HISTORY

Athletics contests have been waged at NDAC/SU since the early 1890s when faculty and students challenged each other to tugs-of-rope in the unfinished top floor of Old Main. The first intercollegiate contests were in football between NDAC and the University of North Dakota in 1894.

SCOPE AND CONTENT
This artificially created series consist of materials held by the Sports Information Office that was transferred to the University Archives during the summer and spring of 2004. The vast majority of the record series have numerous gaps. The most complete series are Men’s Basketball and Football, and Wrestling.

The first series is **Athletics General** which includes information on the Athletic Committee (1960s – 1970s) proposed track, field house information, broadcasting bids, as well as general media guides for men’s and women’s athletics, and general athletic related press releases.

Note: Gymnastics, Swimming, and Tennis files have been removed to: Former Intercollegiate Sports records
