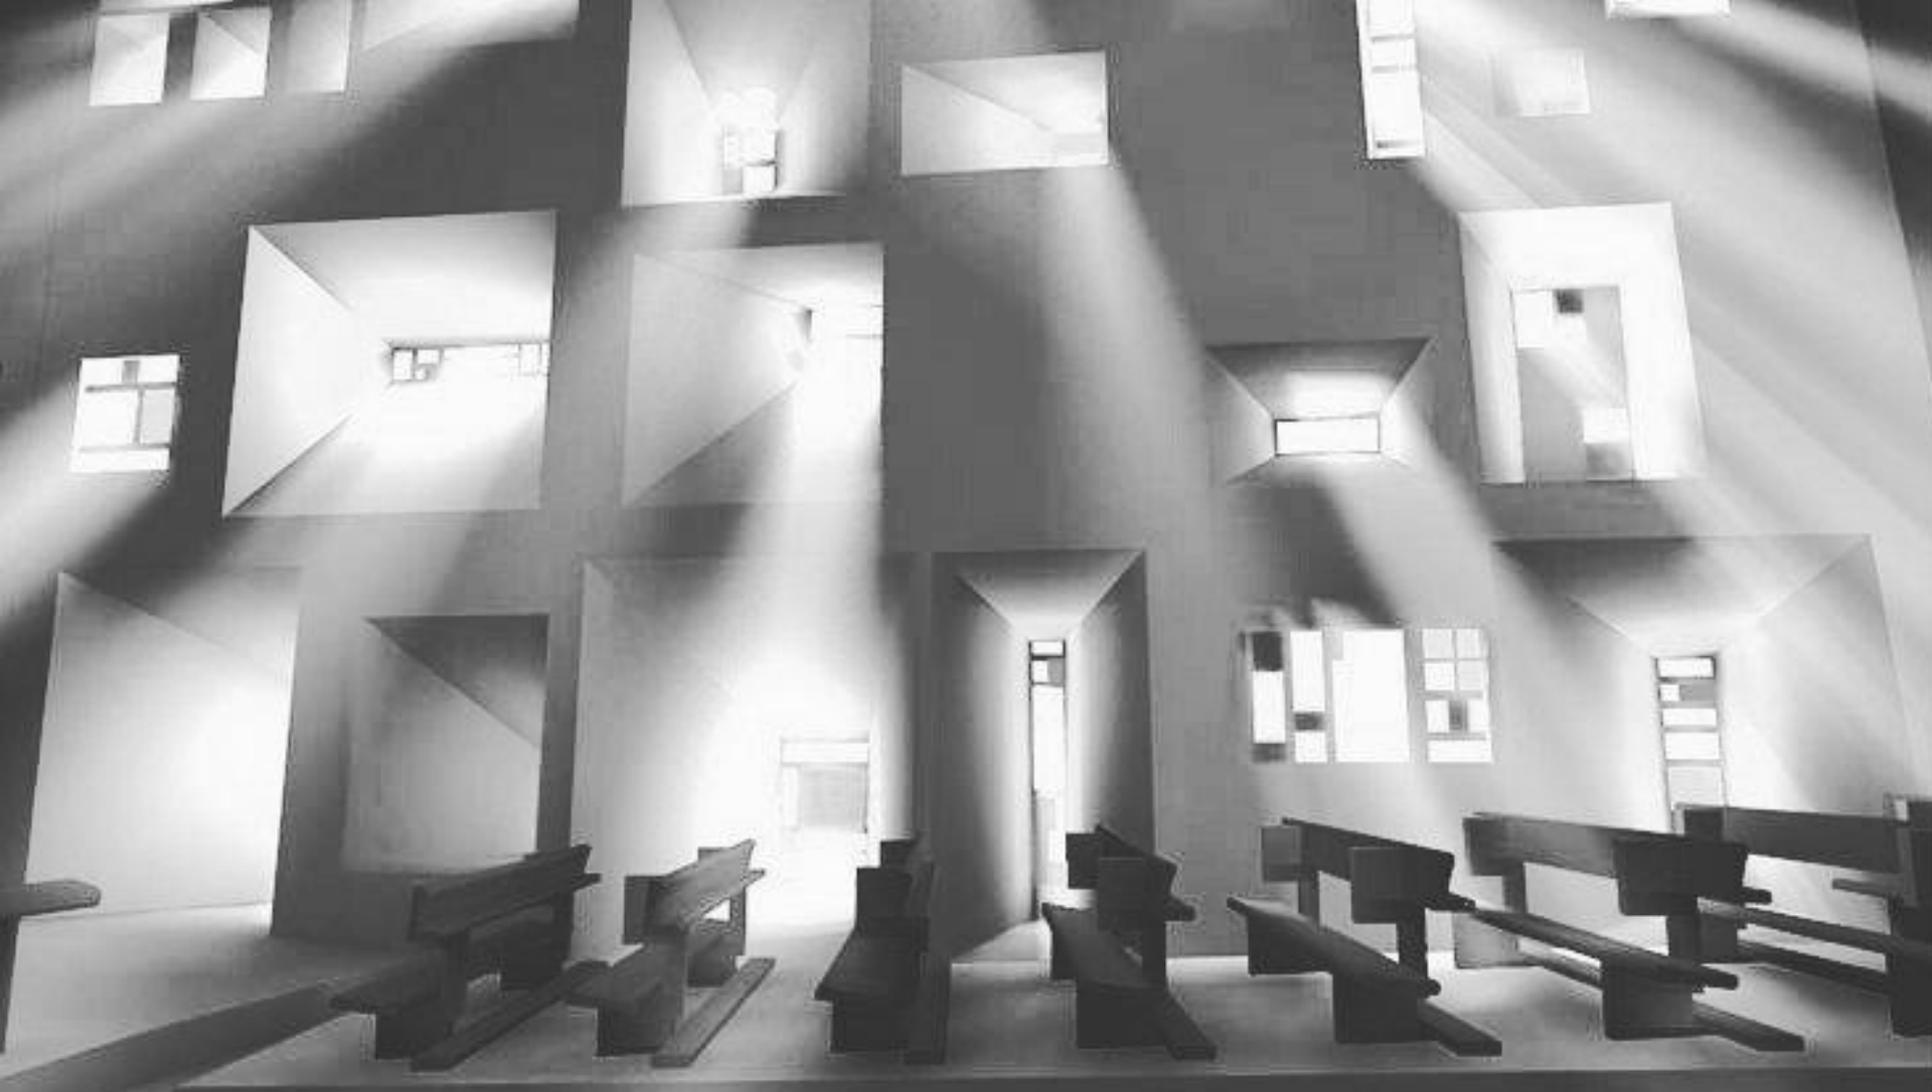

Orphism: (Greek origin "Orpheus")

the journey from darkness to light:
purification of the soul from innate evil.

The Chapel at Ronchamp

Attunement:

How we orient ourselves in the world, as
“being-there”.

“Our moods connect us a priori to the world.”

Martin Heidegger

“It’s this singular density and mood, the feeling of presence, well-being, harmony, beauty...under whose spell I experience what I otherwise would not experience in this way.”

Peter Zumthor
