Citation: [Identification of item]. General Education Committee Records, University Archives, North Dakota State University, Fargo.

HISTORY

This collection contains donated materials from Dr. Larry Peterson who was the Chairman of the General Education Committee of the University Senate from 1991-1993. The committee was responsible to make sure that the courses offered at the college are consistent with the mission of NDSU. It also developed criteria that evaluated courses to make sure that they met the requirements of general education. This committee also coordinated actions to the Senate on proposals that determined if general education courses were recommended. An assessment of student outcomes was developed and policies and procedures were set for the improvement of education.

SCOPE AND CONTENT

The collection contains the correspondence of Larry Peterson and the General Education Committee and the committee membership. General education surveys to employers, alumni, faculty, and state legislatures along with the results are part of the collection. The proposed general education outcomes, models, and requirements along with notes by Larry Peterson complete this collection. The folders are arranged chronologically.

BOX AND FOLDER LISTING
